ANTI-WAR RESOLUTION IS ADOPTED

MILLERDS WIN CASE UPSETTING FISHERIES REGULATIONS

League of Nations Outlaws All Wars of Aggression at Session of Assembly at Geneva Today

GENEVA, September 24.—One of the most important resolutions yet passed by the Assembly of the League of Nations was that adopted today by a unanimous roll call vote. It was introduced by the Polish delegation and its wording was simple and direct as follows:

"That all wars of aggression are and always shall be prohibited."

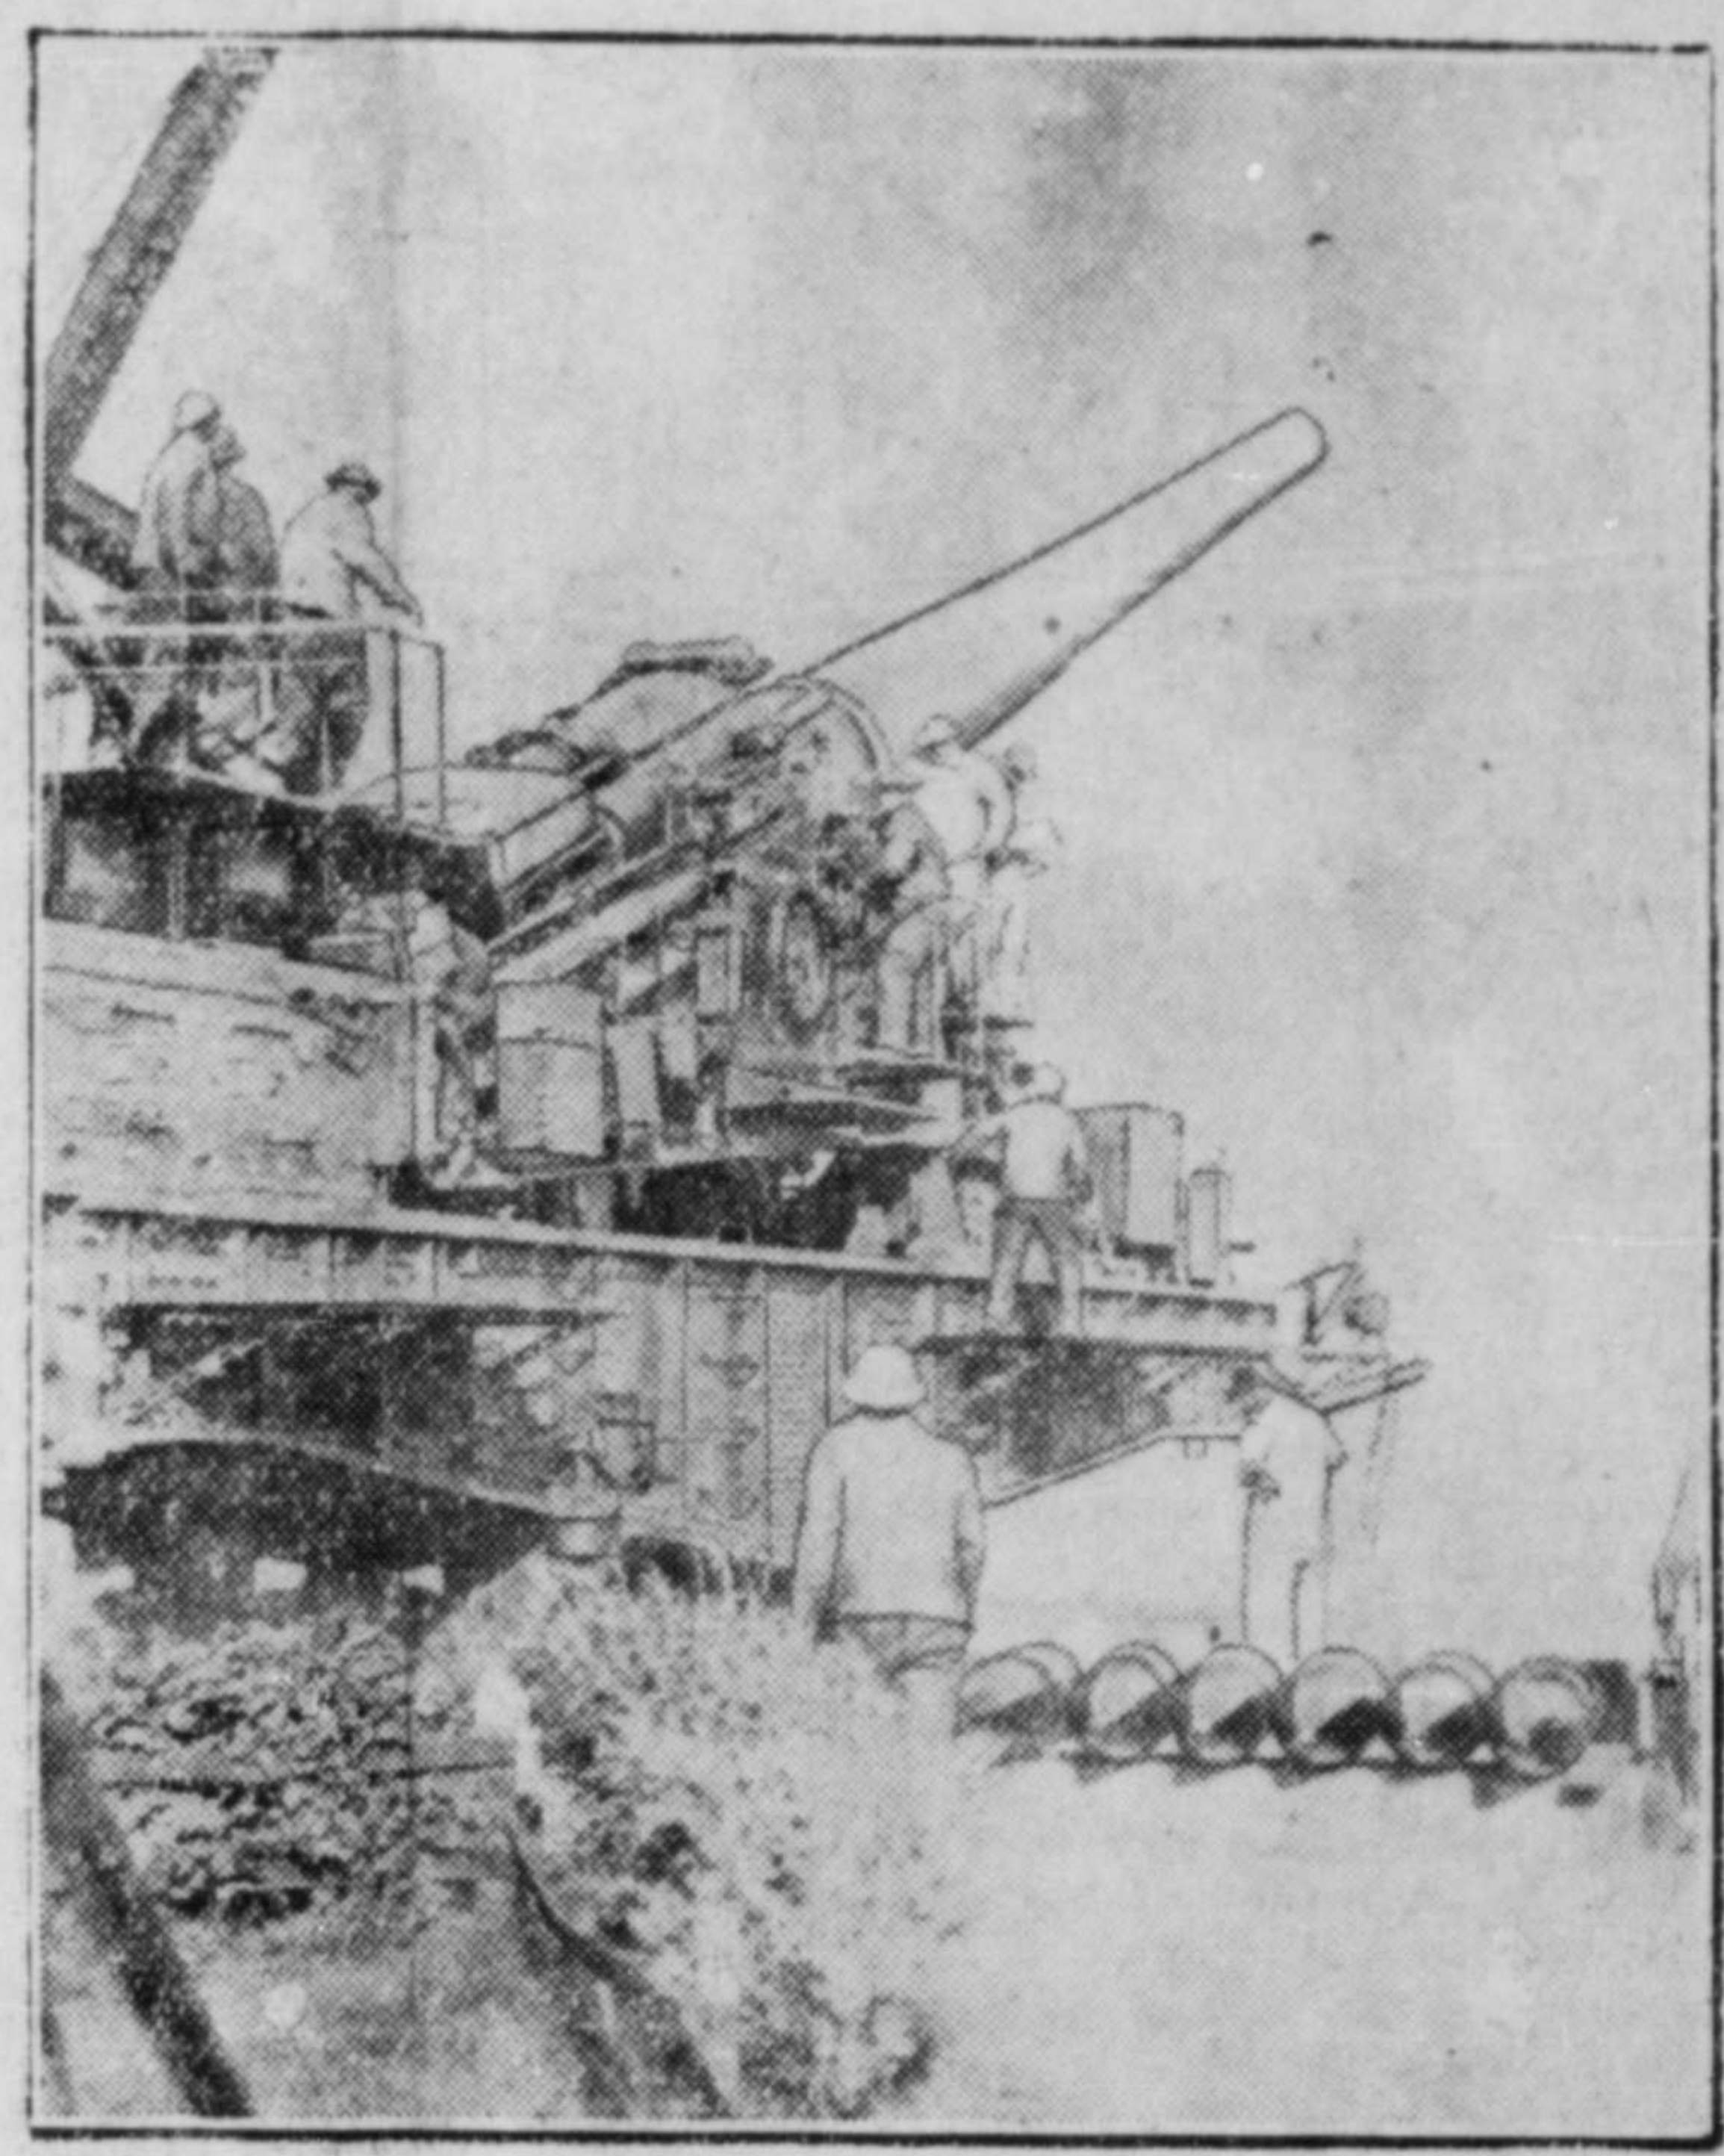

The resolution further binds all states which are members of the League of Nations to the principles thus enunciated.

GOVERNOR GUEST OF CHAMBER OF COMMERCE

Refused to Make Speech but Urged Hosts to Get Out on Golf Course

JASPER, Sept. 24.—Governor General Viscount Willingdon was yesterday the guest at dinner of the Canadian Chamber of Commerce but he did not make a speech. However, William Birks of Montreal, chairman of the chamber, expressed the pleasure of the tourists at His Excellency's presence and Lord Willingdon replied graciously assuring his hearers that he was delighted to meet them but reminding them that the Governor General was on a holiday.

"The Canadian people, as I have learned in my eleven months of office," he said, "seem to have one obsession, and that is to hear the Governor General make speeches." Amid laughter he went on, "but there won't be any this time. The Governor General is on vacation. Let me advise you to get out in that golf course over there."

FIRING WORLD'S LARGEST MOBILE CANNON at Fort MacArthur, Calif. It has a range of 54,000 yards and was fired at a target between 20,000 and 30,000 yards out to sea.

Judge Decides That Dominion Has No Jurisdiction Over The Fisheries and Cannot Collect

VANCOUVER, September 24.—The Millerd cannery interests have won their case against the Dominion government in connection with their refusal to take out a license for a cannery at Prince Rupert and are now suing the fishery officials for damages in trying to prevent them from operating.

By judgment of Mr. Justice Macdonald of the Supreme Court, section 7A of the Fisheries Act as enacted by the Dominion Parliament is declared ultra vires and the federal government annual revenue of nearly a million dollars collected heretofore for fish cannery licenses and including a tax per case on salmon is affected. The judge thus sustains the decision of Magistrate I. C. Alexander in the district police court, who acquitted the Soomerville Cannery Company Ltd. of an infraction of the act when it operated a clam cannery on March 25 last at Prince Rupert without first obtaining an annual license.

From Mr. Justice Macdonald's judgment there is no appeal but the fisheries department proposes to refer the question to the Supreme Court of Canada for an opinion. The judicial committee of the Privy Council may later be called upon to decide the issue in another proceeding whereby the company is suing the Dominion fishery officials for damages.

OTTAWA, Sept. 24.—A higher court will be asked to determine the validity of sections 7A and 18 of the Fisheries Act and was stated at the department of Marine and Fisheries. Officials agreed that the decision is a most important one.

FOUR BURNED TO DEATH ON THE PRAIRIES

MOOSEJAW, Sept. 24.—William and Frederick Huyek were burned to death and two children whom they tried to save, Thelma Huyek five years of age, and the three months old baby, shared the same fate when fire destroyed the farm home of O. W. Huyek, five miles north of Pasqua this morning.

GENERAL SUTTON COMING NORTH

Wealthy Adventurer Understood to be Contemplating Inland Flight From Here

Judging from word received from the south, it is understood that General Frank Sutton, who is about to embark upon an aerial exploration and mapping trip of interior valleys of this province, will fly north from Vancouver and start inland from Prince Rupert. For the purpose, General Sutton recently purchased from C. O. Usburne a Fokker biplane in which the latter had planned a trans-Pacific flight, abandoning the project when he failed to get the necessary financial backing at Vancouver. General Sutton just recently arrived on the coast from China where he was right hand man and advisor of one of the generals in the recent conflict in that country. He is a wealthy adventurer and since reaching Vancouver, purchased the Rogers Building on Granville Street at a figure exceeding \$1,000,000.

THREE FEET SNOW ALASKA

Never Such Early Fall at Headquarters of Koyukuk River Say Old Timers

RUBY, Alaska, Sept. 24.—Three feet of snow had fallen at Wiseman, at the headquarters of the Koyukuk River on September 11. Captain Allard of the power boat Jessie reported on his arrival here Friday en route to Nenana. Never before, old timers said, had so much snow fallen during September. Mining in the district during the summer was profitable but the season was short.

COLORED MEN ARE SCALDED

One Loses Life and Another Not Expected to Live Result Explosion on Ships

