DRAMATIC RIDE IN AUTOMOBILE RACE

CUSTOMS REGULATIONS ARE TO BE STRICTLY ENFORCED

Dramatic Incident as Souders Wins Big Race

ONE OF DRIVERS KEPT GOING WHILE ENVELOPED IN FLAMES AND HANDS TOO BLISTERED TO STEER

INDIANAPOLIS, May 31.—A record breaking crowd of 145,000 spectators yesterday watched George Souders win the 500 mile automobile race, thus annexing the prize of \$25,000 which had been offered for the big race.

When Souders, who is a young man 24 years of age, came in, his nearest competitor was seven and a half miles behind. He made the two hundred trips around the bumpy two and a half miles of track in five hours, 7 minutes and 33 seconds, making an average speed for the whole time of 97.54 miles an hour.

STORMS KILL AND INJURE MANY PEOPLE

RIVERS OVERFLOW BANKS AND HOUSES ARE BLOWN DOWN IN THREE DIFFERENT STATES

BRISTOL, Virginia, May 31.—Twelve people are known to be dead and more than a score missing while many are injured as a result of storms which swept sections of Virginia, Kentucky and Tennessee yesterday. Earth slides blocked the highways and railroads and telegraphic communication was crippled.

The property damage as a result of the storms is estimated at approximately a million dollars. Houses were washed away and buildings undermined by the streams, swollen beyond their banks by the heavy rains. Winds in widely scattered districts are reported to have blown down sixty residences.

KING MEETS LINDBERGH

DECORATES AMERICAN TRANSATLANTIC AVIATOR WITH AIR FORCE CROSS

TELLS OF HIS FLIGHT

YOUNG FLYER ALSO MEETS PRINCE OF WALES AND PREMIER BALDWIN TODAY

LONDON, May 31.—Captain Charles Lindbergh, the New York to Paris airman, was received by the King at Buckingham Palace and before many minutes the King decorated him with the Royal Air Force cross.

For a considerable time Lindbergh entertained His Majesty by relating to him the incidents of the historic flight.

Lindbergh also went to York House and engaged in a fifteen minute conversation with the Prince of Wales.

Prior to calling on the King, Lindbergh also had a chat with Premier Baldwin in Downing Street.

PRINCE SAILS ON JULY 23

PLANS ARE FOR HIM TO BE ACCOMPANIED BY PREMIER BALDWIN FAR AS ROCKIES

OTTAWA, May 31.—The present tentative plan is for the Prince of Wales and Premier Baldwin to sail from England on July 23 and arrive at Quebec July 29. They will spend August 2, 3 and 4 in Ottawa and will go as far west as the Rocky Mountains.

FREIGHT RATE WILL BE DECIDED BEFORE NATIONAL HOLIDAY

VICTORIA, May 31.—Information from Ottawa indicates that the Board of Railway Commissioners will hand down its decision following the recent arguments on freight rates to all provinces some time before July 1.

APPEAL MADE TO WORKERS

WOULD HAVE THEM ASSIST SOVIET RUSSIA TO SABOTAGE OTHER NATIONS

MOSCOW, May 31.—The decision to make a more intensive campaign in support of the Chinese revolution and an appeal to the workers of the world to assist Soviet Russia to sabotage other nations, in the coming "inevitable" war, was reached by the executive of the Third International.

FISH LANDINGS SHOW BIG GAIN

HALIBUT LANDINGS THIS MAY TOTALLED 3,316,699 POUNDS AS COMPARED WITH 2,691,100 POUNDS LAST YEAR

Halibut landings this month of May at Prince Rupert showed a distinct gain over last year's figures for the same month. During the thirty-one days closing today a total of 3,316,699 pounds has been marketed at this port, according to figures compiled on the waterfront, as compared with a total of 2,691,100 pounds in May, 1925. Ninety-six American vessels landed 2,311,000 pounds here during the past month and 143 Canadians, 1,000,600 pounds. Last year's May figures were: 74 American boats, 1,837,000 pounds; 114 Canadian, 854,100 pounds.

WHEAT TOOK A BIG DROP

TOPPLED FROM FIVE AND A HALF TO SIX AND A QUARTER CENTS IN ONE SESSION

WINNIPEG, May 31.—The grain market reacted drastically when heavy liquidations were dumped into the pit and failed to find an outlet. Price of wheat toppled from five and a half to six and a quarter cents from yesterday's close.

Mrs. W. D. Moxley returned to the city on yesterday afternoon's train from a trip to Smithers.

Minister of Customs in Speech Says He Will Enforce the Law; Possible Exception May be Made

KITCHENER, Ont., May 31.—Enforcement of the law in connection with the collection of revenues "without fear or favor" was the keynote of an address to his fellow citizens delivered by Hon. W. D. Euler, minister of customs at a banquet given in his honor by the board of trade here last night.

