## SANITY OF STRANGLER QUESTIONED WAS UNDER OBSERVATION MONTHS BY WINNIPEG DOCTOR

### Attempt Being Made to Prove Insanity of Alleged Murderer of Mrs. Patterson at Winnipeg

Document says he was in asylum for insane and his wife tells of his oddities in evidence to court

WINNIPEG, November 4.—The defense late yesterday played its trump card in a determined battle to save from the gallows Earle Nelson, alias Virgil Wilson, of Palo Alto, California, who is charged with strangling to death Mrs. Emily Patterson on June 30. The case may reach the jury tonight with a verdict Saturday morning.

Shortly after the crown had completed the examination of the last of its 48 witnesses, J. H. Stitt, defense counsel, delivered a double-barrelled broadside, a document from the supreme court of San Francisco, showing that Nelson was at one time confined to a mental institution in the state of California and the wife of the accused, who was summoned to the stand under the name of "Mrs. Mary Fuller."

Mrs. Fuller told of being married to Nelson in San Francisco on August 3 or 4 in 1919. She married him under a deception believing his name to be Evan Fuller.

Witness, under examination, declared that Nelson before he was taken to the state hospital was in the city prison and jail and it was necessary to strap him down and put him in a straight jacket. He was always seeing faces on the wall and looking into space.

Nelson, witness said, never laid hands on her but he was insanely jealous and acted queer, getting up in the middle of the night and going out to look for work.

Years ago, Mrs. Fuller said, her husband developed a mania for a sudden change of clothes. Sometimes he would appear in a sailor suit and sometimes as a golfer and turn up in clothes more becoming a tramp. Many other eccentricities of accused were given to the court by the witness.

YESTERDAY MORNING  
There was a noticeable lapse of public interest on the third day of the trial of Earle Nelson on the charge of murdering Mrs. Emily Patterson by strangulation, only a handful of women being in waiting at the entrance of the courtroom. The accused maintained his usual calm.

Mrs. Catherine Hill, rooming house keeper of Winnipeg, said that the accused had given his name to her as Woodcote.

Detective Alex. Calder said that, after the usual warning, Nelson had given him his name and information relating to identity and relatives.

It was brought out that the police were in possession of documents showing that Nelson at one time had been committed to an insane asylum.

Detective Calder further testified that all those who called at the police station except Jacob Garber, a second-hand dealer, had identified the prisoner. Garber was not certain.

Thomas Barton, a salesman, identified a hat as one he had sold to the prisoner on June 11, the date of the murder.

### CROWN SAYS NELSON SANE

Been Kept Under Observation for Four Months and no Insanity Seen

WINNIPEG, Nov. 4.—Direct evidence was produced today by the crown in the trial of Earle Nelson, charged with the murder of Mrs. Emily Patterson to prove that the man was absolutely sane and physically normal.

Dr. A. T. Mathers of Winnipeg General Hospital, said he had examined prisoner over a period of four months and every test known to medical science had shown him perfectly sane.

Constable Donald McRae, who guarded Nelson in Winnipeg police station, testified that on June 23 while awaiting his preliminary arraignment, Nelson had asked him how he should plead. On being informed that the constable could not offer advice, he said: "How about pleading insanity?"

Mrs. Lillian Fabian, aunt of accused, who was visibly affected, said Nelson's mother died at the age of 20 from syphilis taken from her husband, Nelson when young had been struck by a street car and ever since had complained of dizziness, his condition becoming worse as he grew older. At all times she regarded the child as utterly irresponsible.

Witness described early peculiarities in Nelson with alternating depression and cheerfulness. He had a disagreeable table manner.

### DERELICT FLOATED IN STRAIT JUAN DE FUCA AND TIED UP AT SOOKE

VICTORIA, Nov. 4.—Another mystery of the sea was encountered with the discovery of a two hundred foot hulk bearing the name Revel or Revell. It came floating into the strait of Juan de Fuca Saturday and has been tied up at Sooke waiting action of the department of marine and fisheries. Local shipping men are puzzled over the history of the derelict. Ten or twelve years ago a vessel of similar name was burned at sea in Pacific coast waters while on a voyage from New York but whether it is the same is not known.

### Floods in Eastern States Caused by Torrential Rain; Hundreds Take to Boats

BOSTON, November 4.—Floods of unprecedented volume are reported in three states today. Five people are reported to have been drowned and property loss amounts to millions. Railroad beds have been washed out and cities cut off from light and power. Hundreds of people are homeless.

Vermont was the hardest hit of any of the states. Western Massachusetts comes a close second and Connecticut reports substantial rising floods.

The fury of the eighteen hours of torrential rains was unabated today. The big Chittenden dam, six miles above Rutland, is in danger of collapsing. The storm is centred in Rutland, where hundreds of householders took to boats and rafts.

The crack express connecting New England with Canada and New York was hopelessly stalled for hours and is behind time. The northbound Montreal flyer left Boston without a single Pullman for the first time in history. Other northbound trains are on a similar basis.

### Sutton and McGeer Are Off to Ottawa Connection With Peace River Railway Scheme

General Seems a little Peevish at Manner in which he is Being Treated at Vancouver

VANCOUVER, November 4.—G. G. McGeer left for Ottawa last night with General Sutton to work for the construction of a railway connecting the links between Vancouver and the Peace River. A definite proposal will be laid before the Governments of the Dominion, Alberta and British Columbia.

The proposal involves the taking over of the Edmonton, Dunvegan and B.C. line from Alberta and the Pacific Great Eastern from British Columbia, the completion of the two systems in such a way as to provide a continuous line from Edmonton to Vancouver through the Peace River country.

SUTTON SAYS MISQUOTED  
Charging that he had been misquoted in the press and his views garbled regarding the projected construction of the P.G.E. into Peace River, General Sutton addressed the Kiwanis Club at their luncheon yesterday.

"I never asked the people of Vancouver for \$45,000,000 and if I had they should have felt flattered. I am not seeking to finance the road with local capital. I intend to do it with British capital. I certainly have not hindered anything in the nature of construction of the P.G.E. into the Peace River and I am prepared to sit down and let the C.P.R. or anybody else go ahead that cares to. I know the C.P.R. is better able to complete the road than I but will they? If they wanted to, they could have done so long ago."

OTTAWA, Nov. 4.—Attorney General Manson of British Columbia announced today some of the items he will include in the agenda of the interprovincial conference.