HALIFAX, Sept. 24.—William Ewing, 21, of Halifax is dead and N. Mortimer of Vancouver is not expected to live, while J. Saint Hill of Barbadoes was severely scalded as a result of an explosion on the C.G.M. Canadian Carrier off Halifax this morning. The men are all colored.

The Carrier sailed yesterday for Barbadoes. After the explosion which took place in the boiler room, the ship was towed back to port.

NOW OUT ON \$6,000 BAIL

Morris Dahlquist Charged With Unlawful Wounding as Result of Fracas at Terrace

Morris Dahlquist, Terrace spokesman, has been given bail by Stipendiary Magistrate E. T. Kenny in the sum of \$6,000 on a charge of unlawfully wounding William Campbell, the inspector, as a result of a fracas on Wednesday night when the two are alleged to have quarrelled in the Terrace Hotel, Campbell being knocked through a window and sustaining injuries about the head and face. Dahlquist was brought before the magistrate at Terrace to be formally charged and adjournment in the case was taken until such time as Campbell may be able to appear in court. He is reported to be making very satisfactory progress toward recovery in the Hazelton Hospital.

Soon after the fracas, Dahlquist was taken into custody by Provincial Constable Sam Service of Terrace. Sergeant W. J. Service, acting chief of the district detachment of the provincial police, returned to the city on yesterday afternoon's train from Terrace where he was called in connection with the case.

ASSISTANCE TO AIRPLANE CLUBS

Two Light Planes to be Furnished by Government on Conditions

OTTAWA, Sept. 24.—Announcement that the department of defence is prepared to assist in the establishment of light airplane flying clubs in the larger centres of the Dominion was made by Hon. J. L. Ralston, minister in charge. The department will issue to each approved and duly incorporated club or association two light airplanes free of charge on certain conditions.

SALES OF LAND AT UNIVERSITY

Demand so Great That They Soon Will Carry Cost of Educational Institution

VICTORIA, Sept. 24.—Sales of land in the University of British Columbia subdivision have increased so rapidly of late that within two years they will commence to carry the cost of the University, Hon. T. D. Pattullo said today.

MEDICAL AND DENTAL BUILDING VANCOUVER

VANCOUVER, Sept. 24.—The construction of a ten or twelve storey medical and dental building at the corner of Richards and Georgia Streets is to be commenced soon at a cost of a million and a half dollars.

GOOD WHEAT CROPS BEING THRESHED IN THE BULKLEY VALLEY

Threshing is now general in the Bulkley Valley under splendid weather conditions, according to word received from various points. Wheat is running from 35 to 60 bushels per acre and barley is also high in quantity and quality. The only grain not coming up to the regular standard is oats, but the crop is fair at that. Last year the interior had good crops and the farmers received a lot of cash. This year's crops will put them away to the good and enable them to make a lot of necessary improvements.

FISH ARRIVALS

Total of 69,000 Pounds of Halibut Sold at Exchange This Morning

A total of 69,000 pounds of halibut was sold at the Fish Exchange this morning including one American schooner which sold 26,000 pounds for 11.7c and 6c and five Canadians which disposed of 43,000 pounds at bids ranging from 11.7c and 6c to 12.3c and 7c.

Arrivals and sales were as follows:

American	Canadian
Radio, 26,000 pounds, Canadian Fish & Cold Storage Co., 11.7c and 6c.	Cape Spencer, 15,000 pounds, Canadian Fish & Cold Storage Co., 12.3c and 6c.
Rose Spit, 16,000 pounds, Atlin Fisheries, 12c and 6c.	Muirneag, 7,000 pounds, Royal Fish Co., 12c and 6c.
Joe Baker, 2,000 pounds, Canadian Fish & Cold Storage Co., 11.7c and 6c.	H. & R., 3,000 pounds, Atlin Fisheries, 12.5c and 7c.

TRANKSGIVING DAY ON NOVEMBER 7 THIS YEAR

OTTAWA, Sept. 24.—Armistice Day and Thanksgiving Day will be celebrated together this year on Monday, November 7, throughout the Dominion.

SNOW COVERS THE PRAIRIES

Northern Saskatchewan and Alberta Fields Were White This Morning

SASKATOON, Sept. 24.—Snow fell at five points in Northern Saskatchewan yesterday and continued to fall here this morning.

EDMONTON, Sept. 24.—Ground in this vicinity was white with snow this morning and harvesting has been stopped in many localities.

GAVIGAN SENDS WIRE ON FIGHT

Event on Thursday Night Was Spectacle He Will Never Forget Says Local Business Man—Cheap Seats

"It was a wonderful fight and a spectacle which I will never forget," says a telegram received at the Grotto Cigar Store from J. C. Gavigan of this city who attended the world's heavyweight championship bout at Chicago Thursday night between Gene Tunney and Jack Dempsey. "The elevated seats were a big advantage over the ringside seats when the crowd stood up. Scalpers offered ringside seats before the gates went out at \$1.00 each. There were plenty of seats available all day long at bargain prices. Tunney was the favorite 4 to 3."

