NARROW ESCAPE OF OTTAWA GOVERNMENT MURDERER GIVES MESSAGE BEFORE GOING TO GALLOWS REGARDING CRIME

Government Was Sustained by Only Three Votes When House of Commons Divided at 1 a.m.

Five Progressives voted with Conservatives on vote of want of confidence at early hour this morning

OTTAWA, Jan. 15.—Amid scenes of wildest excitement the Mackenzie King Government at one o'clock this morning secured a majority of three on a non-confidence amendment proposed by the Conservative leader, Hon. Arthur Meighen, five Progressives voted with the Conservatives, the total vote being 123 to 120.

As the figures were announced by the clerk, both Liberals and Conservatives rose, cheering frantically.

In the whole House of 245 members only two votes were not cast. These were those of Speaker Lemieux and A. D. Chablin, Conservative member for Kent, who was sick in the hospital.

Of the 24 Progressives, 19 voted against the amendment, along with the Independents and all the Labor and Liberal members.

Following the defeat of the amendment by the House a further division adopted the government motion which Mr. Meighen sought to amend.

Immediately afterwards Hon. Ernest Lapointe, House leader, submitted an order in council appointing Hon. J. H. King, W. R. Motherwell and E. M. Macdonald, Hon. G. H. Boivin members of the internal economy committee.

On the motion of Mr. Lapointe the House adjourned until Monday.

HOSPITAL WAS DESTROYED BY FIRE RENFREW

Twenty Bed-ridden Patients Including Two Infants Carried to Safety from Building

RENFREW, Ont., Jan. 15.—Twenty bed-ridden patients including two infants were carried to safety yesterday when the Victoria Hospital was practically totally destroyed by fire. Four patients who had undergone major operations within the past 24 hours are in a serious condition. They were taken to the Renfrew Hotel which has been converted into a temporary hospital.

WHEAT EXPORT IN DECEMBER

Out of Fifty-Seven Million Bushels Forty Millions Went Out Through Foreign Ports

OTTAWA, Jan. 15.—Exports of Canadian wheat in December totalled 57,000,000 bushels, of which 49,500,000 left the continent by way of United States ports.

EDMONTON HOCKEY TEAM VICTORIOUS

CALGARY, Jan. 15.—The visiting hockey team proved to be the winner last night when Edmonton beat Calgary in a league match three goals to one.

GOVERNMENT WILL CARRY ON WORK OF SESSION AT OTTAWA

Word was received here from Ottawa this morning that the Mackenzie King Government, which was sustained by a majority of only three when the vote was taken at an early hour this morning, will carry on the work of the session.

BABY BOY BORN ABOARD VESSEL

C.P.R. steamer Princess Mary, Capt. C. C. Sainley, southbound from Alaska ports to Vancouver, arrived at 10.30 this morning and at 11.30 continued her voyage south. About six o'clock this morning as the Mary was coming from Ketchikan to this port, a baby boy was born to a young mother who was a passenger aboard the vessel. The ship's stewardess and a nurse, who was a passenger, attended.

BODY OF MAN IS FOUND IN SOUTH

PREMIER IS SATISFIED

Says Parliament is Supreme and He Will Make a Statement Monday

OTTAWA, Jan. 15.—"Parliament is supreme," commented Premier Mackenzie King this morning on last night's division. When asked if he would immediately seek a seat, the premier replied, "There will probably be a statement Monday in the House."

Current gossip has it that the Premier will run in Prescott.

DOCTOR FINED UNDER DRUG ACT

Dr. Hoyes of Okalla Must Pay \$200 or go to Prison for Month

VANCOUVER, Jan. 15.—In the police court here this morning Dr. W. T. Hoyes of Okalla, prison physician, was fined \$200 with the option of a month's imprisonment on a charge under the narcotic drug act with illegally issuing prescriptions. Magistrate Shaw found him "technically guilty," expressing the opinion that the prescriptions were not issued for gain.

GRAIN MARKET IS DISCUSSED

Calgary Objections to Vancouver Quotations are Before Vancouver Council

VANCOUVER, Jan. 15.—At the conclusion of the meeting of the council of the grain division of the Merchant's Exchange yesterday afternoon, called for discussion of the charges made by the Calgary grain men that Vancouver grain quotations were "invariably incorrect," it was announced that no statement would be issued.

In regard to a request from the Calgary grain men that the harbor board buy wheat at quoted Vancouver prices, it is pointed out that the board functions in this respect only as an operator of transfer elevators.

S. M. NEWTON who was re-elected mayor of Prince Rupert yesterday.

Newton Again Elected Mayor by Good Majority over Colonel S. P. McMordie in Civic Contest

Defeating Ex-Ald. S. P. McMordie by a vote of 491 to 320, Mayor S. M. Newton was elected mayor of Prince Rupert for the seventh term as a result of the voting at the municipal election yesterday. A total of 919 votes was recorded in the majority contest as compared with 1027 at the 1925 election when Mayor Newton was given a majority of 386 over Theo Goffart. A feature of the voting yesterday was that more votes came in early in the day than usual and the activities were spread better over the twelve hours of the poll, there being no last minute rush from 6 o'clock on.

Mayor Newton was given majorities at all the four tables of the poll. At the A-D and M-P tables, the contest was close while the largest majority was given Mayor Newton at Q-Z table although E-L was almost as large.

Per tables the vote was as follows:

	McMordie	Newton	Spoiled
A-D	103	108	2
E-L	113	142	2
M-P	105	140	2
Q-Z	99	131	2
Totals	420	491	8
Majority for Newton			71

Aldermanic Contest
 In the aldermanic contest, Joe Greer headed the poll with 153 votes over the runner-up, Ald. R. F. Perry. Ald. M. M. Stephens and Ald. Oscar Larsen were also elected. Ald. J. A. Smith and A. H. McPherson being defeated.

