GRITS SELECT FEDERAL CANDIDATE WRECK OF VESTRIS IS STILL OCCUPYING THE LIMELIGHT

Olof Hanson was Nominated at Liberal Convention Last Night for the Constituency of Skeena

At one of the best attended and most enthusiastic nominating conventions ever held in Prince Rupert, Olof Hanson was officially selected by the Liberals of Skeena riding to carry their banner at the next general federal election, a motion to make the choice unanimous being moved and seconded by two defeated candidates for the nomination—Fred Stork and George Nickerson.

Right from the opening at 8 o'clock to the close at 1:30, the outcome was uncertain. Most of the time was consumed in seating the delegates, the credentials committee finding their work very onerous. The method of voting also caused differences, and it was after midnight before nominations were called for. Only three names were put forward and on the first poll the vote stood:

Olof Hanson	62
Fred Stork	52
George Nickerson	18

Mr. Nickerson's name was then withdrawn and the next vote gave Hanson 73 and Stork 52.

A number of the delegates carried proxies, the following list being the official delegates, with the number of votes they were entitled to cast:

Smithers—S. J. Mayer 9, Marshal Sales 6, Fred Watson 2, L. B. Warner 1, J. S. Gray 1, George Oulton 1, J. Sweeney 4, W. S. Henry 4,
Ocean Falls and Bella Coola—T. R. Phillips 9, W. J. Heath 5.

PROHIBITION VOTED DOWN

Government and Liquor Law Fail to Get Support in New Zealand

WELLINGTON, New Zealand, Nov. 15.—Returns yesterday from the elections indicated that the government of Premier Coates suffered a severe setback. It is estimated that the government has 28 seats and the United party 26, Labor 29, and Independents 6. The Government, or Reform Party, had 55 seats in the last house, Labor 13, Liberals 11, Independents 1.

The following ministers were defeated: Hon. C. J. Macleod, minister of lands; Hon. C. J. Hawken, minister of agriculture; Hon. J. F. Rolleston, minister of justice.

An outstanding feature was the strong showing of the United party, led by Sir Joseph Ward. It is a combination of Liberal and Independent Liberals.

The licensing issue resulted apparently in a majority of 100,000 against continuation of the prohibition of liquor.

Considerable competition is reported to be developing for the acquisition of the electric light and power franchise in Prince Rupert. The Lord Melchett interests, which recently acquired extensive coal fields in the Teikwa district, are understood to be the latest to make a bid for the utilities. Last week a representative of the B.C. Electric Co. was on the ground preparatory to that concern offering a bid. In addition offers were previously made by the Vogelback interests of California as well as the original Old Country concern.

KAYE MARU IS DUE TONIGHT

The "K" Line steamer Yaye Maru, Capt. Kitsuka, Prince Rupert's first grain ship of the season, is due at 8 o'clock tonight at Triple Island where she will pick up her pilot, Capt. She is coming here from the Orient and will load full for the United Kingdom or Continent.

After passing customs and quarantine, the Yaye Maru will tie up at the ocean dry dock where she will be lined. The vessel is to move down to the Alberta Wheat Pool's elevator on Wednesday to start loading her cargo.

No definite time of arrival is yet set for the British steamer Rockpool, the second grain boat of the season, originally reported to be due between November 18 and 23. Nor is there any definite report of the third grain ship which is so far unnamed.

Meantime, grain is moving steadily into the elevator from the prairies. Seventy-six cars were unloaded yesterday and 58 more arrived last night. Between 600 and 800 cars are reported to be on the way here.

The craft was first sighted by the steamer Montreal Maru November 9 with decks awash 6 miles from Discovery Island and the only sign of life aboard were strung towels or clothing in the wheel house. A diver located the wreck but was unable to board the ship. He noticed in the dim light what appeared to be one or two bodies juddled together.

