MURDERED IN HOTEL AT VANCOUVER

HALIBUT BOAT IS LOST IN NORTH; ONE MAN DROWNED

Kiltuish Total Wreck off Cape Fairweather Where Struck in Snow

ELEVEN MEMBERS OF CREW REACH YAKUTAT WITH DIFFICULTY AND ARE ON WAY SOUTH — BOAT AND DEAD MAN KNOWN HERE

JUNEAU, April 5.—One fisherman, Patrick Callahan, was drowned and eleven other members of the crew had a narrow escape from death when the Canadian halibut vessel Kiltuish, Capt. Fred Brown, ran on the rocks in a snowstorm near Cape Fairweather, 150 miles northwest of here, on March 28 and broke up, a total loss, the United States Collector of Customs was advised in a radio message last night from E. M. Axelson, commissioner at Yakutat. The men reached Yakutat safely after some hardship and will go on to Seattle on the steamer Admiral Evans.

Witness Tells MacKenzie Commission Pay is Too Low to Permit of Efficient Service

VANCOUVER, April 5.—That he had sold 2,400 pounds of salmon caught in the forbidden waters of Wycliffe Lagoon to the Whizz Company of Seattle last August was the admission of John Modell, fisherman of Nanaimo, before the MacKenzie commission yesterday. Modell at first denied the accusation but, when confronted with the sworn testimony of Morris Williams, another fisherman, whom he admitted he had employed to assist him at the time of the alleged offence, Modell retracted his earlier testimony.

FOREIGN QUARTER TO BE PROTECTED FROM CHINESE ATTACK — DEFENCES ARE BEING STRENGTHENED

CANTON, April 5.—Two hundred British soldiers arrived on Monday at Shamen, the foreign quarter here, to protect the island against Chinese attack. Defences and precautionary measures were strengthened. Many foreigners are ignoring the consul's notice to vacate the native city and out-stations.

RAINS TURN TO BLIZZARD

THERMOMETER TOOK SUDDEN DROP OF THIRTY DEGREES IN MANITOBA AND SASKATCHEWAN LAST NIGHT

WINNIPEG, April 5.—Steady rains which have been causing flood conditions in many sections of Manitoba and Eastern Saskatchewan turned into a driving blizzard last night while the temperature dropped thirty degrees in a few hours, thus checking the high waters.

Nobody Hurt in Accident Between Barkerville and Quesnel—Vehicle Loaded With Mail and Express

QUESNEL, April 5.—Marooned by snowslides at Devil's Canyon between here and Barkerville, several passengers on the sleigh stage narrowly escaped death when a miniature avalanche struck the vehicle while they were attempting to move over one of the slides.

Frank McCarthy watchman on this section of the highway who was shovelling in front of the sled was thrown several feet and sustained injuries necessitating his being carried to Barkerville on an improvised stretcher.

Capt. T. T. McCabe was the only one of the passengers who was not thrown clear from the sleigh, which was heavily laden with mail and express. He was carried twenty feet down an embankment.

The plunging horses, which were in harness, were drawn down, with the sleigh but were unhurt.

MURDER IN VANCOUVER

EDMONTON MAN BEATEN TO DEATH IN DOWN-TOWN HOTEL — TWO MEN CHARGED

VANCOUVER, April 5.—Marshall Douglas, advertising solicitor of Edmonton, was battered to death in the room of a downtown hotel between 11:30 last night, when he entered the place with two companions, and 1:30 this morning when they left.

Robert Moore, aged 39, and Angus Nicholson, 34, were arrested early this morning at the former's apartment and were charged with murder. They appeared in court a few hours later and were remanded until next week pending the finding of a coroner's jury.

The body of Douglas, who arrived here from Edmonton on March 17, was found hanging over a bed with numerous wounds on head and body and an empty liquor bottle on the blood-stained floor.

Earlier in the evening, police answered a call to Davie and Thurlow Street where the men were reported to have been fighting. Douglas, Moore and Nicholson were taken to police headquarters where it was explained that Douglas had fallen and bruised his face. The men were released, apparently on friendly terms.

When they were arrested after the murder, the clothing of Moore and Nicholson is alleged to have been bloodstained.