The standing of the aldermanic candidates was as follows:

Joe Greer	661
Ald. R. F. Perry	529
Ald. M. M. Stephens	516
Ald. Oscar Larsen	447
Ald. J. A. Smith	405
A. H. McPherson	213
Spoiled	36

Besides the four aldermen thus elected, the 1926 city council will consist of Ald. W. M. Brown, Ald. J. McKechnie and Ald. G. B. Casey, who complete two year terms, and W. J. Greer who was elected by acclamation to complete the term of Ex-Ald. McMordie who resigned to contest the mayoralty.

School Board
 G. A. Bryant and Thomas McMeekin were elected to the school board to succeed C. H. Orme and W. E. Williams. Henry Smith was defeated in this contest, the vote of which was as follows:

G. A. Bryant	651
Thos. McMeekin	601
Henry Smith	220
Spoiled	28

The other members of the school board this year will be W. O. Fulton, H. B. Rochester

Sowash the Murderer Sends Message from Shadow of Scaffold

Impossible to immure criminal in prison for short time and then expect him to be a good citizen says remarkable document

VANCOUVER, Jan. 15.—A remarkable essay on "Crime, Its Cause and Remedy," penned by Harry Sowash, alias Myers, while in the shadow of the scaffold for the murder of Captain Gillis and his son of the gas boat Beryl G. has been released. The original document, now in the possession of a prominent official of the provincial police, was written at the request of the officer white Sowash or Myers was in the condemned cell.

Penning on several sheets of foolscap, the writer stipulated that it should not be published until after his death. After Sowash, standing alongside his companion, Owen Baker, had said to the hangman, "Step on it kid," and after the trap was sprung casting them into eternity, the Sowash essay was made public to the world.

Sowash, who was a man of evident good breeding and education, whose lips remained sealed on his real identity and that of his parents, had this to say in part:

"A wild rose cannot be torn from its native heath, transplanted in a flower bed and be expected to produce roses like a cultivated plant, nor can a criminal be taken from his environment, immured for a season in prison and be expected to be a good citizen. The proper thing to do is to find out the amount of intelligence he has and then give him the education he needs.

Blinded Humans
 "You must remember intelligence is not acquired but inherited, whereas education is a polish. If the man has the fundamental base for this polish, it is the duty of society to see that he has it. A prison should be a college where the misdirected material of glorious manhood is salvaged and not a pest house swarming with other groping, blinded humans.

"The single motive of all humans is selfishness. No one does anything for which he expects to get nothing. The criminal does wrong for gain. All will do right if a true sense of values is substituted for his false ones, provided he may be taught conclusively that his gain, however measured, will be greater.

"For I tell you again, that the man who does right for right's sake alone, lives a lie."
 (Signed) HARRY F. MYERS.

GRAIN DRIER IN VANCOUVER

Addition to Plant at Number Two Elevator to Handle Damp Grain

VANCOUVER, Jan. 15.—W. D. Harvey, secretary of the Vancouver Harbor Board yesterday afternoon announced that word had been received from the Ottawa government authorizing the installation of Number 2 Elevator of a new grain drier at a cost of \$75,000, which it was expected would increase the grain handling capacity of the port approximately one third.

QUEBEC HOTEL UP IN FLAMES

Famous Chateau Frontenac Gutted by Fire and Two Wings Destroyed

QUEBEC, Jan. 15.—With a loss, unofficially estimated at \$2,000,000 with five firemen taken to the hospital and a commercial traveller named Boyd partially asphyxiated, the Chateau Frontenac, one of the premier hotels of Canada, was the victim of a five hour conflagration. The chief damage was in the older section of the building which overlooked the St. Lawrence River. The north and south wings were destroyed, the roof falling in.

The fire made great headway fanned by a strong wind.

INTENSE COLD EUROPE TODAY

Skating at Versailles and Grand Canal at Venice is Frozen Over

PARIS, Jan. 15.—Intense cold weather accompanied by snow is general in many sections of the continent of Europe. Outdoor skating is being indulged in at Versailles.

SASKATOON WINS IN HOCKEY FROM VANCOUVER

SASKATOON, Jan. 15.—Saskatoon snatched the hockey honors from Vancouver last evening here by beating the visitors seven goals to three.

TO THE ELECTORS.

May I express my thanks for the splendid support accorded me at the polls in the mayoralty contest yesterday. Though defeated, I am greatly appreciative of the confidence expressed personally by a large number of voters.

Are Canadian Courts Americanized?

The question whether Canadian courts are being Americanized is often asked by the man on the street. He sees interminable delays and foolish technicalities causing expense, injustice and long drawn out trials and it makes him wonder whether we are drifting. The Sowash and Baker murder cases were extended until in the popular mind sympathy was awakened for the brutal criminals who did to death so horribly the skipper of the liquor vessel.

In the past, British justice has been well known throughout the world and it will be sad if the Canadian section of the British Empire falls down on the job and sends the impression abroad that a person with money can hold up the work of the courts.

Peace River And P.G.E. Railway.

The impression is being made in the south that the Pacific Great Eastern Railway is tied up with the building of a railway into the Peace River country. Naturally the management of the P.G.E. is anxious to make that line pay its way, but why at the sacrifice of the best route nobody can say. If the best route for the railway to the Peace is to join the Canadian National at Prince George, there is no more to be said. If, on the other hand, it is found by engineers that the best route is farther west and if it is found that more and better country can be opened up by linking up at Fort Fraser, Vanderhoof or even at Hazelton, it is for the experts to determine and not for the sponsors of the P.G.E. No more railway fiascos should be allowed in British Columbia. We have had enough already.

As a matter of fact the railway development of the Peace is a matter for the Dominion government and not for the province. The province has trouble enough on its hands already.

Work Of Caucus In All Governments.