BRITISH NEWS FOR CANADA

LONDON, Nov. 15.—At the question hour in the House of Commons Wednesday, Sir John Power, Conservative M.P. for Wimbledon, asked whether the attention of the prime minister had been drawn to the inadequate and unsatisfactory character of the British news supplied Canadian and South America daily newspapers and whether steps were being taken to remedy this situation, in view of its adverse political and commercial effect. Godfrey Locker Lapson, under-secretary of foreign affairs, in reply, on behalf of the government, said that during the recent tour of Hon. L.C.M.S. Amery, secretary of the dominions, to South America, decided that improvement in that direction must depend very largely on the private enterprise of the newspapers themselves.

Interesting Games at Opening of National Hockey League Yesterday Fredrickson Fined Fifty Dollars

TORONTO, Nov. 16.—The National Hockey League produced no startling upsets at the opening of the season last night. Ottawa defense turned back every thrust of the Americans' forwards, while their own front line failed to bore into scoring position. Walsh, lent by Montreal Maroons to the Americans to sub for sick Jackie Forbes in goal, turned in a good game.

The struggle between the Canadiens and Maroons was typical of their former battles. Joliat scored in the first period and Hebert evened. The second period was scoreless, but in the third Joliat and Gagne beat Benedict.

In Pittsburgh, the referee, Dr. O'Leary, gave Shore a major penalty for cross-checking Cotton, and when Fredrickson used profanity in protesting, O'Leary plastered a \$50 fine on Fredrickson.

The New York Rangers gave Detroit a 2 to 0 lacing. Andy Blair, former Manitoba University star, and Shorty Horne, recruited from Stratford, scored both Toronto goals against Chicago.

The scores follow:
Ottawa 0, N. Y. Americans 0.
Canadiens 3, Montreal 1.
Toronto 2, Chicago 0.
N. Y. Rangers 2, Detroit 0.
Boston 1, Pittsburgh 0.

The Junior boys of the Rupert East Sunday School made a surprise visit to the home of their teacher, Mrs. Frank Moore where Willie Murray on behalf of the class presented her with a silver souvenir spoon on the occasion of her leaving the city for Vancouver.

SPORT CHAT

While no complaint can be made at the size of attendance so far this season, the Prince Rupert Basketball Association is of the opinion that the quality of play being turned in by the various leagues warrants a still greater patronage on the part of the fans. A number of the teams have been taking steps to still further strengthen their ranks and there is a delightful uncertainty as to who is to eventually prove the best in the various leagues. So far none of the teams can lay any claim to having a cinch on the honors and, on the other hand, there is no team that is known so far that it is out. The teams which have so far shown weakness are the ones that are now taking steps to get more strength. This should be good for the game—and the gate receipts, too.

Tonight's basketball bill should be an attractive one. In the Senior League, Native Sons of Canada will try conclusions with the Players' Club. The only victory the Canucks have so far had was at the expense of Kincolth which beat the Players' Club this week. Therefore, speculation is rife as to what tonight's outcome may be. The two local aggregations must overlook no bets if they are going to emerge victorious on the season over these two fast moving native aggregations. The Intermediate League will offer C. N. R. and Toc H. Toc H. has won one game so far this season and C. N. R. is not yet on the credit side of the sheet although it is very hopeful. Ladies' League and Junior League matches will round off the bill.

HOW TO REDUCE VARICOSE VEINS

Many people have become disabled because they have been led to believe that there is no remedy that will cure swollen veins and bunions. If you will get a two-ounce bottle of Moore's Emerald Oil (strength) at any first-class drug store and apply it night and morning to the affected you will quickly notice an improvement and bunions are reduced to normal.

