TOLMIE OPENS CONSERVATIVE CAMPAIGN IN MOOSE HALL

Large Number of People Hear Dr. Tolmie and the Candidate Last Night

J. H. Thompson Stresses Local Points and Leader of Conservative Party Deals With Provincial Issues With Other Speakers

An audience of some seven hundred or so persons, which showed considerable enthusiasm at times, attended the opening provincial election campaign meeting of the Conservative party in the Moose Hall last night.

ROLLA YOUTH IS SENTENCED

LEE FLOYD PACKER, CHARGED WITH DEATH OF FATHER, GETS TEN MONTHS AT PRINCE GEORGE

Lee Floyd Packer, youth, who was charged with murder at the Prince George Assizes this week in connection with the death of his father at Rolla during the winter, was sentenced to ten months imprisonment at Okalla for manslaughter.

ASSIZES OPEN HERE MONDAY

PRINCIPAL INTEREST IN SPRING COURT WILL CENTRE ON TWO MURDER TRIALS

The delayed spring session of the Supreme Court Assizes will open in the city on Monday morning with Mr. Justice Gregory presiding.

Principal interest in the docket will centre on two murder cases—one from Massett and one from Stewart.

NO TRACE YET OF AMUNDSEN

SIGNALS PICKED UP THOUGHT MAY HAVE BEEN FROM EXPLORER

STOCKHOLM, June 23.—A Swedish seaplane following the route where Amundsen should be, found no trace of the famous explorer who had gone to the relief of General Noble. Anxiety is being felt.

The Russian ice-breaker Mullin is picking up faint signals which it is thought may be from Amundsen down on the ice.

PRINCESS LOUISE TOUCHED BOTTOM AND DAMAGED PROPELLER

VANCOUVER, June 23.—C.P.R. steamer Princess Louise touched in Seaford Channel and damaged her propeller blade. The damage was not serious. She transferred passengers here and proceeded to Victoria for inspection and repairs, which probably will be complete before the next scheduled departure for the north tonight.

ALL EVIDENCE POLICE PROBE IS NOW GIVEN

IN FINAL SESSION DETECTIVE RICCI ACCUSES SERGEANT McLAUGHLIN OF COMPLICITY

CHANGES HIS STORY

VANCOUVER, June 23.—Asserting he had withheld evidence against Detective Sergeant McLaughlin in previous testimony, Detective Joseph Ricci in the final hours of the Vancouver police inquiry late yesterday afternoon accused McLaughlin of responsibility for disorderly house conditions.

Declaring he had been told by male operators of such places they paid protection money and directly charging McLaughlin with instructing him to lay off Colona's place at 272 Union Street, Ricci said he had decided to tell no more lies but to tell the whole truth to the commissioner. His decision to do this, said Ricci, was made after hearing McLaughlin's evidence, which he believed was an effort to shift responsibility to Chief of Police Long and Inspector Jackson, when McLaughlin was, he said, at least partly to blame.

Personally cross-examining Ricci, Sergeant McLaughlin led the witness through his previous testimony, in which he had declared McLaughlin never interfered with him in the performance of his duties.

Details of the confidential conference between Chief Long and Inspector A. E. Beames of the Royal Canadian Mounted Police were divulged by McLaughlin, who said he had been told of the discussion by his chief. Beames had complained that the mounted police in Chinatown would not work with Ricci because they believed he was "tipping off" Chinamen in regard to their activities in narcotic work.

The clash between McLaughlin and Ricci came as a climax to what was generally expected to be a quiet session devoted to hearing final evidence of a minor nature. The afternoon saw the last evidence to be presented. Counsel will present their argument on Wednesday.

The inquiry has lasted 32 days.

HALIBUT TODAY AT RATHER LOW LEVEL

Total of 144,000 Pounds Sold at Fish Exchange this Morning

Halibut sales here today totalled 144,000 pounds, four American boats disposing of 107,000 pounds at from 9.3c and 5c to 10.6c and 5c., while three Canadians received 8.9c and 5c and 9.1c and 5c.

COLOMBO, June 23.—Charles Daniels, skipper of the liner Jervis Bay, witnessed this morning that the recent trouble with stowaways is in hand.

FLOODS IN ROUMANIA BUCHAREST, June 23.—Torrential rains and floods throughout Roumania have caused havoc in many villages. Ten people were drowned.

BALLOON ELIMINATION RACES AT PITTSBURG: A general view of the airport and preparation for Detroit races. Two of the balloon pilots have thus far been killed and several balloons forced down by the inclement weather encountered.

Half Million Dollars Taken from Mail Bags Arriving in England on Ocean Liner Leviathan Last Night

SOUTHAMPTON, June 23.—Checks, bank drafts, bills of exchange and bank notes of an estimated value of \$500,000 were stolen from the registered mail aboard the liner Leviathan, which arrived here from New York last night.

The British postal authorities announced that the mail bags had been opened and the registered mail taken and then the bags re-sealed. It is believed the robbery was committed in the United States.

TILDEN WINS IN SINGLES

BEATS HUNTER IN TENNIS FINALS TODAY AT WIMBLEDON IN CUP GAMES

LONDON, June 23.—Playing at Wimbledon today Tilden won the tennis singles championship of the world, defeating Hunter, his American Davis Cup partner, in the finals.