In all governments where there are parties there must be party conferences as opposed to open discussion. If a party is to act as a unit, it must talk over matters of policy and agree what stand they will take on matters vital to the country. Such conferences are called caucuses. The matter was explained by Hon. T. D. Pattullo yesterday at the luncheon of the Rotary Club. These caucuses are held in private. Members talk to each other very frankly without fear that their words will be distorted by opposing politicians or that the press representatives will feature them up in a sensational manner. The result is that members get to know the attitude of the others much better than ever could be the case on the floor of the House.

Value Of Debate On Address Mentioned.

In his address yesterday Mr. Pattullo also mentioned that the debate on the address was valuable as it occupied the time during which other valuable work was being carried on simultaneously with it and also it gave members an opportunity of voicing their opinions on questions other than those covered by actual legislation.

Exception has often been taken to what is mentioned as a waste of time in connection with these debates each year. Usually they occupy nearly two weeks.

NEW HALL FOR PORT SIMPSON

Structure Being Erected by Y. P. E. A. Will be Biggest Assembly Place in Village

PORT SIMPSON, Jan. 15.—What will be the largest assembly place in this village is the fine new hall that the Young People's Educational Association is now building here. It will be used for games and meetings and will be a decided addition to the buildings of the place. The Port Simpson Athletic Club is putting in a new DeLo lighting system for its hall.

THE MAN IN THE MOON

NOW that most of the new year resolutions are broken, life will go on in a perfectly normal manner.

WOMEN would soon learn to swear if they would only listen and let their husbands talk.

YOU may have already heard the story of the man who when asked where he bought his typewriter ribbons said he did not buy her ribbons, he bought her flowers. That was not in Prince Rupert.

A WOMAN'S real reason is the one she does not give.

THE most weary person in the world is success. He is hanging around all the time waiting for people who do not want him and knocking and getting no response.

NO knocker can make any progress in Prince Rupert. The people here know where all the knockers are going.

WE are always hearing about the breaking of records. I know dozens of them I should like to see broken.

THE other day I was told on street of a man who returned a borrowed umbrella. I did not believe it.

BABY chickens raise feathers on the installment plan, a little down and a little every week.

The latest things in ladywear is garters with pockets. Doubtless the pretty little kerchief will be kept there instead of in the wristband.

Ten Years Ago in Prince Rupert

January 15, 1916.

During the last five months of 1925 the employees of the Granby Co. at Anyox contributed the handsome sum of \$12,361 to the Canadian Patriotic Fund.

It is predicted that, at no far distant date, a line of Japanese vessels will be calling regularly at Prince Rupert, that country being well aware that Prince Rupert is the closest North American port to the Orient.

Germany is attempting to induce United States to protest to Great Britain against the naval blockade in the North Sea.

HOSPITAL CONCERT AT PORT SIMPSON

J. H. PILLSBURY AGAIN HONORED

Presented With Handsome Gold Watch Last Night by Employees of Drydock

A banquet was given last night at the St. Regis Cafe by the Drydock employees to J. H. Pillsbury, former superintendent, to express regret at his leaving. He was presented with a white gold watch engraved on the outside with the initials "J.H.P." and inside "Presented to J. H. Pillsbury by the staff and employees of the Prince Rupert Drydock, December 31, 1925." Accompanying the gift was an address which was read by Miss Evelyn Macdonald as follows: "Dear Mr. Pillsbury: Please accept the enclosed gift from the staff and employees of the Prince Rupert Drydock as a slight token of the respect and genuine esteem in which you have always been held by those associated with you in the operation of the yard."

"It is with deep and sincere regret that we learn of your leaving our midst after so many years together, and we wish you every possible success in your new field of action."

White, R. Wilson, C. Wilson, E. E. Yager.

Howard White presided and he was supported on one side by the guest of the evening and on the other by several ladies who are members of the drydock staff.

Toast to Guest

In proposing the toast to the guest of the evening Mr. Bazett-Jones said it was a bitter occasion for them all when they were losing a good friend. Mr. Pillsbury was a man who had never been known to lose his temper and was a gentleman from the word go. Personally he had never worked for a man who was so much a gentleman. He had come to think of him as a friend. He was a great sportsman and he expected of him he had developed into a leading golf player. He asked all to join and drink long life and happiness to their guest. This was done with musical honors.

The presentation was then made and a number of those present called on by the chairman

Don't Go About With A Cold!

DON'T leave it to a friend to remind you of that bad cold! Don't go about spreading infection among your business friends and maybe in your own family circle. To banish colds and chills in the direct and most effective way, you must take PEPS.

As they dissolve in the mouth Peps give off powerful healing and germicidal fumes. These you breathe into instant direct contact with the innermost recesses of the chest and lungs.

Peps soothe, strengthen and invigorate the entire breathing system. They clear the throat and air-passages of mischievous germs, remove soreness and inflammation, and end the danger to chest and lungs. Make no mistake! You must have Peps, the breathable medicine in tablet form.

spoke eulogistically of their former employer. Among those who spoke were Dune, McKenzie, Bobbie Jones, Gus Anderson, Adolph Ivarson, Pete McCormack, A. H. McLeod, W. Horrobin.

In replying Mr. Pillsbury said they were all friends of his and he could not find words to suitably express the gratitude he felt for the gathering, for the good things they had said and for the beautiful present they had given him. It would always bring back to memory the Prince Rupert Drydock and the friends he had there. The difficult part about this moving was losing friends.

The transfer of the dock, Mr. Pillsbury said, was one of the biggest things that had happened to the town and he was glad to know he had had some part in securing the change, even if it had meant his going. The main thing was the good of the yard and the prosperity of the town. He would still be with the railway company and he hoped to be able to return occasionally. The best thing they could do for him was to carry on under the new management and show everybody that they were all right and were a credit to the former management.

After singing "Auld Lang Syne" the gathering then broke up.

