BIG FIRE AT PORT SIMPSON TO-DAY

PREMIER OF CANADA VICE-PRESIDENT LEAGUE NATIONS

Port Simpson Threatened by Fire Number Houses Burned and Grace Church On Fire This Afternoon

Starting at the home of Fred Young, who dropped dead from the excitement therefrom, a fire which up to two o'clock today had destroyed five or six native houses is threatening the whole of the village of Port Simpson. Grace United Church, one of the largest in northern British Columbia, is on fire but efforts are being made to save it. The fire is spreading from house to house through the dry bush.

The Daily News was in telephonic communication this afternoon with R. Boyd Young, and was informed that his premises were in danger although he hoped they might escape. In the meantime he was prepared to evacuate the post office and was moving out his goods.

Rev. W. E. Collison, Indian agent, was notified of the fire and sent Constable Watkinson of the Indian department, to the scene in a speed boat with several men and a supply of dynamite to try to cut off the fire from the remaining part of the village.

The girls' boarding school is right in line with the blaze and efforts are being made to stop the fire destroying it.

The latest word at about 2.15 was that rain was commencing to fall and it was thought the fire was under control.

LABOR MESSAGE FROM LEADER

J. RAMSAY MACDONALD SENT GREETINGS TO THE LABOR PEOPLE OF CANADA
ENJOYING JASPER PARK
GIRLS RODE HORSEBACK AND PLAYED GOLF AND ALSO DROVE ENGINE ON RAILWAY

JASPER, Alta., Sept. 3.—"On behalf of the labor movement of Great Britain, I bring greeting to the Labor movement of Canada and trust that it will have a very auspicious Labor Day."

"Travelling through Canada as we have been doing I have been impressed by two things particularly—Canada's beauty, and its wealth. With regard to the former, I hope it will never be deteriorated for the sake of utilitarianism and I trust that the working people will see that they get their just share of the later."

This was the message uttered to the people of Canada on the eve of Labor Day by Right Hon. J. Ramsay Macdonald, first Labor Prime Minister of Great Britain, who enjoyed a short rest at Jasper Park Lodge.

Two Lost Aviators Are Discovered in Greenland Safe At Their Base

Seaplane Was Forced Down on August 19 but was Uninjured and Hassell and Cramer Were Not Injured

NEW YORK, September 4. — Hassell and Cramer, the missing aviators, who have been missing for two weeks since they set out on the plane Greater Rockford, have been found in Greenland uninjured.

The Times of this city says that Bert Hassell and Parker Cramer, pilots of the airplane Greater Rockford, which was forced down in Greenland on August 19 and who were rescued by members of the University of Michigan Greenland expedition are still at Mount Evans in Southern Greenland, headquarters of the expedition.

Hassell says the plane is located about 100 miles from the base on inland ice. The ship was not damaged when he left it but heavy winds followed in the evening after landing and it is doubtful whether the ship is O.K. yet or not.

SHIP AFIRE ON PACIFIC

Is Speeding Toward Adelaide and Crew Holding Blaze in Check

LONDON, Sept. 4.—Owners of the British steamer Castle Moore from Blyth to Adelaide, wireless Lloyds today that the crew is fighting a cargo fire for a week. The fire is spreading but it is hoped to keep it under control until the ship reaches Adelaide, 250 miles away.

KOREANS DROWNED

YANKEES MADE A GOOD GAIN

THREE CONTENDERS REINSTATED AS RESULT OF YESTERDAY'S NATIONAL GAMES

NEW YORK, Sept. 4.—The Yankees got only an even break with Boston yesterday but added a game to their lead when Philadelphia slipped a couple of cogs at Washington. The Yanks now lead the Athletics by two and a half games while the Cardinals' advantage in the National remains unchanged at four and a half games.

The important effect of Labor Day results in the National was that the Giants, Pirates and Reds were reinstated as contenders where 24 hours earlier it appeared all three contenders had been eliminated.

The Cardinals gave the Reds a terrific battle in the first game before they went down in eleven innings but were easier victims in the night cap.

The Giants moved past Chicago into second place by beating the Phillies.

Twice the Pirates crushed Chicago in a doubleheader.

The Yankees had a hard time getting an even break with Boston. Gehrig got his 23rd homer in the first inning of the first game.

BOAT BRUNVOL GOES ON ROCK

The well known American halibut boat Brunvol, Capt. Charles Bloomquist, struck the rocks in Metlakatla Passage this morning while coming in with a 25,000 pounds catch. Two of the members of the crew rowed in for assistance and a boat soon went out to aid in the floating which it is expected will be safely effected on the high tide at 4 o'clock this afternoon.

MRS. PERKINS HONORED BEFORE LEAVING CITY

Presentation Made to Lady Who Has Been Housekeeper in Prince Rupert Hotel for Many Years

Mrs. Perkins, who has been housekeeper of the Prince Rupert Hotel since the house opened some fourteen years ago, left on yesterday morning's train for Ottawa where she will take up residence with a daughter. Just before Mrs. Perkins left for the train, members of the staff of the Prince Rupert Hotel gathered in the dining room where, on their behalf, a handsome travelling bag was presented as a token of esteem and well wishing. The presentation was made by the proprietor, H. B. Rochester.

Mrs. Wynnes, formerly of the Naas River and for some time residing in the city, succeeds Mrs. Perkins as housekeeper at the Prince Rupert Hotel.