The Oriental problem will be presented for discussion, while conference will be asked to include in the deliberations an amendment of the Canada Temperance Act so as to give the provinces control over the imports and exports of liquor. He will also request the inclusion of whipping offenders under the Narcotic Drug Act, unemployment insurance for handicapped war veterans, distribution of fines under federal statutes and priorities of the crown debt as between the Dominion and provinces where both are claimants.

### Senate Reform Opposed by Eastern Provinces; West in Favor of It

Conference of Premiers Discuss Matter But Come to no Conclusion Owing to Strong Oppositions of Four Signatories to British North America Act

OTTAWA, November 4.—That the Senate reform views of nine provinces expressed at yesterday's session of the Provincial Premiers' conference will be given careful cognizance by the Dominion Government, was the declaration of Hon. Earnest Lapointe at the conclusion of the discussion on the subject.

Unanimous opposition to abolition of the Red Chamber coupled with practical unanimity against the principle of an effective Senate was voiced. Four other suggestions were considered:

1. A combination of both appointive and elective principles.
2. A fixed and limited term of office.
3. An age limit with possible superannuation.
4. Bringing the relations of the upper and lower chambers in accord with the relations between the Lords and Commons in Great Britain with respect to the voting or amending money or general public bills.

In the discussion of many of these proposals, a conflict of opinion developed.

### OPPOSITION TO REFORM

The premiers of Ontario, Quebec, New Brunswick, and Nova Scotia are understood to have voiced opposition to Senate reform at yesterday's deliberations of provincial premiers.

Minister of Education Hoy of Manitoba intimated that he advocated the British scheme for a bill to become law after it had passed the Commons three times.

Premiers Brownlee of Alberta and Gardiner of Saskatchewan supported a vocational senate.

British Columbia's position was somewhat non-committal, while Prince Edward Island in certain respects indicated a favorable view toward the suggestion.

It is said that Ontario, Quebec, New Brunswick and Nova Scotia, four of the original signatories to the British North America Act, will probably oppose any suggestions to amend the act. At today's conference Manitoba, Saskatchewan and Alberta are expected to support a proposal for the establishment of a system of procedure under which the act will be amended and B.C. and Prince Edward Island may support the suggestion in certain respects.

### CHINAMAN PREACHES IN LONDON CHURCH

Dr. Timothy Tingfang Lew, One of Young China's Leading Thinkers Holds Forth

LONDON, Nov. 4.—For the first time in the history of the Church, a Chinaman, Dr. Timothy Tingfang Lew, Dean of the Faculty of Theology at Yenching University, and one of the leading thinkers of young China, preached at the City Temple recently. He was a notable figure in his black gown and scarlet academic hood, partially covering his long Chinese coat of earth brown silk, above a black silk blouse and figured skirt of peacock blue. He speaks with precision and soft voice, and his English is perfect.

Should China be left to herself, to her old religions and philosophies, or should she wake up and build a new nation out of the old order? asked Dr. Lew. This was the problem with which his country was faced. In his opinion, Christianity was going to be the most potent factor in the building up of China's new nationhood, for China was ready for new ideas.

### FORTY-FIVE LOST TRAPPED IN CABIN AUSTRALIAN FERRY

SYDNEY, N.S.W., Nov. 4.—Thirty-five bodies were recovered following the sinking yesterday of the ferryboat Greycliffe by the Tahiti. It is feared that 45 must have perished trapped in the cabin. The bodies were taken up by divers.

### FIRST GRAIN SHIP READY TO SAIL TONIGHT

Takes Quarter of Million Bushels Wheat to United Kingdom via Union Bay

Loading of the British freighter Fishpool, Prince Rupert's first grain ship of the season, with a full cargo of 250,000 bushels or more of wheat was completed at noon today and there now remains but some sacking to be done. The vessel will sail tonight or first thing tomorrow morning for Union Bay to coal before proceeding with her cargo to the United Kingdom or continent. Capt. Larry Thomson of the Federal Pilots of British Columbia will pilot the steamer south.

The next ship to load here will be the big British motorship King James which is due from the Orient on November 10 and will also load full for the United Kingdom or continent.

The movement of grain to Prince Rupert from the prairies continues steadily, a train of thirty-five cars arriving during the night.

### GRAIN SHIPPED FROM VANCOUVER

Number of Vessels Take Full or Part Cargoes From Southern B.C. Port

VANCOUVER, Nov. 4.—The following ships sailed this week with grain cargo from the port of Vancouver:  
- Robert Dollar, for Glasgow, 93,933 bushels

Pacific Reliance, for Manchester, 37,333 bushels.  
Annie Johnson, for Stockholm, Gothenburg or Malmo, 136,496 bushels.

Wearpool, for Fayal for orders, 284,520 bushels.  
Arso, to Gibraltar for orders, 258,235 bushels.

Eemdik, for Hamburg, 37,333 bushels.  
Snestad, to U.K. or continent for orders, 131,177 bushels, and for Rotterdam, 66,000 bushels.

Baron Incheape, to St. Thomas, for orders, 340,222 bushels.  
Tong King, for Hull, 74,663 bushels; for Denmark, 18,667 bushels.

### CASE AGAINST FORMER MINISTER EDUCATION ALBERTA DISMISSED

EDMONTON, Nov. 4.—Civil action by the provincial treasury against George P. Smith, former minister of education, for the recovery of \$5,820 alleged to have been paid out in 1921 for "printing not done" was dismissed by Mr. Justice Hyndman in the Supreme Court.

### GRIZZLEY SHOT NEAR HATCHERY

W. H. Burnett of Terrace is Latest Hunter to bag Big Animal at Lakelse

TERACE, Nov. 4.—The third grizzly to be shot in this district during the year was brought in to town on Tuesday by W. H. Burnett, local barber and game man, who shot it on the shore of Lake Lake between Capt. Colthrust's summer home and the Lakelse Hatchery landing. The animal had been swimming in the lake and Mr. Burnett shot it just as it was making a landing. It is apparently a two year old. The hide measures six feet 6 inches in length and the claws are of immense size. It is not the one which was wounded by Mr. Allard last week.

### THREE YEARS LIQUOR ROBBER

Robert Cress Asks for Leniency and Says he Will go Straight After This

VANCOUVER, Nov. 4.—Robert Cress, sentenced to three years in the penitentiary by Magistrate Shaw this morning on a charge of complicity in the robbery of the Cordova Street liquor store. He was also given a concurrent sentence for the same time for stealing the auto truck.