FAREWELL SAID TO H. H. LITTLE AT THE ROTARY CLUB LUNCHEON

At the Rotary Club luncheon yesterday afternoon President McElymont formally bade farewell on behalf of the club to H. H. Little, who is leaving for the south soon. In replying Mr. Little said he had been a member for about a year and he much appreciated the good fellowship which had obtained at the meetings and he regretted having to leave the north temporarily. He had come north eighteen years ago, had married here and his children were all born in the north. He hoped to return at some future time.

In The Letter Box

WHO WAS RESPONSIBLE?

Editor, Daily News,
Now that the civic election is
over and Mayor Newton has been
re-elected and in view of the
rumors that have been circulated
regarding the failure of the
mayor to appear at the public
meeting called by himself on
Tuesday night last, it would be a
matter of great satisfaction to
myself personally if His Wor-
ship would make some state-
ment as to whether or not I,
myself, or any of my supporters
may have been held responsible
by him in that connection.
S. P. McMORDEE.

CARD OF THANKS.

With all my supporters in yes-
terday's election please accept
my grateful thanks for their
kind efforts in bringing about
my re-election while I was bed-
ridden. I hope to be able to be
about again on Monday.
S. M. NEWTON,
Mayor.

CARD OF THANKS.

Alderman O. Larsen wishes to
thank the electors for his return
to the City Council for 1926 and
to assure them of his attention
to their interests during the
coming year.

CARD OF THANKS.

Jos. Groer desires to convey
to the electors his thanks for his
election at the head of the poll
for the 1926 council, and his as-
surance of his attention to their
interests.

CARD OF THANKS.

Alderman R. F. Perry desires
to convey his thanks to the elec-
tors for the confidence they have
shown by re-electing him to the
City Council for 1926.

MARS UNINHABITED SAYS ASTRONOMER

Director of National Observatory
Does Not Believe in Martian
Race

MONTREAL, Jan. 15. — Dr.
Francois Henroteau, Director of
the Astronomical Observatory of
the Dominion Government at Ot-
tawa, does not believe there is
any human or near-human popu-
lation on Mars. Nor does he
believe that any of the other
solar planets are inhabited. Dr.
Henroteau expressed these views
in the course of an illustrated
lecture on "The Planets and Our
Unknown Worlds" before the
members of the Alliance Fran-
caise here last night. Dr. Hen-
roteau also expressed doubt as
to the canals of Mars being
canals at all, although admit-
ting that he himself had seen ten
of those peculiar lines which
Lowell enthusiastically pro-
claimed to be canals, linking
Martian oceans together.

The Director of the National
Observatory showed that there
was a snow-covered pole on
Mars; that a great deal of the
soil was reddish-brown, and
probably vast stretches of desert
land. The greenish areas on
the screen were probably vege-
tation, forests, for the colors
vary slightly with the seasons, as
on the earth. There was little
water on Mars, said Dr. Hen-
roteau, and few clouds.

OXFORD VOICE IS WORST VICE TODAY OF ENGLISH STAGE

LONDON, Jan. 15.—The Oxford
voice, "that lamentable thing that
is worse than Oxford trousers,"
is the worst vice on the English
stage today, in the opinion of St.
John Ervine, dramatic critic and
playwright. This voice, he said,
was more revolting than the
Cockney accent.

Swinging to comment on the
American stage, Ervine declared
Boston was a town where the
poorest plays got the largest au-
diences and the best plays the
least, while he described Chicago
as one of the worst places in
America for theatre production.

He has just returned from ex-
tensive travel.

SETTLERS RETURNING TO PRAIRIES FROM STATES

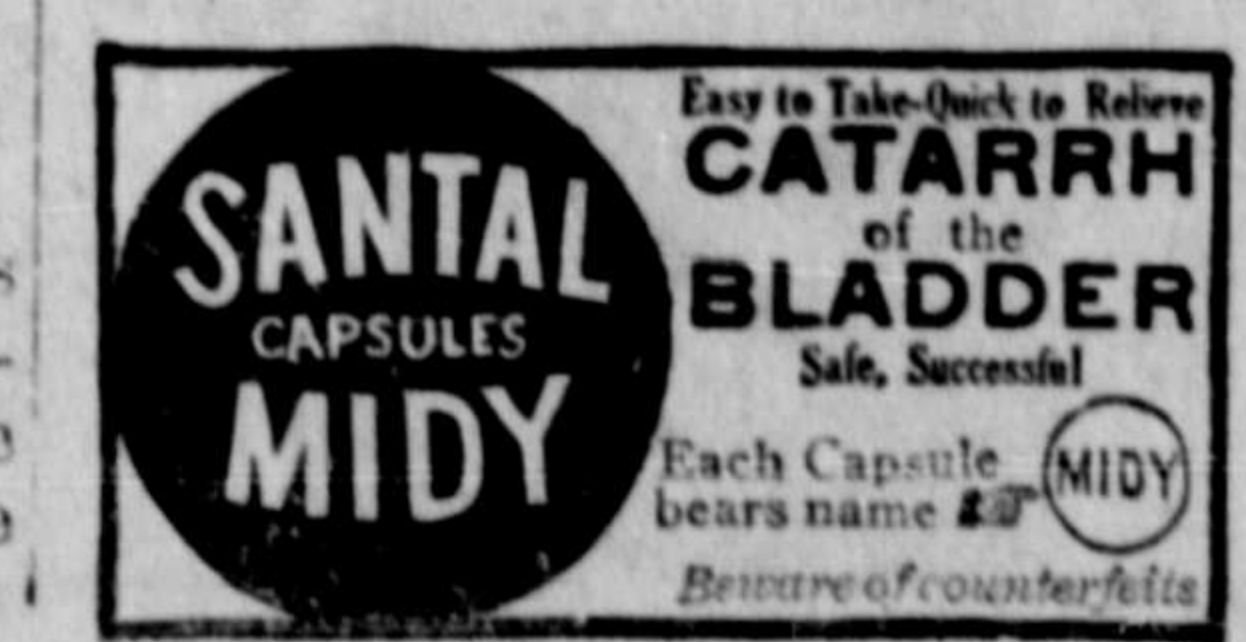

EDMONTON, Jan. 15.—In con-
trast to last year, when many of
its people were leaving for the
United States and other points
in the south, the district to the
northwest of Edmonton, espe-
cially that around Vinna and
Smokey Lake, is witnessing now
a sudden and persistent return
of many of those who had thus
departed, along with a goodly
number of new comers.