HUDSON BAY RATES OF INSURANCE MAY NOT BE VERY HIGH

WINNIPEG, Sept. 24.—Considering all the modern aids to navigation that have been developed the difficulties or dangers there might be in Hudson Straits should be considerably minimized by now and there is no apparent reason why shipping insurance covering the Hudson Bay route to Liverpool should be excessive, said H. E. Crawley, of the London insurance firm of Bowring which is associated with Lloyd's. The statement was made in connection with reports that the rates on Hudson Bay shipping would be so heavy as to largely nullify the benefits which would otherwise accrue from the reduction in freight rates.

Bert Smith, assistant manager of the Premier mine, and Mrs. Smith will be passengers on the Prince Charles tomorrow night going through from Stewart to Vancouver.

GIANTS AGAIN BEAT PIRATES

Lead of Pittsburg in National Reduced to Two-and-half Games Over New York

NEW YORK, Sept. 24.—By defeating the Pirates yesterday afternoon in a tight 6-5 game, New York Giants regained second place in the National League over St. Louis Cardinals and reduced the lead of Pittsburg to two-and-half games. The Cardinals lost 3 to 2 to Boston. Brooklyn Dodgers evened up the score with Cincinnati Indians by winning a double-header from them and the stock of the Chicago Cubs further advanced when they shut out Philadelphia 10 to nil.

It was a hot finish which gave the Giants their victory over the Pirates. Mueller was walked and scored on Lindstrom's triple in the ninth and Lindstrom scored on Rouse's sacrifice.

Pittsburg needs six out of the eight remaining games to clinch the pennant, providing either the Giants or the Cardinals win all their remaining games.

In the only game played in the American League, Chicago beat Boston 2 to 1. The day's scores were as follows:

NATIONAL LEAGUE

New York 6, Pittsburg 5.
Brooklyn 3-4, Cincinnati 2-3.
Philadelphia 0, Chicago 10.
Boston 3, St. Louis 2.

AMERICAN LEAGUE

Chicago 2, Boston 1.

WINNIPEG POSTMASTER CHARGED BY EMPLOYEES

WINNIPEG, Sept. 24.—Charges of maladministration were levelled directly at T. T. Bower, postmaster of Winnipeg, by the Winnipeg postal group of the Amalgamated Civil Service of Canada, says a despatch from Ottawa to the Free Press.

FIGHT FATAL TO TEN FANS

Some Died While Listening in and Others After the Event.

NEW YORK, Sept. 24.—That the seventh round of the Tunney-Dempsey fight that was nearly fatal to the hopes of the champion was accompanied by the death of ten fans listening to reports of the big fight on Thursday night is now ascertained. Four of them died while they were tuned in on the fight program and one fell dead in the excitement of an argument after the bout. Two of the deaths occurred in Los Angeles.

ANOTHER FINE ON ZARELLI IMPOSED

Proprietor of Royal Hotel Assessed \$50 For Selling During Prohibited Hours

Diamante Zarelli was found guilty in city police court yesterday afternoon on a charge of selling beer during prohibited hours, namely on Sunday, and was fined \$50 with the option of thirty days' imprisonment. A couple of days previous he was similarly fined for supplying liquor to a person apparently under the influence of liquor. These convictions, arising out of a raid made last Sunday on the premises, have resulted in the cancellation of the beer selling licence for the Royal Hotel which has now been surrendered to the police.

The cases of three men, charged with consuming liquor in a public place, namely the basement of the Royal Hotel, have been further adjourned until Monday.

WINNER TODAY OF NEWBURY AUTUMN CUP

NEWBURY, England, Sept. 24.—William Singer's four year old Lightning Gartist won the Newbury Autumn Cup today.

BACK FROM NORTH

Hon. T. D. Pattullo, minister of lands, has returned from the north. He visited his constituency of Prince Rupert, crossing over to the Queen Charlotte Islands, which forms part of the riding, and expressed great satisfaction at the progress that is being made there. He also attended the Exhibition at Prince Rupert, which he says equals in the matter of quality of products shown at any show in the province—Victoria Colonist.

DAILY EDITION Saturday, Sept. 24, 1927

PUBLISHING THE RECORDS

For several years the Daily News has been trying to get the city to give the people the facts in regard to their utilities. Recently there was published a statement that the utilities of Prince Rupert in 1926 showed a loss yet during every month of last year this paper had been showing a profit. Either they were wrong or we were. Month after month the city has been publishing the profits on the light and power department and also of the telephone department but the water department which showed a loss was not mentioned. We were led to believe that the water was not in the utilities department. Now we are led to believe that the utilities department has charge of the waterworks accounting. Which is correct?

We are not concerned with who is responsible. We do not know and do not want to know. It is not our business. What we object to is to being the means of misleading the people of Prince Rupert in telling them we are making a profit when, apparently we are not doing so. Why not tell the people the truth? This has been going on for years and years, long before the present administration had charge and they have all done the same.

What we want, and what we intend to have before we are through with it, is the publication of the results of the city utilities in such a form that the people of the city may know exactly how they stand in regard to it. The waterworks is a city utility just as much as the power and light and telephone. If we make mistakes in discussing this it is only because we have not full information which should be given out through the city council. The members of the public works committee are just as much at fault as other members of the council because they have been a party to this camouflage which has been going on. Give us the figures. If they are not available they should be. Let them be produced monthly along with the light and power and telephone or else keep quiet about the utilities altogether and we shall then all know they are a failure.

We believe our city council is doing good work and that the city employees are also doing good work but here is something that must be cleared up. Unless some statement is made we shall refer to this again and again until the truth is discovered.

POOR PLACE FOR CAPITALIST

France must be a poor place for a capitalist just now. Money we are told is worth only 1 1/4 per cent. It would take a large sum of interest to bring in a sufficient income at that rate to keep a person in idleness. Probably it is only a temporary condition but also it may last a considerable time and in the meantime those who are trying to live on the proceeds of their capital must feel themselves sore pressed.

FISHERIES COMPLICATIONS

The complications brought about by the declaration that part of the fisheries act is ultra vires of the Dominion Government is likely to result in a great many changes on this coast. If the Dominion does not control, it is to be presumed that the province does. That might mean that the million dollars now collected by the Dominion may in future be collected by the province. The whole system might then be changed.

It is to be hoped that if the case is to be taken to the Privy Council, action in regard to it will be expedited so that by the opening of the season next year everything may be settled.

There is not enough information to hand just now to determine what will be the possible effect of the ruling if it is sustained by the highest courts. This particular case, it is said, cannot be appealed but an opinion is being sought from the Supreme Court of Canada and another case bearing up this one will go to the Privy Council in Great Britain.

Waterfront Whiffs

Quiet Boatbuilding Season is in Prospect—Ruby May Damage in Collision—Halibut Landings Heavy This Week

Coming as a considerable depression from the extraordinary activity of last winter, prospects are that the fishing boat-building industry during the winter months now forthcoming will revert to normal or, in other words, become a good deal quieter than it was. It is generally estimated that the output of new boats during the approaching season will not be any more than fifty per cent of last year. As a matter of fact, if it does that well it will provide a good deal of employment and there is no apprehension of any real dearth of work. Cannery requirements for some time to come were pretty well taken care of with the 1926-27 building program and the fact that there has been more or less of a slump in both salmon and halibut fishing this year will have a deterrent effect on private enterprise along this line.

For your boy at school—
A Gruen Watch, moderately priced

Think of your boy's pride and pleasure in owning a real Gruen Watch—a symbol of his coming manhood—a source of constant admiration from his companions! We have Gruen SemiThins priced as low as \$25; SemiThin Juniors, \$30 and \$40. Others up to \$75. Let us help you select.

JOHN BULGER LTD.
Jewellers
The Store with the Clock.

founder in the past, will from now on do its own boatbuilding, the company having established a yard of its own at Point Grey, Vancouver.

Tenders are about to be called by the department of marine and fisheries for the construction of three large new patrol boats. This is a plum for which it is reported there will be considerable competition and it will mean a good deal to the yard that lands it.

D. B. Finn, director of the Prince Rupert Fisheries Experimental Station of the Biological Board of Canada, leaves tomorrow night on the Prince Charles for Vancouver en route to Winnipeg where he will be engaged until January in special research work, including study of the lake fish, pickerel. During the four months' absence of Mr. Finn H. N. Brooksbury, his assistant, will be left in charge of the work at the Prince Rupert station. The other permanent member of the staff at the station here is Louis F. Smith.

Mr. Finn is now completing the compilation of a series of articles on the work of the local station and these will shortly be offered for publication. They include a deal of useful data compiled in a comprehensive way and the articles, which have been promised to the Daily News as well as other papers and magazines, should prove of general interest.

C. E. Sloan and E. Clements, recent arrivals from the Mackenzie River country whose story was told in detail in the columns of the Daily News during the past week, plan to leave at the first of next week for Banks Island, down the coast. This will be their first experience on this part of the Pacific Coast and, on this trip, they plan to be away three or four weeks to acquaint themselves with the lay of the land. They will probably engage in trapping during the winter and, in the spring, turn their attention to fishing. They will travel on the 26-foot cruiser which they have bought from the Suga shipyard.

A party consisting of Jack Keefe, Thor Johnson, Billy Sullivan and Chris Lyman returned yesterday from a successful three-day hunting and fishing trip to Pitt Island. They made the trip on the Prince Rupert Boat House power cruiser Mylanxy under the gentle care of Capt. Bob Thomas.

Yesterday Prince Rupert Boat House power boat "28," Capt. Alex. Saint, made a trip to government road camp No. 2 with a cargo of supplies.

On Thursday, power boat Leander, with Capt. Hans Berquist in command, made a trip to Kinaban Island with provisions and supplies for the fox farm.

E. D. Jean, who is identified with the Somerville Cannery Co. was this week convalescing after a stay in the Prince Rupert General Hospital suffering from leg trouble. Mr. Jean, who is well known in the north, hails from Vancouver for which city he left Thursday night.

Since the first of September up to Thursday, a total of seventy-eight express refrigerator cars, laden with fresh halibut landed here, have 1140 dispatched from Prince Rupert to the Eastern markets. During August a total of 122 cars was shipped.