AKUTAN VOLCANO IN ALEUTIAN ISLANDS BELCHED BLACK SMOKE

DUTCH HARBOR, June 23.—Akutan Volcano, one of the many in the Aleutian Islands, is quieting, the motorship Seal reported. The volcano belched black smoke and vapor regularly every ten to fifteen minutes, officers said, instead of emitting a steady flow of smoke as previously.

CONSERVATIVE LADY RUNNING IN VICTORIA

VICTORIA, June 23.—Mrs. James McGregor of this city has announced her candidature as an Independent Conservative in this city. She is a widow and her husband was formerly Conservative member for Nanaimo.

HERA WAS WINNER WOKINGHAM STAKES

ASCOOT, June 23.—Sir W. Cookes Hera won the Wokingham Stakes yesterday. Capture Him came second and Stranathro third. The betting was 100 to 6, 7 to 1 and 100 to 8 respectively.

AIRPLANE CRASHED. VIROINIA MANOR, June 23.—Charles Lutze and two companions were killed this morning when an airplane en route from Washington to Miami crashed.

MANSON DOES GREAT DRIVING

ATTORNEY GENERAL COVERS 600 MILES IN 35 HOURS, NIGHT AND DAY

Attorney-General Manson is establishing a mileage record in the present campaign, and incidentally showing the distances which can be covered by automobile over the present system of highways says the Prince George Citizen. On Friday evening the attorney general bobbed up in Prince George, and pushed on through to Houston in his own constituency, where he was due to meet Premier MacLean on the following morning. When it is realized that Mr. Manson addressed a public meeting in Merritt on Thursday evening, which did not close until after eleven o'clock, and that he was at Houston at noon on the following Saturday, it will be conceded he was moving. Six hundred miles in thirty-five hours is going some, but if the roads were not good the thing could not be done. As it was the journey was a great tax upon the attorney general and his driver. Relieving each other at the wheel they pushed the car as fast as they could throughout Thursday night, Friday and Friday night and reached Endako in the small hours on Saturday morning. Here they snatched a few hours sleep and then hit the road again to reach Houston at noon.

TOLMIE RESIGNED SEAT IN COMMONS

OTTAWA, June 23.—Hon. S. F. Tolmie has resigned his seat in the House of Commons. Writs for the by-election may not be issued for some time.

BANDIT IN MICHIGAN ROBBED EXPRESS CAR

BLISSFIELD, Mich., June 23.—A bandit held up an express car on the Detroit-Toledo line of the New York Central last night and escaped with a money shipment estimated at \$50,000.

Premier Chosen Unanimously at Liberal Convention in Victoria as Candidate for the Election

VICTORIA, June 23.—Premier MacLean will head the Liberal ticket in Victoria. The slate as chosen at the convention last night was Premier MacLean, Mark Graham, W. T. Straith and Alderman R. A. Dewar. The choice of the Premier was made unanimous before the other nominations were recorded.

Those proposed in addition to the four nominated were Dr. Lewis Hall, Dr. Ernest Hall, Rev. Clem Davies H. C. Litchfield, and Fred J. White. To nominate, 460 votes were required. On the first ballot the three were chosen: Straith 729, Graham and Dewar 488 each.

Addressing the convention the Premier detailed the legislation of the Liberal regime and urged the electors of the province not to change the government with its record at the bidding of a party that had been in opposition for many years. Any criticism over the P.G.E. railway, the Premier said, must be divided by both parties for the Conservatives built the road on which the Liberal government had to spend money. He claimed the manifesto of Tolmie was an endorsement of Liberal policies.

AURORA ACTIVE IN OPPOSITION TO THE LOCAL TELEGRAPHS Yesterday the Aurora set up in business in opposition to the telegraphs with the result that the wires slowed down a great deal. Earth currents also were working overtime, all having a bad effect on transmission. Today these intruders have retired from the field and the key-tapping is going on at the usual high speed.

RAIN SPOILED LEAGUE GAMES

BOTTOMLEY HIT HOMER WHICH COULD NOT BE COUNTED IN SEVENTH INNING

NEW YORK, June 23.—St. Louis continued the march toward the pennant in the National League by trouncing Chicago in a game called by rain. Bottomley drove out a homer in the first part of the seventh inning but it was not counted as heavy rain began falling and the score reverted to the end of the sixth inning. Cincinnati crumpled under the bombardment of Pittsburgh batters and the team is now four and a half games behind the Cardinals. Rain generally upset league schedules yesterday.

ED. MICHAUD TERRACE DIES

WELL KNOWN RESIDENT OF INTERIOR PASSED AWAY SUDDENLY AT USK

TERRACE, June 23.—Word was received here on Thursday evening of the death at Usk of Ed. Michaud, one of the early pioneers of the Terrace district. Mr. Michaud was cooking in H. L. Frank's government road camp at Usk and was evidently seized with a heart attack just after breakfast, being found lying by the camp when the men came back for their evening meal. Two brothers of the deceased went to Usk Thursday night and the remains were brought to Terrace on Friday morning's train.

MASONS CHOOSE GRAND OFFICERS

ROBERT BAIRD IS GRAND MASTER FOR THE CURRENT YEAR WITH ROBBIE REID DEPUTY

VANCOUVER, June 23.—The grand lodge A.F. & A.M. elected Robert Baird grand master, Robb Reid of Vancouver is deputy grand master; H. B. Morley of Pentlton senior grand warden; Harry H. Watson of Vancouver grand treasurer; Dr. DeWolfe Smith of New Westminster, grand secretary and J. H. Hughes of Vancouver, grand tyler.