Premier Mackenzie King Chosen Vice-President of the League of Nations at Geneva by Large Vote

GENEVA, September 4.—Premier Mackenzie King of Canada was elected vice-president of the Ninth Assembly of the League of Nations yesterday. He received 33 votes when only 22 were necessary to elect him.

The Canadian premier, who has taken an active part in the deliberations of the Assembly, expressed some views on the work of the assembly to the Canadian press. He said:

"It seems to me that the League of Nations is rapidly exhausting the questions arising from the war and the time will soon come when most of these questions will be settled one way or the other. Those remaining possibly can be left to the League secretariat or to special call of the council or assembly. I have particularly enjoyed the work of the council, the members of which are men of outstanding talent and ability. It has been a great opportunity to know them and get their viewpoint so that when world questions arise their attitude will be understood."

FORMER LIBRARIAN LEAVES FOR SOUTH

Mrs. Paul Yelton Was Guest of Honor at Many Local Social Events During Visit

There were a number of people at the steamer Prince Rupert yesterday afternoon to bid farewell to Mrs. Paul Yelton, who was leaving for her home in Southern California following a visit of a couple of months with her parents, Mr. and Mrs. E. H. Mortimer, Fifth Avenue East. The visit was the occasion of a round of teas, luncheons and other functions indicative of the popularity of the former librarian with the people of this city.

SALVATION ARMY TAVARIS PICNIC SUCCESS

Forty Children and Parents Participated in Enjoyable Function at Digby Island Yesterday

Some forty children and parents were in attendance at the Salvation Army Sunday School picnic yesterday, the event being a great success. The power boat "Joy Bird," Capt. Jack Cook, transported the picnicers to Digby Island, leaving at 11 o'clock in the morning and returning home at 7 p.m. Races and games were keenly contested and there was an abundance of delicious refreshments. Ensign and Mrs. Joyce were in charge.

INSPECTORATE CHANGES MADE

APPOINTMENT OF H. L. CAMPBELL CUTS DOWN SIZE OF H. C. FRASER'S DISTRICT

The appointment of H. L. Campbell, formerly supervising principal of the local schools as inspector of schools has relieved to some extent three of the former inspectors. Mr. Campbell will likely make his headquarters at Kamloops, though Williams Lake is the real centre of his district. He takes part of Mr. Matthews' and part of Mr. Gower's schools.

In turn Mr. Gower has relieved Mr. Fraser of all schools east of Quick, a few miles from Telkwa.

The Bella Coola valley and all schools south of Ocean Falls being on the direct route of the Union steamship line will be inspected from the Vancouver office. The local office is thus relieved of about 30 schools, but is still responsible for 87 elementary and 17 high schools.

The Prince Rupert Inspectorate now extends inclusively from Atlin in the north to Ocean Falls and from Quick in the east to Queen Charlotte Islands.

FOUGHT TO DRAW AT VANCOUVER YESTERDAY

VANCOUVER, Sept. 4.—Tod Morgan of Seattle, junior lightweight champion of the world, and Leslie Wildcat Carter of Everett, negro, fought a fast ten round bout here last night to a draw before one of the largest crowds of fight fans over to attend a match in Vancouver.

GREAT DOINGS FOR WILLIAMS

CANADIAN ATHLETE IS FETED AT HAMILTON AND GIVEN FINE PRESENTS

HAMILTON, Sept. 4.—Percy Williams, Vancouver Olympic sprint champion, with other members of the Canadian track and field team received an enthusiastic reception here yesterday. A civic welcome was extended and Williams and his mother were loudly acclaimed by the crowd of thousands.

A banquet followed the reception and on behalf of the Olympic Club Williams was presented with a silver tea service while the city presented him with a golden key of the city.

YOUNG PEOPLE OF SALVATION ARMY

The Young People's Legion of the Salvation Army was reorganized for the winter at a meeting last evening in the Citadel, officers being elected as follows:

President—Howard Chalk
Secretary-treasurer—John Pierce,
Chaplain—Evelyn Pierce.

Next Monday the meeting of the Legion will take the form of a weiner roast at Digby Island.

INDIAN DROWNS BUTZE RAPIDS

JOB NELSON OF METLAKATLA LOST HIS LIFE YESTERDAY AFTERNOON WHEN SKIFF CAPSIZED

Job Nelson, Metlakatla Indian, believed to be about seventy years of age, lost his life yesterday afternoon about 1.10 when a skiff, in which he was running the tide in Butze Rapids, capsized. The old man, who had been living with his wife at Cloyah Bay, was on his way from Metlakatla to Cloyah with a load of smoked fish when the fatality occurred. He was attempting to go through the rapids on a treacherous half tide. An eye-witness was Clifford Ham of McRae Bros. Ltd. who was nearby in his boat awaiting a moderation of the tide. Rescue being impossible, Ham notified the police who later recovered the drifting skiff and oars. The body has not been found.

FREDDIE MACK WON KETCHIKAN BOXING

KETCHIKAN, Sept. 4.—Giving away twenty pounds, Freddie Mack of Seattle, welterweight, knocked out Joe Collier of Juneau in the second round of a six round bout last night.

Westholme Theatre Condemned by Fire Marshall and Patrons Given Free Admission last Night

Patrons of the Westholme Theatre were somewhat surprised last night when their money was refused but they were given the regular show free of cost. The reason was clearly set forth in a notice which appeared on the door and which read as follows:

"This theatre was operated by the Aivazoffs up to a few days ago with the approval of the fire marshal.

"I have just taken it over and have spent \$10,000 on new seats, new operating machines, and other equipment.