Referring to smuggling, he said: "I realize there is a strong sentiment in the country that our people should be permitted to bring from the United States purchases, we may say, to the amount of fifty or one hundred dollars, without the payment of duty as is the practice in the United States. I have some sympathy with that desire and the law may possibly be changed in that direction but that is a matter of policy about which I can make no pronouncement."

NORTH CHINA DRIVEN BACK

LOSES ALL OF ANHWEI PROVINCE AND PART OF HONAN TO SOUTHERN ARMY

PEKING, May 31.—Northern authorities officially announce the withdrawal of northern forces from the front owing to reverses in Honan. The withdrawal means the surrender to the Nationalists or southern forces of the Yellow River, all of Anhwei province, and the entire Lung Mai railway.

RED CROSS MAN WAS KILLED IN A SMASH

BATON ROUGE, May 31.—Earl Kilpatrick, superintendent of rehabilitation under the Red Cross in connection with the flood which swept the Mississippi "sugar bowl," was killed in an airplane crash here yesterday.

McMASTER WINNER VANCOUVER TENNIS BEATING CHAMPION

VANCOUVER, May 31.—McMaster, a Vancouver youth, defeated Wallace Bates, amateur tennis champion of Canada who headed the Seattle contingent which played here 6-2, 2-6, 9-7.

ANNIVERSARY TODAY BATTLE OF JUTLAND

This is the anniversary of the battle of Jutland when the German grand fleet ventured forth to meet the British under Admiral Jellicoe and were driven again to cover.

Eleven years ago on June 1, 1916 the world rang with the news of the great naval battle which had started on the previous day and when the supremacy of the British fleet was shown.

DIED AT VICTORIA

John Herd, Liberal Politician, and Thomas Thompson, Winnipeg Grain Merchant, Pass Away

VICTORIA, May 31.—Sinclair John Herd, a native of the city, is dead. He was for a long time prominent in Liberal political circles.

Thomas Thompson, formerly a prominent grain merchant of Winnipeg and Brandon, is dead here.

YOMEI MARU ON JUNE 11

NEXT GRAIN SHIP FOR THIS PORT LEFT MIKE, JAPAN, ON MAY 22

The Japanese freighter Yomei Maru, next vessel to load grain at this port, is expected to arrive about June 11. She left Mike, Japan, on May 22.

The Yomei Maru, which will load for Japan, is 415 feet long and of 5,196 registered tonnage. She was built in 1919 at Osaka and is operated by the Yamashita Co. The vessel is considerably larger than the Queenmoor, last grain ship here.

There is a report that still another grain ship may come here before the season closes. This could not be confirmed in shipping circles here.

ODLUM WINNER CHAMPIONSHIP

KINGSTON, May 31.—Cadet Company Quartermaster Sergeant V. C. Odium of Vancouver, won the open heavyweight championship of the Royal Military College for the second year in succession when he defeated Cadet O'Brien of Grand Prairie, Alberta, yesterday.

THREAT MADE BY SOVIET TO CHAMBERLAIN

REQUEST MADE FOR TIME TO LIQUIDATE AFFAIRS IN ENGLAND BY RUSSIA

LONDON, May 31.—Russian Charge d'affaires Cosengolz has sent an official letter to Foreign Minister Sir Austen Chamberlain, requesting permission for certain Soviet citizens to remain in England in order to liquidate property business for Soviet trading organizations.

The letter said that in the event of refusal, permission orders would be given for the immediate liquidation of all Russian trading institutions and British companies in which the money of Soviet citizens organizations is invested. In such an event, the letter said, the responsibility for all damages which may arise for Soviet institutions as well as British citizens from such speedy liquidation would rest with the British government.

If the request is granted the citizens remaining would include the directors of Arcos and other British companies conducting Anglo-Soviet trade with Great Britain and Soviet trade organizations as well as departmental managers and their necessary staffs.

WARSHIP TO BE HERE IN AUGUST

H.M.S. COLOMBO WILL PAY VISIT TO PRINCE RUPERT, COUNCIL ADVISED BY NATIONAL DEFENCE DEPARTMENT

It will not be practicable for the commander-in-chief of the North America West Indies naval station to send a warship of the squadron to visit Prince Rupert on the occasion of the Diamond Jubilee of Confederation celebration on July 1 but it is hoped that H.M.S. Colombo will be able to visit this port between August 20 and 25 according to a communication received by the city council last night from C. J. Desbarats, deputy minister of national defence.

AGE OF HERO WORSHIPPERS

The fact that one hundred thousand people turned out to welcome young Captain Lindbergh on his arrival in England a few days ago after his wonderful flight across the Atlantic ocean indicates the present day trend toward hero worship. The young man was an American but that did not deter the British people from giving him his just due. Perhaps it accentuated it. At any rate the huge crowd represented British public opinion.