### CONTRACT TO JOHN CURRIE

Local Concern Given Job of Making Extensive Repairs to Wharf at Port Simpson

The federal department of public works has awarded to John Currie & Son the contract for extensive repairs to the wharf at Port Simpson which has been in bad shape for some time. The approach will be practically renewed and it is understood that the contract figure was in excess of \$8,000. The local contractor will start the work as soon as material can be delivered to the ground.

### SOMETHING DEFINITE AHEAD

Just as a matter of sermonizing, it may be said that there should be something definite ahead for everyone if he or she would attain the greatest happiness in life. To just drift along without any definite aim gets very tiring and very soon life is not worth living.

The young man, especially, is one who, if he has a definite aim ahead, will bend his energies toward the realization of that aim and will enjoy the struggle which may or may not lead to victory. After all, the struggle is the important thing and not the fact that the goal is reached.

### CO-OPERATION HELPS

In a football match if a man sacrifices those on his own side and plays only an individual game, he soon finds that he loses out. If he plays the game according to the rules, helping his fellows and they helping him, victory is much more likely. Usually the side that plays the best combination is the one that wins. So in every walk of life. We are social beings and have to play the game, giving and taking continually but always moving forward if possible. If ground is lost it has to be made up.

### CONGRATULATIONS TO CONSERVATIVES

The Conservatives of this constituency are to be congratulated on the result of their efforts to eliminate the possibility of a three corner fight at the next provincial election. S. M. Newton had announced himself as candidate and many local Conservatives had declared they would not have a man foist himself on them in that manner again. They would nominate a man and fight it out, win or lose. Now, through the efforts of members of the Conservative Association, Mr. Newton has agreed to withdraw his own self-nomination and to abide by the decision of the convention. If he is chosen by the convention he will be the candidate, but if he is not chosen he will support the candidate. Now, it is to be presumed, there will be a straight contest between Liberal and Conservative, unless a Labor candidate should decide to take the field.

### SELLING OF P.G.E.

Now there comes a South Vancouver man who objects to selling the P.G.E. by the government because he thinks he sees the property becoming valuable. We suggest that he forget that phase of the situation. The P.G.E. is not worth very much and is probably more of a liability than an asset, if it has to be operated. The road is not fit for trans-continental traffic because of the poor grade and it is doubtful if it will really become a factor in the business of the Peace River country.

### WISH GENERAL SUTTON WELL

We wish General Sutton well in his efforts at railway building but we have not much faith in the outcome. It is a big project, that of combining the P.G.E. and the E.D. & B.C. and connecting them up by way of the Peace River country. If it is done it will have to be by means of heavy subsidies from the Dominion and the provinces and we doubt if the people of the country will be ready to agree to giving money or other valuables for such a purpose. When the Peace is opened up it should be by one of the two older railway companies who are in a position to give a real service and to connect the country with the rest of the world as well as with Vancouver.

## WERE WEDDED LAST EVENING

Mrs. Eva Lear Becomes Bride of William John Marshall at United Church Ceremony

A quiet but interesting wedding took place at 7:30 last evening in First United Church before a gathering of some thirty or so relatives and friends when Mrs. Eva May Lear, daughter of Mr. and Mrs. William John Scherk, formerly of this city and now of Peaticton, was united in marriage by Rev. A. Wilson to William John Marshall, son of the late William Marshall and Mrs. Marshall of Newfoundland. The church was prettily decorated with flowers and foliage for the occasion. The bride's charming costume was of rose beige crepe Romanine with hat to match and she carried a bouquet of pink roses and carnations. Mrs. James Mastin, as matron of honor, wore a beautiful tulle blue gown with hat to match and carried a bouquet of pink carnations. The groom was supported by James Mastin. Miss Ruth Scherk, cousin of the bride, presided at the organ and played the Wedding March and "Birds in Spring" during the signing of the register.

Following the ceremony, a reception was held at 143 Eighth Avenue East where the happy couple will take up residence. The table was centred with the elaborately decorated wedding cake and many gifts were on display. The toast to the bride was duly proposed and responded to and the evening was pleasantly spent in music and singing. Aboard the midnight boat, the couple sailed for Vancouver for a two weeks honeymoon trip, being given an enthusiastic send-off by their friends.

The bride, who has resided here since girlhood, is well known and popular. The groom has resided in the city for seven or eight years and is engaged in the halibut fishing industry. To both Mr. and Mrs. Marshall will be extended congratulations and best wishes of many friends.

## TWO PARTIES PORT CLEMENTS

Children Have Fancy Dress Fair and Grown-ups Masquerade

PORT CLEMENTS, Nov. 3.—A very delightful children's Halloween fancy dress party was held last Friday in Hastes' Hall.

The hall was very prettily decorated in colors of orange and black by Miss Alice McCrae and Miss Mildred Pelton with the willing assistance of several young men.

The costumes of the children were all very pretty, and the evening was spent in singing and playing games, after which dainty refreshments were served, and all went home happy and contented after the jolly evening.

The next evening, the adults held their masquerade dance which was very well attended. Mrs. Jones, Mr. Ross and Mr. Ward acted as judges, the following winning prizes:

Best dressed lady—Mrs. G. Ciccone, in Mid-Victorian costume.

Ladies' original costume—Mrs. T. L. Williams, as the Mystery Lady.

Ladies' comic costume—H. Hampton, dressed as a woman.

Best dressed gentleman—J. Hewison, as a Zulu.

Gent's comic costume—C. B. Strigley, as a Scarecrow.

Gent's original costume—D. Rennie, as an Inkpot.

Dancing was kept up until 1:30 a.m. Credit for the success of the event was due to Mrs. C. B. Strigley and Mrs. G. Ciccone and the young ladies as assistants.

## ILLEGAL FISHING CHARGE AGAINST BEN SELF HEARD

Evidence for the prosecution in a case wherein Ben Self is charged with illegal fishing was taken in provincial police court before Stipendiary Magistrate H. F. McLeod yesterday and adjournment made for a week. The breach is alleged to have occurred through the halibut boat Iris using a gill net in close season to fish salmon for bait. Though the defendant was apparently unaware of the incident, he is, nevertheless, being held responsible for what occurred as he owns the boat. Adjudgment was taken so that a defence witness, who is out of town, might be obtained.

## CAPTAIN CASEY GIVES ADDRESS

Speaks to Rotary Club at its Luncheon Yesterday on Church Army

Telling of the splendid work being done by the Church Army in the Old Country Captain Casey of that organization addressed the Rotary Club yesterday in an elegant and interesting manner and enthused the members with the tales of results achieved. He told of the formation of the organization by a young curate named Carlisle, who is now Frebendary Carlisle. At first it was frowned down by the bishops and clergy and looked on with suspicion by the laity of the church but now it had 1500 trained workers and sixty departments of activity. It maintains lodging houses and missions. During the war it had 1,000 centres in France. Now it undertook work in the prisons and on his return he would have the work of organizing a mission in Wormwood Scrubs, one of the big London prisons.

