NEW SAWMILL IN OPERATION IN MAY STRONG PROTEST IS MADE AGAINST USE OF FISH TRAPS

New National Airplane Sawmill To be Ready for Operation by May, Says Gen. Manager Black

Actual Construction of Plant Just Started Following Clearing of Site at Porpoise Harbor, Near City

The new sawmill of the National Airplane Lumber Co., Inc., which is being built at Porpoise Harbor along the railway track about six miles south of Prince Rupert particularly for the purpose of producing airplane lumber for export to the United States is expected to be completed and ready for operation by May 15 or soon thereafter, it is stated by J. Randolph Black of Kewanee, Ill., vice-president and general manager of the company. Clearing of land has been completed and erection of main mill buildings has just started. Machinery has all been delivered to the ground and a small portable mill plant is being used to cut lumber for the buildings.

It is expected that the National Airplane Lumber Co. will resume logging operations on its limits up the Eestall river soon after the new mill starts cutting.

INCOME FROM RAILWAY LARGE

OTTAWA, April 11.—The railway operating revenue of the Canadian National Railway for the year 1928 reached a record figure of \$276,310,921.

After the payment of operating expenses amounting to \$218,248,243, taxes amounting to approximately \$5,000,000 and other charges, the total operating income was \$53,213,729, compared with \$40,789,724 in 1927, according to a report of Sir Henry Thornton, tabled in the house, by the minister of railways, today.

LINDBERGH ARRIVES AFTER REPORTED LOST

NEW YORK, April 11.—Col. Lindbergh arrived yesterday at Brownville, Texas, after being reported lost. Newspapers throughout the country were filled with stories of his plane having gone astray.

Captain Kingsford Smith and Party Still Lost and Rescue Plane Also Missing in Australia

SYDNEY, Australia, April 11.—The air liner Canberra returned to Wyndham this morning via Drysdale after making an unsuccessful search in the Regent river district for the airplane Southern Cross and its missing pilot, Captain Kingsford Smith, and three companions.

The Australian seaplane carrier Albatross with five planes aboard, was ordered today to participate in the search for the Southern Cross. The Albatross is expected to leave for Wyndham almost immediately, but so great is the distance around the eastern and northern coasts of Australia that it could hardly arrive inside of a week.

Grave fears are now expressed for the safety of the rescue plane manned by Lieutenant Keith Anderson and Robert Hitchcock. The two fliers started from here on Sunday in a monoplane and have not been heard from since they left the Newcastle waters, in the northern territory, about 400 miles from Wyndham.

Directors of the search for the Southern Cross have decided to send airplanes in pairs to cooperate with the land parties.

SWEARS IT WAS AIMEE

Newspaperman Takes Stand in Impeachment Case Against Evangelist

SACRAMENTO, Cal., April 11.—Wallace Moore, newspaperman, declared on the witness stand before Judge Carlos S. Hardy at the impeachment trial today that he is convinced a woman he saw with Kenneth Ormiston in Santa Barbara during the disappearance of Aimee Semple McPherson was none other than the evangelist herself.

A NEW GUNBOAT FOR CHINESE GOVERNMENT

SHANGHAI, April 11.—A gunboat was launched here yesterday for the Nationalist government navy, making the 47th war ship under control of Nanking.

JAPANESE MINE LAYER EXPLODED

TOKIO, April 11.—Seven naval students were killed and 30 injured in an explosion aboard the Japanese mine layer at the naval base Yokosuka today while practicing.

PENSION DEDUCTION FROM SALARIES OF LOCAL PEDAGOGUES

Under the Teachers' Pension Act which was passed at the recent session of the legislature, City Treasurer D. J. Matheson announced this morning that four per cent will be deducted from the next pay checks of local school teachers, the statute having become effective as from April 1. The money deducted will be remitted by the city treasurer to the civil service commission every month and placed in the central teachers' pension fund.

Town Completely Blown Away by Tornado Which Swept Central Arkansas

LITTLE ROCK, Ark., April 11.—Forty-six persons are known to be dead, several missing and believed dead and almost a hundred injured, in a tornado which swept sections of north central Arkansas last night.

There are 21 dead at Guion and five at Guion. The latter town was reported completely blown away. All the victims were white. Six negroes were reported killed in the vicinity of Parkin and four negroes at Prinedale. Six persons were killed at Lorado.

BODY THAT OF NORTHERN MAN JAP IS KILLED BY AUTOMOBILE

Remains Found on Tuesday in Vancouver Identified as Those of Steve Jelich of Stewart

VANCOUVER, April 11.—The body of the man which was found on Tuesday in Stanley Park containing three bullets was identified by his landlady yesterday as that of Steve B. Jelich, aged 45, a former miner. Dr. A. W. Hunter, coroner's physician, expressed the opinion that he had committed suicide. His papers revealed that he had \$12,000 in the bank. He had come to Vancouver from Stewart, where he worked in the Premier mine.

SEEK COMMONS SEAT

LIVERPOOL, England, April 11.—Miss Margaret Beaven, former lord mayor of Liverpool, today accepted an invitation to become Conservative candidate in Everton district for the house of commons.

WITNESS HAS BEEN LOCATED

Revelations in Connection With Aimee McPherson Kidnapping Are Promised

LOS ANGELES, April 11.—Aimee McPherson and her mother, Mrs. Kennedy, are again likely to be in the limelight, a missing witness in connection with the alleged kidnapping case having been located and revelations are said to have been made which will be used in the bribery case against Judge Hardy.

VICE-PRESIDENT OF C. N. R. IS MARRIED

MONTREAL, April 11.—The marriage took place here last night of Albert T. Weldon, vice-president in charge of traffic of the Canadian National Railways, and Mrs. Leota Ross Matthews, widow of H. Ross Matthews of Providence, Rhode Island, and Montreal.

COOLIDGE ACCEPTS NEW YORK LIFE JOB

WASHINGTON, April 11.—Former President Coolidge, it is announced has accepted a position on the directorate of the New York Life Assurance Company.

First Picture of General Aguirre Trial

This unusual picture shows the actual court-martial of the rebel General Jesus M. Aguirre (arrow), who was captured by the Federals near Monteroy. The following day he was executed. General Aguirre was one of the leading generals in the revolution.

