To Change Governments Now Would be Fatal is Opinion of the Speaker

Premier MacLean Defends Expenditures of Money on Roads and Other Work Carried out in Past Ten Years

GOLDEN, June 26.—Premier MacLean still expressed the opinion that his government will be returned by a large majority and that Speaker Buckham will be one of those sent to support them at the coming election.

Speaking last night he dealt with the matter of finances explaining the increase in the public debt to the present eighty million dollars. He said that new road work took seventeen millions and the P.G.E. thirteen millions. Tranquille Sanatorium and other hospitals, schools, Sumas reclamation, irrigation and soldier settlement,

LARGE CATCH OF HALIBUT

PIONEER SOLD HER TRIP THIS MORNING FOR ABOUT \$6,000 AT EXCHANGE

Something like \$6,000 was this morning paid to the American schooner Pioneer for her halibut catch, which was sold here this morning. She carries about nine or ten men.

The catch of 63,000 pounds included approximately 50,000 mediums or first class fish and 6,000 chickens, 2,000 whales and 5,000 grey halibut, all of which go at the 6 cent rate. She brought her catch from the Alaskan west coast.

Sales today were as follows: American Sitka, 43,000, to Cold Storage at 10.60c and 6c. Wave, 9,500, to Pacific at 11c and 6c. Pioneer, 3,000, to Booth Fisheries, at 10.50c and 6c. Canadian Margalice 3,500, to Cold Storage at 10c and 5c. Cape Spencer, 14,500, to Pacific Fisheries at 10c and 5c.

SIXTY YEARS IN THE ARMY

DUKE OF CONAUGHT CELEBRATES ANNIVERSARY AND PRINCE PRESENTED CUP

LONDON, June 26.—The Duke of Connaught, aged 78, entertained the Army Council at the sixtieth anniversary of his entry into the army. The Prince of Wales at Olympia presented the Connaught Cup, symbolic of all branches of the army. The gift was paid for by small contributions from every class of society which produced a fund to be administered for charity.

SPEAKER WILL NOT BE PEER

WHITLEY INTIMATES TO GOVERNMENT THAT HE DOES NOT WISH TITLE

LONDON, June 26.—Right Hon. J. H. Whitley, who returned last week from the speakership of the House of Commons, intimates to the government that for personal reasons he does not desire to accept a peerage, which it is customary to confer on speakers on their retirement.

STIFF FINE IMPOSED FOR FISHING SALMON IN PROHIBITED HOURS

Moche Kawamoto, Japanese fisherman from the Skeena River, was fined \$150 with the option of three months' imprisonment, by Stipendiary Magistrate H. P. McLeod in provincial police court for fishing salmon during the prohibited hours.

ED. ANDREWS TENNIS HERO

LAD WHO BEAT HUNTER AT WIMBLEDON IS CAMBRIDGE UNIVERSITY STUDENT

WIMBLEDON, June 26.—Francis T. Hunter, member of the United States Davis Cup team was the only seeded player who failed to come through the first round of the British lawn tennis championship yesterday. The defeat of Hunter by young Ed. Andrews of New Zealand a student at Cambridge by scores 6-4, 5-7, 6-4, 2-6, 7-5 stood out as the dramatic high spot of the day.

Tilden and Hennessey of the United States and Cochet, LaCoste and Borotra of France all won the first round matches.

England's chances suffered in the defeat of her ranking player Edward Higgs by the young Australian Davis Cup player, Harry Hopman 6-2, 6-4, 7-5.

TODAY'S GAMES

Tilden defeated H. C. Fisher of England.

George Lott, American, defeated H. K. Lister of England.

Baron de Morpurgo of Italy defeated D. H. Williams of England.

Gerald Patterson, Australia, defeated Kleinschroth, Germany.

Cochet, France, defeated Hopman, Australia.

Boyd, Argentine, beat Pitts, England.

O'Callaghan, Ireland, beat Robson, Argentine.

FIRST NAME NOMINATED

Hon. T. D. Pattullo's Papers in Hands of Returning Officer Today

Hon. T. D. Pattullo's nomination papers were in the hands of the Returning Officer, E. H. Mortimer, this afternoon. It shows that Thomas Dufferin Pattullo, minister of lands, was nominated by Dr. W. T. Kerwin, seconded by William M. Brown, with the following assenting:

- J. J. Judge. G. A. Bryant. Douglas P. Stork. Max Henry Heilbroner. W. O. Fulton. S. E. Parker. J. A. Lindsay. Duncan Kennedy. Harry Menzies. W. J. Greer. B. M. Simpson. H. F. Fraser. E. Emad. A. T. Ivarson. Joe Garon. H. A. Prudhomme. Jno. Dybhavn. F. W. Hart. John Gurvich. G. W. Nickerson. Mrs. E. C. Kirkpatrick. Mrs. C. Taylor. Mrs. B. B. Halberg. Mrs. E. H. Johnson. Mrs. E. Grattan. Mrs. Alice Clapp. Mrs. C. Dunbar. Mrs. V. Bradbury. Mrs. K. Greer. Mrs. D. Stork. Mrs. E. N. Smith. Mrs. N. Simpson. Mrs. B. Johnson. Mrs. E. N. McMordie. Mrs. B. L. Parker. Mrs. I. A. Thomson.

PREDICTION OF TORY VICTORY

BURNS LAKE, June 26.—Hon. S. F. Toimie predicted a Conservative victory at Prince Rupert in Skeena and Omineca ridings, adding that reports from all parts of the province forecast Conservative victory. The Conservatives aimed at something more than magic lantern prophecy, therefore they would make a survey of the resources and opportunities, proceeding to development along sane scientific lines.

FIVE AND TEN CENT GROCERY SHOP IS NEW: It is on 9th Avenue, New York, not far from the theatrical district, and is expected to be the first link of a chain calculated to fill "a long-felt want." One man operates it.

Cabinet Crisis in Austria Over Bela Kun the Communist Who is Now There Austria Would Try Him for Murder

VIENNA, June 26.—The refusal to hand over to Hungary Bela Kun, the fiery communist, has caused a cabinet crisis. Minister of Justice Dinghofer has resigned and the whole cabinet may follow him. Hungary wants to prosecute Kun for murder arising out of his rule several years ago while Austria fears a communistic uprising in Hungary if they let Kun get back there.