GOLF FINALS ARE PLAYING

MRS. S. C. SWEENEY OF VANCOUVER MEETING MRS. KENNETH REID OF PORTLAND

PORTLAND, Ore., June 23.—Mrs. S. C. Sweeney of Vancouver is meeting Mrs. Kenneth Reid of Portland today in the finals of the women's northwest golf championship. They defeated respectively Miss Wilson of Victoria and Miss Brodie of Portland in the semi-finals yesterday.

RUTH HIT HOMER.

NEW YORK, June 23.—Ruth hit his 26th homer in the first inning of the game with Boston this afternoon. There was nobody on bases.

"SALADA" TEA

In remote and distant parts of the world, fine teas are grown—wherever they grow these teas are procured for "SALADA" blends. The best the world produces is sold under the "SALADA" label. Millions know the satisfaction "SALADA" gives.

DAILY EDITION Saturday, June 23, 1923

LARGE NUMBER OF PEOPLE HEAR DR. TOLMIE AND THE CANDIDATE LAST NIGHT

(continued from page one)

such a large and enthusiastic audience before him. The leader referred briefly to the eloquent address of Mr. Brady who had preceded him in speaking. Mr. Brady, he said, by his eloquence and hard work, had already made a name for himself in Ottawa. Nor was he one who was disheartened by certain chastisements which he had experienced through the circumstance of his being a Conservative representative under a Liberal government. Mr. Brady's abilities as a speaker had soon become realized in the East and now he was a much sought speaker who was now taking full advantage of these opportunities that were being put in his way to advertise his home district for which he was such a zealous worker.

Opening to the subject of provincial affairs, Dr. Tolmie indulged in some mild criticisms of the late provincial government. In its twelve years of office, he charged, the public indebtedness had increased from \$19,000,000 to \$95,000,000 and the per capita taxation was now five times greater than it was in 1916 when the Liberals had assumed power in British Columbia. The per capita taxation of this province was now greater than that of any other province of the Dominion. Dr. Tolmie also charged that the Liberal government had been reckless in the matter of estimates and expenditures. Over expenditures had occurred persistently and there was not a single case known of where a mistake had been made and the expenditure had been within the original estimate.

"Our Liberal friends seem to be very proud of the wonderful times Canada and British Columbia are now experiencing," said Dr. Tolmie. "Now let us look at those wonderful times. In the first place this country has been favored by the Creator with excellent crops for which good prices have been obtained principally because of the improved system of government in Russia under which that country now exports no wheat."

"What is the improved system of government in Russia?" interjected George B. Casey.

Dr. Tolmie passed the interruption off nicely. "I had hoped you would have been able to get the angle," he replied. "I really do not like to tell you it was only a joke."

Dr. Tolmie went on to recount some

of the circumstances accounting for the good times in this country such as agriculture and mining. "And I would say," he asserted "that these circumstances had probably more to do with the improved conditions in this country than either Mr. William Lyon Mackenzie King at Ottawa or Dr. Maclean at Victoria had."

PACIFIC GREAT EASTERN

Dr. Tolmie then proceeded to discuss the Pacific Great Eastern situation. He was rather skeptical about the confidence expressed by Dr. Maclean in his manifesto that the road would be successfully sold to the Canadian National Railways. While Dr. Maclean had been making his statements along this line, it was significant that the minister of railways at Ottawa had said when inquiry had been made that "as to the exact status of the negotiations in British Columbia I have not been advised but I can state that the C.N.R. is not authorized to make any settlement and I am very certain that no deal of such magnitude could be consummated without first submitting it to Parliament. As a matter of fact no such purchase could be made without the approval of this government." He would leave it to the people to judge as to what Premier Maclean had said in this connection.

Regarding the railway lands which Dr. Maclean had said in his manifesto the government hoped to get back, Dr. Tolmie stated that negotiations with this end in view had been instituted as far back as the days of Premier Dunsmuir, past the government of Sir Richard McBride which had made progress in the matter until 1926 when he, Dr. Tolmie, had introduced a resolution in Parliament which had resulted in the appointment of Mr. Justice Martin of Regina as a commission of enquiry and his subsequent recommendation that the requests of British Columbia should be granted. It was ridiculous to say that the Conservatives had never made a move in this direction.

And it was on such premises as the sale of the Pacific Great Eastern and the return of the railway lands, the latter of which had cost more to administer in the last thirty years than the revenue from them had been, that Premier Maclean made his promises for a substantial decrease in provincial taxes. "I would say," declared Dr. Tolmie "that they are rather precarious things upon which to depend."

Premier Maclean had been heralded, Dr. Tolmie said, as a brand new broom which should be given its chance. "As a matter of fact Dr. Maclean has been

a member of the government for the last twelve years and has thus been directly responsible for everything that had occurred in the cabinet and as such he was a very old broom. It will be for you to decide whether this broom with a little new brush tied at the end of the old stick is to continue or if you are to have an entirely new broom."

"But this is all the criticism of the government I am going to engage in. Now I hope to give you a few constructive ideas for the betterment of conditions in British Columbia," continued Dr. Tolmie.

"I am a firm believer in the principle that the operation of any government should be for the benefit of the people who live here and pay taxes. In spite of the great extent and resources of this province, still we have only 600,000 people living here." He referred at length to the various resources of the province.

