TORRENT FLOODS CITY OF SEWARD

ACTION OF POLICE COMMISSIONER FLETCHER CONDEMNED

Raging Torrent Once More Poured Waters Through City of Seward; Whole Acres Torn Away by Flood

SEWARD, AUG. 25.—After a brief lull Lowell Creek flood renewed its rampage through the centre of Seward last night. The course of the stream, which had been running over its banks for three days, changed momentarily as piles of debris heaped upon one bank and whole acres were torn out and carried away.

Volunteers fought to save the Fourth Street bridge, carrying with it the only remaining water main. Men dynamited the masses of debris and built protections of sand bags to save the approaches. The General Hospital and the light and power plant were endangered as the flood ate its way toward their foundations.

The city remained in complete darkness as the racing waters kept repair crews away from the water flume which broke two days ago. Several families were driven from their homes and highway communication is entirely cut off.

WELCOME GIVEN TO BRITISHERS BY M. LEMIEUX

SPEAKER OF COMMONS EXPLAINS ATTITUDE OF FRENCH CANADIANS TO CROWN

QUEBEC, Aug. 25.—Members of the Empire Parliamentary association arrived here and today ate being given a round of official functions. They were formally welcomed to Canada by Speaker Lemieux of the House of Commons and joint chairman of the Canadian committee. "One reason why you should be well received in Canada whether you come from east or west is that we alike have British freedom to which we are so much attached, which we love above almost everything else," said Mr. Lemieux. "You will find, not only that spirit of unity, not only that feeling of prosperity over the land but you will find a deep sentiment of loyalty toward His Majesty, the King, towards the flag and towards British institutions."

Viscount Peel, chairman, expressed thanks and said during their tour discussion will turn largely on inter-emigration and settlement.

PAUL AIVAZOFF GIVES LAST SHOW TONIGHT AT WESTHOLME TONIGHT

Paul Alivazoff, president of the Prince Rupert Amusement Company Ltd., begs to announce that owing to expiry of the lease, the Westholme Theatre will close down after the show tonight, Saturday, August 25, and that the new Capitol Theatre will open on or about October 1.

It has long been Mr. Alivazoff's ambition to give Prince Rupert a first class theatre and the new one on Third Avenue will be a credit to the city. He wishes to thank his patrons for their esteemed support in the past and hopes to receive a continuance of that support in the future.

The public may rest assured that in addition to a first class house first class pictures and service will be provided for their approval.

COLD STORAGE PACKER BREAKS DOWN AND HAS TO BE TOWED TO PORT

While proceeding out for a load of salmon, Canadian Fish & Cold Storage Company's fish packer Fredelia broke down in Metlakatla Passage about 8 o'clock last night. Word was brought to the city of the vessel's plight and another of the company's boats went out this morning and towed her back. The Fredelia was home to all night.

Worst of Subway Horrors When a Car Left Track at New York; 14 Killed and Over 100 Injured

NEW YORK, Aug. 25.—Fourteen persons were killed and more than one hundred injured last evening when the ninth car of a ten car subway train carrying 1800 passengers hit and broke the switch and crashed into concrete stanchions and splintered along the track. The eighth car toppled over and all the dead and injured were in these two cars.

The scene was described as one of the worst in the history of subway horrors. Acetylene torches were used by rescuers who found the body of a baby decapitated and that of a woman whose clothing was stripped from the body by the rush of passengers seeking escape from the shambles.

MACDONALD IS PLEASED

Former Labor Premier of Britain Says He Is in Love With Canada

VANCOUVER, Aug. 25.—"I don't think Canada realizes that wonderful things she is doing" declared Ramsay Macdonald, who arrived here this morning. "I am more in love with Canada than ever."

Mr. Macdonald was particularly impressed with the desire of Canadians to retain control of their natural resources and by the new movement of co-operative marketing among farmers.

THREE AIRPLANES IN FISHERY PATROL HERE

Two Machines Operating Over Seining Areas in the South and One on Queen Charlotte Islands

Three airplanes of the Western Canada Airways are still in operation in the fishery patrol service in District No. 2. Two are based at Swanson Bay, patrolling the seining areas to the south, while one machine is being operated on the Queen Charlotte Islands. It is not expected that any planes will be based at Prince Rupert for long at least this season.

SHIP FLOATED OFF

VICTORIA, Aug. 25.—The British freight Lossi Ossifoglu, which ran aground ten miles west of Sooke yesterday morning floated unassisted later in the day and proceeded to Vancouver. She was not taking water.

