Herbert Hoover Nominated for President by Republican Party at Their Convention Last Night

KANSAS CITY, June 15.—Herbert Hoover, of California, wartime food administrator of the United States and for the past seven years secretary of commerce under Presidents Harding and Coolidge, was nominated for the presidency on the first ballot last night at the Republican National Convention. It was a landslide in his favor. There was an exciting time when the result of the ballot was announced, even though the choice of the secretary had been a foregone conclusion. The number necessary for nomination was 542. The ballot showed the following figures:

HORNSBY OFF FOR 5 DAYS

BOSTON BASEBALL STAR EJECTED FROM FIELD FOR BAD CONDUCT

NEW YORK, June 15.—With each passing day, the triumphant song of the Red Birds of Cincinnati rings more plainly upon the ears of the National League. The pitching staff is again in working order and Manager Bill McKechnie, who once piloted the Pittsburgh Pirates to the world's championship, now has the Red Birds headed for the pennant. However, they are only half a game ahead of St. Louis Cardinals, the latter winning over Boston while Cincinnati was idle yesterday. It was the Cardinals' twelfth victory in fifteen games. Umpire Pitarman was the elusive target of a barrage of pop bottles from Boston fans after he ejected Rogers Hornsby from the game for protesting at a third called strike. The sequel of the affair came today when Hornsby was ordered suspended for five days for "incessantly bad conduct on the ball field." New York Yankees won a hard fought game from St. Louis Browns in the American League and Washington Senators won their seventh victory in eight starts by defeating Detroit Tigers.

EDITORIAL

PATTULLO AS CANDIDATE

Hon. T. D. Pattullo has been unanimously and enthusiastically chosen as candidate of the Liberal party in the Prince Rupert riding. There seems to have been no thought of any other man. He has served the constituency well and doubtless he will be returned again, possibly with an even greater majority than on the last occasion.

It would be useless for us to add to the already large number of compliments the minister of lands has received. All we suggest is that those who feel he is the man to represent the constituency should make known the many good reasons why he should be returned. Possibly the most important reason is because he is a member of the MacLean administration.

Chief Long on Witness Stand All Day and Cross-examined by McGeer Regard to Affairs

Police Inquiry Again Mentions Mayor as Source of Police Laxity in Vancouver and Police Head Defends Himself

VANCOUVER, June 15.—"When Mayor Taylor told me that a Chinaman wanted the privilege of operating a gambling place at 54 Cordova Street, I told him if the Chinaman operated he would be pulled the same as others," declared Chief of Police Long at the inquiry yesterday. The chief declared he was astounded and annoyed "to learn that gambling had spread to such an extent in 1927. I wondered if the mayor's policy had become known to the underworld and had spread as a result."

"Haven't you yourself complained to the mayor that he would not let you do what you wanted? Didn't you say on one occasion 'Oh, if the mayor would only leave us alone'?" asked A. H. McNeill, commission counsel. "Yes," replied the chief, "I think the mayor was inclined to let gambling run too wild. There is no question about that. It hampered our work, especially with heavy crimes in the fall of 1927. He would send for me from time to time and order me to get after the major crimes."

In the afternoon the chief was again on the stand and said he did not believe protection money had been paid to police officers to allow gambling houses to operate. The circumstances surrounding the operation of such places he described repeatedly as "very unusual" and once ascribed the conditions to slackness on the part of the morality department.

Chief Long was on the witness stand for almost the entire day and was subjected to the most grueling cross-examination of the inquiry during the afternoon by G. G. McGeer, K.C. counsel for Police Commissioner Lennie. Witness declared that at the end of 1927 he had placed two extra men on the morality squad to close gambling houses. McGeer remarked to Commissioner

Dr. Wrinch Nominated Yesterday at Enthusiastic Convention at Terrace with Premier Present

TERRACE, June 15.—Yesterday afternoon the Skeena District Liberal Convention unanimously chose Dr. H. C. Wrinch of Hazelton as their candidate to contest the riding in their interests at the forthcoming provincial election. Premier MacLean and Hon. T. D. Pattullo were present and much enthusiasm was shown.