A pig was recently born in Alberta with two faces and two tongues, both of which it uses. Just think what would happen if some of the two-faced people in Rupert had two tongues and used them.

MEN OF UNQUESTIONABLE CHARACTER

Only people of unquestionable character are to be allowed in beer parlors, according to Commissioner Davidson. All men, unless intoxicated, come under that ruling but women are different. To enter a beer parlor at once places them under suspicion and they are watched by the police and if they do not behave discreetly the place is closed.

We suggest that the commissioner take his stand outside one of the Vancouver beer parlors and watch the crowd of old soaks coming out just before closing time and if he finds among them any men of "questionable character" he closes the parlor. There would not be a parlor left operating more than a day under such circumstances. The fact is that questionable men both in Prince Rupert and elsewhere frequent the beer parlors every day and nothing is said, but let a questionable woman enter and the license is endangered. The place may harbor the professional runners for bawdy houses and regular frequenters but they are men and are specially privileged. Women cannot be allowed to do the same as men because there is still a double standard, one for men and another for women. Laws have been made by men since the earliest ages and customs have been set by men who ruled their women and expected obedience. So we have inherited these laws and customs and look on some of them as of divine origin. We refuse to allow a thirsty woman to get a drink but any man, be he ever so vile, can get his glass of beer and nothing is said.

It's wonderful how much trouble the loss of one little button may cause.

MUSSOLINI CODE WORKS

About the best thing that can be said for the Mussolini method of ruling Italy is that it works. Possibly the country needed a dictator. At any rate the effect has been wonderful. Italians today are a different people from what they were a few years ago. They have a new pride in their nation and in themselves and their own destinies. They are working as they never worked before and are making good and rehabilitating the country. At the present rate of progress they will soon rank among the first class nations of the world and be a power for good or evil there.

A hick town is one where it takes a good deal of a man's time shoeing the chickens out of the garden.

ROADS NEEDED IN MINING DISTRICTS

In order that the mines be developed it is necessary that roads be built which will make it possible for the miners to get to and from their properties. In a country like that around Portland Canal, where so much work is being done and shipping mines are becoming common, the government is justified in spending a lot of money to give them facilities. Every dollar spent is soon returned to the government from the mineral tax.

What is true of Portland Canal is true of every mining district where it has been clearly shown that the mines can be profitably worked and that there is sufficient ore to warrant the expenditure.

There are two sides to every question. For instance there's the wife's side and the wrong side.

ROAD PROGRAM FOR STEWART

MUCH MONEY TO BE SPENT IN PORTLAND CANAL DISTRICT ON HIGHWAYS

As an indication of the growth of the district the Provincial Government is this year undertaking the greatest road and trail building program in the history of the camp, entailing expenditures of from \$80,000 to \$100,000 says the Portland Canal News.

The appropriations are through for the extension of the main Bear river wagon road from Bear Lake to 14-mile (American Creek), a matter of some four miles, and in addition to extensive surfacing and other improvements on the present road. This new work will eliminate the base of all upper Bear river properties by circumventing Muddy Gulch. In addition, the bridges on the trail to Mezzadin lake are to be replaced and considerable trail work done including a new location around the end of Bear River glacier. A large rock crib is to be built paralleling the river south from the present Bear river bridge to the railway track, preventing the river at high water from cutting down through the town. Considerable work is also to be done on Bitter Creek and Glacier Creek trails. A substantial appropriation has also been made for the widening and surfacing the Stewart-Hyder road. Extensive street and sidewalk work is already well under way.

MARMOT RIVER

In the Marmot River section considerable work will also be undertaken, including the surfacing of the wagon road from the beach to the forks, the erection of a bridge down stream a bit from the present crossing of the north fork and the construction of approaches from both the north and south forks on a road grade on the far side. An appropriation is also made through for considerable work on the south fork. It is expected that provision will be made for the north fork but no instructions have yet been received by the local officials. Considerable trail work is also to be undertaken into the Bulldog Creek section just south of the Marmot.

A substantial appropriation has been made for widening the switchbacks on Premier Hill, also for the improvement of the Big Missouri trail, and other Salmon River work not yet detailed.

CANADA ADOPTED EMPIRE POLICY

BACKS UP GREAT BRITAIN IN CONNECTION WITH RECENT ARCOS HOUSE REVELATIONS

It is a matter of no importance whether in a strictly technical sense, the action taken by the Canadian government in abrogating the trading privileges of the Soviet government was necessary or not says the Vancouver Star. The thing that matters is that Canada, by this gesture, has shown that, for the Dominion, a wrong done to Great Britain is a wrong done to herself. It is true that the cancellation of the original agreement may have carried with it automatically the cancellation of Canada's adhesion to it. It is also true, so far as the Dominion government is aware, that the official agents of Russia in this country have not been guilty of espionage or subversive propaganda. But most Canadians would feel very uncomfortable if Canada had disregarded acts of hostility to the senior member of the family of nations to which she belongs. There can be no question as to the course this nation would have taken had Moscow begun open war against Great Britain. It is proper that Canada should declare herself equally on the side of Great Britain when Moscow is caught making secret war on her.