J. E. Miller, inspector of customs, arrived in the city yesterday from Victoria, being here in the course of one of his periodical trips on official duties.

The funeral took place this morning at 11 o'clock from the chapel of the B. C. Undertakers to Fairview Cemetery of Danny Brooks, fifteen year old native boy from Telegraph Creek whose death occurred last Wednesday night in the Prince Rupert General Hospital following a length illness with tuberculosis. Obsequies were of a quiet nature with Bishop E. M. Buno, O.M.I. officiating.

A charge against Bernard Perrott of selling liquor to Indians was withdrawn in city police court yesterday afternoon.

Members of Vancouver Board of Trade Pay a Brief Visit to Rupert

Local Officials Guests at Dinner Aboard Princess Alice Last Night And Speeches Are Made.

While disappointment was expressed by the members of the Vancouver Board of Trade at not being here in time to enjoy the sun and the drive around the city promised them, the visitors who arrived at seven o'clock last evening on the C. P. R. steamer Princess Alice made up for it by spending the few hours here in the most enjoyable manner possible.

Directly after the arrival of the steamer, the ship was boarded by members of the city council and the executive of the Board of Trade and they were guests of the Vancouver board in the big dining room of the steamer, the Prince Rupert guests being distributed around among the Vancouver people, a few at each table.

Presiding was Thomas S. Dixon, president of the Vancouver Board who called on Vice-President W. C. Woodward to welcome the visitors. This he did in a neat speech in which he mentioned the mutual interests of Prince Rupert and Vancouver and stated that all Vancouver people were vitally interested in the development of this port.

Mayor Mc McBride spoke humorously in reply making reference to some of the outstanding industries in the district and stating that a large part of the money made in Prince Rupert was spent in Vancouver. He welcomed the visitors to the city and hoped they would have a good time.

Col. W. J. Nicholls, president of the Board of Trade, also spoke briefly and humorously, in the course of his address mentioning that 79 per cent of the B. C. canned salmon was produced in this district, 96 per cent of the fresh albacore was marketed here, 60 per cent of the dividend paying mines were in the district and 90 per cent of the non-dividend mines. Mr. Pattullo was authority for the statement that 60 per cent of the available standing timber of B. C. was north of Queen Charlotte Sound. He gave it as his opinion that the Peace River products would all be shipped out through Prince Rupert and they would set Sir Henry Thornton to build a tourist hotel here.

F. G. Dawson spoke of the benefit of such visits as the present. He drew attention again to the potential resources of the district and urged the assistance of Vancouver people in developing here.

The Vancouver President gave a hearty invitation to the Prince Rupert Board to make an excursion to that city when they would have an opportunity to return hospitality so freely extended here.

The members then adjourned to the Moose Hall for the dance given in their honor and left at one o'clock for Stewart. They will also visit Alice Arm and Anoyx and Butedale, returning home by way of the west coast of Vancouver Island.

HAZELTON FLOWER SHOW IS SUCCESS

Annual Event at Interior Town Occasion for Splendid Display as Well as Entertainment.

Gio Hanson arrived in the city on yesterday afternoon's train from Smithers. On Thursday Mr. Hanson attended the annual Flower Show at Hazelton under the auspices of the Hazelton Horticultural Society. The event he reports, was a great success. In addition to amply demonstrating the horticultural proclivities of the district surrounding Hazelton, the Flower Show also afforded the occasion for a number of forms of entertainment. Dr. H. C. Wrench, M.L.A. for Skeena, was, as usual, the moving spirit in connection with the event. Thirty cars came down to Hazelton from Smithers, laden with visitors to the Show.

TWO STANS TOSS COIN FOR PRIZE

PRINCE RUPERT MAN LOST AFTER ONCE HAVING PRIZE IN HIS OWN HANDS

At the dinner given by the Vancouver visitors to the local men a number of sweepstakes prizes were distributed to members of their party. One of the winners was Stan Parker.

The name was called and one of the visitors rose and so did Stan of Fort Amadeus here. Both marched to the front. The visitor took the prize but Prince Rupert Stan took it from him and was marching off when he was arrested by the other Stan. They then decided to toss a coin but the Vancouver man won.

