NEW RAILWAY PROPOSALS ARE MADE REPORTED C.N.R. IS TO PURCHASE P.G.E. FOR \$17,000,000

New Railway Proposal to Link Up Alaska with Chicago as Outlined Taken Seriously by Financiers

Financial Post of Toronto publishes plans of scheme to include Peace River Development and line to Stewart

A new international railway of great strategic and development possibilities looms up as a possibility, says the Financial Post of Toronto. A group of American financiers who are stated to have the support of Washington, are working out a scheme to link the United States and Alaska by rail. As at present, steel is laid from Chicago to the Peace River district, the actual plans of the present promoters cover construction of a line from Peace River to Alaska following the valleys of various rivers in Northern British Columbia and the Yukon territory. The line would link Dawson City and

REVISION COURT HOLDS MEETING

Answer Given to G.T.P. Development Co. in Respect of Appeals—To Sit Again on Monday

The civic court of revision, at a brief session yesterday afternoon, considered all remaining appeals other than those which have been adjourned until Monday and rendered its decision to W. McLarnon, assistant taxation commissioner for the Canadian National Railway, in the matter of appeals on valuation of certain lands of the Grand Trunk Pacific Development Co. Slight objections were allowed the concern on parcels near Fairview Cemetery and in section 7, on the height of land near Overlook Street.

In the course of the discussion on the last mentioned piece of property, its value as a hospital site was suggested and Mr. McLarnon stated that while it was assessed for nearly ten times that amount, the company was ready to sell it for \$500. Some members of the court were of the opinion that it might well be used as a hospital site and that negotiations might be entered into whereby it would be reserved for such a purpose.

The court of revision now stands adjourned until Monday morning.

STEAMER ASHBY ON MAIDEN TRIP

British Freighter, Which Arrived in Port Last Night for Grain, is Brand New Ship

The brand new British freighter Ashby, which is now on her maiden trip, reached port at 8:30 last night from Southampton, England, which port she left on December 31, and is Prince Rupert's sixteenth grain ship of the season. Capt. T. M. Hill, master of the vessel, which came via the Panama Canal in ballast, reports an uneventful voyage though weather was rather stormy as he neared Prince Rupert. Off the coast of Mexico, a couple of members of the crew are reported to have started something of a mutiny which resulted in their being placed in irons.

The Ashby, which is of 3023 registered tonnage and carries a crew of thirty-four men, belongs to Sir R. Repner & Sons and her home port is West Hartlepool, England. The vessel, which is already lined, is at anchor in the stream awaiting a berth at the elevator where the two vessels, Sagoland and Mabriton, are at present tied up.

The Sagoland may possibly get away tomorrow with a full cargo for the United Kingdom or Continent and loading of the Mabriton will then be proceeded with.

J. J. Payne, of the firm of Fraser & Payne, sailed this morning on the Prince Rupert for Vancouver on a buying trip.

TERRACE OFFERS PRIZES FOR ESSAYS FOR EMPIRE WEEK TERRACE, Feb. 10. — The council of the Board of Trade at its meeting this week set aside a small sum for prizes in an essay contest open to school children on the subject "Why We Should Buy Empire Goods." Details of the competition will be decided on at the next meeting. The merchants of Terrace are also being asked to display Empire goods during Empire week, which is April 21 to 28. The board took action as a result of a circular letter received by them from the Empire Marketing Board, suggesting in some such action.

GARDENS AT THE SCHOOLS

Matter Incidentally Discussed by School Board at Meeting Last Night

Referring to a request of Miss Halliwell for the clearing of a plot of ground for a school garden, Trustee Gilmchrist, at the meeting of the school board last night, suggested that this would be a good thing. He told of school gardens they had at Cranbrook. One of the teachers there had taken a special course in gardening and had superintended the work.

Chairman Rochester said it was a good idea. "The finest thing in the world." The board should lend all the assistance possible to help out. Trustee McMeekin suggested that something might be done at Booth School. He suggested the janitor might help clear a plot. Trustee Mrs. Spencer thought the janitor had enough to do there and suggested Trustee McMeekin might undertake the work.

GRAND CHANCELLOR AT K. OF P. MEETING

At the regular meeting of the Knights of Pythias the Grand Chancellor, T. J. Wadman of Revelstoke, was present last night and gave an address. Following the lodge meeting there was a social gathering and solos were given by Mrs. P. C. Miller and Mrs. Forrest and a reception by W. Burkin. Refreshments were served and an enjoyable time spent.

MALCOLM McLEOD IS DEAD AT TORONTO

TORONTO, Feb. 10.—Malcolm McLeod, 71 years of age, a retired general manager and chief engineer of the Canadian Northern Railway, which is now merged in the Canadian National, is dead.

The project naturally lends interest to the endeavors of British Columbia to have Peace River linked with Vancouver by direct rail communication. It now seems possible that the Canadian government will return the Peace River block to British Columbia making it possible to utilize this rich prize in land and timber for bonussing a direct line of steel to Prince George, where it would connect with the Pacific Great Eastern if and when the Pacific Great Eastern is complete to Prince George, this giving the P.G.E. new traffic to tap, relieving the drain that the railway now represents on the financial resources of the province.

WITH DELEGATES FROM 21 NATIONS assembled at Havana, Cuba, for the Pan-American Congress, the city was gorgeously decorated, and everybody took holidays to see the celebrities. The car of President Machado with leading delegates being escorted

Report That P.G.E. Will Be Taken Over by C.N.R. Is Not Denied by Premier MacLean

VICTORIA, February 10. — When told of reports from Edmonton to the effect that the Canadian National Railway would shortly take over the P.G.E. as part of the scheme of Peace River development, paying British Columbia \$17,000,000 for the property, Premier MacLean replied that he had nothing to say. No comment on the reported deal was forthcoming from the government.

PRIVATE BILL PUTS DIVORCE UP TO COURTS

Present Session of Dominion Parliament to Deal With Question in Ontario and Quebec

OTTAWA, Feb. 10.—(By Canadian Press)—The subject of divorce will be thrust into the Parliament of Canada at the session which has just opened by a private bill to be introduced by Senator Willoughby of Moose Jaw, the whole matter of divorce as it affects the province of Ontario will be thrown open to debate. Senator Willoughby's bill would remove Ontario divorce cases from the jurisdiction of parliament and transfer them to the Supreme Court of the province.