"Here in Prince Rupert," continued the speaker, "we have the natural outlet for Northern British Columbia, a port which is already excellently equipped. The question is how can we help this port. While fishing and shipping have been the mainstay of the port up to this time, the development of great country behind you should bring you a much greater measure of prosperity. Large areas close to your railway have practically no population at all. Land settlement intelligently and methodically carried out will receive the hearty approval and assistance of the Conservative party."

Further outlining Conservative policies, Dr. Tolmie asserted that it was the intention of the party to lower taxation by having a larger number of people in the country, taking care of the home markets first and then developing the export trade; the assurance of a satisfactory market for the producer before he was asked to produce; the principle of the manufacture of natural resources at home, and federal assistance in trunk road building.

Referring to roads, Dr. Tolmie declared that the time would come when three transprovincial highways would be necessary in British Columbia—one running from Vancouver through the south of the province; the second by the Cariboo route, and the third through this part of British Columbia from Prince Rupert. As far as the Prince Rupert road was concerned, Dr. Tolmie stated that it would be the purpose of a Conservative government to carry it on as finances would permit. He felt that a thorough survey was necessary in order that the best route should be followed, opening up, if possible, such areas for settlement as might be available.

The giving of a railway outlet to the Canadian National for the Peace River was another matter of importance to Prince Rupert, Dr. Tolmie asserted. He stated that he had not been one of those who had voted against the Prince Rupert elevator. He had favored the elevator here in order to give this port and railway a chance for development.

Dr. Tolmie urged the development of better relations and trade east and west in Canada rather than north and south to the United States. Thus the railways of this country would be given a better chance for development.

The speaker referred briefly to instances of where the Conservatives had worked for the betterment of Labor conditions.

Replying to the bogey that road work here would stop if a Conservative government were elected, Dr. Tolmie stated that it would be carried on just the same.

The speaker also asserted that, if the Conservatives were returned to power, there would be nothing such as putting present civil servants out and replacing them with good Tories. Such employees as were useful and efficient would most certainly retain their positions.

Dr. Tolmie urged that the young people of today should be given such education as to better fit them for the work of the province. He believed that there were already ample lawyers and doctors here.

In the matter of immigration, all nationalities should receive equal treatment except, of course, the Asiatics which would not assimilate. It was also necessary that conditions should be made as attractive here as in the United States.

CONSERVATIVE POLICY

"If the Conservative party assumes the reins of office it will be our policy to give clean, honest and efficient government," concluded Dr. Tolmie. "It will be our policy to receive a dollar's value for every dollar spent. It will also be our policy to take the police control out of politics and it will be our policy that government and business should go hand in hand, with a fair deal for all and favors for none."

OTHER SPEAKERS

Joshua Hinchcliffe asserted that the Liberals, instead of being such champions of Labor as they proclaimed themselves, had but delayed as long as possible legislation for the benefit of the laboring classes and the women. Dr. Tolmie himself had depended on the labor of his own hands and he felt that, with him as Premier, the laboring classes of the province would be secure. The speaker referred to legislation for the benefit of labor which had been passed by the former Conservative government, their greatest achievement of all having been the Workmen's Compensation Act. He declared that many items of social and working men's benefit legislation that the Liberals now boasted of would have been in effect as far back as six years ago if the Liberals had not opposed them.

After briefly referring to his activities at Ottawa which he could face anyone and say had been carried out faithfully, assiduously and courageously, J. C. Brady, M.P., declared dramatically

When you're ship wrecked on the Ocean and there's not a sail in view when your biscuit box is empty you are in a sorry stew one thing short of rescue that will fill your urgent need your old pipe full of Ogdens will prove a friend indeed

Masset Inlet. Leave Prince Rupert Mon-
day, return Thursday. Or a week-end
trip to Terrace or Smithers. Very low
fares. Enquire City Ticket Office
Phone 240. 147

Two unique figures stepped off yester-
day afternoon's train from the East
in the persons of a pair of Hollandese
women coming direct from the Old
Country enroute to the Queen Char-
lotte Islands where they intend to set-
tle. One of the women was in the
quaint national costume of her country
and attracted considerable attention.

Mrs. Robert Watson and daughter ar-
rived in the city on this afternoon's
train from Winnipeg and will be the
guests of Mrs. Watson's sister, Mrs. Wil-
liam Cruickshank, Wallace Block, until
the arrival in about two weeks' time
of Mr. Watson when they will proceed
to Vancouver. Mr. Watson is a noted
author and only this week was elected
president of the Canadian Authors' As-
sociation.

SUCCESSFUL SOCIAL
BY CATHOLIC WOMEN
Card Party and Dance Enjoyed by Large
Crowd in Parish Hall Last Night

There was a large gathering at a suc-
cessful social held last evening in the
Parish Hall by the Catholic Women's
League.

Card playing occupied the earlier part
of the proceedings and prize winners
were:

Bridge — ladies' first, Mrs. G. W.
Nickerach; consolation, Miss Nelda Hil-
litch; men's first, M. P. McCaffery;
men's consolation, Frank Fortune.

Whist — ladies' first, Miss F. Johnson;
consolation, Mrs. O. A. Johnson; men's
first, F. Brochu; consolation, Miss Nellie
Bussanich.

