RUPERT AS GRAIN AND CATTLE MART

SOVIET GETS CHECK EAST AND WEST SAYS NEWSPAPER

Prince Rupert Market for Interior Products Emphasized in Report

TWO DISTRICT AGRICULTURISTS TELL OF ADVANTAGE OF GRAIN ELEVATOR, ABATTOIR AND CREAM DEMAND

Prince Rupert as a market for the products of the interior valleys is emphasized in reports of R. G. Sutton and D. D. Munro made to E. D. Barrow, minister of agriculture and now made public by him. He speaks of the elevator as a market for wheat and tells how it has stimulated production; of the abattoir and its effects on livestock; and on the development of the market for cream at Prince Rupert and the increased production it has brought about. A summary of the reports says:

BOAT FINISHES LOADING GRAIN

QUEENMOOR TO CLEAR FOR U.K. CONTINENT TOMORROW MORNING WITH FULL WHEAT CARGO

The British freighter Queenmoor early this afternoon completed the loading of a full cargo of some 228,000 bushels of wheat at the Prince Rupert elevator for delivery to the United Kingdom or continent. At daybreak tomorrow it is planned that the ship shall clear. As far as is now known, only one more boat will come to Prince Rupert this season to load grain. This will be the Japanese freighter Yomei Maru which is due about June 15. A few carloads of grain are still coming from the prairies to the elevator.

OTTAWA NAMES CUSTOMS CHIEF

J. G. BARTON OF VANCOUVER NAMED CHIEF OF B.C. DISTRICT PREVENTATIVE SERVICE

OTTAWA, May 19.—Official announcement of the appointment of J. G. Barton of Vancouver as district chief of the customs and excise preventative service for British Columbia was made this morning. The selection of Barton is a further step in the Dominion wide re-organization of the service to combat rum running and other forms of smuggling along the United States-Canadian border.

SOUTHERN ARMY IS DEFEATED

ONLY BARRIER BETWEEN MANCHURIANS AND HANKOW RETREATING TO THE CITY

PEKING, May 19.—The forces of General Tang Seng Chi, the main barrier between Marshal Chang Tso Lin's Manchurians and Hankow were severely defeated on both wings by the army of Wu Pei Fu and are retreating on Hankow.

GOLDEN SNAKES ARE UP-TO-DATE NECKWEAR

Being Worn by Women of Exclusive Belgravia Section in London

LONDON, May 19.—Golden snakes are being introduced as neckwear among the women of the exclusive Belgravia section, near Buckingham Palace. The snakes are made of fine, flat wire twisted into a flexible rope. They are either short chokers or are long enough to go once around the throat and hang almost to the waist. Snakes are worn with either evening or sport dress.

Mrs. D. C. Paterson sails tonight on the Prince Rupert for Maple Bay, Vancouver Island, where her mother, Mrs. Davidson, who visited here not long ago, is ill.

RUM RUNNERS RAISING DUST

CLAIM MADE THAT SEIZURE OF SPEED BOAT ZEY WAS MADE IN B.C. WATERS

SEATTLE, May 19.—The Post-Intelligencer says that Laurent Vere Ecken, captain and Chris Skronal, engineer, of the Canadian rum boat Zey have made complaint to the U.S. dry agent, Alfred Hubbard, who made a recent seizure of the craft with \$16,000 of liquor in British Columbia waters, not American as reported.

It is said that Vere Ecken and Skronal laid a sworn statement before high authorities asking for an investigation and it is understood that the Canadian Government intimated that it will entertain any move the pair desire to make toward swearing a formal complaint against Hubbard.

KERRISDALE PASTOR HEAD OF CONFERENCE

Rev. E. D. Braden Elected President of United Church Meeting in Vancouver

VANCOUVER, May 19.—Rev. E. D. Braden of Ryerson United Church, Kerrisdale, was elected president of the British Columbia conference of the United Church this morning. He succeeds Rev. W. H. Smith.

Douglas Frizzell returned to the town this morning after having made the round trip to Alice Arm and Stewart on the steamer Chilkoat.

DAM BURST AND FLOODS VALLEY

TOWN OF KELLY WIPED OUT AND WALL OF WATER ADVANCED ON VALLEY

WILSON, Wyo., May 19.—Eight people were drowned when the natural dam on the Grosvenor River broke yesterday flooding the little town of Kelly, 25 miles from here. The flood reached Wilson two hours later in the form of a wall of water 20 feet high that spread over the banks here forming a stream a mile and a half wide.

Thanks to telephone warning no lives were lost here. All wires are down and communication has been severed in many places between here and Kelly. Fragmentary reports state that only a store and church are left standing there.

SHIP'S ORCHESTRA ENTERTAINS CLUB

Captain McCaffery Took Part in Musical Efforts of Grain Ship Party

This afternoon the Rotary Club was entertained by the members of the orchestra of the grain steamer Queenmoor. Captain McCaffery, who is himself an expert on several instruments has encouraged the use of instrumental music aboard the vessel and takes part in the orchestra.

President Nichols on behalf of the club thanked the visitors and the members and visitors expressed their pleasure in unmistakable manner by their applause.

CHINESE TAA, or pagoda, type of Chinese architecture most familiar in the west. The seven storeys are supposed to symbolize the seven heavens and other septenary conceptions.