Trolling operations in the vicinity of North Island are now pretty well broken up, the run being nearly over. The packers Bruce I. and B. and Y., which have been operating during the summer between North Island and Butedale, are now packing dog salmon to Lagoon Bay cannery on Moresby Island.

LOST CARGO OF FISH

In addition to considerable damage sustained when she piled up on a rock near Petersburg recently, the American halibut boat Cedric, owned by Dr. W. T. Kerwin of this city and skippered by Capt. Henry Henriksen also of Prince Rupert, suffered further loss through having to throw overboard her catch of 30,000 pounds of fish in order to lighten her. Ben Wick, one of the members of the crew, arrived here this week from Petersburg where the Cedric is now undergoing repairs.

The schooner Jessie, Capt. Mike Meagher, which was engaged in halibut fishing out of Prince Rupert for part of this season, has reached Vancouver where she has now been tied up.

The schooner Chief Skugiad, Capt. Bill Parsons, is due from the halibut banks at any time. It is well over two months since she was last here but it is understood that she has landed some catches up north.

With two score or more local nimrods meeting with only indifferent success last week-end, the first of the season, enthusiasm for deer hunting seems to have died down considerably and there will not be nearly so many going out this week-end. The wily animals are running high which makes it rather tough getting them out. A few heavy snows will have to fall on the higher slopes before they become as profitable as might be desired.

Two scows, laden with lumber and coal, are leaving Vancouver today consigned for Albert & McCaffery. The same interests are expecting the freighter Silver to arrive early next week with a full cargo of coal and cement.

Capt. H. Anderson arrived in port this week from Ketchikan with his trolling boat which, on Thursday, he changed over to Canadian registry. This is the third boat this season to so change its allegiance. Better fishing conditions in waters on this side are

said to be the reason. Capt. Anderson left today for Hardy Bay to engage in the fall fishing along the coast of Vancouver Island.

The local trawler Point May, with Charlie Wallace and Bert Hanson, two full licensed fishermen, left today for Hardy Bay to engage in the Vancouver Island fall fishing. The Nellie and Joe are also leaving for the same parts today and the St. Elmo, Lydia K. and Dave have already gone.

The steiner Osmi, of Japanese ownership and command, left yesterday for the south to engage in taking fall varieties on the Vancouver Island coast.

Somerville Cannery Co.'s floating cannery Laurel Whalen, which spent the early part of the season at Barnard Cove, is now canning cohoes at Jewday. This plant is paying 7c a pound while the South Bay cannery is paying 60c a fish. Dogs are getting 10c. With fish scarce, these prices do not make it profitable for the fishermen and a number of them are seeking more productive fields, quite a few having moved down to Vancouver Island.

John Currie & Son, with their pile-driving outfit, completed the renewing of the dolphins at the Cow Bay fishermen's floats today.

RUBY MAY DAMAGED

Only good luck and excellent seamanship saved Charlie Currie and his work-boat, Ruby May, from what might easily have been very serious consequences on Tuesday night when the vessel figured in a collision with the big American halibut schooner Akutan. It was about eight o'clock and the fog was thick when Charlie was heading out from the Westview shore, where he had gone to inspect the work on his new house, when the accident occurred. The Akutan was going out at a lively clip, in danger of running ashore as a matter of fact, and, apparently neither boat saw the other in time enough to prevent the impact. As it became apparent that there was going to be a crash, Charlie had sufficient presence of mind to swing his own boat over with the result that the blow was glanced and the Ruby May was not tipped entirely over. As it was, a side of the stern was carried away, three or four planks were staved in as well as timbers being smashed. It was with some difficulty that the vessel was taken to her mooring place. Damage to the extent of \$65 is now being repaired at the dry dock.

All those interested in the fishing industry should take note that National Fish Day is approaching and falls on October 25—the last Wednesday of that month. Though the amount of energy displayed by the average individual in Prince Rupert, whose mainstay is the fishing industry, isn't enough to blow a butterfly into Kingdom Come, it is not too early to start preparing to make this year's National Fish Day amount to something here.

The past week (Saturday to Friday inclusive) has been a bumper one in point of halibut landings. During the period a total of 896,000 pounds has been delivered here with American fish in the large preponderance totalling 815,500 pounds while only 80,500 pounds was Canadian. The latter, however, were paid the best prices throughout the week. The high bid for American fish was 15.4c and 7c, which the Franklin received on Monday from the Atlin Fisheries for 30,000 pounds. The best Canadian bid was on Saturday when the P. Dorreen and Fanny F. received 14.6c and 7c for catches of 8,000 and 2,500 pounds respectively. Lowest bids of the week were 10c and 6c on Tuesday and Thursday for American fish, and 11.4c and 6c on Friday for Canadian.

The 1927 totals to date are as follows: American, 14,840,350 pounds; Canadian, 6,557,600 pounds; total, 20,397,950 pounds. Last year's totals at a similar date were: American, 15,493,800; Canadian, 5,838,880; total, 21,332,680 pounds.

A HUNTING TRIP

DR. CHASE'S NERVE FOOD

USED CARS
Don't gamble on the used car you buy
The used Ford car you buy represents so many unused miles of transportation.
The price you pay should be in proportion to the unused mileage which remains in the car.
Whether or not you get the unused mileage you pay for depends largely upon where your used Ford is purchased.
All used car dealers like to handle Fords because the Ford enjoys public confidence and therefore commands a ready sale. But the only safe place to buy a used Ford is from the authorized Ford dealer. He can tell what usage a car has had and knows exactly what reconditioning must be done. He has the men, the equipment and the genuine Ford parts necessary to do this job properly and the Ford you buy from him is a better car than you can get for the same money anywhere else.
Why you should buy your used Ford Car from an Authorized Ford Dealer
1. All used cars sold by authorized Ford dealers are guaranteed to be as represented.
2. All used Fords are reconditioned with genuine Ford parts only by authorized Ford dealers. These are charged against the car at 15% of list prices. The buyer gets the benefit.
3. A clear title is given with every used Ford car, covering the buyer against the risk of buying a car that has been stolen or unlawfully converted.
4. The year of the car is guaranteed to be as stated by the authorized Ford dealer.
5. The Ford Motor Company of Canada, Limited, allows only responsible business men to sell its products, assuring fair and just treatment on all dealings.
6. The authorized Ford dealer at a permanent business institution in this community cannot afford to jeopardize future business by selling anyone an unsatisfactory car.
Two Tudor Sedans specially priced at \$325.00 each on easy terms.
1927 Tudor, well equipped, \$700.00. This car has run only 1,500 miles.
1924 Ton Truck, splendid condition, \$325.00.
S. E. PARKER, LTD.
Prince Rupert - - - - B.C.
FORD MOTOR COMPANY OF CANADA, LIMITED

Good catches could probably be secured. The four vessels operating out of Rose Harbor, on the southern part of the Queen Charlotte, took 79 whales during their first two months' work. This number is slightly under the number killed in the corresponding period last season. The vessels operating from Rose Harbor are the Blue, Brown, White, and Black. The number taken by each vessel has not been ascertained. At Naden Harbor, where the catches were rather poor last year, 32 were killed by the whalers Gray and Grant in operation for one month. The number taken at Naden is considerably larger than those killed during a similar period last season.

DIVERSION AND USE
TAKE NOTICE that E. Rousseau, whose address is 410 Seymour Street, Vancouver, B.C., will apply for a license to take and use 1 cubic foot of water out of unnamed stream which flows southerly and drains into Fort Stephens Bay, about one mile east of Bluff Point. The water will be diverted from the stream at a point about 600 feet from the mouth and will be used for commercial purposes upon the lands described as Lot 2750, Range 4, Coast District. This notice was posted on the ground on the 26th day of July, 1927. A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Prince Rupert, B.C. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is August 20, 1927.
EUGENE ROUSSEAU,
Applicant.

flexible power at LOWER PRICES

PROVE Pontiac Six as it has been proved on the General Motors Proving Ground. The most gruelling endurance and performance tests have been passed by Pontiac Six with flying colors. For there's strength and stamina in the Pontiac Six engine, to match its smoothness and swiftness and its superabundant power. Take Pontiac Six out on the road and prove the reasons why Pontiac has won the most enthusiastic acceptance ever accorded any new car. And, thanks to the volume purchasing and production facilities of General Motors, the New and Finer Pontiac Six, with new elements of beauty, luxury and quality, with proven power, speed and smoothness, is available at **New and Lower Prices.**

R. E. Allen, district forester, returned to the city on yesterday afternoon's train from a trip to Smithers on official duties.

Mrs. Louis Amadio and family sailed this afternoon on the Princess Beatrice for Vancouver en route to Italy on a four months' vacation trip.

Until repairs at the Provincial Government wharf have been completed, C.P.R. steamers will make landing at No. 3 shed on G.T.P. wharf.

John Armstrong, government inspector of gasoline engines and equipment, arrived from Victoria on the Princess Beatrice this morning and will proceed to the interior by this afternoon's train.

Joseph Howe, local businessman, has returned to Vancouver from a trip overseas with his bride, an English girl. One of Mrs. Howe's first experiences in Canada was that of being in a head-on collision of C.P.R. trains, which was attended with fatal results, as she and her husband were coming West.

Robert Reid, a son of Mrs. Reid, Drexel Rooms, and brother of Mrs. C. L. Youngman, Rand Block, arrived on yesterday afternoon's train from Glasgow, Scotland, to try his luck in this new country. He is sixteen years of age and has been identified with a band in the Old Country. He hopes to be able to join a similar organization here.

Miss Zada Palmboom, R.N., formerly of the Prince Rupert General Hospital nursing staff, returned to the city on yesterday afternoon's train from a holiday visit with friends in Smithers and Telkwa and left this morning on the Cardena for Butedale, where she will spend a short time with relatives, before proceeding to Vancouver where she expects to remain.

S. K. Campbell, formerly manager of the local branch of the Canadian Bank of Commerce and now one of the British Columbia inspectors with headquarters in Vancouver, arrived in the city on yesterday's train after having inspected the branches at Prince George, Vanderhoof and other interior points and will be here on official duties until of the Prince Rupert General Hospital south.

The regular monthly meeting of the hospital board was held last night in the hospital, only half an hour being required to dispose of business, largely of a routine nature, coming before the board. Those present were J. H. Thompson, president, Ald. G. P. Tinker, H. B. Rochester, C. H. Elkins, Ald. W. J. Greer, Leo Waugh, Ald. W. M. Brown, Dr. J. P. Cade and Mrs. H. F. Glassey, directors; Miss Jean Harrison, R.N., lady superintendent, and H. W. Birch, managing secretary.