MOTHER OF LOCAL WOMAN HAS PASSED

Death Occurs Last Evening in Alberta of Mrs. H. Daly, Mother of Mrs. W. P. Armour

A telegram received last night by Capt. W. P. Armour, manager of the B.C. Towage & Lightage Co., announced the death at 6:30 p.m. at her home in Munson, Alberta, of Mrs. H. Daly, mother of Mrs. Armour who, with all other members of the family, were present at the bedside when she died. The late Mrs. Daly, who was 54 years of age, succumbed following a lengthy and painful illness, an operation having been performed last Saturday but in vain. Mrs. Armour will have the sympathy in her bereavement of many local friends.

The increased number of divorces coming from the provinces of Ontario and Quebec (the other provinces handle divorce by local court) have more than once caused something of a congestion in Parliament and sub-committees were required to meet the tide of applications. Between 1922 and 1926 almost 800 divorces were granted by parliament. Senator Willoughby, who has served

Former Local Lawyer Arguing Fisheries Case Before Supreme Court of Canada Ottawa Today

OTTAWA, February 10.—W. E. Williams, of the firm of Williams, Manson & Gonzales argued the case against the Dominion department of fisheries attacking their claim for control of the canneries in British Columbia in an appeal before the Supreme Court of Canada here, commencing yesterday.

Mr. Williams argued that jurisdiction of the Dominion ended when the fish were taken from the water. The fish then became personal property under the classification of property and civil rights and as such were under provincial and not Dominion jurisdiction.

The appeal was brought by the fisheries department against a ruling of Mr. Justice McDonald at Vancouver declaring that the section of the law under which the Somerville Cannery Company of Prince Rupert was sued was ultra vires of the Dominion. Counsel were for the Dominion, Eugene Lafleur and A. B. Macdonald; for Japanese fishermen, A. Gregorian and E. F. Newcombe; for British Columbia, W. E. Williams; for Quebec province, C. Lancelotti; for Ontario, P. D. Hogg.

Since the Dominion had the absolute power under the British North America Act, Mr. Lafleur submitted, the government power to regulate in aid of the fishing industry as ancillary and necessary for the government's rights over the fisheries followed. The government also had the right to tax floating canneries since their operation might tend toward pollution of waters or become obstacles to navigation or might interfere with the licenses of fishermen authorized to fish in the locality where canneries were established.

LOGGING FOR BUCKLEY BAY

Ed. Crawford Camp to Get Out Pulpwood for Coast Mills—Conditions Quiet on Islands Just Now

Contracts for pulpwood from the Fowell River and Ocean Falls paper mills will result in resumption of operations on a larger scale for a few months at least of the logging camp at Buckley Bay conducted by Ed. Crawford, formerly of Swanson Bay, according to word received in the city from the Islands on the Prince John yesterday afternoon.

Industrial conditions are generally quiet on the Islands at this time. The reopening of the big sawmill at Buckley Bay seems to be somewhat uncertain although it is hoped that it may estimate operations before long.

The Islands appear, however, to be in for a somewhat quiet time until salmon fishing opens. This should be a good fishing year on the Islands.

JURY FINDS HICKMAN SANE

Will be Sentenced Tomorrow Morning and Notice of Appeal Will be Given

LOS ANGELES, Feb. 10.—The jury in the case of W. E. Hickman, the confessed slayer of Marian Parker, late yesterday found him sane on the murder charge and also sane on the kidnapping charge. Judge Trabucco announced that sentence would be passed Saturday morning. Jerome Walsh, Hickman's chief counsel, announced that he would give notice of appeal from the verdict at that time.

WEATHER REPORT Prince Rupert—Raining, light S.W. wind; temperature, 37.

#### RUDE PEOPLE ARE OFTEN LATE

Rude people are often late. Many of them do not realize how rude it is when invited for nine to arrive at ten. Hostesses are very much annoyed often by such negligence, for it is usually people who have no real reason for being late who have a habit of being so. A person with a young family may well be excused but those without family care and with no apparent excuse often are among the worst offenders.

To impress guests with the desirability of being on time hostesses in some centres of fashion are adding the words "sharp" to the hour at which they are expected.

#### DEVELOPING ART SENSE

The development of an art sense is one of the things that Canada must strive for.

This is a new country and in it we are apt to become very materialistic. We think mostly of making a living. "Get money" is our motto. However, as the country develops it gets beyond that stage and artists are then developed.

However, generalities do not help much. What is necessary is to get down to the practical application. What are we doing or can we do in Prince Rupert to develop the art instinct in the community? A few suggestions may prove helpful.

The first thing is to improve our architecture. Let our houses be as beautiful as we can afford to make them. Let them be set back from the street and surrounded by pretty lawns and flower gardens. Then choose the picture with care. Study art and compare the pictures in the house with those in the art galleries or in books of art. Gradually the taste for the best develops. It is better to choose pictures from time to time than to go to a store and buy a lot of stuff not at all suited to the rooms.

The musical art can be studied in the home and in the schools. The gramophones have done much to encourage this and the radio is carrying it on very successfully. However, this should never take place of musical training.

As a general principal every child should understand the theory of sound and of musical composition and be able to recognize notes and reproduce them. In advanced countries music is a part of the daily program in both primary and secondary education.

With a good groundwork artists should develop from the mass of people and Canada should eventually take her place as a country where culture is a habit of the people. The fact that there are very few poor people in the country is a great aid.

#### FAULTS OF ARTISTS

One of the faults of the person with an artistic temperament is that he or she is apt to be slovenly about the person and either dirty or untidy in the house. This is a mistake. It should not necessarily follow. Development of the artistic sense should make for cleanliness, neatness and general improvement of the living conditions. The art that does not do this is a false art. There is as much beauty about a well kept home as there is in a beautiful painting. In fact, a beautiful picture is quite out of place in a dusty, slovenly apartment.

Let them get their own!

## SPRING CONCERT UNITED CHURCH SUNDAY SCHOOL

First United Sunday school at its annual spring concert presented Scenes from the "Court of King Cole" to a large audience last evening in the church auditorium. The theme of the whole program was the celebration of the King's birthday when his subjects from far and near gathered before the throne and by play and song and sweet strains of music sought to make their king's heart glad. Aided by the Sunday school orchestra, which rendered two selections, the scholars put on a very creditable entertainment. Trainers were Mrs. Manson, Mr. Stevens, and Rev. A. Wilson.

The program follows:  
Orchestra selection—Violins, Daris Robinson, Ruth Wilkinson, Bernice Ross, Victor Thomas, Wisner Bryant, Walter Johnson; pianist, Victoria Krikevsky.