Moore's Emerald Oil is a harmless, most powerful germicide and two ounces last a very long time. Indeed, so powerful is Emerald Oil that old chronic ulcers and ulcers are often entirely healed and anyone who is disappointed with his cure can have their money refunded. BAPTISTS HAVE FINE DINNER

Annual Event Last Evening Provided a Great Success

Despite the fierce storm which was raging, the Anniversary Banquet of the First Baptist Church, which was held last evening, was an unqualified success. About 140 persons braved the wind and rain, making it necessary to hold two sittings. The reputation of the Baptist ladies for providing sumptuous repasts was fully sustained. The tables were beautifully decorated with carnations and chrysanthemums and presented a most attractive appearance. The ladies presiding at the tables were Mesdames P. H. Linzey, J. D. Thurber, S. Hammond, J. Lindsay, H. Pelletier, J. H. Smith, V. Houston, T. Curry; Miss Hughes and Miss A. McKinley. Kitchen arrangements were under the direction of Mesdames F. Morris, B. Morgan, C. Larkin, A. Iverson, G. Johnstone and W. Armstrong. Mrs. W. F. Price being general convener. C. Campbell was cashier.

After supper an interesting and enjoyable program was rendered under the chairmanship of the pastor, Rev. W. F. Price, as follows. Vocal solos, Miss B. Derry and Mrs. H. Forrest. The men have now been unheard of for 11 days, despite most intensive search by airplane, dog team, Indians, trappers, and especially organized parties.

The identity of the men was established by wireless today as O. Smith, Prince Albert; Edward Rudanetz, Winnipeg; S. Rutka, Pine River, Man.; N. Shabaturou, The Pas; A. Norwood and T. Salonyka, Winnipeg; and M. Husak, address unknown.

THE LIBERAL CANDIDATE

Olof Hanson is to be congratulated on being chosen by the convention last night to fight the cause of Liberalism in the Skeena constituency. It is an honor to be chosen by either of the big parties for such a position. Mr. Hanson should make a strong candidate and when the time comes he will doubtless put up a good fight against the nominee of the other party.

The choice of last night's convention is a man who has been very keen on business. Now that he has turned his attention to politics, he will doubtless be equally keen and possibly just as successful. At any rate, he is in a position where he can devote much time to the work without feeling that he is injuring himself financially. He has not the advantages of British birth, but he has been a British citizen for many years and as such is well qualified for the position.

THE NEW LUMBER MILL

A new sawmill is to be erected at once at Seal Cove, just across from the Big Bay Company's mill. The machinery has already been ordered and work, it is announced, will commence within two weeks. When completed the mill will have a daily capacity of 40,000 board feet, which means that at least 40 men will be employed at the mill, in addition to those working in the woods and on towboats.

The new mill will not only add directly to the local payroll, but it will make business for the railway; it will bring steamers here, and will, in combination with other mills of the neighborhood, make possible the loading of steamers here for the offshore business.

This is one more industry to be added to those already here, and it will be welcomed as another step in the growth of Prince Rupert.

The new mill will give another impetus to the building up of the Seal Cove end of the city. This is essentially an industrial district and more houses will be needed there to house the men who will be employed. The city will have to give attention to this section, for it is undoubtedly in for a great forward move.

SURVIVORS OF VESTRIS SAFE

All but Nine Were in New York Yesterday; Captain's Action.

NEW YORK, Nov. 15.—All except nine of known 214 survivors of the Vestris were safely in New York harbor yesterday, the last 57 being brought ashore from the French tanker Miriam and nine others aboard the battleship Wyoming.

Most of the passengers were silent concerning Captain Carey's action in delaying the SOS message, but members of the crew were outspoken in their criticism. Their late skipper's SOS should have been sent hours before, they said.

Mrs. C. Slaughter, the only woman passenger on the Miriam, defended the captain's action. "He did his duty and did his best," she said. She denied that members of the crew rushed the lifeboats.

