WORLD PEACE TREATY IS PLANNED

CONSERVATIVE CONVENTION NOMINATES J. H. THOMPSON

Invitations to Nations to Join in Forming a Treaty Binding Them All Not to Resort to War

Secretary Kellogg issued the invitations after agreement with Premier Briand of France on procedure

WASHINGTON, D.C., April 13. — Britain, Germany, Italy and Japan were invited today by notes presented simultaneously at the various capitals to join with France and the United States in negotiation of a world-wide treaty binding the nations not to resort to war.

The invitation was extended by Secretary Kellogg after an agreement on procedure with Aristide Briand, Premier of France.

Secretary Kellogg submitted a draft representing in a general way the form of treaty the United States was prepared to sign. The language was almost identical with the original treaty proposed by Briand to the United States last June.

TREATY WITH FRANCE GIVEN APPROVAL HERE

OBJECTION TAKEN TO METHOD OF PUTTING IT IN FORCE TAKEN BY CANADIAN

OTTAWA, April 13.—A resolution calling for approval of the international sanitary convention signed at Paris on behalf of Canada last June was introduced into the House of Commons Thursday by Premier MacKenzie King who explained that the agreement covered international defense measures against communicable diseases. After a lengthy debate the resolution was carried.

C. H. Cohen, Conservative, said from what he read of the convention, it would commit Canada to large expenditures. Also he asked why the treaty was brought to Parliament in Britain when treaties were signed in the name of His Majesty they became part of the law of the country at once.

The Premier replied that in the protocol to the convention, Canada had reserved the right to determine the extent of participation in the measures set out. As to ratification by Parliament, this was in accordance with the policy adopted by the present Government respecting treaties.

RUMOR OF DEAL FOR P.G.E. RY.

LORD ROTHERMERE AND ASSOCIATES SAID TO HAVE MADE OFFER FOR IT

VICTORIA, April 13.—There is a persistent rumor here that not only are the British and Canadian capitalists associated with Lord Rothermere likely to acquire control of the B.C. Electric Railway Company, but that they are most likely to make an offer for the P.G.E. Railway, which the provincial government is seeking to sell.

No official confirmation of the rumor is available.

BROKE INTO EMPTY SAFE

VANCOUVER, April 13.—Burglars broke into the safe of the Britannia Mining & Smelting Company at Britannia mines Wednesday and only the fact that payday at the mines had been changed saved a fifteen thousand dollar payroll. The safebreakers went unrewarded.

LEGION HOLDS A CONVENTION

KAMLOOPS GATHERING DISCUSSES FINANCES OF THE ORGANIZATION AND SUGGESTIONS MADE

KAMLOOPS, April 13.—A recommendation that the Dominion command be urged to reduce the per capita levy from one dollar to 75c was made by Robert MacNichol, secretary-treasurer, on the opening yesterday of the convention of the provincial command of the Canadian Legion. He said two thirds of the per capita tax went to the Dominion command, averaging more than \$490 a month. It divided equally the provincial command would be self-supporting without resulting to campaigns to raise funds.

It was recommended by the secretary that the provincial government be asked for a grant. There were 93 charter-branches in the provincial command, he said, with a total membership of 7,315 and 1700 applications had been received for membership in the past six months.

SIR PERCY LAKE AT LEGION CONVENTION

Progress Being Made States Dominion President at Kamloops

KAMLOOPS, April 13.—Addressing the Canadian Legion, B.C. command at their annual convention here yesterday, Sir Percy Lake, Dominion president, congratulated the provincial body on the progress made in the number of chartered branches. Great progress was being made by the Legion in Canada, he said.

The issue of membership cards and badges by the provincial body instead of the Dominion command was recommended.

The open air parliament at Thingvellir, Iceland, is visited every year by thousands, because it is the oldest in the world, having met first in A.D. 930.

The issue of membership cards and badges by the provincial body instead of the Dominion command was recommended.

Enthusiastic Meeting Decides Hold Fair This Year and Fills Vacancies Board of Directors

THERE was a large and enthusiastic meeting of the Fair Association in the city hall last night with Alderman Prudhomme presiding and Percy Tinker secretary, at which four directors were elected to fill vacancies and amid considerable enthusiasm it was unanimously decided to proceed with the holding of a fair this year. Between fifty and sixty persons were present.