Court of King Cole—King, Gordon Anderson; Herald, Edna Ireland; Guards, Leslie Wilson, Herbert Morgan, Edwin Johnson.

Chorus by Junior Choir  
Sketch, "Uncle Hiram's Cold"—Characters were taken by Bob Irvine, Ella Steen, Florence Thompson, Ruth Wilkinson, Bernice Ross, Bronson Hunt and Victor Thomas.

Piano solo—Ruby Krikevsky.  
Tableaux—"Upside Down in Chinatown," by following girls: Peggy Steen, Mildred Ketchum, Mildred Hunt, Athol Russell, Jean Wilson.

Orchestra selection.  
Indian Campfire Ceremony and Dog Dance by the Trail Rangers.

Cornet Duet—Bill Fuller and Garfield McKinley. Alecia McKinley accompanist.  
Minstrels—"The Cornocob Family at Home"; Ma Cornocob, May Thompson; Pa Cornocob, Rev. A. Wilson; Rev. Cornocob D.D., Al Skattebol; J. C. Cornocob, M.P. Eddie Anderson; the Cornocob Cook, Glen More.

Other mischief Cornocobs were: Victor Thomas, Bruce Stevens, Bob Irvine, Jim Bryant, Jimmie Irvine.

Finale.  
Ushers were Mr. Kirkpatrick and Mr. Krikevsky.

## ACTUAL LIFE OF MARINE SERVICE

Lon Chaney Plays Principal Part in "Tell it to the Marines" Here Today

Through negotiations with the United States Government, life in the United States Marine Corps, aboard battleships, in barracks and in the field in action, has been filmed in what is probably the most elaborate attempt ever made to picture the actual life of a great government service.

This was done in "Tell it to the Marines," the new epic of the Marine Corps, here tonight and tomorrow. It was played aboard battleships and in the marine barracks, on the field with regular members of the marine corps in battle and manoeuvres, in a romantic story in which a notable cast tells the life story of the "soldiers of the sea."

Lon Chaney plays the principal character role in the gigantic production, in which the great battle fleet practice of the Pacific fleet is shown in which the huge guns are seen in action; in which marines, in the field, fight a battle against Chinese bandits in which 1,200 men take part, and other thrilling details.

The picture was staged on a huge scale; entire Chinese towns were built and destroyed; the whole Pacific fleet co-operated in some of the most spectacular scenes of the big picture.

## SALE OF LADIES' WEAR CREATES NEW RECORD AT RICHMOND'S LOUVRE

Richmond's Louvre wish to convey their many thanks to the shoppers of Prince Rupert for the splendid assistance they gave the store in the Slaughter Sale of Ladies' Wear. Friday and Saturday's business last week created a new record for sales and several lines have been cleared out altogether. The values offered, of course, were real values, which fact buyers were not long in finding out. We consider it good business to have our present stock cleared out irrespective of profits rather than to have to carry any over until next fall. It is good business for us—and it is good business for our customers, too, to be enabled to get a real bargain. For all our bargains were real ones.

All our big stock of ladies' hats, nightgowns and silk slips is completely sold out. We still have a few crepe-de-chine and crepe back satin dresses and a few afternoon and evening dresses left, and a very few ladies' winter-coats. We wish to move these out, too, and to do this this week the prices have been still further marked down until they are at an absolutely give-away level. Our new season's stock is now coming in and we do wish to see every garment of our present stock go out of our doors this week. We are taking our loss to accomplish this and at the prices quoted in our advertisement, every single thing we have left ought to go quick.

Your friends can tell you of the bargains they got, but just drop into the Louvre yourself before Saturday and see the values offered. It will pay you.

## Ten Years Ago in Prince Rupert

FEBRUARY 10, 1918.

Reports presented at the annual meeting of the Delta Copper Co. in this city showed the concern to be in excellent standing with a mineral property near Hazelton which all mining engineers agree is most promising. The property is fully equipped with camp and machinery and only needs a small amount of pipe and a short piece of tram before it will be on a shipping basis.

"Newspapers and street cars are our best medium of advertising" declared T. A. DeWesse, an American publicity expert. "We are burdened with magazines and would be better off if three-quarters of them went out of business."

The death occurred yesterday of Mrs. Smith of 711 Fifth Avenue East who is survived by a widow and family. The funeral will take place on Monday, Rev. Dr. H. R. Grant officiating.

## ESTIMATES FOR PUBLIC SCHOOL COST FOR YEAR

Total Ordinary Cost Set at \$77,080 With Extraordinary Sums Totalling \$1,400

The schoolboard at its meeting last night passed the estimates for the coming year totalling \$77,080 for ordinary expenditures and \$1,400 for extraordinary. These were set forth in detail and included for each school cost of fuel, furnishings and supplies, light, phone, etc. janitor, contingencies and repairs, the totals being:

High School	\$4,850
Booth Memorial	5,000
Domestic Science	400
Manual Training	900
Borden Street	4,200
Seal Cove	1,210
Westview	555
Teachers' Salaries	55,000
Substitutes and additional teachers	2,000
Insurance	255
Medical inspector and Sec.	850
Secretary's office and expenses	250
Workmen's Comp. Board	60
City Public Works	750
December light, phone, etc.	500
The extraordinary estimates are made up as follows:	
Playgrounds	500
Replacing Domestic Science range	150
Painting schools	500
Approach to High School	250

## Man in the Moon

JAKE says the difference between Liberal and Conservative is much the same as the difference between a fiddle and a violin.

WHEN you go walking on the snow you use a ski and common people pronounce it "skee." But if you are a highbrow you pronounce it "she," for that is the way they are said to do it in Scandinavian countries.

WHEN I go walking on the snow I load my feet with skees, Inhale the healthful winter air And brave the wintry breeze. By when my highbrow friends abroad Go sliding off with me They get their impetus 'tis clear From things that they call a "she."

POSSIBLY you know why married men get the habit of saying "my God." Married men always tell the truth.

RIDICULE is the most powerful weapon in the world. Use it sparingly.

IT'S much better to think correctly than to be smart.

THE credit of a speculator moves steadily downward unless he happens to strike it rich in which case it drops like the mercury on a cold night.

## SCHOOL REPORT FOR JANUARY

The regular monthly report of the school principals presented at the meeting of the schoolboard last night were as follows:

High School—Total attendance 155; boys, 63, girls, 92; average percentage of attendance 94.5. Principal Peddie stated that the basketball league had recommenced play; shooting at the miniature ranges was general and two teams were entered in the D.C.R.A. competition. A cadet route march had been made; an interesting lantern lecture by H. N. Brocklesby was given and much appreciated. Mr. Peddie asked \$100 toward the school reference library and a covering of cinders for the school grounds.

