Effort Made to Foist British Unemployed on Canada Says Minister

Hon. Peter Heenan Declares Well Thought Out Plan
Formed to Stampede Canada Into Accepting
Men by Shipload

TORONTO, September 14.—Immigration problems formed the chief subject of discussion at yesterday's session of the Trades & Labor Congress of Canada.

Minister of Labor Peter Heenan addressing Congress charged that there was a well thought out campaign in Great Britain to stampede the dominion government into bringing British unemployed to Canada by the shipload. The propaganda was motivated by the desire of certain interests in the old country to solve a political problem and it was encouraged by persons in Canada who wanted to flood the labor market and provide ten men for every job.

As an instance of the working of the scheme, the speaker said, advertisements appeared in the newspapers in England telling people that coal miners were wanted in Canada at high wages, when as a matter of fact there was a surplus of miners in every coalfield in the dominion.

"It's a lie to say that the British unemployed don't want to work and that they are content to subsist on the dole. They want to work, and so the false reports of lots of work and high wages in Canada are eagerly received, Mr. Heenan said. He defended the movement of British miners for harvest labor and pointed out that it was separate from the immigration policy generally.

PRESENTATION RUPERT EAST

NEW THEATRE FINE BUILDING

GORDON BOOTHROYD RECIPIENT OF
FINELY BOUND COPY OF
BIBLE.

A presentation was made last night at the Rupert East Hall to Gordon Boothroyd of the University of B. C. who has been in charge of the United Church work in that section of the city during the summer and who is now returning to the University for the autumn session. Mr. Boothroyd has been very popular with the people of that district and as a token of their appreciation of his work they last night presented him with a very fine Oxford Bible. The presentation was made by Mr. Robert Wilson and J. Ross Mackay presided.

An interesting entertainment preceded the presentation. There were vocal solos by Mrs. Jarvis McLeod, Lizzie Woods and Frank Moore, mandolin solo by Darow Gomaz and a recitation by Miss Betty Capstick. The Wilson family led the community singing.

OPPOSITION TAKEN TO COMPULSORY PILOTAGE VANCOUVER PUBLIC BODY

VANCOUVER, Sept. 14.—If compulsory pilotage was adopted in Vancouver the port would be at a disadvantage in comparison with other ports, particularly those of Puget Sound, Oregon and California. This view was expressed in a resolution of the shipping bureau of the Board of Trade deep sea section, presented at yesterday's meeting of the pilotage commission.

The commission adjourned until September 24. A session will be held at Prince Rupert in the meantime.

DINNER GIVEN AT VANCOUVER

MEMBERS OF PARLIAMENTARY
PARTY ENTERTAINED BEFORE
LEAVING COAST

VANCOUVER, Sept. 14.—Delegates of the Empire Parliamentary Association closed their visit to the Pacific Coast last night, their last function being a dinner given them by the city of Vancouver, at which Champlain of the Indian delegation said that a definite promise had been given by the Dominion Government to place before the Dominion Parliament requests of natives of India resident in Canada that their disabilities should be removed.

This morning the party left for Kamloops and the Okanagan.

RICHEST ORE IS REPORTED

Serpentine Going \$35,000 in
Gold to the Ton Brought
Out by Trites

VICTORIA, Sept. 14.—British Columbia may take the lead away from Mexico in the way of the world's high value gold ore, it was indicated at the parliament buildings, following the arrival of some talo serpentine ore which, when assayed, went \$31,000 and up to \$35,000 in gold to the ton. The ore was brought out by A. B. Trites, who has opened up a large deposit of this ore east of Hope.

Another development in the interior came with the outright purchase of 800 acres and the bonding of 300 acres more of mineral property in Canyon Creek, Kettle River Valley, by a group of Vancouver men. Crews to work the properties are being sent there from Vancouver.

CAMPAIGN FOR CARS CLOSES

TONIGHT AT NINE ENDS FINAL
PERIOD AND RESULT WILL BE
ANNOUNCED TONIGHT

Promptly at 9 o'clock tonight (Friday) the Prince Rupert Daily News' campaign will be declared closed. There will be no display or "party" in connection with the windup of the campaign. Under the supervision of the judges (and in the presence of only the judges, the publishers and the campaign management) the sealed ballot box will be opened. Votes for this last week will be carefully counted and added to those already earned, making the count complete for the campaign and determining the winners.

As soon as the count is completed a bulletin will be posted in the windows of the Daily News office, and every effort will be made to have the final figures ready in time for publication in Saturday's News.

Through the courtesy of the management, The Royal Bank of Canada will be open from 7 to 9 this evening. This will make it convenient for every candidate to deposit the final collections in the ballot box before the campaign is officially declared ended at 9 o'clock tonight. Positively no votes or subscriptions will be accepted through the mails or in any other manner after the closing hour tonight.