PLAN TENNIS COURTS FOR YOUNGSTERS

ROTARY CLUB VOTES MONEY FOR PURPOSE CORNER SIXTH AND McBRIDE

A proposal to utilize the playground on the corner of Sixth Avenue and McBride Street by making tennis courts there for the use of the children of the city is planned by the Rotary Club, provided the city gives its permission. Today the club voted \$150 for the purpose and this sum will be expended by the Boys' Work Committee consisting of Earl Barrie, Dr. Finn and Dr. Alexander to which has been added the name of Colonel McMordeie, the originator of the plan. At the last luncheon a proposal to construct the courts was made by Colonel McMordeie and referred to the executive committee which today, through Colonel Nicholls, reported in favor of it and recommended the expenditure. This was unanimously approved by the club. The committee will at once get in touch with the city council and, if permission is given, it is proposed to have the court or courts ready for use almost immediately.

Passengers sailing last night on the Prince Rupert for Anyox included R. Myers, W. Ballantyne, C. McGuire and Mrs. D. McKenzie.

Dr. and Mrs. Leary of Anyox will be passengers on the Prince Rupert tonight going through from the smelter town to Vancouver.

Mysterious Disappearance of Men on Alaska Fox Farm; May Prove to Have Been Murdered

SEATTLE, May 19.—The body of Phillip Munro of Seattle, the third man to disappear mysteriously within two years from the lonely Kanaga Island in the eastern Aleutians was found buried in a shallow grave on the rocky northern shore of the island. The commandant of the coastguard Bering Sea patrol sent word to this effect to Munro's daughter, Mrs. Bert Johnson, who said she was convinced her father had been murdered.

Munro, who was 58 years of age, went north to superintend the fur farm of the Kanaga Ranching Company in June, 1925. Shortly after reaching the island, two men who had been in charge suddenly disappeared and afterwards it was reported they had set out in a small boat to do some exploring. Nothing was ever seen of them again. Several months later a young man who was on the island told officials that Munro likewise put out in a dory on an exploration trip and failed to return.

STEAMSHIP MAN GETS 4 YEARS

RALPH B. McCARTY SENTENCED IN VANCOUVER POLICE COURT AFTER PLEADING GUILTY TO FORGERY

VANCOUVER, May 19.—Ralph B. McCarty, formerly chief accountant of the Canadian Robert Dollar Steamship Co., was sentenced to four years in penitentiary by Magistrate Henry Shaw in the city police court this morning. McCarty pleaded guilty to five charges of forgery, the amount involved being over \$10,000.

CASSELL, Germany, May 19.—When a schoolboy tampered with the brakes on a crowded street here, a car plunged down the hill yesterday crashed into an iron scaffolding and capsized in a ditch with the result that many passengers including six women were killed and eleven seriously injured.

Soviet Turned to England When Plans Failed in China but is Not Given Much Satisfaction

LONDON, May 19.—The diplomatic correspondent of the Westminster Gazette says: "Diplomatic and economic isolation of the Soviet has begun. The British foreign office no longer considers a break with Russia would endanger European peace and the question of future relations with Russia is not connected with the French presidential visit."

"With the Soviet's failure in China and the Orient, the Soviet government has turned its attention to Europe, tried to raise credits through Geneva with England. It was in accordance with considered British policy to await failure of the Soviet plan in the East and then close the door to them in the West. The Aros raid was intended to furnish proof which would demonstrate to Europe as a whole the dangerous nature of the Soviet activities."

RETAIL MERCHANTS' MONTHLY MEETING

J. J. Little, Superintendent of Utilities, Speaks on Window Lighting—Other Business

J. J. Little, superintendent of city utilities, addressed the Prince Rupert Retail Merchants' Association at its regular monthly dinner in the Commodore Cafe last night. He spoke interestingly on the subject of "Window Lighting" and gave the merchants some valuable information as to rates, etc. A communication was received regarding "British Empire Shopping Week" May 23-28, and it was decided to request local merchants to decorate their windows specially and so encourage the buying of Empire products, especially those of British Columbia and Canada.

No action was taken in the matter of a petition from retail clerks asking that stores be closed at 6 o'clock Saturday night as on other nights of the week.

MANSLAUGHTER DECLARES JURY

ANGUS NICHOLSON RECOMMENDED TO MERCY OF COURT FOLLOWING CHARGE OF MURDER

VANCOUVER, May 19.—Guilty of manslaughter with a strong recommendation to mercy, a verdict was returned yesterday afternoon in the jury trial of Angus Nicholson charged with murdering Marshall Douglas, Mr. Justice McDonald remanded Nicholson to the end of the assizes for sentence.

Robert Moore co-defendant of Nicholson is being tried today.

OLD SCHOONER SUNK IN NORTH

EVERETT HAYS GOES DOWN WITH VALUABLE CARGO OF FURS—MASTER AND CREW SAVED

DUTCH HARBOR.—May 19.—The historic schooner Everett Hays, last of the Unalaska sealing fleet, sank on Wednesday after striking a submerged reef near Umnakoff, Unalaska Island, in a heavy gale and snowstorm. The master and crew were rescued but a valuable cargo of blue fox skins went down with the vessel.

MINERS GO OUT IN SYMPATHY FOR FELLOWS

GLACE BAY, May 19.—Five mines and two thousand miners are idle on account of a sympathy strike at the Dominion Collieries mines.

INFLUENCE OF BRITISH LEGISLATION

What makes the doings of the British Parliament so interesting here is the influence that legislative body has on legislation throughout the world. The British Parliament has always been a model for other legislative bodies. The British have always led in parliamentary government. They set the pace for other countries and have not yet been overtaken.

Many think the new Trades Union Bill, which is being considered there in committee, is a backward move, but that has to be proved. At any rate, it is an interesting thing for Canadians to watch because strikes have had a bad effect here as elsewhere.