Murder Trial Opened With Effort to Show Accused was Insane

CONTENTIONS, supported by opinions of crown witnesses in cross-examination, that Harry Smith, aged 24 years, was of unsound mind when his father was killed on their lonely pre-emption four or five miles from Massett about January 19, accused having confessed in a statement to the police that he had shot his father accidentally, subsequently placing the body in a crude grave and attempting with partial success to blow it up for fear that he would be held responsible, featured the opening session of the trial, in which the young man is charged with murder this morning.

FLOODS DAMAGE IN NIAGARA, ONT.

ST. CATHERINE'S, Ont., June 25.—Torrential rains and floods throughout the Niagara district at the week end caused four deaths and damage to the amount of about \$100,000.

TWO FISHERMEN OF SUNNYSIDE MISSING

Police Seeking Information of Samuel Russell and Ivan Strong, Not Seen Since Thursday

Samuel Russell and Ivan Strong, two fishermen from Sunnyside Cannery, have been missing since last Thursday when they were last seen, the provincial police are advised. The police would welcome any information as to the whereabouts of the men. Sergeant Alex McNeill, district chief, stated this morning.

PLUMER WILL RETIRE PALESTINE COMMISSION

LONDON, June 26.—Lord Plumer shortly will resign from the High Commissioner's office of Palestine following a clash with the Colonial office over financing.

Number of Mining Properties at Usk Are Being Worked and Machinery Taken in for Purpose

J. C. Gavigan, who made a week end trip to Usk, interested himself in the mines there which are proving very promising. Telling of them Mr. Gavigan said:

The Emma Group situated one mile from Usk and now being operated by Mr. Lowery of Montana is doing considerable work and employs at the present time about ten men.

The Columario mine is situated about five miles from Usk and is now employing about ten men under direction of J. Wilman. They have just recently taken in a compressor and equipment to the value of ten thousand dollars. It took eleven days to get the plant up to the mine.

The Chimney Mass Creek mine is situated about twelve miles from Usk. They have five men working at the mine and the company is paying the cost of building a road to the mine by the road gang that is putting in the main highway between Hazelton and Terrace. As soon as the road is completed a large quantity of machinery now at Usk will be taken in without delay. This mine commenced operation about a year ago and beside mine machinery has a Ford tractor and quantity of transportation machinery.

The Diadem group is situated about two and half miles from Usk. The operations are under the management of Mr. Laundry who recently went out to Seattle to purchase more equipment. A considerable quantity of machinery is now at the mine where four men are employed at present and when the machinery arrives from the old country it is expected they will employ between "fifteen and twenty men."

The Toulon mine is an old property which was crown granted 25 years ago. It was reopened recently, having been staked in 1893 and crown granted in 1894. This mine was reopened recently under direction of Mr. Willman. At the present time they have three men working and expect to increase this before long.

The Singlehurst mine recently reopened by Mr. Seely of Seattle who is now getting ready for the season's operations. It is expected to employ upward of ten to fifteen men on this property in the very near future.

The Kitselas Copper Mountain Company is situated about a mile from Usk. This mine is a splendid property but has been handicapped by lack of competent mining engineers' guidance. Over \$80,000 was spent in putting in a mill which afterwards was found not situated in the proper place. After installing the mill they found the high grade ore was recovered by working through a lower tunnel which they had not driven until after putting in the mill. Mr. Darby is in charge.

A mining Engineer McKeehan from the Consolidated at the week-end examined a number of the properties including the Kitselas Copper. There is good ore in a seventy foot tunnel but it is lower than the mill, this handicapping operation.

The Government roadwork is progressing well. The main highway between Hazelton is under construction, two gangs of men, being employed, one working from the east and the other from the west. This road will not be completed for two years as there is considerable work yet to be done.

The weather in the interior has been very hot and the strawberries and other crops are burning up.

Mr. Gavigan speaks highly of the hotel accommodation at Usk.

PILCHARD SEASON BEGINS EARLIER THAN LAST YEAR

VICTORIA, June 26.—With a catch of thirty-five tons the seine boat Allema, operated for the Anderson Fisheries at Ucluelet, opened the pilchard fishing season on the west coast of Vancouver Island this year, according to a report received in the city from Ucluelet. This is said to be the earliest the pilchards have been caught on the coast in several years, and will serve to speed up completion of new plants in time for the heavy catches of the season. Three or four new reduction units are being installed at different points for operation this season which will make a total of about twenty-two plants engaged in pilchard reduction on the west coast. The value of last year's pilchard catch was close to the \$3,000,000 mark.

STEAMER OFF TO HUDSON BAY

QUEBEC, June 26.—The Canadian Government Hudson Strait expedition steamer Montcalm is on her way north. She left Sunday under command of Captain John Hearn, the veteran skipper.

The expedition is in charge of Major N. B. McLean of the department of Marine and Fisheries. It will establish wireless directing finding stations at Resolution Island near the Eastern entrance of Hudson Strait and at Cape Hope on the west coast of Ungava Bay.

Forty aviators who have been employed in surveying work and who have been stationed at three serial stations erected in the strait last summer, will return on the Montcalm in November.

GERMAN GIRL PLANS FLIGHT

ARRIVES IN QUEBEC IN READINESS FOR TAKE-OFF TO HARBOR GRACE

CAP DE LA MADELINE, Quebec, June 26.—The monoplane North Star which will be used by Thea Rasche, the German aviatrix in an attempt to make the transatlantic flight, arrived here late yesterday from Plainfield, New Jersey.

Miss Rasche came by train and will remain here several days before starting for Harbor Grace, Newfoundland.

KILLED WHEN TANK EXPLODED

MONTREAL, June 26.—When a fifty gallon tank of gasoline exploded at the garage, Notre Dame Street, Oliver Despre, 26 years of age, a cashier, was instantly killed and six men injured. The cause of the explosion is unknown.