"The fire marshal has now condemned this theatre and I have been refused a license.

"S. P. McMORDIE."

Inquiry elicited the fact that the deputy fire marshal, W. A. Oswald, had inspected the building on Friday last and had condemned it. An appeal had been made to the government for a temporary license but so far this had been refused. The requests were being repeated both from the management and from patrons and it is hoped that permission will be granted until such time as the required changes can be made. Until such permission arrives the building will be closed.

Duthie to Operate Rufus-Argenta on Large Scale—Good Progress on Marmot Metals—Old Mobile Property Under Development

Work on a large scale is being commenced at once on the Rufus-Argenta property in the Bear River section which was acquired recently by J. F. Duthie of Seattle. Every effort will be made to get underground before snow falls and several thousand feet of diamond drilling will be completed at the earliest possible moment. It is expected that some real results will be achieved by the end of September. Work may be carried on all winter and it is planned that construction of a tramline up the mountain side to the workings will be started next spring along with the development of water power from Erickson Falls. Mr. Duthie, who is managing director of the Rufus-Argenta himself, plans to visit the property within the very near future. The Rufus-Argenta property consists of a large group of claims lying opposite the George Copper group. Considerable work has already been done and important showings of high grade ore have been opened up. The property, in a copper-gold and silver-lead mineralized zone, was discovered by B. O. Erickson and William Forsy and has been controlled during recent years by Victoria and Seattle interests. It was dropped a short time ago by the Daly-Gerard people.

Good progress has been made with development of the Marmot Metals holdings this season. A survey of the property has been completed by Dalby B. Morkill and crown granting will be completed during the coming winter. On recommendation of its engineers, the company has located a large number of new claims to the north of the original group and, in addition, has taken an option on the holdings of the Glacier Girl Mining Co. to the north. As a result the holdings of the Marmot Metals Co. have now been increased to some forty claims and fractions extending from the head of the south fork to the head of the north fork of the Marmot River. On Glacier Girl ground work is now being rushed on open-cutting a large mineralized zone that shows oxidized width of something over 200 feet by some 500 feet in length. Chipped samples, taken from the surface, give commercial values in silver and copper. It is proposed to blast a trench across the full width of this zone and, when this trench is finished, it will be channel sampled. Several galena showings have also been located.

Considerable surface work is being done by H. P. Gibson and Louis Lerge on a number of ore exposures which have been located on the old Mobile property on Glacier Creek in the Portland Canal district. An open cut some ten feet deep in the vein has been put in at an elevation of 4200 feet, a width of about six feet of ore being thus disclosed. Grab samples, it is stated, gave a total value in silver of \$114 with considerable lead also visible though assays were not for this. The owners are now open cutting on the vein outcroppings near Barney's Gulch and stripping will also be done preliminary to driving a cross-cut tunnel to explore the vein at depth. The property, located on the south side of Glacier Creek, about three miles from Stewart in a direct line, looks very interesting. There seem to be

bunches of high-grade ore and prospecting by the present owners has resulted in the discovery of one or two mineralized zones. A third showing is found in a small creek bed a few hundred feet south of the camp but on the same elevation. This mineralized area is some fifteen feet wide and contains several stringers and bunches of quartz, sphalerite, and some galena. The resident mining engineer believes that the property has possibilities and recommends that its development be followed up.

DUTHIE MILL BEING MOVED

PLANT TO BE ELECTRIFIED AND OUTPUT CAPACITY DOUBLED IT IS ANNOUNCED

SMITHERS, Sept. 4.—So satisfied are the directors of the Duthie mine with the future production possibilities of the property that they are about to enter on a large expenditure in order to enable the handling of a larger quantity of ore and to insure continuous operation winter and summer. Soon after the mill was built on Hudson Bay Mountain it was found that the water supply was cut off in winter when the ground froze thus preventing operations. Now it is announced that the mill is to be moved to the foot of the hill and new electrical machinery installed which it is claimed will double the output besides insuring continuous operation and making the fuel supply easier to obtain. It is suggested that once the expenditure is made the earning capacity of the mine will be greatly increased.

HARVESTERS ARE ALL PLACED ON FARMS

EDMONTON, Sept. 4.—The peak of the invasion of British and eastern harvesters has passed and placements of these men have been accomplished, with very few difficulties arising. There has been some slight trouble in the duplication of orders, but as soon as the mistakes were brought to the notice of the officials in charge of the movement they were immediately rectified, government officials report.

A prominent colonization man stated that it was remarkable that such a large number of men could be placed and that so few cases of delay entailing actual hardship had occurred.

QUALIFIED

An old man who was called into the witness-box happened to be rather short-sighted, and went up the stairs which led to the bench instead of those that led to the box.

The Magistrate, a man with a remarkable sense of humor, smiled. "Do you want to be a Magistrate, like me, then?" he asked, good-naturedly.

"To be sure, your Honor," came the jovial answer. "I'm an old man now, an' maybe it's all I'm good for."

SENSATIONS AT POLICE PROBE

LONDON STILL WATCHING WITH KEEN INTEREST NOTORIOUS CASE THERE

LONDON, Sept. 4.—London is still watching with feverish interest the latest probe into Metropolitan police methods and the Adele case promises to create as big a sensation as the now famous Savidge and Sir Leo Chiozza Money episode.

Will Davis, a garage worker, was the chief witness today, and gave damaging evidence against the two police officers accused of conspiracy to bring false charges against Helen Adele, a young girl who complained that she had been molested by one of the constables, and that it was as a consequence of this complaint that an attempt was made to have her convicted of vagrancy.