FRUIT SHIPMENTS FROM OKANAGAN LARGELY INCREASED

WINNIPEG, Aug. 25.—To date 418 cars of small fruits have been shipped from the Okanagan district of British Columbia over the lines of the Canadian National Railways, it was announced by T. P. White, superintendent of car service for the company in Western Canada. This figure represents an increase of 100 cars over the corresponding period of last year. The peak of fruit movement will be reached about September 15.

Most of the fruit already shipped has been marketed in the Prairie provinces.

ALASKAN IS FINED FOR WRONGFUL OPERATION TRAP DIXON ENTRANCE

KETCHIKAN, Aug. 25.—Appearing in court this morning before J. W. Kehoe, United States' commissioner, the Dixon Entrance Fisheries company and the Nakat Packing corporation were charged with operating a fish trap illegally between Perseverance Point and Misery Island. The former company pleaded guilty to the charge and was fined \$1200, the case against the latter being held in abeyance pending advices from the United States attorney as to his wishes.

The facts presented to the court were that the Dixon Entrance Fisheries Company had the trap location, that the Nakat Packing corporation placed the trap and paid the watchman operating it. It further appeared before the court that the trap up to the time that it was taken by the bureau of fisheries had caught 8000 salmon.

The charge was that the trap had been placed within a closed zone.

Dismissal will not be made of the case against the Nakat Packing Corporation until information is received at Juneau, according to information given out at the commissioner's office.

WORK OF PRODUCING THE STUDENT PRINCE WAS STUPENDOUS ONE

Building entire towns, massive castles and railways are among the modern tasks of the screen producer. All of these were constructed as part of the massive setting of "Student Prince." Ernst Lubitsch's Metro-Goldwyn-Mayer production plays at the Westholme Theatre tonight with Ramon Novarro, Norma Shearer and a huge cast. The play involved perhaps the most elaborate building activity in the history of the screen. Approximately two thousand people outside of the thirty-five noted players in principal roles took part in the huge production.

The Bulkley Valley Fair this year will be well worth visiting—Smithers, August 31, September 1.

Norman A. Watt, government agent, returned to the city on yesterday afternoon's train from a brief trip to Terrace.

C.P.R. steamer Princess Charlotte, Capt. C. C. Sainty, is due in port at 3:30 this afternoon from Alaska and will sail at 5 p.m. for Vancouver and Victoria.

Sergeant Watson of the C.N.R. police at Edmonton arrived in the city on yesterday afternoon's train from the East. He will spend a three-weeks' vacation in the city.

The Anglican Women's Auxiliary will hold a garden party and sale of home cooking at the home of Mrs. DuVernet, 674 Fourth Avenue East on Tuesday, August 28. 201

Members of the Vancouver Board of Trade party to the number of 100 were each presented with a copy of yesterday's Daily News by the management of the paper.

Mrs. Wakefield and three daughters left yesterday for Stewart on the Canadian National steamer after a three-weeks' visit with Mr. and Mrs. R. S. Perry of this city.

Mr. and Mrs. G. E. Arseneau who were visitors with the latter's parents, Mr. and Mrs. W. Gratton, left for their home in Premier on the steamer Prince Rupert last evening.

Mathilda McKay was fined \$25, with the option of thirty days' imprisonment by Magistrate McClymont in city police court yesterday afternoon for having liquor in her possession.

Owing to a late connection in the East, this afternoon's train, due at 3:30 was reported this morning to be three hours and twenty minutes late so will not arrive until 6:30 p.m.

A. R. Holby, superintendent of the B. and B. Department of the Canadian National Railways returned to the city on yesterday afternoon's train from a trip to the interior on official duties.

A four-day trip to the interior will give you new ideas of Central British Columbia—Prince Rupert's great hinterland. Visit the Bulkley Valley Fair at Smithers, August 31, September 1. 201

Miss Sheila Stuart, daughter of Mr. and Mrs. D. C. Stuart Hays Block, who has been visiting for the past month with friends in Vancouver and on Vancouver Island, will return home next Wednesday.

T. A. McMartin, pioneer resident of the city for many years manager at Smithers, expected to return to this district in the near future. For the past year, he has been residing at his old home in St. Eustache, P.Q.

Miss Nelsa Hilditch, who has been spending the past two or three weeks in Hazelton on holidays returned to the city from the interior on yesterday afternoon's train. Miss Mary Astor, who went to Hazelton with Miss Hilditch returned home a few days ago.