Booth Memorial—Total attendance 239; boys 234, girls 195; average percentage 95.77; highest class, 96.94; school savings \$163.25. Miss Mercer reported that Miss Leitch had joined the staff during the month. The half-yearly exams. showed that satisfactory progress had been made. The principal thanked the board for a set of Canadian history readers which had been provided.

Borden Street—Total attendance 325; boys 160, girls 165; average percentage 96.3; highest room 97; lowest 95. Money banked \$172. The report referred to a change made in teachers and the overcrowding of the receiving class room with 49 pupils. Division of this class was urged by Miss Mills.

Seal Cove—Total attendance 57; boys 29, girls 28; average which had been affected by illness 91.9. Mrs. Lizney asked for supplementary readers.

Westview—Total attendance 23; boys 11, girls 12; percentage affected by illness 90.9. Miss Halliwell asked that some ground be cleared for playground and for school garden.

## MILBURN RETIRES INTERNATIONAL POLO

NEW YORK, Feb. 10.—Devereux Milburn, rated by many experts as the greatest polo player of all time, has decided to retire from international competition.

A dominant figure on every United States "big four" since 1909, Milburn pointed out that he will be 49 years old when the next international matches roll around and "that's too old for international competition."

ARTIFICIAL GRAPHITE

Basketball—Port Simpson vs. Prince Rupert, Exhibition Hall, tonight at 7 o'clock. 50c and 25c.

C. C. Mills returned to the city on yesterday afternoon's train from a business trip to the interior.

Milton Gonzales returned to the city on yesterday afternoon's train from a trip to the interior on professional business.

A. D. Watt, C.N.R. divisional master mechanic, is a visitor in the city, having arrived from Prince George on yesterday afternoon's train.

A. J. Galland of the Dominion excise department returned to the city on yesterday afternoon's train following a trip to the interior on official duties.

Chief Officer William Thomas has returned to duty with the Canadian National coast steamships and is now sailing with the steamer Prince Rupert.

J. R. Turner, manager of the Duthic mine at Smithers, reached the city from the interior on yesterday afternoon's train and called this morning by the Prince Rupert for Seattle on company business.

Mrs. A. D. Baillie, who arrived in the city from Ontario on yesterday afternoon's train, sailed this morning for Vancouver on the Prince Rupert. She will pay a visit to relatives in the southern city and return here next month to take up permanent residence.

Union steamer Venture, taking the place of the Cardena which will come north on Sunday relieving the Camosun for one week after which she will be withdrawn from service at Vancouver for annual overhaul, is due late tonight from Vancouver and waypoints, sailing at 9 o'clock tomorrow morning on her return south. Capt. A. Johnston and the regular officers of the Cardena are on the Venture.

Major Walter L. Carruthers, divisional commander of the Salvation Army, and Mrs. Carruthers arrived in the city on yesterday afternoon's train from the interior and will conduct special services in the local citadel before proceeding tomorrow afternoon on the Princess Mary to their headquarters in Wrangell, Alaska. They attended a recent Army congress in Vancouver and, on the way north, stopped off at Prince George, Glen Vowell and Cedarvale to conduct services.

After a rough trip in the course of which she experienced boisterous southeast gales almost all the way, C.N.R. steamer Prince John, with Capt. Neil McLean in command, arrived in port at 3 o'clock yesterday afternoon from Vancouver via the Queen Charlotte Islands. The vessel, which will sail on her return south at 8 o'clock tomorrow night over the same route, brought a light list of only eleven passengers here from the Islands and her freight cargo is also light, the main item being some forty tons of blacksmith coal for Philpott & Eyt.

### ANNOUNCEMENTS

Women of Mooseheart Legion St. Valentine's Whist Drive and Dance February 14.

C.N.R. Annual Ball, Friday, February 17

Catholic Women's League spring sale of work April 12.

Prince Rupert Pioneers' Association meets in city hall tonight at 8 o'clock.

Rev. I. A. Johansen sailed this morning on the Prince Rupert for Vancouver.

E. H. Mortimer sailed this morning by the Prince Rupert for Vancouver on a business trip.

Mrs. Robert Dowther sailed this morning on the Prince Rupert for Vancouver on a business trip.

Municipal Chapter Bridge and Tea tomorrow afternoon in I.O.D.E. Hall. Bridge at 2.30. Tea at 4 o'clock.

C.P.R. steamer Princess Mary, Capt. Arthur Slater, from Vancouver to Alaska ports, is due to call here tomorrow afternoon.

Alex Strachan, manager of the Pioneer Laundry, sailed this morning on the Prince Rupert for Vancouver on a business trip.

Mrs. George Frizzell sailed this morning on the Prince Rupert for Vancouver and other points in the south on a business trip.

G. A. Woodland, local agent of the Imperial Oil Co., returned to the city on yesterday afternoon's train from a business trip to the interior.

Ole Martinson, formerly of this city and who is now engaged in logging at Ust, reached the city from the interior on yesterday afternoon's train, being here to receive treatment for a broken hand.

Douglas Lay, resident mining engineer for the provincial government with headquarters at Hazelton, reached the city on yesterday afternoon's train for the interior and called this morning for Victoria on official duties.

Mr. and Mrs. Thomas McMeekin sailed this morning by the Prince Rupert for Vancouver and other points in the south on a combined business and pleasure trip. They expect to return to the city in about ten days' time.

At the meeting of the schoolboard last night, chairman Rochester presiding, there were present Trustees McMeekin, Gilchrist, Johnson and Mrs. Spencer; secretary Williamson; Principals Peddie, Mercer, Mills and Halliwell.

During the past twenty-four hours, thirty-five cars of grain have arrived from the prairies for the Alberta Wheat-Pool's Prince Rupert elevator. Railway offices this morning reported 275 carloads on the division west of Jasper Park bound here.

Mr. and Mrs. I. Martin are visitors in the city from the Queen Charlotte Islands. They arrived on the Prince John yesterday afternoon and will return to the Islands on the same vessel tomorrow night. Mr. Martin is forest ranger at Queen Charlotte City.

Mr. DeBruen, one of the Dutch settlers who came to Masset Inlet a few years ago, has given up ranching there and arrived in the city from the Islands on the Prince John yesterday afternoon and called this morning on the Prince Rupert for Vancouver.