In the absence of the district president, E. T. Kenney was chosen chairman of the convention and there were 41 delegates present representing every section of the constituency.

After the regular routine business of the gathering had been attended to, Dr. Wrinch was nominated by E. Marshall Sales of Smithers and seconded by Mr. Mapleton of Telkwa, each making a brief speech. The choice was unanimous and the doctor was given an ovation which lasted several minutes.

In accepting the nomination Dr. Wrinch said he considered it was an honor to serve the constituency and especially was this second nomination acceptable because on the former occasion he was untired whereas today after four years' service as a legislator he had been chosen as a result of his record.

Premier MacLean, who with Mr. Pattullo arrived on the train about three o'clock received a very hearty welcome from the delegates on entering the hall and after the nomination he congratulated

Premier MacLean Gets a Splendid Reception From Terrace People

One of Largest Political Meetings on Record Last Night at Interior Centre to Hear Government Head

TERRACE, June 15.—Premier MacLean spoke here last evening at one of the largest political meetings ever held in Terrace. The Terrace theatre was packed to the doors and the speakers were given a splendid ovation. The Premier said it was necessary as well as a pleasure, to visit the various parts of the province and meet the residents as he realized that in order to give the best service he needed to know the outlying districts and to understand their problems. He said he came for two purposes, to discuss general problems and in support of Dr. Wrinch, whom he described as one

of the best men in the Legislature. He said he had the necessary qualifications which go to make a good legislator, honesty, ability, intelligence, experience and sound judgment. In the 12 years he had been in the government no man had made a better impression than Dr. Wrinch and he hoped for support in returning him for the coming term.

The Premier then discussed government problems at some length, drawing a comparison between conditions now and during the years preceding 1916 when he claimed there was much unemployment, strife between capital and labor, no capital coming in on account of poor credit, and other reasons. The present sound financial policy was attracting much capital and natural resources were being developed as never before. He answered criticism levelled at the government and enumerated the principal ways in which the increase in the national debt had been used. Improvements in labor conditions and in relations between labor and capital, were stressed and he closed with another appeal in favor of Dr. Wrinch. Dr. Wrinch spoke briefly, as he said he would be in Terrace again shortly but wished to thank the people for their support at the last election. He expressed appreciation of the honor conferred on him earlier in the day in nominating him as standard bearer for another term. He appealed to the people to return him to office, thereby assisting in returning a government which had shown itself so capable of handling the business of the country.

PATTULLO SPEAKS. Hon. T. D. Pattullo also spoke briefly asking for support for Dr. Wrinch whose work he spoke of in the most glowing terms. He said he was highly respected in the Legislature and was a great power in the councils, where he took a firm and strong stand. He had fathered a resolution for health insurance and maternity benefits and asked that he be given a chance to carry them out. He also spoke of Dr. MacLean as making such a splendid record and expressed entire confidence in the election results. He, too, said he would be in Terrace again when he would outline a policy of development in the district.

The speakers and visiting delegates were banquetted at the close of the meeting. WIBLEDON, June 15.—England's Wightman Cup team took the lead in two matches to one over the United States holders of the trophy today. Miss Eileen Bennett defeated Mrs. Molla Mallory 6-1, 6-3. Miss Helen Wells defeated Mrs. M. Hiclorf Watson 6-1, 6-2. Miss Ernastrude Harvey and Miss Peggy Saunders defeated Miss Eleanor Goss and Miss Helen Jacobs 6-4, 6-1.

TERRACE PLANS CELEBRATION DOMINION DAY

BIG COMMUNITY PICNIC TO BE HELD WITH SPORTS AND GAMES AND DANCE IN EVENING

BUILD DRESSINGROOMS

INTERESTING PAPER ON BEETLES AND BUGS READ BY RESIDENT OF DISTRICT

TERRACE, June 15.—The monthly meeting of the Terrace Women's Institute was held on Tuesday afternoon in Progress Hall with the president, Mrs. Scammon in the chair and a good crowd of members in attendance. The treasurer's report showed that fifty dollars had been realized during May as a result of institute activities.