MERGER OF EMPIRE CABLES AND WIRELESS

LONDON, June 26.—It is rumored that the government is about to approve the merger of the wireless and cable interests throughout the Empire. Marconi stock promptly rose a dollar as a result of the announcement.

DAILY EDITION Tuesday, June 26, 1928

PARTY MACHINES

It is a very common thing to hear about "The Liberal Machine," "the Conservative Machine," "the party machine," so also there might be a "Labor Machine," a "Socialist Machine." The inference is that each has an organization that works like a machine.

Just now there is an independent candidate in Esquimalt who is out condemning the Liberal machine and the Conservative machine and claiming there is often collusion between them. Mr. Carlow was for some time president of the Victoria Liberal Association and as such was part of what he calls a machine. He is what is known as a disgruntled Liberal. He is opposing both R. H. Pooley and Mrs. Mary Ellen Smith, which he has a perfect right to do.

The only reason we mention Mr. Carlow is to provide a text for a little sermon on machines, something of which we are likely to hear during any political campaign.

All political parties organize and the better they organize the more likely they are to succeed at the polls and be scored by the opposition. Yet organization is necessary and also very desirable in order to interest people in the political life of the country and get some semblance of order from our chaos of democracy.

It is very desirable that at a time like this, those who think the present government should be sustained band themselves together to secure that object and those who are strong for a change should also combine to secure that object. In this way ideas are clarified and there is unity of purpose.

The objection to a machine is when it interferes with the good government of the country.

It is quite apparent that at times there might be collusion between Liberals and Conservatives in the general interests of the community. They might easily agree to omit reference to certain subjects or to emphasize others, especially at a time when there is common danger.

IMPORTANT TIME IN B.C.

This is an important period of our history as a province. It is a time when the greatest care should be exercised in the government of the country. There are several important matters before the province and these can best be dealt with by Premier MacLean and his cabinet.

Among the important matters under way are the disposal of the P.G.E. and the return of the Peace River block and railway lands. It is doubtful if any other government can carry these through to fruition. As Dr. Tolmie remarked the other day when he was here, the land question has been a live one for many years and now that it is about settled, it would be a pity to disturb the deal by putting in power a hostile government. To change horses while crossing a stream is always dangerous.

WHO WOULD CHANGE?

The Vancouver Sun in a recent number has the following: Probably Premier MacLean's greatest fault is his cautious conservative manner, and except for the strong party man, who is there that would ever suggest changing the leadership of Premier MacLean for Dr. Tolmie?

Every suggested change on Dr. Tolmie's manifesto is followed with the remark that the Tories will look into this and that and see if a change is desirable. Every change which Dr. Tolmie is suggesting to make in provincial affairs is a change that would have to come through legislation at Ottawa. Is Dr. Tolmie, a man who has been up till now the Dominion Tory organizer, the man to get those changes through Mackenzie King's Liberal government at Ottawa?

Liberalism is in the ascendancy throughout Canada and is good for at least ten years at Ottawa, yet every speech which Dr. Tolmie has made since he came to this province two weeks ago, has a slam at the Mackenzie King government.

What Dr. Tolmie is really doing is playing Federal politics at the expense of the people of B.C. Dr. Tolmie's campaign may please a few Tories but it is going to cost the people of B.C. a lot of money. Dr. MacLean's campaign seems to be designed and handled in a way to co-operate with Mackenzie King's government and therefore will make money for B.C.

So far as the leadership of the two men is concerned, how many people would be willing to change MacLean for Tolmie?

CELEBRATION DOMINION DAY

REQUEST FOR AID REFUSED BY CITY AND NOW RETURNED TO COMMITTEE FOR RECONSIDERATION

QUESTION OF PRECEDENT

Following a discussion the city council last night referred back a report of the Finance committee for further consideration when that committee refused a request of the Native Sons for a grant toward the celebration of Dominion Day. The council seemed divided on the question and voted down a proposal to grant that organization the sum of \$25 toward the purpose requested.

The matter came on the reading of a letter from J. Breen, secretary of the Native Sons, in which it was stated that the request had been refused and reminding them that Canada had only one national holiday and to add the celebration of it would not be a precedent for any other.

Mayor McMorris said he thought some slight assistance might be given.

WORTHY OF NAME

Alderman Prudhomme explained that the Native Sons had taken on themselves the responsibility for the celebration of Dominion Day. In other cities they made the celebration worthy of the name. If there was any money over it went toward the funds of the organization and was used largely for the financing of junior sports. They had spent about \$500 on such sports already. They could not this year expect much of a gate as there were no baseball games. They were trying to introduce lacrosse among the young boys. With a fund left over from the celebration of the Diamond Jubilee they had planned to start a grand stand and had had to use part of the money for paying the debt to the city on the grounds improvement.

Alderman Linzey suggested that making a grant would establish a precedent. The Native Sons had already \$800 in the treasury and he did not think the city should begin making grants of that kind.

Alderman Prudhomme explained that the \$800 was not theirs but was a fund willed by the joint societies and would not be expended for the purpose suggested.

Alderman Brown moved that a sum of \$25 be granted.

Alderman Tinker said nobody was antagonistic but unless it was absolutely necessary he thought they ought not to ask for aid.

Alderman Dobb feared the question of a precedent. Other organizations also would ask for such grants and if it was done for one it should be done for all. They were running very close in the matter of finances. All were sympathetic to the move but if it passed they were morally bound to do the same with others.

The Mayor explained that Canada had only one national holiday and that was July 1. If they assisted this celebration it would not be considered a precedent for others. He thought no city failed to help in such a celebration.

VANCOUVER CITED

Alderman Prudhomme explained how the city of Vancouver refused a grant of \$5,000 and then put on the celebration themselves and it cost them over \$18,000.

Alderman Tinker said it was all right with him as long as it was not considered a precedent.

Alderman Rudderham considered it would be a precedent. Victoria Day was an empire holiday. He did not like the idea of turning the request down but thought they should try to do something if it was found funds were needed.

The request was then referred back to the finance committee and the motion to grant \$25 was lost. Alderman Tinker remarking that they would probably get more than \$25.