VANCOUVER TO VISIT RUPERT

BOARD OF TRADE DELEGATION SOME SEVENTY-FIVE STRONG COMING HERE IN JUNE

A delegation from the Vancouver Board of Trade, some seventy-five strong, will make a trip to Prince Rupert and Stewart this summer, the party being due here to spend one day on June 21, according to word received by the local board. The party will make the tour on the C.P.R. steamer Princess Mary which has been engaged for the purpose.

The Prince Rupert Board of Trade is already making plans for the reception of the visitors which will probably include some prominent Vancouver business and professional men.

One reason why "heart failure" is on the increase is because it accompanies so many causes of death.

First of One Hundred Cars Will be in Tomorrow Night—Now Looking for Arrival of Next Steamer

After a cessation of the movement here for some two or three weeks more wheat is expected to arrive at the Wheat Pool's Prince Rupert elevator tomorrow night. Some 100 cars are now reported to be on the way here.

Nothing further on the next boat to load grain here, the British steamer Otter Pool, has been heard other than that she is due between April 7 and 10.

B.C. JUDGE TO BE FEATURED SPEAKER

Mr. Justice Murphy to Speak at Tacoma Rotary Convention

VICTORIA, April 5.—Mr. Justice Murphy, of the Supreme Court of British Columbia, will be the featured speaker at the Tacoma Rotary convention to be held next month. Extensive preparations are being made by the Tacoma Rotarians for the entertainment of delegates to the convention. Strong delegations of Rotarians and their ladies will represent Victoria and Vancouver at the convention.

WAGES FOR WOMEN AND GIRLS TO BE PROBED BY BOARD

Royal Commission Probing Political Campaign Funds Finishes Session in South

VANCOUVER, April 5.—Having heard all the evidence available, the royal commission consisting of Mr. Justice Aulay Morrison, W. H. Malkin and Rev. J. S. Henderson, which has been investigating provincial political campaign funds, closed on Monday afternoon.

"We have regarded the character of the evidence that any other witnesses might give and we cannot see how it could materially affect that which we have already heard," said the chairman of the commission, Mr. Justice Morrison. "We can see no necessity of prolonging the sittings as we cannot conceive of anything else that might be offered. We will close and report without delay to the government."

I.C. INDIANS DO NOT WANT TO BE ENFRANCHISED

OTTAWA, April 5.—Chief Johnny Chillechitsa of Nicola Valley and Chief Basil David of Cariboo told a joint committee of the House of Commons and Senate yesterday that the difficulty confronting the Indians of British Columbia today was that "they do not want to be enfranchised."

COVENTRY WILL QUIT HIS SEAT

IF TOIMIE WANTS TO SEEK ELECTION IN SAANICH, PRESENT MEMBER SAYS HE WILL WITHDRAW

VICTORIA, April 5.—At an organization meeting held by the Conservatives of Ward Seven, Saanich riding, Hon. T. G. Coventry said, that when he offered to retire from the seat in Saanich in order to allow Hon. S. P. Toimie, I.P., to contest the riding if that were deemed it advisable, he had acted in the best of faith. He said that he was still ready as far as he himself was concerned to retire for the leader of the party.

If Dr. Toimie were to be the choice of the party in the Saanich riding, Mr. Coventry said that he felt that he would appreciate the work that was being done to organize the riding while he was absent in the carrying out of his duties in another sphere. He urged upon the meeting the need of putting forth every effort that when the election came round the leader, Hon. Dr. Toimie, would have every reason to feel proud of the Conservatives of the district, which he claimed as his home.

STANLEY CUP FINALS SOON

OTTAWA AND BOSTON WILL BE COMPETING TEAMS FOR WORLD'S HOCKEY CHAMPIONSHIP

OTTAWA, April 5.—Ottawa won the championship of the Canadian group of the National Hockey League when it held the Montreal Canadiens to a one all tie last night, having defeated them on Saturday, thus winning the round five to one.

Boston won the championship of the American section, defeating the New York Rangers on the round three to one.
Boston and Ottawa will meet in the first game of the Stanley Cup finals next Thursday.

KILLING AND LOOTING ON CHINESE COAST

PEKING, April 5.—Killing and looting throughout the salt area of Shantung province and along the coast south of Tsingtao by the Ta Tao Hui or "Destruction Society" is reported today. Many buildings being burned and numerous salt revenue and police collectors and others being killed.