Public Meeting Passes Resolution of Protest Fish Trap Proposal

At a largely attended public meeting, most of those present being fishermen, a resolution was passed unanimously asking that fish traps be not allowed in northern British Columbia waters. Mike Anderson presided and J. Roberts was secretary. The meeting also appointed Charles Lord to present its views to the commissioner here on April 18, when a sitting is held to inquire into the question of placing fish traps in Pierce Canal on the Alaskan boundary. Olof Hanson was present and stated how the Liberal Association had passed a resolution condemning fish traps and he had forwarded the resolution to Ottawa. There was a good deal of discussion, after which the resolution was put and carried as follows:

Resolution
"Whereas another attempt is being made to obtain permission to operate salmon fish traps in the waters adjacent to U.S.A. in Northern British Columbia, with a new feature of a commission in endeavors to eliminate the possibility of the psychological effect of a public meeting like the one of June 1926, that was instrumental in putting an end to operation of salmon fish traps.
"And, Whereas permission to operate a salmon fish trap granted to any one of the canners will create a condition of injustice in the eyes of other canners and cannery managers that eventually will lead to covering the whole coast with salmon fish traps, with the effect that large sections of B. C. population will be thrown out of employment with the loss
(Continued on Page Six)

DEBATE ON BUDGET
OTTAWA, April 11.—The House of Commons failed once more on Wednesday to reach a decision on the budget and amendments. The debate is still in progress.

WHAT WOULD BE THE BEST MEANS TO ADVANCE INTERESTS OF NORTHERN AND CENTRAL B. C.? PRIZES ARE OFFERED

The Daily News invites suggestions as to the best means of advancing the interests of northern and central British Columbia. As a recognition of our interest in the subject, we offer three prizes for the best suggestions put forward in a brief newspaper article not to exceed 500 words. First prize, \$5; second prize, a year's subscription to The Daily News; and, third, six months' subscription to the paper.

A school boy or school girl is just as likely to win the prize for this as is a grownup. Write on one side of the paper only and mail addressed: Contest Editor, The Daily News, Prince Rupert, B. C.

TOO MANY BALL PLAYERS HELD BY CINCINNATI

Manager Hendricks Will Have to Dispose of Some of Them Before Season Opens

ORLANDO, Fla., April 11.—Manager John C. Hendricks of the Cincinnati Reds is glad that the National League season will not open yet and that he will have time to reduce his active personnel to 25 players. The manager resembles the old lady who lived in a shoe. He has so many pitchers and outfielders he doesn't know what to do. He has 25 for the mound and outer defenses with few of them palpably premature in seeking major league places.

Manager Hendricks also would like to know how good Van Pincich will be in 1929. The clever catcher had his best year in 1928, catching nearly 100 games and batting over .300 for the first time in his major league experience. If Pincich, who has been slow to sign and has lost the benefit of early training, can repeat his last season's performance, Jack believes his club is as good as in the first division.

If President John A. Heydler's proposed pitcher's batsmen plan could be applied to catchers, Cincinnati would have no further worries over completing the staff to assist Pincich. Leo Dixon, great defensive catcher could do the receiving with Hugh McMullen, able batsman, doing the hitting. This, however, would make no provision for Clyde Sukeforth, who was on the club last year.

No change will be made in the infield. Long George Kelly will play first, unthreatened by his coworker of last season, Wally Pipp. Hughey Critz, promoted to captain of the ship, and second and Horace Ford, at short, will have a chance to break their record breaking double play performance. Charlie Dressen is the leading candidate for third base in the absence of Joe Stripp, convalescing from an appendicitis operation.

The outfield assignments are not so easy. Three recruits have

shown ability and five of last year's outfielders are back. Only one, Jack Hill, a California University player, seems a year or two away. Crabtree, Swanson and Shaner certainly have a chance to push the former regulars completely out of the picture although the ability of Curtis Walker to play the treacherous Cincinnati right field places him in better position to defend his place than his fellows. Crabtree has hit well in the spring games, suggesting that his .353 average at Oklahoma City can be taken seriously. Shaner from Chattanooga of the Southern Association and Swanson of the Mission Club of the Pacific Coast League have not been far behind the younger player.

BELANGER WON IN TEN-ROUND BOUT AGAINST HAROLD MAYS

MONTREAL, April 11.—Charlie Belanger, Winnipeg lightweight champion of Canada, was awarded a 10-round decision over Harold Mays of Bayonne, New Jersey, in the feature bout of a boxing card here last night.

PRINCE OF WALES IS GOLF CLUB CAPTAIN

LONDON, April 10.—The Prince of Wales has consented to accept the captaincy of the Royal West Norfolk Golf Club. Brancaster, and will succeed the Duke of Gloucester in that office. The links are within easy reach of Sandringham. He played for the club on Whit-Monday 1928 against Brancaster Artisans' team, and the royal golfer was defeated on the last green by "Bob" Lake, 70-year-old gardener. Following that match, the prince showed much interest in the details of the lives of the artisan golfers.

It is announced that the prince is to join in the world jamboree twenty-first birthday celebrations of the boy scout movement, which takes place in Arrow Park, Birkbehead, in July and August.

Sport Chat

Johnny Risko, the Cleveland baker boy, broke his losing streak by battering Otto Von Porat, the Norwegian giant, out of a ten-round decision at Boston last Friday night. Risko carried every round. Each scaled 193 pounds. Risko started his savage attack in the first round by pounding the Norwegian's body. Von Porat almost a head taller and having the longer reach, tried vainly to shake him off with his jab. Risko became even more aggressive in the second, and his lead increased with every round.

Not until the sixth was Von Porat able to land a hard punch. This was a right hook to the head which staggered Risko. The Norwegian delayed pressing his advantage and Risko was able to slip back inside his guard and continue his heavy body punching. During the last four rounds Risko tried desperately to land a paralyzing punch but the lanky Norseman was able to digest the punishment by holding on.