Woman always gets the last word. If man makes his mark in the world, woman makes her remark.

EDMONTON HAVING A CLEANUP

Edmonton is having a cleanup. Here is what one of their papers says:

Edmonton's cleanup campaign is in full swing. The rake, the bonfire and the paint brush have been doing their bit, with result already apparent everywhere. What has been accomplished gives promise that when the job is finished the improvement in the appearance of the city will be most marked; with a corresponding gain in the value of property and the pride of the residents in the city.

Cleaning up the yard is a task inspired by considerations of good taste and health. Painting the buildings and fences is not less a matter of good taste, and is also a measure of economy.

A friend is one who sees the good in his neighbor and gently chides for failure to live up to the standard.

WHO IS A CANADIAN TODAY?

When the census man comes around and asks a Canadian whose ancestors have been in Canada for 100 years or 200 years to what race he belongs, the individual should have the right to say that he belongs to the Canadian race. If the authorities at Ottawa wish to figure out just what racial strains may mingle in the individual they can get as much information as possible along these lines and then figure out the proportions for themselves, says the Manitoba Free Press.

As everyone knows, there are cases on record in Manitoba where a citizen of very mixed origin and of stock that had been rooted in this country 150 years, has answered "Canadian" when asked by the census enumerator of what racial stock he came. The answer was not accepted. In each case the man's ancestry was tracked back along the male line until it was discovered that at some remote period the citizens had a Swedish or an Irish or a Welsh male ancestor, and down in the book he went as of Swedish, Irish or Welsh racial stock. This, of course, is absurd, and if the officials at Ottawa claim that nothing can be done about it because a few Chinamen happen to be born in Canada, and that it would not be proper to list these as of the Canadian race, it is apparent that they are not trying very hard to solve the problem.

On the other hand, it is also known that a man who told the census enumerator that he was born in England is listed as of the English race, even if both his parents happened to be German. In this connection the fact that he was of English birth is accepted as proof that he belongs to the English race. This, of course, is also absurd.

A man on the street yesterday wanted to know if that Conservative revival of which much has been heard was just starting in Quebec. It was not much of a start.

NOT EVEN A BORN CANADIAN

There is a further matter where this strange business of allowing a Canadian to call himself officially anything else but Canadian also applies. Dr. Ross, member for Kingston, pointed out in the debate at Ottawa that the term "Canadian" is not accepted in connection with birth and death registration. No Canadian can come into the world as such; no Canadian is entitled to call himself a Canadian even when dying. Here we have a question, not only for the Dominion, but for the provincial authorities. Are they prepared to move forward and admit that Canada is here to stay and that there are going to be Canadians in the world?

MOVES FOR ENGINEERS

PROMOTION OF SEVERAL WELL KNOWN C.G.M.M. OFFICIALS ANNOUNCED

Thomas Loudon, superintendent engineer for the C.G.M.M. Ltd. and C.N.S.S. Ltd. since 1920 and who for the past year has combined with those duties the general superintendence of the Prince Rupert dry dock is being promoted to the post of superintendent engineer at Montreal for the company in succession to D. B. Carswell, who has left the company service to become general manager of Canadian Vickers and the Montreal dry dock.

Mr. Loudon will be succeeded by Richard Knox who has been his assistant for the past several years and who was formerly chief engineer of the steamer Prince George.

Mr. Knox will in turn have as his assistant Alex Watson, who has been engineering superintendent at the Prince Rupert dry dock and who is preparing to move south on Sunday with Mrs. Watson to assume his new duties.

The name of Mr. Watson's assistant here is not yet available but an announcement may be made by B.C. Keeley, Pacific Coast manager of the C.G.M.M., who is expected to visit the city on Saturday.

HARRY THRUPP IS DELEGATE

LOCAL BRANCH CANADIAN LEGION FAVORS INSURANCE SCHEME FOR CANTEEN FUNDS

Harry Thrupp was last night appointed delegate from the local branch of the Canadian Legion to attend a meeting of the Provincial Command at Vancouver on June 6, 7 and 8 to discuss the disposition of the canteen profits amounting to something like a quarter of a million dollars.

The local branch favored a suggestion made some time ago by Colonel Nicholls that the money should be devoted to a general insurance scheme for returned men. It was pointed out that if distributed it would not amount to much each person.

President S. A. Bird was in the chair and there was a good attendance of members.

TICKET CLERKS ARE ON WAY TO COAST

Expect to Arrive in Prince Rupert on May 26, Southbound

WINNIPEG, May 19—A party of 25 senior ticket clerks of the Canadian National Railways, from points between Halifax and Toronto, also a few from south of the line, passed through Winnipeg on their way to the Pacific coast.

This system of educating the ticket clerks was started by the Canadian National Railways last year, and this is the first expedition of this kind this year.

The object of the trip is to make the ticket sellers acquainted with the whole system so that they may give ticket purchasers first hand information on the various routes of travel and cities throughout the dominion.

The itinerary of the party includes the following cities: Prince Albert, May 19; Saskatoon, May 19; Calgary, May 20 and 21; Edmonton, May 21; Jasper, May 22 to 25; Prince Rupert, May 26; Vancouver, 28 and Victoria, 29.

Returning the same route will be taken with the exception that they will go to Regina from Saskatoon and are due to arrive in the former city on June 3.

ALL WILL CELEBRATE DOMINION JUBILEE

Various Kind of Ceremonies in Different Places are Being Arranged

That British Columbians will observe the sixtieth birthday of Canada in every town, village and settlement in the Province on July 1, is indicated by information received by John Hsieh, provincial librarian, who has been placed by the government in charge of the provincial arrangements for this occasion.