IMPROVEMENTS YUKON RIVER

CONDITIONS FOR NAVIGATION WILL BE BETTERED ANNOUNCES FEDERAL DEPARTMENT OF PUBLIC WORKS

VICTORIA, April 5.—Improvements for navigation on the Stewart and Yukon Rivers will be undertaken this spring, it was stated at the offices of the federal department of public works here yesterday. Reasons for the decision to do the work are given as the growth of traffic on the Yukon River on account of mining development at Mayo, Richmond and the Gravel Creek district as well as a large increase in summer tourist traffic.

The first work, it is expected, will be the removal of a large rock in Rink Rapids on which the steamer Dawson came to grief last fall.

POSITION OF INDIANS GOOD

COMMISSIONER DITCHBURN TELLS OTTAWA COMMITTEE THAT CONDITIONS FOR FISHING MUCH IMPROVED

OTTAWA, April 5.—The Indians of British Columbia are in a better position today as regards fishing than for a number of years, W. R. Ditchburn, Indian commissioner, told the joint committee of the House of Commons and Senate which is investigating the complaints of the western province's tribes today.

The improvement in the situation, Mr. Ditchburn said, is due largely to the elimination of large numbers of Japanese from the industry.

A lot of boys can not remember ever having worn that kind of a bob, but they have no trouble recalling the times they got the shingle.

GEORGE CLOTHIER TRANSFERRED SOUTH.

In the departure of G. A. Clothier, resident mining engineer for the northwestern mineral survey district, whose transfer from Prince Rupert to Nanaimo has been announced, this district will lose an efficient and popular official of many years standing. Interested in mining at Stewart before he assumed his official position, Mr. Clothier has come to be looked upon as something more than a mere official to prospectors and operators alike. He has ever been generous with his advice for all those interested in the industry and there are few who have accepted his ideas that have been led astray. His departure will be a matter for general regret and it is to be hoped that a successor of something like his stamp will be obtainable. What will be this district's loss will be a gain for the large and important area, embracing Vancouver Island and the Lower Mainland, over which he is about to assume charge.

MISS SUSIE HADDOCK SPEAKS OF CHINA.

Miss Susie Haddock, whose interview was published in the Daily News yesterday, sees nothing but hope in present conditions in China. Her attitude, in the face of less hopeful reports that have been received, was both refreshing and encouraging. That her prediction that China will shortly evolve peaceful and rightly organized in the near future may materialize is the hope of the world.

HE WHO LAUGHS LAST LAUGHS BEST.

Though seldom admitted by the daily press of Vancouver (possibly because the minister hails from Prince Rupert) Hon. Thomas Duff Pattullo, minister of lands for British Columbia, possesses one of the best minds in this province's government or in any other government, says the North Vancouver Review.

There have lately come to the fore two examples of his keen insight into public affairs. Sunday the report of the engineers of the transcontinental railways was published. It recommended simply an Alberta outlet from the Peace River country and virtually ignored the Pacific Great Eastern.

Mr. Pattullo was quick to spike it and brand it "biased." It was almost bound to be so, coming from the source it did. But it takes a courageous cabinet minister of any provincial government to say so.

Then there is Valhalla. As usual, he who laughs last, laughs best.

Mr. Pattullo, as is well known, sold the Valhalla block of University endowment lands for three hundred thousand dollars. Point Grey, in horror, objected to the use the land was to be put to; its representatives promised to put a by-law to the people for the purchase of the land for a golf course, and the government called the arranged sale off.

Point Grey failed to purchase the land. Mr. Pattullo then called for tenders for the sale of this same land. Months have passed and not one tender has been received.

Now the province as a whole is out three hundred thousand dollars. Again, as in the instance of the formation of the water board and the Capilano timber lands deal, Mr. Pattullo has known what was good for the public, better than has the public itself.

COUNCIL TALKS OF GYMNASIUM

HEARS DELEGATION AND DECIDES TO GO FURTHER INTO MATTER

After the regular business on the agenda had been disposed of at the meeting of the city council last night, Ald. G. P. Tinker asked that a delegation from the gymnasium and swimming tank committee be given an opportunity of addressing the council. The request having been granted, Dr. F. P. Kenny spoke briefly on behalf of himself and Earl Barrie who had been asked to meet the council.