Mr. and Mrs. P. J. Weaver and daughter of Buckley Bay reached the city from the Islands on the Prince John yesterday afternoon and called this morning by the Prince Rupert for Vancouver. Mr. Weaver has been identified with the sawmill at Buckley Bay.

Sid Wheeler, winchman of the steamer Prince John, was put ashore from that vessel on its arrival from the south yesterday afternoon for treatment in the Prince Rupert General Hospital. He became ill on the way north, his ailment being diagnosed here as indigestion.

Mr. Garcen, plant manager of the Consolidated Whaling Corporation with headquarters in Victoria, is a visitor on official duties to the company's station at Naden Harbor, Graham Island, this week. He arrived from Victoria this trip of the Prince John and will return south on the same vessel at the first of next week.

Father Cocola, O.M.I., principal of the Indian industrial and boarding school at Legaic and one of a well known pioneer priests of central and Northern British Columbia, arrived in the city on yesterday afternoon's train to attend an ecclesiastical conference which is to be held here. Father Cocola will remain in the city for a week or so.

Until the opening of the summer service, Capt. D. Donald and Capt. Harry Nadden are taking alternate trips in command of the C.N.R. steamer Prince Rupert. Purser Jack Crawford and Norman McLean are doing likewise on the big boat. Capt. E. Mabbs and Capt. Neil McLean are taking trip about in command of the Prince John on the Island run, it being Capt. McLean's turn this trip.

C. J. Quantic, superintendent of motive power for the Canadian National Railways with headquarters in Vancouver, is a visitor in the city in the course of a tour over this part of the line on official duties. He arrived from the interior on yesterday afternoon's train and will return East tomorrow morning. He is being accompanied by A. D. Watt, divisional master mechanic with headquarters at Prince George.

# PLENTY TO EAT but are they well fed?

MANY children get lots to eat and yet lack vitality. They are sluggish and dull—don't enjoy even their play. They don't grow as they should.

It's not the quantity of food that counts. The important thing is the kind—food that contains in correctly balanced proportions those elements which children need.  
Seventy per cent. of the day's work and play comes in the forenoon. Breakfast therefore is the day's most important meal. Quick Quaker has the perfect balance of nutritious elements. Its 16% protein builds and rebuilds tissue and its 65% carbohydrates supplies abundant energy. Its minerals make sound bone and strong teeth. It has bulk enough for easy digestion. Necessary vitamins assist assimilation of other food.

Because of this correct balance, Quick Quaker makes children physically active and mentally alert. They grow strong and vigorous—successful and happy alike in school and at play. They love the nutlike flavour.

Be sure to ask your grocer for Quick Quaker. You will know it by the picture of the Quaker. Packages contain coupons with which you can secure silverware and other household and personal articles you need. Big, family package, and small 10-cent size, both wrapped and sealed. Cooks in 2½ to 5 minutes, according to your taste.

### Get Dainty China

In each package of Quick Quaker marked "Chinaware" is a piece of fine china, prettily decorated in blue and gold. It's fun to open a package and find a cup, a saucer, a plate or bowl. All lovely things, beautifully designed.

## QUICK QUAKER OATS

The Quaker Oats Company, Peterborough and Saskatoon

Having four prisoners in his custody—two from Anyox, one from the city and a Stewart mental case—Provincial Constable William Smith of Anyox was a passenger on the Prince Rupert this morning going through to Vancouver.

### CANADIAN LEGION

Our National President, Lieut.-General Sir Percy Lake, K.C.B., K.C.M.G., has suggested that Memorial Services for the late Earl Haig, Grand President of the British Empire Service League, be held throughout Canada, under the auspices of the Canadian Legion on Sunday, February 12. A service will accordingly be held in the First Presbyterian Church, Rev. J. R. Frizzell officiating, on Sunday, February 12, at 7.30 p.m. Members of the I.O.D.E., the City Council, R.C.N.V.R. and B.C. Regiment, and all Ex-Service Men are invited to meet in the Church Hall at 7.15 p.m. Members of other organizations and the general public are invited to participate in this service.

OARSMEN FOR BIG BOAT RACE

Special Correspondent Forecasts Make-up of Oxford and Cambridge University Crews

LONDON, Feb. 10.—Preparations are now under way for the great annual boat race on the Thames between Oxford and Cambridge Universities, which usually takes place about the last Saturday in March. In 1927 the race was rowed on Saturday, April 2, and was won by Cambridge by three lengths.

Thirteen Cambridge candidates (12 oarsmen and a coxswain) have been ordered into residence. Of these but three have had previous experience in the inter-varsity boat race. The president, J. G. Holcroft, (Radley and Pembroke), rowed at No. 3 last year when, as a second year man, he gained his Blue. During the training period he often deputized for his predecessor, S. K. Tubbs, at No. 7, and some there are who consider he would be well advised to take up that position this year in order to form a second nucleus upon which to build up the new crew.

Quite a number of really sound oarsmen have sprung into prominence during the past few months and have in a large measure dimmed the light of the hitherto better known men. With only three Old Blues available it is not expected that any of them will be usurped by the newcomers. True, Elles was not at the height of his form in the trial eight race this year, but enough has been seen and heard of him since his spectacular rise to fame a year ago to know that he is a thoroughly efficient and even brilliant leader of the utmost reliability.

CENTENARIAN STILL FOND OF CRICKET

At 106 William Walker Declares he Will See Australia vs. England at Lord's

NOTTINGHAM, Eng., Feb. 10.—William Walker, of Wilford Road, Nottingham, claimed to be the oldest man in England, got up on the morning of his 106th birthday amid shoals of congratulations. "I am in good health, thank God," he said, and judging by his daily diet his constitution is still as vigorous as ever.

He takes two cups of tea at 6 a.m., and has a pint of milk later. For dinner he has meat, vegetables and milk pudding, and two more cups of tea. Bread and butter and pastries follow at tea time, and some pork or sausage for supper. He also has a pint of beer and bread and cheese during the day.

He spends 3s. 6d. of his 10c. weekly old-age pension on tobacco. Mr. Walker's passion in life is cricket. "I am still not out," he declared, with a chuckle, "and I shall have to go up to Lord's to see the Australians before I have finished."