Mayor McErdie called the meeting to order and urged that the fair was a good thing for the city and he could not understand the present lack of interest. After electing chairman and secretary the meeting got down to business. The new directors chosen were M. P. McCaffery, W. A. Sherman Jr., G. Gulick and J. D. Fraser, those already chosen being Alderman Prudhomme (representing the city council), Howard Steen, Joe Brown, N. Mussaem, J. J. Gillis and George Casey. Mr. Casey announced that Oler Besner had not yet been heard from but if he decided to act on the directorate, he (Mr. Casey) would retire and make a place for him. The scrutineers were O. Hanson and L. J. Bell. The new directors will meet on Tuesday.

LARGED CARRY ON Among the speakers Olof Hanson strongly urged that the fair be carried on. The debt had been wiped out and improvements paid for. Last year was the first time the interior people had backed up the fair and this year even greater efforts would be made in that direction. He moved that the fair be held this year as usual.

After some questions M. P. McCaffery seconded the motion and it was carried without a dissenting voice. In answer to questions it developed that the provincial government last year contributed \$450, a special grant having been made to help out with the debt. The ordinary grant was from \$200 to \$300. The Indian department gave \$300 and the city this year had set aside approximately \$1250. The businessmen of the city were expected to do the rest.

D. Jabor suggested curtailing the activities of the fair to the local area and thus saving several thousand dollars. Instead of spending from ten to twelve thousand dollars they could run it for from five to seven thousand and give prizes for an Indian band competition. S. E. Baker expressed the opinion that if the fair were not held it would look as if the city was on the down grade. M. P. McCaffery spoke of the good work done by Alderman Prudhomme when he managed the fair on a former occasion. It was the third fair in the city and was a good one. T. Ross McKay suggested a log rolling contest. Nominations from which the additional members of the board were chosen were G. Gulick, Harry Macey, J. Fraser, Kenny McQuade, M. P. McCaffery, Wm. Sherman Jr., and W. J. Kirkpatrick.

VICTORIA TUG IS TOTAL LOSS

VANCOUVER, April 13.—The Victoria tug, Red Fir, is thought to be a total loss in Lewis Channel where she sank in 25 fathoms of water. She struck the cliff Wednesday morning. The tug is more than 40 years old and was formerly named Queen. The blow loosened the superstructure, which floated off.

INDIAN WAS DROWNED AT NANAIMO LAST EVENING

NANAIMO, April 13.—Louis Martin, an Indian, was drowned and his wife rescued after clinging for half an hour to a gasboat anchor line last evening. The two had been upset out of their canoe when returning to the gasboat and the woman caught the anchor line. The man tried unsuccessfully to climb up the side of the boat and finally became exhausted and drowned.

BRITISHERS ARE WANTED

DIRECTOR OF IMMIGRATION ASKS THAT IT BE MADE CLEAR IN BRITAIN

OTTAWA, April 13.—"We should go to the limit to make it clear to what all the Britisheers that we can settle to come to this country," W. J. Black, director of colonization of the Canadian National Railways informed the agricultural committee of the House today.

Dr. Black declared that since the public of Great Britain appeared of the opinion that Canada was not anxious to encourage British to come to this country, an effort should be made to convince them to the contrary. He made recommendations concerning medical and civil inspections, the movement of juveniles and single men with a view to encouragement of British immigration.

Hotel proprietors on the French Riviera are offering rewards for the ingenious who will invent a new pastime for the thousands of tourists who go there every winter.

German Plane Reported Seen but No Definite News of the German Monoplane Reaching This Continent from Ireland

NEW YORK, April 13.—Captain Barkhouse of the government steamer Arras reported seeing a plane flying over Kingsport, Nova Scotia, on or about the Bremen's scheduled time but too high to distinguish the markings. No other plane is known to have been flying in the vicinity and the captain felt sure it was the Bremen.

Bath, Maine, reported that a plane was heard in that vicinity later.

There were unconfirmed reports that a plane was sighted over Newfoundland earlier.

Except for these indefinite reports no word has been heard of the Bremen since she was a short way over the Atlantic, following the takeoff from Balonelle at 5:38 yesterday morning.

