MEXICAN REVOLUTION AT END

AIRPLANE MAKES GOOD PROGRESS TO SOUTH

Plane Forced from Route by Fog Is Making Progress

ATLIN, April 30. — The Cessana monoplane arrived here with a seven-cylinder 110 h.p. Warner Scarab engine hitting perfectly on all seven, piloted by Parker D. Cramer and accompanied by W. G. Gamble. The plane landed here at 7:15 last night from White Horse on a record round trip flight from Wichita Kansas to Nome and Siberia and is returning to New York via Hazelton, Prince George, Edmonton, Regina, Minot, Minneapolis, Chicago and Cleveland. The plane left here at 8:45 this morning and expects to reach Prince George or Jasper tonight and New York May 2 or 3 weather permitting.

During the flight from Fairbanks yesterday the plane encountered several fog banks, compelling a change of course, necessitating landing at Taylor and Drury's Post on Teslin Lake, Yukon, where it refuelled and proceeded to White Horse, arriving at 4 p.m.

The route taken from Atlin to Hazelton will be along the old trail of '98, paralleled by the Yukon telegraph line, which is an inestimable aid in giving weather conditions, and the right-of-way of which is plainly visible, many places acting as good land marks.

Cramer and Gamble express having received admirable treatment at all landing places.

Power Plant Turned in to City as Profit in Eighteen Years Sum of Eighteen Thousand Dollars

The report of the city treasurer made last night to the city council shows that references to the utilities having poured money into the city treasury were all flights of imagination. The actual amount paid into the city during eighteen years of operation was \$18,358.88, yet surpluses were shown each year except the first, the total surplus on paper being \$201,885.76.

Mayor McMordie explained that the surplus claimed was partially wrong. The money was used in making purchases for the department and charged to capital when much of it should have been charged to replacement. He said the report on the telephone system would be forthcoming soon. Following is the treasurer's report:

PROTEST AT TREATY WITH THIS COUNTRY

Independent Salmon Canner Thinks He Sees Death of Independents

SEATTLE, April 20.—The treaty recently signed by representatives of the United States and Canada which awaits only the ratification of the United States senate and the Canadian parliament means bankruptcy and confiscation of property for the independent salmon packers of Puget Sound is the prediction of Frank Wright, pioneer salmon cannery operator of Lummi Island.

The treaty will place the industry under the despotic rule of international commission, which means that big companies will be given all the advantages and the independent packers will be squeezed out as they were in Alaska, Wright said.

COMBINES INVESTIGATION

OTTAWA, April 30:—The Combines Investigation Act and section 498 of the criminal code were upheld in a judgment given by the Supreme Court today.

Gentlemen—In connection with your request for a report on the light department with respect to general revenue, I beg to advise that according to the city books general fund is indebted to the department in the sum of \$18,358.88. This might reasonably be put up as a set off for taxes, rental or franchise up to 1922, because up to that date there were no charges made for that purpose.

The total capital expenditure as shown by the auditor's report was the sum of \$563,360.75, and the amount of bonds sold was \$343,000.00, from which should be deducted the loss on the sale amounting to \$41,585.89, leaving \$301,414.41 as the net amount to be applied against capital expenditure. The difference between (Continued on page eight.)

COUNTESS KILLED, CAR OVERTURNED

LONDON, April 30.—Countess Powis was killed on Monday near Tweester when the car in which she was riding skidded and overturned. She was the wife of the fourth Earl of Powis.

MADE SCENE IN COMMONS LONDON, ENGLAND

LONDON, April 30:—"Down with the government of murderers. Down with the persecutors. Down with the Simon commission." Shouting these words at the top of their voices a man and a woman on Monday interrupted the proceedings of the House of Commons from the public galleries. They flung a huge bundle of leaflets over the heads of the startled members. They were finally ejected. Both were well known Communists.

TO PROHIBIT POISON GAS TIME OF WAR

Canada One of Nations Which Agrees to Sign Protocol

GENEVA, April 30.—On behalf of Great Britain, Australia, South Africa, New Zealand and the Irish Free State, Lord Cushendun, British under-secretary for foreign affairs, announced in the league's preparatory disarmament commission today that these nations of the Empire would ratify the Geneva protocol of 1925 prohibiting the use of poison gas in war, providing other powers also ratified the treaty.