Captain Casey said crime was on the decrease in the Old Country and he quoted figures showing a two-thirds decrease. The prohibition act was largely responsible for that condition.

The speaker gave instances of humor in the prisons and then told of the reform of prisoners, one notable case being that of Stanley Armstrong, now superintendent of the Cathedral Sunday school at Monmouth and leader in religious work.

## FARMERS ASK IMPROVEMENTS

Would Have Graham Island Road Repaired and Larger Vessel on Run

TLELL, Nov. 4. — A well attended meeting of the Graham Island East Coast Farmers' Institute was held at Lawn Hill on Saturday, October 30.

After a lengthy discussion it was decided to write to the Hon. Dr. Sutherland, minister of public works, asking for some work to be done to alleviate the deplorable condition of the Skidegate to Tlell Road, which will be impassable in the wet weather if some very necessary repairs are not done.

It was also decided to write asking that the S.S. Prince Charles be left on the Island run, pointing out that it is impossible for the S.S. Prince John to make the round trip in the winter as per schedule.

Tenders are being called for repairs to the Institute building as considerable enthusiasm is now being shown in Institute matters and now that the Institute is functioning again it is hoped that the petitions will receive favorable attention from the departments concerned.

### BOTTOMLEY ON LECTURE TOUR

Attracts Attention of Home Secretary by Statements About Maidstone Jail

LONDON, Nov. 4.—Horatio Bottomley, the ex-M.P. who received seven years' penal servitude and was granted a release on license recently after serving something over five years, has since occupied himself principally in writing a series of articles for a Sunday paper with a large circulation concerning his prison experiences. For a considerable time he was interned at Maidstone, and in his writings has made some aspersions upon the administration of this prison.

The Home Secretary, Sir William Joynson-Hicks, has thought these aspersions worthy of his public attention, and has issued a statement concerning Maidstone jail, "which has been somewhat in the public eye lately in connection with a series of newspaper articles by an ex-convict." Sir William says he has had very long interviews with the governor, chaplain, and medical officer, interviewed some of the men whose names have been recently mentioned and expresses himself as absolutely satisfied with the conditions, discipline and behaviour. Lady Joynson-Hicks, it is further officially stated, also inspected the kitchen and similar departments, and sampled the food provided for the prisoners.

Bottomley has also delivered lectures concerning his prison experiences at the Queen's Hall, London, and the Sun Hall, Liverpool. The audiences were

fairly large, but the press practically ignored the lectures. Hull Corporation has refused to let the City Hall to Bottomley.

Bottomley was declared bankrupt about the time of his conviction, and it is not likely that he will apply for his discharge from bankruptcy for a considerable time.

### FINAL ARRANGEMENTS FOR ACROPOLIS TAG

Final arrangements for the tag day to be held tomorrow were made at a meeting last night of the Acropolis Hill Grounds Improvement League. The proceeds will be applied to the completion of paying off of the debt to the city incurred in connection with the pledge made for the complete improvement of the grounds. J. S. Wilson and D. C. Paterson will have charge of the tagging and will be assisted by boys and girls of the High School.

A joint meeting of the Improvement League and the Diamond Jubilee celebration executive will be held on Monday night to decide on some form of entertainment to raise any such funds as may be further needed.

### NEW BUTCHER SHOP ON THIRD AVENUE

Bill Jones, late with Mussallem's, has opened up a new butcher shop, The City Meat Market, on Third Avenue at the corner of First Street. He has a full stock of fresh meats, fish and vegetables, and his prices are reasonable. He follows the meat business, and after two years in town, a wide circle of customers know him. 261

### LIVE SHELL FOUND IN TRUCK OF IRON

LONDON, Nov. 3.—A live shell was discovered in a truck of pig-iron, just before the load was thrown into the furnace at Gilbertston's steelworks, Swansea Valley. Forty men were working near by, and the shell was of sufficient calibre to shatter the furnace. Such finds among truckloads of pig-iron, it is stated, are not of infrequent occurrence.