July 1 will witness celebrations of many kinds, from the ambitious programs planned for the Coast cities to the simple ceremonies which will take place in the out-of-the-way centres of population. In this way the lesson of confederation will reach practically every person in the entire province.

Erection of a confederation tablet in the peace arch at B.C. line, on the United States boundary, is proposed by the committee in charge of the Jubilee celebration in Vancouver as a fitting and permanent reminder of the importance of the occasion to be celebrated. This proposal has been submitted by the Vancouver committee to the government, which has it under consideration.

It was announced from the destroyer this morning that H.M.C.S. Patricia, moored at naval headquarters, will be open for visitors between the hours of 4 and 6 this and tomorrow afternoon.

BAPTIST LADIES' AID TEA AND SALE BEING HELD THIS AFTERNOON

The Ladies' Aid of the First Baptist Church is holding a tea and sale of home cooking this afternoon at the home of Mrs. N. Mussallem, 346 Fourth Avenue West.

Mrs. J. Thurber is general convener and those pouring are Mrs. W. F. Price, wife of the minister, and Mrs. Robinson. Assisting at the tea tables are Mrs. W. S. Hammond, Mrs. J. A. Lindsay, Mrs. P. H. Linzey, Mrs. P. M. Miller, Mrs. S. Hamblin, Mrs. Wilson and Mrs. Pelletier. Mrs. Jack Iverson and Mrs. G. W. Johnstone are in charge of the home cooking table and Mrs. James Hampton is acting as cashier.

During the afternoon there is to be a brief musical program to which Mrs. J. P. McMillan and Mrs. Percy Miller, accompanied by Mrs. R. Walker, will contribute with vocal solos and Misses Wade and Catherine Mussallem with a piano and violin duet.

PATTULLO SAYS GOOD WORD FOR THE CITY

Tells South that Prince Rupert is Definitely Established as Grain Port

On his return south Hon. T. D. Pattullo is reported in the Victoria Times as follows:

Northern British Columbia is making big advances now with the opening of spring activities in fishing, mining and lumbering. Hon. T. D. Pattullo, minister of lands, declared today on his return here from his constituency of Prince Rupert.

"The north is developing rapidly," Mr. Pattullo said. "Halibut fishing is in full swing, and preparations are being made for the opening of a big salmon season. Prince Rupert presents a spectacle of marked activity in all lines. The northern city is definitely established now as a substantial grain shipping port. The elevator in operation there is bringing wheat in large quantities to the port and ships to handle these shipments are arriving regularly."

PRESENTATION MADE TO CAPTAIN DAN LARSEN

Merry Party at Home of Tom Dybhavn Last Night Kept up to Late Hour

There was a farewell surprise party last night at the home of Mr. and Mrs. Tom Dybhavn, Sixth Avenue West for Captain Dan Larsen who is leaving for Norway tonight. About 25 people were present and in the course of the evening a club bag was presented to the Captain. Mr. Dybhavn being the spokesman for the party. A suitable reply of thanks was made and the merriment then continued. Miss Irene Morrison provided music for the dancing and refreshments were served, the party breaking up at a late hour.

Ten Years Ago in Prince Rupert

A son was born at the Prince Rupert General Hospital today to Mr. and Mrs. Joseph Gay, 228 Ninth Avenue.

Little James Stewart, son of Mr. and Mrs. D. G. Stewart, who was seriously injured the other day, is improving, his condition being as good as could be expected.

Word has reached the city that Col. C. W. Peck had another narrow escape when a hand grenade accidentally exploded at the front. Two men beside him were killed while several others were seriously wounded.

Mr. and Mrs. J. McLellan and child returned to Queen Charlotte City on this week's trip of the Prince John after an absence of seven months' visiting in England.

William Ward, who is having a fishing boat built in one of the Japanese yards here, arrived on the Prince John today from Sandspit, accompanied by his son, Simon Wood.

T. Ode, wealthy Japanese fishing operator of Vancouver, came north on the Prince John this trip to Pacific, Queen Charlotte Islands, where he is interested in a salting and oil plant.

Sergeant Alex McNeill, chief of the district detachment of the provincial police, sailed last night on the Prince Rupert for Anyox. He is expected to return to the city next Tuesday.

The steamer Prince John, which arrived in port at noon today from Vancouver, via the south end of the Queen Charlotte Islands, had a dirty trip north, strong southeast gales being encountered practically all the way.

Joe Williams, for drunkenness, was fined \$25 in the city police court this morning with the option of thirty days' imprisonment. On a similar charge, John Larsen pleaded not guilty and was remanded until this afternoon.

C.P.R. steamer Princess Alice, Capt. C. C. Saintry, will arrive tomorrow morning from Vancouver enroute to Alaska ports. Passengers sailing from here on the vessel will include Mrs. Veitch, Miss Topston and J. England for Ketchikan and Mrs. F. Tibbets for Mayo.

Among today's arrivals from the Queen Charlotte Islands on the Prince John are thirteen men who are going south to Vancouver from Logan and Selwyn Inlets where they have been employed in the Kelly Logging camps which are now partially closed down, only the rafting camps still being open.

H. C. Fraser, inspector of schools, returned to the city on the Prince John today after having made visits to the schools at Massett, Skidegate, Queen Charlotte City, Sandspit and Lawn Hill. He will go back to the Islands again tonight to inspect the Port Clements and Buckley Bay schools and expects to return to the city on Saturday.