WINDSOR BULLDOGS HOCKEY CHAMPIONS OF CANADIAN LEAGUE

TORONTO, April 11.—The Windsor Bulldogs last night threw off the threat of the United States to capture the Canadian Pro Hockey League championship by whipping the Detroit Olympics 3 to 1 at Fort Erie in the fifth and deciding game of the series.

Thrilling Hockey Contest in Which Lions Win the Game and Series Against Les Canadiens

VANCOUVER, April 11.—In a fast and thrilling contest before 9000 fans here last night, Vancouver Lions won their second game in the east versus west hockey exhibition series three goals to one. It was the final of a three-game series and as a result the Lions may now be looked upon as the champion hockey team of Canada.

Not until the final period did the Canadiens break into the scoring column after the Lions obtained a three-goal lead. The first period was scoreless. In the second the Lions counted twice and early in the third period added another. The Canadiens, battling hard, managed to run in two counters in a row.

The Lions play the New York Americans Friday and leave Sunday for a series of games in California. The Canadiens and Americans play here Monday.

CANADIAN IN ON BUNION DERBY CROSSING STATES
WAYNESBURG, Pa., April 11.—Phil Granville of Hamilton, Ont., was eighth to arrive here yesterday in the eleventh lap of Pyle's trans-continental Bunion Derby, covering 33 miles in six hours and five minutes. Granville was seventh in the elapsed time.

WINTER SPORTS OLYMPIC GAMES LAKE PLACID

LAUSANNE, April 11.—Lake Placid, New York, has been selected by the Olympic committee for the winter sports of the 1932 Olympic games. The Adirondacks resort won in a competition with Montreal and several winter playgrounds in United States.

CLOSE BILLIARD CONTEST PLAYED

A. Macdonald Enters Final of Junior Competition by Single Point—W. Mitchell Other Finalist

The city individual junior billiard championship semi-final last night between M. M. McLachlan and Angus Macdonald was a close enough affair. It was nip and tuck all the way with first one and then the other in the lead. Macdonald nosed McLachlan out in the end by the margin of a single point, the score being 250 to 249. McLachlan's high break was 22 and Macdonald's, 20.

COLD STORAGE SCOW IN DOCK

Unwieldy Craft of B. C. Packers Delivered Safely to Pontoon Here

Another salvage feat was successfully completed today by the local branch of the Pacific Salvage Co. when it delivered the B. C. Packers cold storage scow safely into dry dock just before noon. Over two weeks ago the scow, valued at \$15,000, got away from the power tug Salvage Princess in the middle of Hecate Straits when Capt. Frank Tyler decided to rescue two men from the scow which was left adrift in the storm. A few days later the scow was picked up by Capt. George Place with his trolly boat just it and taken to Stephens Island where it was beached. Yesterday afternoon on a high tide the unwieldy craft was refloated from Stephens Island and arrived in the harbor about 11:30 this morning in tow of the power tugs Salvage Princess, Red Boy and Pachena. The scow was partially submerged, only her upper storey being above the surface of the water. The craft was immediately placed on the pontoons at the dry dock. Underwriters will decide what is to be done in the matter of repairs.

The cold storage scow was lost from the Salvage Princess while being towed from South Bay, Skidegate Inlet, to Walker Lake on the mainland. Capt. Tyler's feat in rescuing the two men from the scow in a raging storm has been lauded in local marine circles.

Local Items

It is announced that George Woodland has purchased the Le Pine house on Fifth Avenue and will move into it soon. It is understood that Mr. and Mrs. Le Pine will be leaving the city.

At the meeting of the Rotary Club today, there was a general discussion on a number of local topics, such as the proposed new post office and other matters of general interest to the community. Several speakers took part, with John Dore presiding.

VANCOUVER WHEAT

VANCOUVER, April 11.—Wheat was quoted on the local Exchange today at \$1.22 1/2.