Thirty-four English public school boys, making a tour of Canada under auspices of the School Empire Tour Committee, are arriving in the city from Jasper Park on this afternoon's train and will sail tonight on the Prince Rupert for Vancouver. Rev. G. H. Woolley, master at Harrow, is in charge of the party.

Mrs. Martin Miller, Miss Camille Peters and M. L. Clark will sail Monday morning by the Princess Louise for a brief trip to Juneau, returning here on Saturday. Miss Peters will then proceed to Ocean Falls to resume her school teaching duties after having spent the summer holidays at Tidwell with her mother, Mrs. Rajout.

Supplementary examinations for matriculation and normal entry are being held in the High School next week commencing Monday and closing Saturday afternoon. Inspector Fraser is presiding.

George Osborne left on this morning's train for Peterborough, Ontario, where he will become identified with the staff of the Canadian General Electric Co.

He recently graduated in the south in electrical engineering.

G. H. Stead, British Columbia super-

intendent of Canadian National Tele-

graphs, who arrived yesterday from Van-

couver, proceeded by this morning's

train to Prince George in the course of

a trip north on official duties.

Late in getting away from here yes-

terday afternoon and further delayed by

having heavy freights to discharge at

Stewart and Anyox, C.N.R. steamer.

Prince Rupert, Capt. D. Donald, is not

expected to return from the north be-

fore 8 o'clock this evening.

About \$35 was realized as a result of

PRESENTATION MADE OF CUT GLASS BOWL BEHALF OF REGIMENT

A pleasant function took place in the
Armory last evening after the football
game between Thistle and Regiment when
on behalf of the Regiment committee
and players a presentation was
made to J. Bye.

In making the presentation Captain
Jack Wilson congratulated Mr. Bye on
his recent marriage and extended the
best wishes for many happy years. He
hoped that in the future the younger
Byes would be hard players and as good
sports as their father.

In accepting the cut glass bowl Mr. Bye
thanked the Regiment on behalf of
Mrs. Bye and himself and assured the
Regiment that he appreciated their good
wishes and thanked them for their
kind remarks.

GIRL'S LIPSTICK SAVES THE DAY FOR NOTED MOUNTAINEERS

JASPER, Aug. 25.—Much as she has
been chided for her habits by a world
that complains that she is either too
feminine or not feminine enough, the
modern girl has her uses. The derided
lipstick has won a place for itself in the
mountain fastness of Jasper National
Park, even among the icy, untrivorous
peaks of Maligne Lake. Today when
Marshall Field of New York and four
others reached the summit of stolid
Mount Lash they discovered that there
wasn't a pencil in the outfit. For a
moment there was consternation. How
was the world to know that they had
gained the top. Then the modern girl
came forward with a bright idea and her
lipstick. The record was made. The
day was saved, and reputation of the
modern girl was pushed a dozen notches

S. C. Gordon, late of Aliyansh, sailed this morning on the Cardena for Alert Bay where he will take up future residence with his mother.

Mrs. Herbert Porter and family will sail by the Princess Charlotte this afternoon for a vacation trip to Vancouver.

C. A. Gordon, late of Aliyansh, sailed this morning on the Cardena for Alert Bay where he will take up future residence with his mother.

D. C. Ault and J. Webster, who have been engaged in logging in the Skidegate Inlet district, sailed this morning on the Cardena for Vancouver.

David Keele, for drunkenness, was fined \$25, with option of thirty days' imprisonment, by Magistrate McClymont in city police court this morning.

C.P.R. steamer Princess Royal, Capt. Albert Rippon, arrived in port at 8:30 a.m. yesterday from the south, sailing at 8 p.m. on her return to Vancouver and Gayton.

The Fair Board membership ticket does not cost you much and they help make the Fair a success—and you have the chance of winning a valuable lot on Second Avenue all for the sum of \$100.

AT FOOTBALL**BEAT REGIMENT LAST EVENING FOUR
GOALS TO TWO

The Thistle won over Regiment 4-2 in the Gilhuly Cup competition last evening in a game that was always interesting and hard-fought.

Both teams were minus several of their regular players but the substitutes all did well and their display was a strong argument in favor of giving the younger players a chance. Thistle were without Haig, Erskine, Murray, George Mitchell and Currie (jr.) whose places were taken by Stiles, Dyer, McKay and Ed. Smith. Regiment were without Baptie Ross, Kelsey and Tinker and played Fjestadt, Bye, Cameron and Redpath.