Dr. Kenny said that the gymnasium committee had held several meetings and had decided that it could not do much until some decision had been made in regard to a site. He understood that the city engineer had been asked to make a report on various sites and asked if the council had reached any decision in the matter.

City engineer H. A. McLean informed the council that he had evidently misunderstood the request of the council. He understood that he was to go over proposed plans and suggest a site best suited for the purpose. The plans which he had just recently received were not sufficiently far advanced to enable him to decide. In speaking of suggested sites, he informed the council that he understood the site at the corner of Sixth Avenue and McBride could not be used for the building according to the terms of the agreement by which the property came into possession of the city.

Alderman Stephens favored the site at that corner as being in the geographical centre of the city and thought that the city solicitor might find out if it were not possible to use the land for that purpose.

SITES DISCUSSED

Ald. Jos. Greer asked as to a site back of the Fire Hall. It was near to the centre of population and might later be included in a general scheme of heating by which the various buildings of the city would be heated by one plant.

The city engineer said that he had been told that this area was spoken of as a suitable location for the building of a library, to which Ald. Stephens replied that it was the first he had heard of the matter.

Ald. W. M. Brown and Ald. W. J. Greer favored the site at the corner of Sixth Avenue and McBride.

Ald. Tinker asked if, in the event of it being possible to use either site, would the city be disposed to make a grant of either one of them for the erection of the building?

The mayor favored the project which had been talked about for some considerable time. He was of the opinion that something should be done to assist the undertaking.

Various members of the council took part in the discussion. Ald. Perry favoring the site by the Fire Hall, Ald. Linzey approving of the site at the corner of Sixth and McBride and Ald. Larsen suggesting that consideration should be given to Acropolis Hill.

Finally on motion of Ald. Jos. Greer, seconded by Ald. Linzey, the council asked the city engineer to report on the various sites, and the city solicitor to report on whether it was possible to use the site at Sixth and McBride without violating the terms of the agreement whereby the city was granted a ninety-nine year lease on the property.

CITY COUNCIL TO ENTERTAIN SCHOOL CHILDREN ON TOUR

The city will entertain a party of seven winners in a Vancouver daily paper contest at dinner on April 21, a motion to this effect of Ald. W. M. Brown and Ald. Jos. Greer being passed unanimously at the meeting of the city council last night.

In a letter from the Parent-Teachers' Association, which had been forwarded to the Board of Trade and passed on by that organization to the city council, it was suggested that a dinner be arranged for the party after they had been shown about the city by the Parent-Teachers. In the letter of the Board of Trade to the city council it was intimated that the board had no funds available for entertainment of this kind and suggested that the city council might consider the request of the Parent Teachers' Association.

The party of seven will be composed of scholars from various schools in the lower mainland who have been successful in a contest conducted by a daily newspaper. The children will arrive in the city on the train from the east on April 21 and, after being shown about the city and entertained at dinner, will leave for Vancouver on the same evening.

STATES WATCH CHURCH UNION

EXPERIMENT IN CANADA BEING FOLLOWED WITH INTEREST MINNEAPOLIS CLERIC

WINNIPEG, April 5.—Churches in the United States are watching with a great deal of interest, the experiment in church union which has been made in Canada, according to Dr. Lictus Bugbee, of Minneapolis, who preached at Fort Rouge United Church here recently.

Dr. Bugbee stated that it was his privilege to have been present at the historic gathering in Toronto at which the union between the Presbyterian, Methodist and Congregational churches was consummated. He went on to say, that if the Canadian Church Union turned out successfully, then the American churches would be shamed into following suit.

Accepting a recommendation of the finance committee, the city council last night decided to buy in \$1,000, 6 per cent city bonds from the Royal Financial Corporation. The bonds are due in 1929.

The report of the City Hall janitor, which was read at the meeting of the city council last night, showed that 2333 gallons of fuel oil had been used during the month of March at an average daily cost of \$4.16.

Mr. and Mrs. A. S. Paul and family are leaving on the Catala this afternoon for Victoria where they expect to locate. Mr. Paul was manager of the Pacific Stevedoring Co. here for several years until the concern was recently wound up. Their departure will be regretted by many friends here.

The provincial voters' list, as far as the court of revision which is to be held on May 16 is concerned, closed at 5 o'clock last night. Tabulation of the list may not be completed for a few days on account of the government agent's staff being very busy at this time but it is estimated that over 600 new voters have been registered.