BAND CONTEST WILL BE HELD

Fair Board Decides to Resume This Attraction at 1929 Exhibition

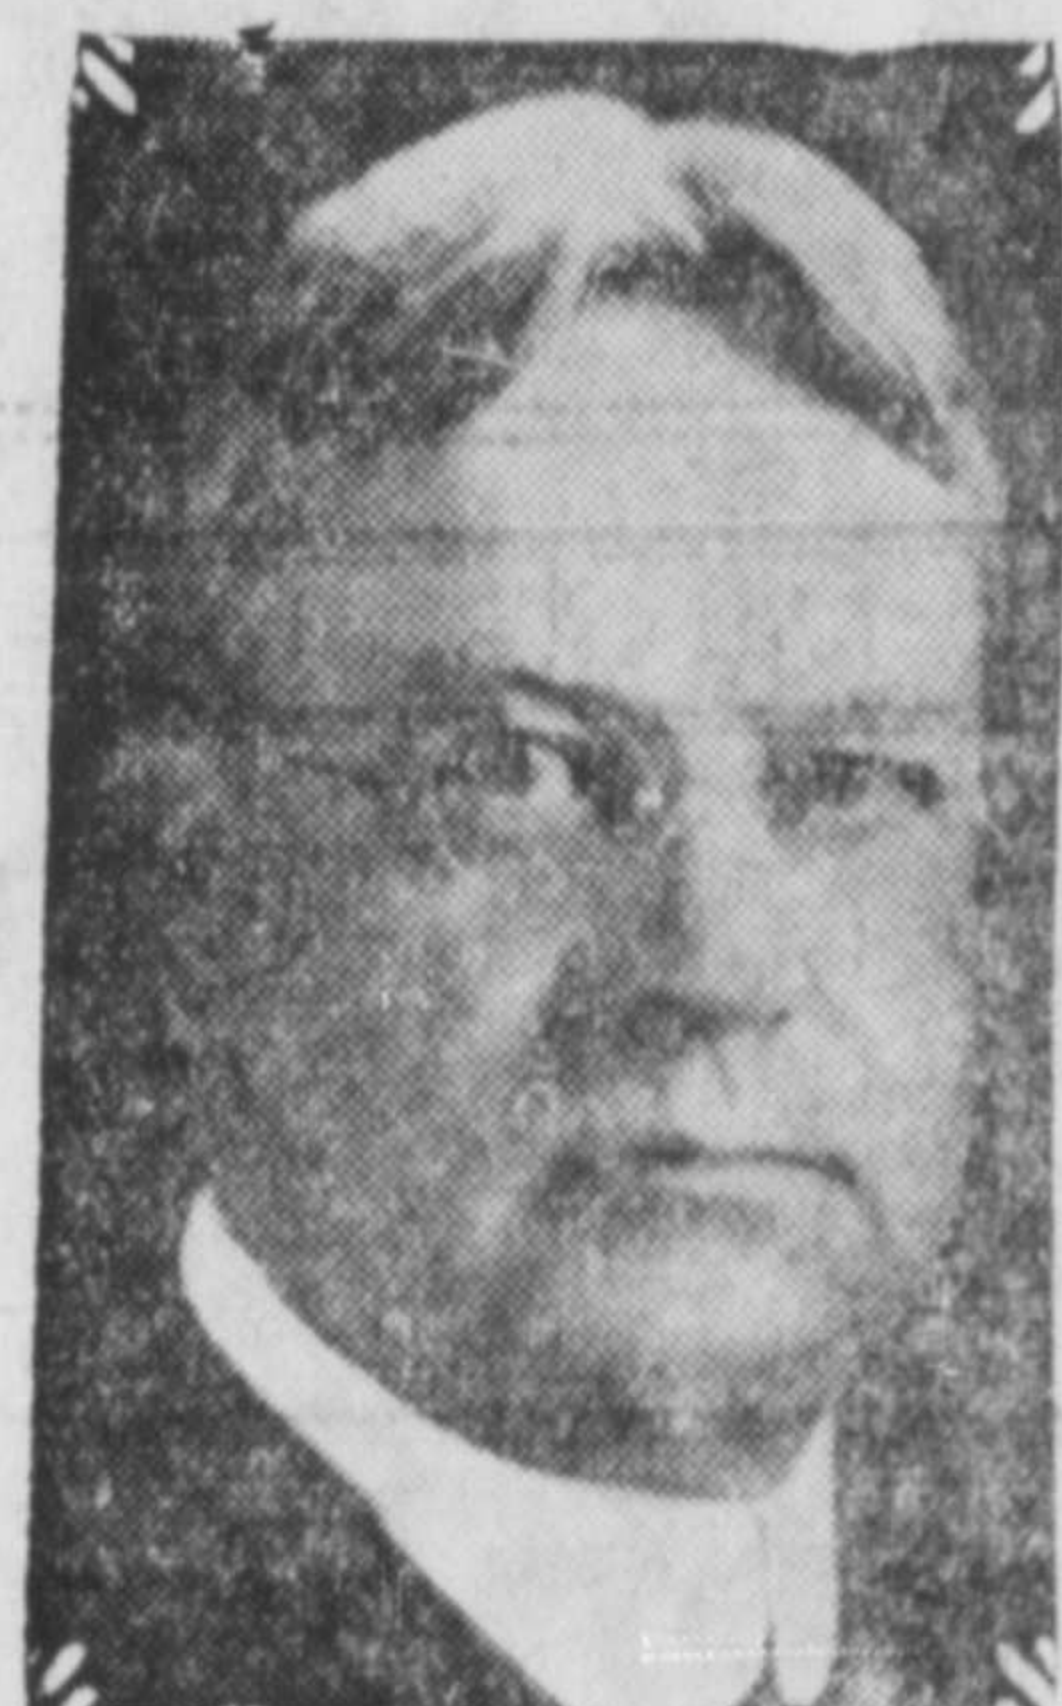

MONEY RAISING AFFAIRS

Probably the most important item of business at a meeting last night of the Fair Board, was the decision, on recommendation of the sports and attractions committee, to resume native band contests at the 1929 Exhibition. During the past year or so these have not been held although in former years they were an outstanding attraction both for the natives of the district and the people of the city. George H. Munro, a former president of the Fair Board, is being invited to take charge of arrangements for the band contests.

A number of events designed for the purpose of raising money to aid the Fair within the next few months were decided upon. A hayseed dance will be held early in May and an offer of M. Dougherty to put on a play in June was accepted. It was also decided to hold the usual celebration on May 24. The program is planned to include the first baseball game of the season, children's sports and other attractions. Making of further arrangements has been left to the finance and sports and attractions committee.

Present at the meeting were: Ald. A. J. Prudhomme, president of the Fair Board; W. J. Kirkpatrick, H. F. Glassey, Ralph Smith, William Hurst and W. H. Sherman jr., directors, and W. D. Vance, managing secretary.

JOHNSON BACKS BORAH

Senator Hiram Johnson of California, (Republican) has announced his opposition to the Root World Court proposal and will join Senator Borah of Idaho, in an attempt to defeat it in the U.S. Senate.

DEATH OF SIX-YEAR-OLD CHILD OCCURS IN LOCAL HOSPITAL

The death occurred at 6 o'clock this morning in the Prince Rupert General Hospital of little Harriet (Peggy) Haines, six year old daughter of Mr. and Mrs. Allison L. Haines, Besner Apartments. The child was taken ill on Friday and on Tuesday night there was an operation for appendicitis from which she failed to rally. She was a bright little youngster and was born in Massachusetts. The grieving parents will have the sincere sympathy of many friends in their sad bereavement. Mr. Haines is a well known local halibut fisherman.

Tonight Long vs Balagno for City Senior Billiard Championship in Empress Club at 8 p.m.

Union freighter Chilliwack, Capt. John Muir, is due in port next Monday from the south. The vessel will go no farther north than here and will load a cargo of Terrace cottonwood logs at the dry dock for delivery to the Laminated Materials veneer mill at New Westminster.

Mrs. Johanson of Oona River charged her husband before Stipendiary Magistrate H. F. McLeod in provincial police court this afternoon with desertion. The case is continuing this afternoon. Milton Gonzales is acting on behalf of the prosecution and L. W. Patmore for the defendant.