Playing with ten men in the first half, Regiment had their share of the play but it was from one of the Thistle they got their first goal, when Woods failed to clear a shot of Wilson's and turned it past Slocombe. From a scramble in the Regiment goal Alex Mitchell put his team level. McKay and Smith were good on the Thistle right and Bussanich made much of W. Mitchell's passes. By narrowly missed for the Regiment.

Thistle had the ball in their advantage the second half but Regiment had as much of the play. Brand saved well from A. Mitchell but Lambe missed his clearance and W. Mitchell put Thistle ahead. Following a corner kick Wilson returned the ball to Harris who scored with a fine first time shot. Play was now faster and the spectators were getting value for their money. Bussanich gave W. Mitchell a chance and the latter scored with a ground shot that Brand misjudged. Regiment returned to the attack and Harris narrowly missed. Wilson was nearly through but Parquhar stopped him. Then W. Mitchell got the rebound and drove in a stinger that Brand got his fingers to but could not stop. Norrington and Lambe tried to work through but were shut out and Thistle ran out winners 4-2.

Teams—Regiment—Brand; Lambe; Norrington; Bye; Fjestadt; Hodgkinson; Wilson; Redpath; Harris; Cameron; Davis. Thistle—Slocombe; Stiles; Parquhar; Dyer; Hadden; Woods; Smith; McKay; A. Mitchell; W. Mitchell; Bussanich. Referee, W. Williscroft; linesmen, Clapperton, Hunter.

Emil M. Urell arrived in the city from the Skeena River on yesterday afternoon's train.

Extensive Alterations at Wireless Station—Killing of "Ernie" Maynard Shrouded in Mystery—Halibut Landings

The two high timber spars which have served for the past eighteen years or more as the aerials of the Digby Island wireless station and which during that time, have become familiar landmarks, visible for miles around, are to be soon replaced by two galvanized angle iron towers, this work to be the major feature of considerable improvements that are about to be effected at the local radiotelegraph station. Each new tower will be three feet square, of the usual structural design, and about two hundred feet high—approximately the same height as the old ones. There will be three sets of guys, with six insulators on each guy, anchored to channel iron men implanted ten feet into the ground. The towers will be set on concrete foundations which were put in two years ago. There will be seventeen tons of steel in two towers which have been fabricated by the Canadian Bridge Co. of Walkerville Ontario and the material is expected to reach here soon after September 1. The cost of the towers will be about \$1,500 and L. E. Williams of Vancouver is here to supervise their erection. The old masts will be dismantled and razed after the new ones are up.

will be D. B. Finn, director, Dr. T. Ingvaldsen, H. N. Brocksby and L. F. Smith of the Prince Rupert Fisheries Experimental Station staff. They will leave for the south on Saturday evening of next week and will be away for about two weeks.

E. C. Powell who has been on the summer staff of the local station, will be leaving here on September 26 for Saskatoon where he will resume his duties at the University of Saskatchewan.

FISHERMEN AID SCIENTISTS

To assist in bacteriological researches being carried on from the Prince Rupert Fisheries Experimental Station, several local halibut boat skippers are taking swabs from halibut as they come from the sea, before contaminated by contact with the boat, holds or other means. These swabs are being turned over to the local station which in turn forwards them to Prof. Wilfrid Sadler of the University of British Columbia who is engaged in the investigation of the discoloration of halibut. Capt. Chris Hendrickson of the halibut boat Gibson recently took Prof. Sadler and D. B. Finn, director of the station, on a short trip to the Heceta Straits halibut grounds when the scientists obtained some swabs themselves.

Five men are now engaged, under the direction of Mr. Chisholm of Victoria, in clearing land around the site of the new towers and the station. The houses of the station are to be remodeled and extensive alterations made under the supervision of Mr. Taylor, also of Victoria.

Completely overhauled and generally slicked up with the generous application of the paintbrush, the Prince Rupert Salvage & Towing Co.'s small harbor boat Salvagin has now been renamed June in honor of the little daughter of the manager, Capt. W. P. Armour.

LOAD COTTONWOOD LOGS

Loading has been in progress at the dry dock this week of a large scow with cottonwood logs from Terrace for delivery at the Laminated Materials' veneer mill at New Westminster.

Arthur Collison formerly of this city and for the past few years located in the south, has returned to Prince Rupert and assumed duty as local agent for the Union Oil Co. Ellis Morris, late of the Mussalem Grocery Co. Ltd., has joined the staff as book-keeper.