Man in the Moon

Getting back to nature makes one wonder why primitive man did not wear more clothes instead of none.

Take says there are just two kinds of people—happy people and those who take themselves seriously.

When he complains of pains in the back, he's pretty sure to be at least fifty years old.

Conservatism is defined as a comfortable feeling that everything is all right as Conservatives handle the affairs of the country and the Liberals are kept out in the cold.

"Have you been to any other doctor before you came to see me?" asked the druggist.

"No, sir," replied the weak patient.

"I went to see a druggist."

"You went to a druggist!" exclaimed the doctor. "That shows how much sense you people have! And what idiotic advice did the druggist give you?"

"He told me to come and see you," replied the patient.

A correspondent writes: My wife wants me to print her poetry and she keeps me awake night reading the drivel. What would you recommend for relief?"

Answer—Rock her to sleep. Use a big rock.

SMITHERS

The barn containing twenty tons of hay, on Sam Olson's farm out of Smithers was recently destroyed by fire which was started by a spark from a tush fire.

D. D. Munro and Charles Chapman sailed last week on a motor trip to Vancouver, it being Mr. Chapman's first visit to the southern metropolis in twenty years.

Continued hot weather and absence of rain has resulted in many forest fires in the Smithers district. So far, little valuable timber has been destroyed but the Forest Branch and crews of fire fighters have been very busy in coping with the conflagrations. Last Monday a large crew of men was rushed to the west side of Lake Kathleen where a fire started in the clearing of the ground for Dr. C. H. Hankinson's summer home became out of control.

M. P. McCreery visited Smithers last week. In addition to inspecting coal properties near town, he did some effective missionary work for the Prince Rupert Exhibition of which he is president. He also visited points East in the same connection.

Urging that an advertising campaign be undertaken on behalf of the mineral resources of this district, A. T. Herrer addressed a meeting of the Omnipaca branch of the British Columbia Chamber of Mines here recently.

Charles Reid, manager of the local branch of the Royal Bank of Canada, and Mrs. Reid, have left for a two weeks' holiday in Vancouver and Victoria. Enroute south, Mrs. Reid attended the meeting of the diocesan Anglican Women's Auxiliary in Prince Rupert last week.

The provincial election campaign is now well under way here, both Liberals and Conservatives having opened local committee rooms.

Work on the highway which will connect Prince George with the Alberta boundary and Jasper Park is now well under way. Clearing of right-of-way and actual construction is in progress on many sections and the highway between Prince George and Alena Lake is scheduled to be opened before the close of the present season.

The city council has notified the local telephone company that it will be no longer permitted to string telephone wires on electric light poles.

Capt. Lyons and Lieut. Hillier, who have been in charge of Salvation Army work here for the past two weeks, have received notice that they are to be transferred but to which point they have not yet been advised.

Judge Robertson is in Vanderhoof today to hear an appeal of Chief Isadore and Thomas Kettle, members of the Stella band of Indians, against a sentence imposed by Stipendiary Magistrate J. D. Moore for conducting a potlatch.

The largest company ever to assemble in the Kitta-Kitta Hall here was in attendance at the recent fourth annual dance of Prince George trappers. "Deafy" Dayton was master of ceremonies and music was by Le Guille's orchestra.

A son was born at the Prince George Hospital on Thursday to Mr. and Mrs. R. Burton.

Ten Years Ago in Prince Rupert

JUNE 26, 1918.
Mrs. Shelford Darton and Miss Bruce will have charge of the Red Cross sale this week.

Major Arthur E. Kirkpatrick, general manager of a Toronto investment concern, who was with the Canadian forces at Ypres, was in the city this morning bound East.

Rupert Caput of this city was killed in an accident at the Ocean Falls paper mill this week. His brother, John Caput, has left for the paper town.

SITKA SPRUCE'S MANY NAMES
Sitka spruce, silver spruce, coast spruce and aeroplane spruce are all names for Sitka spruce (Picea sitchensis), which grows on the coast and islands of British Columbia.

The Least Excitement Made Her Heart Palpitate and Flutter

Mrs. Ambrose Orser, Eginburg, Ont., writes:—"I suffered for some time with a bad heart which seemed to be controlled by my nerves. The least little excitement would cause it to flutter and palpitate, and at times I would have real bad spells. I suffered in this way for some time when, one day, I saw

advertised, so decided to try them. I had only taken a few boxes when I noticed that I felt better, so I continued taking them and in a short time my heart felt entirely different."

Price 50c. a box at all druggists and dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

"I Got It For Passing My Exams"

"GEE, George, I bet my dad will get me a C.C.M., too, I studied hard all year, and I passed my exams. well, I think I deserve a bike, don't you?"

"I hope you get it, Eddie. Then you can join the rest of us fellows in our runs out into the country and our picnics."

"I'm taking mine away on my vacation, top. There are lots of country roads to ride along and dandy woods to explore, some streams to fish in and other things to see, all within easy riding distance."

"Mother says it will be so handy to have a bike around. There's always the mail to go for and other errands to run."

"Well, George, I'm going to get my dad to go with me to the C.C.M. dealer's and see the new models—especially that dandy Curved Bar Sport Model and the other one a boy won't outgrow."

"Don't forget to tell him, Eddie, that C.C.M. Bicycles are made of cold-drawn Seamless Steel Tubing and equipped with the C.C.M. Triplex Hanger, Gibson Pedals, Steel Rims, Dunlop Tires and the Hercules Coaster Brake without extra charge."

"If he says he's short of cash, Eddie, tell him he only needs to pay a few dollars down, and the rest in small weekly or monthly payments."

"And I'll offer to help pay the balance, George. There are lots of jobs for a boy with a bicycle during the summer holidays, delivering small parcels, running messages, and doing other things. It will be good experience and heaps of fun, too."

"Well, 'so long,' Eddie. Go to it and get that C.C.M. Bicycle."