D. C. Paterson, manager of the local branch of the Bank of Montreal has received a request from the head office in connection with a memorial to the late Major General Louis J. Lipsett of the Third Division. Any who wish to subscribe toward the proposed memorial window in the Garrison Church Winnipeg may do so through Mr. Paterson.

J. D. Wilson and party of three men, who have been cruising timber on the Queen Charlotte Islands for the Kelly Logging Co., arrived in the city from Logan Inlet on the Prince John today and will proceed to Vancouver on the Prince Rupert tonight. With Mr. Wilson is J. A. Stephen, formerly assistant district engineer for the provincial department of public works at Anyox.

The case of Henry W. Gallan et al vs. Pendleton Gold Mining Co. Ltd. of Telegraph Creek is adjourned sine die in the County Court. The action involves claims for wages made by several plaintiffs. W. E. Fisher has the case for the plaintiffs while W. O. Pulton is representing the defendant company. The arrival of witnesses is being awaited before hearing proceeds.

C.N.R. steamer Prince John, Capt. E. Mabbs, arrived in port at 1 o'clock this afternoon from Vancouver via Skidegate and other southern Queen Charlotte Island points and will sail at 8 o'clock tonight to do her calls on the north end before returning here on Saturday and sailing south at 8 o'clock that night via all Island points. Included in the arrivals on the vessel today were 46 longshoremen who had been loading the freighter Santa Isabel with lumber at Queen Charlotte City.

Baby Feeding

For Healthier BABIES.....

Consult your doctor regularly. Do not wait until baby is sick before calling him. Many illnesses can be immediately checked or prevented entirely through such care.

Neglected Eyes

NEGLECT is doubtless the cause of most of the ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to—and at once.

OF ALL absurdities in the kingdom of foolishness, surely the loss of eyesight through neglect is the most inexcusable. DON'T lose health and efficiency through neglect. Come and see!

PROGRESS MADE CITY GUARANTEE

ABOUT \$100 REALIZED SO FAR AS REPORTED TO NEWLY FORMED IMPROVEMENT LEAGUE

OFFICERS ELECTED
GEORGE CASEY CHAIRMAN OF NEW ORGANIZATION WHICH APPOINTS COMMITTEES

A meeting of the Acropolis Hill Improvement League was held in the court room, City Hall, last evening for the purpose of organization. Chairman Casey presided. There were present:

F. Scadden and B. J. Bacon, representing the Moose; C. J. Norrington and F. W. Grimble, St. George's Society; J. Frew and J. L. Irvine, St. Andrew's Society; J. Gillis and H. Eastman, Carpenters' Union; A. E. Dickens and F. E. Wermig, Football Association; H. Love, Baseball Association; J. S. Wilson, Players' Club; J. Morrison, Deep Sea Fishermen; F. Fortune and H. Astoria, Knights of Columbus; B. Self and Geo. Casey, Fair Board; W. Hoss, Knights of Pythias; R. M. Winslow and F. J. Fuller.

Mr. Self explained the purposes of the league namely to get all fraternal, athletic and public service bodies united in one effort to improve the Athletic Grounds on Acropolis Hill. He explained that the original committee had already guaranteed \$1,000 to pay for the work this year and that the city in return had authorized the league to collect 10 per cent of all the gross gate receipts taken on the ground. The league had already put on a benefit basketball match and dance and also a football match between H.M.C.S. Patrician and Prince Rupert and these had realized around \$100 net towards the \$1,000 fund. It was also proposed to put on a baseball game on Saturday, proceeds of which would also be applied to this undertaking. In addition the Players' Club were putting on "Nothing But The Truth" at the Westholme Theatre on Thursday, June 2. The proceeds for the fund.