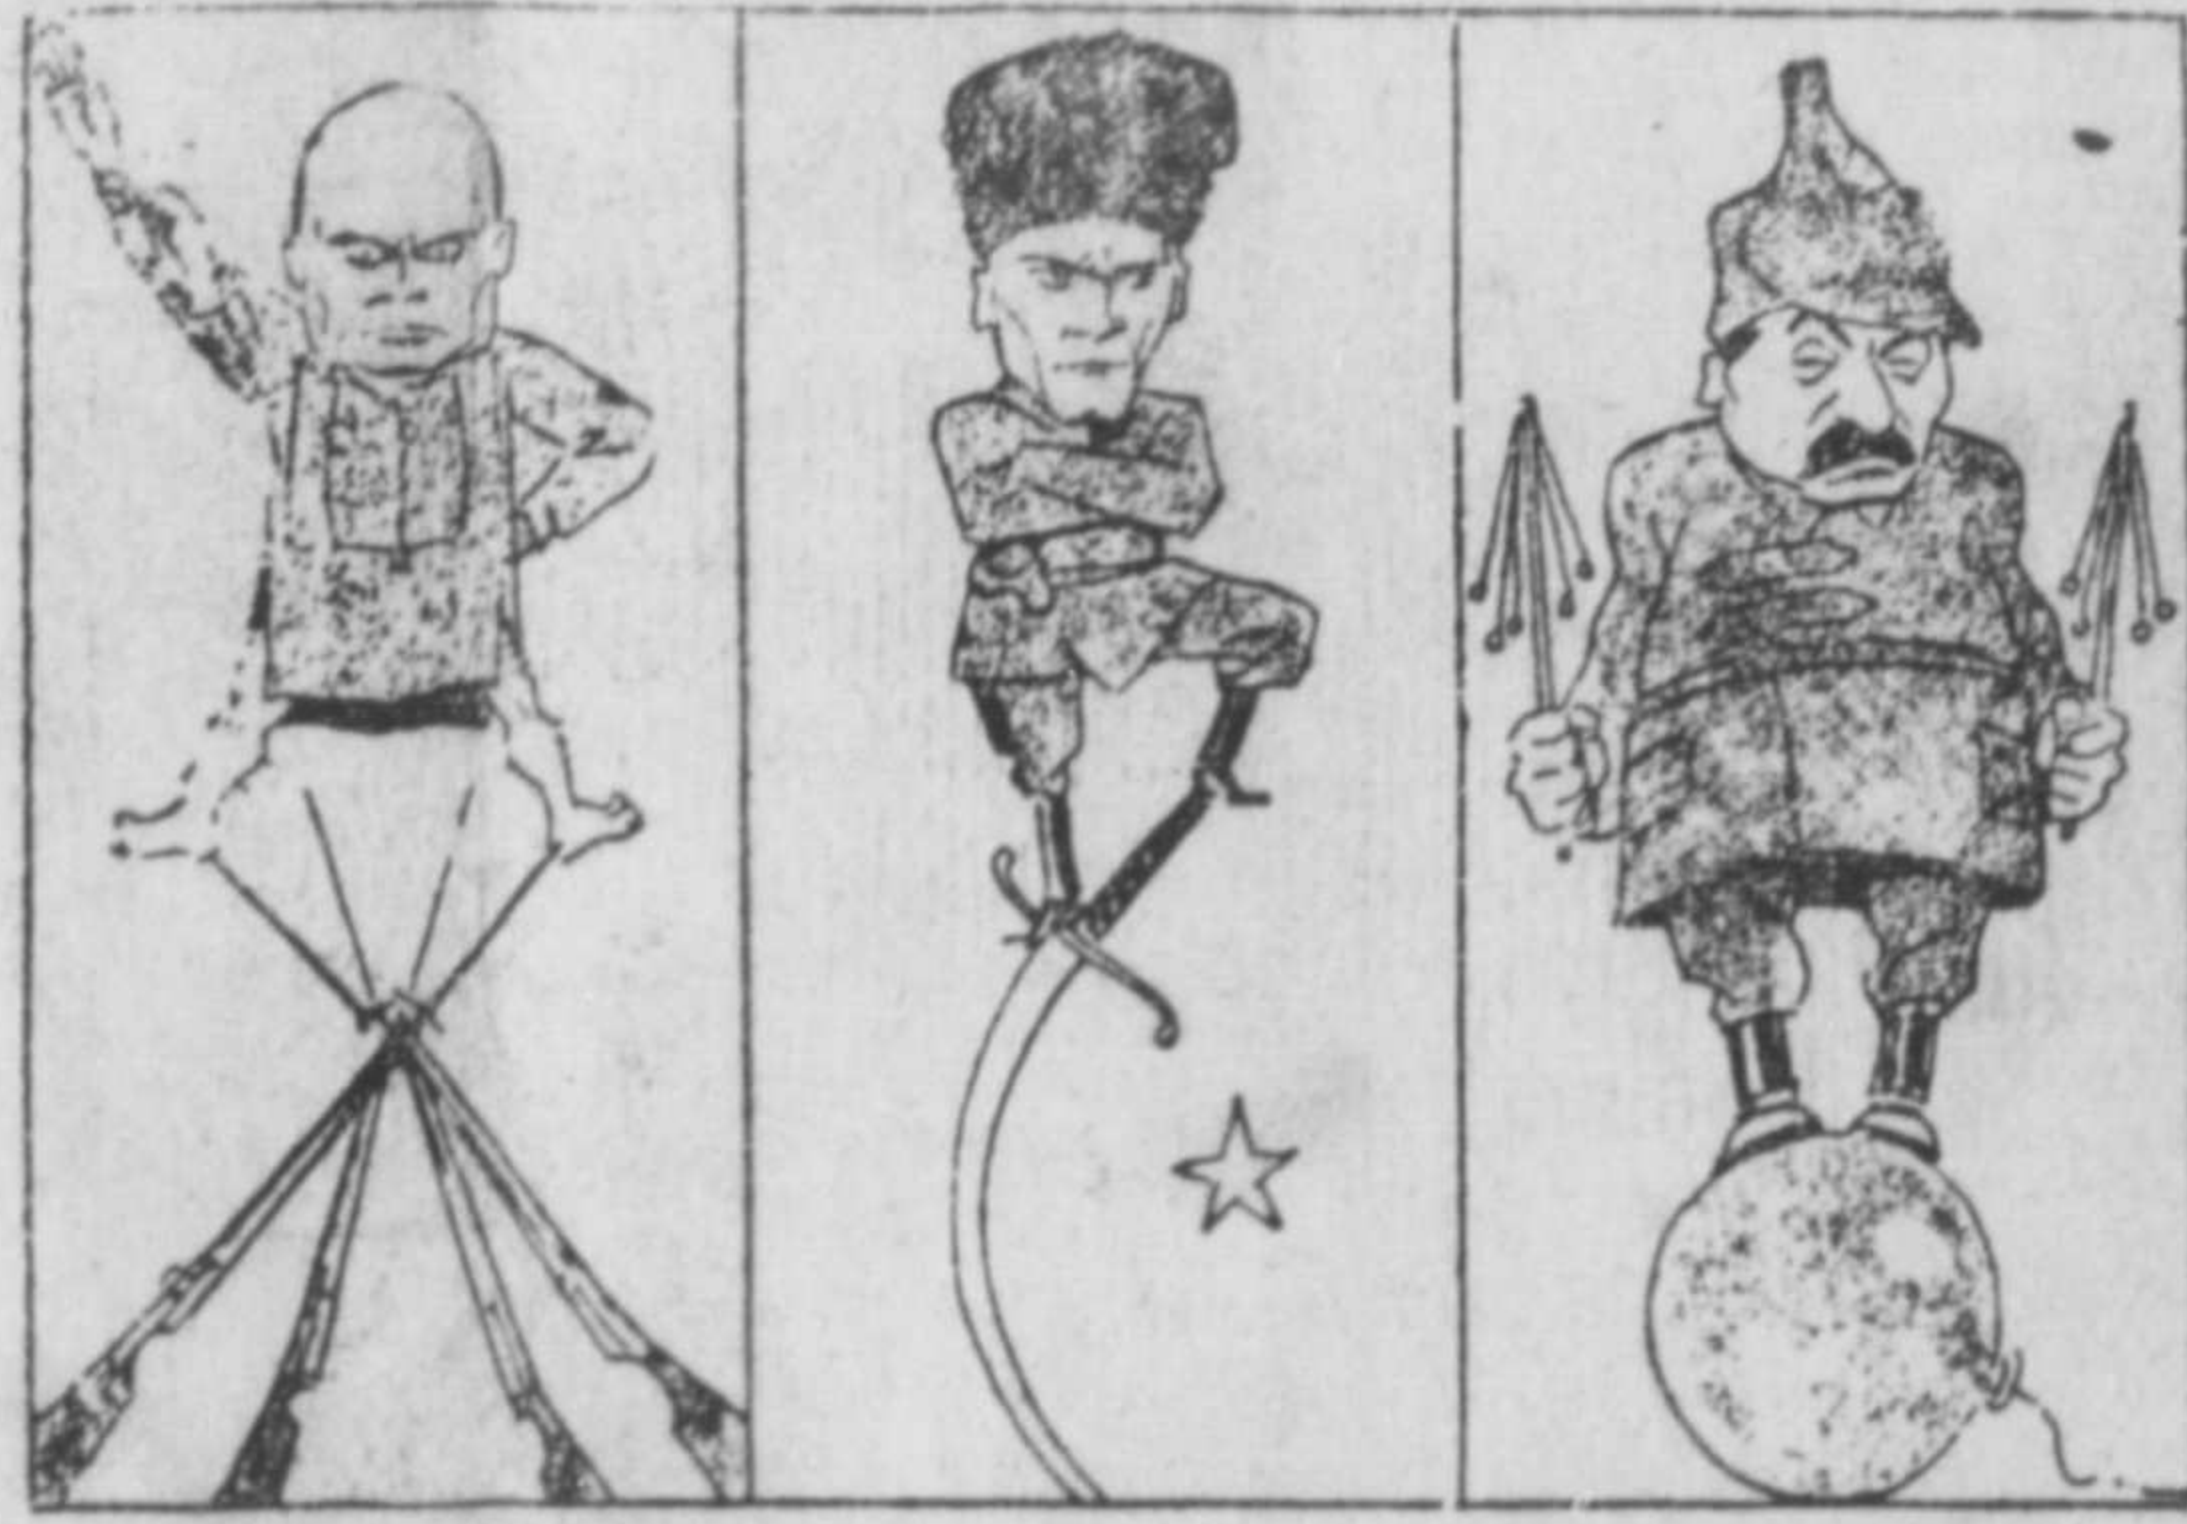

Dr. W. A. Riddell, Canadian advisory officer at Geneva, announced that the Canadian government intended to submit to parliament a proposal to ratify the protocol, subject to reciprocity similar to that with Great Britain.

MURDER AND SUICIDE AT FORT WILLIAM

FORT WILLIAM, April 30.—Driven to desperation by domestic discord, Mike Walchin, 30-year-old paper maker, today strangled his three sons and later committed suicide by throwing himself in front of a freight train. His sons were Charles, aged 7; Francis, aged 5; and Nora, aged 2. The mother, it is stated, left Walchin some time ago. She was formerly Miss Beatrice Clark, an English girl. Walchin was a Galician.

Discovery of the triple killing came after the discovery of the father's mangled body on the tracks. Choked to death by the silken scarf which had belonged to their mother, the three boys had been killed deliberately one after another, according to a letter left by the father, which gave the gruesome details of the killing, mentioning that the two-year-old baby awoke while the others were being choked and whimpered, "Ma, ma, ma, ma."

PRICE OF WHEAT VANCOUVER, April 30:—The price of wheat today here was \$1.18 1/2.

Revolution in Mexico Appears to Have Blown Up Leaders in United States

NOGALES, Sonora, April 30.—With many of its leaders on United States soil today, the Mexican revolution is fast turning into a war of guerilla bands. Demoralization of the west coast army under General Francisco Topete, former governor of Sonora, was completed yesterday with the surrender of Colonel Miguel Guerrero and 500 soldiers to the federals at Ortiz, Sonora, and the flight of Topete, others of his staff, and Captain R. H. Polk, American leader of the rebel air forces, to the United States.

IS COMMITTED FOR TRIAL ON BRIBERY CHARGE HERE TODAY

Mrs. Maude Wicks, charged with bribing a police officer, was committed for trial by Magistrate McClymont in city police court this morning. The woman was immediately taken before Judge P. McB. Young in County Court where she elected for speedy trial and pleaded not guilty. The taking of evidence commenced this morning and adjournment in the case was taken until 2:30 this afternoon.

The Packer Klemtu Cannery Struck a Rock and Sank in Grenville Channel Last Evening

The fish packer Klemtu Cannery, attached to Klemtu cannery, which is operated by R. G. Johnston and associates, struck a rock in Grenville Channel, south of Prince Rupert, last evening while bound from Inverness to Klemu and sank in shallow water. The accident occurred while Mr. Johnston and Capt. Norman Brodhurst, skipper, were below at supper. The forefoot was shattered and the vessel sank quickly, those on board taking to the life boats and making for shore, where they camped.

Word of the accident was brought to Prince Rupert and the Pacific Salvage Co. despatched the Salvage Princess with salvage equipment at 11:30 p.m. to the scene. While the vessel is covered at high water, it is expected that salvage can be successfully negotiated.

The Klemtu Cannery is a new boat, having been built two years ago. She is about forty feet long and is equipped with a 40 h.p. full diesel engine.

WILLIAMS PLANE IS COMING NORTH AGAIN

Big Vickers Viking Amphibian Will Resume Aerial Prospecting in Stikine River Area

The big Vickers Viking amphibian plane, which was flown out of Prince Rupert by Col. J. Scott Williams a few years ago into the Cassiar district, will come north again under new ownership this summer to engage in further aerial prospecting in the Stikine area, according to word received from Vancouver.

OBJECTION TO RETALIATION

Sir John Aird, President of the Bank of Commerce Gives Views

EDMONTON, April 27:—That he was absolutely opposed to tariff retaliation on the part of Canada in case the United States policy appears unfriendly, was stated by Sir John Aird, president of the Canadian Bank of Commerce when seen here.

"If the new United States tariff is unfriendly, then Canada should look to means of building up her outside trade," said Sir John. "This should lead to greater development of inter-empire and also a larger volume of business with foreign countries."

"No, I do not believe in a retaliatory tariff against the United States," said Sir John. "We must remember that the government of that country changes every four years and while one in power now may be unfavorable to us from a tariff standpoint, it might be succeeded by one that would be favorable. Canada can get along without a retaliatory tariff, anyway and we can continue to remain on a friendly footing with our southern neighbors."

HOWEY HONORED

NEW WESTMINSTER, April 30:—Judge F. W. Howey has been advised that he has been elected a fellow of the Royal Historical Society of London, England.

HUGE DEFICIT OF C. N. LINES

Announcement of Total Losses Since Railways Were Built

OTTAWA, April 30.—The corporate deficit of the Canadian National Railways amounts to \$472,200,137, representing the accumulated deficits of all constituent roads which were taken into the consolidation and going back as far as the creation of the Intercolonial Railway. This was stated today to the house parliamentary committee investigating the accounts and estimates of the Canadian National by Sir Henry Thornton.

This sum would be taken into consideration when the problem of refinancing and the recreation of the financial structure of the National lines was presented.

MINE MARKET IS IMPROVING

VANCOUVER, April 30.—There is an improvement in the mining market during the past few days, especially in those controlled by Premier. Premier himself is up and so are Porter-Idaho and Silverado. National Silver has shown an advance and Topley-Richfield has made good gains.

MANITOBA MAN DIES

WINNIPEG, April 30:—After half a century as sergeant-at-arms in the Manitoba Legislature John McDougall, aged 83, died at his home at Lockport, Manitoba, today.

New York Yankees only in Third Place this Season so far Result of Losing Four League Games

NEW YORK, April 30.—The flying start that carried the Yankees to three consecutive pennants is lacking this year. They are in the third place with five wins and four defeats. Philadelphia, the chief sufferers from the Yankee scourge last year, are gaining some adequate revenge. Yesterday they fell on Henry Johnson and Gordon Rhodes for eight big hits to down the champions 10 to 1. Max Bishop got five straight bases on balls and scored three times.

Behind good pitching by Sam Gray, St. Louis still trailed the Athletics by defeating Detroit. Chicago hoped all over the four Cleveland pitchers.

In the National League, Chicago couldn't do much with Pete Donohue except in the sixth inning when they bunched five for four runs to beat Cincinnati. The Cardinals eked out a victory over Pittsburgh.

EDMONTON GIRLS BEAT VANCOUVER AT BASKETBALL

 EDMONTON, April 30:—In an exhibition basketball game here last night the Commercial Grads defeated the Vancouver Meralomas girls team 59 to 20.

SENIOR SOCCER THIS SEASON IN BALANCE

Thistles to Meet Tonight to Decide Whether or Not They Will Enter

Whether or not Senior League football is to be played in Prince Rupert this summer may hinge on a meeting of the Thistle Football Club which is to be held tonight. Regiment and New Empress are already entered but it is not likely there will be any Senior League unless the Thistles or some third team comes in. Whether or not the Thistles will enter will be decided at this meeting.

Broccoli is the staple vegetable of Italy. Its great, coarse, green leaves and white stems come submerged in soup.

WOMEN ATHLETES TO COMPETE IN ENGLAND

Below, left to right, are Glenna Collett, American golf champion, and Helen Wills, World's tennis queen, who sailed for England recently on the Aquitania to take part in a number of important competitions. Miss Wills incidentally is to be presented to the King and Queen. Above left to right, Betty Nuthall, the English lass, who is credited with even more speed than Helen; and Joyce Wethered, the English golf champion who is back in the competitive race.

KING'S HORSE WON

NEWMARKET, April 30:—The King had his first racing success of the season today with the victory of the horse Magnabonum in the Thurlow Welter handicap of over a mile and a half.

WINDSOR WON BASKETBALL WESTMINSTER

Canadian Champions Took First of Two-Game Series

NEW WESTMINSTER, April 30:—The Windsor Collegiate Alumni, holders of the Canadian basketball championship, and the eastern winners this year, worked their way to a 28 point victory over the New Westminster Adanacs here last night in the first of a two game series. The total points count for the Canadian title.

Windsor displayed the nicest, smoothest and most deliberate basketball uncovered on a coast floor. They did not waste an effort. The Adanacs put up a brilliant battle against the eastern five and managed to break through to even the score at 18 all, but were unable to get the necessary points to win. The score at half time was Windsor 15, Adanacs 10.

ST. ANDREW'S BOWLING

J. McLean Rink Had Easy Win Last Night Over Charles Taylor's

J. McLean's rink had an easy win last night over Charles Taylor's in St. Andrew's Society carpet bowling. But one game remains to be played on the schedule, this between J. Frew and B. Dalgarno rinks on Friday night. Dalgarno's rink has cinched the league honors.