Davis, who works in the garage in which the alleged offence was committed, said that Constable Clayton came to the garage about half an hour after midnight on the night of the occurrence, and told witness that the girl would be there about one o'clock. Clayton then got into a taxicab to wait, and the girl came along afterwards and entered the same cab as the policeman.

HEARD CRY FOR HELP

A little later Davis heard her cry out for help, and when he went towards the cab met her coming out. She was crying, and said she was going to report the constable's conduct to the sergeant. Constables Clayton and Stevens then followed her out of the garage, and told witness they would arrest her because she was going to report them. Davis declared he did not hear any shouting on the street as alleged by the policemen in their evidence against the girl.

The hearing, which has caused a sensation here, has been adjourned until Saturday to allow high officials of the department to confer on the evidence so far. It is stated that serious charges may be made as a result of the disclosures, and that a general "shake-up" may follow.

Since the Savidge case received such prominence and general condemnation many cases have been brought to the attention of the authorities, and people who were afraid before to come forward are giving evidence and making statements regarding similar occurrences. The result of the disclosures in the three prominent cases so far given publicity has been to seriously weaken confidence in the police force, and the generally expressed opinion is that the appointment of Lord Byng came only just in time. He is expected to stamp out the offenders ruthlessly in every instance where the facts presented warrant, no matter how high in rank the offenders may be.

One result of the investigations so far has been the issuance of rigid instructions regarding examinations and questioning of people by police officers, and the police are now complaining that their work will be greatly hampered as a result of these new instructions. Questions on the matter will again be asked when parliament meets, and it is likely that drastic reconstruction of police methods will be insisted upon if they are not already in force by the time the House of Commons gets under way again.

BOXING PROVES ENTERTAINING

GOOD FIGHT BETWEEN GURVICH AND NED BYRNE IN WHICH FORMER WON

The Grand Terminal boxing tournament on Saturday evening at the Club gave a big turn-out of fans a good evening's entertainment. A couple of bouts were not up to expectation owing to substitutes having to be found but the most of them were real fights with lots of action.

The six-round bout between Dido Gurrivich and Ned Byrne was a really good fight. Gurrivich had the advantage of reach, weight and experience and won on points but he had to go some. Byrne was always willing and pounded Gurrivich about the body to some purpose. Dido did most of the leading in round one and had Ned on the ropes, but Ned returned the compliment. Round two was Gurrivich's easily. Round three was more even. Byrne covered up well and then had the better of the toe to toe slugging match when Dido gave ground. Round four was Dido's.

Round five saw Dido land with an upper-cut but Byrne forced him to the ropes and landed two hard rights to the body. Dido missed but later landed three to the head without reply. Ned was forced into a corner but landed a hard left to the body. Gurrivich missed a hard right as the bell went.

The last round found Byrne showing distress as he left his corner but he landed heavily on the body. He had the better of a slugging exchange and then clinched. Gurrivich took up the attack and landed several to the head but ran into a couple of straight lefts that shook him up. It was Gurrivich's round, however.

Gurrivich won the decision but Byrne put up a good fight and was given a fine reception by the crowd.

During the evening Alf Harding who

is to box Madison Dix at the Fair was introduced to the crowd and got a hearty reception.

Ben Self was M.C., Pete Laporte referee, Alex MacDonald and W. Oswald, fire marshals of Vancouver time-keepers. The bouts were run off quickly and the whole evening was very successful.

SEMI-FINAL

The four round semi-final between Roy Johnson, colored boxer from Edmonton and Nino Gurrivich gave the fans something to talk about.

Johnson swung a wicked right but Gurrivich made him miss more often than not. Gurrivich landed a few infighting and upper cut Jackson several times. Both slugged hard toe-to-toe and Jackson with a twenty pound weight advantage made his weight tell.

The second round saw Nino start aggressively but Jackson connected with a right that put the local boy down and had him on the ropes. Cries of foul from several spectators and a mild pandemonium resulted. Anyway the referee didn't count and the bell saved Nino.

To the surprise of everyone, including Jackson, Nino came back strong in the third round and had Jackson on the defensive and glad to take a count of eight. Gurrivich was landing frequently. The last round was all Gurrivich's. He pounded Jackson about the head and body and the latter took two counts of eight and one of nine. But he managed to avoid a knock-out and Gurrivich won the referee's decision easily. But that second episode was strange.

Jackson was anxious to arrange a fight with one of the spectators but we have not heard if arrangements have been completed.

OTHER BOUTS

Herbert Morgan and A. Antonelli fought a good scrap to a draw.

Earl Batt and Pete Chenoski put up a good fight. Pete's left upper-cut was working well in the first round and he was aggressive but Batt was cool. In the second round Batt's straight left bothered Pete a lot and exchanges were even. The third round saw some heavy slugging both being willing to mix but there was little advantage to either and a draw was a good verdict.

Mike Gurrivich substituting for Ed. Smith who broke a bone in his hand in training, was too big, too long in the reach and altogether too good for Roy Fong but the latter was always plucky and never gave up trying. The referee stopped the farce in the second round and Gurrivich had the decision easily—but not because he had more courage than his lighter opponent.