Not only is population turning
steadily into this settlement
area, but it is bringing with it
a definite change of sentiment of
the homesteaders in those parts,
who are today adopting a more
sanguine attitude towards their
prospects for the future, thus
giving to this locality a settled
permanency which it has heret-
ofore lacked. Instead of an-
other exodus, the probabilities
all point to a decided influx of
new settlers into this area.

BOYS' BAND FATE IS NOW IN ROTARY HANDS

At the Rotary Club luncheon
yesterday Colonel J. W. Nicholls,
chairman of the committee hav-
ing in hand the boys' band, an-
nounced that next week a pro-
posal would be made with a view
to carrying on the organization.
The Rotary Club had six months
ago guaranteed the salary of the
bandmaster for the term now ex-
piring and it was proposed to
give further help. He wanted
members to be ready to discuss
and vote on the matter next week.

BRINGING UP FATHER

WEEK END PICTURE IS FILLED HEART INTEREST

"A Son of His Father" is from Harold Bell Wright's Newest Novels

That the west is not entirely devoid of its 1849 glamour is proven in Harold Bell Wright's newest novel, "A Son of His Father," which shows here tonight.

The story, while it takes place in the present period, is filled with drama, thrills and heart interest and brings to the audience the fact that all the color of yesteryear has not disappeared in the great west.

Bessie Love, a young Irish girl, comes to Tucson, Arizona, to join her brother, a cowboy on Warner Baxter's ranch.

Arriving at her destination, however, the boy is not there to meet her. Baxter receives her kindly and tells her the brother has been sent to the mountains to round up some stray cattle. In reality, the boy has joined a party of smugglers and gamblers.

Baxter, through his friend Raymond Hatton, gets mixed in a gambling session and loses a controlling interest in his ranch to Walter McGrail, a tool of the cattle smugglers.

Turned Thief

As time passes, Bessie Love learns from McGrail the truth about her brother—that he has turned thief. She sets out to try to win him back to honesty. In her attempt, she is herself imprisoned by the smugglers and is about to be taken over the border to Mexico. Baxter, learning of her plight, sets out to rescue her. A thrilling battle follows between the ranchmen and the smugglers, the result of which leads up to a smashing climax for the story and calls into action an entire company of United States cavalry. Immediately following this scene, comes a second ripping climax that is entirely unexpected and that is put upon the screen in the way that only that master of thrills, Victor Fleming, is capable.

PRESBYTERY MEETING TO BE HELD IN CITY

United Church Ministers Will Gather Here on February 9 to Engage in Organization Work

Word has been received by Rev. G. G. Hacker of this city that a meeting of the Prince Rupert Presbytery of the United Church of Canada will be held in this city on February 9. Dr. Darwin, superintendent of missions, presiding. Ministers from the surrounding district will come to the city for the meeting at which organization work for summer activities will be undertaken and arrangements made for the filling of vacancies. About the same time, meetings of other district presbyteries in the province will be held.

YOUNG PEOPLE OF UNITED CHURCH ARE WORKING ACTIVELY

During the present week, special re-opening meetings are being held in connection with young people's work in the United Church.

On Monday and Tuesday evening, the Canadian Girls in Training groups had supper, graduations from the junior to the senior groups and from the Mission Band to the junior group being conducted.

On Wednesday night, the Taxis

Boys had a supper when Dr. J. P. Cade spoke on bacteriology.

Last night the Senior Trail Rangers had a gathering and were addressed on the subject of sport by J. S. Wilson of the public school teaching staff. The negative side taken by Bruce Stevens and George McLean won a debate on the subject: "Resolved that winter sport is more beneficial than summer," the affirmative being taken by Bob Irvine and Jimmy Bryant.

The two junior groups of boys will have a supper a week from tonight.

Rev. G. G. Hacker reports that great enthusiasm is prevailing among the young people of the United Church. Last week the attendance at Sunday School reached the high total of 169.

SOCIAL LAST NIGHT AT CATHEDRAL HALL

Good Program of Music and Readings Followed by the Serving of Refreshments

There was a good time social in the Cathedral Hall last evening, Rev. Walter Allen presiding, at which an excellent musical and literary program was presented, refreshments were served and an enjoyable time spent. The whole had been arranged by Mrs. George Woodland who was responsible for much of the success attained.

The evening opened with games followed by community singing. There were instrumental solos by Miss Thompson, Miss Rosemary Winslow, Miss Audrey Parkin. Readings were given by Mrs. Mackie, Miss Audrey Bushby and Miss Muriel Rogers; a mouth organ duet by Stanley Dalby and John Bushby; instrumental trio by Miss Francis Cross, Fred Conrad and Rev. Walter Allen; and a vocal solo by W. C. Orchard. Most of the numbers were accompanied by Mr. and Mrs. David Wilton on flute or piano.

GYMNASIUM IN EAST END TO BE OPENED

United Church Making Preparations for Activities Which Will Start on January 31

The date of the opening of the premises in Section Seven which will be known as the Rupert East United Church gymnasium has been set. On Sunday evening, January 31, there will be a special service; on Monday evening following there will be a concert; on Tuesday evening gymnasium exercises will be opened for men and boys, and on Wednesday, for women and girls.