COUNTING COST

The step will cost Canada something. Already British Columbia knows that it will have to forgo completion of a bargain that would have brought a nice round sum of money into the upper country. Other parts of the Dominion will lose profitable business on a larger scale. It by no means follows, however, that trade with Russia will cease entirely. The United States has never acknowledged the Soviet government as the lawful dictatorship of Russia, but nevertheless commerce between the two republics has continued and will continue. All the same, business or no business, Canada has done the right thing and has done it with a promptitude that gives it double value and must have been somewhat disconcerting to the Ottawa correspondents, who, for political purposes, sent out despatches, bearing the appearance of authenticity, to the effect that the government saw no reason to do anything about the matter. As it is, it has been shown that the words "By Britain's side, whatever be the side, unflinchingly we'll stand," do mean something—at least in spirit if not absolutely in letter.

5000 Crippled Children helped to health by the JUNIOR RED CROSS

THROUGH the Junior Red Cross the Children of Canada are not only TAUGHT health principles—they are inspired to PRACTISE them—and to serve others!

Today 137,486 Canadian school children in 5421 classrooms are banded together for Health, Service, Citizenship.

In ways children love, they learn to keep healthy . . . to drink milk and lots of water . . . to go to bed early and get lots of sleep . . . to care for their teeth . . . to be clean and tidy . . . to avoid passing disease germs to others.

Teachers welcome Junior Red Cross with its voluntary pledge of Health, Service and Citizenship. It brings the spirit of play into the acquiring of health habits . . . it is an invaluable aid to the teacher. It develops consideration for others . . . the idea of service for the common good. A gospel of doing which succeeds!

Red Cross Juniors, are healthy and happy . . . they wish to help others to be the same.

That other children, crippled by disease and injury, may be made well, they earn or save money to provide needed treatment.

Red Cross Juniors are not allowed to ask their parents for money for this purpose. In countless little ways which they themselves devise, they provide the small sums which together do such great service.

Since the war over 5000 crippled children whose parents could not meet the cost have been restored to health by the unselfish efforts of Red Cross Juniors.

To inspire our future citizens with a passion for healthy living! To encourage them to help their less fortunate fellows! Isn't the job worth while? Teachers and health officials say it cannot be done so well in any other way. This is only part of the work the Red Cross is doing for the soldiers, women, children and settlers of Canada. To YOU the Red Cross appeals for support in carrying on this and its other work.

Since the War THE RED CROSS has disbursed 7 Million Dollars for the Soldiers, Women, Children and Frontier Families of Canada. "STILL SERVING"

FEARS WESTERN BOOM MAY INJURE COUNTRY

(Edmonton Journal)

The Western Producer is afraid that another boom period is approaching in this part of the dominion. It feels called upon to issue a warning against a repetition of the speculative excesses and the violent inflation that occurred a decade and a half ago. It finds that "the towns and cities are busy, the railways are increasing their tonnage, builders are becoming active, trade is increasing." All these are signs which it thinks should put us on our guard. All must agree with the Saskatchewan farm journal about the undesirability of another such period as that which it has in mind. But its fears must strike the average westerner as a little premature. That they are expressed in such a quarter, is, however, striking evidence of the betterment of the economic situation in these provinces that has been brought about.

SOVIET ACTIVITIES MONTREAL WERE NOT DISCOVERED IS SAID

(Edmonton Bulletin)

Premier King says there is no evidence in the hands of the Dominion Government which shows that the Montreal office of the Soviet trade commissioner has been used as a distributing centre for subversive propaganda or as the headquarters of a spy system. From which it is to be concluded that the Dominion Government has not been collecting evidence, or that the plans for using the Canadian office as a sub-centre for the dissemination of revolutionary propaganda had not been completed when the London raid took place. There is no reason to suppose that the Soviet office at Montreal was not intended to serve the same purposes as the one in London, if the organization of the underground business had had time to develop.

TREASURES MISSING FROM CATHEDRAL IN MEXICO ARE VALUABLE

MEXICO CITY, May 31.—Government officials announce that among the treasures missing from the Mexico City Roman Catholic Cathedral is a jeweled gold and silver centre piece of a casket for the consecrated Host. The centre piece, it was unofficially estimated, was valued at more than 500,000 pesos (about \$230,000).

The Cathedral has been closed ever since the religious regulations became effective last August for the purpose of a government inventory of its contents. This inventory is still being made. Shortly after the closing of the Cathedral, Mexican officials said that a number of church valuables had been taken out and presumably hidden in the homes of devout Roman Catholics to prevent their coming into the hands of the government.