LOCAL GIRL WEDDED RECENTLY IN SOUTH

Miss Nina Reid Becomes Bride of William McDonald in Vancouver

First United Church, Vancouver was the scene of a quiet wedding Tuesday evening when Rev. Richmond Craig united in marriage Miss Nina Reid, daughter of Mrs. M. Reid, and sister of Mrs. C. L. Youngman of Prince Rupert, and William McDonald, son of Mr. and Mrs. Angus McDonald of Vancouver.

A frock of poudre georgette was worn by the bride, the skirt being formed of double flounces and the sleeveless bodice overlaid with silver lace. A velvet hat of matching blue had metallic braid trimming. Miss Ellen Martin, who attended

as bridesmaid, wore lilac georgette, the slender bodice having a beaded design and the skirt formed of a series of petals. Mr. William Eccles acted as groomsman.

A reception followed the ceremony at the home of the bridegroom's parents, where roses and carnations of pink and white formed a pretty decoration.

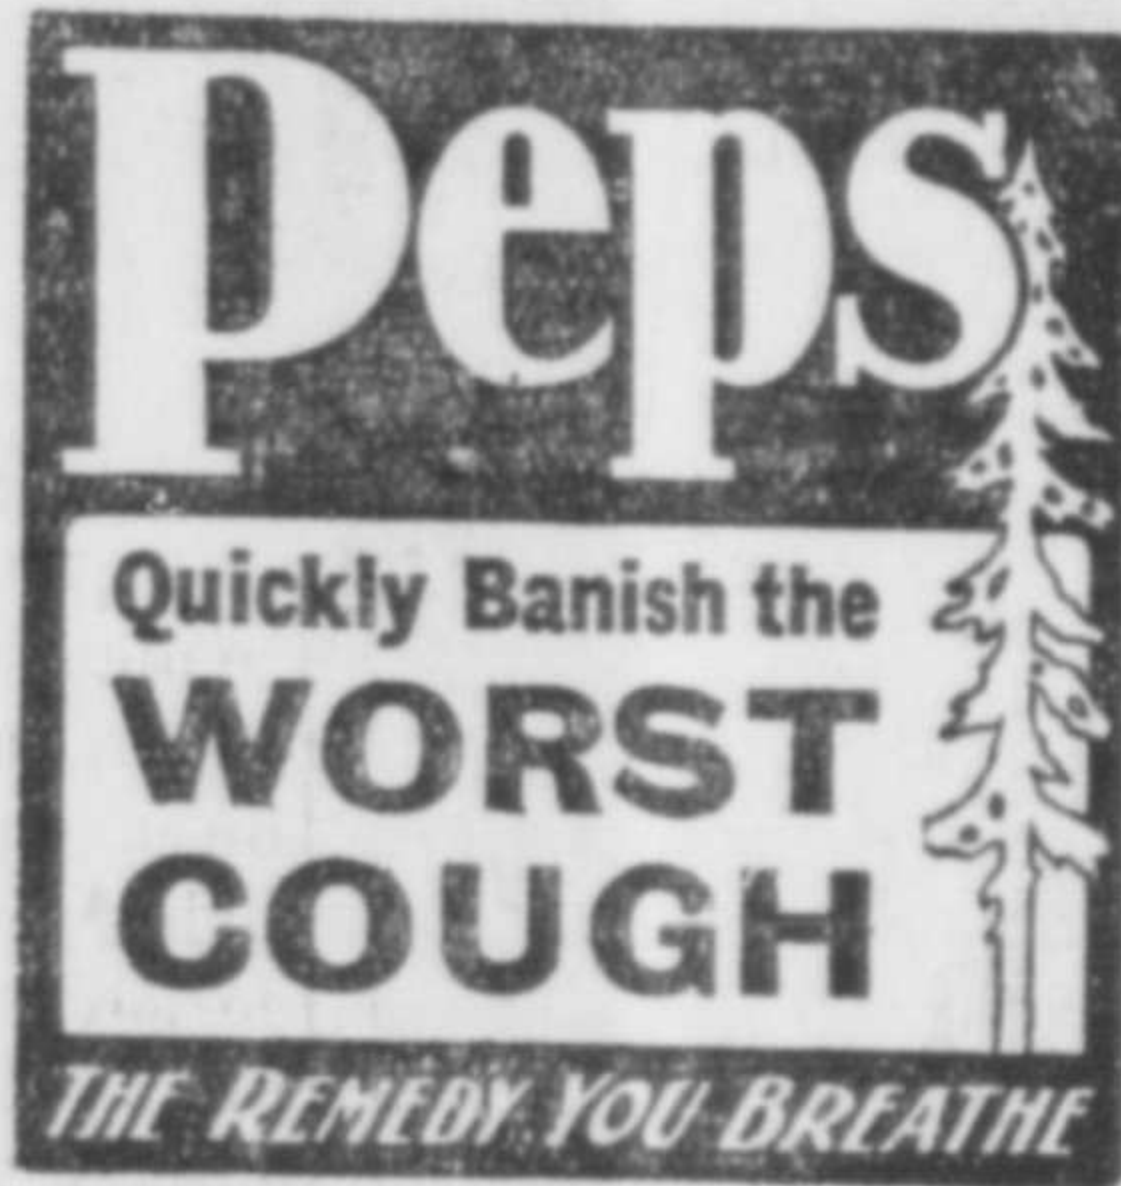

After a trip to Victoria and Seattle Mr. and Mrs. McDonald will reside in Vancouver.

FELT MISERABLE ALL THE TIME

Headaches and Tiredness Ended by "FRUIT-A-TIVES"

Some people suffer for years with headaches, without ever trying to find out what is the CAUSE of the pain. They get all run-down, and seem to think this weak, depressed feeling is the result of the headaches. As a matter of fact, chronic headaches are the result of poisoned blood, due to faulty action of the bowels, kidneys and skin. "Fruit-a-tives" stops headaches because it regulates the bowels, kidneys and skin—frees the body of waste matter which poisons the blood—and thus keeps the blood pure and rich.