Refreshments were served at 10.30 and
dancing followed until 1.30. Music was
by Dave Eastman's orchestra and
Harry Astoria was master of ceremonies
with Mrs. J. J. Gillis attending at the
door.

RODERICK MURCHISON
METLAKATLA PIONEER
CALLED TO HIS REST

KETCHIKAN, June 23. — Roderick
Murchison, Sr., 72, pioneer of Metlakatla,
died at his Metlakatla home and was
buried from the church. Rev. F. R.
Falconer of Ketchikan conducted the
services.

Mr. Murchison came to Metlakatla
with Father Duncan, and through all
the years he lived in the native village
he took an active part in the conduct
of community affairs.

He is survived by three sons, Roderick
Jr., Sam and Herbert, of Metlakatla,
and by one daughter, Mrs. Anderson,
who lives in Ketchikan.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed
Crown lands may be pre-empted by
British subjects over 18 years of age,
and by aliens not being applicants
to become British subjects, condi-
tional upon residence, occupation,
and improvement for agricultural
purposes.

Full information concerning regu-
lations regarding pre-emption is
given in Bulletin No. 1, Land Section,
"How to Pre-empt Land," copies of
which can be obtained free of charge
by addressing the Department of
Lands, Victoria, B.C., or to any Gov-
ernment Agent.

Records will be granted covering
only land suitable for agricultural
purposes, and which is not timber-
land, i.e., carrying over 8,000 board
feet per acre west of the Coast Range
and 5,000 feet per acre east of that
Range.

Applications for pre-emption are
to be addressed to the Land Com-
missioner of the Land Recording Di-
vision, in which the land applied for
is situated, and are made on printed
forms, copies of which can be ob-
tained from the Land Commissioner.

Pre-emption must be occupied for
five years and improvements made
to value of \$10 per acre, including
clearing and cultivating at least five
acres, before a Crown Grant can be
received.

For more detailed information see
the Bulletin "How to Pre-empt
Land."

PURCHASE
Applications are received for pur-
chase of vacant and unreserved
Crown lands, not being applicants
for agricultural purposes, minimum
price for first-class (arable) land is
\$5 per acre, and second-class (graz-
ing) land \$2.50 per acre. Further in-
formation regarding purchase or lease
of Crown lands is given in Bulletin
No. 10, Land Series, "Purchase and
Lease of Crown Lands."

Mill, factory, or industrial sites on
timber land, not exceeding 40 acres,
may be purchased or leased, the con-
ditions including payment of
stampage.

HOMESITE LEASES
Unsurveyed areas, not exceeding 20
acres, may be leased as homesites,
conditional upon a dwelling being
erected in the first year, title being
obtainable after residence and im-
provement conditions are fulfilled
and land has been surveyed.

LEASES
For grazing and industrial pur-
poses areas not exceeding 40 acres
may be leased by one person or a
company.

GRAZING
Under the Grazing Act the Prov-
ince is divided into grazing districts
and the range administered under a
Grazing Commissioner. Annual
grazing permits are issued based on
numbers ranged, priority being given
to established owners. Stock-owners
may form associations for range
management. Free or partly free
permits are available for settlers,
surveyors and travellers, up to 100
head.

REDS KEEP UP LOSING STREAK

ST. LOUIS CARDINALS ARE NOW THREE-AND-A-HALF GAMES UP IN NATIONAL—CHANGES IN AMERICAN. (Special to Daily News) NEW YORK, June 23.—St. Louis Cardinals, winning over Chicago Cubs, stretched their lead in the National League yesterday to three-and-a-half games over the Cincinnati Reds who lost to Pittsburgh Pirates and are now threatened by the New York Giants for second place.

Table with columns: NATIONAL LEAGUE, AMERICAN LEAGUE, COAST LEAGUE, LEAGUE STANDINGS. Rows list teams like St. Louis, Cincinnati, New York, Chicago, Boston, Philadelphia and their respective records.

SPORT CHAT

With Philadelphia's failure this week to make any impression upon the American League leading New York Yankees, a turning point is probably marked in this season's competition in that division. The result of it is that New York is still away out on top and the Mackmen have come very close to losing second place to the St. Louis Browns who have been cutting quite a swath of late.

OLYMPIC DATES AT AMSTERDAM. Opening ceremonies July 28. Track and field July 29-Aug. 5. Wrestling July 31-Aug. 1. Fencing July 29-Aug. 1. Rowing Aug. 2-Aug. 10. Swimming Aug. 4-Aug. 11. Cycling Aug. 3-Aug. 5. Lacrosse Aug. 5-Aug. 9. Marathon Aug. 5 Aug. 9. Boxing Aug. 7-Aug. 11. Closing ceremonies Aug. 12.

FOOTBALL GAME ENDED IN DRAW

Terminal and Regiment drew 2-2 last evening in the Dominion Cup match and as a result will meet on Dominion Day in the final of the same competition.

With the bill and wind in their favor Regiment had rather the better of the first half. Both forward lines were dangerous in turn. Corbett saved from Harrison, Strachan and Dickens and Gurvich did well to repel a fine drive of Baptie's who was playing a fine game at centre half for Regiment. Russell at length put Regiment a goal up from close in and at the same time got a kick that crippled him for the rest of the game.

KETCHIKAN ASKS BASEBALL TEAM

BUT PRINCE RUPERT IS NOT EXPECTED TO BE ABLE TO COMPLY REQUEST. Ben Seif is in receipt of a communication from Charlie Miller, former player of this city, inquiring into the possibility of Prince Rupert sending a baseball team to Ketchikan on July 4 with a Ketchikan team paying a return visit during Fair Week.