Evidence for the plaintiff was taken in County Court before Judge F. McB. Young yesterday afternoon in the case of William Schellin vs Mike Koko. The claim of the plaintiff is for \$200 in connection with two engines in the fishing boat Kelpie which was bought by the defendant. Adjudgment of the case was made April 19 to enable the defence to obtain witnesses. E. F. Jones is acting for the plaintiff and Thomas R. Brown for the defendant.

A meeting of the Prince Rupert Pioneers' Association was held last evening at the home of the president, Mrs. P. W. Anderson, Second Avenue, when the final report of the recent annual banquet was presented, there being a small balance on the right side of the ledger as a result of the affair. The Pioneers' Association has been presented by J. D. Allen with a number of films of early views in the city. Pictures from there are to be preserved in an album which will be kept in the archives of the association.

A roadster driven by William Beaumont and a touring car driven by Alex Storrie figured in a collision at the corner of Fifth Avenue and McBride Street shortly after 5 o'clock last evening. Beaumont was travelling north on McBride Street and Storrie was turning into Fifth Avenue East from McBride. The latter's car suffered the most damage, having a running board almost torn off. No one sustained serious hurt, though Mrs. S. A. Swanson, riding in Storrie's car, received scratches and a shaking up.

SCHOOL REPORTS MONTH OF MARCH

High School Completes Basketball Series and Cadets Shoot Well

At the monthly meeting of the school board last night the following reports were submitted by the different principals.

In the high school there were a total number of 187 pupils enrolled, 111 girls, and 76 boys. The average attendance for the month was 95 per cent.

During the month the High school basketball games series was completed. The Senior Miniature Rifle Team entered the D. C. R. A. competition and made 92 per cent, the highest total reached.

The results of the examinations in grades 9 and 10, owing to the absence of Miss Rushforth were not obtainable but all the other grades proved satisfactory.

A High School dance was given in the I.O.D.E. Hall from which the sum of \$22 was raised to go toward the repairing of the tennis court.

In Borden Street School there was a total of 327 pupils enrolled 165 girls and 162 boys. The average attendance for the month was 98.7 per cent.

In Booth Memorial School there were a total of 468 pupils enrolled, 251 boys and 217 girls. The average attendance for the month was 98.97 per cent.

At Seal Cove there were a total of 65 pupils enrolled, 30 boys and 35 girls. The average for the month in attendance was 99.14 per cent.

At Westview School there were a total of 23 pupils enrolled, 23 boys and 13 girls. The average attendance for the month was 96.39 per cent.

LOWER PRICES FOR HALIBUT

Special Fish Train Taking Today's Offering East This Afternoon

A total of 141,500 pounds of halibut was sold at the local fish exchange this morning at rather low prices. Six American boats received 11.4c and 6c to 12c and 7c for 80,500 pounds, while 10 Canadian boats were paid 10c and 6c and 10.1c and 6c for 61,000 pounds. Much of the fish sold today was sent east on a special express fish train which left early this afternoon.

Arrivals and sales:

American—
Arrow, 25,000 pounds, Booth Fisheries, 11.5c and 6c.
Omamey, 35,000 pounds, Booth Fisheries, 11.4c and 6c.

Gjoa, 8000 pounds, and Wabash, 2500 pounds, Booth Fisheries, 12c and 7c.

Frisco, 5000 pounds, Canadian Fish & Cold Storage Co., 12c and 7c.

Cedric, 5000 pounds, Atlin Fisheries, 12c and 7c.

Canadian—
Emblem I., 11,000 pounds; Brott (formerly Zero), 5000 pounds; Helen I., 2000 pounds; Toodie, 5000 pounds; Helge H., 5000 pounds; and Mayflower, 3000 pounds, Canadian Fish & Cold Storage Co., 10c and 6c.

Covenant, 11,000 pounds; Melville, 9000 pounds; and Johanna, 8000 pounds, Atlin Fisheries, 10c and 6c.

Dolphin II., 2000 pounds, Royal Fish Co., 10.1c and 6c.

Bingo, 5000 pounds, holding over.

Thomas R. Brown, who has arrived from Vancouver to join the local law firm of Williams, Manson & Gonzales, made his first appearance in County Court here yesterday afternoon. The young barrister was congratulated by Judge F. McB. Young on successfully passing his examinations for admission to the bar and was welcomed to the local court.

And your own sense of taste will convince you.

Public Notice

Public notice is hereby given that I have been appointed a commissioner by the Minister of Marine and Fisheries of Canada to investigate and report upon whether or not it is in the public interest that trap nets for the capture of salmon should be authorized in the area in British Columbia that is adjacent to the northern boundary line between Canada and the United States.

A meeting of the commission will be held at Prince Rupert on Thursday, the 18th day of April next, at the Moose Hall, commencing at 10 o'clock in the morning.

All persons interested and who wish to give evidence relating to the matter so referred to me are hereby notified of the above sitting.

Dated this 4th day of April, 1920.

(Signed)
J. N. ELLIS,
Commissioner.

POWER COMPANY'S POSITION

The fact that the Power Corporation of Canada is already taking steps to institute work on the new plant to be established to supply Prince Rupert and neighborhood with power is a good indication that the present season may be a busier one than had been anticipated. No time is to be lost in getting the work under way, we are told, and this is most satisfactory news. We look for general improvement in local conditions soon.

NATIVE BANDS

Native bands are to be invited to compete at the Prince Rupert fair this year. This feature had been dropped in order to give preference to the local boys' band. The move to bring the native bands here again is a good one. We cannot have too much music. The coming of the bands will have the effect of bringing more natives to the city at the same time and we like to have them all visit us.

PROGRAM RIVALRY IN BRITAIN

The political parties of Great Britain are likely to have a plethora of political programs before the election is over. Lloyd George led the way and it is difficult for the others to follow. Judging from the forecast, it would seem as if Premier Baldwin would go as far as possible in duplicating the Liberal proposals. Labor has yet to be heard from. The contest reminds us very much of what is done in Canada at the time of federal or provincial elections.

SURVEY OF P. G. E.

Engineers are already engaged in making a survey of the route and country for the P. G. E. north of Quesnel with the idea of avoiding the big Collingwood bridge. They will make a general survey of the country and the report will affect the possible sale of the railway to the C. P. R. and Canadian National, or to one of them, if this action is decided on.