Only a few hours now remain. We regret that we cannot give each of the candidates a car. May the best candidates win.

KETCHIKAN HAS A FIRE BOAT

ONE PRESENTED TO CITY BY VOLUNTEER ASSOCIATION AT FIRST CITY

KETCHIKAN, Sept. 14.—Through the efforts of the volunteer fire department Ketchikan soon will have a fully equipped fire boat for ranging the waterfront and for reaching nearby cannery plants and suburban districts, should the occasion arise.

Under the direction of Chief Lawrence Kubley, Assistant Chief Washburn and Captain Joe Diamond, the volunteer association has purchased the Ruth and will convert her into a fire tug for presentation to the city of Ketchikan.

Lack of Co-operation Between Prince Rupert and Interior is Subject Most Bitter Complaint

"There is in the Bulkley and Skeena valleys between Terrace and Endako a million dollar payroll; mostly in the mining and timber industries," declared D. D. Munro of the agricultural department of the provincial government, who is in the city in connection with the Bulkley and Skeena valleys exhibit which has excited such favorable comment in the city. The difficulty is, according to Mr. Munro, that Prince Rupert people do not seem to appreciate the advantages to be gained from closer relations with that section. Farmers find it difficult to sell their goods in

FESTIVITIES OF FAIR CONTINUE

EVENTS TODAY WILL INCLUDE NATIVE FOOTBALL AND BASEBALL, STAMPEDE, LACROSSE AND BIG DANCE TONIGHT

There was another large crowd last night in the Exhibition Hall to view the exhibits and attend the vaudeville show in which Tex Young, cowboy comedian; Ruth and Malloy, the burlesque troupe, and the Kings of Non-sense participated with an entire change of program which proved very acceptable entertainment. The Boys' Band also participated in the program.

Daredevil Lundie gave a repetition of his ball of fire stunts on the grounds. On the sports ground, Port Simpson Athletic Club beat Greenville 5 to 1 in baseball and the winners were to meet Hazelton in the final this afternoon. Kitimat beat Kincorth in football 4 to 1 and the game between Kitimat and Greenville was postponed until this morning. The football final will take place tomorrow.

Besides the stampede this afternoon, attractions billed for today, the closing day of the Fair, will include the second lacrosse game at 5.30 this afternoon between Prince Rupert and Aiyansh, and the big dance and drawing for the lot in the hall tonight.

FLYERS WING WAY EASTWARD

REACHED FRAZER LAKE AT 4.20 LAST EVENING

Covering the first 227 miles of the flight to Fraser Lake yesterday afternoon in an even two hours, Squadron Leader A. Earl Godfrey and his three companions were delayed on the final 123 or so miles and it was 4.20 p.m. when the flyers reached the end of the hop which started here at 12.40 noon. Soon after they left here in a heavy rain shower, the plane got into much better weather up the Skeena River and at Smithers flying conditions were ideal.

Passing Smithers at 2.45 p.m. the Canadian National Telegraphs reported that the following message was dropped from the plane: "Thanks to the weather, everything is going fine. We are landing at Fort Fraser."

The flyers continued from Fraser Lake today to Peace River Crossing. Major Godfrey and his companions hopped off from Fraser Lake at 8 o'clock this morning for Peace River Crossing.

HEAD OF HUDSON BAY COMPANY AND LIEUT. GOVERNOR ARE COMING

C. V. Sale of London, England, governor of the Hudson Bay Co.; Hon. R. Randolph Bruce, Lieutenant Governor of British Columbia, and the latter's niece, Miss Mackenzie, chatelaine of Government House, Victoria, will be the most important members of a party arriving in the city on the steamer Prince George tomorrow morning enroute to Fort St. James, Stuart Lake, where they will participate in the centennial celebration of the arrival there of the then

governor of the Hudson Bay Co., Sir George Simpson. The party will proceed by train to Vanderhoof, accompanied by W. H. Tobey, divisional superintendent of the Canadian National Railways, who will probably go on to Fort St. James with them.

It will be the first visit to the city of Lieutenant Governor Bruce since he assumed that office.

The party will also include George W. Allen and A. F. Graham, directors of the Hudson Bay Co., and Judge F. W. Howay of New Westminster. A special car attached to the regular train will take the party to the interior awaiting shipment.

TOLMIE TALKS IMMIGRATION

WOULD EMPLOY SETTLERS IN CLEARING LAND PRELIMINARY TO FARMING

VANCOUVER, Sept. 14.—"Let us get down to business," Premier Tolmie said yesterday at the opening conference between the parliamentary delegates and the Vancouver Board of Trade. He had figures showing the proportion of foreign born as compared with British born immigration. "We are anxious to keep this is a British country. We want British Columbia to be British Columbia and nothing else," said the premier. British Columbia was prepared to supply the land, administration, supervision, schools, roads, and her investment in railways.