SPORT CHAT

The annual Winter Carnival at Jasper Park under the auspices of the Canadian National Railways Social and Athletic Club will take place on February 22 and 23. An invitation to open the Carnival was extended to and accepted by Lieutenant Governor Egbert of Alberta. All outdoor sports of the Carnival will take place on Lac Beauvert in front of Jasper Park Lodge, a quarter-of-a-mile race track having been cleared on the lake with hockey and curling playing arena inside. Teams from Jasper, McBride, Edmonton and other points along the line will be represented in the Carnival. Features of the carnival will include a thirty-two mile non-stop endurance ski race, dog races for children for which at least thirty teams are in training, five-mile

Peps Quickly Banish the WORST COUGH THE REMEDY YOU BREATHE

ski-joring race around the lake and fancy dress skating carnival. Marion Crawford, junior speed skating champion of Alberta, will be present at the carnival. While Jasper Park Lodge is not open at this time of the year, adequate arrangements are being made to accommodate visitors for the occasion. G. E. Clarke is secretary of the Carnival committee.

The greatest exhibition of gameness that Jim Corbett, ex-world's heavyweight champion, says he ever saw in the ring was provided by George (Kid) Lavigne in his famous battle with Joe Walcott, the Barbados Demon, at Maspet, L.I. Walcott was probably the greatest welterweight that ever lived and had beaten men much heavier than himself. Lavigne was a lightweight and was not expected to beat his famous foe. As a matter of fact, Walcott contracted to stop the Kid. Instead of Lavigne merely trying to stick the limit of fifteen rounds he went right out and carried the fight to Walcott. In those earlier rounds he suffered frightful punishment. One ear was almost ripped from his head, and he was bathed in blood from hair to heels. No man was ever beaten more brutally than Lavigne was that day. He was ripped and gashed from brow to belt line by a

hitter who knew how to hit. The Kid never backed up. He forced the going in every round, and his indomitable courage began to get on Walcott's nerves. Finally, in the tenth round, Walcott refused to come out of his corner. While he could probably have held the tottering Lavigne off with one hand, he wanted no more of the Saginaw Kid's game, and Lavigne, smiling through the blood, was declared the winner.

**MANY MATTERS BEFORE BOARD**

Terrace People Complain of Discrimination and Suggest Novel Way to Popularize Meetings

TERRACE, Feb. 10.—The regular monthly meeting of the board of trade council was held on Tuesday evening in the Terrace Hotel and was well attended by council members as well as a number of other members of the association.

It was decided to leave the matter of choice of University extension lectures with the University authorities to make the choice and send what was most suitable to all.

Letters from prospective settlers, regarding conditions and climate again brought up the question of the necessity of a pamphlet descriptive of these matters and the feeling was general that something of the kind should be compiled. In this connection a letter was read from A. E. Blow, C.N.R. Colonization Agent, commending the idea and enclosing a number of pamphlets from small prairie towns in the hope that they might prove of interest and assistance.

After considerable discussion as to the most suitable form of folder, the matter was left with the publicity committee to inquire into with the suggestion that advertising might be solicited to assist in covering the costs.

A letter from W. H. Robertson, provincial horticulturist, sent at the instigation of D. D. Munro, regarding suitable fertilizer and direction for special care of fruit orchards and instructions for grading, packing, etc., in preparation for making a display at the provincial fair at New Westminster, was passed on to the Farmers' Institute.

The secretary reported that he had been asked to propose that steps be taken to have a road opened connecting the W. H. McDonald Road and the school road, thereby giving a more direct route to the school for children living in the vicinity of the McDonalds Road. It was left with the public works committee to approach both the municipality and the government in connection with the opening, not only of the one where a road allowance is already marked out, but to have a road allowance appropriated as a continuation of the western boundary of the village so as to make a more direct route to school for the children affected.

E. T. Kenny drew attention to the laxness of the public works department in not making any attempt to repair the West Hill Road, the slide on which has caused much inconvenience to traffic for months. The matter will be taken up with headquarters.

**DISCRIMINATION CHARGED**

A complaint against the C.N.R. for discrimination against local business houses in favor of Prince Rupert firms in allowing a one-half rate on freight from Prince Rupert consigned to section workers along the line as far as Pacific, while the full rate was to be paid from Terrace, was voiced by E. T. Kenny and was referred to the railway committee for investigation and an attempt at re-adjustment.

A motion to have the quarterly general meetings made more of a social nature, with smokes and light refreshments, was carried and arrangements left with the entertainment committee.

**MATERIALS FOR CEMENT**

Materials suitable for the manufacture of Portland cement occur in all provinces of Canada.

**NOTICE**

TAKE NOTICE that an application will be made to the Parliament of Canada at the next session thereof for an act.

For the incorporation of a company to be known as The Alberta, Peace River and Pacific Railway Company, or such other name as may be given, to construct and operate a railway as follows:—

(a) commencing at a point at or near the City of Lethbridge; thence in a Westerly direction to a point at or near the Town of McLeod; thence Westerly and Northerly in a direction generally parallel to the Calgary and McLeod Branch of the Canadian Pacific Railway to a point at or near the City of Calgary; thence Northerly and West of the Calgary and Edmonton railway to a point at or near Lacombe; thence Northerly to a point at or near the City of Edmonton.

(b) From a point at or near the City of Edmonton by the most feasible route to and along the right bank of the Simonsen River to a crossing of the Smoky River near its junction with the Wapiti River at or near Bezanon to the Town of Grande Prairie in the Province of Alberta; thence South Westerly through the Monkman Pass to a point at or near Alexa Lake on the Canadian National Railway in the Province of British Columbia.

(c) From a point at or near Grande Prairie in a North Westerly direction to a point at or near the Town of Coupe and from a point at or near Coupe in a North Westerly direction to a point at or near Hudson's Hope on the Peace River; thence in a general South Westerly and Westerly direction and North Westerly to the most feasible route through the Pine Pass to a point at or near the Town of Stewart in the Province of British Columbia at the head of Portland Canal.

(d) From a point at or near Hudson's Hope crossing Peace River in a general Easterly direction to a point at or near Whitelaw; thence in a Northerly direction to a point at or near Fort Vermilion and thence Northerly and Westerly to the right bank of the Hay River at or near its intersection with the Northern boundary of the Province of Alberta.

The said railways being declared to be for the general benefit of Canada.

2. To authorize the said Company to construct wharves, docks and hotels and to own and operate vessels and to collect charges on telegraph and telephone messages of the public, to file upon and acquire water power sites and to generate electric and other energy and to dispose of the surplus from and collect charges therefor.

3. To authorize the said Company to issue securities in respect of the said line of railway to an amount not exceeding Forty Thousand (\$40,000.00) Dollars per mile for the prairie sections, and not exceeding Sixty-five Thousand (\$65,000.00) Dollars for the mountain section.