### BEEHOVEN'S WORKS NOT WELL REMEMBERED

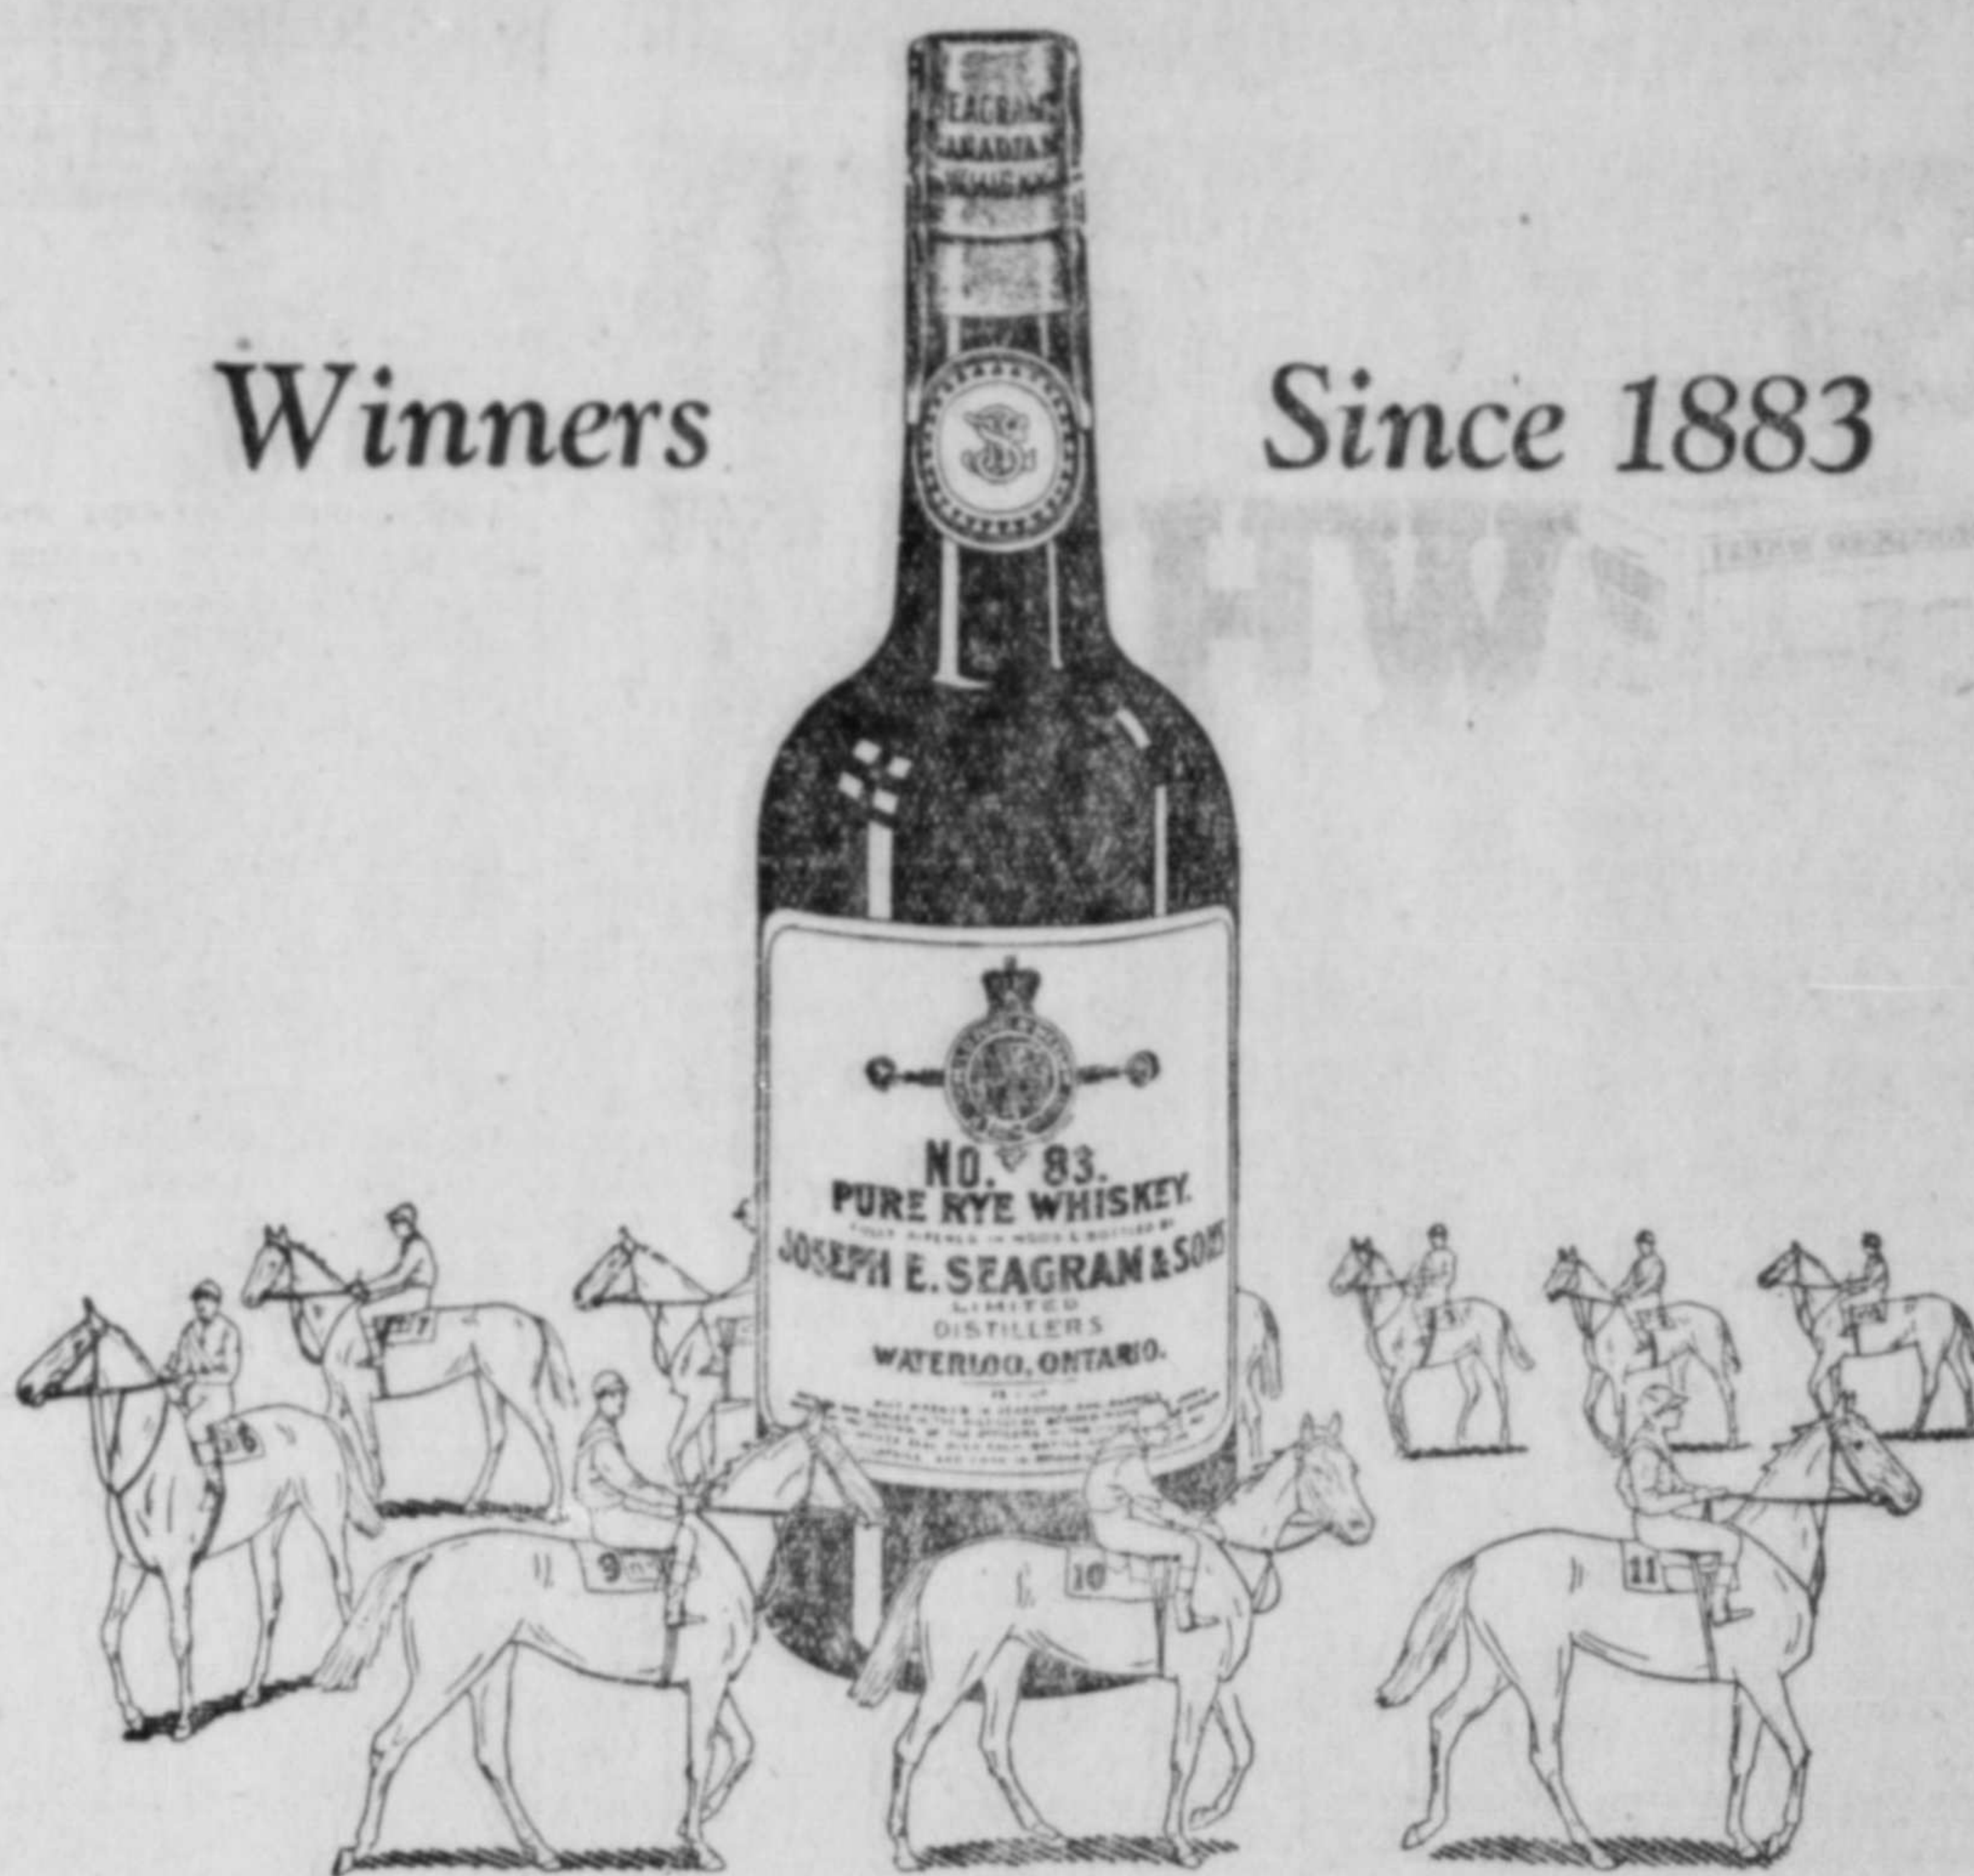

LONDON, Nov. 3.—The following story is going round Sheffield, the big centre of the cutlery trade. A workman had gradually been promoted until he reached the position of works manager. To mark his elevation one of the directors invited him to dine at his house.

"What do you think of Beethoven's works?" asked the director's wife of the novice at dining out.

"I don't remember that I have ever been over them," was the reply. "What do they make?"

## CONFERENCE OF CHURCH ARMY COMES TO END

Three Hundred Natives Disperse After Gatherings at Cathedral

### FINE SACRED CONCERT

Thanks Expressed to Ladies of Church and Others Who Gave Aid

Yesterday afternoon and evening the closing sessions of the Anglican Church Army Conference, which brought some three hundred natives to the city from various parts of the district as well as eight clergymen and two representatives of the Church Army from England, was held.

The afternoon procession was held as usual, proceeding past the Prince Rupert General Hospital where each band rendered a selection much to the delight of the patients. Passing the Booth Memorial School, another stop was made at the home of the late Archbishop F. H. DuVernet where each band gave another selection for the benefit of Mrs. DuVernet, widow of the late Archbishop, who is an invalid. The line of march then led to the Westholme Theatre where Rev. T. D. Proctor took the chair.

After the opening address and prayers, "Onward Christian Soldiers" was sung and Rev. Oliver Thorne of Kincolth gave a wonderful and inspiring address on "Our Church," showing its history and value to the people of the present day. Mr. Proctor led the whole audience in singing of "The Church's One Foundation is Christ the Lord."