PROMINENT FIGURES IN SPORT

Written Especially for the Daily News by the Sports Editor

DENTON T. YOUNG

Who Set Big League Pitching Records

Denton T. (Cy) Young, ranked as one of the greatest figures in the history of Big League baseball, in a career of 22 years, set up three pitching records, the equalling of which is a remote probability. He was in the box for 873 games of which he won 511. The nearest approach to this record was made by Walter Johnson, the Washington star, who was nearly 100 games below Young's mark in two years' less service. Another remarkable achievement by Young was the pitching of three no-run, no-hit games. He turned this trick on September 17, 1897, against Cincinnati, on May 5, 1904, against the Philadelphia Athletics, and on June 30, 1908, against the New York Yankees.

Born at Peoli, Ohio, in 1866, Young played with a semi-professional team at Canton and for a brief period with a minor league

club before making his Big League debut in 1890 with Cleveland in the National League. Brilliant pitching marked his work with Cleveland until the end of 1898 when he shifted to the St. Louis Nationals. After two years with that team, he went to the Boston Americans with whom he spent eight years. In 1909 he went back to Cleveland, then in the American League, and in 1911 was with Boston Nationals with whom he finished his career, retiring to the farm at Peoli where he was born. He was a great favorite with the fans and also with league and club officials, being a player who never caused trouble.

Asked the secret of his success and endurance, Cy usually answers that he does not know whether it is due to farming, woodchopping, chewing tobacco or moderate indulgence in the brew of the hops.

Sport Chat

Max Schmeling and Paulino Uzcudun have been matched over the fifteen-round route in New York on the June Milk Fund charity card and the boys are preparing to smoke this into another Battle of the Century, writes Andy Lytle in the Vancouver Sun. The show lends itself to immense and intense ball hockey for sweet charity's sake. Arthur Buelow was the German's Strictly on its merits, if any, the fight doesn't rate quite as high as the Sharkey-Stribling, moan however, this fight with Paulino, in Miami and everybody has that one figured a flop by this time. Schmeling may be a real champion. But he's in the almost unknown class. Uzcudun is tough, rough, ready but ruinous from a point of view. He's in any cut-rate cauliflower store

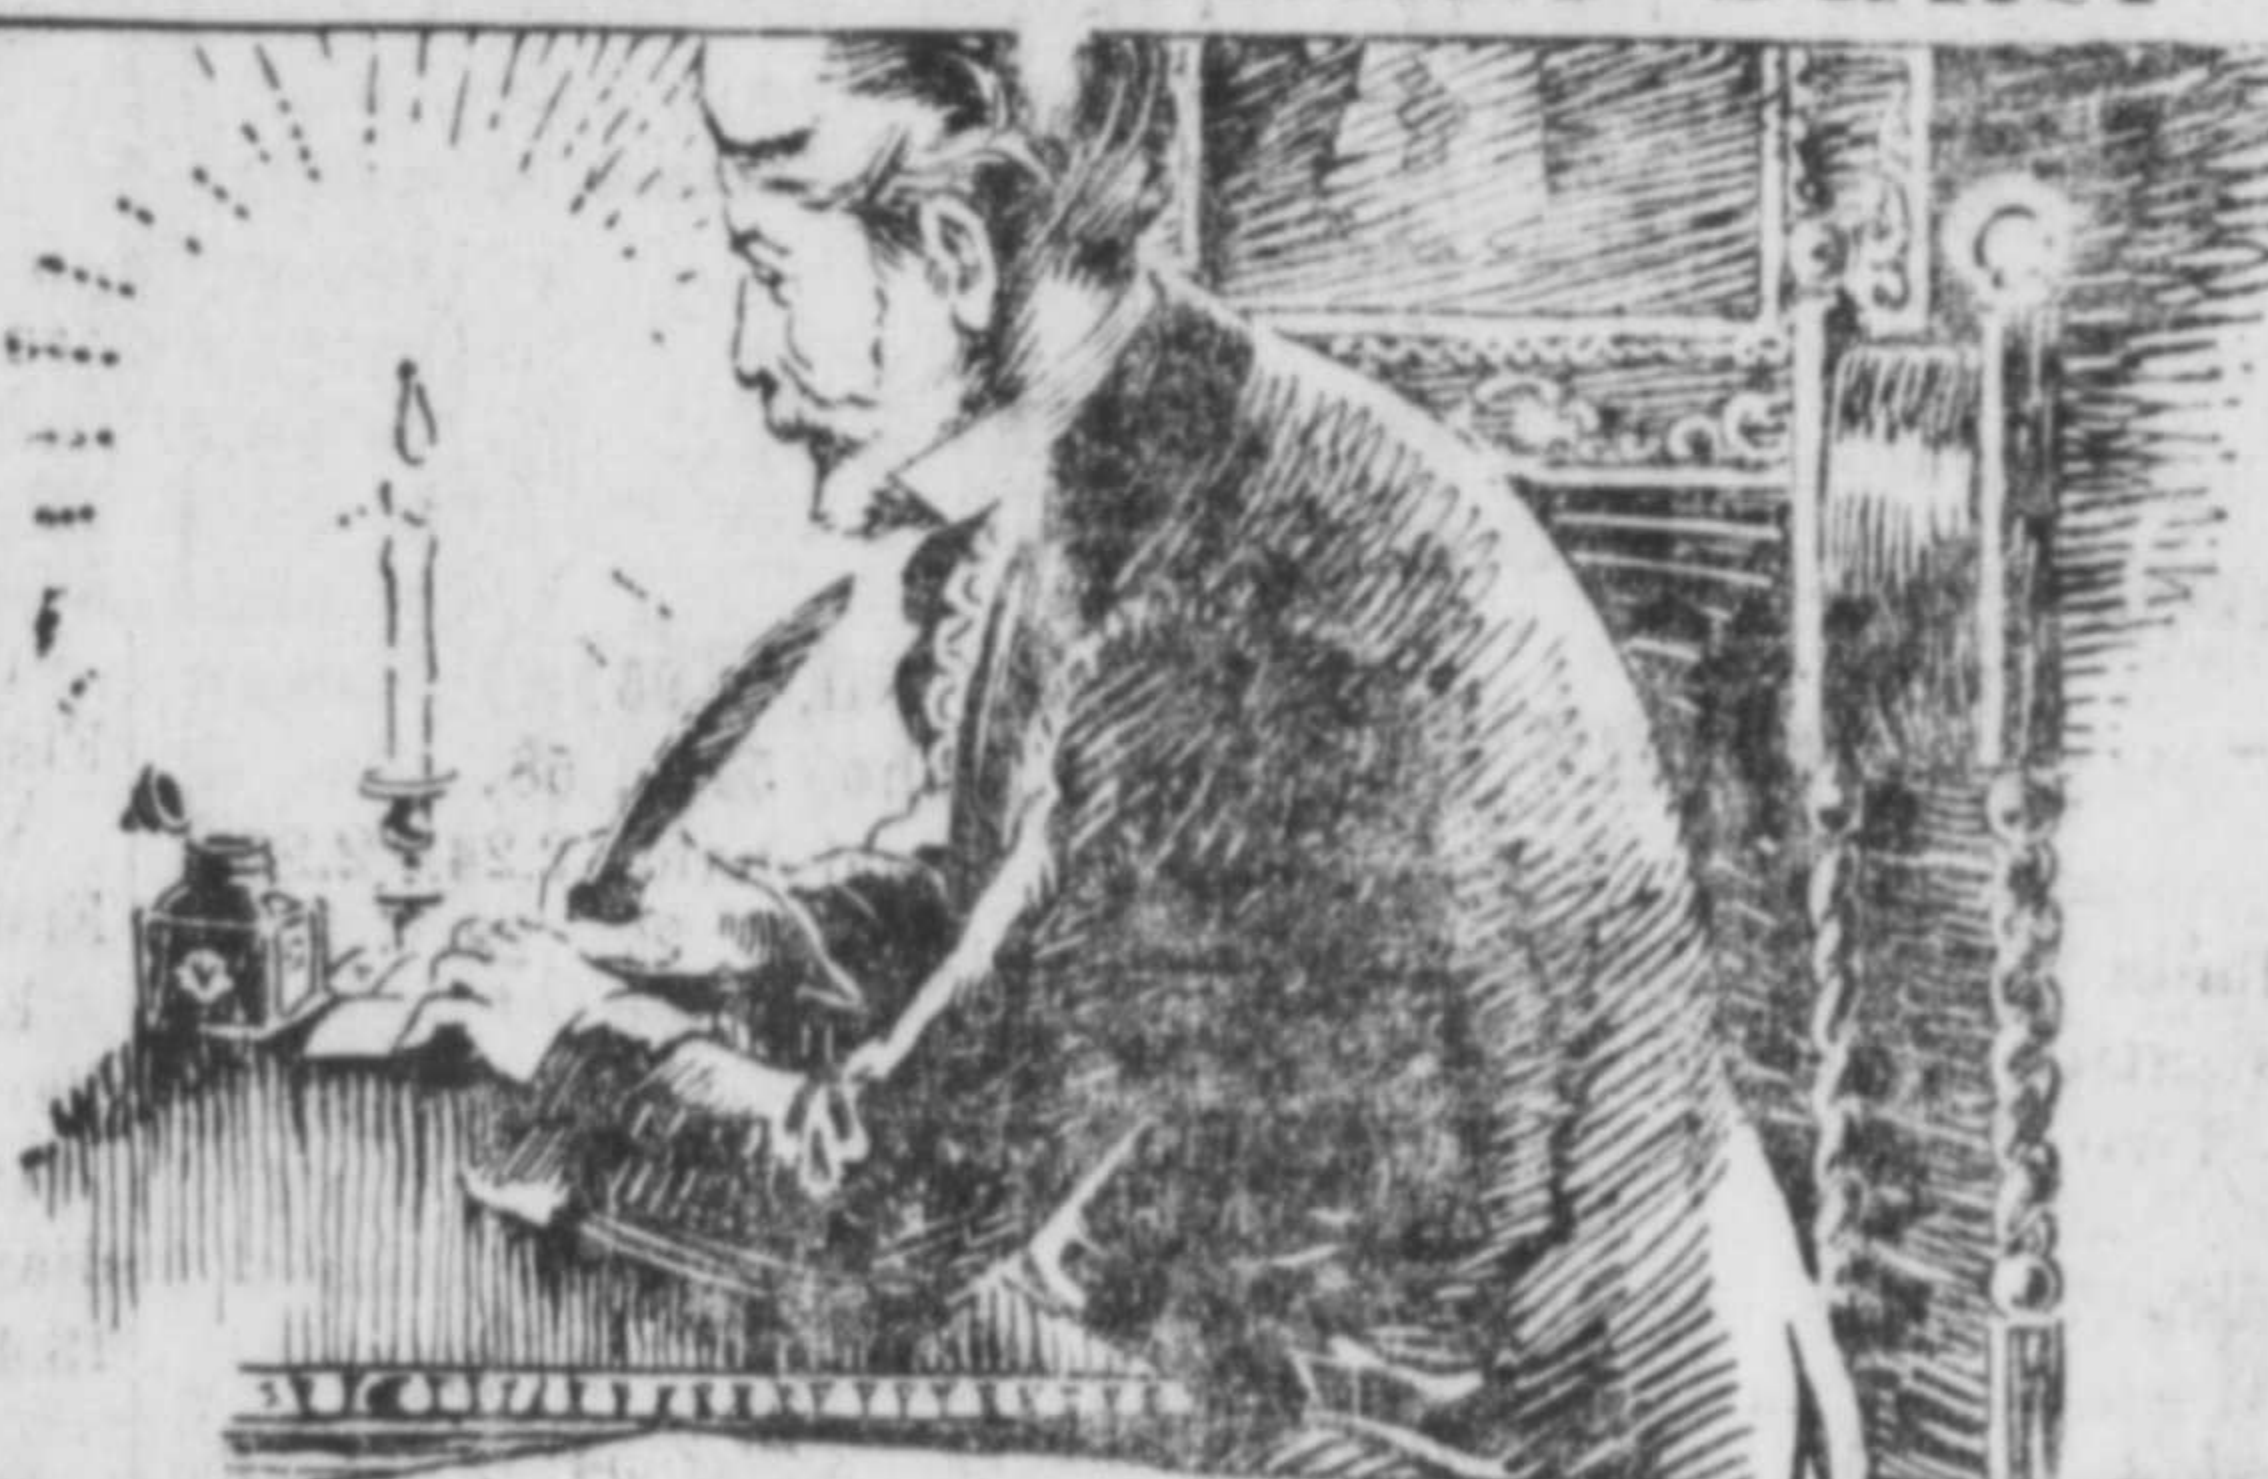

another Tom Heenev but the boys point with pride to his record of 40 knockouts in 46 fights. What of that? Who did he lick? Stribling's K.O.'s mount into three figures. What of it? They were palookas and set-ups from Stickville Hollow