DATED at the City of Edmonton, in the Province of Alberta, this 4th day of January, A.D. 1928.

(Signed) G. STEWART CLARK, C.O. Ewing, Harvie & Bury, Barristers, Solicitors, etc., Bank of Toronto Bldg., Edmonton, Alberta, Canada.

**IN THE COUNTY COURT OF PRINCE RUPERT**

HOLDEN AT PRINCE RUPERT

Between: G. W. Nickerson, Plaintiff; And: D. L. Stewart, Defendant.

TAKE NOTICE that G. W. Nickerson of Prince Rupert, B.C., has commenced an action against you in the County Court of Prince Rupert, on the 21st of January, 1928, for the sum of \$720.86 being the balance due to him by you and that under and by virtue of an order of His Honor Judge Young dated the 3rd of February, 1928, it was ordered that publication of this notice for three consecutive days be good and sufficient notice of the Plaintiff and Summons issued in this action upon you; and you are required under the said order within ten days after the last publication of this notice to defend the said action by causing a dispute note to be filed in the said action; and in default on your so doing the said G. W. Nickerson may proceed therein and judgment may be given in your absence.

You may file a dispute note personally or by your Solicitor in the above Court at the law courts, Prince Rupert, B.C. DATED at Prince Rupert, this 7th day of February, 1928.

WILLIAMS, MANSON & GONZALES, Who's address for service is Royal Bank Chambers, Prince Rupert, B.C.

**Racked by Rheumatism "Fruit-a-tives" Brought Speedy Relief**

MR. S. FLOYD.

Read this honest letter: Nainaimo, B.C.—"I had been suffering with rheumatic pains in my shoulders. Decided to try 'Fruit-a-tives'. In a very short while I had relief. Also had a touch of bleeding piles, 'Fruit-a-tives' worked like a charm. I think they are really marvellous." —Mr. S. Floyd.

"Fruit-a-tives" is composed of fresh fruit juices intensified and combined with tonics. The easy, natural action corrects constipation, stomach, kidney and bladder troubles, rids the system of poisons, purifies the blood, and banishes rheumatism and kindred pains. "Fruit-a-tives" is sold everywhere. 25c and 50c a box. Test it—to-day.

**COMMITTEES NAMED FOR TERRACE BOARD TRADE BY PRESIDENT**

TERRACE, Feb. 10.—President Gordon of the Terrace Board of Trade has named the following standing committees for the year:

Membership—A. H. Barker, O. T. Sundal and Rev. W. Allan.

Public Works—E. T. Kenney, Arthur Carr.

Civic—L. H. Kenney, Rev. A. W. Robinson, W. H. Burnett.

Agriculture—H. L. Frank, W. R. Thompson, H. A. Swain.

Mining—P. Nash, T. Turner, J. Williamson.

Lumber—Geo. Little, W. A. Kirkpatrick, George Dover and A. Y. Wilson.

Publicity—H. Halliwell, R. W. Riley, C. R. Gilbert.

Entertainment—W. H. Burnett, J. McLaren and G. S. Scamen.

Railway—A. H. Barker, E. T. Kenney, George Little.

Golf—A. H. Barker, W. H. Burnett, R. W. Riley.

Reception—J. K. Gordon, W. Allan, L. H. Kenney, W. A. Kirkpatrick.

**TERRACE FAIR STILL IS MATTER OF DOUBT**

So Few Attend Meeting That Those Present Refuse to Proceed With Reorganization

TERRACE, Feb. 10.—The meeting called by the Farmers' Institute for Wednesday evening in the hope of reviving interest in the Terrace Fair was no more successful than the two previous meetings called by last year's fair board. Undoubtedly heavy rain kept a number away but it is deplorable that so little interest is shown in the matter. H. Halliwell, secretary of the board of trade presented the resolution passed at their meeting the previous evening when sympathy in the project was extended and every possible assistance promised. C. P. A. Green made it very clear that it had not been the intention of the institute to attempt to take over the management of the fair but the meeting had been called in the hope that a board of management might be chosen from the audience and the fair carried on as formerly. With the small crowd present this was impossible but on the strength of the good will of the board of trade it was decided to call another public meeting for Wednesday evening February 22 in Progress Hall, when the matter will again come up to be acted upon.

The project of joining with the Bulkley Valley and Francois Lake districts in sending a combined exhibit of northern B.C. produce to the Provincial Fair at New Westminster, which is being so strongly advocated by D. D. Munro of the Land Settlement Board, was discussed but no definite decision made. It felt that the fair was much too early to collect a display of fruits enough developed to make an appearance, which would do justice to the possibilities of the district.

**TERRACE**

E. T. Brooks and Frank Watt returned to Terrace on Wednesday after accompanying A. E. Little to the Prince Rupert hospital.

The voters list for the municipality of Terrace has been posted in preparation for the forthcoming election of Village commissioners. Election day is set for February 29.

George Porter returned on Wednesday from a visit to Porcher Island.

Chas. & Gordon Nelson who have been trapping on the Gt. Nazko river returned to town on Wednesday to secure a canoe, further crossing on the ice being unsafe.

Prior to her departure on Thursday for Vancouver, Mrs. George Powers was guest of honor on Wednesday afternoon at a tea given by the members of the Rebekah Lodge, Terrace, at the home of Mrs. D. A. McKinnon. During the afternoon Mrs. Powers was presented with a pin, emblematic of the order and expressions of regret were voiced at her departure. Refreshments were served and the afternoon spent socially.

Mr. and Mrs. O. T. Sundal entertained at bridge on Wednesday evening.

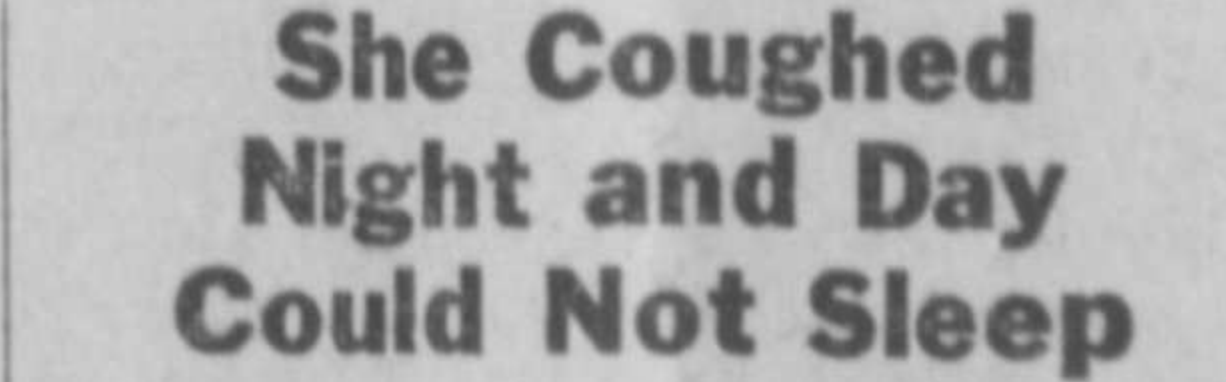

**She Coughed Night and Day Could Not Sleep**

Mrs. Leonard Haywood, Victoria Corner, N.B., writes:—"Last fall I took an awful cold which I caught while driving in an open car on a cold day."