As Mrs. Michael Coulis of Killaloe, Ont., writes—"I used to feel tired out and run-down and had severe headaches. After using 'Fruit-a-tives' the headaches and tiredness quickly disappeared and for two years now I have been in the best of health." And you? Do you suffer? Mrs. Coulis shows you the way to get well—take "Fruit-a-tives." 25c. and 50c. a box—at dealers everywhere.

WELL-KNOWN OSLAND COUPLE ARE WEDDED

Miss Winnie Anderson Becomes Bride of Dan Kristmanson at Pretty Ceremony in Vancouver

The wedding took place last week in Vancouver of Winnie Dagmar, daughter of Mr. and Mrs. William Anderson, Vancouver, to Valdimar Daniel Kristmanson of Osland, in Mountain View United Church, Rev. A. W. Ogsten officiating. An arch of yellow and bronze chrysanthemums was erected in the church, trimmed with autumn leaves and ferns. The wedding music was played by George Wright while Mrs. Walter Butler sang during the signing of the register.

Given in marriage by her father the bride wore a gown of white chiffon velvet with a tight bodice and uneven hemline, long pointed sleeves trimmed with pearls, outlining the hem, sleeves and waist. Her long veil was embroidered with orange blossoms while her shower bouquet was of Ophelia roses and lily of the valley. Attending her as bridesmaid was Miss Bertha Gislason, who chose blue taffeta in bouffant style, the quilted skirt showing the uneven hemline, faced with pink, and Queen Elizabeth collar on the close fitted bodice. A pink and blue band was worn on the head while Ophelia roses and carnations formed her bouquet. Miss Thelma Anderson, as flower girl, wore pink organdie with a ruffled skirt and pink bandeau. Leifi Fridleifson acted as best man while Mr. Baldwin Anderson was the usher.

A reception was held at the home of the bride's parents after the ceremony, when about sixty guests called. Pink and white streamers were arranged over the bride's table.

