THE NEW CABINET

There were some surprises in the new Tolmie cabinet but on the whole it seems a satisfactory one. There are a lot of good men opens on September 10, proving as in it and it is a much larger cabinet than that of the Liberal cabinet which preceded it. The admission of R. W. Bruhn as president of the council does not seem to have been generally anticipated and W. Atkinson of Chilliwack as minister of agriculture was also rather a surprise.

The appointment of F. W. Burden of Prince George as minister dairy and culinary sections: of lands leaves that portfolio in the north and will be generally sat- The Quaker Oats Co., Saskatoon, offer isfactory. Mr. Burden should make a good minister. H. S. Lougheed, one 98-lb. sack and one 49-lb. sack the new minister of public works, lived for some time in Prince Rupert when with a partner he held the lease of the Prince Rupert Flour contestants to purchase such from mill some time prior to its being burned down. At that time he showed himself to be a capable man.

The portfolios are well distributed and no section of the province can well complain from neglect in that respect.

We know nothing of the rates by local laundries, whether they are too high or not, but we do know that supporters of the hospital would not like the idea of sending the work out of town if it is possible to have it done at anything like a reasonable rate here.

ROUND TABLE TALKS

There is nothing like a round table talk to enable people to discuss difficulties and try to eliminate them. In the matter of British immigration to this country, difficulties arose but when Lord Lovat Prize and 10 cans Milk for 3rd Prize went to Ottawa and talked the matter over with the authorities the Confestants to attach sales slip to exdifficulties were easily removed and it is announced that as a result there will be a steady flow of British immigrants to this country. " That is very satisfactory as indicating that the British Empire really means something.

GREAT EDUCATIONAL INSTITU-TIONS FOR BOYS VISIT

JASPER, Aug 22-To get a glimpse at first hand of the size and possibilities of this particular portion of the new world, thirty-four young men, representing those strong holds of tradition. the public schools of England, arrived in Jasper this morning. They are travelling across Canada under the auspices of the School Empire Tour Committee. composed of the governors and headmasters of the public schools of Britain and sponsored by Col. Emery, Secy. of State for the Dominions. In the group are boys from Eton, Harrow, Stowe, Winchester, Rugby, Marlborough Clifton, Eastbourne, City of Oxford, Kidderminister and Tunbridge. They are accompanied by the Rev. E. H. Rowley, E. C ... master of Harrow, in charge of the tour, Lieut D. A. H. Wynne, Rifle Brigade and Henry Studholme, who acts in the capacity of advance agent.

The party landed at Quebec from the White Star line "Calgaric," were shown the historic fortress of the city, and left immediately for Ottawa where they were received at Government House and vis- | ited the government experimental farm. The next stop was at Timmins, Ontario where the mining activities took their attention and gripped the imagination of the travellers. The pulp and paper mill at Iroquois Falls were visited and i then they proceeded to Saskatoen, visting farms in the neighborhood. In Edmonton, Canadian methods of dairying and a visit to wheat elevators took up the morning. Tea at Government House in the afternoon and a dance in the evening completed a delightful day, during which the young Englishmen were entertained by private citizens and they intended to camp and the two stop across the continent during which ooned. time they are "to do exactly as they H. When You Have Run The First Lap It Is Not a Victory-Only a Step Forward

So evenly have honors been divided up to the present in The News' Great Automobile and Subscription Campaign that it depends almost entirely upon the individual efforts of each candidate during the remaining few weeks as to who will finish with "Flying Colorc" and be acclaimed the winner of first honors and the two Big Motor Cars.