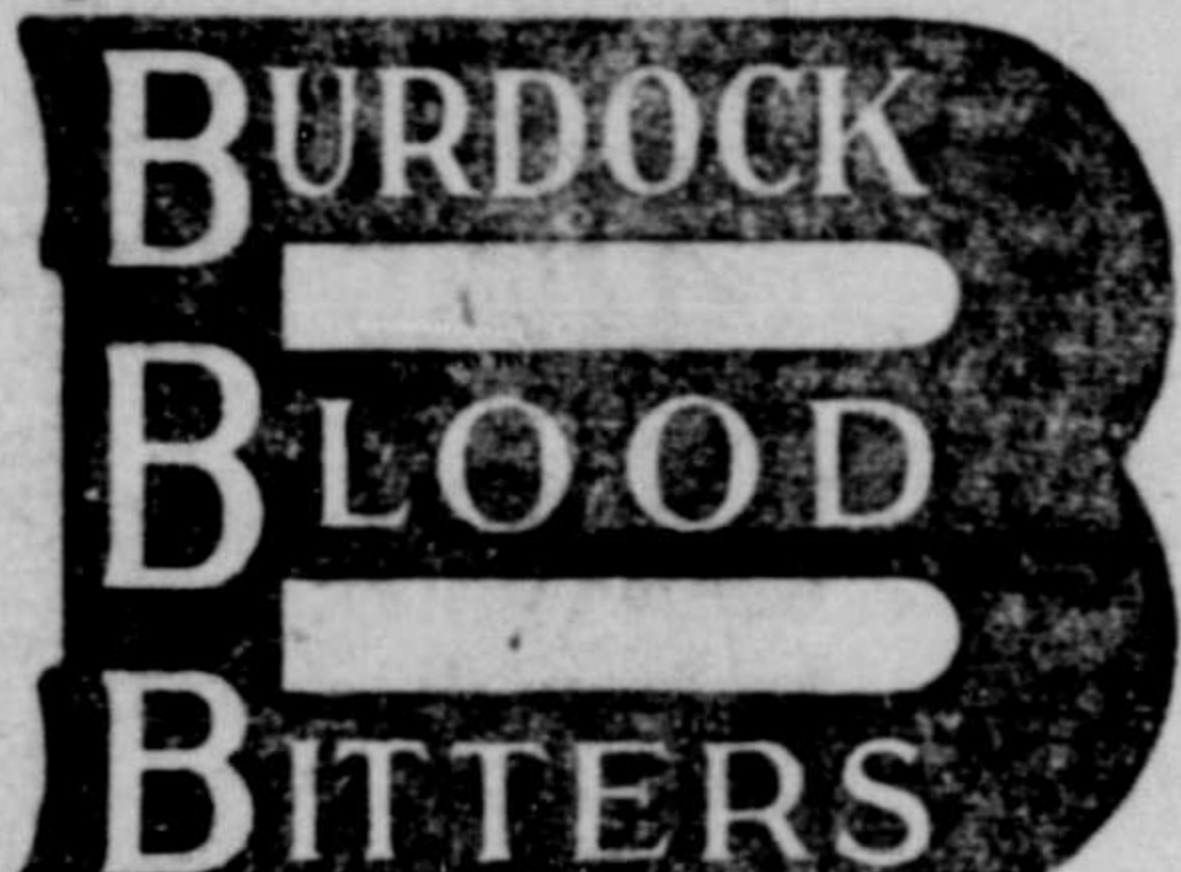

The meeting then went on record as being unanimous in support of the league and all delegates promised the full support of their organizations in the effort to raise the guarantee.

The meeting then proceeded with the election of officers and the following were chosen by acclamation:

Chairman: Ex-Alderman Geo. Casey.

INDIGESTION Gas on Stomach Caused Severe Pains

Mrs. C. F. Wheeler, R.R. No. 1, Glen Ewen, Sask., writes:—"For years my eldest son suffered from severe pains and agony from imperfect digestion. He dieted and used artificial digestants, but all to no avail. At last I got him a bottle of

and he had not taken the whole bottle before he was greatly relieved. The severe stomach attacks ceased, there was no more gas on the stomach, and he could eat anything he wished."
Put up only by The T. Milburn Co., Limited, Toronto, Ont.

Vice-Chairman: F. Scadden.
Secretary-Treasurer: Fredk. E. Wermig, P.O. Box 216, City.

Many other organizations had been notified of the meeting and requested to send delegates but owing to the short time many of them had not been able to hold a meeting since the receipt of the invitation.

Chairman Casey in announcing that the next meeting would be held in the same place on Wednesday, June 1, requested that all organizations in the city who had not sent delegates to the present meeting would send them to the next meeting now announced.

A committee in charge of the play, "Nothing But The Truth," was appointed as follows: Geo. Mitehell (chairman), B. Self, R. M. Winslow, F. Scadden, B. J. Bacon and H. Astoria.
Baseball game Saturday: H. Love, B. Self, and H. Astoria.

SPORT CHAT

Last night's football game between H.M.C.S. Patrician and Prince Rupert indicated that the city has some good soccer talent for another season. The local team was comprised of players from the three teams which will play in the leagues this summer—Moose, Grand Territorial and Regiment—and

they gave a good account of themselves regardless of the fact whether they won or not. One of the main sports of the senior service is football and the competition given the navy in the first game of the season to be played in the city was a matter of congratulation for the locals not overlooking credit that is due the Jack Tars for their performance.

The secretary of the Anyox Baseball Association, D. Roy, is writing baseball associations in Prince Rupert, Stewart and Hyder, and Ketchikan with a view to ascertaining the feasibility of staging a series of home-and-home games at each town during the coming summer. Anyox feels this would tend to foster a greater sporting spirit among the four towns. The suggestion of the "melter" town will be welcomed in Prince Rupert and it is to be hoped that it will be met with favor in the other towns. The big difficulty would be arranging time and transportation for such a series but the proposal has possibilities the achievement of which would be a great thing for the fans in all four towns mentioned.

PRINCE RUPERT HAD EASY WIN

DEFEATED H.M.C.S. PATRICIAN 6-0 IN FOOTBALL GAME LAST NIGHT

The football game last night between H.M.C.S. Patrician and Prince Rupert all-stars opened well, with the sailors kicking downgrade, and for the first half hour gave promise of being a close contest but the visitors, evidently out of practice, soon weakened and Prince Rupert took the honors by a score of 6 to nil. As far as the locals were concerned, they made a good opening season showing although they too have had little practice.

The score at the end of the first period was 1-0, but the locals, in the second half, playing in their turn downhill, completely broke up the naval defence and got through for five goals, one of which was a penalty taken by Sammy Erskine. Other Prince Rupert scorers were J. S. Wilson, 2; Pat Doherty, 1; A. Dickens, 2.
A fair-sized crowd witnessed the exhibition. Mr. Tharratt Gnr. T. refereed and the linesmen were Petty Officer Hill and William Murray.

The teams were as follows:

PARENT TEACHERS MUSIC AND ADDRESS

Children's Orchestra Play Well and Rev. J. R. Frizell Impressive

The regular meeting of the Prince Rupert Parent Teacher Association was held in the Auditorium of the Booth School last evening when Mrs. Boddie presided over a large meeting.

The association voted the sum of \$20 to High School, Borden and Booth for sports purposes or such as the teachers might decide and \$10 to Seal Cove. The schools appreciate this donation very much as all expenses for sports are met out of private funds, no provision being made in the school estimates for help towards financing such necessary activities of modern school life.