To get Schmeling in with the Bounding Basque it was necessary to wipe out and off half a dozen managerial morons and also to appease the boxing Dukes self to immense and intense ball hockey for sweet charity's sake. Arthur Buelow was the German's Strictly on its merits, if any, the fight doesn't rate quite as high as the Sharkey-Stribling, moan however, this fight with Paulino, in Miami and everybody has that one figured a flop by this time. Schmeling may be a real champion. But he's in the almost unknown class. Uzcudun is tough, rough, ready but ruinous from a point of view. He's in any cut-rate cauliflower store

POLICE COURT FINES HEAVIER THIS MONTH

But Total for 1929 to Date Is Still Considerably Lower Than First Four Months of Last Year

Though fines collected in city police court during the month of April, closing today, amounting to \$746, were heavier than the total for the first three months of the year and considerably in excess of the \$629 so collected during the month of April last year, the total for the first four months of 1929 now amounts to \$14,29.50 or considerably less than the \$2174 in the first four months of last year.

SALVATION ARMY Y. P. OFFICERS

George Almon Re-elected to Head Organization for Another Two Months

The Young People's Legion of the Salvation Army last night elected officers as follows for the coming two months:

President—George Almon, re-elected.

Secretary—Mrs. William Kerr.

Treasurer—Jack Mowatt.

Chaplain—Capt. E. Anderson.

Games committee—Edith Leek, Annie Smith and Jessie Brand.

Refreshment committee—George Almon, Captain Anderson, Frank Pierce and Annie Smith.

It was decided to have members of other young people's groups of the city guests of the Salvation Army Legion once a month.

There was a good attendance at last night's meeting. After the business session games were played and refreshments served.

for Thin Blood

WELL KNOWN COUPLE WED

Mrs. Mary Lawrence Became the Bride of Percy Cameron at Quiet Ceremony This Afternoon

The wedding took place quietly at 2 o'clock this afternoon at the rectory, Fourth Avenue East, Rev. J. B. Gibson officiating, of Mrs. Mary Lawrence and Percy Roy Cameron, son of Mrs. Alice Cameron of this city. The nuptials came as a surprise to many friends. Mr. and Mrs. Fred Cameron attended the couple.

After the ceremony, there was a reception at the home of the groom's mother, Eighth Avenue East, where friends offered their congratulations and best wishes before Mr. and Mrs. Cameron sailed on the steamer Catala for Vancouver, Victoria and Seattle on a two week's honeymoon trip. They will return to the city to take up residence.

Both Mr. and Mrs. Cameron are well known and popular residents of many years' standing in Prince Rupert. The groom is the head of the Cameron Transfer Co. and secretary of the Moose Lodge.

Short of Breath Smothering Feelings Choking Sensation

Mrs. H. Day, Dartmouth, N.S., writes:—"For over a year I was troubled with smothering spells and shortness of breath, and it was impossible for me to walk, even a short distance, because of the choking sensation which followed."

After trying many treatments, in vain, I at last decided to try

and in a surprisingly short time they did me much good.

Price 50c per box at all druggists or dealers, or mailed direct on receipt of price by The T. Milburn Co., Ltd., Toronto, Ont.

HALIBUT FOR APRIL MONTH

Landings Much Same as For April Last Year But Less Per Boat

Halibut landings at the port of Prince Rupert for the month of April, ending today, totalled 3,386,000 pounds as compared with 3,432,600 pounds in April, 1928 and 2,823,000 pounds in March this year. During the month 166 American boats landed a total of 2,466,900 pounds as compared with 140 boats and 2,362,700 pounds in the same month last year. There were 132 Canadian bottoms in this April as compared with 117 last year but the total fares are down to 919,100 pounds as against 1,069,900. The average fare per boat for both the American and Canadian fleet is thus lower than it was last year, due possibly to unfavorable weather during the early part of the month.

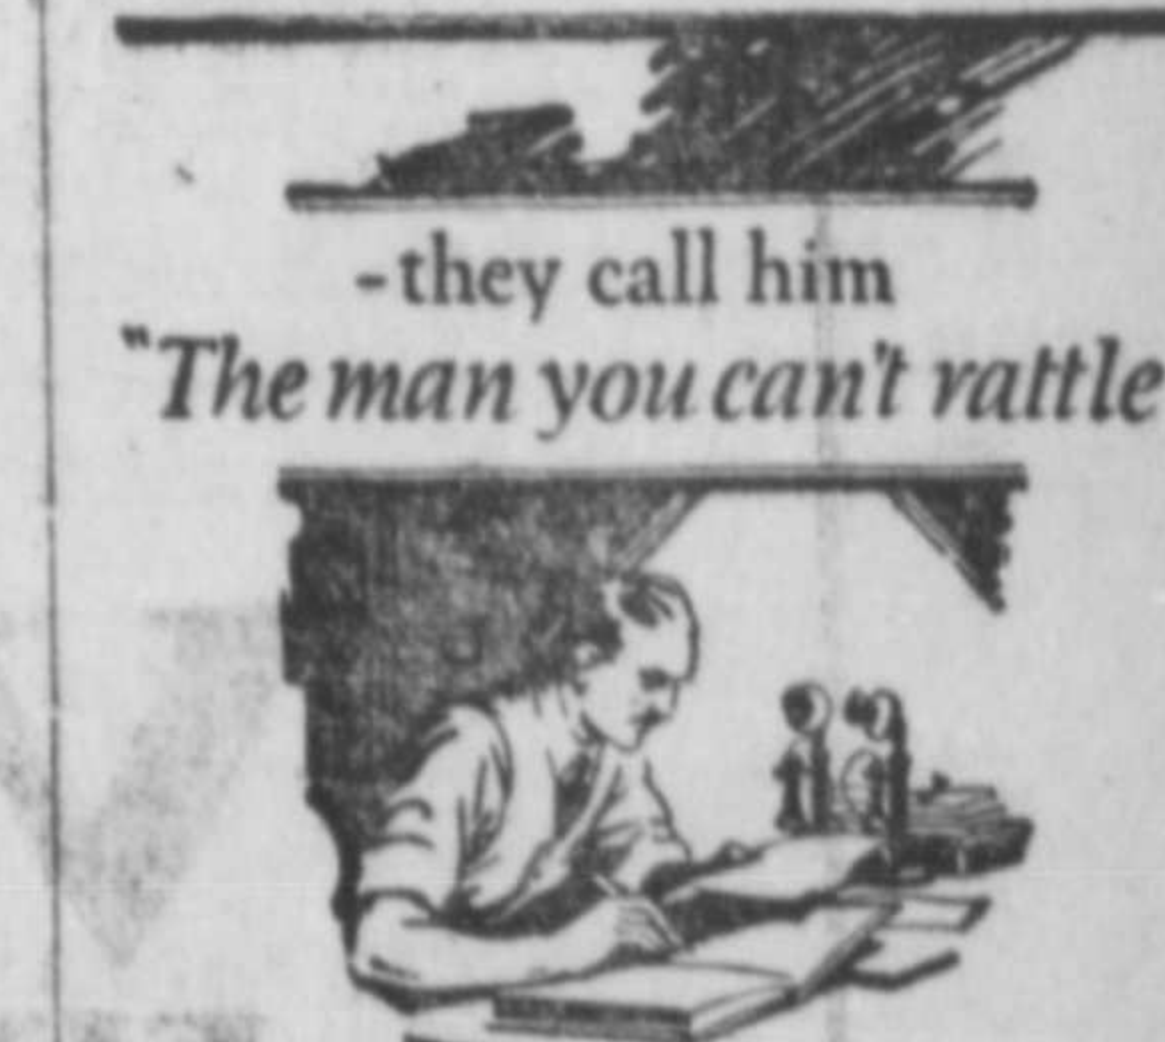

Landings today aggregated 168,000 pounds of which six American boats sold 133,000 pounds at 12.4c and 6c to 13.8c and 7c while five Canadian boats landed 35,000 pounds for 11.5c and 6c to 11.9c and 6c.

Today's sales:

American
Atlantic, 34,000 pounds, Booth Fisheries, 12.4c and 6c.
McKinley, 34,000 pounds, Canadian Fish & Cold Storage Co., 12.4c and 6c.

Yakutat, 26,000 pounds, Pacific Fisheries, 12.4c and 6c.
Vancouver, 24,000 pounds, Royal Fish Co., 12.4c and 6c.
Eastern Point, 5,000 pounds, Pacific Fisheries, 13.8c and 7c.
Don Q., 10,000 pounds, Canadian Fish & Cold Storage Co., 13.4c and 7c.

Canadian
Velma C., 6,000 pounds, and Inez H., 10,000 pounds, Atlin Fisheries, 11.7c and 6c.
Emblem, 12,000 pounds, Canadian Fish & Cold Storage Co., 11.9c and 6c.
Drott, 4,500 pounds, Atlin Fisheries, 11.6c and 6c.
Ruth, 2,500 pounds, Booth Fisheries, 11.5c and 6c.

Many successful business men regularly use Wrigley's. The act of chewing has a soothing effect. The healthful cleansing action of Wrigley's refreshes the mouth—gently stimulates the flow of the natural juices—steadies the nerves—helps digestion.

DAILY EDITION Tuesday, April 30, 1929

UNITE ON THE ROAD

Liberals and Conservatives have everything in common when it comes to advancing the interests of Prince Rupert or any part of the northern district. Nothing should be allowed to stand in the way. Just now we urge Liberals to unite with local Conservatives in doing their best to secure the pushing forward of work on the road.

Had there been a choice as to which route it should take, we have always favored that along the river to connect with the canneries. If, however, it is found to cost more than the other and that to go would be likely to hold the work back, we say "Let us have the road, no matter what the route."

FINE YOUNG PEOPLE

Prince Rupert is raising a fine lot of young people, boys and girls who are destined to make names for themselves. On Saturday evening one of these distinguished himself in the matter of oratory. Others will become prominent in other directions. Anyone who sees these young people growing up and knows anything of them, knows that many of them have plenty of ability. With strong bodies and active brains they ought to do great things.

LAST GREAT RESERVE

Much ado is made in United States over the battle for control of the last great United States timber reserve in the Olympic peninsula. There is an estimated stand of something like twenty-five billion feet which is at present untouched. The timber is very fine spruce, cedar, fir and hemlock.

We are not concerned as to the outcome of the battle, but simply interested to know that this is practically the last stand of untouched timber in the state of Washington, if not in all the United States. British Columbia timber is bound to be greatly in demand in future and must be carefully conserved. It must also be mentioned that conservation does not come from keeping uncut, overripe stands of timber that should have been logged years ago. The whole timber is one for careful scientific study followed by vigorous action.

ADVERTISING LITERATURE

The federal department of the interior has just brought out a booklet designed for advertising the country among American tourists, which is a very attractive publication and should be useful. It is particularly well illustrated with pen and ink sketches. It is called "Vacations in Canada," a handbook of information for tourists and sportsmen. Regulations for sportsmen and touring motorists are included at the end.