SAULT STE. MARIE VISITOR HONORED
Mr. and Mrs. Charles Sunberg had Party Last Night in Honor of Mrs. T. A. Butler.
Mr. and Mrs. Charles Sunberg, 1856 Eighth Avenue East, entertained at a delightful card party and dance last night in honor of Mrs. T. A. Butler, Mrs. Sunberg's sister, who returns by tomorrow morning's train to her home in Sault Ste. Marie after having visited in the city since Christmas. There were about thirty guests present.
Winners at cards were: Ladies' first, Mrs. Fred Wesch; ladies' consolation, Mrs. W. R. Overend; men's first, Billy Wrathall; men's consolation, Fred Wesch.
Games and dancing were then enjoyed until 2 o'clock this morning, delicious refreshments being served about midnight.
The complete statistics compiled annually for many years by the Water Power and Reclamation Service of the Department of the Interior show that over a million horsepower of hydro-electric energy has been developed in Canada during the past two years. This was distributed amongst the provinces thus: Ontario, 332,000; Quebec, 600,000; British Columbia, 60,000; Nova Scotia, 12,000.

FIRST SOCCER TEAM FORMED

REGIMENT AT MEETING LAST NIGHT DECIDED TO PUT AGGREGATION ON SENIOR LEAGUE FIELD

The first football team in the field for the forthcoming season's activities is from the First Battalion, North B.C. Regiment. Decision to form a team was reached at a meeting of the regiment last night presided over by Capt. J. S. Wilson in the absence of Col. J. W. Nicholls officer commanding. The meeting was well attended and considerable enthusiasm was displayed. An organizing committee consisting of Capt. Wilson, Quartermaster Sergeant M. M. Lamb and Company Sergeant Major A. Murray was appointed and another meeting will be held in the near future to complete details for the aggregation which will be entered in the Senior League.

Sixteen players in the Senior League last year are available to the regiment.

ANNUAL SPRING SALE BY LADIES OF UNITED CHURCH IS ON TODAY

The annual spring sale of the Ladies Aid of First United Church is being held this afternoon in the church parlors, having been opened at 3 o'clock by Rev. G. G. Hacker. In the hall, which is adorned with seasonal decorations, are many tempting articles of ornament and use in addition to the ever popular tea tables. A further attraction is the presence of the ladies' orchestra under the direction of Mrs. G. A. Bryant.

The following ladies are in charge: Tea room—Mrs. W. B. Cornish, Mrs. Frank Vickers, Mrs. Olga Hanson and Mrs. W. T. Kergin. Fancy work—Mrs. D. Santebane, Mrs. T. J. Shenton and Mrs. W. W. C. BOOMING SMITH FOR PRESIDENT

MANAGERS SEEK OPEN MINDEDNESS AT 1928 DEMOCRATIC CONVENTION—McADOO, REED AND DONAHAY ALSO IN RUNNING

WASHINGTON, D.C., April 5.—Reports of much activity in behalf of Governor Al Smith of New York intended to aid the movement to nominate him for president on the Democratic ticket, are reaching Washington from various directions.

These reports, which are well-authenticated, leave no doubt that a real campaign is being carried on for Smith in many states. Some talk has been heard that the Smith managers were not awake and were letting things drift on the theory that it was too early to begin seeking delegates. But the fact appears to be they are making what is generally called a "gumshoe" campaign in both South and West and that they are already getting some results.

While in states which are certain to land in the Smith column there will be open fighting in his behalf and delegates will be openly sought for him, another sort of a movement is being made in states where there is strong opposition. There, the strategy will be to secure as much second choice support as possible. On the success of this effort to get second choice delegates, the nomination of Smith apparently depends.

What has occurred recently in North Carolina is illuminating. There, the program which is being carried out is repeal of the presidential preference primary law. That program, which is assured of success, will be followed by the securing of delegates to the Democratic National Convention through the convention method and the friends of Smith are expected to see to it that the delegates will be not unfriendly to Smith and will be disposed to support him after the preliminary balloting at the National Convention provided he shows the strength his lieutenants anticipate.

PLAN OF LEADERS

In brief, the plan of the Smith leaders is to have men put on delegations in the South and West who will be open-minded at least and not hopelessly antagonistic to the New York governor.