WATER NOTICE
CLEANING STREAMS
TAKE NOTICE that E. D. Judson, Ltd., whose address is Terrace, B.C., will apply for a license to use the waters of the Kitseungalium River near Terrace for "Cleaning Streams" purpose, namely, clearing and improving the stream for the driving, booming or rafting of logs. The points on the stream between which it is proposed to clear are from the point where the Kitseungalium River intersects the North Line of Lot 1400 to the South Line of Lot 1419, Range 3, Coast District. The estimated mileage between the said points is 4 1/2 miles, more or less. The term proposed for the license is 21 years. This notice was posted on the ground on the 20th day of June, 1928. A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Prince Rupert, B.C. The petition for approval of undertaking and an application for approval of the Schedule of Tolls will be heard in the office of the Board of Investigation at a date to be fixed, and any interested person may file an objection thereto in the office of the Comptroller or of the Water Recorder of the District. Objections to the application may be filed with the Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is June 19, 1928. E. D. JUDSON, LTD., Applicant. E. D. Judson, Agent.

WATER NOTICE
DIVERSION AND USE.
TAKE NOTICE that The Detroit Western Mining Co., whose address is 804 Standard Bank Building, Vancouver, B.C., will apply for a license to take and use 150 C.F.S. of water out of East Fork of Kitseungalium River which flows westerly and drains into Kitseungalium, Granville Reservoir, at a point about 1400 feet East of the Witness Post on the west side of Lot 372 Prince Rupert District and will be used for mining purposes upon the Mineral Group described as Western Copper (plans on file in Surveyor General's Office). This notice was posted on the ground on the 10th day of May, 1928. A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Prince Rupert. Objections to the said application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is June 11, 1928. DETROIT WESTERN MINING CO., Applicant. By F. Fardoe Wilson, Agent.

Winnipeg, June 24.—Despite heavy and almost continuous rain over the whole of western Canada during the past week conditions continue to remain highly promising, according to the eighth weekly crop report of the Canadian National Railways, issued today. Except for a small area of low lying ground immediately east of Winnipeg where farms have been badly flooded, in some cases to a depth of two feet, no point reports any damage whatever from the heavy downpour, on the contrary, optimism still remains high and as wheat has now reached sufficient height to shade the ground and prevent excessive evaporation of moisture in the event of a hot spell, it is generally considered that the rainy period has practically assured one of the biggest crops in the history of the west. All that is required now is favorable growing conditions as there is plenty of moisture in the ground to last from three to five weeks.

Wheat has reached the shot blade stage in most sections of the country. A few points in central Saskatchewan and northern Alberta report wheat beginning to head out. As at the moment of writing, clear sunny weather, with a light cool breeze prevails over the whole of the west, wheat should reach the shot blade stage everywhere within the next few days. In the vicinity of Prince Albert, oats and barley are reported to be 12 inches high and in good condition.

Some trouble from wild oats is reported about Langham, Sask., and it has been necessary to plow in a few fields of wheat. Pig weed was causing difficulty around Kamsack, Sask., but it is thought the rains will help over some of this trouble. These are the only two points reporting weed trouble.

PRAIRIE RAIN HELPS CROPS

WHEAT HEADING OUT AT ONE OR TWO POINTS AND ALL COMING ON WELL

Considerable interest is being taken in the case at the Supreme Court Assizes in which Harry Smith of Massett is charged with the murder of his father. All the public section of the courtroom was taken up and a few persons were standing when the case opened this morning. Many of them were women.

NOTICE.
On and after July 2, 1928, Borden Street, will be closed for construction of a macadam road from Taylor Street to Bigger Place. All interested kindly make provisions for approximately six weeks supplies.

She Could Not Work HEADACHES Were So Severe

Mrs. A. Riehl, Burstall, Sask., writes:—"I was troubled with very severe headaches, and sometimes I could not do my work."
"One day a friend told me about

BURDOCK BLOOD BITTERS

and advised me to give it a trial. I decided to do so, and after taking a few bottles I found it had done me a world of good, and I haven't had any headaches for a long time now."
Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

FINE STEAMER ON FIRST CALL

PRINCESS KATHLEEN HERE THIS MORNING BELIEVING ON ALASKA RUN FOR PRINCESS LOUISE

The palatial new Canadian Pacific steamer Princess Kathleen, Capt. Arthur Slater, making a special trip north in place of the Princess Louise, which is in dry dock at Victoria following a recent accident, called at Prince Rupert for the first time this morning. With a large group of tourist passengers, the vessel arrived from Vancouver at 10:15 and sailed an hour later for Skagway. She is due back on Saturday afternoon southbound.

Usually operated in the Triangle run between Vancouver, Victoria and Seattle, the Princess Kathleen and her sister ship, Princess Marguerite, are the largest and finest passenger ships now operating in the British Columbia coast service. The vessel is of 5675 gross tonnage, a quarter as big again as the Princess Louise, next largest vessel on the coast, and has sleeping and dining saloon accommodation for 325 first-class passengers, with a day capacity of 1500. She is the last word on this coast in elaborate fittings and appointments.

The Princess Kathleen turned in a new record in making the trip from Vancouver to Prince Rupert, making the run of nearly 500 miles in exactly twenty-four hours at an average speed of twenty knots per hour. The nearest approach to this was made some years ago when the steamer Prince Rupert did the trip in a little over 24 hours.

FIREWORKS EXPLODED RESULT OF CIGARETTE

THOMPSONVILLE, Conn., June 25.—One man and three boys were instantly killed when a small fireworks factory exploded from a cigarette thrown by somebody outside.

HUGE SUM IS PAID ALICE IN WONDERLAND

PHILADELPHIA, June 26.—The original manuscript of Alice in Wonderland recently purchased by a dealer for \$77,000 was sold to an unnamed collector for \$150,000.

37 ATHLETES FROM CANADA AT OLYMPICS

TRIALS FOR PLACES ON THE TEAMS WILL TAKE PLACE COMMENCING JUNE 30

TOBONTO, June 25. — Striving for places on the teams which will carry the Maple Leaf of Canada into competition in a variety of sports at the 1928 Olympiad, at Amsterdam, July 29, to August 12, men and women throughout the Dominion are now finishing their training for the Olympic trials to be held at Halifax, N.S., Toronto, Hamilton, and St. Catharines, Ont., from June 30 to July 7.