The government has had a number of offers for the P. G. E., but it is generally thought that one of the big Canadian systems will get it.

Smooth, Creamy, Custards

Doubly rich in cream, Carnation Milk adds creaminess to any dish. "Homogenized" to break up the cream into finest particles, it makes the most velvety custards, soups, sauces, puddings, candies and ice creams. You'll agree it's wonderful.

ANNIVERSARY OF ARMY FOUNDING

Observed Last Night With Special Program in Local Citadel

The one-hundredth anniversary of the founding of the Salvation Army by the late General William Booth was celebrated with a suitable "Founder's Day" program last night in the local citadel. There was a large attendance.

The feature of the program was an address by Adjutant William Kerr on "The Prophet of the Poor." The local commandant sketched the life of the famous old general and told how he had been employed for three years in a Nottingham pawnshop, where he had come to observe the poverty and sufferings of the poor people. He had joined a Wesleyan chapel in that great English industrial centre, but his observations led him to the conclusion that there should be some more effective system of evangelistic and relief work among the poor than the churches of that day were affording. The Salvation Army had been the eventual outcome and this organization, under the leadership of General Booth, had come down through the years to be an organization of universal activity and importance.

There were selections by the string band consisting of Capt. E. Anderson, Mrs. William Kerr, Miss Evelyn Pierce, Miss Dolly Smith, Miss Annie Smith, Miss Rosie Smith and Miss Olga Salisky. The life-saving scouts—George Almon, Frank Pierce and B. Eckhart—gave a stretcher item and there were also songs by the Army songsters, including Mrs. Kerr, Capt. Anderson, Miss Edith Leek, Miss Dolly Smith, Miss Annie Smith, Miss Rosie Smith, Ed. Harman, Miss Evelyn Pierce, Miss Clara Pierce, Miss Olga Salisky, Frank Pierce and John Kelly. The Sunbeams sang a chorus and other items on the program included prayer by Mrs. Kerr, bible readings by Adjutant Kerr and Mrs. Joyce, solo by Mrs. Kerr and recitation "Dear Old Flag" by Captain Anderson. There was a gramophone record of an address by the late general, songs of whose composition were also sung.

In the course of the evening, Frank Pierce was enrolled as a member of the Army.

JAPANESE WOMAN OF PT. ESSINGTON DIES IN HOSPITAL

The death occurred suddenly last night in the Prince Rupert General Hospital a few minutes after she had been admitted, of Mrs. Nosu Nakamura, wife of a Japanese contractor at B. A. Cannery, Port Essington. The immediate cause of death is believed to have been a heart attack.

The late Mrs. Nakamura was 40 years of age and had resided twenty years in Canada. Besides her husband, she is survived by ten children at Port Essington. Funeral arrangements are in the hands of the B. C. Undertakers.

WERE MARRIED AT CATHOLIC CHURCH

Miss Marie Mercer of Seattle Bride of C. E. Cadden of Government Telegraph Service

The wedding was solemnized quietly at 3 o'clock yesterday afternoon in the Church of the Annunciation, Rev. Father Hammond officiating, of Miss Marie Mercer of Seattle and C. E. Cadden of the Government Telegraph Service at Second Cabin north of Hazelton. The couple was attended by John Dore, district superintendent of Government Telegraphs, and Mrs. Dore.

After the ceremony, a wedding breakfast was served at the home of Mr. and Mrs. Dore, with a few intimate friends present. Mrs. R. E. Moore poured and Mrs. A. E. Bazett-Jones cut the ices. Miss Evelyn McGuire and Miss Hilditch poured. There were vocal solos by Mrs. J. J. Muldoon and piano selections by Charles Balagno. A toast to the bride was proposed by Mr. Dore and responded to by the groom.