E. Garofani of the Ward Electric & Marine Supply Co. staff left on Thursday for Vancouver. He expects to be away for a couple of weeks and, while in the south, will take the necessary examinations to qualify him for a moving picture operator's license preparatory to joining the staff of the Westholme Theatre in that capacity.

With Capt. Paul Armour in charge, Prince Rupert Salvage & Towing Co.'s power boat Naas River left early Thursday morning for Khatada Lake with a party of anglers consisting of Hubert Ward, Lou Kergin, Milton Gonzales, M. L. Stepp, Bob Hemming and Roy Nichols. The doughy fishermen are expected back today if they have not fished out the lake ere this.

The workboat New Era, formerly the property of the defunct Emerson-Dumont logging concern, has been sold to two Burns Lake men who are figuring on fitting it up for fishing. The New Era has been moored at the floats of the Prince Rupert Salvage & Towing Co. for the past few months.

Power tug Salvage Princess, flagship of the Prince Rupert Salvage & Towing Co.'s fleet, which has been packing to the Shannon Bay and Ferguson Bay canneries in Massett Inlet for the past fortnight, is now operating out of the South Bay cannery and is expected to return to port in about a fortnight's time.

PACHENA BACK

Coming off a month's packing charter to Port Edward cannery at the end of last week, Prince Rupert Salvage & Towing Co.'s power vessel Pachena, Capt. Martin Johnson, made a trip to Huston Inlet on the Queen Charlotte Islands the latter part of this week with a party of fifteen workers for the saltery there.

Enroute from Port Simpson to Port Edward, Dr. R. G. Large made a brief call in port on Wednesday with his power cruiser Sunbeam III.

IN MOTORING HERE

William Drake, sales manager for the Edward Lipsett Co. and formerly in charge here, is expected to arrive in the city within the next day or so on a visit of inspection to the local business. Accompanied by his wife and child, he is motoring as far as Hazelton. They left Vancouver last Saturday.

For its local delivery service, Edward Lipsett (Prince Rupert) Ltd. put into operation this week a 1½ ton Graham truck, replacing the former Oldsmobile delivery van.

Completing her first voyage to the fishing grounds following the recent installation of a new Gardner diesel engine, the local halibut boat Mary M. Christoper, Capt. Alf Jacobsen, arrived in port on Wednesday. She had a catch of 14,000 pounds—her largest in many a moon. The motor performed perfectly, Capt. Jacobsen reported.

The annual conference of the Pacific Coast workers of the Biological Board of Canada will be held in Vancouver on September 5 and 6. Attending from here

is NAVIGABLE WATERS PROTECTION ACT.—R. S. C. 140.

Porter Idaho Mining Company Limited hereby gives notice that it has, under Section 7 of the said Act, deposited with the Minister of Public Works at Ottawa, and in the office of the District Registrar of the Land Registration District of Prince Rupert at Prince Rupert, B. C., a description of the site and the plans of the wharf and dolphins proposed to be built on the foreshore of the mouth of the Minto River, Portland Canal, in front of Lot Number Four Hundred Sixty-seven (467), Cassiar District, British Columbia.

AND TAKE NOTICE that after the expiration of one (1) month from the date of the first publication of this Notice, Porter Idaho Mining Company Limited will, under Section 7 of the said Act, apply to the Minister of Public Works at his office in the City of Ottawa, for approval of the said site and plans and for leave to construct the said wharf and dolphins.

HOW SUBSCRIPTIONS COUNT IN POINTS

Up to and including Friday, August 31, the following number of points will be issued on subscriptions:

1 year 8 points
2 years ... 16 points
3 years ... 24 points
4 years ... 32 points
5 years ... 40 points
6 years ... 48 points

The above schedule shows "HOW SUBSCRIPTIONS COUNT IN POINTS" in the new campaign for the \$200 COMPETITION which is announced today. You will notice that subscriptions turned in by Friday night, August 31, count more points than they will if not turned in until the following week. New, arrearage, renewal or second payment subscriptions each count the same number of points in the \$200 COMPETITION.

EACH candidate in the \$4,000 Prize Campaign now has the opportunity of entering the \$200 COMPETITION, and any subscriptions they secure and turn in now will count votes in the \$4,000 prize campaign and points in the \$200 Competition.