It was reported at the meeting of the hospital board last night by C. H. Elkins, chairman of the house committee, that in compliance with a resolution passed by the board at its meeting last month, the secretary had been authorized to secure six additional chairs which were now under order and, it was expected, would arrive in time for the October meeting to meet the comfort of the directors in session.

President J. H. Thompson reported at last night's meeting of the hospital board that one of the doctors had informed him that there was a shortage of splints. In explanation, H. W. Birch, early next week when he will proceed by car to Cedar on hand and that the splints were made as the need arose and to meet the particular requirements of each case. Patients often took the splints away with them when they left hospital.

Ald. G. P. Tinker, chairman of the finance committee, reported to the hospital board at its meeting last night that collections during the month of August had totalled \$5,061 and disbursements amounting to \$778.29. There had been 1565 hospital days at a cost of \$2.74 per day. Accounts were duly presented and passed for payment on motion of Ald. G. P. Tinker, seconded by C. H. Elkins.

Reporting as chairman of the special committee appointed to go into the matter of the proposed dispensary in connection with the hospital, Ald. W. J. Greer announced at the meeting of the board last night that the committee was awaiting the expected arrival in the city next month of Dr. Lamb, inspector of hospitals, and Miss Helen Randall, R.N., registrar of nurses, whom it was expected would have some valuable information to shed on the matter.

Reporting as chairman of the house committee, C. H. Elkins, at last night's meeting of the hospital board, announced the donation of a crate of raspberries and box of apples by Mrs. John McEae, photographer for the Nurses' Home by John Richardson, and the Butkley Valley district exhibit which was shown in the Prince Rupert Exhibition. Mr. Elkins also reported that a steam pipe under the kitchen had been taken out and renewed and that doors of the building had been repaired. The report was adopted on motion of Mr. Elkins and Ald. W. J. Greer.

Miss Jean Harrison, R.N., lady superintendent of the Prince Rupert General Hospital, makes a bi-monthly report at the meetings of the board last night, stated that, owing to the isolation hospital being reopened for scarlet fever cases and two of her nurses being there as well as three others being on holidays, there was a shortage of nurses. Providing the hospital itself did not become busier, she hoped she would be able to get along without extra help. It was Miss Harrison's first appearance before the board since her recent three months' vacation trip to Ireland and J. H. Thompson, president of the board, duly welcomed her back.

Neglected Eyes

NEGLECT is doubtless the cause of most of the ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to—and at once. OF ALL absurdities in the kingdom of foolishness, surely the loss of eyesight through neglect is the most inexcusable. DONT lose health and efficiency through neglect. Come and see!

WALLACE BEERY AS BASEBALL PLAYER

Former "Heavy" Fuses Drama for Comedy in "Casey at the Bat"

No matter who lands on top of the heap in this year's baseball race, fans will never be able to forget the big game of 1890.

New York was playing Pittsburg and things looked bad for Gotham. The crowd had about given up both hope and game to the smoky city when a great cry arose. Casey, heaviest hitter in the league, was advancing to the plate. Eye-witnesses of that memorable occasion will describe the expression which passed over the face of the Pittsburg pitcher. Here, where he thought that everything had been "waxed up," was another obstacle to overcome. The crowd yelled and implored Casey to repeat his usual performance, to knock out a homer and save the day. Hats were tossed in air. Men when wild and unafraid, begging, imploring, until—Casey tipped his cap and raised a hand. If a pin had dropped, the echo would have rebounded. The pitcher wound up and tossed a ball. Casey scornfully let it fly by and the umpire calmly said, "Strike one." The bleachers cried, "Lynch him," but Casey quickly killed them. Another strike flew past. The mob sat on edge, waiting for the third ball, which would never reach the catcher's mitt. All outfielders hurried to the furthestmost points, right up against the distant fences. Then a bomb burst. The third delivery was a strike and Casey was out. Pittsburg won the game!

That's one of the big scenes in Wallace Beery's comedy "Casey at the Bat," which was shown last night and is being repeated here tonight.

MANY ATTEND WHIST DRIVE AND DANCE BY MOOSE LAST NIGHT

Something like two hundred people were out last night for a very enjoyable whist drive and dance by the Moose Lodge. Gills Roper was in charge of floor with A. E. Hoskins on the floor and the committee in charge being chairman L. R. Parry, B. J. Brown, James Smith, Sam Haudenschild, J. Squinch, A. G. Burdick, and Oscar Strong. Mrs. Field was in charge of the tables.

Music was provided by Mrs. Pender's orchestra, consisting of Miss Jean Curran, Dave Eastman and J. Underwood. Winners of prizes at whist were:
Ladies—1. Mrs. Jack Reichardt; 2. Mrs. L. R. Parry; 3. Mrs. G. A. Brown in a cut with Mrs. L. Lawler.
Gentlemen—1. G. Brochu; 2. D. C. Schubert; 3. Ben Lipson.

Man in the Moon

LOVE is blind but the neighbors are not.
IT is a curious fact but it is more interesting to hear about ten people being killed in British Columbia than ten thousand in China.
JAY walking is just another expression for hoping the hospital.
IT seems years now since we first heard that jam was dying. It was about the same time we heard that women were growing longer hair and wearing longer dresses.
ALAS poor jam!
We mourn your fate
Your demise adds
Us of late.
We'll send some flowers
To show our love,
Perhaps we'll meet
In heaven above.

Ten Years Ago in Prince Rupert

SEPTEMBER 24, 1917.
D. Peterson, local representative of the Peterson-Pels Co., returned to the city last evening from Vancouver with his bride, a former Winnipeg lady.
Carl Thompson, only in his teens, went out with his father to Port Edward yesterday and laid low a 150-pound buck.
Rev. Father E. M. Dunne called this morning for Vancouver where he will be consecrated as bishop of Northern British Columbia and the Yukon.

In The Letter Box

BEAUTIFYING CITY
Editor, Daily News.
Your editorial of September 21 on "Beautifying the city," appeals to me as very timely.
As you say "There is no argument against lawns and boulevards and flowers and small shrubs."
May I point out that this work

Wanted For Sale For Rent

DAILY NEWS CLASSIFIED ADS.
Articles Lost and Found, etc.
2c per word in advance. No Advertisement taken for less than 50c.

much of which might be undertaken by private citizens, is held back by the lack of a plan on the part of the engineer's department.
Three years ago I had such a thought in mind and I called at the engineer's office. I asked for particulars of—
1. Distance of planting trees or shrubs from lot line.
2. Distance between trees or shrubs on avenues.
I was told that there was no scheme worked out.
It is useless for individual citizens to do anything along this line unless they know their efforts will eventually form a part of a harmonious whole.
Because of the lack of such assurance I let the matter drop.
May I suggest, therefore, that our City Fathers through their engineering department give us such a lead.
WILL ROBINSON.

PARENT TEACHERS FIRST MEETING OF SEASON ENJOYED

The opening meeting of the Parent Teachers' Association with Mrs. Boddie in the chair proved a very interesting one. After the business of the evening had been completed Mrs. J. C. Brady read in her usual accomplished manner Fenimore's Enoch Arden. The musical numbers were by the Misses Lawrence whose duets on violin and piano were much appreciated.
At the close the party adjourned to the domestic science department where refreshments were served.

LARGE CROWD OUT TO THE RINK LAST NIGHT

There was a large crowd out last night at the skating rink, a number of the old timers who have not been on the floor for a long time returning to the game.
The rink has been opened for a week or more and the number attending has been steadily increasing.

SPORT CHAT

With the big heavyweight championship fight at Chicago now over, the eyes of the North American sporting world will now turn to the wind-up of the National League baseball activities and the World Series which, it was announced yesterday, will open in the National League city winning the pennant. There is little if any doubt now as to where the senior league flag will bring this year though there is still a very remote chance for either the New York Giants or the St. Louis Cardinals to rise above the smoke of the Pennsylvania coal town. Apparently, the majority of baseball observers here it doped out that the capturing of the world's championship is going to be a cinch this year for the Yankees. Certainly, their remarkable season's play would make it look so. If the powerful aggregation of Gotham stars do not cop of the honors this year, it will indeed look as if there must be a fly in the ointment somewhere. Most of the fans would like to see the Pirates win but there are few courageous enough to seriously hope that they will.
The huz and cry that went up about the Chicago battle between Gene Tunney and Jack Dempsey for the world's heavyweight crown being fixed, from the looks of things, had little if any foundation in fact. Those boys socked each other too hard Thursday night to be "kissed" or "playing" in any game to "rob the suckers" such as Chicago has seen in the course of its hectic history. They can talk about their being no kick in a ten-round battle but, the large majority of those who were lucky enough to have been in attendance at the "battle of the age" will probably agree that there was plenty enough kick and action in Soldiers' Field the night before last. It will be interesting to hear the impressions of those from the neck of the woods who attended the battle which, incidentally, took place one year to the day from the night at the Philadelphia Sesqui-centennial when Tunney first copped the crown.

Why Gum-Dipped Mileage Costs Less "Per Mile"

The demand for car owners for Firestone Gum-Dipped Tires has given Firestone Dealers a large increase in volume that enables them to sell these tires to you at the lowest prices in the history of the industry.
The Firestone Balloon Tread, scientifically designed three years ago, and unchanged today has the wear resisting qualities that give thousands of extra miles.
This tread must be placed on a carcass that has the qualifications to withstand terrific flexing. The Firestone carcass is made of cords dipped in rubber solution which not only saturates and insulates every fibre of every cord, but unifies sidewalls with carcass, eliminating any possibility of separation under the extreme flexing of low-pressure.
The Firestone Dealer in your locality will gladly explain the Gum-Dipping process, the scientifically designed tire tread, and other advantages that only Gum-Dipped tires can give. See him today.

\$50,000.00 IN CASH PRIZES!

12,000 other valuable awards for the best 300 word letters on

"Why The Laundry Should Do My Washing"

\$50,000.00 in Cash Prizes. 12,000 other valuable awards for best 300 word letter on "Why The Laundry Should Do My Washing."

Conditions governing this contest are reproduced in all the leading magazines, and a booklet giving full information can be obtained at our office.

Thus does the Laundry Owners' National Association inaugurate its campaign to tell the home managers of this continent the TRUTH ABOUT THE LAUNDRIES; THE TRUTH ABOUT THE WONDERFUL LABOR SAVING SERVICES OFFERED AT PRICES TO SUIT EVERY POCKET. The truth about the cleansing agent it uses. Soda, the same as you use in your biscuits. Soap as pure and mild as the best of materials can produce and oceans of pure soft water are the only cleansing agencies used in modern laundry.