SPORT EVENTS ON LABOR DAY

FINE PROGRAM OF RACES AND CONTESTS AT ACROPOLIS HILL YESTERDAY

The Labor Day Sports under the auspices of the Prince Rupert Trades and Labor Council were favored with splendid weather and were a great success from the sports point of view. Officials saw that events were run off quickly and spectators were not kept waiting between events. The committee is to be congratulated. The children's events called out an unusually large number of contestants and were keenly fought out. The ladies' events were much enjoyed. Primo Vaccher was an outstanding winner in the boys' events with three firsts and Ida Boddie the best of the girls. Roy Fong made a big hit with his high jump, being only two inches behind the senior event. R. Skinner won the men's broad jump and the open hundred yards sprint. Rudolph Nelson won the boys' broad jump with an effort only 6 1/2 inches short of the senior event. Doug Scott showed class with his 32 feet 10 inches for hop, step and jump.

TERMINAL TEAM WAS BEATEN

FOOTBALL CHAMPIONS WENT DOWN TO DEFEAT BEFORE COMBINED FORCES
As a result of Ben Sell's throwing out his chest on account of the Terminal's winning two trophies, his challenge to the Thistle team who were to have the use of some of the Regiment players was accepted and a football game was won by the Thistle-Regiment combination luckily 1-0 last evening after the Labor Day sports.

Terminal Team Was Beaten

FOOTBALL CHAMPIONS WENT DOWN TO DEFEAT BEFORE COMBINED FORCES

Terminal's started play down hill but Thistles were first to be dangerous through Baptie and Alex. Mitchell. The latter skied a ball over and then Baptie narrowly missed. Hill gave Strachan a chance but Haig cleared. Currie was playing hard but Gurvich could not convert his pass. Wilson's shot was well saved by Menzies. Norrington was prominent with good runs and centres but Skinner cleared. Hadden sent his forwards off again but Terminal defence was safe and Vic Menzies cleared. McKay crossed several dangerous centres but Haig was safe and then Brand brought off a nice clearance from Currie and later from Howe. Half-time found the score sheet blank. Thistles had the better of the second half. Baptie narrowly missed and Menzies saved a hot one. Norrington was a fast raider and centred well but Skinner cleared. Currie gave his forwards many chances but Haig and Hadden were not to be beaten. George Mitchell fed Wilson well but the latter's centres were cleared. Alex. Mitchell just missed and then Howe hit the cross-bar at the other end—a lucky escape for Brand. Wilson hit the upright and the ball went past. McKay crossed a ball that Strachan put in the net but the referee ruled off-side. Thistles returned to the attack and Norrington crossed a beauty. Baptie shot but Menzies cleared only to have Dyer drive in a shot to score. Play was now keener. Woods cleared well to stop Strachan. Menzies saved on the line from Baptie and Skinner headed away a centre from Wilson. Currie could not get his forwards going well and full time came leaving the Thistle combination winners by the only goal of the match.
Teams: Terminal's—H. Menzies; Skinner, Vic Menzies; Hill, Currie, H. Erskine; Lundie, Strachan, D. Gurvich, Howe, McKay.
Thistle-Regiment—Brand; Haig, Erskine; Geo. Mitchell, Hadden, Woods; Wilson, A. Mitchell, Baptie, Dyer, Norrington.
Referee—W. Willis; linesmen, F. Hunter and A. Clapperton.

PRINCE RUPERT TIDES

Table with tide times for Tuesday, Wednesday, Thursday, Friday, and Saturday, including high and low tide times and water levels.

ALL READY FOR BIG MARATHON

NEARLY THREE HUNDRED WILL START IN THIRD WRIGLEY SWIMMING TOMORROW

TORONTO, Sept. 4.—Each determined to emerge professional long distance champion of the world, nearly 300 marathon swimmers will take to the waters of Lake Ontario at 10 a.m. tomorrow in the third Wrigley Marathon, conducted by the Canadian National Exhibition. About six o'clock tomorrow evening one of them will walk from the water to receive the acclaim of more than a hundred thousand spectators and first prize money of \$25,000. He or she for the five prize winners of the women's ten-mile race on August 29 will be in the race—will have completed the two and one half mile rectangular course six times in the 15 mile grind and withstood the cold of Lake Ontario for eight hours or more. Although the winner is expected to finish around six o'clock it may be many hours more before the last finisher is in. The first five to finish behind the victor share \$10,000 in prize money and it may well into the night before the battle for these places is finished.

FRIDAY ENDS THIRD PERIOD IN CAMPAIGN

THIS IS LIVELIEST PART OF COMPETITION AND ONE IN WHICH CANDIDATES WORK HARD

This period every new one-year subscription counts 16,000 votes, a two-year subscription if new, counts 40,000 votes, a new three year subscription counts 75,000 votes, a new four year subscription counts 140,000 votes. In addition to this 100,000 extra votes are allowed on each club of \$15 worth of subscriptions turned in.

Just a mere handful of long term subscriptions will be sufficient to put the candidates with the lowest score at the very top of the standing before Friday night, Sept. 7.

One new six year subscription with clubs counts actually up to 510,000 votes and 36 points. Just ten such six year subscription will count up to 5,100,000.

The third period vote offer, the biggest of the remainder of the campaign ends Friday night, Sept. 7th at 9 p.m. The special extra cash prizes end on the same day at the same hour. The entire campaign ends one week later.

During the third period second payments on subscriptions given during the first and second periods will count for the extension on the basis of the vote schedule in effect when the first payment was made.

Go to those who have already subscribed and get them to extend their subscriptions another year and benefit by the extension vote privilege.

Then, too, there is an added incentive to hustle these next 5 days as subscriptions in addition to counting up in the vote score for the great capital prizes count toward the special cash prizes to be awarded for subscriptions received this period.

