At the recent annual meeting of the Junior Football League a very satisfactory statement was presented. The winner of the league last season was Borden School with Booth runners-up. A cash balance was reported after all expenses including medals for the winning team and the banquet to all teams, had been paid.

The officers for the ensuing year are

Chairman, J. S. Wilson, Secretary-Treasurer, Miss Mills.

Delegate to Football Association, W. W. C. O'Neill. The school representatives at the

league are : Hight School, T. H. Peddie, M.A. Borden, W. W. C. O'Neill.

Booth, D. H. Hartness, and the captains of teams. High School, E. Smith: Borden School, Albert Styles; Booth School, Tom Kelsey. Jack Campbell is coach for Borden Street and referee. Subject to the ground being in fit condition for the boys to play, the season will commence on Saturday, May 7, when the Borden and Booth teams will renew hostilities. High and Borden meet the following Saturday and Booth and High the next.

All teams will turn out new players and already keen interest is being shown by the boys and their supporters. It is to be hoped that the older players and supporters of the game and of sport in general will give the league their practical support and 'turn out to encourage the boys.