LENNIE WILL MAKE INQUIRY INTO POLICE

FLETCHER AGREES TO SUBMIT EVIDENCE IN HIS HANDS TO BARRISTERS

VANCOUVER, April 13.—With only one dissenting vote the city council last night appointed R. S. Lennie, Vancouver barrister, to conduct an investigation into the alleged irregularities within the police department. A. H. McNeill, K.C., will assist in the inquiry, which will be held under the provisions of the city charter. Alderman McInnes asked for a Royal commission.

Police commissioner Fletcher said he had complete confidence in the integrity of Messrs. Lennie and McNeill and would place all the evidence in his possession before them and co-operate to the fullest extent in the performance of their work.

BROADCASTING IS CONSIDERED

GOVERNMENT MAY TAKE OVER WHOLE SYSTEM AS IN BRITAIN IS ANNOUNCED

OTTAWA, April 13.—Hon. P. J. A. Gardin announced in the House today "In view of the development in recent times of broadcasting and having regard to the seemingly unsatisfactory condition now obtaining, the Government is giving consideration to the question whether or not it would be generally advantageous to adopt the policy of national broadcasting along the line adopted in this respect by the British Government."

Convention Last Night Chose James Thompson Conservative Candidate

No Other Name Mentioned at Meeting Which Was Well Attended and Representative of District

JAMES H. Thompson, pioneer hardware dealer in this city, last night received the nomination of the district Conservatives to contest Prince Rupert riding on their behalf in the next provincial election. Mr. Thompson's name was the only one submitted at the convention which took place in the party club rooms. There was a large and enthusiastic gathering, spectators in addition to delegates, and the candidate received an ovation after his selection had been made.

The nomination was proposed by C. H. Orme and seconded by John Flewin, both of whom made enthusiastic speeches. Other speakers were Walter Dehnan of Vancouver, Conservative organizer for British Columbia, who arrived in the city on yesterday afternoon's train, following a tour of the interior, and sailed last night for the south; D. C. Stuart, W. R. Love, E. A. Mann, W. W. Wright and Miss E. M. Erie. Much optimism as to the party's prospects of success was expressed and the conviction was voiced that there would be an election within a few months when the Conservatives would sweep the province. W. E. Fisher, president of the association, occupied the chair. There was a full attendance of delegates and harmony prevailed.

NEWTON IGNORED The self-announced Conservative candidate, Ex-Mayor S. M. Newton, was not present nor was the situation caused through his entry into the field discussed.

Mr. Thompson, who enjoys general popularity and esteem and who may be counted upon to make a strong run for the seat, is a native of Nova Scotia. He is a brother of Dr. Alfred Thompson, for years member of parliament for Yukon, and came here from Sandon in 1909. He had been engaged in mining in the Sitka district for ten years but, upon arrival in Prince Rupert, he built a store on the old railway reserve town-site and established a hardware business which he has since successfully conducted. Mr. Thompson, though this is his first entry for honors upon the political field, has seen considerable public service in Prince Rupert. He was a member of the police commission in 1915 when that office was appointed by the provincial government, has also been a school trustee and for the past two or three years has been president of the Prince Rupert General Hospital Association. Unostentatious and unassuming, he has, nevertheless, been an effective worker.

Mr. Thompson for years has been a prominent member of the Masonic Order, here. He is also an Oddfellow and a member of the Rotary and Prince Rupert Clubs. He was active in the board of trade for some years.

W. E. Fisher called the meeting to order after which J. C. McLenagan was elected chairman of the delegates and took the chair. H. A. Breen acted as secretary and the credential committee consisted of R. W. Cameron, John Laurensen and C. J. Graham. Delegates were present representing various outside points in the riding.

The highest hotel in Europe is the Kulm Hotel, at the terminus of the Zermatt-Gornergrat Railway in Switzerland. It is thirteen times higher than the Woolworth Building of New York.

The questions must be answered before the local registrar on Friday or Saturday.

PREMIER TELLS OF FINANCES

SAYS BRITISH COLUMBIA COMPARES WELL WITH OTHER PROVINCES THIS REGARD

VANCOUVER, April 13.—There would not be a dollar of B.C.'s debt in 1929 which could not be provided for in the sinking fund, stated Premier McLean, addressing the annual meeting last night of the B.C. branch of the Canadian Manufacturers' Association.