The premier advocated the block system of settlement. Good land, he urged, should be selected. He thought that preliminary training could be given settlers in clearing settlements lands. They might be paid a reasonable per diem wage and at the same time the men would get actual training and fit themselves for farm work.

CARNEGIE FUND IT IS THOUGHT MAY GRANT QUARTER MILLION TO FORWARD WORK

VICTORIA, Sept. 14.—The Carnegie Corporation may be asked to grant a quarter of a million dollars to further the work in connection with libraries in British Columbia. This it is suggested should be spread over a term of five years. The suggestion is made by C. B. Lester, who has been making a library survey of British Columbia and who has just returned.

Mr. Lester visited Prince George and Prince Rupert particularly with a view to making those places centres for library distribution, possibly in connection with their local library organizations.

SMEELTER AT LADYSMITH

VICTORIA, Sept. 14.—Inaugurating copper development on Vancouver Island only second to that of the Consolidated Mining Co.'s operation of the Coast Copper, the Ladysmith Tidewater Smelter last night shipped a crew of men, supplies and machinery to Sidney Inlet on the west coast. A. J. Coulls, engineer in charge of the Ladysmith smelters, stated yesterday that British Metals Corporation, through the Ladysmith subsidiary, had bought the Tidewater Mine and plant which had been closed down since the drop in copper prices four years ago. Already 70,000 tons of copper ore is blocked out awaiting shipment.

AROUND PRINCE RUPERT

To Diamond Drill Rufus Argenta—Jack Pedersen Negotiates New Deal at Stewart—Bitter Creek Section Looks Promising

A diamond drilling contract for the Rufus-Argenta at Stewart has been let to Lynch Bros. of Seattle by J. F. Duthie, who has the property under bond, and a crew of men and machinery has arrived on the ground. There was already one diamond drilling outfit on the property and it is expected this will also be utilized by Mr. Duthie. M. M. Reese, mining engineer for the company, has selected a site for the commencement of drilling operations and eight men are employed in building a trail to the site and blasting out a station for the machines. It is expected that work will continue on the property throughout the winter, all surface equipment for present requirements being already provided. Mr. Duthie is said to be paying thirty cents for 1,600,000 Rufus-Argenta shares which will give him control of the property.

Duthie Mines Ltd., which has the Mamie group on Hudson Bay Mountain under option, is starting up work once more on that well known property. The new work will consist of further cross-cut and drift tunnelling from the point where the Federal Mining Co. left off four years ago when it had the Mamie under its control.

Jack Pedersen, well known pioneer of Stewart camp, who has handled some of the most important deals ever negotiated there, has taken a bond on behalf of himself and associates on the Nelly W. and May group of six claims, situated on the south fork of Glacier Creek above the Ben Bolt and owned by Harry J. Thomey, Frank Haugh and associates. Four veins, three of them parallel and the fourth in a cross-vein have been located on the property besides a large copper-bearing zone which is a diamond drilling proposition. A considerable amount of development prospecting has been done including a forty-foot adit tunnel which carries at least a foot of high-grade ore all the way. It is the intention of the bonders to do some development this fall and have the property surveyed, the probability being that a development company will be organized for future work. Very advantageous terms are reported to have been secured in the bond.

A collection of fine looking specimens of galena ore has been brought into the Stewart News office by Mr. Peterson, one of the owners of the Hyder-Butte property in the Salmon River section on the Alaska side. These were taken from the face of a tunnel now being driven into the hill. Present intention is to drive this tunnel for 800 feet, following the vein which has been traced on the surface for 1300 feet. The property is under the management of J. C. Boulton of Seattle whose brother, Henry C. Boulton, is president of the Hyder-Butte property.

UNITED CHURCH REACHES UNITY

DECIDES TWO CONTROVERSIAL QUESTIONS AT SESSION WEDNESDAY AFTERNOON

WINNIPEG, Sept. 13.—Two controversial subjects were amicably settled Wednesday by the General Council of United Church of Canada. The position of the paid officials of the church is settled. There had been a demand from the various commissioners that the number of paid officials of the church should be reduced, thus releasing a number for other important work such as the pastorate. The report of the committee was presented by Hon. N. W. Rowell and General Ross showing the number of officials had been reduced by eleven since Union and that a further reduction of five was planned but that it was considered undesirable that further paid officials be released from their present duties. The report was approved.

The appointment of Rev. Charles Endicot of Saskatoon to the position of associate secretary of the missionary extension fund was approved following a lengthy debate.

TRUST THE PEOPLE

"I am always willing," said the candidate as he hit the table a terrific bang with his clinched fist, "to trust the people."