The selected cream of Canada's competitive athletes will represent the Dominion at the Olympic games at Amsterdam, Holland, from July 28 to Aug. 12. Men and women of the track and field team and the oarsmen competing in the fours and eights will sail on the Albatross, July 11, to Southampton. The boxers, wrestlers, cyclists and the New Westminster, B.C., lacrosse team will go on the Megantic July 18 to Antwerp.

On June 30 and July 1, the men's track and field trial will be held at Hamilton, while on the same dates the women's eliminations will take place at Halifax. The Olympic fours and eights will be selected at the Henley Regatta, St. Catharines, on July 4 and 5 and on the two following days the swimming trials will be held at Toronto. The boxers and wrestlers will not decide all-pendency until July 14 and 16 in Montreal.

In all 67 athletes will strive to gain points for Canada at the games this year. Eight girls and 25 men will represent the Dominion in the track and field sports and there will be 15 oarsmen, 10 swimmers and cyclists, 14 boxers and wrestlers and 15 lacrosse players, the latter comprising the New Westminster team which won the Canadian championship last year.

CINCINNATI FOURTH PLACE

NEW YORK, June 26. — The steady decline of Cincinnati from the leadership of the National League to fourth place within a few weeks was accelerated by their defeat by the Cardinals yesterday.

In the American League Washington moved from the cellar to fourth place by the double defeat of Philadelphia which incidentally increased New York's league leadership to 9½ games although the Yankees were idle yesterday.

The Tigers moved into the cellar while Chicago was moving out.

NATIONAL LEAGUE Pittsburgh-Chicago postponed. Brooklyn 9, Boston 3. NEW YORK, 12-8, Philadelphia 4-2. St. Louis 5, Cincinnati 2.

AMERICAN LEAGUE Philadelphia 2-2, Washington 3-7. Chicago 8, Detroit 6. Cleveland 7, St. Louis 4.

Around The World With Sport Fans

Two new Lancashire cricket records were established at Old Trafford recently when the home county quickly reduced Surrey's total of 567 to the rank of second highest of the season. When the farcial game finished the champions had scored 589 for the loss of four wickets. To this total Watson had contributed 300 (in; out), the biggest innings ever played at Old Trafford, beating that of 295 by John Tyldesley in 1902. Ernest Tyldesley scored 187, and the Watson-Tyldesley partnership of 371 for the second wicket is the biggest stand ever made for Lancashire.

Even in the great empire military shooting tournament of the National Rifle Association, opening in July, women are extending their activities. This year the Duke of Montrose is presenting the first prize in a new sporting rifle competition for women novitiates, the shoot being called "the Amazons." In recent years there have been quite a few women competitors on the ranges, both in club shoots and the N.R.A. meetings.

37 ATHLETES FROM CANADA AT OLYMPICS

ORGANIZATION OF JUNIOR LACROSSE LEAGUE GOING ON

Further developments in the matter of the organization of a junior lacrosse league in the city have been left in the hands of Dick Woods and Harry Pickering, who have been the two moving spirits in the recent revival of the sport locally. These two men will select the teams and, meanwhile, it is being suggested that the Native Sons of Canada, Gyro Club and Rotary Club might take charge of a team each. Prospects are bright, it is stated, for the formation of a good junior league.

BEGIN PLAYING THURSDAY FOR FOOTBALL CUP

At a meeting of the executive of the Football Association it was decided to start the series of games for the Military Cup on Thursday of this week. Each team will play each of the others four times, the schedule so far arranged being: June 28—Thistles vs. Terminals, July 5—Regiment vs. Thistles, July 10—Terminals vs. Regiment. The remainder of the schedule will be arranged after the visit of H.M.S. Durban during which games will be played with the ship team. G. Russell was appointed referee for the first game.

TERRACE BASEBALL TEAM WAS BEATEN BY HAZELTON NINE

TERRACE, June 26.—A team of local baseball players and a number of supporting fans journeyed to Hazelton on Saturday for a game at that place but went down to defeat with a score of 8-6. They returned on Sunday and expect to arrange a return game here in the near future.

SPORT CHAT

Local baseball fans are still irksome under the somewhat unique state of affairs which makes Prince Rupert, it is said, the only community of eight thousand population on the American continent where there is not a baseball league in operation. While football is going along in good style this season, the absence of baseball is having the effect of pretty well knocking the brim out of sport interest generally in the city. Dominion Day will hardly seem Dominion Day this year without the customary games with Ketchikan and the Fair Week sport program in the fall will undoubtedly have as big a hole in it for the same reason.

Much interest is again being taken in the doings of the baseball and football leagues at Anyox this season, large crowds of smelter town fans being in attendance at all matches. The last league football game at Anyox resulted in a win for the Beach when they won from the Concentrator 3 to 1. In the last baseball match, the Elks chased four runs across the plate in one inning to win the game 7 to 2. The batteries were: Beaulieu and Chenoak, Cook and Roberts.

Ladder for the men's singles which has been posted for some time at Anyox is provoking keen competition. Along the top rung are Macintyre, Lee and Brown, with Cavers, McDougall and

CRICKET MATCH TO BE PLAYED

Word has been received in the city that the cricket team of the cruiser Durban has received permission to play a Prince Rupert team while the ship is in port between July 13 and 18. In order to find out something about local players it is planned to have a practice at Acropolis grounds Friday evening. Those who have played the game are asked to be present then.

In The Letter Box

SUPPORTING TOLMIE

Editor, Daily News. After reading your editorial regarding the recent Conservative meeting here, I am certainly convinced of one thing, namely: that you are in accord with the club swinging tactics of the Liberal party. You state in your editorial that we citizens of Rupert should not forget what happened to us when Mackenzie King was returned to office, minus the Liberal member for this riding, and you leave the impression (intentionally, I assume) that another like punishment awaits us if we alleged free citizens have the temerity to support a Conservative candidate. That is hardly good advertising matter for liberalism, because the voters don't scare now like they used to do. Those people who listened to Canon Hinchcliffe's speech, and the data, or record of Mr. Pattullo's "efforts" against the working men, will not be in doubt on July 18.