It was agreed to go ahead with the building of four dressing rooms at Lakeside Lake, and these will probably be ready for use by the week-end.

It was decided to co-operate with the Native Sons and have the annual institute community picnic and Dominion Day celebration on July 2, on Little's Island, south of town. The Native Sons have agreed to take charge of the sports program and the raising of money for prizes while the institute will superintend the picnic lunch.

Everyone in the community is invited to attend and to bring along a basket lunch. A committee of ladies composed of Mesdames Gilbert, Little, Burnett, Pohle and Attree were appointed to have charge of arrangements. The Native Sons are staging a public dance in the evening at which the institute will do the catering.

Judges were appointed for the children's games and the initial inspection will be made sometime soon.

At the request of the fair board a committee of three, Mesdames Gilbert, H. King and Dover were appointed to assist in preparing a district exhibit to be sent to New Westminster fair.

IMMIGRATION

Following the business meeting, Mrs. Burnett read an interesting paper on immigration, pointing out the necessity and advantage of encouraging immigration and the steps being taken by the government to secure the right kind of immigrants.

BEETLES AND BUGS

Mrs. W. W. Hippisley read a very instructive paper on local beetles and bugs, describing their habits and telling which were destructive and which helpful to local gardens and trees. This is a subject on which Mrs. Hippisley has made a special study, having at various times done research work for the University of B.C. and sent in many important specimens.

A vote of thanks was accorded her for her paper and she was asked to leave it on the files of the institute where it might be referred to by anyone interested.

Appreciation of the untiring efforts of both president and secretary in the institute interests was voiced.

Following the meeting Mrs. Donald and Mrs. Attree served refreshments.

LOG SCALING PICKING UP

Though log scaling in Prince Rupert forestry district during the month of May just past standing at a total of 2,073,175 feet came up nearly to the figure of 9,258,341 feet for the same month in 1927, the total for the year to date still lags far behind last year's record standing at 18,226,161 feet as compared with 27,580,020 feet for the first five months of 1927. During the past month there was a noticeable increase in the scaling of coast spruce but a large decrease in hemlock as compared with May 1927 while other varieties stood around the same level as they did twelve months ago.

Marked increase over last year in forest products such as poles, piles, etc. is still to be noted. The production of poles this year to date is about double of last year's output while hemlock piles show a smaller ratio of increase. Continued pole and pile operations in the central interior and on the Queen Charlotte Islands are largely responsible for this.

Following are the figures for log scaling in Prince Rupert district during May and for the year to date:

Species	May	Season to Date
Douglas Fir	68,081	68,081

KERGIN ACCEPTS LIBRARY WORK THE NOMINATION AS PROFESSION

TELLS PEOPLE OF CONSTITUENCY WHY THEY SHOULD VOTE LIBERAL AT ELECTION (Mail Correspondence)

LOCAL LIBRARIAN URGES YOUNG PEOPLE TO CONSIDER IT IN CHOOSING LIFE WORK

ANYOX, June 15.—H. F. Kergin, Liberal member for this constituency in the last Legislature, was again chosen to contest the constituency on behalf of Liberalism in the Atlin district at a convention held here this week. O. G. MacIntyre presiding. The convention was unanimous, no other name being presented.

In accepting the nomination Mr. Kergin thanked the convention for the honor they had done him. It was the third occasion on which they had so honored him and he appreciated the trust they reposed in him.

He believes throughout this province there is going to be a victory greater than ever before for the Liberal party, declared Mr. Kergin. He then told of some of the things they had done in giving women the vote, the mother's pensions and other laws of particular interest to women such as the minimum wage set. Then the labor bureau were established, institutions were established, schools for the deaf and dumb.