CHIEF JUSTICE MADE ADMINISTRATOR OF B.C.

VICTORIA, May 31.—Chief Justice Macdonald of the B.C. court of appeal, will be acting administrator of the province during the absence in Great Britain of Lieutenant Governor Bruce who has gone to attend the funeral of his father-in-law, the late Lord Idessleigh.

BRINGING UP FATHER

By George McManis

STEWART

W. A. Talbot, assistant district engineer for the provincial department of public works in Atlin district, has left the Dease Lake country to formulate plans for considerable road and trail work made necessary by increased mining activities there.

In the first baseball game of the season between Hyder and Stewart, the former won 17 to 16 on Victoria Day.

Coastwise Steamship & Barge Co.'s steamer Amur brought seventy-five tons of coal this week for J. P. Hawkinson.

G. D. (Chick) Davis has returned here after a trip to California.

Mrs. J. S. Stickey has returned here after having spent the winter outside.

H. Bradley and C. T. Moore have arrived here from Britannia to join the Dunwell mine staff.

The crew of the Extenuate tunnel has been temporarily cut to one shift pending arrangements for better ventilation.

Henry Hummel, who is heavily interested in Texas Creek, has returned here after spending the winter in Minneapolis and Utah. He was called to the former place on account of the death of his mother.

A light delivery truck has arrived from the south for the Dalhousie Mining Co.

John Henson and Mike Milos have gone down the canal on a prospecting expedition in a gasboat.

Neil McDonald, locator of the well known Troy group, has returned from Vancouver where he spent the winter.

The Maple Bay mine, 36 miles south of Stewart is operating steadily and shipping 100 tons of copper daily to the Granby smelter. A new and large ore body of better values has been opened recently and fifty men are employed at the property which is owned by the Granby Co.

It is heard here that Dr. George Hanson of the Dominion Geological Survey is to return to this district this season to trace out the contact zone through from the head of the Marmot River to Hastings Arm and Alice Arm.

Mr. and Mrs. W. J. Curtis have arrived from Banff, Alberta, and Mr. Curtis has opened up a shoe making shop here.

P. E. Peterson, well known mining engineer, has returned from the south for the purpose of directing work of the Silver Crest Mining Co. He is now at the Saddle property at Hastings Arm. When he gets work well under way there, he will come to Stewart in connection with Silver Crest operations up the Salmon River.

TERRACE

R. E. Allen, district forester, Prince Rupert, and T. W. Brewer arrived from the interior on Saturday's train, the former leaving again for Usk the same afternoon.

Miss Library of Copper City spent the week end as the guest of Mrs. George Little.

Mrs. Thos. E. Brooks had the misfortune to fall on the hill near her home on Friday evening, fracturing her right wrist and left on Saturday morning for Prince Rupert for medical attention. Mr. Brooks, who arrived in Prince Rupert on Saturday morning after having attended the United Church conference in Vancouver, remained in the city to meet Mrs. Brooks on her arrival.

Mrs. H. H. Halliwell returned to Terrace on Saturday after having spent the winter in Victoria with her daughter, who has been attending normal.

Rev. Wm. Allan returned on Saturday from Vancouver, where he spent the past two weeks attending United Church Conference.

The large motor boat shipped up some weeks ago from the coast for use at the Lakelse Hatchery and which has since been standing by the C.N.R. tracks awaiting favorable condition of the roads to be taken to the lake, was on Saturday loaded on the heavy truck

recently purchased by George Little and taken to Lakelse Lake on Sunday. The trip took about nine hours, considerable difficulty being experienced on several of the hills and block and line assistance had to be resorted to on several occasions. It was a formidable looking load and it was fortunate for the fisheries department that there was a truck in the district capable of handling it.

Rev. A. W. Robinson spent several days during the week visiting in the Remo settlement. During the time he was there he was the guest of Mr. and Mrs. A. Y. Wilson.

George Little returned on Friday from a business trip to Smithers.

Miss Irene Durham of Usk, passed through on Saturday en route to her home after spending the winter in Vancouver.

Mrs. W. C. Sparkes made a short visit with friends in Usk at the week end.

A number of the young people around town took in the dance in Usk on Saturday night and returned home on Sunday's train.

Mrs. Warbeck and daughter arrived from Prince Rupert on Saturday.

A large number of people from town and vicinity spent Sunday at Lakelse Lake, where some good catches of fish were made. S. Kirkaldy is making preparations to run a lunch counter at the lake on Sundays during the summer. This move will no doubt be appreciated by many picnickers.

Mr. and Mrs. W. O. Fulton and family and Miss Margaret McCaffery who have spent the past week at their summer home at Lakelse Lake returned to Prince Rupert on Saturday.

C. W. Hearn, R. A. McRae and P. Stratton were in from the hatchery on Saturday to accompany the new hatchery boat to the lake.