The Premier reviewed the financial position of the province indicating that the obligations were well within the reasonable limits of the population and resources of the province and that in comparison with other provinces of the Dominion, B.C. was in a "very satisfactory position."

CONFIRMS SALE B.C. ELECTRIC

CABLE TO PREMIER MACEAN SAYS TRANSACTION INVOLVES WHOLE OF SYSTEM

VICTORIA, April 13.—Premier MacLean has been informed from London that the British Columbia Electric Railway has been purchased by a syndicate headed by Lord Rothermere. The cable, which gave no details, was from Mackay Edgar and George Prescott, who visited British Columbia some time ago. The transaction involves a consideration of approximately \$2,000,000 and includes the company's street railway services on Vancouver Island and the power and gas plants.

U.B.C. GAVE REGINA 63 TO 30 DRUBBING IN FIRST GAME OF SERIES

REGINA, April 13.—Regina basketballers suffered a 63 to 30 drubbing in the first game against the University of British Columbia in the semi-finals for the Western Canada championship. The second game will be played Saturday night, the total goals to count. The winners play the Totlers in Winnipeg for the western title.

WOODHEAD PRESIDENT TEACHERS' FEDERATION

J. S. Wilson of Prince Rupert Member of Executive for Northern B.C.

VANCOUVER, April 13.—T. W. Woodhead of Vancouver was chosen president of the B.C. Teachers' Federation. John S. Wilson of Prince Rupert was appointed a member of the executive representing northern British Columbia.

New York Rangers Won Fourth Game of Hockey Championship Series Leaving the Teams Tied

MONTREAL, April 13.—The New York Rangers defeated the Montreal Maroons one goal to nothing last night and tied up the Stanley Cup series at two games each. The fifth and deciding game will be played Saturday.

The Rangers faced the battling Maroon squad but met their aggressive play and earned the win. The first period ended without score. In the second the Rangers earned their one-goal margin when three men penetrated the Maroon defense with Boucher flipping the disc over the prostrate body of the Maroon goalie.

The Maroons had a slight edge in territorial play but which they were unable to convert into goals owing to the good work of Miller, the Ranger goalie. The Ranger defense proved impenetrable for the remainder of the game. It was a strenuous struggle in which

SCHOOL BOARD ONE EVIL DAYS

INTERESTING SIDELIGHTS BUT LITTLE REAL BUSINESS DONE AT MEETING. The Prince Rupert school board has come upon evil days. It is something like the Canadian Senate. It looks very wise and it feels itself very august. But it doesn't do very much and takes a long time to do it. Last night's monthly meeting was possibly a sample. Four good men and one superlative woman, who might have been spending their time more profitably, took two hours to transact some business which might as well have been done in fifteen minutes.

After everything from pedlar's licenses to international goodwill, all of which may or may not have to do with the welfare of the public schools of Prince Rupert, had been discussed, there was an interesting sally or so, notably when the lady trustee had her say. It came about after they had heard a bookseller who desired to ply his trade among the parents of school children. His set of books, it turned out, were published in the United States but had many Canadian authors. The lady trustee regretted that it was necessary to publish Canadian books in the United States bill Canada was lucky, at that, to have a cheap place in which to do its printing. Her was the lady trustee in agreement with the suggestion of the chairman that the American educational system and ideas were inferior to those of Canada. She had taught school in United States and therefore was in a position to speak with some authority. United States might have its defects but it also had its good points. She did not agree that it was inferior to Canada.

The Chairman—'Aren't you a Canadian, Mrs. Spencer?' The Lady Trustee—'I certainly am not. I am a New York State girl and proud of it, too, Mr. Rochester.' So that was that. NIGHT'S ACCOMPLISHMENTS. Following were the board's accomplishments of the evening: Ringworm at Westview School—referred to the doctor. Garden tools at Westview School—referred to school committee. Piano for Westview School—referred to school committee. More seating in domestic science class—referred to school committee. Request from Miss Leitch for increase in salary—enquiries to be made. Cenotaph contributions from children—referred to principals. Applications for positions—filed. Fernie request for salary schedule—sent with secretary. Tenders for lumber—referred to committee for action. Accounts totalling \$8,231.05—passed. Tender for stove—referred to committee. Repair of manual training benches—referred to committee. Suggestions from secretary re purchasing supplies—filed for future reference. Discussion of water charges—referred to chairman. Successor to Dr. Tremayne as school doctor—no action. Application to sell books—referred to chairman.