A very interesting program was provided by the Children's Orchestra under Professor Aubrey Pryce. The young musicians rendered five numbers in all and their confident playing, sure bowing and harmonious ensemble were the subject of very complimentary comment. Mr. Pryce and the children are all to be congratulated.

Rev. J. R. Frizell then talked on the influence of the state, the home and the school on the child and how each played a very important part in the training and education of the children. His remarks were very apt and carried conviction for their well thought out and impressive presentation.

A sale of home-cooking is arranged for June 7, in the Booth School for funds of the association.

After the address refreshments were served by the committee in the home economics room.

PRINCE RUPERT MARKET FOR INTERIOR PRODUCTS EMPHASIZED IN REPORT

(continued from page one)

has grown year by year in the face of a fairly stationary market. The only possible result has been a decrease in price and last year a small carry over, when the situation was so far improved in that the acreage sown to wheat reduced the acreage in hay. It will do this to a further extent this year with the result that the production of hay is bound to show a decline and thus a surplus will be avoided.

COARSE GRAINS
The Wheat Pool does not handle oats and barley at the Prince Rupert elevator and these grains for feed purposes cannot be shipped east to compete with Alberta products, nor shipped south on account of excessive freight rates. Local consumption has to be depended upon for disposition of the crop, but such markets are limited.

For this reason there is a surplus of oats in the Bulkley Valley, although farther east in the Prince George district such a condition is not reported as existing, shipments of seed oats to

Used after Shaving
Dr. Chase's OINTMENT
Keeps the Skin Soft, Smooth and Velvety

Alberta are hoped for.

ALFALFA HAY
The move towards a more diversified type of farming is also noticeable in the fact that Vanderhoof district, this year, shipped out a car of alfalfa hay and has approximately two more cars available. Mr. Sutton states in his report. For some years there have been several small areas in alfalfa, some well established, some otherwise, but the production has been negligible until this year. This amount has been grown by two farmers. They got two crops during the season and an average production three tons per acre. The area in this crop will increase year by year, providing another source of revenue and in turn reducing the volume of timothy hay production. It is very gratifying to note the establishment of alfalfa in the district as each year considerable time and thought have been given to studying conditions with a view towards the successful growing of this crop.

SEED GROWING
The most outstanding feature in 1926 was the increased production of timothy seed. The District Agriculturist at Smithers reports. From the 1925 crop ninety thousand pounds were marketed and from the 1926 crop there will be from seven hundred and fifty thousand to seven hundred and seventy thousand pounds, all of which have been sold to Vernon and Buckfield, Ltd., Vancouver, at eight cents per pound, f.o.b. shipping point, based on No. 1 grade with sacks provided by purchasers.

Grade No. 1 has been given to 85 per cent, No. 2 to 15 per cent, and No. 3 to 1 per cent. On purity analysis alone, 99 per cent of the seed would grade No. 1, but owing to the fact that in threshing the seed has been hulled in excess of the 25 per cent permitted in Grade No. 1, and 35 per cent permitted in Grade No. 1 C.W., the result is that 14 per cent is grading No. 2.

After having put the possibilities of seed growing before the farmers for a number of years, the district agriculturist at Prince George expresses gratification that a start has been made in that phase of production in the Nechaco Valley. He reports that approximately four tons of timothy seed was marketed last year and in small lots sold at 11 1/2c per pound at Vanderhoof, through the medium of farmers' institutes.

In speaking of the method of cleaning the seed, Mr. Sutton refers to the ingenuity of one of the growers and says:—While waiting for the Burns Lake machine to finish, rigged an ordinary hand fanning machine with special sieves and put the seed through. It was a very clean sample to begin with and so he did not have much difficulty. He got grade 1 C.W. on his own seed and Grade 2 on his neighbors. In the second case the lower grade was due to hulled seed only.

LIVE STOCK PROSPECTS
That the abattoir at Prince Rupert is proving to be of decided benefit to the beef producers of the Bulkley Valley and Francois Lake district is indicated in the report of the district agriculturist for that area.

Carload shipments started moving to the abattoir early in July, and all beef offering was shipped and marketed by January 10. Formerly the settlers allowed their beef animals to roam the hills until driven home by snow and cold; when all were offered for sale at one time, temporarily over-supplying the markets with the result that prices were forced downward to a point lower than the cost of production.

The old methods of feeding and caring for beef animals, i.e., in winter, feeding only sufficient to sustain life, until new grass appeared in the spring have almost entirely disappeared. Settlers are now more inclined to keep smaller herds, giving them better winter care, so that they can market their beef almost any month in the year, which is more remunerative than the former system of both feeding and marketing.

Quite a number of settlers are becoming interested in sheep raising. Last fall a double deck car-load was shipped from Lethbridge by Robert Kelley, of Houston, taking advantage of the 25 per cent reduction in freight rates, offered by the railroad for a limited time.

Several farmers have also gone in for hog-raising in a small way, and should, within the next two years, be able to ship hogs in car lots to the abattoir in Prince Rupert.

dairy industry of the Bulkley Valley during 1926 was the increase in shipments of whole milk and sweet cream to Prince Rupert.
This was accounted for by the reduction of the commodity rate by lots extension to 300 miles from Prince Rupert instead of 200 miles as formerly. Under this arrangement a five gallon can travels 250 miles at a rate of 70c, whilst formerly it cost \$1.30.
PESTS AND WEEDS
In dealing with the question of insect pests and fungus disease the district agriculturist for Prince George

district states, that few crops have been appreciably damaged. In regard to potato diseases a great improvement is noted due to better seed selection and treatment.
The district covered by the Prince George report is said to be practically free of weeds. Occasionally noxious weeds find their way in but particular care is taken to prevent their spread. Specimens of such weeds, and specimens of wild herbs of the poison group have been taken to farmers' meetings and exhibited for discussion of control measures.