G. W. Pethick, Smithers, was a business visitor in the district at the end of the week.

Considerable improvement has been made around the G.W.V.A. hall during the past week by the laying of a walk all around the front of the building and continued down to the jail corner. This work has been done by W. Farr under provincial government instructions.

Rev. Wm. Allan spoke to a large congregation in Knox United Church on Sunday evening when he made a

FLIT KILLS MOTHS and their larvae

detailed report of the work of the conference recently held in Vancouver. He gave an interesting account of the church work among the Indian congregations. The report will be continued next Sunday night.

Mrs. F. Clapp, Prince Rupert, was a visitor in Terrace on Friday.

F. W. Biedt, Montreal, was a business visitor here at the week end.

VANDERHOOF

Te G. W. Otterson gold dredging outfit is now 29 miles south of Manson Creek, its destination, and hauling has now been shut down until July on account of high water in the creeks that have to be crossed. Mr. Otterson is now on a trip to the coast for the purpose of purchasing further equipment.

The Vanderhoof Board of Trade is planning to be well represented at the convention in Smithers on June 10 when it is proposed to organize the Associated Board of Trade of Central British Columbia.

Stephen Holmes has been appointed to represent the Omiceca branch of the Canadian Legion at a convention of the Provincial command in Vancouver next month when the matter on canteen funds shall be discussed.

In the second baseball game of the season between Vanderhoof and Prince George, the visitors won 9 to 7 on the local diamond.

Stipendiary Magistrate J. D. Charlson held police court last Thursday when seven cases were heard, fines being imposed in each case. The charges were principally assault.

F. F. Kerr, Dominion government agent at Detroit, has been visiting this district obtaining information for possible settlement. He reported a considerable revival of interest in Central British Columbia lands among settlers in Michigan and said that he expected a much larger immigration to this country than during the past two or three years.

The village council has passed a by-law imposing penalties upon those who permit their poultry to run at large.

Fred Elkins, manager of the British Columbia Automobile Association, will visit these parts shortly and a luncheon will be given in his honor by the Vanderhoof Board of Trade.

Word has been received from the provincial department of mines that \$1,000 has been appropriated for immediate work on the Manson Creek road. The local Board of Trade is asking that an addition grant of \$5,000 be made.

The Vanderhoof Board of Trade is inviting the British parliamentary party, which will tour Canada this year, to visit this district.

R. C. McCormell made his first trip to Takla Lake this season and brought out a large quantity of fur.

Paddy Calhoun is exhibiting an egg laid by his flock which measures 7 1/2 inches in circumference by 6 1/4 inches.

Over fifty persons from Vanderhoof motored to Burns Lake to attend the Victoria Day celebration there last week. In a baseball game, Smithers easily defeated Vanderhoof.

After spending a couple of weeks in town and district renewing old acquaintances, W. J. Wiese left here last Thursday on his return to Longbeach, California.

Mrs. F. P. Donovan has returned to her home in Hansard after having spent nearly two weeks in town as the guest of Mr. and Mrs. E. C. McGeachy.

Seeding operations in this district are practically completed. Recently there has been splendid growing weather.

ECLIPSE OF SUN CHANGED PLANS OF OXFORD UNIVERSITY

OXFORD, May 31.—Ancient Oxford University is proud of its age-old traditions, precedents and habits, and it has taken a solar eclipse to change one of them.

Four centuries Oxford's Commencement Day has been unalterably scheduled for the last Wednesday in June. This year, however, the Wednesday falls on June 29, on which day there is to be a total eclipse of the sun. Consequently the governing body of the university at a solemn session, decided to postpone the commencement exercises until the next day, Thursday. Conservative Oxonians are alarmed at the change, but console themselves with the knowledge that nothing less than a solar eclipse could alter the university's routine.

Mayor Newton informed the city council last night that it might be necessary for him to leave the city this week. In compliance with His Worship's suggestion, Ald. Jos Greer and Ald. Perry moved and it was carried that Ald. Stephens be acting mayor during his absence.

TENNIS COURT SITE GRANTED

ROTARY CLUB GIVEN PERMISSION BY COUNCIL TO PUT IN FACILITIES ON SIXTH AVENUE

A delegation consisting of Col. S. P. McMorde, W. J. Earl Barrie and Dr. H. L. Alexander, asking, on behalf of the Rotary Club for permission to establish two tennis courts for young people on city property at the northeast corner on Sixth Avenue and McBride Street, was given a favorable answer by the city council last night.

The request was introduced in a letter from W. J. Earl Barrie, chairman of the boys' work committee of the Rotary Club, which stated that there was an increase in the number of boys and girls taking up tennis but that facilities in the city were inadequate. The club asked permission to erect two or more courts on the site referred to without any expense to the city. It was proposed to form a junior tennis club after the courts had been built.