WHAT IT MEANS

You can win in the \$200 COMPETITION and, at the same time and with the same subscriptions, enhance your opportunity of winning one of the two cars or the cash prizes in the \$4,000 prize campaign. It is possible to win big in each of the campaigns as they are separate competitions and winning in one does not restrict or hinder a candidate in any way from winning in the other.

Candidates, here is your opportunity. All candidates start Friday on an equal basis in the \$200 COMPETITION and all have equal opportunity of winning regardless of their present standing or time of entry in the \$4,000 prize Campaign.

BOARD OF TRADE DANCE SUCCESS

FOUR HUNDRED PERSONS PRESENT
AT FUNCTION LAST EVENING

IN MOOSE HALL

The informal dance given last night in the Moose Hall on the occasion of the visit of the Vancouver Board of Trade excursion was a great success. With some four hundred persons in attendance Local ladies turned out in good numbers to do their share in entertaining the visitors and a very pleasant time was enjoyed from 9:30 to 1 a.m. when the southerners left for Stewart.

A delicious supper was served at midnight in the course of which T. S. Dixon, president of the Vancouver Board of Trade, made a few remarks, expressing the appreciation of the visitors for the hospitality which had been shown them here. The Vancouverites gave three hearty cheers for their Prince Rupert hosts.

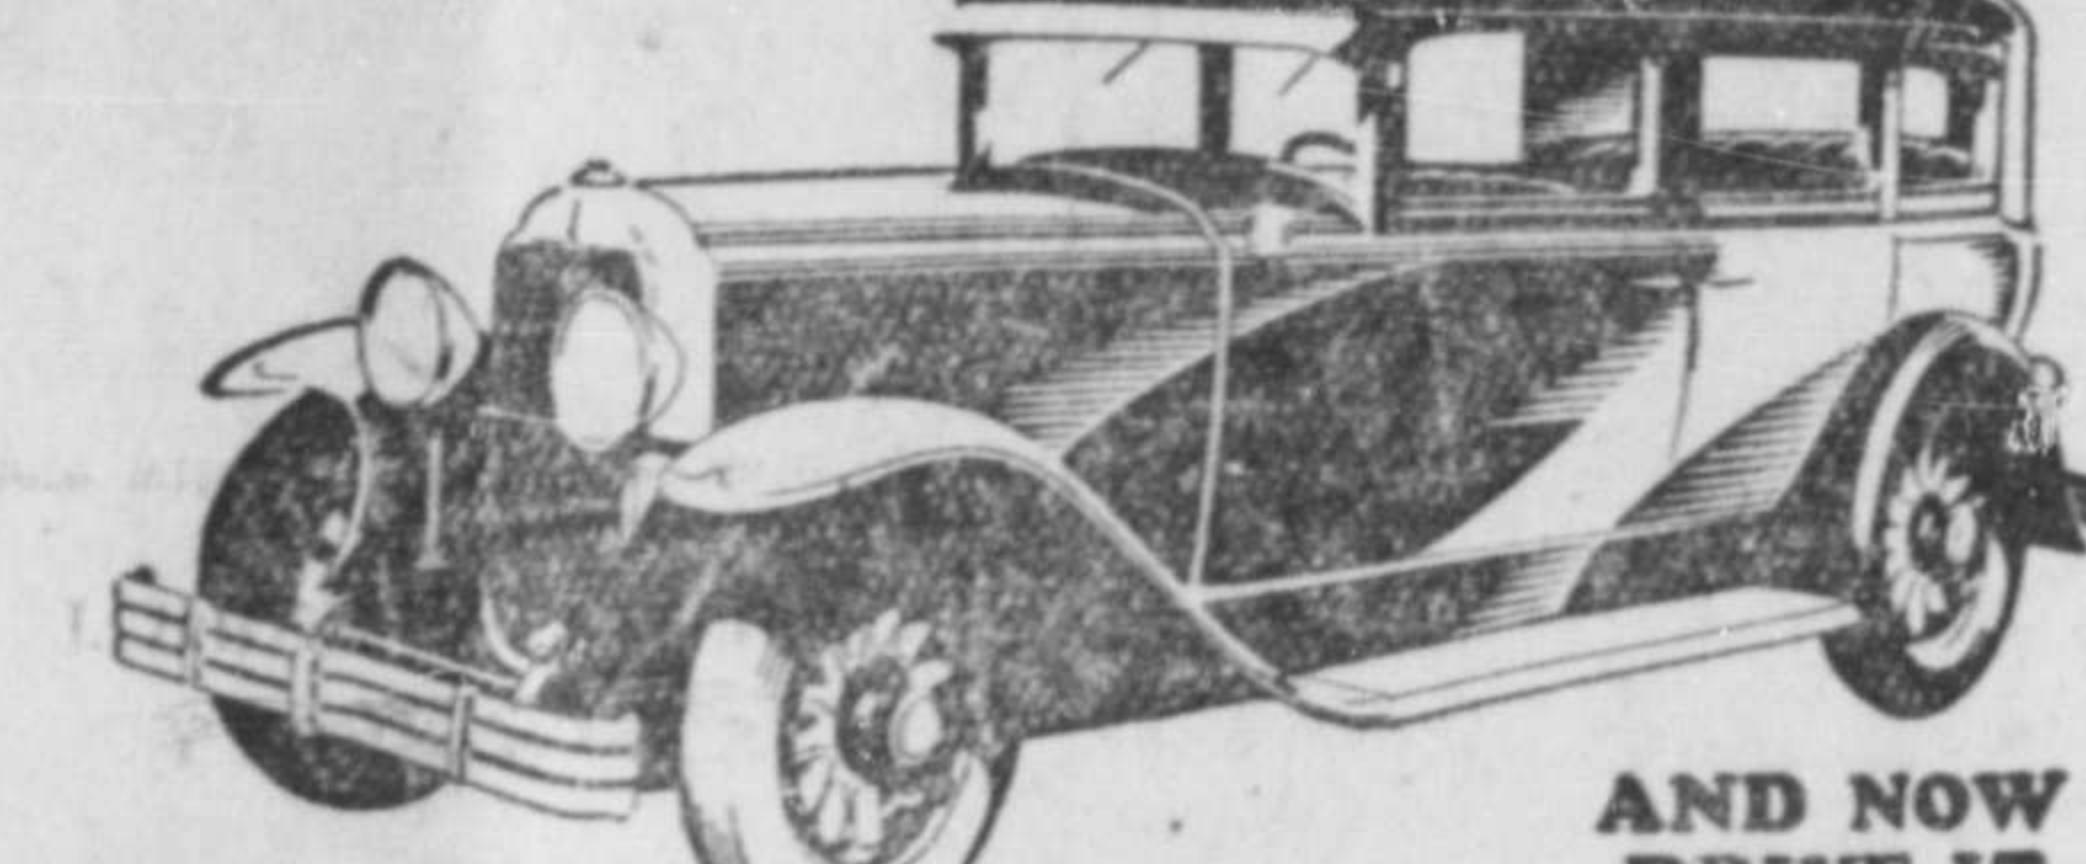

Music for dancing was furnished by Miss Irene Morrison's orchestra and A.G. G. Tinker acted as master of ceremonies. The entertainment committee of the Prince Rupert Board of Trade, consisting of J. H. Pillsbury, F. E. Robertson and J. W. Scott, had charge of the arrangements for the dance.