CONGRATULATIONS

Congratulations to Conductor Brocklesby on the excellent work of the Prince Rupert Singers. There was general approval from all who attended at the Capitol Theatre last evening. If this is the beginning of a movement leading to a musical festival it is along right lines.

CAN HEALTH BE MEASURED WITH WEALTH?

A question asked by a Canadian

One of Winnipeg's prominent citizens (name if requested) wrote us asking if he could procure ALL-BRAN in Liverpool and other points in England. If not, he proposed carrying enough with him to cover his proposed trip abroad.

If he had to choose between a million dollars and ALL-BRAN, our correspondent stated in his letter he would "much rather do without the million". Like thousands of other Canadians, he realizes that Kellogg's ALL-BRAN is a necessity to health.

Many people do not know they have constipation, and accept fatigue and depression as a part of life until they try Kellogg's ALL-BRAN; then they, too, would rather "do without a million" than lose their new energy and keenness of enjoyment.

Kellogg's ALL-BRAN is guaranteed to relieve constipation. Eat two tablespoonfuls daily; in chronic cases that amount with each meal. Try delicious recipes on package.

Made in London, Canada, and sold at all dealers.

DELEGATION TO COUNCIL ASKS IMPROVEMENTS

Residents Across Hays Creek Want Better Access to Waterfront

At the meeting of the city council last night a delegation of residents across Hays Creek asked the city for improvements in that section of the city. Particularly, they asked for a road connecting either Ambrose Avenue or Sixth Avenue with the waterfront at the drydock, for the grading of Seventh Avenue and a cross street connecting Sixth Avenue and Eighth. The delegation consisted of George Casey, Miss Durran, A. H. McLeod, T. Ross Mackay and Jarvis McLeod.

George Casey, introduced by Alderman Macdonald, outlined what the delegation came for. He said he thought the time was overdue when an outlet to the waterfront should be provided. At present they had no access to the water without going down town. They had in that section the three major industries of the city—Cold Storage plant, the Big Bay lumber mill and drydock. The proposed road had already been looked over by some of the aldermen. It presented no particular engineering difficulties and would prove of service to the whole community.

Miss Durran asked for justice for Seventh Avenue. All the residents wanted it. She spoke of the cost of delivering coal at present which would be lower if the road was built.

A. H. McLeod said he had lived across the creek for 17 years and had paid taxes all the time. Other

CANADIAN NOMINEE FOR BRITISH HOUSE

Mr. Sigmund Samuel, President of the firm of Samuel & Benjamin, Limited, Toronto, has received the Conservative nomination for the Lichfield, Staffordshire, seat in the British House of Commons. He is a pronounced Imperialist and is interested in solving the unemployment problem. If elected, Mr. Samuel will make his home permanently in England.

portions of the city had been looked after before themselves. He thought it was time Seventh Avenue was put through.

Jarvis McLeod said he was interested in a road to the waterfront. Residents in that part of the city were handicapped because of the cost of coal and supplies. The work could be done economically while the equipment was on Ambrose Avenue.

The mayor promised the delegation earnest consideration.