PROSPECTS ARE EXCELLENT ON THE PRAIRIES

THAT IS VIEW TAKEN BY EDMONTON NEWSPAPER WHICH CITES SIMILAR SEASON IN 1920

The Edmonton Journal in an optimistic editorial article says: Much concern is being expressed, both privately and the newspapers, over the delayed seeding. It is feared that it means a large reduction in the wheat acreage and the serious impairment of the prospects of a good yield. But the experience of other years when the spring has been slow in arriving shows that there is little cause for such alarm. The present season has been very similar to that of 1920 and what happened in that year in this part of the province is worth citing. The winter had set in unusually early, like that just over, and May was well advanced before relief came. The feed situation was acute and the prospects of gloom were much more vocal than they have been in recent weeks. On May 10 this paragraph appeared in the Journal:

"Lost, a young lady, Miss Spring, should have reached the city a month ago. Known to have been kept in duration vile by an old man called Winter. Feared that Winter has regained control of her."

A crop report was published by the provincial government on May 17. It told of the backwardness of seeding all through central Alberta, but held out hope that that of wheat would be completed in four or five days. In the northern sections the farmers were still further behind. In dispatch from Beaver

Lodge, in the Peace River country, that the Journal published yesterday, it was recalled that the first wheat seeded at the experimental station there in 1920 was on May 18, whereas this year much of it was in the ground last week.

HUGE YIELD
In spite of the lateness of the 1920 operations, our Beaver Lodge correspondent notes, the first plots sown yielded from 39 to 54 bushels per acre. There was a similar result in the Edmonton district. The harvest was one of the most bountiful on record. There was a large increase in wheat acreage

LAND ACT.
NOTICE OF INTENTION TO APPLY TO LEASE FORESHORE.

In Prince Rupert Land Recording District of Prince Rupert, and situate at Sewell Inlet, Moresby Island, Queen Charlotte Islands.

Kelley Logging Co. Ltd.
Dated 29th April, 1927.

over the previous year and the average returns per acre went into astonishing figures.

The report of the department of agriculture for that year shows that in St. Albert riding the average was 45.30 bushels, in Victoria 37.26, in Vegreville 36.86, in South Edmonton 35.86, in Alexandra 35.63, in Athabaska 35.15, in Sturgeon 34.96, in Vermilion 34.22, with other constituencies north of Red Deer not far behind these.

This is surely sufficient to show the folly of being pessimistic with regard to what the present crop year is likely to bring forth. No one can tell what may happen between now and harvest, but there is certainly no reason to be downhearted over the outlook. The abundance of moisture in the ground should more than make up for the late date at which work on the land has been commenced.

BATTLESHIP IS NEARLY READY

H.M.S. NELSON LARGEST AND MOST MODERN IN WORLD TO BE COMPLETE IN JUNE

LONDON, May 18.—(Canadian Press).—H.M.S. Nelson, largest and most modern battleship in the world, is due for completion in June. Captain J. S. Meyrick will take command of the Nelson on July 1.

The vessel was laid down in December, 1922, and will thus have been 4 1/2 years under construction. She has a length of 690 feet, beam of 106 feet, and draught of 30 feet, her standard displacement being 35,000 tons. Her propelling machinery geared turbines of 45,000 h.p. should give her a maximum speed of 23 knots. Nine 16in. guns constitute her main armament; disposed in three triple turrets in the fore part of the vessel; the secondary battery of 12 6 inch guns being twin-mounted in the after part. There are also six 4.7 inch anti-aircraft guns and 28 smaller guns, as well as two torpedo tubes. The Rodney, sister-ship to the Nelson, is due for completion on the Mersey in August.

WATER NOTICE
DIVERSION AND USE

TAKE NOTICE that Gosse Packing Company, Limited, whose address is Vancouver, B.C. will apply for a license to take and use 250,000 gallons of water out of unnamed stream which flows northerly and drains into Green Inlet about 30 chains east of northwest corner of Lot 68, Range 3, Coast District. The water will be diverted from the stream at a point about 200 feet from mouth and will be used for domestic and commercial purposes upon the land described as application to lease by applicants. This notice was posted on the ground on the 2nd day of April, 1927. A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Prince Rupert. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is April 21, 1927.

TOLMIE OFFERED SEVERAL SEATS IN B.C. LEGISLATURE

VICTORIA, May 19.—At the public meeting held last evening under the auspices of the Women's Conservative Association, Hon. S. F. Tolmie took occasion to deal with a letter of ex-Reeve R. Macnicol in which the latter had apparently insinuated that Hon. T. G. Coventry had been promised a job in return for offering to vacate his seat for Dr. Tolmie.

Dr. Tolmie said, "I am not buying any seats." He added that if there was anyone who was thinking of offering to sell a seat to him he could tell him that he was not buying.

Mr. Coventry, went on the leader, had made the offer to vacate the seat for him without any dealing in the matter. There was no consideration thought of nor any mentioned. Mr. Coventry had taken his action in the interests of his party in a magnanimous way.

Dr. Tolmie added that he had been offered five or six other seats in B.C. without any thought on the part of anyone of any consideration in return for it.

The leader of the Conservative party took early opportunity during his speech to express his regret at learning that Premier Oliver was ill. He said that they had been personal friends for a long time, and the services that the Premier rendered the country were highly appreciated. He extended his best wishes for an early recovery, and his return to the duties of his office.