What wrecked the hopes of Smith in the 1924 convention at New York was the fact that the delegations from a large number of states were made up either wholly or largely of men or women who were prepared to fight the nomination of Smith to the last ditch. Their minds were closed. They were impervious to appeals. Wisely, therefore, the Smith managers are seeking delegates who, if not openly friendly to Smith, are willing to support any man of whom it can be demonstrated that he is a probable winner at the polls. The Smith leaders think they can make a good argument on the proposition that if nominated he can carry New York, a large share of the East, the South and some scattered states.

It is true, more or less is said to the effect that because of the religious issue and the wet and dry issue, Smith cannot carry the South; that is, that he will lose a number of southern states. But experienced politicians here take such talk with a grain of salt. They

SPORT CHAT

With the Maple Leafs-Anyox basketball series delayed for another two weeks, both teams will have to continue practice until the championship is decided. It is not easy to maintain interest when the regular league schedules are completed in both towns, but it is hoped that plenty of time will now be given for the local association to complete arrangements as the expenses of the contest have to be guaranteed by them. Anyox seemed to be a little slow in notifying the local team that they intended to challenge for the Milburn cup and, up to the time of the return of the Maple Leafs from Smithers, it was not known definitely that Anyox planned to come down. However, now that it is decided to have the series, there should be an early agreement on the dates for the games which should draw large crowds although a little late in the season.

The brilliant careers of Suzanne Lenglen and Helen Wills have stimulated the appetite of Riviera tennis crowds for women players of their calibre and every ambitious manager of tennis tournaments there feels the need of personalities. Betty Nuthall, 16-year-old, English girls' champion, is the hope of the Riviera tennis promoters at present. Her quick rise from the child wonderhood class to the position of serious opponent of crack-players at the Cannes tournaments bears out what enthusiastic critics have said of her from the first. When she recently defeated Mrs. Anthony Corbiere, of Boston, 6-0, 6-4, the managers sat up and were hopeful. Mrs. Corbiere's remarkable steady and brainy play made her a dangerous opponent for the best players at Cannes. Betty's smashing drive although not backed up as yet by uniformly steady game, will bring her in among the first eight at Wimbledon this year, critics say, since seeing her Riviera play. Many of them consider her development more remarkable than was Joan Fry's at the relative stage of her career.

Dates for the Spring racing meets of the Prairies Thoroughbred Breeders and Racing Association have been announced, the season to open as usual at Calgary, where two meets will be held, at Victoria Park from May 21 to May 28, and at Chinook Park from June 1 to June 8. Winnipeg racing opens at Polo Park on Saturday, June 18, continuing for seven days. The opening day will see the running of the big western Canada Handicap with a purse of \$2,500 added, the race to be over the mile route and only open to Western Canadian bred. Other feature events are the Grand Exchange Handicap, the Royal Alexandra Handicap, the President's Handicap, the Free Press Handicap, the Wheat Pool Handicap, and the Speed Handicap on the closing day, June 25. At the Whittier Park meet, opening June 27, and the other major events of the spring season, the Speer's Handicap for three year olds and up with \$2,500 added money, will be run that day over a mile and a sixteenth. Other feature events here are the Fort Garry Handicap, the President's Handicap, the Tribune Handicap, the Dominion Day Handicap, the St. Boniface Handicap, and the Stockyards Handicap on the closing day July 4. The purses will be \$700 except in the

Happy Event on Saturday Evening at Westview Home in Honor of Popular Hostess

Mrs. John Munro, 1463 Second Ave., Westview, was the surprised hostess of a group of well-wishing friends on Saturday night which gathered to honor her birthday. Whilst singing, recitations and dancing were the order of the evening and a happy occurrence was the presentation to Mrs. Munro by Mrs. S. V. Cox, on behalf of the company assembled, of a beautiful silver cake plate. Prize winners at cards were Miss Jean Martin, Miss Lizzie Jones, George Boulter and Jack Munro. There were solos by Mrs. J. R. Murray and J. Boulter and recitations by Mrs. Leek and Miss Jones.

The company included Mr. and Mrs. Vic Houston, Mr. and Mrs. J. Boulter, George Boulter, Miss Irene Boulter, W. F. Cameron, Mr. McRae, Mrs. Leek, Mrs. Cox, Miss Jones, Miss Martin, Duncan Munro, Mrs. J. R. Murray and Mr. Patterson.