(continued from page five) it, although so far, his catch has been light. He is accompanied by Peter Newell, a Seattle boat-builder, who built the boat, the "K-800" in which the two are travelling, which is equipped with a Fordson engine. They are seeing the country in a leisurely fashion and have taken over a month for the trip so far, coming to Juneau from Cape Omaney. There are about 500 boats there, and they are catching a number of fish, mostly cohoes. I am told," Mr. Nichols said. "Personally I wouldn't know a king from a coho if I had one on my hook," he added modestly. From Juneau they plan to go to Icy Straits and gradually work their way south from there, to arrive in Seattle by September 1.

After a brief falling behind, halibut landings at the port of Prince Rupert for the 1928 season are now close on the heels of the total for the 1927 season at a similar date. The total for the present season up to yesterday stood at 17,845,800 pounds, made up of 12,169,400 pounds American and 5,674,400 pounds Canadian. If American halibut continues to come in as heavily as it did during the past week, the deficiency on United

States fish may yet be made up. Landings for the week of Saturday to Friday inclusive totalled 726,000 pounds of which 564,500 pounds was from American bottoms and 161,500 pounds from Canadian. Prices during this week were steady though not spectacular. The highest bid for American halibut was 13.1c. and 7c. paid the Eureka for 9,000 pounds while the top price for Canadian fish was 12c. and 7c. which the Unions received for 9,500 pounds.