Mr. and Mrs. Kristmanson left on a motor trip to Portland, the bride wearing a salmon colored jersey two-piece dress, with black broadcloth coat with fur collars and cuffs and a felt hat to match. On their return they will reside in Osland, where the bride was formerly school teacher. The groom is also well known and popular.

MRS. ETHEL KREITZ, WELL KNOWN IN CITY, SUCCUMBS IN SOUTH

Friends in Prince Rupert will regret to learn of the death which occurred at Hillsboro, Oregon, on Sunday, November 4, of Mrs. R. W. Kreitz (nee Ethel Short), daughter of Mrs. William Beveridge and sister of Norman Short of this city. Mrs. Kreitz, who was quite well known here having visited in the city with her mother on two or three occasions, passed away after a long and serious illness. Her mother and brother were at her bedside at the end, the latter returning to the city yesterday.

The late Mrs. Kreitz was born 38 years ago at Wellington, Vancouver Island, and was raised in Cumberland, later moving with her family in Vancouver. Besides her husband, she leaves to mourn her loss three children.

The mother, Mrs. Beveridge, is remaining for the next few weeks in Vancouver before returning to the city.

GLORIOUS BETSY IS LOVE STORY

Glamorous and Glittering Tale of
Emperor Napoleon's Brother
at Westholme

"Glorious Betsy," at the Westholme tonight, is another directorial triumph for Alan Crosland, the man who directed "Don Juan," "When a Man Loves," "Old San Francisco" and "The Jazz Singer." "Glorious Betsy" is the glamorous and glittering love story of Betsy Patterson, Belle of Baltimore, and Jerome Bonaparte, South, who marries Napoleon's brother of the Emperor Napoleon. The celebrated play of Rida Johnson Young is the basis for the story which was scenarized by Anthony Coldway.

Dolores Costello is ideally cast as the gentle beauty of the old brother, goes with him to France, and is sent back to America by the Little Corporal, in order that he may marry his brother to royalty. Never has the exquisite delicacy of this loveliest of stars been so appealing as in the part of "Glorious Betsy."

L. B. Warner, editor of the Interior News, was one of the Smithers delegates arriving in the city from the interior on yesterday afternoon's train to attend the Liberal nominating convention here last night. E. Marshall Sales, Smithers merchant, was another of the delegates.

'ROSE-MARIE' IS A CHARMING ROMANCE

Lovers of thrilling, yet tender screen romance against a pictorial background, will find something to satiate their appetites at the Capitol tonight and Saturday.

It is Metro-Goldwyn-Mayer's screen version of the famous musical play, "Rose Marie," in which Joan Crawford has the title role and James Murray is seen in the romantic, and mysterious young man who descends from the north woods into a fur trading post, starting trouble for everybody, including himself.

"Rose Marie" has been filmed against the beauty spots of the West—the Feather and Merced Rivers, Yellowstone National Park, Canadian and American Rockies and Las Turas Lake, which lies high in the lap of the Santa Monica Mountains in Southern California. Better scenery than that could not have been secured anywhere for a logical picture story.

Joan Crawford, whose screen work during the last two years can be described best as "marvelous," outdoes her other performances in the title role of this production.

James Murray, rather new to the screen, gives a remarkable performance as Jim Kenyon, the romantic young murder suspect. The remainder of the large cast also do good work.

FLUTE ARTIST WINS PRAISE

A. H. Nachbar, popular flute player with the Rupert Capitoliens, received an outstanding reception Wednesday and Thursday at the Capitol on his rendition of a delightful solo number, "La Favorite de Vienna." Mr. Nachbar's technique was given a rare test in this difficult number and his interpretation of "La Favorite" brought forth rounds of applause.

Capt. W. P. Armour, manager of the Prince Rupert Salvage & Towing Co., sailed last night by the Prince Rupert on a ten day business trip to Vancouver.