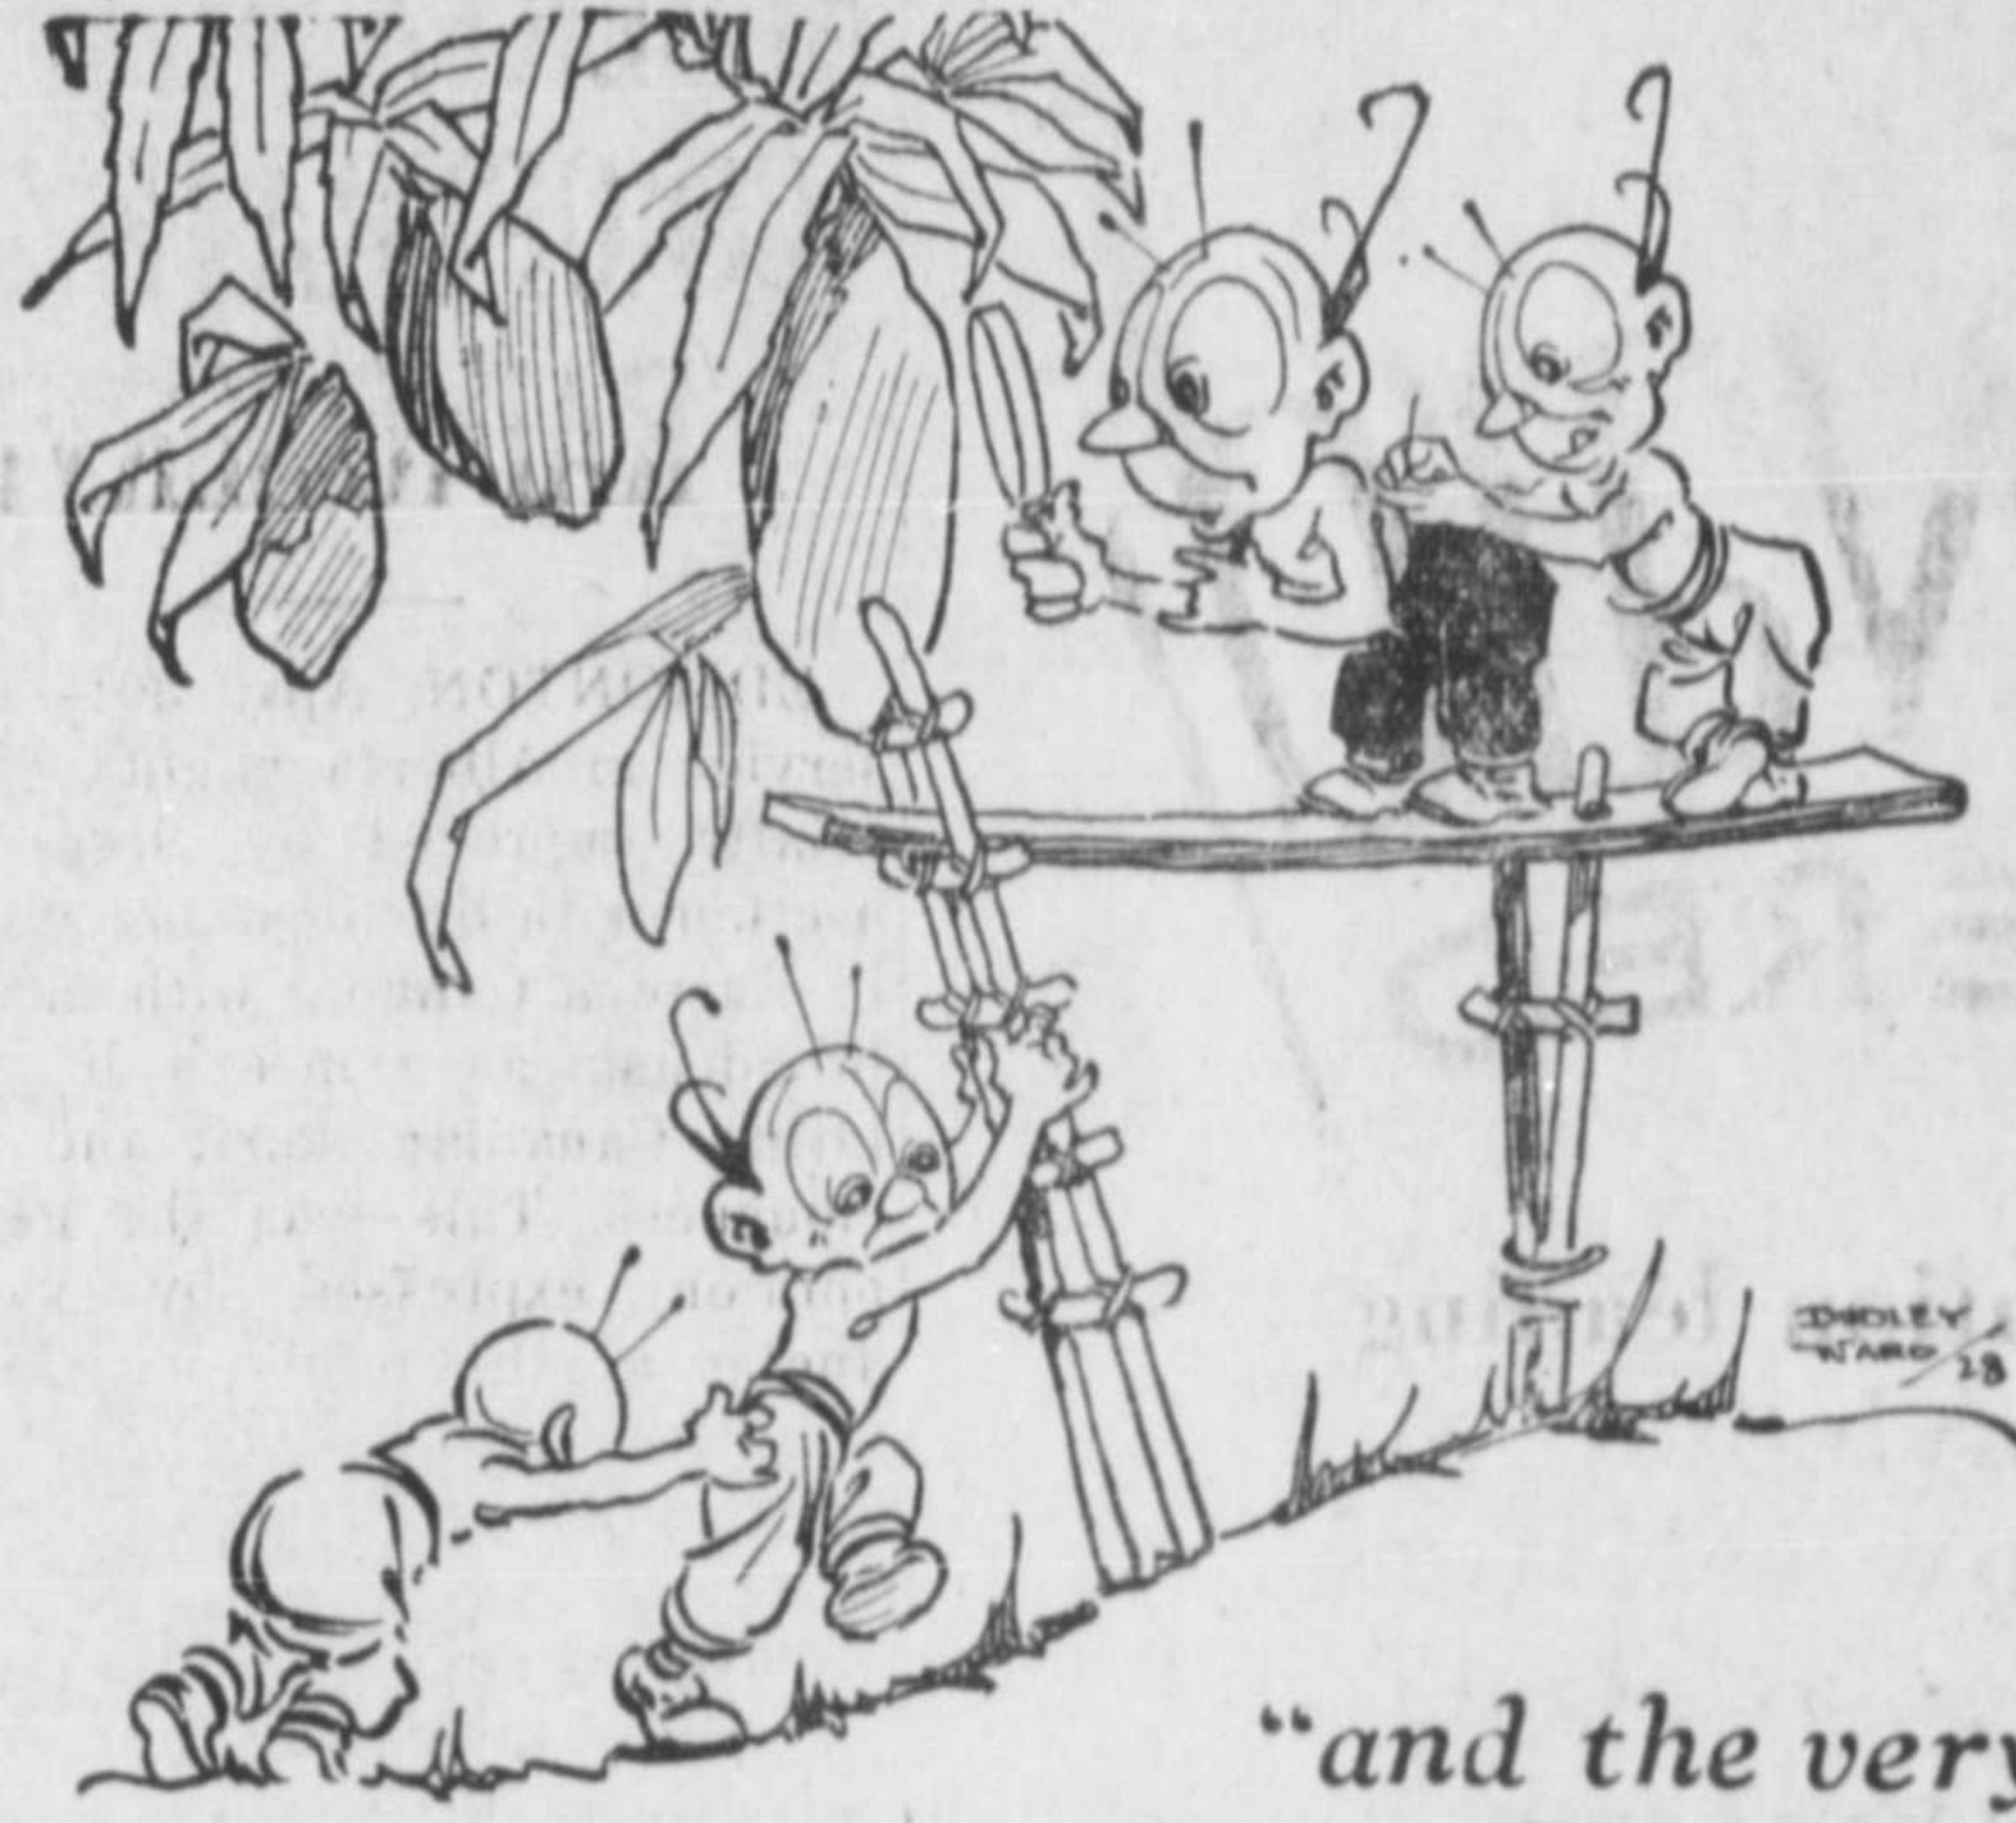

Alderman Collart moved that the matters be referred to the board of works and that an estimate be prepared of the cost of the road to the waterfront.

Alderman Macdonald said he had visited the site and thought the road should be built. It would help the fishing industry if the floats were built at that point.

Alderman Brown thought the road should be built from Sixth Avenue to the drydock, but there was no money in the estimates to provide for it. He pointed out to the delegation that when people said the district got nothing, the road to Saal Cove and Eleventh Avenue had been built out of general fund. There were many vacant lots in the district and on some of these, the taxes had not been paid. If the fish floats went through, he thought the road would be needed, but otherwise it would need further consideration.

J. Morrison said he felt sure the floats would be built near the drydock. He could not see any other possible site.

The resolution referring the matter to the board of works was then carried and the delegation retired.

"and the very finest Chocolate"

SPECIALLY selected cocoa beans and rich, creamy milk are used for the chocolate that coats the "King's Choice" Bar. Fresh pineapple and fresh

cocoanut, dipped in butter-scotch, form the filling. Truly a chocolate bar of distinctive flavor. Refreshing, satisfying, delightful. It touches the right spot.

Mackenzie Williams, B.Sc., Toronto, Ontario, Director; investment banker.

E. E. Campbell, M.E., Toronto, Ontario, Director; formerly Assistant General Manager Granby Consolidated Mining, Smelting and Power Co., General Superintendent United Verde Extension Mining Co.

NORDON CORPORATION LIMITED is a Canadian company, acquiring the property of Nordon Corporation and other valuable oil leases and royalties, deriving substantial present income from existing oil fields of the United States, directed by technical and practical talent of the highest order, which will largely devote its efforts to development of oil in the fields of Western Canada. Nordon Corporation had its inception early in 1928, to acquire exceptional opportunities in various oil districts of Canada and the United States under the guidance of Mr. C. G. Willis and associates.

PROPERTY HOLDINGS—Leases of 34,000 acres and royalty under 76,500 acres on seventeen distinct oil areas of the United States, and 10,000 acres in prospective valuable areas in Western Canada. United States royalty interests include portion of landowner's royalty in one of the finest leases in the Santa Fe Springs field of California. Five wells have been completed to recently discovered deep and very prolific sands, and thirteen more wells are drilling on the company's royalty acreage. In New Mexico, company owns royalty under 70,000 acres, in the latest producing oil area in the United States. In Texas, the latest major producing field in the United States, company owns leases on 7,500 acres in Midland county, part of which is now being drilled on acreage-division basis by some of the larger operating companies of the industry; leases on 1,500 acres in Crockett county, where 2,500 checked-out acres transferred on acreage-division basis, is being drilled by Marland Oil Co. and W. A. Moncrieff, and where within the past few days one well reached the sands and was balling at the rate of 288 barrels daily, with prospects that a big producer would be brought in; leases on 900 acres in Pecos county, on the Fort Stockton "high"; and leases on 1,000 acres in Ward county on the Soda Lake structure. In Oklahoma, one-half of royalty under 160 acres on top of a large core-drill structure in the Wilcox sand area, where Marland Oil Co. owns the leases on Nordon royalty acreage. In Kansas, acreage in the vicinity of the recent discovery just north of Wichita, Central Kansas. In Ohio, leases on 80 acres in eastern part of state, where a well within one mile has just come in with yield of 100 barrels of high gravity Pennsylvania crude. Other royalties and leases are under option or negotiation in Santa Fe Springs field and in other fields in Texas and New Mexico.

PRESENT REVENUES—Royalty revenue from five wells in Santa Fe Springs field will presently be at rate of \$300,000 per annum, and rate is expected to reach \$500,000 per annum before the end of this year, as thirteen more wells are being drilled on royalty leases. Further revenues are expected from Texas and New Mexico fields from wells now drilling.

FINANCES—Upon completion of this present financing the company will have in excess of \$1,100,000 in its treasury.

INTENSIVE CANADIAN OPERATIONS—The immediate objective of the Corporation is large expansion of its operations in the prospective fields of Western Canada, where its staff, in possession of valuable geological data, believes some of the most important structures on the continent may be developed.

PRINCIPLES OF OPERATIONS—The principles which have been and will be followed by the Corporation in building up revenues necessary for execution of its policies, used with marked success by the great royalty companies of the United States, will be rigidly adhered to, thus eliminating, in largest measure, drilling operations—the most costly and most hazardous branch of the industry. Leases and royalties will be negotiated over a wide spread, thus minimizing hazard of loss and increasing the chances of big success.

The Corporation is not a drilling company and will confine its operations in that direction solely to offset drilling where such operations are imperatively demanded in protection of its holdings.

PERSONNEL—The standing of the directors of Nordon Corporation is of the highest order. President and General Manager Glen M. Ruby is acknowledged to be the outstanding authority upon the prospective fields of Western Canada, with the widest experience in continental oil affairs. Managing Director C. G. Willis stands equally high in the Southwest and is generally accorded a portion of the credit for discovery of several of the important fields in the Los Angeles Basin. From time to time, announcements will be made regarding the personnel of a Board of Consultants, which will include oil experts of continental and international reputation.

Application will be made for listing on Eastern and Western Stock Exchanges.

Literature, with halftones and maps, containing further details, gladly furnished upon request.

ALBERTA WILL CO-OPERATE IN RADIO SERVICE

EDMONTON, April 30.—Radio service in Alberta might be materially improved by closer connection with broadcasting stations in Eastern Canada, with national broadcasts as a means of stimulating Canadian spirit and consciousness. This was the general opinion expressed by various angles at the public hearing by the royal radio commission at the parliament buildings Tuesday morning.

Co-operation from the provincial government was formally assured in a statement to the commission by Premier Brownlee, following consideration of the matter in executive council, as follows:

"The government of Alberta is ready and willing to enter into negotiations with the government of Canada and the governments of the various provinces of Canada with a view to the organization of radio broadcasting on a basis of public service, by some method that may be mutually agreed upon by the said governments."

MONTHLY SOCIAL OF FIRESIDE CLUB

The Fireside Club of First Baptist Church enjoyed its monthly social last night, there being a good attendance.

The proceedings opened with a devotional period led by the president, Miss Agnes Dawson, and then the social committee took charge, various games and other amusements being indulged in under the direction of Miss Aletta McKinley.

Before the gathering broke up refreshments were served by Harry Quick and Robert Gilker.

A BIG CHANGE IN MONTREAL'S SKY LINE

The new headquarters of the Bell Telephone Company on Beaver Hall Hill, Montreal, is the second highest building in the city, rising as it does 315 feet 6 inches above the sidewalk at the main entrance. It is 20 storeys high, with a basement and sub-basement, and will accommodate a work-a-day population of 1,700 people. It is the largest telephone building in the British Empire and cost \$3,500,000.

Church missions for Western Canada.

Miss Wright of Vancouver, Dominion vice-president of Anglican Women's Auxiliaries, addressed a meeting in St. Michael's Church here last Thursday night.

J. Goodkey is about to establish a taxi business between Giscome and Prince George.

In addition to the Junkers plane Hazelton which he recently purchased, Richard Corless is to operate a second plane in commercial flying out of Prince George. The second machine is expected to arrive within the next few weeks.

SMITHERS

The ice should disappear from Lake Kathlyn within the next few days, the shore line being already clear for a long way out.

A miscellaneous shower was held on Tuesday night at the home of Mr. and Mrs. J. M. Graham in honor of Miss Ivy McInnes whose marriage to Eric Strimbold of Topley will take place at an early date.

Frank H. Taylor left last week for Vancouver on business in connection with the Owen Lake mine, being accompanied by Mrs. Taylor.

Many sites in Smithers are now being cleared in readiness for building. Good weather of late has facilitated the work.

The car washing stand of the Bulkley Valley Automobile Association here has now been placed in operation.

WANTS RADIO CO-OPERATION

Hon. R. H. Pooley, acting Premier of British Columbia, who has officially announced that the coast province is ready to co-operate with the Dominion and other provincial governments in the creation of a permanent system of radio broadcasting on a basis of public service.

The American craze for color has not yet invaded all the railroads as it has in Germany. The "Rheingold," new express from Holland to Switzerland through the Rhine Valley, has coaches painted a bright violet, with window frames in cream and with silver-gray roofs. Great attention has been paid to interior decoration, and the passenger is at liberty to choose the room that pleases him.

A FEW FACTS ABOUT PRINCE RUPERT

Prince Rupert is:

- The terminus of the Canadian National Railway.
- The Central administrative point for the whole of central and northern British Columbia.
- The nearest point in British Columbia to the Orient.
- The centre of the halibut and salmon fishing business.
- The centre of an extensive mining and lumbering district.