PREVENTATIVE FOR MEASLES

INFUSION OF PARENTAL BLOOD EFFECTIVE SAYS GERMAN DOCTOR

WASHINGTON, D.C., April 3.—Infusion of a few drops of parental blood into a child will prove an effective preventative against measles, believes Dr. Rudolph Degkwitz, director of the clinic for children's diseases at the University of Griefswald, Germany.

Prof. Degkwitz, who has been working on a measles serum at the hygienic laboratory of the United States Public Health Service, and ranks as one of Germany's foremost authorities on measles, asserts:

"It is a well known fact that the blood of a former victim is proof against subsequent infection and, as it is commonly assumed that every adult person once was afflicted with measles, his blood carries the natural germ which ensures immunity against a second attack. Its transfusion into the child has proven, in Europe, an effective protection against an initial case of measles."

Until this simple expedient becomes thoroughly appreciated and adopted, however, he thinks, it will be necessary to provide a serum for commercial distribution, so his work at the hygienic laboratory has been directed toward the preparation of a culture from the blood of inoculated animals. He expects the serum thus produced to check measles even if the patient has already reached the febrile stage.

FRANCE FIRST ESKIMO HOME

INTERESTING DISCOVERY RECENTLY MADE BY DIRECTOR OF CANADIAN SCHOOL

TORONTO, April 3.—Canadian geologists have discovered that the Eskimo, now confined to the Arctic Circle, originated in Southern France.

The director of the Canadian School of Pre-History, Dr. Henry M. Ami, F.R.G.S., F.R.S.C., and a number of enthusiasts, recently found a number of skulls, bones, and weapons in the south of France, which they say leave no doubt as to the origin of the Eskimo.

Why the Eskimo is now living in such a frigid atmosphere, is a matter of history.

tory concerning the manner in which mankind followed the receding ice thousands of years ago.

It is supposed by students of Pre-History, that when prehistoric man followed the receding ice as the earth warmed up, the ancestors of the Eskimos followed the ice clear across Europe and Asia, and gradually over the Behring Straits to the North America. They are supposed then to have come south again over what is now northern Canada, and then moved northward again gradually as the earth warmed up.

BRADY TALKS PENSION ACT

WAS HEARD IN HOUSE OF COMMONS ON BEHALF OF RETURNED SOLDIERS WITH NO PENSIONS

"I would like to draw the attention of the minister to a case that is more or less individual, but there are many such in Canada today," said J. C. Brady, speaking in the House of Commons recently on a Pension Act amendment. "I refer to those returned soldiers who are debared by the statute of limitations from obtaining a pension. After they came back from the war they did not apply for a pension for a period of years, and when they did apply it was too late. I realize that if the law were left wide open, many would apply who might not deserve a pension; nevertheless these men to whom I refer were big enough and patriotic enough to join the colors when the country needed them, and because they did not apply for a pension within a certain period after their return, today some of them although incapable of working, are outside relief."

"I know of a case or two where a returned soldier is dependent on the charity of the provincial government and is an inmate of a convalescent home. Those men are there, dependent on charity, simply because they did not ask for a pension within the time required. They are there as the result of their war service, but they are absolutely outside the pale of any consideration under the present law."

"I appeal to the minister to give this matter his most serious consideration, and see if relief cannot be provided this session for these cases that are debared otherwise from relief."

TWO CASES SET FOR HEARING IN COURT THIS MONTH

In County Court yesterday His Honor Judge Young set down two cases for hearing during April. Harnen vs. Victoria Mines Ltd., a claim for wages is to be heard April 29. W. O. Fulton is appearing for the plaintiff and S. W. Taylor for the defendant.

Henry W. Gallan et al vs. Pendleton Gold Mining Co., Ltd. of Telegraph Creek was set for May 19, subject to further adjournment. W. E. Fisher is appearing for the plaintiffs and W. O. Fulton for the defendant.

WALES SEEKING KNOW PEOPLE

HEIR FORSAKES MAYFAIR PARLORS FOR LIMEHOUSE "PUBS"

LONDON, April 5. — The Prince of Wales has lately quite forsaken the drawing rooms of Mayfair and Belgravia to seek a wider knowledge of the "other half" of his future subjects among the Limehouse "pubs" fish shops and coffee stalls.

