IU BUILD DAM **AT SHAWATLANS**

Small Affair of Rough Hewn Logs is For Test Purposes

At the semi-monthly meeting of the city council last evening a letter was read from A. C. R. Yuille, engineer engaged by the council to report on the possibilities of extending the plant at | Shawatlans. Mr. Yuille recommended hat a dam be built on the north fork of Shawatians creek to enable definite dita to be obtained regarding the quantity of water available from time to time so that when extensions for the city might be necessary the engineers would have this knowledge at hand. He

proposed making a dam of rough-hewn logs and advised that this could be done at cost of \$250.

Alderman Perry felt that this was a displayed by the Liquor Control Board or by waste of money. "There's not enough water there to give a bird a drink, at times," he stated and was not in favor

of throwing money away on small un- Yuille's recommendation should be act-

Strange Madagascar Tribesmen Soak Clothing in Grease and Use Wooden Pillows

NEVER WASH

CHICAGO, July 12. Strange Madagascar tribesmen, some of whom never bathe or wash their clothing; who sleep on carved wooden pillows and who live largely on a diet of sour milk have been found by Dr. Ralph Linton, leader of the Captain Marshall Field expedition to Madagascar for the Field Museum. These Antandroy and Mahafaly tribesmen, Dr. Linton found during a sejourn among them, follow a curices custom of soaking their clothing in grease. He discussed their strange characteristics in a report made public by the Museum. Dr. Linton who has been living on the island since January, 1926, in the confidence of the tribal chiefs, has obtained collection of wooden pillows and has

ASTOR WRECKED MOVIE MACHINE IN LITTLE MICHIGAN TOWN

FRANKLIN, Mich., July 12 .--- Incensed by the sight of Douglas McLean losing his trousers in the comedy, "Let It Rain," Rev. Leo Hooper, pastor of the Methodist Episcopal Church, wrecked two projecting machines in the community

For several weeks the pastor had conducted a vigorous campaign against bringing moving pictures into this little town.

The women's auxiliary of the church arranged several weeks ago, however, for a moving picture company to bring films here every Friday night.

Hooper spoke against the action both from the pulpit and in front of the community hall. The deacons of the church did not support him by a majority vote, it is said.

Friday night, according to Frank Schram, Oakland county deputy, the