Prince Rupert has:

- One of the finest harbors in the world.
- The largest fresh halibut business in the world.
- The largest fish cold storage plant in the world.
- A large, strictly modern drydock and shipbuilding plant.
- A grain elevator leased to the Alberta Wheat Pool with capacity of 1,250,000 bushels.
- A large, modern ocean dock.
- A new modern lumber mill, planing and shingle mills and box factory with capacity output of 60,000 board feet daily.
- Fish reduction plant.
- A new mill at Porpoise Harbor and another building alongside it seven miles from the city.
- Railway shops employing about 75 men.
- Several ship sheds for building and repairing small craft.
- Provincial government district offices and court house.
- Dominion government fisheries, customs, and other offices.
- Marine department central station.
- Dominion government wireless station.
- Canadian National district offices.
- Dominion fisheries experimental station.
- B. C. Packers district offices.
- Consolidated Mining & Smelting district assay office.
- P. Burns Co., Ltd., modern abattoir.
- Several docks and wharves used by coasting vessels.
- Number of fish houses doing an export business.
- About twenty salmon canneries in the neighborhood.
- Several fishery supply and shipchandler establishments.
- Several wholesale houses doing a large business in the district.
- Fine modern retail stores.
- Good steamship services to Alaska and south to Vancouver and Victoria and west to the Queen Charlotte Islands.
- Three large oil and gasoline distribution stations.
- Good hotels and restaurants.

Prince Rupert has:

- Modern high school with first year university classes.
- Four public schools with over thirty teachers.
- Seven churches representing the most important denominations.
- Paved streets and concrete sidewalks in the business section.
- Well kept gardens and pretty residences.
- Number of clubs and fraternal organizations.

Prince Rupert has:

- No severe cold in winter.
- No extreme heat in summer.
- No mosquitos or other insect pests.
- Great opportunities for boating, fishing and hunting.
- Fewer climatic or other disadvantages than most places in Canada.
- A harbor that never freezes.

NEWS OF NORTHERN B.C.

BURNS LAKE

Settlers of this district have enlisted the aid of Olof Hanson, head of the Hanson Timber & Lumber Co. and Liberal candidate for Skeena federal riding, in their efforts to have the Canadian National Railways award larger tie contracts than are at present planned.

Hundreds of deer have been killed on Babine Lake this winter by coyotes, according to James Donald who declares that he saw thirty-five deer thus destroyed before his own eyes.

Mr. and Mrs. J. H. Pringle of Francois Lake were visitors in town during the past week.

District visitors in town during the past week have included: Ed. Demoury, Decker Lake; Mrs. F. J. Smith and son Donald, Miss Louise Fleming, Grassy Plains; M. G. McLeod, Prince George; Ed. Newman, Bald Hill; Paul and A. Brindemour, Smithers; Mr. and Mrs. W. J. C. Cummings, Francois Lake; Adam Gamper, Tchesinkut Lake; Fraser McKenzie, Francois Lake; and Fay S. Short and Knud Nyvsen, Colleymount.

Mrs. B. G. Stearns of Tintagel is here with her daughter, Mrs. Harry Nicholls, who recently came home from the hospital with her baby daughter.

Settlers of the district are busily engaged in clearing and burning during the present good weather conditions.

Mrs. A. H. Silk is relieving at the Burns Lake Hospital during the absence of Miss Grace Duffell who is making satisfactory recovery at the Hazelton Hospital where she recently underwent an operation.

NFW HAZELTON

Olof Hanson was a visitor here the first of the week on business in connection with his extensive timber operations in the district.

Word has been received that the Northern Light, a plane which was here last year, is now engaged in transporting Yukon natives to their trapping grounds.

The angling season here is being looked forward to with considerable enthusiasm.

Local gardens are a pretty picture now as the bulb flowers come forth under balmy spring weather conditions.

George Benson has returned to Hazelton after spending several weeks at his old home at Victoria.

The Felix Bridge Club met last week at the home of Mrs. R. S. Sargent.

Peter Spooner, Mr. and Mrs. Robert Gill and Mrs. Stanley Gold motored down from Smithers last Sunday and spent the day with Mr. and Mrs. R. Spooner.

PRINCE GEORGE

A successful bridge party and dance was held last Thursday by the local Elks' Lodge. There was a large attendance.

Rev. T. W. F. DePencier, local Anglican rector, conducted services on Sunday at Tabor Creek.

Local Boy Scouts are making plans for their annual summer camp. It is necessary that all who go must be qualified as second class scouts.

Rev. E. J. Saleska, new Lutheran minister here, was inducted on Sunday evening by Rev. C. Thies, director of Lutheran

The true purpose of a Budget

EVERY year you spend a large proportion of the money you get. So much for clothing. So much for shoes. So much for things to eat—for house furnishings, books and what not.

Here is the way to get the most for your money.

Keep a budget. Decide what you can afford to spend for each item, and hold yourself within this amount.

Then—to get the most for your budget money read advertisements carefully. The advertisements you read tell you what is newest and best. They give you the latest ideas and improvements. They help you to get more from each dollar you have apportioned in your budget—and so live better and dress better with the same income.

The true purpose of a budget is to enable you to spend wisely—and only by careful reading of advertising can you hope to accomplish this result.

Read advertising regularly. It points the way to better living.

AROUND PRINCE RUPERT
Consolidated to Continue Development of Big Mis-
souri; Silverado Hits Vein System; Melvin
Co. to Start Extensive Development

With improved weather conditions now affording bet-
ter facilities for operation, the Consolidated Mining &
Smelting Co. will shortly be inaugurating continued de-
velopment work on the promising Big Missouri property at
Stewart. Duncan McVichie of Salt Lake City, con-
sulting engineer for the Big Missouri Mining Co., recently
visited Vancouver to meet W. M. Archibald, manager of
Consolidated, and Melvin O'Brien, chief coast engineer for
the company. Their conference was in connection with
future plans for operation on the
Big Missouri which is controlled
by Consolidated.

While no definite word has yet
been received, it is not expected
the Britania Mining & Smelting
Co. will resume operations at the
Toric mine until the Dolly Varden
Railway is clear of snow. At the
present time much inconvenience
would be caused in attempting to
freight in supplies owing to the
soft snow conditions at the upper
end of the railway.

compared with earlier years, it
represents more than half the
placer production for the entire
province last year. Individual
miners were solely responsible for
the output as the larger operators
were engaged in development work
throughout the year.

The Bimetalle Syndicate, formed
last fall by Clay Porter, W. C.
Blanton and C. W. Magee, to de-
velop the Stimulator group on the
Marmot River at Stewart, is fully
financed and will soon be starting
operations.

The ore vein system is reported
to have been recently encountered
in the Silverado mine at Stewart,
which is under development by the
Premier Gold Mining Co. Three
veins of varying widths have been
cut in the 1600-foot cross-cut and
on one of these a drift of about 80
feet was run. A raise is to be
driven 200 feet from the end of
the main tunnel and cross-cut from
it. Ruby silver is seen in the prom-
ising ore. Fourteen men are at
present working in three shifts on
the property. The main tunnel is a
full five by seven feet and a sup-
ply of 8 by 8-inch timbers have re-
cently been delivered at the portal.
The camp, at an elevation of
2700 feet above Stewart, is well
equipped.

The American Creek Mining Co.
held its first annual meeting re-
cently and elected the following
officers: President, Oren F. Hill;
vice-president, P. S. Jack; secre-
tary-treasurer, R. W. Kennedy;
directors, August Pasco, Hyder,
and W. C. Arnold, Ketchikan. Ar-
rangements have been made to
have the group owned by the com-
pany surveyed at once and crown
granted as soon as possible. The
company has absorbed another
claim, making a total of forty now
owned. Pasco, one of the original
locators, is doing a good deal of
preliminary prospecting work.

Machinery, equipment and oil
has all been delivered to the
Mountain Boy property at Stewart
and everything is in readiness for
resumption of operations as soon
as W. H. Tolin and Pat Daly re-
turn.

The Melvin Mining Co. is to
start extensive development on its
property at Stewart as soon as
weather conditions are favorable.
The financial condition of the
Melvin Mining Co. is very healthy
and, under the option to the Mar-
mot Metals Mining Co., ample
capital is available for an energetic
development campaign. W. V.
Smitheringale of Messrs. Stewart
and Batten and associates will be
in full charge of operations on
the property, which adjoins the
Porter-Idaho and the Prosperity.

Major H. T. Curtis, M.I.M.M.,
has arrived at Stewart to join Dr.
Smitheringale at the George En-
terprise mine. Major Curtis is an
experienced mining man, having
spent 15 years in Mexico and the
last five years in southern Brit-
ish Columbia.

The exploration of the mineral
wealth of the northern portion of
British Columbia by the big oper-
ating companies has not been as
rapid as it should have been, says
Alice Arm Herald editorially.
Especially when it is considered
that the Granby Co. and the Pre-
mier Co.—two of the most suc-
cessful mining companies of the
province—have been in operation
for a number of years. But the
north is surely coming into its
own. The Consolidated is devel-
oping properties in the Stewart
district and the Britannia Co. will
shortly follow suit in the Alice
Arm district. Success of these
enterprises means success for the
whole north coast.

PRINCE RUPERT SINGERS SCORE FINE SUCCESS

Opening Event of New Musical
Organization Given at Cap-
itol Theatre

PROGRAM WAS DIVERSE

Interesting Play and Dramatic
Readings Help Round Out
Entertainment

The premiere appearance last
night in the Capitol Theatre of
the Prince Rupert Singers, under
the direction of H. N. Brocklesby,
in a high class program of folk
songs, madrigals, spirituals and
fantasies was something distinct-
ly new and interesting in local
entertainment and something
which Prince Rupert music lovers
will keenly look forward to
hearing more of. Mr. Brocklesby
has assembled much of the cream
of local talent and in the past
two months has made of them a
harmonious and technically excel-
lent musical group.

Their program was a diverse
one and, in a rather wide range
of selections, they made a most
pleasing impression on an au-
dience which crowded the theatre
and evinced hearty and sponta-
neous appreciation. Every num-
ber on the first part of the pro-
gram was encored and it was
only by request that those on the
latter part were not also. Out-
standing numbers were the rol-
licking "Song of the Jolly Roger"
and the harmonious "Kentucky
Babe" by male voices, the des-
criptive "Song of the Volga Boat-
man" by the full company and
the stirring "Song of the Vik-
ings." The melodious "Into the
Woods My Master Went" by a
ladies' chorus was another not-
able selection.

The twenty-four voices blended
splendidly and taste was dis-
played in the general settings.
It might be said that the first
attempt was a praiseworthy one
and increasing proficiency may
be expected in future appearan-
ces. The group is in capable
hands with Mr. Brocklesby and
it is to be hoped that it will con-
tinue its activities and take the
prominent place in local musical
affairs which is its due.

Assisting Artists
Miss Marjorie Lancaster proved
a very acceptable accompanist
and played no small part in mak-
ing the affair the great success
it was. Miss Lancaster proved
further delightful with her piano
solo, the imposing and descrip-
tive "Finlandia."

Notable also among the assist-
ing artists was Mrs. F. G. Daw-
son in dramatic recitations which
gave full scope for her elocu-
tionary talents which ever prove
delightful. She received an ovation
on each appearance, out-
standing in costume of the Indian
"Ojistoh."

William Beaumont, popular 'cel-
list of the Rupert Capitoliens,
was much appreciated in his
solo "Slumber Song" and gave
"The Waters of Minnetonka" as
an encore.

The one-act comedy "The Flor-
ist Shop" was a very acceptable
diversion. In it appeared Miss
Etta Robertson, Rupert Ross,
James Farquhar, Miss M. Hall-
well and L. F. Smith, all of
whom acquitted themselves in
fine manner.

During the intervals, there
were orchestral selections by the
Rupert Capitoliens, Prof. H.
Aubrey Pryce taking the place
of violinist for Jack de Jaus-
serand who has left the city.