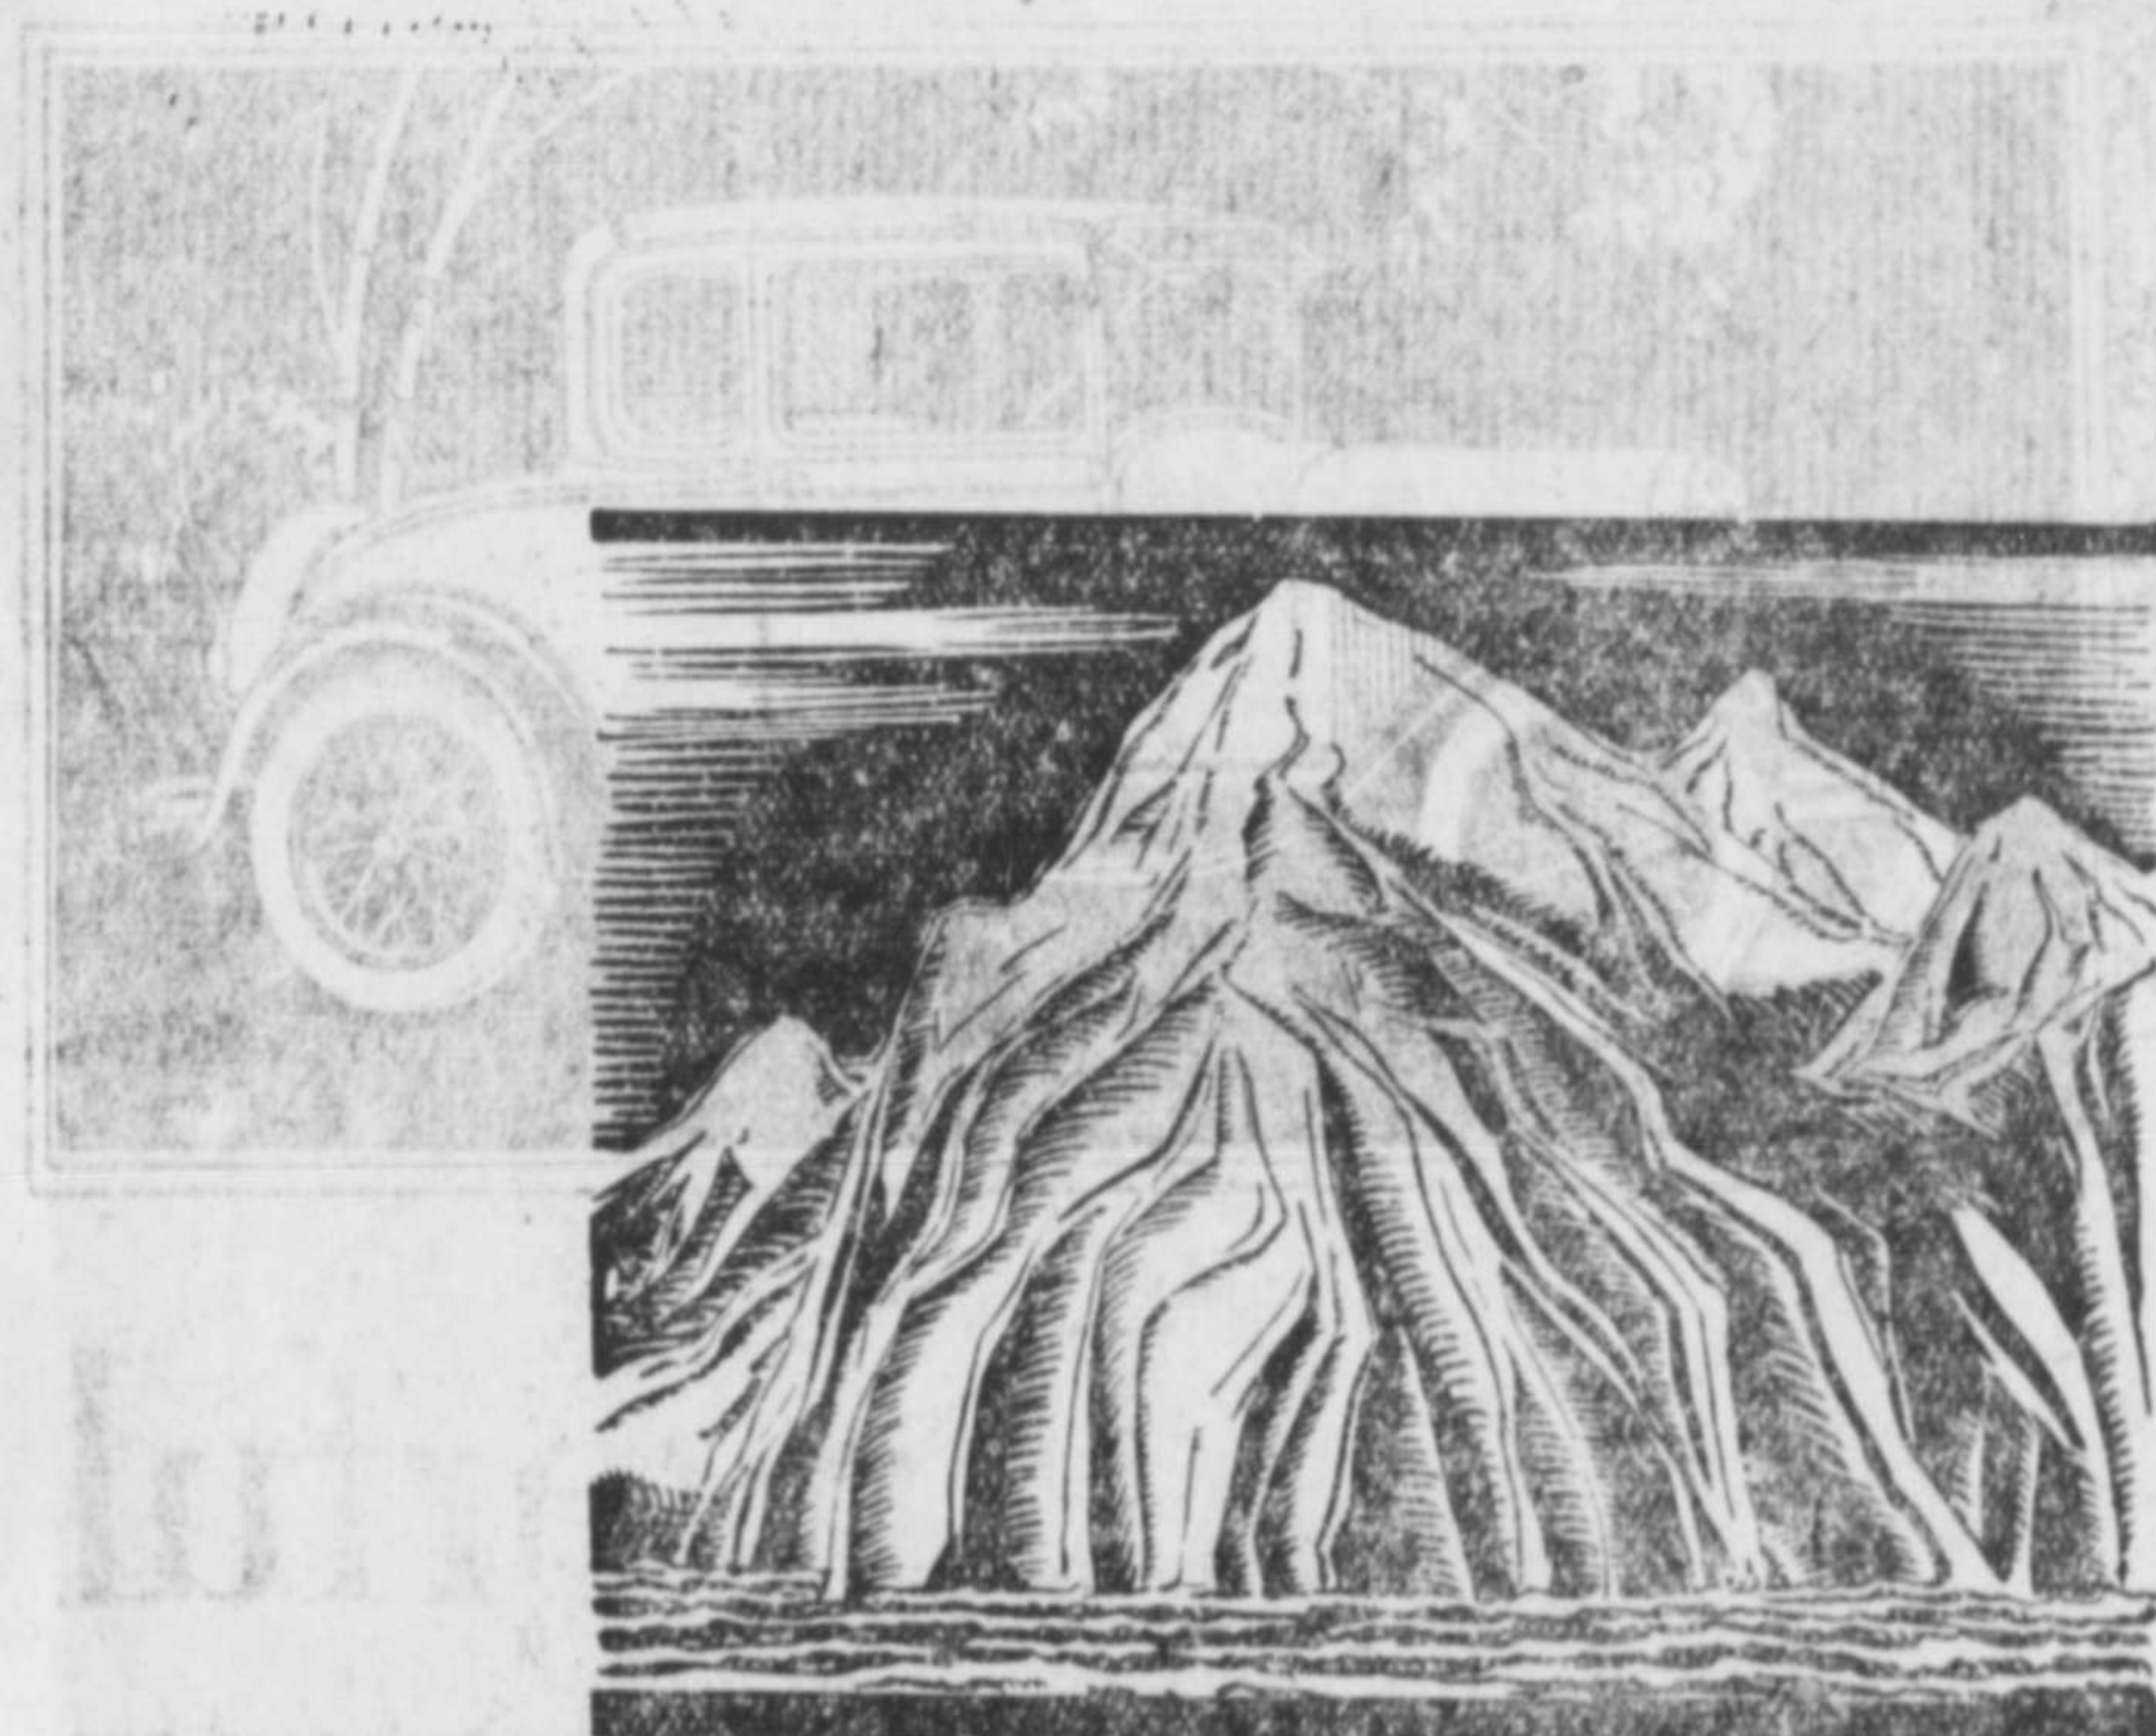

Mr. and Mrs. Cadden will reside temporarily at Prince Rupert and are at present guests at the Hotel Prince Rupert. The bride arrived yesterday morning from Seattle.

At a meeting of the school board last night, Miss Mills stated that the recent storms had done considerable damage to the Borden Street school building, causing many leaks that should be fixed as soon as possible.

CORD TIRES

ADVANTAGES OF WESTERN ROUTE

Wheat Put on the World Market Cheaper Through Pacific Ports, Says Pool Official

MENTIONS PRINCE RUPERT

Vancouver is and will remain the favored route for Alberta pool grain, according to O. Z. Buchanan of the pool's sales department, in a recent statement published in the Vancouver Province.

After outlining the functions and aims of the pool, and its sales department, Mr. Buchanan states: "Possibly in Alberta we are watching more closely even than you are the tremendous proportions being assumed by the ports on the Pacific—Vancouver and Prince Rupert—as outlets to the world's grain markets for Alberta grain. In 1921 only about 2,000,000 bushels left Canada via that route, while last year, 1928, 86,000,000 bushels were loaded at these two Canadian ports.

"For a few years it was somewhat difficult to get ocean tonnage but this situation has gradually changed until at present wheat is being loaded on boats there nearly every day of the year. It has been our experience that we can put wheat on the world market cheaper via the western route and we are doing everything possible to increase the volume of