Capt. Casey then made opening remarks with regard to the three thousand feet of film which was to be shown setting forth the whole of the Church Army work in England. The film being run through slowly, Capt. Casey was able to explain the same in detail. This set forth the foundation of the Church Army by Prebendary Carlisle, its evangelistic side in rescue work, its educational side in providing work for the outcasts of society and those released from prison and the recreational side. Scenes of Hyde Park and other points were familiar to many Old Country people. At the conclusion of the film, Mr. Proctor led in the singing of "Rock of Ages," an address by Capt. Ernest Wade of Hazelton following in both the native and English tongues. William Leighton, native of Metlakatla, then read a scripture portion in English and, after another hymn, Peter Haldane of Metlakatla gave an inspiring address in both English and native tongues. The singing of another hymn took place and Mr. Proctor closed the meeting with prayer and benediction.

**DINNER FOR CLERGY**  
The chiefs of Kitkatla were hosts at a dinner in the Commodore Cafe to clerical delegates and visiting captains. Rev. T. D. Proctor moved a hearty vote of thanks on behalf of the clergy for the wonderful manner in which the native chiefs expressed their gratitude for work done among them in presenting the Gospel and also for the delicious banquet which had been provided. Rev. Oliver Thorne seconded this motion in an able manner. Then the clergy stood, led by Archdeacon G. A. Rix, and sang "For They are Jolly Good Fellows," followed by three cheers. Response was made by Chief Sa-Bash-Ha of Kitkatla whose speech was interpreted into English by Peter Ryan, native of Metlakatla. A presentation was then made by Capt. Casey by Chief Bradley of Kitkatla, of a totem pole made from the native stone of Queen Charlotte Islands.