Considering the fact that Dr. MacLean's proposed sale of the P.G.E. to the C.N.R. has been proved to be merely a "Will of the Wind" that can hardly be expected to be taken seriously. Dr. Tolmie has promised a sorely needed dumping duty on produce, and his road policy is hardly the disappointment that you described, and, as will be seen on election day a much needed and desired change, should take place in the administration of our public affairs. Thanking you for your valuable space. V. HOUSTON.

EARLY SETTLER CAME BY CANOE INTO TERRACE

LATE EDWARD MICHAUD WAS PROPAGATOR OF SKEENA WONDER STRAWBERRY

TERRACE, June 26.—In the passing of the late Edward Michaud, to whom death came very suddenly while at work at Ux on Thursday morning, the Terrace district has lost another of its early pioneers and much respected citizens.

The late Mr. Michaud was born in Denver, Colorado, about sixty-two years ago. From there he went to Libby, Montana, where he spent his early life. In 1904 he and his brother Fred came north and came by canoe up the Skeena river as far as Little Canyon where they disembarked and decided to settle. They took up land in the Lakelse Valley, their home being the second one to be built on that side of the river.

During the twenty-four years spent in the district the deceased man has spent much of his time prospecting, ranching and gardening, the last named of which he was very fond and with his brothers has been successful in propagating a number of fruits—particularly the

LAND ACT NOTICE OF INTENTION TO APPLY TO LEASE LAND

Commencing at a post planted on the high water mark of an island; thence following the high water mark around the island to point of commencement, and containing 0.25 acre, more or less.

PACIFIC MILLS, LIMITED, Applicant.
Donald Wilbur Hodson, Agent for Pacific Mills, Limited. Dated May 3, 1928.

Have You taken your Nerve Food To-day?

"Skeena Wonder" strawberry, which are especially suited to the northern climate. He was also very fond of flowers and his garden was one of the beauty spots of the valley. He was always actively interested in the agricultural work of the district, especially in connection with the fall fair, of which he was a member of the present board of directors.

The deceased was unmarried but survived by a sister, Mrs. T. J. Kirkpatrick and by two brothers, Albert and Fred, all of Terrace. Another brother, Frank, passed away here about a year ago.

The funeral was held from Knox United Church on Friday evening and was attended by many friends and pioneers of the district. Rev. William Allan conducted the service, interment being made in the Kitsum Kalum cemetery.

The pallbearers were all early settlers and friends of the deceased: George Little, J. K. Gordon, Robt. Corlett, E. T. Kenney, O. T. Sundal and J. M. Viger.

QUIET WEDDING AT TERRACE MONDAY

Frank Nightwine of That Place Takes Mrs. Caroline Stewart as Bride

TERRACE, June 26.—A quiet wedding was solemnized at the Catholic Church here at 7 o'clock Monday morning when Father LeRay read the wedding mass which united in marriage Mrs. Caroline Stewart of Vancouver and Frank Nightwine of Terrace. The wedding march was played by Mrs. O. Von Hees and Mr. and Mrs. Ted Johnston were witnesses.

Mrs. Nightwine is well known here, she having spent considerable time here and in the Kalum Lake mining area where with her brother, D. Shaw, she has been interested in mining. The groom is one of the early pioneers of the country and runs a passenger and freight transfer to and from Kalum Lake.

Mr. and Mrs. Nightwine left after the service for Kalum Lake but expect to take up their residence in the groom's home north of the park.

Rolls of Honor Presented and Program of Sports Followed

TERRACE, June 26.—Owing to the starting of High School examinations here on Friday afternoon school closing exercises took place on Friday morning at the public school. A sports program followed the announcing of the examination results and the presenting of rolls of honor which were awarded as follows:

- DIVISION I.**
Proficiency—Annie Allan.
Regulation and Punctuality—Adeline Thomas and Margaret McLaren.
- DIVISION II.**
Proficiency—Alair Lips.
Department—Laura Bjorenson.
Regularity and Punctuality—Fred Mist and Tony Hipp.
- DIVISION III.**
Proficiency—Adella Haugland.
Department—Ruth Little.
Regularity and Punctuality—Sidney Seaman and Benny Seaman.
- DIVISION IV.**
Proficiency—Freda Hall.
Department—Donald Cooper.
Regularity and punctuality—Lorraine Kenney.

The teachers treated the children to ice cream and school was dismissed amid mixed emotions.

GOOD CROWD HEAR TOLMIE AT TERRACE

SPOKE FROM REAR OF TRAIN AND WAS CHEERED

TERRACE, June 26.—Due to the courtesy of the C.N.R. officials, Dr. S. F. Tolmie, provincial leader of the Conservatives spoke briefly from the train on Saturday while en route from Prince Rupert to Interior points. Announcements of his meeting were posted around town during the forenoon and there was a good crowd at the train who listened attentively to a brief but clearly stated outline of the conservative policy in regard to agriculture, mining and immigration. He spoke very optimistically of the hope of the success of his party and congratulated on the wise choice they had made in nominating F. M. Dockrill as their standard bearer. He was given a rousing cheer as he boarded the train.

TERRACE

Jim Nelson, president of the local Conservative Association, returned on Saturday from Prince Rupert where he went to hear Dr. S. F. Tolmie speak on Friday night.

Mr. and Mrs. Taper of Pacific were in town on Saturday.

Mrs. W. E. Smith returned home on Saturday from Chilliwack where she attended the annual Rebekah and Odd-fellows conference. H. C. Creelman of Ux represented the local I.O.O.F. lodge at the conference.

Alva Moore and Frank Tipp left on Saturday for Stewart where they have secured employment for the vacation months.

Mrs. Downing and children spent the week-end with Mr. Downing at Shames, Queen Charlotte Islands.

Guy Taff left on Saturday for Hazelton to procure saddle horses which he will take to Stewart for use in government survey work.

H. Orm, timber cruiser of Smithers, arrived from the interior on Friday.

A. E. Dicken of the C.N.R., Prince Rupert, was in town at the week end making arrangements for the annual C.N.R. picnic party which is coming here from Prince Rupert on Sunday, July 1.