Already more East Enders than West Enders can boast that they have met the Prince face to face. For in the West End, His Royal Highness is cut off from his future subjects by an almost insurmountable wall of royal reserve but in the East End he can, and does, speak to and shake hands with Tom, Dick and Harry.

Mothers of families have been considerably flustered when the Prince, with a local clergyman acting as master of ceremonies suddenly dropped in upon them, with the "wash" hanging out to dry and little Joey running about in his shirt tail. But the Prince soon puts everybody at ease.

One evening a humble family, all

TARIFF BOARD IS VERY BUSY

TWELVE NEW APPLICANTS RECEIVE ATTENTION AT OPENING SESSIONS IN APRIL—REQUEST LOWER DUTIES

OTTAWA, April 4.—(By Canadian Press)—The range of the investigations of the Tariff Advisory Board is being increased almost daily as Canadian consumers and manufacturers place applications for tariff revision before the officials.

The effect of importations from many countries of the world, but particularly Great Britain and the United States, upon the manufacturing industry of Canada are being probed by the board at frequent public sittings.

Twelve new applications will receive the attention of the board at five sessions in April, ranging from a request for a revision of the linen schedule to a request for a higher duty on clothes plus to exclude imports from the United States. A new request asks that the duty on tractors used for agricultural and road building purposes be reduced or wiped out. Importations of these tractors are largely from the United States and, according to the application, reach a great volume. Another request touching American importations will be heard in April when the Board takes up consideration of a request for removal of the duty on small electric power plants of the type used on farms and in isolated communities. Canadian manufacturers of caskets are asking that the metal hardware used be protected by a duty of thirty per cent. The applicants in their brief claim that their industry is injured by United States importations under the present duty of 25 per cent ad valorem. The silica manufacturers of Quebec are requesting that importations of this rock from the United States be prevented by a tariff. They state that importations of this commodity from the United States amount to several hundred tons daily and that while there is an export duty of \$4 a ton imports are free. The specific request is for a duty high enough to exclude imports from south of the border.

1000 Eggs in Every Hen

New System of Poultry Keeping—Get High-Priced Winter Eggs—Famous Poultryman

TELLS HOW

"The great trouble with the poultry business has always been that the laying life of a hen was too short," says Henry Trafford, International Poultry Expert and Breeder, for nearly eighteen years Editor of Poultry Success.

The average pullet lays 150 eggs. If kept the second year, she may lay 100 more. Then she goes to market. Yet, it has been scientifically established that every pullet is born or hatched with over one thousand minute egg germs in her

system—and will lay them on a highly profitable basis over a period of four to six years' time if given proper care.

How to work to get 1,000 eggs from every hen; how to get pullets laying early; how to make the old hens lay like pullets; how to keep up heavy egg production all through cold winter months when eggs are highest; triple egg production; make snacker hens hustle; \$5.00 profit from every hen in six winter months. These and many other money making poultry secrets are contained in Mr. Trafford's "1,000 EGG HEN" system of poultry raising, one copy of which will be sent absolutely free to any reader of this paper who keeps six hens or more. There is big profit for the poultry keeper who gets the eggs. Mr. Trafford tells how, if you keep chickens and want them to make money for you, cut out this ad and send it with your name and address to Henry Trafford, Suite 292A, Herald Bldg., Binghamton, N.Y., and a free copy of "THE 1,000 EGG HEN" will be sent by return mail.

Dated December 17, 1926.

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emption must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 30 acres, may be leased as homesite, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES.

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to 10 head.

IMPORTANT NOTICE

All Trades, Businesses and Professions must be registered before April 30th.

Notice is hereby given that, pursuant to sub-section (3) of Section 52B of the Taxation Act, every person who engages in, carries on, or practices any Trade, Business or Profession within the Province is required to obtain from the Commissioner of Income Tax a Certificate of Registration before April 30th, 1927. Application should be made to any Provincial Assessor, from whom full information may be obtained. Certificates will be issued without the payment of any fee therefor.

Default in complying with the provisions of this section renders the person liable, upon summary conviction, to a fine of \$10.00 for each day during which his default continues.

Application forms may be obtained from any Provincial Assessor, Government Agent, Provincial Police Officer, or from the Commissioner of Income Tax, Victoria, B.C.