Every lady in Prince Rupert will want to enter this contest. Knowledge of the laundry industry is not essential; but a visit to our laundry will be of great assistance to you in writing your letter. Another almost indispensable help in writing your letter will be to send your weekly washing to the laundry, then, when it is returned to you spotlessly clean and sterile, and beautifully ironed, sit down with a pad and pencil and make a note of each advantage as it occurs to you from various angles, such as economy, sterility, convenience, labor-saving; time for more pleasant duties, etc. We believe the ladies of Prince Rupert are as clever as any on this continent; we believe they can write as good letters as any on this continent. Nothing could give us greater pleasure than to have the \$10,000.00 award come to Prince Rupert.

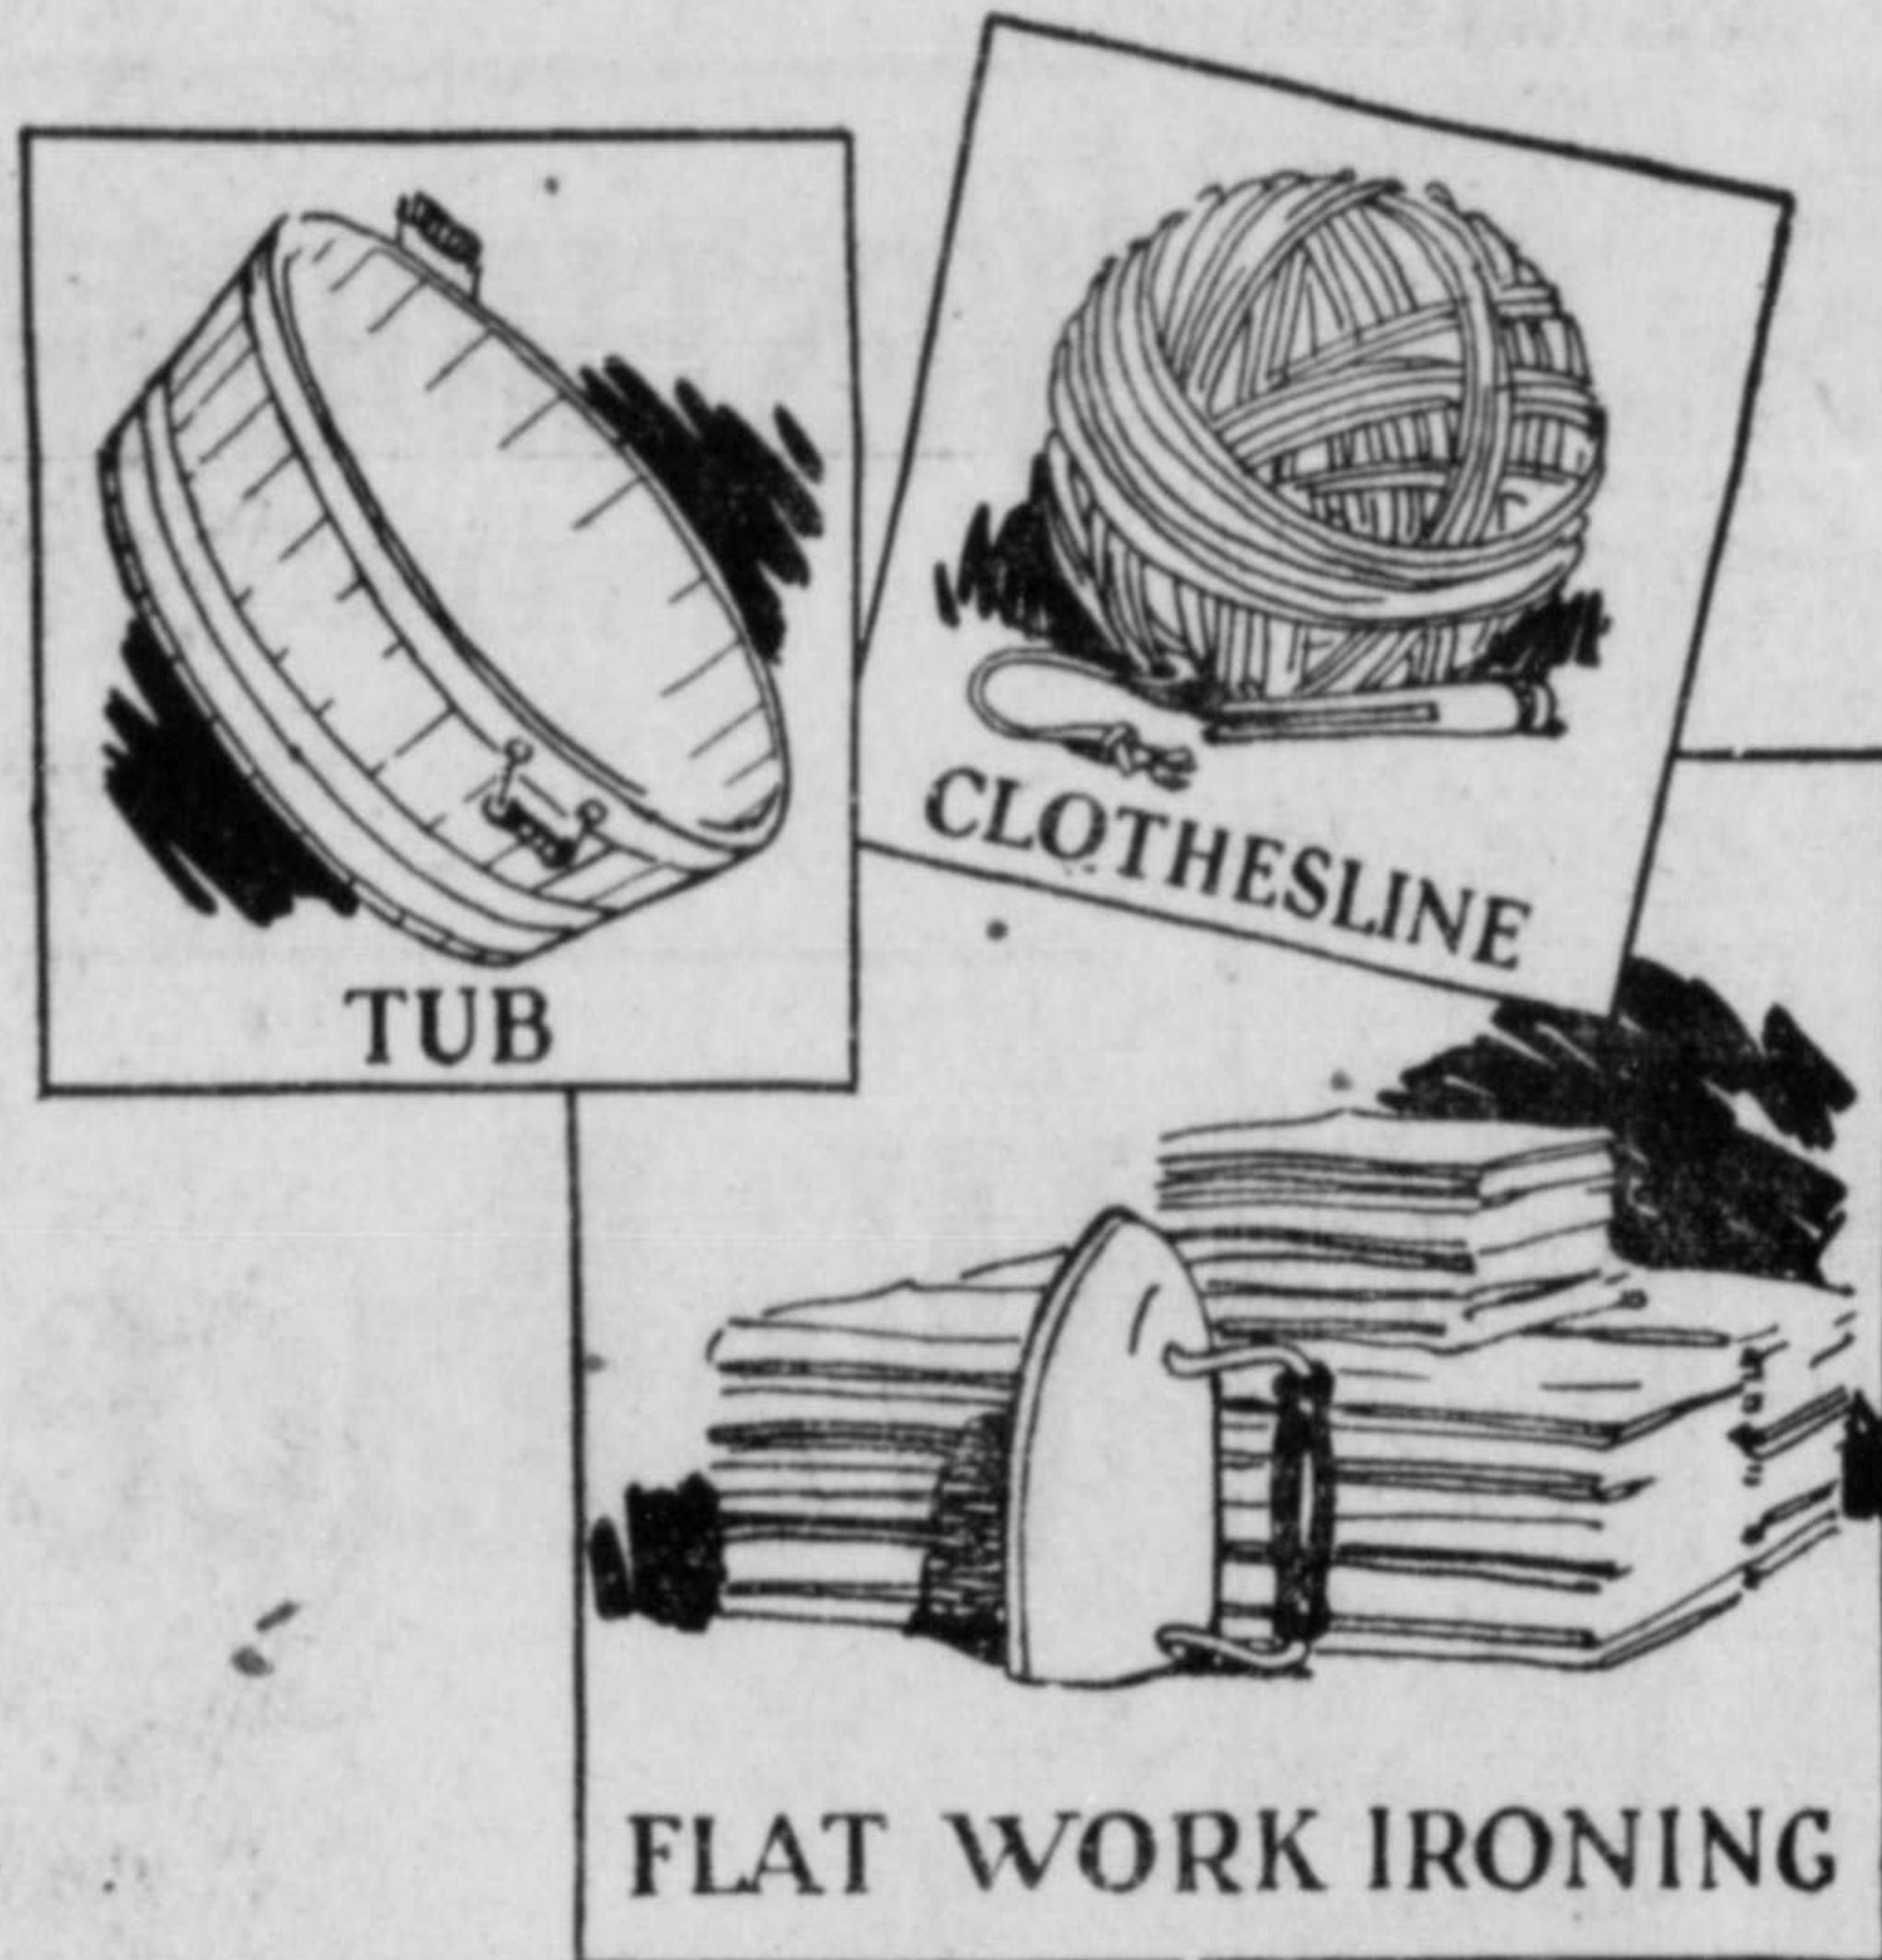

To stimulate local interest in the National Contest, and to demonstrate the unusual value offered the household manager in our Family Laundry Service, we are offering the following prizes, in addition to the prizes offered by the National Association:

- 1ST PRIZE—12 MONTHS FREE SOFT FINISH SERVICE, APPROXIMATE VALUE \$75.00.
- 2ND PRIZE—12 MONTHS FREE THRIF-T-SERVICE, APPROXIMATE VALUE, \$50.00.