The second speaker was chief Collison, also of Kitkatla, who expressed great gratitude for having the Gospel brought to them by the ministers of Christ. A presentation of money was made by him. Chief Ed. Gamble of Kitkatla described how he had been inspired by the conference, not knowing before the size of the diocese or the number of clergy who were working among the native peoples. He also expressed the delight of the natives in knowing that another Church Army conference was to be held next year in Prince Rupert. They looked upon St. Andrew's Cathedral as the mother church of the whole diocese. Arthur Lewis of Kitkatla then made a presentation of money to Capt. Casey from the Junior Church Army of that village. A fitting reply to the presentations was made by Capt. Casey, the proceedings then being brought to a close; the party returning to the Cathedral for the evening session which was opened with the usual procession through the city. While Mr. Proctor led the procession, Capt. Casey held a revival service in the Cathedral Hall.

**EVENING MEETING**  
On the procession's return, the evening testimony and prayer meeting commenced at 8:15. After singing one of the new revival songs, Capt. Casey

asked all to stand and repeat the Apostle's Creed which is the faith of the Church of England. Arthur Barner, native chief of Greenville, then gave an address in the native tongue which was followed with several solos by the natives. After further testimony, this portion of the session was brought to a close and Rev. T. D. Proctor announced that anthems would be rendered by the native choirs in the Cathedral at once.

The Cathedral was overflowing and, Rev. T. D. Proctor taking the chair, the Greenville choir rendered the cantata "The Messiah's Coming." This took an hour and twenty minutes including the following selections: "Hear the Song," "The Messiah," "Christ Our Light," "Life Without End," "The Wondrous Story," "Prophecies Fulfilled," "Star of Love," and "God's Wonderful Gift." The selections included anthems, quartets, duets and solos. Aldred Adams of Massett then rendered a solo "Ave Maria." Another solo was rendered by Lieut. Stevens of Kincolth: "Peace, Peace Sweet Peace." The Kitkatla choir then occupied the Cathedral stalls and rendered "Worthy, the Lamb that was Slain," from Handel's "Messiah" and "The Heavens are Telling" from the "Creation."

**WORK OF LADIES**  
Archdeacon Rix delivered a public expression of thanks to the ladies of the Cathedral Church who had provided hot meals each day for three hundred natives. The three choirs of Kitkatla, Metlakatla and Greenville were also

thanked as well as the soloists from other native centres who had contributed to making each evening so pleasant and profitable. Miss Marjorie Lancaster was also thanked for her wonderful assistance at the organ each evening and the two native bands were congratulated for their untiring assistance in both processions and services. The Archdeacon mentioned that all the natives had come to town at their own expense and had cared for themselves while in the city. Last but not least, the Archdeacon wished to publicly express his sincere gratitude to Rev. T. D. Proctor of Hazelton who had not only relieved him of his Cathedral duties for the past two months but had also organized and carried out to so successful and profitable an end this first native conference in the city of Prince Rupert. Rev. T. D. Proctor was then asked to pronounce the benediction, the natives returning to the basement for a farewell meeting.

**FAREWELL MEETING**  
At the farewell session, the matter of Church Army uniforms was discussed and it was decided by Rev. T. D. Proctor and the various Church Army captains that the uniform should be in keeping with the Church Army of London, England, the distinctions being the captains having red shoulder straps on their tunics, lieutenant's, blue shoulder straps, and soldiers, the regulation cadet uniforms. The conference was then brought to a close at midnight. Today the various clergymen and

delegates are returning to their several missions throughout the diocese.

### FIRE CHIEF MAKES APPEAL

Asks for Co-operation of Citizens in His Work When Addressing Rotary Club

An address written by Fire Chief McDonald and read for him by Fireman Morrison at the Rotary Club luncheon yesterday, dealt with the work of fire protection in a general way and also in connection with the local situation. He asked for co-operation of the members of the club and citizens generally in his work.

Colonel Nicholls presided and at the conclusion thanked the chief for his excellent and timely address. The chief's address said:

#### CHIEF'S ADDRESS

With real pleasure and in sincere appreciation of the honor that you have conferred upon me today, I wish to bring to you a very important message from the International Association of Fire Chiefs, of which I am a member.

As you are probably aware, the Association has designated 1927 as Fire Prevention Year and the month of May as Rotary International Fire Prevention Month in appreciation and in recognition of the endorsement of this very important work, by your excellent order.

Co-operating with us in this work, the Metro-Goldwin-Mayer Moving Picture Corporation has released "The Fire Brigade" and I earnestly urge all of you here today to see this moving picture when it comes to Prince Rupert as a means of familiarizing yourselves with the work that your fire department is doing; 12,500 Fire Prevention posters are on display throughout Can-

ads and the United States through the courtesy of the Canadian Outdoor Advertising Association and the National Outdoor Advertising Association. Then too, a number of drives have been planned including the spring clean-up of premises, furnaces, chimneys, etc., which took place about the first of April, the July drive, the fall clean-up drive on October 1, and the Christmas season drive on December 10. You can readily see that we have our work cut out for us and we earnestly solicit your aid and co-operation in order to make this campaign a real success.

#### HUGE PROPERTY LOSS

When we are informed that the property loss in this Province is approximately \$3,890,000.00, annually the tremendous importance of combating this evil is forcibly brought home to us. The fire department is doing its share. Are you doing yours? We need your help in reducing these figures. Help us to cut them in half at least this year.

Follow the advice of the fire inspector. Remove all rubbish from buildings where present. Some careless person may cause a fire.

Can you turn in an alarm in the event of a fire? Where is the nearest fire box located? Correct knowledge of all this is necessary and essential in order to insure quick response by the fire department.

Only waste and rags are dangerous. Always place them in metal cans or containers.

Be careful of overheated stoves. Keep inflammable material away from them. The use of coal oil is dangerous.

Ashes thought to be cold are often put in wooden receptacles and frequently cause fires.

Electric irons are a convenience; but, when you fail to turn off the current, they become dangerous.

Don't strike matches in closets, a fire can easily start in this way.

#### BEWARE OF GASOLINE

Remember that gasoline explodes and is more dangerous than dynamite. Those using it for cleaning purposes are courting injury and possible death.

Crooked and broken flues and chimneys and especially those surrounded by woodwork are dangerous. Don't neglect your chimney; we are called out to answer a large number of alarms for chimney fires every year.

Don't build bon-fires promiscuously; be extremely careful of all explosives; the home is no place for them. Be particularly careful during the holiday and picnic season.

Be careful of all gasoline connections. Never look for a leak in them with a lighted match or candle.

If there is a fire hazard near your home or place of business, notify the fire department so that it may be eliminated.