Speaking to the request, Mr. Barrie pointed out that there were only three courts in the city and these were used by adults to capacity. If its request for a site was met, the Rotary Club planned giving tennis facilities more exclusively for the younger people. The originator of the proposal was Col. McMorde whom Mr. Barrie called upon to address the council.

Col. McMorde referred to the fact that, in many cities, the municipalities stood the entire burden of providing such recreational facilities. The Rotary Club was, however, cognizant of the city of Prince Rupert's financial position and the city was being asked only to grant the site, the club to do the rest. With the club taking some ninety feet immediately next to the Masonic Temple, a ground some 100 by 135 feet would be left which it was felt would be adequate for the continuance of junior sports such as baseball and football. It was by no means the desire of the club to displace these youngsters. This year the club was prepared to put

Headache Made Her So Sick She Could Not Work

Miss Lola White, Cape Bald, N.B., writes: "I suffered severely, for a long time, with a bad headache. It would ache and ache until it made me so sick I could not work at all. A friend recommended

and after using a few bottles of this medicine I feel that I cannot recommend it too highly to all those who suffer from headache of any kind."

in and equip two courts. If they proved popular, the club would undoubtedly extend them later. If it was found otherwise, they could be removed. The club desired an answer as soon as possible so it could proceed with the work.

PROJECT APPROVED

Ald. Perry approved the project and moved that the request be granted. Ald. Linzey, on being informed by Col. McMorde that the courts would have cinder ground, seconded the motion.

Ald. Larsen, Ald. Brown, Ald. Jos. Greer and Ald. Tinker felt that there would be plenty of room left for junior sports and so favored the granting of the site so the Rotary Club could proceed with its work.

Ald. Stephens was not satisfied that there would be room left for the other sports, and he was not in favor of the council granting the site till that point was ascertained. If there would be room left, it was all well and good for the tennis courts to be put in. If not, he felt the Rotary Club should look elsewhere for a site.

On the motion being put, all except Ald. Stephens voted in favor of the site being granted.

GROTTO WINS IN BASEBALL

OVERCAME LEAD AND CAME OUT ON TOP OF SONS OF CANADA IN INTERMEDIATE LEAGUE ENGAGEMENT

Four pitchers figured in last night's Intermediate Baseball League batting bee which the Grotto, making its first appearance of the season, won 16-12 from the Native Sons of Canada. Three moundsmen were hit freely and fielding was not all that could be desired. However, there was lots of fun for the fair crowd of fans which was in attendance for the two hours the seven-inning match was in progress.

The win of the Grotto was something in the nature of snatching victory out of defeat for the Sons had a 12-3 score over them at the end of the second frame. Dido Gurvich was batted out of the tobaccoists' box and Jack McNulty took up the task, holding the Sons scoreless for the remainder of the game. In the third inning the Grotto men found their batting eyes and forced Slocomb from the box for Alex Duncan who came from the benches. It was too late, however, for the Sons to retrieve themselves and when the smoke of battle cleared the Grotto was out on the long end.

Will Lambie umpired balls and strikes and Cecil Downie presided on the baselines. The teams were: Grotto—Spiro Gurvich, c.; J. McNulty, p.; Poll Howard, 1b.; Doug Stalker, 2b.; Dido Gurvich, 3b.; Nick Chenoski, ss.; Barney Lundquist, lf.; George Howe, cf.; Ernie Hatchford, rf.

Native Sons—J. Nelson, c.; A. Slocomb, p.; C. Thompson, 1b.; B. Wakefield, 2b.; Vincent Meagher, 3b.; Jim Parker, ss.; Rich Mortimer, lf.; A. Donald, cf.; Melvin Stephens, rf.; A. Duncan, p.

The biggest hits of the game were two baggers.

DEMPSEY IS OUT OF HORSE RACING GAME

Sells Horses After Having Made a Profit of \$7,500 From Them

NEW YORK, May 31.—Jack Dempsey is out of the horse racing game with a profit of \$7,500 according to George Coburn, his trainer, who has bought the ex-champion's horses and will continue to race them under the name of Canyon Stables.

The principal money winner of Dempsey's string was Old Kickapoo who won several races after being purchased for \$3,600. Dempsey never went to extremes in betting on his horses, Coburn says, his wagers averaging less than \$200. His biggest plunge was \$500 on Old Kickapoo at 6 to 5.

Although he is selling his racers, Dempsey likes horses and plans to come back with "a bigger and better stable," he told Coburn over the telephone from California. The wish to get rid of all excess baggage in his attempted comeback to the ring is given as his reason for disposing of them now.

SPORT CHAT

Grand Terminals and Regiment will battle at soccer tonight for their first credit count in the Stuart Shield series. Two games have already been played and tonight's contenders have each been beaten by the Moose. There is plenty of speculation and the supporters of both sides are confident. A good game of football, well worth seeing, should ensue. Perhaps, soccer fans will turn out in force for the first time this season.