The special extra cash prize offer is independent and extra from the \$4,000 offer which includes two big automobiles and cash prizes.

The liveliest part of the competition is now at hand and while all the leaders are on the same footing at the same time those who want to and will, are offered the opportunity of the entire campaign to forge ahead and corral the winning votes.

Ten Years Ago in Prince Rupert

SEPTEMBER 4, 1918 Canadian troops have pierced the Drocourt-Queant line and assisted by British troops have driven the Germans out of Lens. The loss of this line may cause the Germans to fall back on their own frontier and is one of the greatest disasters the Germans have suffered during the war.

THIS IS LAST WEEK

IN WHICH YOU WILL RECEIVE BIG VOTES

Next Friday night, September 7, marks the end, forever, of the last big vote schedule. After next Friday night the lowest vote schedule of the entire campaign will be effective. Friday night also marks the end of the extension vote privilege. Study the tables for extensions or "Second Payments" which are printed at the bottom of ad. If you do not fully understand this feature you should see the Campaign Manager immediately for full details. Securing extensions or "Second Payments" counts votes rapidly.

CAMPAIGN NOTES

"I'm more than a million votes behind the leaders," said a candidate who called at campaign headquarters, recently. "Well, I only wish there was just a couple of six-year subscriptions between me and one of those big prizes," replied her friend who was with her, "I would surely put forth every effort to go over the top, and I would win." There's a sermon in that, too.

The News is justly proud of its fine list of workers. It is indeed gratifying to hear the expressions of the many candidates. Several have expressed their interest in the campaign to the extent that the experience of being in the campaign is worth almost as much to them as winning one of the fine automobiles. There is one thing a campaign will do and that is to show up the "bogus" in your friends. There are friends you have and friends you think you have but the friend that acts instead of stalling you off until later on is the friend that is really worth while.

The competitive spirit is beginning to become more and more apparent as the campaign progresses. Early in the campaign candidates got a thrill from accomplishment, from besting their rivals, but no tears were shed by those who found themselves getting stuck on the hill, now it is a matter of personal pride with many of the leaders. Their friends expect them to finish at the head of the class. Candidates feel a responsibility to those who are helping them and are eager to make good, more perhaps, to satisfy their backers than for any other reason.

"I feel that I have got to win" said one worker who has frequently been a leader. "This is all new business to me and I confess at times, a little hard. But I'm in to win and win I must. Gee whiz, I would feel like hiding my face for six months if I couldn't put this over after the way I've campaigned so far. I couldn't stand the "Ha Ha" and "I told you so" and all that sort of thing from the folks that are always ready to throw cold water on you, while smiling and making you believe they are your friends."

The Third Period schedule is in effect only until Friday night. Then the lowest final vote schedule becomes effective. This is a campaign of steadily decreasing vote values. The plan is entirely different from anything ever attempted here before. Campaign fans now generally understand that The News means exactly what it said when the announcement was made that the vote schedule would positively not be increased as the campaign progressed but, instead, would constantly decrease. There were those so-called "wise guys" who insisted it was all "apple sauce." They "knew what they knew" and all that sort of thing. Now these folks have got to retract or stand out in the minds of those who were compelled to listen to their conversation as folks who were "talking through their hats." Advice is cheap and anything cheap is generally worth just about what it costs. The fact of the matter is, outsiders are not competent to advise candidates in this campaign, no matter how kindly their intentions may or may not be. By this time candidates ought to be able to "dope" things out for themselves for they have a better understanding of the campaign plan than anyone else.

Next Friday Night

Marks the end forever of

The Last Big Vote Schedule

Also

The end of Extra Votes for New Subscriptions;

Also

The end of the New \$200 Competition;

Also

The end of the Extension Vote privilege.

It is now or never, candidates, if you want to win big

HOW SECOND PAYMENTS COUNT

ONLY UNTIL 9 P.M., FRIDAY, SEPT. 7th.

Anyone who paid ANY candidate in the First Period:	And who now pays ANY candidate:	Making their entire subscription payment amount to:	The Candidate receiving the "Second Payment" will receive:	If subscription was NEW when "First Payment" was made the Candidate receiving the "Second Payment" will receive:	Also the following number of points in the NEW \$200 competition:
By Mail By Carrier	By Mail By Carrier	By Mail By carrier			
\$8.00 .. \$5.00 1 year	\$ 3.00	\$ 5.00 .. \$ 6.00, \$10.00 2 years	18,000	48,000	6
\$3.00 .. \$5.00 1 year	\$ 6.00	\$ 9.00, \$15.00 3 years	65,000	123,000	12

\$3.00 .. \$5.00 1 year	\$15.00	\$25.00, \$30.00 6 years	348,000	498,000	30

In addition to the above votes, 100,000 EXTRA votes will be allowed on every "club" of \$15.00 turned in. A club may be composed of small or large amounts totalling \$15.00.

The "Second Payments" Arrangement will not be in effect during the last week of the campaign.

HOW TO GET A MILLION VOTES BY FRIDAY EVENING

Four NEW SIX-YEAR subscriptions, including "clubs" count 2,040,000 votes. Five NEW SIX-YEAR subscriptions, including "clubs," count 2,550,000 votes. Eight NEW SIX-YEAR subscriptions, including "clubs," count 4,080,000 votes.

One hundred and fifty dollars (ten clubs of 100,000 votes each) made up of any size subscriptions, means 1,000,000 votes besides the regular number of votes credited to each subscription.