LOCAL MARKSMEN TO ATTEND PROVINCIAL SHOOT IN VICTORIA

William Brass, M. M. Lamb, C. V. Evtitt and A. Wylie will leave at the end of next week for Victoria where they will represent the First North B.C. Regiment Rifle Association at the fifteenth annual shoot of the British Columbia Association on Heals Range at Saanich.

ENTERTAINMENT LAST NIGHT BY SALVATION ARMY WAS SUCCESSFUL

An enjoyable and successful entertainment was held last evening in the Salvation Army Citadel with a large attendance in audience. Capt. James Sto-

The Truck Driver

I believe Champion is the better spark plug because of the way Champions stand up in hard truck service.

Champion is the better spark plug because it has an exclusive sillimanite insulator specially treated to withstand the much higher temperatures of the modern high-compression engine. Also a new patented solid copper gasket-seal that remains absolutely gas-tight under high compression. Special analysis electrodes which assure a fixed spark-gap under all driving conditions.

Waterfront Whiffs

Sockeye Season Opens on Naas and Skeena Rivers With Only Fair Results—Halibut Boats Engaged in Mid-Season Cleaning and Painting

While salmon fishing on the Naas River at the opening of the sockeye season June 20 was rather poor, the fishing on the Skeena River was reported to be very much the same as characterized by the opening of the 1927 season. Like all other areas, only a few fish were caught during the first few days on the Skeena River. The high boat on June 21, the second day of fishing, had twenty-five sockeyes while the average per boat has not run over four or five fish, if that. Most of the fishermen who will operate on the Skeena River this season are already fishing but, owing to the fact that much of the fishing is being carried on in Chatham Sound at this time, it is expected that a week or so will have to elapse before a very definite idea can be obtained as to what volume of a run may be expected on the Skeena River. Spring salmon gear is now being changed for sockeye and most of the sockeye fishermen will be out by tomorrow.

SAY IT WITH MUD

If the weather remains as warm for the next month as it has been here, there may not be sufficient mud available so we would respectfully suggest that the provincial politicians do their slinging during the next three or four weeks with tar on the Cow Bay bridge where the most of folks travelling that way know there is an abundance and much to spare. And it should be an appropriate battleground, too, on provincial government soil for the two warring parties who are so anxious that freedom should flourish and tyranny fall in this fair—most particularly fair just now—lane of ours. Incidentally, the same Cow Bay bridge may furnish some excellent food for political minds to cogitate. Can it be that here is to be found the results of the graft which is being so imprudently bristled around these days? Can it, indeed, be that this most excellent—particularly excellent just now—provincial government of ours is in the clutches of the lavish surfacing of tar that has boiled these torrid days of late on Cow Bay bridge would indicate as much as it may be expected that the virtuous Tories may make a very tarry campaign of it on that account against the saintly Grits. For, to say the least of it, this particular part of town has been most generously treated with tar. It is, indeed, a veritable lake of tar and, on these sunny afternoons, when automobiles swish through it, pedestrians must slide away most rapidly—if they can unloose themselves in time—unless they are to be suddenly converted into tar babies. We do not know how many pairs of shoes have perforce had to be left in that oozy expanse but we have seen worthy citizens struggling like the fly on the fly paper and wondering whether it was further to go ahead or back. Yes we would, after travelling that thoroughfare in this week's California weather, most heartily commend its virtues as the forthcoming political battleground and meannings.

BUILDING TROLLING BOAT

The construction of a thirty-two foot stock model trolling boat is under way at the Suga boatbuilding shop. Type of engine has not yet been decided on.

What little work as has been available locally from district canneries in connection with the opening of the salmon season is now completed. Unlike previous years there has been practically nothing in the line of boat building and repairs and there has been correspondingly little work for the machine shops. On the whole, the spring has been very dull along the waterfront.

Jack McAuley, popular locomotive foreman for the Canadian National Railways, will celebrate on Monday the tenth anniversary of his arrival in Prince Rupert. He came here from Edmonton where he was located for a short time after spending several years overseas as superintendent of a shell factory. Jack has not done so badly in this little old burg and the beauty of it is that he likes it better every day and hopes to spend at least another decade here. His many friends will join him in that hope.

Jimmy Farquhar, financial expert for Edward Lipsett (Prince Rupert) Ltd., is engaged in an intensive campaign of cleaning and painting on Fifth Avenue for which there is a very good reason. An important event in Jimmy's young life will take place about three weeks hence. Good luck, Jimmy, and may the sun shine brightly.

CLEANING AND PAINTING

The mid-season campaign of cleaning and painting is now on among the halibut vessels. Boats going on the dry dock during the week for such work have included the Viking, D.S.T., Takla, Morris H. M. M. Christopher, Gibson, W. T. and Selma. The Eastern Point was on the Edward Lipsett ways during the week.