At the opening of the program,
James H. Thompson, president of
the board of directors of the
Prince Rupert General Hospital,
spoke briefly, expressing the ap-
preciation of the board for the
effort which was in aid of hospi-
tal operating room equipment.
Undergraduates of the Prince
Rupert General Hospital training
school for nurses, in uniform,
acted as usherettes. They were
Misses Rose O'Neill, Jean Mc-
Murphy, Jeanette Morley, Fanny
McLaren, Mabel McIntyre, Mary
McRae and Edna Gilker.

After the entertainment, those
who participated proceeded to the

Grouse Mountain Greater Community Spirit Campaign

**GRAND PRIZE
\$25,000.00
WEEKLY PRIZES
\$1,000.00**

A FORTUNE IN PRIZES \$1.00 Makes You Eligible

HELP yourself to a fortune!—and at the same time help to make Grouse Mountain
the outstanding scenic resort and playground on the continent. . . . a
magnet which will attract a golden stream of tourist dollars to Western Canada.
The Plan is simple:

1. The Company has made provision for a Grand Prize of \$25,000.00
Weekly Cash Prizes totalling \$1,000 each week for the duration of the campaign.
The Weekly Cash Prizes shall be divided as follows: One \$200 Cash Prize
One \$100 Cash Prize Twenty-eight \$25 Cash Prizes . . . thirty Prizes of \$10.
2. Every Purchaser of a \$1.00 Grouse Mountain Highway and Scenic Resort Ticket
is eligible to receive one of the Weekly Cash Prizes.
3. A person purchasing more than one ticket will be eligible to receive
Cash Prize for each ticket purchased.
4. Each week the prize winners' names and addresses will be published with
completion of the Campaign all persons who have won a Weekly Prize of
become eligible to the \$25,000 Grand Prize.
5. The Grand Prize shall be awarded to one of the Weekly Prize Winners
at the end of the Greater Community Spirit Campaign.
6. The methods of awarding the Prizes shall be fair and impartial, and
Ticket holder having equal opportunity without prejudice. The following
knows men of unquestionable integrity have accepted the responsibility of
awarding the Prizes and their decision shall be final and binding:
HONOURABLE W. C. SHELLEY, Minister of Finance of British Columbia
Minister of Finance of British Columbia
W. ROY W. McINTOSH, Man. Dir., Kelly, Douglas & Co., Ltd.
E. J. McDUGALL, member Grant & McDougall, Barristers
DR. G. H. WORTHINGTON, President, Vancouver Drug Co., Ltd.
M. H. LEGGATT, formerly Sec. Treas., Wood, Vallance & Leggat, Ltd.
DONALD McLEOD, with Stewart & Welch, Contractors.
BRENTON & BROWN, President, Greater Vancouver Publicity Bureau.
7. It is not necessary for the purchaser of a Greater Community Spirit Ticket
to visit Grouse Mountain during this Campaign to become eligible to the
Grand Prize, but such person may drive over the Grouse Mountain Scenic Highway
once for each Ticket purchased at such time as suits the purchaser's convenience.
8. Purchaser of Tickets whose Application Coupon arrives at the Grouse
Mountain Highway and Scenic Resort Limited office on or before 5:00 p.m.
of Friday each week will be eligible to receive the current Weekly Cash Prize.
Coupons received subsequent to that time will be eligible to the coming
week's Prize.
9. All records in regard to sale of tickets and all monies received and
shall be under the supervision of Geo. A. Tonche & Co., Chartered Accountants
Vancouver, B. C. The Dominion Bank of Canada will be the depository
of all Campaign Funds.
10. Fill in the attached Coupon with name and address plainly
Attach \$1.00 for each ticket desired. Mail to the
GROUSE MOUNTAIN HIGHWAY AND SCENIC RESORT LIMITED
440 Pender Street West Vancouver, B. C.

Coupon Application No. 61

Grouse Mountain Highway & Scenic Resort, Ltd.

City _____

I understand each ticket entitles me to drive over the Grouse Mountain Highway
once, also that each ticket makes me eligible to participate in cash prizes won
awarding in your Greater Community Spirit Campaign.

Her Birthday!

Why not a C.C.M.?

SURELY a girl deserves as much
health and happiness as a boy. A
C. C. M. Bicycle is a joy to a girl just
as it is to a boy. She has always wanted
a C. C. M. So many of the other girls
have them. How delighted she would
be to find herself the proud possessor
of a bright, new, shiny C. C. M. Bicycle,
a birthday present from her dad.

C. C. M. Bicycles for girls are made
from exactly the same materials as
C. C. M. Bicycles for boys—and include
the famous Triplex Crank Hanger, the
Hercules Coaster Brake, 20-year
nickel-plating, 3 coats of enamel baked
over a coat of rustproof, and Dunlop
Tires.

The Girls' Juvenile model is enameled in
a flashing maroon with a gold stripe. Get a
C. C. M. catalogue at the nearest dealer's
or write to the Canada Cycle & Motor
Company, Limited, Weston (Ont.), Mont-
real, Winnipeg or Vancouver.

Was Tortured With Eczema For Years

Mrs. George Shambler, 119
St. Halifax, N.S., writes:—
"After years of
torture with eczema, for years
trying everything possible from
doctors and drug stores, a friend recom-
me to take

I sent my husband to get me
and after I had taken it I noticed
cooling of my blood, so he advised
to continue, and after taking
bottles I can truly say it is a
"medicine."
Manufactured only by The
Burdock Co., Ltd., Toronto, Ont.

Man in the Moon

Exercise is said to be instrumental in removing fat, yet look at the chins some women have.

Some people look their age; others overlook it.

You bachelors who are always ready to embrace any opportunity don't forget that "Opportunity" is the name of many of the bachelor girls.

House work is said to be trying but not anything like as much as jury service.

Many a man who is a rake would have been all right if he had learned to take an interest in gardening.

A rake, a hoe
And seeds to sow
Some fertile soil
On which to toil
And there you see
The place for me.

At this time of year it seems to me a lot of pity is wasted on the out of work part of the population.

Jake says he knew a man who always wore spats in memory of his first wife.

It's to be feared that Prince Rupert police force is not quite up to date. In some places they have caddies to carry their clubs.

When the lights are out you know the people are out or the daughter is giving a party.

Ten Years Ago in Prince Rupert

April 30, 1919

W. P. Hinton, vice-president and general manager of the Grand Trunk Pacific Railway, is a visitor in the city. The Prince Rupert Board of Trade, President M. P. McCaffery presiding, this afternoon passed a vote of confidence in Mr. Hinton.

The Great War Veterans' Association is holding an entertainment this afternoon in St. Andrew's Hall. There will be a dinner and dance tonight with Capt. McGregor V. C. as guest of honor.

Hon. T. D. Pattullo, minister of lands, addressed the Prince Rupert Board of Trade this afternoon, telling of some of the work which had been accomplished by the Liberal government.

NEW WHITE STAR MOTOR SHIP

The new SS. Britannic, of which the first announcement containing details of this new White Star motor ship, were received by the White Star Canadian Service this week.
The steamer will be launched in about two months' time and will enter the Atlantic trade in the fall. Her length, 690 feet, 80 feet longer than liners of the type of the Doric and Regina which are in the company's service on the St. Lawrence route during the summer season.
The Britannic will have a gross tonnage of 27,000 tons. The motive power to drive this latest motor ship will be supplied by two 10-cylinder Harland-B and W double acting motors, while throughout the ship the fullest use will be made of electricity, for navigating and controlling the ship, for cooking, ventilation, and for operating the enormous amount of service machinery necessary in a ship of the size of the Britannic.
Designed to carry cabin, tourist third cabin and third class, the Britannic will have a passenger capacity of 1,500. One of the outstanding features of the passenger accommodation is the provision of a large number of single rooms.
The steamer will be used on the Liverpool-New York route, but during the winter of 1930 she will make two cruises to the Mediterranean.

URGES SPEED ON BORDEN ST.

Resident Would Like Waterpipe Laid More Than Four Inches Below Surface

Complaint was made last night at the city council meeting by J. Morrison, a resident of Borden Street, that there was too much delay in getting the waterpipe laid on Borden Street, although the engineer had promised it would be attended to. All the residents were putting in lawns and wanted to get the work done.

Also, he referred to the pipe being sunk four inches below the surface. If this was allowed he would ask to permit to keep his taps running so that the water would not freeze in winter.

Alderman Brown pointed out that the engineer was a busy man. So far as the members of the board were concerned, they did not propose to do the engineering work, but were there to lay down policies, and it was for the engineer to carry them out. That was what he was paid for.

Owing to the Prince Rupert Singers' concert last night, the regular weekly meeting of the Young People's Society of First United Church was postponed until tonight when a social will be held in aid of gymnasium renovation.

BEAUTIFUL BILLIE DOVE IN ANOTHER EXOTIC DRAMA

"Adoration," the Most Fervid Love Story of the Decade, Shows Star as a Royal Princess

The glittering splendor of Russian aristocracy forms the background for Billie Dove as a royal princess in "Adoration," which has its premiere at the Capitol Theatre tonight.

In exquisite garb, with a role that calls for stirring emotional acting, and supported by a superb cast, she has a splendid opportunity for again proving her ability as well as once more assuring us that there is no lovelier woman gracing the screen today.

The story is by Lajos Biro, adapted and scenarized by Winifred Dunn and directed by Frank Lloyd, who recently made "The Divine Lady" starring Corinne Griffith. It deals with the plight of Russian royalty and aristocracy following the revolution. They flee to Paris and there their destinies are worked out. The theme of jealousy forms the basis of the story and involves the lovely Princess Elena and her consort, Prince Serge, played by Antonio Moreno with great skill.

The settings are superb, the story is well handled and the direction leaves nothing to be desired.

GOLDBLOOM COMES BACK TO THIRD AVENUE

Pioneer Fur Man Returns To His Former Location on the Main Thoroughfare

Because more people can admire his dachund, or maybe because he wasn't being admired sufficiently himself, or else possibly to be closer to the bank, Goldbloom is now back again in the premises he occupied years ago on Third Avenue, near to the C.P.R. office.

Goldbloom buys furs when they are pelts. He also sells furs when they are furs. And that the furs Goldbloom sells are furs, and the furs they are represented to be, he guarantees. Goldbloom has been in the fur business for more than twenty years right in this district and hasn't had a dissatisfied customer yet. That is a guarantee in itself of fair dealing.

Furs are still fashionable for summer wear. And Goldbloom's furs are right up to the minute in style. Visit his new store and look over his stock of coats, wraps, neckpieces, etc. You are sure to see something you will like. Furs are always dressy and they wear well. And Goldbloom's prices are moderate. Advt.

THE JEWELLERS

POWER PLANT TURNED IN TO CITY AS PROFIT IN EIGHTEEN YEARS ONLY EIGHTEEN THOUSAND DOLLARS.

(Continued from page one).

this sum and the amount expended on capital, or \$261,946.34, must have been provided by the earnings of the department or from general revenue.

I am attaching hereto a summary of the results of the operation of the department since its inception, showing the net profits, which amount to \$198,647.58.

By referring to the auditor's report for the year 1922, where hereto is a report of a special committee appointed to make adjustments in connection with this matter, it shows that at that date \$63,432.10 was over-expended under bylaw No. 29, and the sum of \$26,457.64 under bylaw No. 207. It was decided that the sum of \$400.00 in connection with the former and the sum \$3522.00 in connection with the latter be set aside each year till general fund would be reimbursed.

The total amount set aside at the end of 1923 was \$81,657.64. Total capital expenditure to December 31, 1923 \$563,360.75

Received by general account as set off for taxes, etc. previous to 1922 18,358.88

Total \$581,719.63

Paid for as follows—

Debenture issues . . . \$301,414.41

Net surplus revenue from light department 198,647.58

Sums set aside—

Bylaw No. 29 26,457.64

Bylaw No. 207 55,200.00

Total \$581,719.63

Respectfully submitted,

D. J. MATHESON,

Treasurer and Collector.