A million votes can easily be secured by any candidate after the SECOND PAYMENTS—that is extensions of subscriptions received earlier in the campaign. Thousands of extra additional votes can be secured in this way and many new "clubs" made up. This arrangement of "Second Payments" will not be in effect during the last period of the campaign.

HOW SECOND PAYMENTS COUNT

ONLY UNTIL 9 P.M., FRIDAY, SEPT. 7th.

Anyone who paid ANY candidate in the Second Period:	And who now pays any candidate:	Making their entire subscription payment amount to:	The Candidate receiving the "Second Payment" will receive:	If subscription was NEW when "First Payment" was made the Candidate receiving the "Second Payment" will receive:	Also the following number of points in the NEW \$200 competition:

Attended by something over 250 persons, the dance last night in the Moose Hall brought the Trades & Labor Council's Labor Day celebration to a most successful conclusion. Music was by Miss Irene Morrison's orchestra and dancing was in progress from 9 a.m. to 2.30 a.m. Refreshments were served at midnight with Mrs. Lawrence acting as caterer. B. J. Bacon was master of ceremonies, Frank Derry presided at the door, and the chairman of the committee in charge was J. M. Morrison.

HAD FINE TRIP TO KETCHIKAN

NEWEST GYRO CLUB AT KETCHIKAN IS LAUNCHED UNDER MOST PROPITIOUS CIRCUMSTANCES

The first Gyro Club in Alaska and the farthest north in the world, that at Ketchikan, was launched under most propitious circumstances last Friday evening, local Gyros, who returned to the city on Saturday afternoon aboard the steamer Princess Louise after attending the inaugural ceremonies, report. The Ketchikan Gyro Club has enlisted in its membership some of the most prominent young business and professional men of the "first city." Its officers are as follows:

President—Dwight A. Chase.
Vice-president—A. H. Zeigler.
Secretary—Ralph Bartholomew.
Treasurer—Charles Gill.

The local Gyro party, which went north aboard the steamer Princess Charlotte to attend the inauguration, was given an enthusiastic welcome on disembarking at Ketchikan. Ketchikan ladies took charge of the local Gyrettes and all attended the banquet which preceded the formalities of the occasion. After the banquet, the local ladies were taken for a drive about the city and a theatre party while the inauguration proceeded.

The formal institution of the Ketchikan Gyro Club was carried out by Al Bergeron of Portland, Oregon, district governor, and speakers included Bruce Abel, president of the Vancouver Gyro Club; Milton Gonzales, past president of the Prince Rupert Gyro Club; Joe Greer, who had charge of the arrangement for the local excursion; A. B. McAdam of New Westminster, lieutenant governor; R. R. Holland of Vancouver, past International president, and M. P. McCaffery, Prince Rupert. The program also included solos and musical numbers.

The inauguration was followed by a lively dance in the Blue Fox Den, the local ladies again being in attendance. The festivities kept up into the small hours of the morning. Leaving for home, the visitors to Ketchikan were given a rousing send-off and the hope was expressed that there would be many return visits between the two cities.

The local Gyros making the trip north were L. W. Waukh, Mr. and Mrs. Milton Gonzales, Mr. and Mrs. R. F. McNaughton, Mr. and Mrs. N. W. Pringle, Joe Greer, Dr. J. Gosse, N. L. Freeman, W. Cruikshank and C. W. Kirkendall. Also in the party as guests were Mr. and Mrs. G. W. Nickerson and Mr. and Mrs. M. P. McCaffery. Gyros coming from the south for the occasion were Al Bergeron, Portland; A. B. McAdam, New Westminster; R. R. Holland, Bruce Abel and James Thompson, Vancouver.

GUESTS TURNED FROM BIG HALL

THOSE UNINVITED RIGOROUSLY EXCLUDED BY LADY ELLESMERE IN LONDON

LONDON, Sept. 4.—A pretty quarrel which incidentally throws a light on that greater freedom of manners which has invaded the fashionable world of London, has recently agitated society and taken on the dimensions of a small uncivil war. Two great families are at feud, and notable people have been drawn into the lists, on one side or the other. It seems that Lady Ellesmere gave a ball at Bridge-water House, and as it is no uncommon thing at such functions for a hostess to find herself a stranger to a large number of her guests, advantage was taken of this fact by many joyous persons, friends of properly accredited guests, to join in their train and invite themselves.

Unfortunately, by pure chance one or two found their right of entry challenged, and on being asked to produce their credentials referred to others, who it seems, turned out to be also intruders. A general scrutiny was followed by wholesale eviction, and in the melee a gentleman who had, quite properly brought an accidentally unasked wife was vigorously ejected together with various people possessed of various claims to less summary treatment. And now all the great ladies have been writing long letters to the press, and amazing and amusing London with their mutual recriminations.

WARNING GIVEN NEW MINISTER

(Victoria Times)
There will be criticism in some quarters of the selection of Mr. Hinchcliffe as minister of Education on the ground that he is not sufficiently sympathetic with the system of education, which is an established, fundamental part of Canadian national life. This objection has arisen from some remarks Mr. Hinchcliffe made on educational matters when he was a member of the opposition. It will be contended, too, that the administration of education in this province should not be directed by anyone who holds an ecclesiastical office. No doubt this minister will be importuned by elements opposed to state education as well as Canadianism, to make changes in our

system and the curricula in our schools, but we doubt if any such departure will be made, for some very excellent reasons. Among these is the fact that British Columbia now has one of the best departments of education in Canada, that our system is sufficiently in accord with Canadian requirements and that an attempt to undermine it in the interest of any exotic principle not in harmony with the spirit of this young, democratic Canadian province would provoke a tumult which no party solidarity could withstand.