WATER NOTICE

CLEARING STREAMS
TAKE NOTICE that E. D. Judson, Ltd., whose address is Terrace, B.C., will apply for a license to use the waters of Kitluungallum River near Terrace for "Clearing Streams" purpose, namely, clearing and improving the stream for the driving, booming, or rafting of logs. The points on the stream between which it is proposed to clear are from the point where the Kitluungallum River intersects the North Line of Lot 1490 to the South Line of Lot 1419, Range 5, Coast District. The estimated mileage between the said points is 4 1/2 miles, more or less. The term proposed for the license is 21 years. This notice was posted on the ground on the 20th day of June, 1928. A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Prince Rupert, B.C. The petition for approval of undertaking and an application for approval of the Schedule of Tolls will be heard in the office of the Board of Investigation at a date to be fixed. Any interested person may file an objection thereto in the office of the Comptroller or of the Water Recorder of the District. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C. within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is June 19, 1928. E. D. JUDSON LTD., Applicant. E. D. Judson, Agent.

WATER NOTICE

DIVERSION AND USE.
TAKE NOTICE that The Detroit Western Mining Co., whose address is 904 Standard Bank Building, Vancouver, B.C., will apply for a license to take and use 150 c.f.s. of water out of East Fork of Kautze River which flows westerly and drains into Khutze Inlet, Granville Beach. The water will be diverted from the stream at a point about 1400 feet East of the Witness Post on the west side of Lot 172 Prince Rupert district and will be used for mining purposes upon the Mineral Group described as Western Copper (plans on file in Surveyor General's Office). This notice was posted on the ground on the 10th day of May, 1928. A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Prince Rupert. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C. within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is June 11, 1928. DETROIT WESTERN MINING CO., Applicant. By F. Pardoe Wilson, Agent.

Work of installing the new gangway and gridiron uprights at the Prince Rupert Rowing & Yacht Club is now in progress. John Currie & Son are carrying out the job.
Dr. H. L. Alexander has sold the old

"Mig" speedboat hull to the watchman at the Georgetown sawmill at Big Bay, the boat being delivered to its new owner this week. The installation of a 25 h.p. Easthope engine in the hull is planned.

George Bryant has had his power cruiser Harla on the Suga ways for scraping and painting preparatory to the inauguration of the picnic season.

QUEEN CHARLOTTE DOGFISH
Prospects are promising for the development of the dogfish fishery near Queen Charlotte City in connection with the Rupert Marine Products local reduction plant states George G. Bushby, head of the company. The industry at that point, he reports, is gradually expanding and it is hoped to develop it into something really worth while. Quite a few boats are now engaged in the fishing and Wendell Wright is in charge of the camp which he organized. On Wednesday the company's power tug P.R.T., Capt. Harris Kerr, arrived with a scowload of dogfish from Queen Charlotte, making about 200 tons that have so far been delivered from that point.

R.M.P. power tug F. H. Phippen made a trip to Georgetown on Thursday, returning with a scowload of lumber from the yards there which are rapidly diminishing following the removal of the company's operations to the city.

Mr. and Mrs. Claude Kirkendall and Mr. and Mrs. Herbert Porter made a trip Tuesday afternoon to Shawatians Lake aboard the former's power boat Polly Ann, remaining there overnight and returning the next morning.

Plans are now being prepared by I. A. Fraser for the two-story annex to the Prince Rupert Fisheries Experimental Station which it has been decided to build on the hill across the railway track from the main station. It is expected to have construction completed before the end of the year. It will be used to house the refrigeration and cold storage department of the station, also providing for possible future expansion. The plans call for a building of attractive and utilitarian appearance, not unlike the main building in general style.

LOCAL CRUISER RENAMED
The well known local pleasure cruiser Donnie Mac, recently purchased by Harold Ross from Jack Currie, has been renamed "Eamus" which means in Latin, according to those who are supposed to know, "Let's Go."

The season of angling trips to Lake Khtada will open on the forthcoming Dominion Day holiday week-end. A number of boats are planning to make the trip on that occasion and it looks like a race for the limited facilities this popular and abundant fishing ground as to offer.

A. Auriol has four men logging cottonwood on the Skeena River just about Twinties Station for the Laminated Materials mill at New Westminster. The operation has been in progress a month and the first shipment is ready this week-end, the tug Salvage Princess having gone up today to bring down three sections of the logs which will be taken in to New Westminster from here by coast freighter.

Motorship Hurry On, under charter to Canadian National Steamships for coast freighting, spent practically all week in port loading a cargo of cottonwood logs at the dry dock for delivery to New Westminster.

An attractive power yacht was the Seattle cruiser Ruth E., with her owner, Dr. C. Lashua, on board, which spent Wednesday night tied up at the floats of the Prince Rupert Salvage & Towing Co., being enroute for a cruise to Alaska. The Ruth E., which is expected back in about two weeks' time southbound, is a handsomely fitted and appointed craft 65 feet long and powered with a 135 h.p. Atlas-Imperial engine. One of the features of the vessel is a spacious observation saloon above decks.

NEW ROAD CAMP
Powerboat "23" of the Prince Rupert Salvage & Towing Co.'s left made a trip to Galloway Rapids on Wednesday with two scowloads of supplies for the new road camp which is being established across the rapids from Kalen Island.

Anglers have had to go no further than the wharves on the waterfront for their sport this week. On different days there has been quite a run of the gullible Dolly Varden in the harbor and, with chunks of halibut and salmon as

HEART WAS SO WEAK Had to Stay in Bed

Mrs. F. Wilson, Lethbridge, Alta., writes:—"My heart was very weak, and I had to stay in bed for five weeks with it."

as she had taken them with good results after a very bad operation. "I took them and some time after a doctor came to examine me for life insurance and he said there was nothing wrong with my heart."
Milburn's Heart and Nerve Pills are 50c. a box at all druggists and dealers, or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Riding is Like Flying

- The simplest answer to automobile satisfaction is just this:
- to know the overpowering conviction of greatest value held by Essex owners.
 - to see Essex beauty.
 - to examine Essex quality.
 - to experience Essex comfort.
 - to ride and know Essex performance.