SPORT CHAT

The Prince Rupert Badminton Club will play a return match with the Northern B.C. Regiment next Sunday afternoon at the Regimental court. On that occasion the soldiers expect to get their revenge for the drubbing given them last Sunday.

The major league baseball meetings this winter failed to yield the Cincinnati Reds any trades and unless that team's scouts dig up additional material before the training season, the indications are that the line-up will be about the same as last year except for Frank Emmert a third, who has been tentatively purchased from Seattle, and Walter Christensen, a St. Paul purchase in right field. The Reds are in need of a catcher, shortstop, first baseman and left fielder.

In spite of the uncertainty regarding the make-up of this year's team, Cincinnati is planning for a Greater Redland Field which will be the largest in the country and which will have a seating capacity for 80,000 people. The project is awaiting the action of the Cincinnati park board which controls the site. The field was previously intended to be a municipal athletic field.

Five new pitchers, making a total of 18, are now on the roster of the Chicago White Sox for scrutiny by Manager Eddie Collins, who is striving to find one or two first rank hurlers to help Lyons and Blankenship. With old Chief Bender as a pitching coach, the Sox boss has high hopes of finding the material he needs, either from the five

FAKE HOLDUP BY STUDENTS UNIVERSITY

Used Red Ink to Imitate Blood Stains in Snow and Brought Out Police Force

MUCH EXCITEMENT CAUSED

EDMONTON, Jan. 15.—Tomorrow Arthur Willis and Robert Hill, two students of the Alberta University, charged with discharging firearms within the city limits will come up for sentence. They pleaded guilty before Magistrate Primrose and were remanded.

The lads are freshmen and a fake holdup they staged at midnight Saturday night proved so realistic that the city police were called out and the student body was put into confusion. The jokers were arrested and taken to police headquarters but they were released on their promise to appear in police court when summoned. A charge of discharging firearms within the city limits was laid against them.

Two shots ringing out on a still night brought scores of students shivering from their beds and to the windows. One on the third floor of Assiniboia Hall saw a man running in the snow, a second man rising with difficulty to his feet, staggering a few steps, falling and again making an effort to pursue.

Realism Too Great It was too realistic. The third floor man gave the alarm, turned in a hurry-up call to police headquarters and with all the other excited students in the house tumbled into his clothes and made for the campus and the spot where the supposed hold-up had taken place.

Immediately he got the call Chief of Detectives Shaw and a half-dozen plainclothes men jumped into a police car and broke all speed laws on the way to the university. When they arrived they found the snow badly trampled, as if a struggle had taken place, what appeared to be blood stains on the snow, and a pocketbook, empty and badly torn.

'Death; 'Tis Blood They followed the trail for a short distance, noting the same stains in the snow, and then a call for more men was sent back to headquarters and Chief Shute and a number of uniformed police were stirred into action.

Willis and Hill, who after the supposed hold-up had doubled back to the university and mingled with the crowd on the campus becoming alarmed over the success of their prank and fearing the consequences, confessed. The police were called off the manhunt, then well organized, and hurried back to where the practical jokers stood. There were explanations, of course, some excitement when Inspector Shaw instructed his men to take Willis and Hill to headquarters but the cooler heads prevailed and the police and their captives returned to the north side.

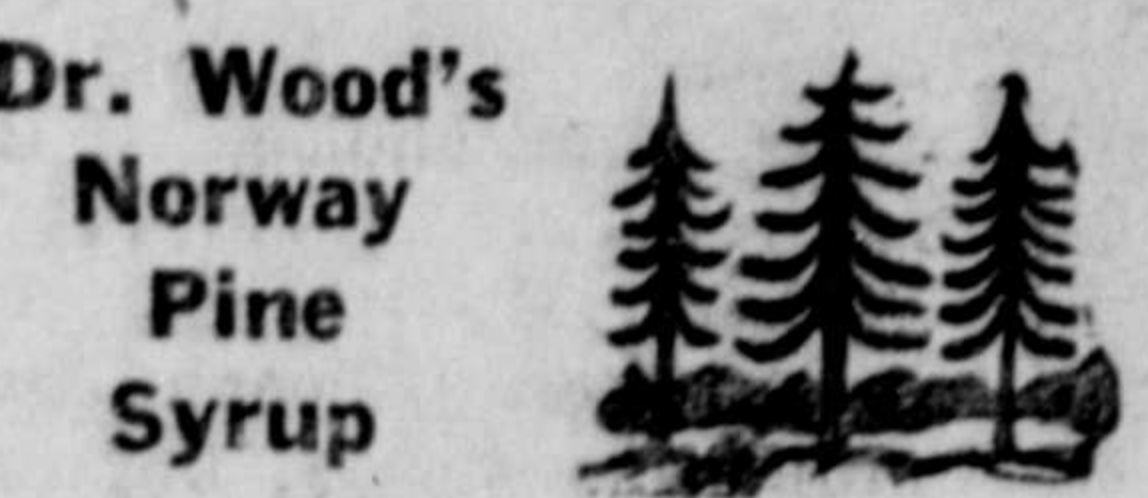

Please, 'Twas Only a Joke The two students made a clean breast of it, affirming that the joke was not intended to go further than the student body.

The police could not appreciate the joke. While Willis and Hill were released upon their own word to appear when summoned Chief of Police Shute stated that he would certainly have them in police court where they could test Magistrate Primrose's sense of humor.

The shots fired came from a real gun, but the blood stains came from a bottle of red ink.

I got such relief by using it that I would advise all those who are subject to bad colds or coughs to keep a bottle of this remedy in their homes all the time."