Mr. Hinchcliffe is an able, energetic well informed man and should know high explosive when he sees it. We are sure his leader and many of the members of his party appreciate the circumstances and logic of this particular situation.

BOOTH SCHOOL LOST TO TWO

BEATEN AT FOOTBALL BY COMBINED EFFORTS OF HIGH SCHOOL AND BORDEN

The sports arranged for Labor Day were brought to a conclusion by a football game between Booth School and a team picked from Borden and High Schools in which the combined team were lucky to win by 3-1.

The game was well contested all through and the boys showed good football though many had not played for two months.

Playing with the hill, Booth early attacked, mainly through a clever run by Dickens. Scott cleared from Collison and McKay forced a fruitless corner. Booth attacked and McKay put them a goal up. Cameron now made a good run. Pyle cleared well and Gilker gave Bussanich a good chance but the later missed the opportunity. Cameron sent out a long pass to Wicks who completed a good run with a fine goal. Dickens hung on too long. Walter Johnson and Bacon combined well but Colussi cleared. Stiles stopped Wingham and Pyle robbed McKay. Booth forwards all took part in a nice forward move but C. Johnston blocked Walters' shot. Fong was prominent but Nelson cleared. Fong was again dangerous but Smith cleared. Dickens forced Scott to give a corner in clearing. Ivarson stopped Cameron.

SECOND HALF
The red team attacked and Smith had to clear from Wicks. Nelson showed up well in defence and Stiles cleared twice when Wingham, McKay and Bussanich were attacking. Gilker cleared Bacon's centre Wicks took two good corner kicks. Nelson stopped three raids in succession. Cameron scored for the red team with a shot that might have been saved. Booth attacked for a time but Scott saved splendidly from Walters, Gilker, Dickens and Bussanich. Booth were full value for a couple of goals but Cameron broke away and made it three for the reds from a good cross from C. Johnston. Booth tried hard but were unable to beat Stiles and Scott and the combined team ran out winners 3-1.

Bob Woods refereed well and incidentally blocked a fine shot of Fong's with his head.

Alex Haig and Doc Clapperton were on the line.

The juniors appreciate the help and support of the senior players and officials.

Teams—Picked team from High and Borden schools—D. Scott; A. Stiles, J. Pyle; R. Morrison; P. Vaccher, C. Johnston; Wicks, Fong, Cameron, W. Johnson, Bacon.

Booth—Smith; Ivarson, Nelson; Colussi Collison, Gilker, Walters, Dickens, Bussanich, McKay, Wingham.

MANY ANGLING PARTIES OUT

EXCELLENT WEATHER FAVORED FISHING EXPEDITIONS BUT FISH WERE NOT BITING SO VERY WELL

Excellent weather favored holiday week-end angling parties although there were general reports of the trout not biting as well as earlier in the season and there were few, if any, very large catches. With the deer season opening on September 15 and geese and duck hunting two weeks later, attention will now turn to the hunting season.

The high angling party of the week-end was one which made a trip to a chain of lakes at the head of Union Bay off Warke Canal, with P. W. Anderson and Sid Anderson in their power cruiser Zenobia. The party brought home close to 100 fish for which they climbed about 1,000 feet up an almost sheer mountain side. The party, consisting also of H. B. Stiles, George Rodger, J. M. Walker and G. A. Hunter, left at noon Saturday and returned early last evening.

J. A. Lindsay and party visited Bill's Lake, at the head of Warke Canal, making the trip on the Irene L. This popular angling venue did not yield the usual abundance of trout, the party returning home with a rather light catch. George Bryant and party of friends cruised from Porcher Island up to Warke Canal on the Haria and had considerable success in trolling for cohoes.

There were several other parties out including one which went to Muddy Creek, on the Eostall River, and got only three trout.

Picnicking expeditions also proved popular on Sunday and Monday.

LACROSSE SEEN BY BIG CROWD

TEAMS PLAYED FOR HALF AN HOUR WITHOUT ANY SCORE BEING MADE

RANGERS WON SATURDAY

Yesterday was the first occasion on which a great many people had seen a lacrosse game and a number had not yet seen the local boys in action. The game, a scoreless draw, was a revelation to them and it is safe to say that from now on there will be large attendances at lacrosse matches.

In yesterday's contest the Rangers and Rovers played only half an hour but it was a fast and clean exhibition. Both defences marked their man and kept the sharpshooters well out of range. Checking was hard but clean and some good lacrosse was shown.

The same teams played in a league match Saturday, the Rangers winning by a score of 9 to 1 and playing the Rovers off their feet. It was clean and fast. The scorers were: Rangers—C. Woods 4, F. Calderone 3, R. Wilson 1, and R. Gillis 1. Rovers—Bert Unger 1.

The Rangers must win the next game Thursday evening if they are to stay in the league for if the Rovers win they will have secured the championship.

Great preparations are being made to meet the Indian team next Tuesday and practices are being held tonight and tomorrow to get the local boys in shape for the big event.

Miss Caroline Mitchell and Miss Margaret Maguire returned yesterday from Jasper where they had spent a couple of days as a conclusion of their holidays. After leaving here they had attended summer school at Victoria. Then Miss Mitchell was the guest of her companion at her home, Salmon Arm, until their return.