The Regiment will line-up the following team in the Stuart Shield football game tonight against the Grand Terminals: J. Sim; F. Hunter and C. J. Norrington; A. Strachan; G. P. Tinker and J. Harris; P. Doherty, J. S. Wilson, F. Russell, P. Perry and W. Wallace. Reserves—R. Mortimer and S. Wilson.

Though in male circles difficulty is being experienced in getting started. Anyox ladies, both married and single, are practising already for their annual baseball argument. Both have a strong line up and are confident of victory. Every year to date, the single girls have won consistently but the lady benedictis are very hopeful of turning the tables in 1927. June 8 is the date set for the contest.

Te soccer season is well under way

WATER NOTICE DIVERSION AND USE

TAKE NOTICE that GOSSE PACKING COMPANY, Limited, whose address is Vancouver, B.C., will apply for a licence to take and use 250,000 gallons of water out of unnamed stream which flows northerly and drains into Green Inlet about 30 chains east of northwest corner of Lot 68, Range 3, Coast District. The water will be diverted from the stream at a point about 200 feet from mouth and will be used for domestic and commercial purposes upon the land described as application to lease by applicants. This notice was posted on the ground on the 2nd day of April, 1927. A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Prince Rupert. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is April 21, 1927.

MINERS' UNION BIG STRUGGLE

PITTSBURGH COAL COMPANY OPENS MINE ON A NON-UNION BASIS

PITTSBURGH, Pa., May 31.—In the bituminous coal fields of Western Pennsylvania is being waged a struggle which may shape the course of future operations in the entire central competitive soft coal fields, now in idleness.

Union miners and operators alike are watching the effort of the Pittsburgh Coal Company in that section to operate on a non-union basis. Ellis Searles, editor of the United Mine Workers' Journal, organ of the miners, asserts the view that the "break" in the present suspension of work, however remote it may be, will come in this district.

Officials of the company declare that the non-union policy is successful, but union miners deny this.

"In the Western Pennsylvania district," Searles says, "the suspension has developed into an out and out fight to exterminate the union. The Pittsburgh Coal Company, largest operator in the district, was one of the first companies to repudiate the 1924 Jacksonville wage agreement and to operate on a non-union scale. It has said it will not mine coal again on a union basis."

CLAIMED SUCCESSFUL

Officials of the company say reports from eighteen operating mines show that the open shop policy is successful. They cite a production of 110,253 tons for the week ending April 23, a gain of 13,845 tons over the week before and of 19,898 over the week ending April 2. The average number of men at work, increased, they say, from 4,559 to 5,135 in a week.

But Searles says the company lost \$2,225,000 in 1926 and that "for the first three months of 1927 its losses have been much heavier, and for the same period last year."

"If the company beats the union," declares the editor of the Miner's organ, "other companies will follow its lead. If the reverse is the case it may reasonably

AWAITING ISSUE

He foresees little activity looking to termination of the mining suspension in other central competitive states — Ohio, Indiana and Illinois—until the issue around Pittsburgh is fought to a finish.

The Pittsburgh company announced operations on an open shop basis more than a year ago, contending that it could not compete with non-union West Virginia mines and pay the Jacksonville scale.

BLAMES AGITATORS FOR DISCONTENT IN RANKS OF UNEMPLOYED

EDMONTON, May 31.—Labor agitators are largely responsible for the discontent and complaints of unemployment by new-comers arriving here from central Europe to engage in farm work, according to P. B. Baragar, chairman of the publicity and immigration committee of the board of trade. Conditions have been investigated by this committee, composed of Mr. Baragar, J. D. O. Mothersill and Secretary John Blue, and it has been found that there are no grounds for charges of lack of proper supervision on the part of the colonization authorities.

Firstly, there was the backward season which delayed the sending out of newcomers to farms, while it was also natural that there should be a number of misfits among such a large number of immigrants. Then, the situation was aggravated by agitators whose activities were found to have commenced as far east as Montreal.

The object of the investigation by the committee was to ascertain the facts and acquaint the public with the information, Mr. Baragar pointed out.

"If the board of trade's recommendation that a special investigator be appointed, is carried out, as is expected, the investigator can weed out and deport agitators and all those asking for or demanding relief after they have had an opportunity to work at reasonable wages," said Mr. Baragar.

While he had heard of cases where farmers had offered unreasonably low wages, the rates in most cases were fair, said Mr. Baragar. Wages being offered ranged from \$25 to \$35 per month with board, which looked to be pretty reasonable pay for inexperienced labor or people new to conditions here.

"On Thursday afternoon I personally visited a local colonization office and found there were 101 jobs available at that time with the pay running from \$25 to \$35 per month with board," he said.

MAY FINES.

A total of \$930 in fines was collected through the city police court during the month of May according to announcement made this morning by Sergeant J. P. M. Hannah, chief of the city detachment of the provincial police.