- 3RD PRIZE—12 MONTHS FREE WET WASH SERVICE, APPROXIMATE VALUE \$40.00.

Coupons will be issued in duplicate on all bundles done under either of above services, one will be retained by the customer, the other placed in a box in our office, from which the winning numbers will be drawn. Coupons will be issued with every bundle done under the above services on or before November 31, 1927. Every Tuesday and Thursday afternoon from 2 until 4 o'clock we will be pleased to show you through our plant and explain the various processes used in producing clean, sterile, pleasing and economical Laundry Service.

Prices and description of above Services are given below.

MISSING!

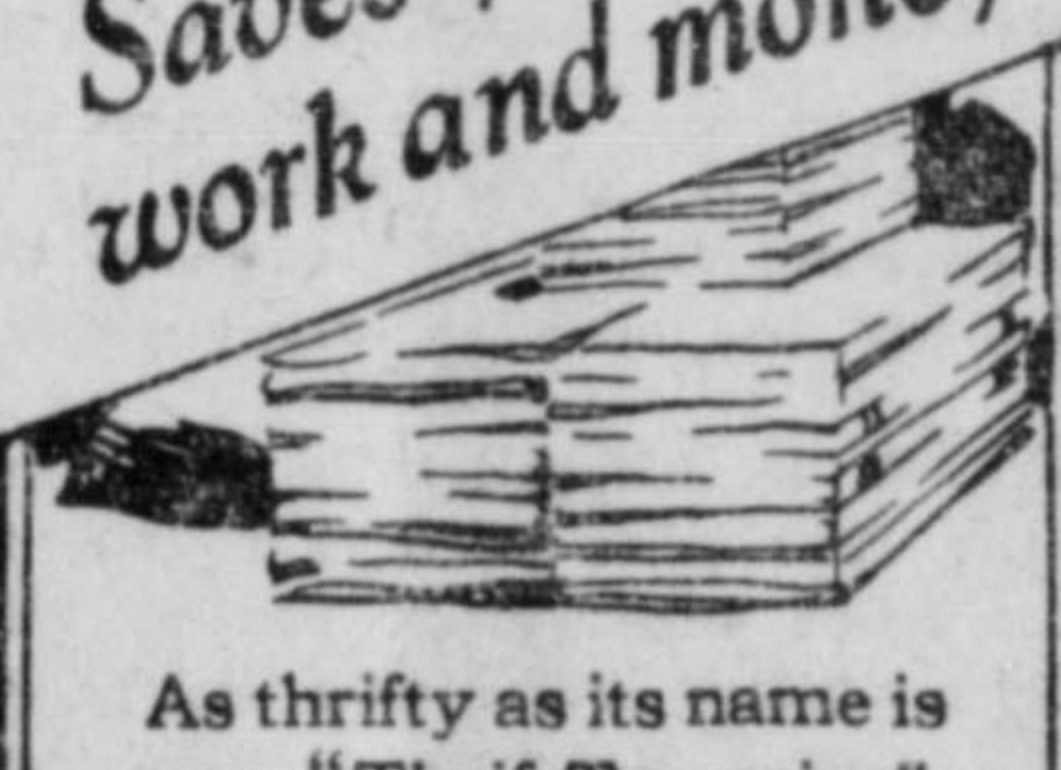

Not much left of washday when you use our soft finish service. No tub—all the washing is done. No clothesline—everything comes back dry. And no flat-work ironing—that, too, is completely cared for. The hardest and longest part of washday is missing—and this family service is so low priced that it's an economy as well as a convenience. Let us call this week and take away the part of washday that you'll be most happy to miss.

SOFT FINISH
7¢ a pound plus 1¢ per piece. Minimum charge \$1.25.