ELECTIONS ARE VERY EXPENSIVE

Over Three Thousand Dollars Put up by Conservative at Edmonton

EDMONTON, Jan. 15.—Statements of election campaign expenses for all three candidates in the West Edmonton riding are now in the hands of Returning Officer Joe Driscoll and the official documents show that the unsuccessful campaign of James M. Douglas, Conservative candidate, against Hon. Charles Stewart were high with a total of \$3,291.38, while the Liberal candidate's expense account shows \$2,883.52, and James East, the Labor candidate, managed to reach the polls by expending only \$198.00.

Hon. Charles Stewart was the sole contributor to his own campaign, and his heaviest item of expenditure was for advertising, some \$1,343.47 being spent for this purpose. Hire of premises was the next heavy item, amounting to \$628.00, while services of paid assistants took \$565.91. Travelling expenses amounted to \$252.95 and the balance of the campaign fund went for postage, telegrams and stationery supplies.

From Two Sources Mr. Douglas' campaign fund came from two sources, William A. Wells donating \$1,800 and Abbott & McLaughlin, a local legal firm, contributing \$1,200.

Personal services of workers took the lion's share of the contributions, \$1,551.00 going for this purpose and \$827.00 for advertising. Personal expenses of the candidate were \$330 and his agent, George D. Hunt, also expended \$180.39. Hire of premises took \$260.75, goods supplied \$107.54 and travelling expenses \$34.50.

The Labor candidate received \$100.44 in contribution, and expended \$198.00, the bulk of it going for hire of halls.

LABOR WOMAN SEEING CANADA

Miss Julia Varley "Generally Satisfied" and Will Advise Migration From Britain

MONTREAL, Jan. 15.—"Conditions in Canada appear to me to be quite satisfactory and I believe that a great many people now in the British Isles can be comfortably and happily settled in the Dominion," said Miss Julia Varley of Birmingham, England, a member of the executive of the Labor party, during a conference here yesterday with W. J. Black, director of colonization for the Canadian National Railways. Miss Varley had decided to see for herself what manner of people live in Canada and to study the conditions under which they work. Accordingly she set out from England on her own initiative without the aid of any organization, intending on her return to England to relate her experience through the medium of her pen and by lectures. The general tenor of her future articles and addresses is indicated by her remark yesterday that she was "generally satisfied" with conditions as she could see them in this country with the added suggestion that she would advise those who can make the break to do so and find new homes in Canada.

HIGHER PRICES PAID FOR FURS AT SALE HELD AT EDMONTON

Mink Skins and Marten Unchanged While Wolves Are Neglected by Buyers

EDMONTON, Jan. 15.—Raw furs totalling in value some \$32,000 were disposed of at very satisfactory prices at the second sale of the season held in Edmonton. Prices secured for practically all of the 114 lots offered ranged well above those at the December sale, and most of the skins met with a good demand from the eastern and local buyers. Offerings of beaver brought about 10 per cent. above the previous sale, averaging around \$19, with best top skins at about \$27. Badger was in good brisk demand, with the choice skins

The Well-Managed Home

THE manager of a household is the purchasing agent for a large proportion of the family needs. In order to do a good job she must know what, when and where to buy. She must study goods and the concerns which make goods and have them to sell. She must put her home on a business basis and run it on business principles in order to make the most of the family income.

Information is the only basis for intelligent purchasing. And the right way to get the greatest amount of necessary information is to read the advertisements.

Advertisements tell you what is new and good in merchandise. They reveal improvements and inventions to make your home life easier, more comfortable and more convenient. They give you information about a thousand and one things that are useful and interesting.

Every manager of a household--every member of the household who shares the responsibility for the family's welfare--should make a habit of reading the ads.

Read the advertisements in order to buy wisely

bringing \$4, while ermine advanced 10 per cent. to sell at an average of \$1.50, with top lots at around \$2.40.

A good offering of red fox met an excellent demand, with choice lots free of rubbed skins bringing from \$16 to \$18, an advance of 5 per cent. over the last sale and cross fox tops also moved briskly at an average of \$22, with rubbed skins in poor demand. A good offering of silver fox was somewhat disappointing with extra choice pelts moving at \$100 to \$125 and ordinary silvers rather dull around \$45, as the eastern markets at the present time are heavily stocked with this fur. A few fishers were quoted steadily at from \$15 to \$75, according to size and quality, while marten was unchanged with pale lots at \$16 to \$18 and best dark tops about 10 per cent. up at around \$22. Mink found an excellent demand at fully strong prices around \$13 and a few choice offers brought an average of \$22.

A strong offering of lynx was a feature of the sale, a collection of some 200 good skins scoring an advance of 7 1/2 per cent. over previous prices to sell as high as \$25. A moderate offering of spring muskrats met a fair demand at around \$1.20 and a few skunk pelts brought around \$2. Wolf offerings were rather neglected and eased off from last sale as eastern markets show no demand for this pelt at above \$10.

MUCH LAKE FISH BEING SHIPPED NOW

Two Hundred Car Loads Pass Through Winnipeg Mostly For States

WINNIPEG, Jan. 15.—A heavy movement of winter fish from the inland lakes in Manitoba,

Saskatchewan and Alberta is now in full swing, according to freight officials of the Canadian National Railways and since the first of December more than 200 carloads of this product have passed through Winnipeg.

Seventy-five per cent of the winter fish shipped from western Canada is consumed in the United States. The bulk of the movement is destined to eastern and central United States, shipments finding their way as far south as Atlanta, Ga., and Nashville, Tenn., and as far east as New York. Prices to fishermen this season it is understood are considerably better than those of last year. The movement usually terminates in the month of March. Some of the principal shipping points are Winnipegosis, Hodgson, Steeprock and The Pas, Manitoba; Big River and Mafeking, Saskatchewan; and there are considerable shipments also from northern Saskatchewan and northern Alberta.

FARMERS TELL OF ACTIVITIES

Co-operative Purchasing in Small Way During Year in Manitoba.