"I coughed night and day, could not sleep at night, and my eyes ran water so that I could hardly see a thing."

"My husband got me a bottle of Dr. Wood's Norway Pine Syrup"

and before I had taken the whole of it my cold had disappeared." "Dr. Wood's" has been on the market for the past 39 years; price 35c. a bottle, large family size 80c.; put up only by The T. Millburn Co., Limited, Toronto, Ont.

five tables being played with prizes going to Mrs. George Little and Dr. Brummitt.

Mrs. George Powers and three children left on Thursday for Vancouver where Mr. Powers is now located.

F. Joudry is spending some days in town this week end in the interests of his profession.

Mrs. Chas. Raven of Lakelse hatchery is spending a few days in town with Mrs. Raven, sr.

Mrs. T. J. Marsh left on Monday to attend the funeral in Smithers of the infant son of Mr. and Mrs. A. C. Fowler.

Miss Eva Butt of Usk was a visitor in Terrace this week.

**BROKE BOTH WRISTS SENT TO HOSPITAL**

Brother of George Little Came into Rupert on Freight Train for Treatment

TERRACE, Feb. 10.—An unfortunate accident occurred at the local mill on Tuesday afternoon when A. E. Little, brother of George Little, had both wrists badly broken when he was run down by a push car of lumber and jammed against one he was himself pushing. First aid was rendered here by Dr. Brummitt and the injured man was taken to Prince Rupert hospital on a freight train early the next morning where x-ray examination showed a bad fracture of the left wrist with displacements, and a simple fracture of the right wrist.

## RELIEVE HEADACHES? Certainly!

A question we frequently hear is: "What can you do for my headache?" The answer is: "We can relieve it in almost every case and most times very quickly." How quickly depends upon how serious is the condition which causes the headache.

For the fact is that a headache cannot exist by itself. It is a symptom of a deeper trouble and its cause must be removed before you are safe from a recurrence. That cause may be from the eyes, liver, kidneys, stomach or intestines.

Wherever it be, it is in itself an effect of imperfect nerve transmission due to spinal pressure on nerves. It is the work of the Chiropractor to locate and remove such pressure. Those who have taken his adjustments will tell you that he does this very successfully. Phone Green 241

## MASONIC BALL LAST EVENING

### Annual Function by Tsimpsean and Tye Lodges Proves Successful Affair

The annual ball last night of Tsimpsean and Tye Lodges A.F. & A.M. was a highly successful and enjoyable event which was attended by a crowd of members of the craft and their lady friends which exceeded two hundred. The event took place in Moose Hall and was in progress from 9 p.m. to 2.30, those present being even then loath to leave.

The music by Alf. Small and his orchestra was of a high standard which contributed in no small degree to the general pleasure of the event. G. A. Woodland acted as master of ceremonies in an efficient and popular manner, while Ernest Unwin and H. W. Birch presided at the door.

Several novelty stunts did much to

enliven the proceedings. One of these stunts included the calling to one end of the hall of all the past masters present, where a humorous speech was made by E. A. Mann who invested them with the badges: "I am a waiter." Other stunts included, a balloon race between teams from the two lodges as well as a singing contest and there was also a two-step race in which several members of the older time dancing school limbered themselves up in a surprising manner.

## WALTZ COMING BACK TO FAVOR

(Victoria Colonist)  
The waltz is no new favorite of the ballroom: it has held its own against all comers for just a century and the swing and rhythm remain unaltered basically, although the waltz today has changed in detail from the waltz which the grandmothers of the present generation enjoyed. The ability to waltz well was the criterion whereby dancers were judged in 1823, just as it is the real test of dancing today.

The modern form of the waltz, which is danced with the ball of the foot always on the floor and the muscles of the leg, consequently, always supple and easy, is so delightful that it is hard to imagine in what way it can be improved. It is much more agreeable than the old style, when all the steps were done on the toes, and skill was judged, not by deportment and gracefulness, as today, but by the ability to keep the heels from the floor. Competition dancers of those days had half an egg shell affixed to the heel of each shoe so that they never relaxed their leg muscles for fear of crushing the fragile shell. To reverse was considered to be "bad form"; it was not done by those who wished to be considered good dancers. The perfect waltz of the old days was danced with endless rotation throughout the item, and the pleasant, progressive steps of today were unknown.

### RHYTHM REMAINS

Beneath it all, the waltz rhythm remains, and the fundamental steps—the right or natural turn, or the left or reverse turn—are the steps of the waltz yesterday, but toned down to the principle of all dancing today: the ball of the foot on the floor, and the body relaxed and supple. There are a number of pleasing variations in the waltz this year, and those enthusiastic for the dance have taken occasion to pick the new steps which are based on the

## How To Care For Varicose or Swollen Veins

### Rub Gently Upward and Toward the Heart as Blood in Veins Flows That Way

If you or any relative or friend is worried because of varicose veins, or bunions, the best advice that anyone in this world can give you is to ask your druggist for an original two-ounce bottle of Moone's Emerald Oil (full

strength) and apply night and morning to the swollen, enlarged veins. Soon you will notice that they are growing smaller and the treatment should be continued until the veins are of normal size. So penetrating and powerful is Emerald Oil that even piles are quickly absorbed. Any one who is disappointed with its use can have their money refunded.

"hesitation," i.e., two steps to three beats of the bar and one beat a hesitation. The older waltzer often misunderstands the present form, which, if badly danced, is deserving of criticism, while the good dancer of the older school must not judge today's waltz by such standards. Well danced, the new waltz has all the charm of the older form, and "old-fashioned folk" might well give it a trial. The skill they acquired in dancing the old style waltz will prove invaluable in dancing the new properly.