"Thrif-T..."
Saves you time,
work and money

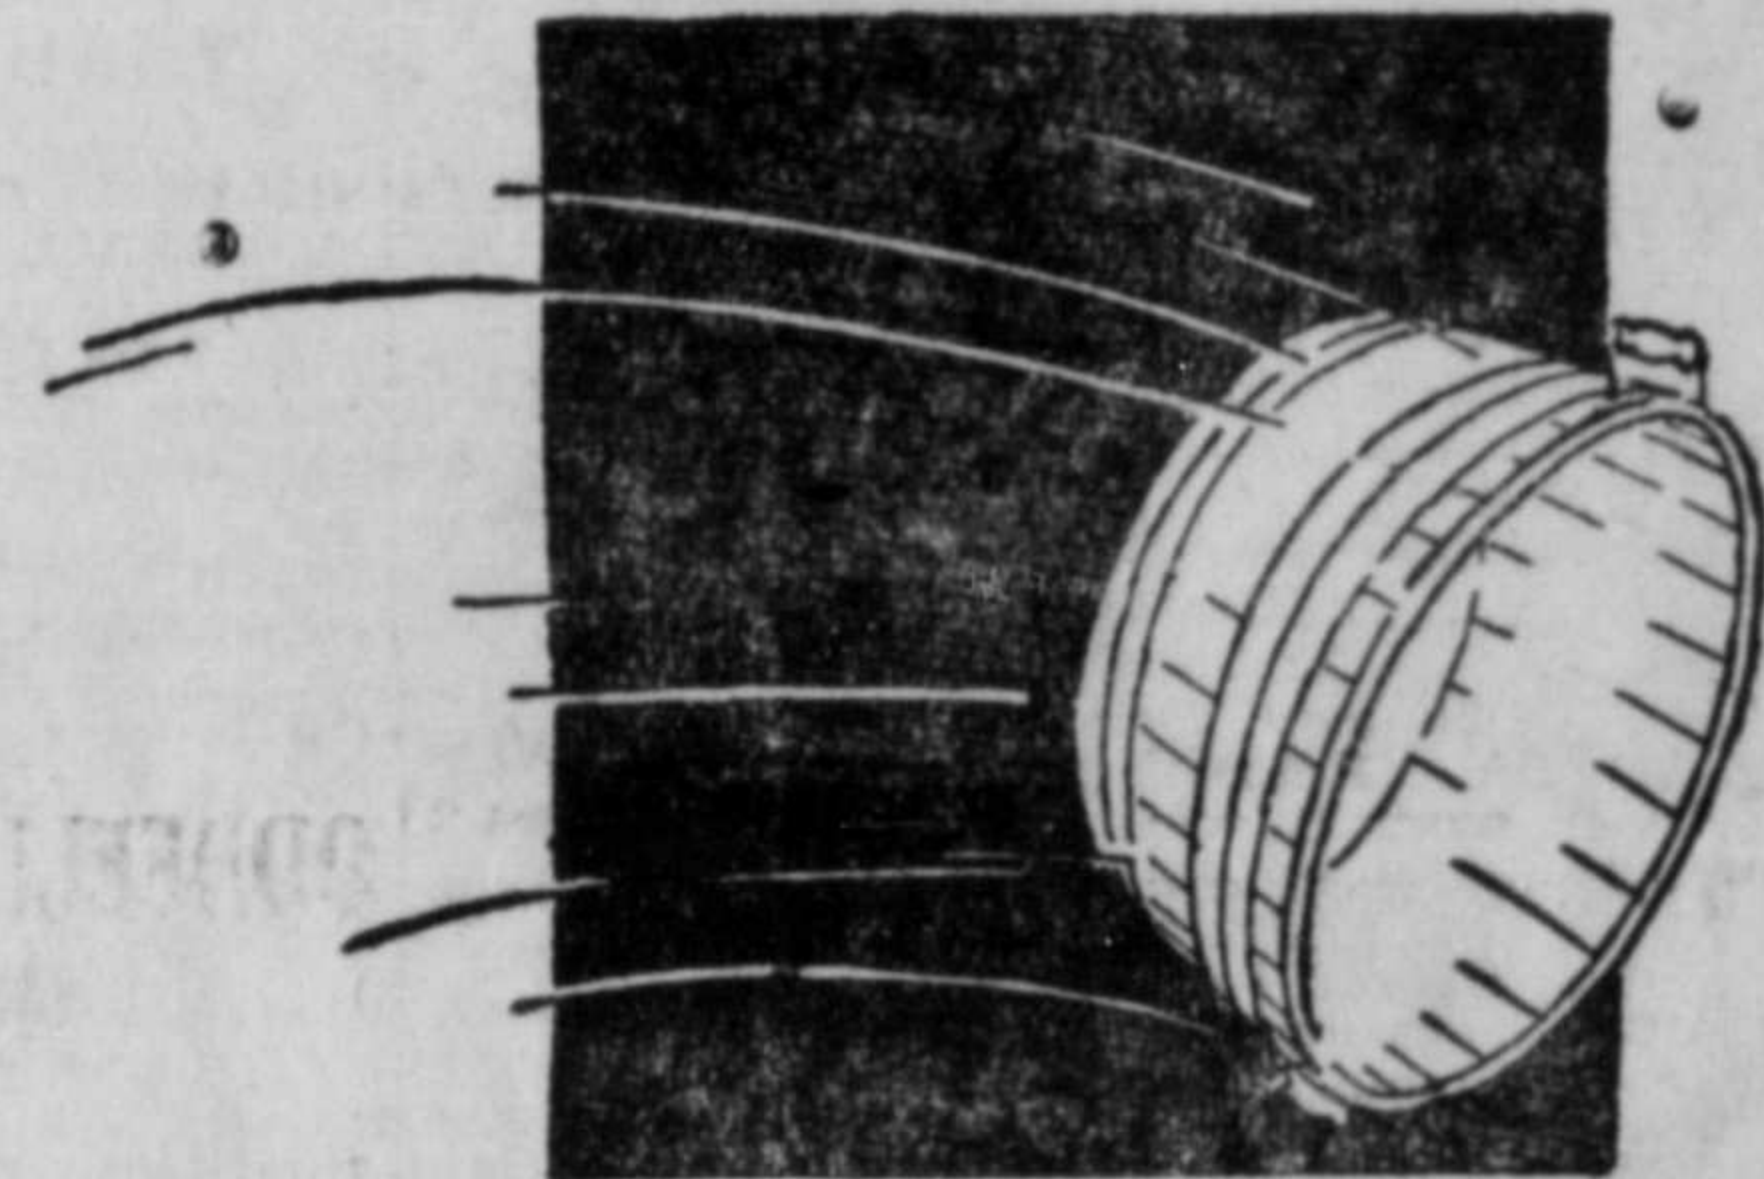

As thrifty as its name is our "Thrif-T-service". It saves you time—the day or more you spend with the washing. It saves you work—for it does all the washing and irons flat-work, too. It saves you money—for the cost is only a few cents a pound. Call us for "Thrif-T-service" today—the thrifty way of having your washing done.

Thrif-T-service

Send it to the Laundry

The WASHTUB... Something you're glad to tell "Good-bye"

There is no woman who does not enjoy saying "good-bye" to the wash-tub. And there is no need for any woman to even have one about the house. For our Wet Wash Service does all the washing and returns your bundle, fragrantly clean, ready to starch, iron or hang out to dry. When you see how well it is done and how little it costs—that is when you'll say "good-bye" to the wash-tub forever.

Wet Wash 5—c a pound

5¢ per pound plus 1¢ per piece. Minimum charge \$1.00.

NEW HAZELTON

An interesting wedding took place Monday morning in the Roman Catholic church at Hazelton when Miss Hilda Christine Spooner, youngest daughter of Mr. and Mrs. Ralph Spooner of New Hazelton, was married to Stanley Gould, well known C.N.R. brakeman. Mr. and Mrs. Gould have left for Battleford, Saskatchewan, the home of the groom, to spend their honeymoon and, on their return, will take up residence at Smithers.

Half a dozen men are being employed by a Vancouver syndicate on the coal mine at Seaton which is to be developed to a point where shipments can be made.

Dr. Hall of Vancouver was here this week engaged in an investigation of tuberculosis conditions of the Indians. He and Dr. Vrooman are members of a special commission appointed for this purpose by the federal and provincial governments.

Prince Rupert Branch - F. E. Robertson, Manager

Twenty men are now employed at the Silver Cup mine on Nine Mile Mountain, which is being developed preparatory to making shipments. The company has a compressor on the way and one or two carloads of lumber for building purposes. It is expected that regular shipments will be made during the winter.

Miss Thorselsen, the new teacher, has arrived and opened the school. Mrs. Moore and daughter of England, are visiting here with Mrs. A. E. Falconer and Mrs. F. E. Goddard. Mrs. Moore and Mrs. Goddard are sisters.

Dr. Leonard Winick will arrive in Hazelton on October 5 to join the staff of the Hazelton Hospital of which his father, Dr. H. C. Winick, M.A., is medical superintendent.

Al Harris has gone up to Topley to spend a few days.

Mr. Hall of Tacoma, one of those interested in the Silver Cup mine, has been the guest of William Muir, superintendent of the property.

The Women's Auxiliary to the Hazelton Hospital held a miscellaneous shower in the Assembly Hall yesterday.

E. A. Goddard of Pacific spent last week-end at his home in Hazelton.

Peter Spooner came down from Smithers this week for a brief visit.

Mr. and Mrs. Edgar Harris were visitors here this week from Smithers.

THE PIONEER LAUNDRY KIDS

YOU KNOW WHAT I MEAN YOU KNOW HOW A FELLOW HOLLERS WHEN A LAUNDRY SPOILS HIS COLLARS. WELL, he won't holler with anything but praise when his collars are returned from this laundry. There's a feeling of comfort and newness when he puts it on and he smiles again when he sees it in the mirror. When you have your collars laundered our way just once, you'll wonder why you hadn't enjoyed real comfort before.

Pioneer Laundry Phone 118

staff of the Hazelton Hospital of which his father, Dr. H. C. Winick, M.A., is medical superintendent.

Mr. Hall of Tacoma, one of those interested in the Silver Cup mine, has been the guest of William Muir, superintendent of the property.

The Women's Auxiliary to the Hazelton Hospital held a miscellaneous shower in the Assembly Hall yesterday.

E. A. Goddard of Pacific spent last week-end at his home in Hazelton.

Peter Spooner came down from Smithers this week for a brief visit.

Mr. and Mrs. Edgar Harris were visitors here this week from Smithers.

SMITHERS

Under a deal completed by Frank H. Taylor, in Vancouver recently, work started this week on an option taken by J. J. O'Brien of Pennsylvania on the King Tut property, one mile east of the Dutchie mine. Money to start a small program of work was wired to the Smithers bank this week and operations will be directed by Mr. Taylor.

The Smithers town council has decided to send a delegate to the convention of the Union of B.C. Municipalities to be held next month in Nanaimo. A number of suggestions for amendments to the Village Act will be submitted.

A school is to be opened at the Dutchie Mine and it is understood that a teacher has already been engaged.

Mrs. N. H. Kilpatrick is the winner of the first prize of \$200 in the Interior News subscription contest. The Telkwa Nursing Home won second prize of \$75 and J. McKenna of Burns Lake third prize, \$25.

There was a large concourse of mourners at the funeral of the late D. C. Sangster which took place yesterday afternoon from the United Church, Rev. George Turpin officiating.

The directors of the Smithers Hall Co. have accepted a proposal advanced by Omicron Lodge, A.P. & A.M., for the reconsolidating of their lodge room at a cost of \$75.

The death of Dan McKinnon in Smithers last spring was brought back to the minds of his friends this week with the arrival of a dressing wagon for the Smithers Hospital which is dedicated to the memory of the old timer. At the time of his funeral it was considered that this piece of equipment would be more in place than a heap of flowers and a subscription was taken for the purpose.

Ladies of Smithers were entertained by Mrs. T. W. Brewer at a card party in St. Joseph's Hall Monday evening. Prize winners were Mrs. Stanley Bennett, Mrs. G. H. Wall and Mrs. L. B. Warner.

HOTEL ARRIVALS

Powers, Sunnyside; John Elde, Port Essington; J. Capling, C.N.R.; Marie Knutson, Norway; Tom Penney and Mr. and Mrs. Bostrom, city. Harry Slack of Inverness Cannery called this afternoon on the Princess Beatrice for Vancouver.

LOCAL NEWS NOTES

T. Tucker is booked to sail tomorrow afternoon on the Prince John for Queen Charlotte City.

Miss Phyllis Lamb and Miss E. MacKay, school teachers at Port Simpson, arrived on the Cedars this morning to spend the week-end in town.

John Dymharn will sail on the Prince John tomorrow afternoon for Massett to pay a visit of inspection to operation at the Massett Cannery.

W. E. Payne, secretary of the Vancouver Board of Trade, and Mrs. Payne and son were passengers on the Cedars this morning returning south after having made the round trip on the vessel. Mr. Payne is taking this brief holiday as a respite from an active season's duties with the board this year.

Capt. E. Mathe has wireless local Canadian National Coast Steamship offices that the Prince John may be expected some time tomorrow from Vancouver via the Queen Charlotte Islands. Departure of the John south on the same route will be delayed until the arrival of the Catala from Vancouver.

The following finals in the City Tennis Tournament will be played Sunday at the Prince Rupert Tennis Club Courts, 10:30 a.m. Mixed Doubles, 1:15 p.m. Men's Singles, 4 p.m. Ladies' Singles, 4:30 p.m. Men's Doubles. Tea will be served in the afternoon and a collection for the purpose of providing prizes will be taken.

C.P.R. steamer Princess Louise, Arthur Slater will call in port Monday morning northbound from Vancouver to Skagway. This will be the last voyage of the season for the Louise which will be replaced by the Princess Alice for three trips on a ten day basis, the Princess Mary coming on the winter schedule in November.

CHEVROLET Asks No Quarter

CHEVROLET takes conditions as they come... and overcomes them. Rough roads leave Chevrolet unconquered. Even where no road existed, Chevrolet has still provided transportation. Chevrolet Fisher bodies are strong as they are beautiful; and the Chevrolet engine is as rugged as it is smoothly powerful. Chevrolet is built to endure.

The quality which gives Chevrolet such staunch dependability is the same quality which gives Chevrolet the lowest up-keep and maintenance costs in the world. And this—the most amazing quality in Chevrolet History is now available at new, lower prices, the lowest for which Chevrolet has ever been sold in Canada.

Let your Chevrolet dealer demonstrate Chevrolet performance.