Stephen Young of Cedaryale, formerly of Terrace, was in town at the end of the week.

George Tile and Joe Brown of Prince Rupert were here at the week end and made short trips to both Lakelse and Kalum lakes.

D. C. McKechnie of Prince Rupert was an arrival from the east on Sunday and intends making a trip to the Kalum Lake mining district.

P. McMaster of Smithers was a visitor here on Sunday.

Miss Easthope and Miss Malott left on Saturday for Hazelton. Miss Easthope returned on Sunday but Miss Malott remained to preside over the Entrance Examinations being held there this coming week. Miss Easthope is presiding at the Terrace High School examinations.

Miss Davis, teacher of Division 4, of the Terrace Public School, left on Monday for her home in Victoria. Miss

MURDER TRIAL OPENED WITH EFFORT TO SHOW ACCUSED WAS INSANE

(continued from page one)

E. Alexander, William Denholm, W. G. Oakley, Mrs. Emma Campbell and F. W. Beard.

After the jury had been empanelled, other petit jurors were excused from further attendance until tomorrow. The Grand Jury, having returned true bills in the two murder cases before the Assize, was discharged from further service. The judge congratulating it upon the despatch with which it had carried out its work.

The case for the crown was briefly outlined by the crown prosecutor who explained his duties to the petit jury. Accused, his father, mother, brother and sister all lived at Delkatia and on January 18, accused and his father left for their two pre-emption about four or five miles distant. Nothing was heard from the father who was expected back about January 27. Finally a search party had been sent out, the culmination being the finding of the body partly shattered in a shallow grave. Accused was subsequently arrested and charged with the murder of his father.

DOCTOR'S EVIDENCE

Dr. J. C. S. Dunn told of proceeding on Sunday, January 29, to a point where the search party, under the leadership of the accused, had unearthed the body of the late James Smith. The doctor described the nature of the ground and told how accused had pointed to the spot. Witness performed a post-mortem and described the condition of the body. Part of the body was missing as a result of the explosion of powder. Death, the doctor concluded, had been originally due to hemorrhage for which the cause had not been found. After Dr. Dunn had been heard, he was excused from further appearance in order that he might return to Massett where he had an urgent call.

Constable Grant testified that accused had come to him on January 28 and reported that his father was missing. Search parties went out with no success. Accused had accompanied the first search parties. Asked as to the firearms on the pre-emption, he (accused) had explained that there was a shotgun and rifle, the rifle being missing. Accused had not accompanied a large search party which went out the next day. That night Frank Smith, brother of accused, came to the officer's quarters as a result of which witness went to the house of accused's mother. Harry was there. His clothes were

Save the valuable "Poker Hands"

Mild and Fragrant

oaking. He said that he had left his coat which contained a considerable amount of money. He had been walking, he said, along the beach in his bare feet. The officer detained Smith and took him to the police station. After he had asked accused several questions, he asked if he was telling everything.

At this point, Mr. Gonzales objected to witness telling what accused had told him at that time. Defense counsel announced that he would have witnesses to show that accused had only the mentality of a seven-year old and thus did not understand the seriousness of what he had told the officer. His Lordship, after considerable discussion by counsel, ruled that the conversation might be admitted.

MADE STATEMENT

Continuing his evidence, Constable Grant testified that accused hesitated and then he had said: "If I tell you,

will I have to go up there?" Witness stated that he told the accused he could make no promise and gave the usual warning. Then accused gave a voluntary statement. The statement was typewritten at that time and read over by accused who signed it. The statement said that accused had never had anything against his father. He had accidentally shot him on Thursday, January 19 with a shot gun which went off while he was carrying it. He (accused) left the body in the ground and went home. Later, fearing that he would be blamed anyway, he went back with a view of blasting the body to pieces. He dug a hole, placed the body in it, set the charges off and covered up the grave, later throwing the rifle in the woods. Witness stated that he

did not charge accused but this had been done by Inspector Spiller who arrived the next day.

Inspector Spiller told of warning accused and placing him under arrest. Accused said that he had understood the warning and that he was being arrested for.

Constable Grant, Inspector Spiller and Staff Sergeant McNeill all agreed in cross-examination that accused did not seem normal mentally. Inspector Spiller and Sergeant McNeill, in their examination-in-chief, gave further details pertaining to the investigation. The accused led the officers to the rifle which had been hidden under a log about half way between Massett and the pre-emption. A knife had also been found there, accused stating that he had taken this to protect himself as he was afraid of his father. There was also a depression in the moss near the rifle as if someone had sat there, there being cigarette butts, matches and bread crumbs around.

Frank Smith, son of deceased and brother of accused, gave evidence pertaining to the search and identified clothes of his father. He also told of the movements of his brother about the time in question. The father and the accused had always seemed on friendly terms except on one occasion when the accused had allowed a box of dynamite to fall on his father who "got sore but got over it in about an hour."

Under cross-examination, witness told of a funny laugh which accused had. He used to laugh when there was nothing to laugh at and talked foolishly. He developed this when he was about 14 and as he grew older it became worse. One time, accused cut the tails of his mother's hens; another time he poured coal oil on his pet dog and set it on fire. While working at Buckley Bay once a man had fallen off the wharf and broken his leg and accused had laughed. Once he had said if he lived the right life, he would have wings like an angel and would fly away. Another time he had said he could live a thousand years and still again he had said if he lived the right life he would become like "Christ." A girl he knew, he had said, had a baby who had a face like "Christ." Witness had objected to accused getting a pre-emption when he was so "simple."

Jack Martin, accused had told his brother, had been drowned and his death had preyed on his mind and he thought he heard his soul calling for him (accused). Other hallucinations which he purported his brother had told him of were described by witness.

"You are trying to give the impression that your brother was of unsound mind?" inquired Mr. Justice Grogory.

"Yes," replied witness "he had it for some time."

"Have you ever taken steps to protect himself and society by reporting it to the police or a medical man?"

"No, we did not think he was in a bad shape at that."

Court adjourned at 12:15 noon until 2 p.m.

Defence evidence is being heard this afternoon and it is expected the case will go to the jury before evening.