So this is what the school board spent two hours doing. The schools will, nevertheless, probably continue to keep running. The board has indeed come upon evil days. But it looks very wise and thinks itself very august. It is suggested that next month they might bring their knitting.

WOULD CHANGE METHOD OF BUYING SUPPLIES

Secretary of School Board Makes Suggestion with a View to Standardization and Economy. At last night's school board meeting, a letter was read from Secretary J. O. Williamson suggesting that a change be made in the method of ordering supplies. He suggested that an inventory be taken in November and that the estimate of requirements be made before the estimates for the year were turned in. He also suggested the standardization of such supplies as paper and stationery so that the various schools might be supplied from a central depot, thus avoiding over supplies or scarcity. Chairman Rochester approved of the suggestions which will be dealt with by the board in due course.

AFTER There's Nothing To Equal Zam-Buk FOR THE SKIN!

SCHOOL CHILDREN MAY CONTRIBUTE CENOTAPH FUND

A communication from the Canadian Legion suggesting that the children of the schools be given the opportunity to contribute to the fund for the establishment of a cenotaph in the city was referred by the school board last night, after considerable discussion, to the principals with power to act. The form that the war memorial should take was discussed. Mrs. Spencer felt that it should be something more than mere stone and suggested a gymnasium. Trustee McMeekin and Rochester were inclined to sympathize with this view. Trustee Gilchrist felt, at least, that Prince Rupert had already delayed too long the establishment of a memorial.

EAST END LADIES' AID TO ST. PAUL'S LUTHERAN CHURCH

Organization of an East End Ladies' Aid to St. Paul's Lutheran Church was effected at a meeting yesterday afternoon at the home of Mrs. Thor Strand.

1130 Tenth Avenue East. Officers were elected as follows: President, Mrs. Thor Strand. Secretary, Mrs. L. Dydandahl. Treasurer, Mrs. J. H. Hansen. The motto: 'A New Church' was adopted. The next meeting will be in May at the home of Mrs. J. Murvold, 508 Hall Street.

GAVE SONG RECITAL IN UNITED CHURCH

S. A. McPherson Gave Varied Program and Excelled Himself in Kipling's Poem 'Boots.' A varied program of baritone solos was given in good style at a recital last evening in the United Church by Samuel A. McPherson, one of the latest additions to Prince Rupert musical ranks. Mr. McPherson announced that he had been suffering with a severe cold for three days and might not be in the best of form. He gave interesting descriptions either before or after each song he rendered. He excelled himself particularly in the recitation of Rudyard Kipling's famous poem 'Boots.' Miss Marjorie Lancaster acted as piano accompanist.

THIRD INFANT TO DIE HERE WITHIN A WEEK

Infant Daughter of Mr. and Mrs. Joseph Ware Succumbs in Local Hospital. The third baby a few days old to die in the city during the past week was Violet Ware, one month and 20-day old daughter of Mr. and Mrs. Joseph Ware, Fraser Street, whose death occurred yesterday afternoon about 5 o'clock in the Prince Rupert General Hospital. The funeral will take place tomorrow from the chapel of the B.C. Undertakers to Fairview Cemetery, Rev. Walter Allen of Stewart officiating.

SAILORS ON GRAIN SHIP ANGLO-INDIAN PLEASD WITH PORT

Mr. and Mrs. McDougall and Mr. and Mrs. Ellison, Palmer House, have entertained the Southshields boys of the grain steamer Anglo Indian several evenings this week. They find the north very interesting and are hoping that they may return in the near future. They seem to think that Prince Rupert will soon be another Montreal. Many friends were at the wharf last night as the steamer Prince George pulled out to give a hearty send-off to Dr. H. E. Tremayne who left for William Head quarantine station where he will join the staff. Many expressions of good wishes were voiced. Mrs. Tremayne and family will follow south next week. Meantime, Mrs. Tremayne is being made the raison d'être for many farewell social functions.