BRANDON, Man., Jan. 13. — (Canadian Press).—Co-operative marketing and purchasing have proved of great benefit to the members of the United Farmers of Manitoba, according to the report presented today by D. C. McKenzie, secretary of the organization, at the annual convention here.

Figures given by Mr. McKenzie indicated that fifty-four locals engaged in co-operative purchasing during the year with an estimated saving of \$18,695. The total paid up membership of the organization was shown as 6,438, an increase of more than 20 per cent since 1924.

"Public sentiment among our farm people throughout the province is markedly in sympathy with our organization and our task is largely one of mobilization," Mr. McKenzie declared.

Reviewing the year's work, the secretary pointed out that as a result of pressure exerted by the central office, much had been accomplished in securing more favorable credit conditions. In co-operation with the Canadian Council of Agriculture, the organization had fought to retain the statutory rates of the Crow's Nest agreement and protect the interests of agriculture in all matters relating to freight costs and regulations. Completion of the Hudson's Bay Railway, amendments to the Canada Grain Act and introduction of much legislation relating to agricultural questions, were among the important matters dealt with.

The Central office further had provided its members with valuable information in connection with the Wheat Pool, grain inspection, marketing, taxation and legal matters.

While a policy of retrenchment had precluded any sweeping extension of various research and special services, Mr. McKenzie predicted improved prospects for 1926.

Important social and community work had been accomplished and the educational work and development in self-expression, Mr. McKenzie asserted, is producing among the farm people of the province many men and women capable of efficient service to the community and state.

The program of the association for this year, he said in conclusion, must be directed toward some study and research with respect to credits, special forms of taxation, wider markets, standardization and grading of all farm produce.

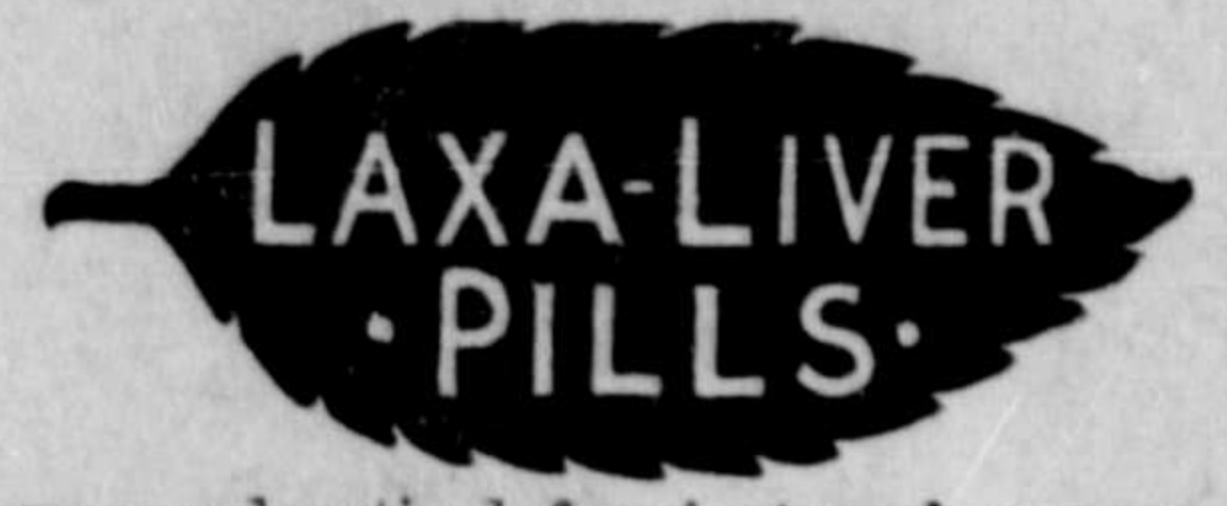

"While all these matters are of salient importance, the question of transportation is one of the foremost. The whole problem of freight rates is a matter for adjustment during the coming year and our organization must assume the responsibility of doing all that is possible to ensure that in the formation of our new freight rate structure everything will be done to safeguard and protect the interests of agriculture on a fair and equitable basis."

Father Godfrey sailed this morning on the Prince Rupert for Ocean Falls.

Tongue Was Coated Bad Taste In Mouth Every Morning

Mrs. J. R. Adams, Assiniboia, Sask., writes:—"For months I was troubled with a coated tongue, and had a bad taste in my mouth every morning.

One day I saw where your **Milburn's LAXA-LIVER PILLS**

were advertised for just such a condition as mine, so I went at once and bought three vials of them, but after using one-and-a-half, all my troubles disappeared."

For 32 years Laxa-Liver Pills have been put up only by The T. Milburn Co., Limited, Toronto, Ont.

Men Said to Have Robbed Mails Refused Help by all Residents

ANCHORAGE, Jan. 15.—Afraid to touch a sum of more than \$75,000 stolen from the mails two years ago owing to fear of detection by the secret service, refused assistance by the residents of the district and forced to remain virtual prisoners and eke out an existence in the same remote region, is the plight of two men in the Iditarod district, according to Alec Gunderson, who arrived here. The men are reduced to dire straits, he said, adding that investigating officers know the identity of the thieves but are unable to make out a case against them.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS
 Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 28 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emption must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE
 Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES
 Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES
 For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING
 Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.

"A Son of His Father"

An adaptation of H. G. Wells' famous novel. Lightning riders, two-fisted fighters, majestic mountains, amazing adventures and a wonderful girl. A western thriller that sweeps along like the Twentieth Century Limited and just as luxurious. A son of his father, a daughter of Mother Machree and a whole generation of thrills. He had to fight to prove himself a son of his father for the sake of a girl and the family honor. Many big episodes. A great author, a great cast, a great story and a great picture. Magnificent scenery.

Warner Baxter, Bessie Love, Walter McGrail, James Farley, Charles Stevens, Raymond Hatton, Billy Eugene and others.