#### HANDICAPPED BY CITIZENS

Thus, you can readily see that in spite of everything that your Fire Department may do, it is heavily handicapped in its work unless the citizens as a whole lend it their fullest co-operation. Many fires are absolutely unnecessary and would never have occurred if carelessness and inattention were not responsible. Don't try to fight a fire yourself. Notify the department at once. All fires are small in starting but oftentimes delay and neglect are the prime factors in resulting serious configurations with loss of life, serious injury and large property damage.

During the year 1926, the Prince Rupert Fire Department answered 50 alarms of fire, two of which were false alarms. The total amount of damage from fire and water was \$160,745.58. The value of the property involved was \$7,000,000.00.

The causes of the different fires are as enumerated herewith: 11 chimney fires; 3 sparks from chimney falling on roof; 2 defective chimneys; 2 smoke scares; 2 cigarette stubs; 1 hot ashes; 1 test alarm; 1 overheated fire-place; 2 overheated stoves, overheated furnace; 1 jet in furnace corroded; 1 children playing with matches; 1 still alarm; 1 lighted candles; 5 bush fires; 4 bon-fires; 1 grease igniting on stove; 1 grease igniting in oven; three unknown cause.

During the year there were two deaths in the city caused by fire, Mrs. A. Daniels (overheated stove) and Captain M. Potland (gasoline explosion on fish boat).

#### ASKS FOR AID

It is to be hoped in the work we are doing you will lend us your aid. Put your shoulder to the wheel, be observing and where you see a practice that is dangerous try to stop it or call our attention thereto. We need your help.

In conclusion just a word as to the Prince Rupert Fire Department. In order that you may be informed as to your own department, I wish to inform you that the personnel numbers seven. We have three fire trucks and a good repair shop. The department is equipped with 7,000 feet of 2 1/2 inch hose and three chemicals. We have 100 fire hydrants and 29 fire boxes. It is with real pride that I can point to the record of the Prince Rupert fire department which is very efficient and capable when duty calls. It is our investment, you are contributing to its support. Help us to make it pay dividends by having a lower fire loss and fewer injuries and fatalities from fire. Can we count on you?

At Vancouver, who has been a business visitor in the city for the most of the

week, will return to Alice Arm by the Catala Sunday night.

### Christian Science Monitor

August, 1926

"During the past ten years, tremendous improvements have been made in machine laundries, and notwithstanding all that may be said to the contrary, the household linen and even fine fabrics, are safer in the hands of a modern laundry than they are in the family wash tub.

"From the facts established along this line, it seems to be pretty clearly established that a wife and mother, or any woman who works in the home, may be better employed than working at a tub or supervising an electric washing machine."

With Wet Wash Service only 75c for 15 lbs. a service at least equal to the best home equipment, the logical conclusion is

## SOME CHANGES LOCAL PRICES

### Thanksgiving Turkeys Selling at From 55 to 60 Cents a Pound

This week's survey of the local stores shows more seasonal changes than there have been for the past month, with many of the autumnal fruits going off the market. Outdoor tomatoes are practically finished, together with Tokay and Concord grapes, while Bartlett pears and Italian prunes are also off the market.

Emperor red grapes have arrived and should be in season until after Christmas and hot-house tomatoes have also made their appearance again. Winter pears, those of Anjou, which are so much used for preserving, are also showing.

Apples are also being displayed in great variety now. There are still a few McIntosh Reds, although their season is about over, white Jonathans, Spitzenbergs, Rome Beauties, Delicious, Grimes Golden, Wagners and Winesaps are all being shown. Most of these varieties come in jumble pack, grade "C," fancy and extra fancy.

Turkeys are arriving for Thanksgiving. Those from the south and from Alberta are smaller than usual, the birds not being matured although those from the Bulkley Valley are up to the usual size and weight. Price will be around 55c to 60c. Domestic ducks are also available, averaging 5 lbs. weight while there are lots of fresh killed chicken and fowl also from the Bulkley Valley.

Flour has taken a decline and it is expected that Canadian butters of all brands will also drop around 2c on account of the large importations from New Zealand, although this drop is ex-

### PRESBYTERIAN BAZAAR HELD

#### Event Yesterday Afternoon Was Well Patronized and Proved Complete Success

The Ladies' Aid of First Presbyterian Church held its annual sale yesterday afternoon in the Church Hall. Weather being favorable, the hall was well filled with callers throughout the afternoon, making the bazaar a very successful affair with proceeds amounting to nearly \$600. The booths were tastefully arranged and there was a large variety of useful and ornamental articles offered for sale. Rev. J. R. Frizell, pastor of the church, opened the proceedings shortly after 3 o'clock and buying immediately became brisk.

Mrs. D. G. Stewart, president of the Ladies' Aid, supervised the affair generally and the following ladies acted as stallholders:

- Fancy Work—Mrs. S. Pringle (convener), Mrs. Fred Stork, Mrs. J. L. Lee and Mrs. W. Sandison.
- Plain Sewing—Mrs. McRobbie (convener), Mrs. W. D. Christison and Mrs. Eastman.
- Home Cooking—Mrs. James Simpson (convener), Mrs. H. M. Foote, Mrs. W. H. Wilson-Murray and Mrs. Robert Dave.

Novelties—Mrs. William Millar (convener), Mrs. David Thomson, Mrs. J. J. Little, Mrs. C. E. Starr, Mrs. L. W. Kerwin and Miss Kathleen Stork.

Candy—Mrs. D. McD. Hunter and Mrs. J. G. Steen.

Fish Pond—Mrs. Dan Jabour and Mrs. Howarf White.

Tea Room—Mrs. William Anderson (convener), Mrs. J. Watson, Mrs. B. Dalgarno, Mrs. D. B. McDougall, Mrs. T. Haddon, Mrs. H. N. Brocklesby, Miss Sharp and Miss A. Watson. Mrs. Sam Massey and Mrs. W. D. Vance poured and Mrs. D. McLeod acted as cashier.

The services of Mrs. J. Bremner and Mrs. J. Clarke in fortune-telling were as usual appreciated.

The Ladies' Orchestra, under the leadership of Mrs. G. A. Bryant, played throughout the afternoon and added greatly to the enjoyment of everyone present.

Over thirty players have entered for allotment in the reorganized city billiard league. There will be five teams including that of the Canadian Fish & Cold Storage Co. which is entering an aggregation of its own. Placing of the players and drawing up of a schedule will take place at a meeting of the league to be held in the Grand Terminal Hall tonight.