A Nut that is Not a Nut. REFERRING, of course, to the succulent peanut, which, unlike normal nuts, grows underground, and is the root instead of the fruit of growth. But this does not nullify its native nuttiness. All this scientific information (for which no extra charge is made) leads up to the suggestion that Peanut Cookies are wonderfully appetizing and nutritious. Why not try a batch for that afternoon tea you are planning. Here's a recipe that gives fine results: 1/2 cup butter, 1 cup sugar, 1 egg, 2 cups flour, 3 teaspoons Magic Baking Powder, 1/2 teaspoon salt, 2 cups chopped peanuts, 1/2 cup milk, 2 teaspoons lemon juice. Cream butter and sugar, add beaten egg; sift together flour, baking powder and salt, add to first mixture alternately with milk, then add chopped peanuts and lemon juice. Drop on greased baking sheet by the spoonful and bake from 12 to 15 minutes. 'Bake your own' with MAGIC BAKING POWDER for greater satisfaction and economy.

TEAM DUE BACK HERE TOMORROW

PRINCE RUPERT HIGH SCHOOL BASKETBALLERS HAD WONDERFUL WEEK AT OCEAN FALLS

OCEAN FALLS, April 13.—Following a week's visit which has been replete with entertainment in their honor, the Prince Rupert High School boys' basketball team, which competed with the local High School in a series of three games, will sail by the s.s. Prince Rupert tonight on its return home.

On Tuesday afternoon, there was a shooting competition followed by an hour's practice. There was a girl's exhibition game in the evening, followed by the second inter-High School match, in which the visitors defeated the locals by a score of 18 to 17.

Before their practice on Wednesday afternoon, H. Taylor escorted the visitors on a trip through the mill which proved of great interest.

Yesterday afternoon weather was most auspicious for a boat trip on the lake back of town. Games in the evening were between the local All Star and Mechanics and between Prince Rupert and the Whiz Bang team, an Intermediate quintette. A dance was held later by the Athletic Association.

This afternoon a hike was made to "the farm" before the visitors embark upon their return home. An enthusiastic send-off will be given them at the steamer.

Ralph Smith, the manager of the Prince Rupert boys, proceeds from here on a business trip to Vancouver and other points in the south.

The Prince Rupert visitors were: Bob Irvine, Bob Stalker, Harold Macdonald, Allan Cross, Joe Scott, Danny Morrison and Tom Kelsey.

BORROWED FINERY

Disapproving Father: "I shudder to think Jean, what mother would say if she saw you in that frock." His Daughter: "Yes, so do I, dady. It's her frock."—Fort William Times-Journal.

Around The World With Sport Fans (By The Tramp)

Jimmy McLarnin who is on his way from Vancouver to New York where he will train for his big bout with Sammy Mandell on May 17, will not only get a goodly sum for the big display but during the workout he will gather in a few shekels from those wishing to see him work out.

Everybody hereabouts expects the Maroons to win the series for the world championship. But then everybody expected the Canadiens to win the semi-finals yet they did not. It is about as hard to guess on a hockey match of that sort as it is to guess which of the ponies will win a race at Tia Juana.

The legal battle between Kearns and Dempsey for a share of the Tunney fight receipts opens Monday in New York. It will be more interesting than some of the fight games.

Holding and wrestling is to be banned at the next big championship fight. It is said.

While everything possible has been done to popularize hockey in United States cities, there is apparently some disappointment at the gates, especially in some of the cities. The Stanley Cup R. W. Rivans, the University College games would not have been played in Montreal if the attendance in the U.S. cities had justified a change.

Johnny Risco is very anxious to get a look in at the world championship. His manager Danny Dunn has been talking about it and has an idea his

man can win. If he can't get a title bout this year he says he will keep his man in good trim with bouts against the runners up.

The Winnipeg Tollers basketball team looks like a possible winner of the basketball championship. They will play either Regina or the University of B.C. depending on which wins the semi-finals. The Tollers are champions of Manitoba.

Jim Corbett, ex-champion boxer, thinks cleverness in the ring is much more important than slugging ability. He says the best punchers have been whipped by clever fellows.