The Essex Super-Six high-compression motor is patented and exclusive, and is so far as we know the most powerful of its size in the world.

The four-wheel brakes used on Essex are the same type used on costly cars and assure the maximum brake safety as well as the softness of control that you associate only with high priced cars.

In the way women by thousands are turning to Essex is a story of the great and dynamic "man's Super-Six" made beautiful for women.

Another car load of Essex Super-Sixes has just arrived. We would appreciate an opportunity to demonstrate to you.

The Super-Six principle amazingly revealed.

A Family Wash or A Family Picnic?

NO question about which you'd choose—a day in the woods or a day with the washing. And it's so easy for you to let us do the washing while you do the picnicking. In our Thrift-Service you have all your clothes washed and your flatwork ironed. Just the wearing apparel left for you to care for and this is returned damp, ready to be starched, ironed or hung out to dry. Saves money—saves energy. 5 cents a pound plus 1c per piece. Minimum charge \$1.00.

BOXING HITS SNAG VICTORIA

DIFFICULTY AS TO WHAT IS AMATEUR AND WHAT PROFESSIONAL

VICTORIA, June 23.—Boxing, which appears to be flourishing quite well in Victoria judging from the number of promoters who are active, is about to run on another snag, and it looks as though the amateur is the one who is going to suffer again.

At present there are three promoters who are doing business in a professional way. The Victoria Boxing Club, Joe Bayley and the Tillicum Athletic Club are sponsoring bouts, and the Tillicums now say they will resume their former activities of promoting amateur bouts, which proved profitable to them.

The Tillicums, however, are likely to hit a snag when they attempt to stage amateur bouts at their clubrooms. Some time ago they launched an active campaign to revive boxing here, and held several professional bouts. Later they decided to become simon-pure and affiliated with the local branch of the A.A.U. of C. The amateur bouts attracted a great deal of attention and large crowds attended. They were really the main cause for the great interest now evidenced in the sport here.

Following a long-drawn-out battle between the local branch of the amateur union and the B.C. branch the Tillicums finally went back to professional promotion and their affiliation with the amateur union was cancelled.

Another boxing tournament held here recently is under review of the local board.

CHANGES IN POLICE OF THIS DIVISION ARE ANNOUNCED HERE

A number of transfers and changes affecting the provincial police service of this division are announced. Constable T. A. Johnson, originally ordered from Courtenay to Vanderhoof, has been transferred to Burns Lake while Constable J. M. Smith of Enderby has been named to succeed at Vanderhoof, Constable H. H. Mansell who is coming to the city detachment in Prince Rupert. Constable J. Clark, late of the Royal Canadian Mounted Police in various parts of the south of the province, has been appointed to Hudson's Hope in the Peace River district while Constable A. T. Batchelor from Hudson's Hope will report for duty to Peace River district headquarters at Pouce Coupe.

PLACER GOLD PRODUCTION

The total value of the gold which has been produced from placer mining operations in Yukon Territory might conservatively be placed at \$185,500,000, according to the Department of the Interior's latest annual report.

SIMONDS CANADA SAW CO. LTD. MONTREAL

VANCOUVER, ST. JOHN, N.S., TORONTO

MISS PEARL McDONALD OF TLEKWA WEDDED TO CORP. BERGER, R.C.M.P.

At the recent meeting in Burns Lake, Prince Rupert was chosen as the next meeting place for the district council of the Native Sons of Canada.

An interesting and pretty wedding took place recently at the home of Mr. and Mrs. T. McDonald, Telkwa, when their daughter Pearl, was united in matrimony to Corp. Ted. Berger of the Royal Canadian Mounted Police. The ceremony was performed by Rev. J. B. Gibson, of Smithers, and the bride was given away by her father. She was becomingly attired in a gown of white satin trimmed with rhinestones. She wore a wreath and veil and carried a bouquet of white lilies. She was attended by her sister, Miss Kitty McDonald, who was attired in tan silk. Corp. Ellis of the R.C.M.P., assisted the groom. After the ceremony the bride and groom motored to Smithers where they took the trail west for a honeymoon trip.

MR. BRADY HOME

J. C. Brady, M.P., returned to the city on yesterday afternoon's train from Ottawa where he has been attending the Parliamentary session since last January. He was met at Smithers by Mrs. Brady who accompanied him home. Mr. Brady stated at the provincial Conservative campaign meeting last night that on another occasion he would present his constituents with an account of his stewardship for this riding at the Ottawa session.

EXPLOSION IN BELGIUM

BRUGES, Belgium, June 23.—An explosion, attributed to a bursting shell among scrap metal in the storehouse last night caused the deaths of eight persons and injury to forty others. The building and all houses in the neighborhood were wrecked.

Returning Officer E. H. Mortimer has appointed Ernest A. Morgan as election clerk in connection with the forthcoming provincial poll in Prince Rupert riding. Other election officials such as deputy returning officers and poll clerks will not be named until after the nominations assure that there is to be a contest.