"Great Scott," shouted the little man in the audience, "I wish you'd open a grocery store in our district."

British Columbia was the first to try prohibition, the first to try Government control and will be the first to tell the liquor interests to get out and stay out," he said. "We are building our educational institutions and our hospitals on beer kegs," continued Craig. "Thirty-five million dollars have been spent on liquor during seven years."

"TRY A NIP TONIGHT"

STEWART

Word has been received here of the sudden death in Nelson recently of Charles Stanley Baker, pioneer assayer of Stewart, who was 48 years of age.

Newton T. Burdick of Vancouver, who was visiting mining interests in this district last week, had as his guests aboard his private yacht, Helena B., Wellington Beaton, president of the Georgia River Gold Mines Ltd.; J. C. Coates, managing engineer for the company; J. G. Kilian, Vancouver broker, and George F. Tull, Calgary broker.

Mrs. George Bryant and Miss Blanche Curtin, who returned recently to their home in Prince Rupert after a week's visit here, surprised some of the hardest prospectors with their ability as mushers and climbers. With Owney McFadden as their guide, they crossed the north fork glacier of Bitter Creek at an elevation of 6,000 feet, being the only women on record to accomplish this feat.

Mrs. Westell, well known music teacher, has taken up residence in Stewart.

Miss Alice Wilkinson and Miss Margaret Watson have returned home after making a trip to Vancouver which was the prize in a subscription contest recently conducted by the Stewart News.

E. Jones who has been in Stewart for about six months, has joined George Wall in the wood business.

ALICE ARM

Two fine specimens of ore—one of mornite copper from the Maid or Erin property in Rainy Hollow and the other ruby silver from the Atlin Silver Lead mine—have been presented to the Alice Arm branch of the British Columbia Chamber of Mines by W. A. Talbot, assistant district engineer for the provincial department of public works.

Miss Brighton is again in charge at the Fort St. James public school.

The school attendance at Vanderhoof this term is the largest on record, 110 pupils being enrolled according to report of the principal, F. G. Cook.

Robert Watson and Sidney Barnet made a trip to Fort St. James last week to make final preparations for the pageant which will mark the celebration of the centennial of the arrival there of the Hudson Bay Co. governor, Sir George Simpson. Arrangements for the celebration constituted the chief matter of business at the monthly meeting of the Vanderhoof Board of Trade this week.

PRINCE GEORGE

G. B. Williams, Mort Teare and T. A. Griffiths arrived in the city last week following a twelve-day trip during which they made the circuit of the Fraser and Bear River watersheds, between Prince George and Barkerville. They were looking for a lost mine which they did not find.

Fred McKinney, a Chicago lad, arrived in the city last week, this being the objective of a cycle trip he has made across the continent. He will return to Chicago via the Pacific Coast States.

Mrs. Raffela Gabriele, wife of the proprietor of the London Rooms, was fined \$300 here last week by Police Magistrate Moran for selling liquor.

The city is having considerable trouble with its four-inch water main on Dominion Street, many pipes being burst supposedly by some chemical in the soil.

The re-dedication of St. Michael's church here, which has been undergoing considerable improvements, was conducted last Thursday evening by Rev. T. S. DePencier, there being special music for the occasion.

George Kolas has opened a new bowling alley in Prince George.

H. B. Luty and F. A. Burgess, Vancouver insurance men, were visitors in Prince George last week, being en route to Smithers by motor, accompanied by their wives.

CLOSE RACE IN BIG LEAGUES

BASEBALL PROMISED TO BE AS INTERESTING AS IT WAS IN 1908

NEW YORK, Sept. 14.—Echoes of 1908 are heard along the baseball stretch as the major league teams thunder on toward what looks like the greatest dual finish since the memorable season of the failure of Merkle's to touch second.

The National League became more tense yesterday when Fred Blake led Chicago to victory over St. Louis as the Giants took a third straight double-header from Boston. They are now only one and a half games from the lead with Chicago half a game behind them.

NATIONAL LEAGUE

New York 12-7, Boston 2-6.
Brooklyn 10, Philadelphia 0.
St. Louis 1, Chicago 6.

AMERICAN LEAGUE

Chicago 4, St. Louis 6.

COAST LEAGUE

Ladies' Hats and Coats Going at One-Third Less than Regular Prices

We had prepared rather heavily for this exhibition week but chiefly on account of the changing weather, our sales have not been so great as we did expect. Our stock is therefore rather greater than we care to carry. To get it back to normal, all our large stock of Ladies' Hats and Coats will be offered on Friday and Saturday at one-third less than the regular prices. And Coolie Coats, we shall offer for \$1.00 cash. This affords an opportunity for thrifty buying.