There has been a lot of criticism of the methods of the hockey moguls in making the winners of the league section play a semi-final before the big final series. The Canadiens were legitimately the winners of the Canadian section yet they had to stake their chances on the two semi-final games on which they were beaten. One sports writer says: "The pro hockey season is virtually confined to a few games about the time the baseball season is scheduled to commence. The rest of the fuss is merely preliminary."

Since so many of the fair sex in Toronto have become boxing fans that strange remarks are heard at the boxing shows. One such convert to the sport was heard to remark during a recent bout: "My, aren't the trainers kind to their men."

The date of the departure of the Canadian team for the Olympic games finally has been fixed for July 11, when the athletes will board the Albatross at Montreal. They will have just enough time on the other side to become acclimated somewhat and accustomed to their new surroundings before the games, which are billed for July 29 to August 4. The regatta is from Aug. 4 to Aug. 9, but at least two of Canada's representatives, Joe Wright, Jr. and Jack Guest, will be on hand early, as they will compete in the Royal Henley on the Thames. The swimmers will compete in the Royal Henley on the Thames. The swimmers will compete on the 3rd, 4th and 5th of August. The United States Olympic team will sail from New York on the same day the Canadians depart from Montreal.

The Edmonton Bulletin says: The Grads, must get to Paris. Edmonton could not afford to let them be cheated out of the chance to defend their world championship by lack of means to make the trip. This city could be internationally placarded as a "cheap" town if it left such a team at home while some inferior combination annexed its laurels through default. If Edmonton will attend to the expenses, the Grads will do the rest. Or that there need be any doubt.

The University of London A.U. will have two representatives in the Olympic Games at Amsterdam this year—J. London, the King's College sprinter, and in some of the cities. The Stanley Cup R. W. Rivans, the University College games would not have been played in long jump.

George Young is to be trained by Teddy Oke for the next Wrigley Marathon. He puts up the three thousand dollars necessary to pay the cost, and only asks that this be returned him if he wins. Oke is the man who trained

INSIST ON STERLING GIN

OR a quality Gin possessing the most pleasing flavor, ask for Sterling London Dry. It is distilled by experts according to the best London tradition and is thoroughly rectified to obtain perfect purity and sparkling clearness.

SPORT CHAT

Young for the Catalina victory. Serbia is planning to organize a county horsebox pitchers' league to include teams from all the surrounding villages. This may be no laughing matter if the league becomes a success.

It is to be hoped that the game will continue in the 1928 season to be actively played as has been the case in the past. Prince Rupert is the biggest town for several hundred miles in any direction and it would, indeed, be a pity should it not be on the baseball map. Even a two game league would tend to keep the players in trim for such games with outside teams as are usually played. Summer would not seem summer in Prince Rupert without baseball and it is to be hoped, for the good of athletics generally here, that it will be continued. Meantime, it is more necessary than usual that the Association should call a meeting early to go into the situation and get the arrangements for the season going without delay.

Negotiations are now under way for a bout between Jimmy McDonald, new of Prince Rupert, and Alf Harding of Calgary, announced Charlie Brown, McDonald's local manager. These boys have met before in "four round" bouts and each has defeated the other once. Harding is used to the ten-round game. He has boxed a number of such engagements in Calgary and thinks they are to his advantage. His two latest starts in the south were both won by knockouts and he is considered a very capable slugger. McDonald will have the backing of many local supporters if the bout is pulled.

Had a Severe Cold Coughed Incessantly

Mrs. C. Fehrman, Selkirk, Ont., writes: "Last winter I suffered from a very severe cold. I coughed incessantly which irritated the glands and caused sore throat. I tried several medicines without any luck, but one day I picked up your almanac and read about Dr. Wood's Norway Pine Syrup."

Dr. Wood's Norway Pine Syrup

"I got a bottle and after taking a couple of doses felt much relieved and when I had finished it my cold had simply disappeared."

"Dr. Wood's" is 35c. a bottle, large family size 60c.; for sale at all drugists and dealers; put up only by The T. Millburn Co., Limited, Toronto, Ont.

best that can be expected is a two-team senior league, even that would be a good deal better than nothing.