The parting with the late Premier was mourned by the candidate and the choosing of the new one, Dr. MacLean had already made good and now he was asking the people of the province to allow him to continue. He felt sure the people would grant him this extension by voting for the Liberal candidates.

At the election two things were asked:

1. Are you for or against the reform legislation that has been passed by this government?

2. Are you for or against the same and sound financing this Government has carried on?

Those who favor these things should vote for the Liberal candidates and those against them should vote for the opposition.

COMPLAINTS AT HIGH SCHOOL

LACK OF CO-OPERATION BY PARENTS IS CHARGED BY PRINCIPAL PEDDIE

Lack of parents of high school students was mentioned by Principal Peddie at the school board meeting last night in his report to the trustees. The principal complained that there was laxity in not sending the pupils to school on time and in the matter of excuses for tardiness.

Another matter along similar lines was a report that many failed to pay an assessment for damages to school property done by the pupils. A few had paid but the largest number had refused. Mr. Peddie suggested that if a prospectus were presented to the parents at the beginning of the term with the rules and regulations there would be a better realization of responsibilities.

RECEIVING CLASS AT BOOTH SCHOOL OPEN ONLY IN SEPTEMBER

At the school board meeting last night it was decided that hereafter there would be no beginners taken into Booth School in February, the receiving class being open only once a year at the beginning of the school term in September.

Those children who become six years of age before February 1 will be allowed to begin school in September but if they do not begin then, they must wait until the following September.

The recommendations to this effect was made by Miss Mercer, the principal, and accepted by the board.

KIWANIS CLUB PARTY IS HERE

LARGEST SINGLE TOURIST GROUP TO VISIT CITY SO FAR THIS SEASON ARRIVE TODAY

Some one hundred and fifty members of the Kiwanis Club from New England States and Eastern Canada, forming a delegation which will attend an International convention in Seattle next week, are paying a brief visit to the city this afternoon. About one hundred members of the party arrived on a special train from Duluth which reached here at 2:30 o'clock this afternoon while the remaining fifty came in on the regular train at 3:30. They will embark about 4 p.m. on the steamer Prince Rupert which will take them to Seattle, calling enroute at Ocean Falls, Powell River, Vancouver and Victoria.

The party, the largest single tourist group to visit the city so far this summer, was accompanied from Jasper Park by R. F. McNaughton, district passenger agent for the Canadian National Railways.

R. E. Moore, manager of P. Burns Co. Ltd., returned to the city on the Prince Charles yesterday morning from a business trip to Anyox, Stewart and Massett.

WHEREVER THERE ARE FLIES USE FLY-TOX

FLY-TOX
It was a real case of infantile colic
of which the mother
of the baby
was told
by her physician

"Something baby ate" - Yes. But tainted by Flies

FLIES crawled over the food. Waded in the milk. Their stenchy feet were filthy dirty. Baby took germs of burning fever in to her little body when she ate the food. She became restless. And then sick!

Flies cause forty thousand deaths in the United States each year. And far too many of them are children.

Use Fly-Tox. Protect little folks. Make your home clean, comfortable, sanitary.

"FREE" Powerful, Penetrating Antiseptic Oil Heals Eczema and Other Skin Diseases

Must Give Results in 7 Days or Money Back

Make up your mind today that you are going to give your skin a real chance to get well.

Like a lot of other people, you've probably been convinced that the only thing to use was an ointment or salve (some of them are very good) but in the big majority of cases these sticky salves simply clog the pores and the condition primarily remains the same.

Go to any good druggist today and get an original bottle of Moore's Emerald Oil.

The very first application will give you relief and a few short treatments will thoroughly convince you that by sticking faithfully to it for a short while your skin troubles will be a thing of the past.

Remember that Moore's Emerald Oil is a clean, powerful, penetrating Antiseptic. Oil that does not stain or leave a greasy residue and that it must give complete satisfaction or your money cheerfully refunded.
