Waterfront Whiffs Preparations for Salmon Canning Season-Oolachans Running at Fishery Bay-More Spring Salmon Landed-Accidents to Halibut Fleet Preparations are now well under way again for another salmon canning season in Prince Rupert district. Neither the scarcity of fish which prevailed last year nor the more stringent conservation measures that are being imposed by the government to govern 1928 fishing seem to dampen the hopefulness of the operators and it will be few of the many canning plants on this coast within a few hundred miles of Prince Rupert that are not once more in operation. While some of the canneries may start earlier it will, as usual, be around the month of June before the large majority get into actual operation. Meantime, preparatory work# _____ will very shortly be in full swing, crews was fortunately picked up by the boat are arriving on the ground and the ne- Edward Lipsett, Capt. Martin, and cessary organization for the season is towed back to Prince Rupert in succes. being commenced. Every effort will be sive stages. CRIENDLY cushions, fashioned with the comfort of an easy chair, invite relaxation as your McLaughlin-Buick sweeps smoothly along.

Comfort that invites Relaxation

In the designing of McLaughlin-Buick for 1928, riding ease and comfort have been given unusual consideration. Lovejoy Shock absorbers on all four wheels absorb and cushion every road-shock and rebound. Rubber Engine Mountings prevent vibration from reaching the car-body. Extra deep, resilient seat cushions, beautifully upholstered, are specially shaped and tailored to fit, like an easy chair. The lower body-lines have been attained without any sacrifice of headroom. And in finish and appointments, McLaughlin-Buick establishes a standard of luxury which vies with your drawing-room or club. The G.M.A.C. Deferred Payment Plan offers many advantages to buyers of McLaughlin-Buick cars.

Owing to the great success of our Clock Sale on Friday and the very many buyers who thronged our store that morning, we have decided to put our whole stock of

LADIES' HATS, COATS AND DRESSES ON SALE

right up until Easter. Every article in the store will be offered for sale at a reduction of 25 per cent on the regular selling price.

The regular prices of the Louvre have always been reasonable and at this Sale Price it means that every article sold is an absolute bargain.

For instance, the sale price of Jersey Sport Dresses which come in navy, brown, fawn, peach, green, etc., will be only \$5.95.

Tweed Coats, sizes from 16 to 40, from \$9.75 up.

A new lot of Georgette Dresses, twenty-five in all, have just come in and they will go on sale, too. They are in all sizes and colors and the sale price will be \$12.95.

Ladies' Navy Blue Coats, moleskin trimmed and silk lined, will go for \$27.50.

These are only specimen prices of the many articles which will all be offered at similar reductions.

If you are in doubt as to what you require for Eastertide we invite your inspection of our stock to make your own choice.