pool wheat going out that way each year hoping that eventually every bushel of pool wheat grown in Alberta will be loaded at Pacific ports.

"Of course we are only interested in costs of placing our wheat in the most advantageous position for selling and as long as rates of expense west are on a parity or cheaper than the old route over the lakes to Atlantic seaboard, there does not seem to be any reason why each year increasing bushelage should not go westward from Alberta.

"Much attention is being paid to development of the consumption of Canadian wheat in the orient. A very few years ago there was only limited quantity being imported by the Orient. This wheat usually went forward in regular liner vessels in sacks. Each year now increasing quantities are being bought in Canada until this year over twenty million bushels will be required to take care of the Oriental market."

FISHING INDUSTRY FIRST

Fishing may well be regarded as the first industry to be systematically prosecuted by Europeans in what is today the Canadian domain. It has never since ceased to yield a perennial harvest both to Europe and America.

CANADIAN ROADS

In 1927 federal, provincial and municipal expenditures on the improvement and maintenance of Canadian roads amounted to \$45,750,000.

BALDWIN TELLS PRINCE ABOUT CIVIL SERVICE

Witty Address Given By Britain's Prime Minister Who Uses Simple Language

LONDON, April 11.—Prince George as already announced, is for health reasons relinquishing service with the Royal Navy, and is taking a place on the staff of the Foreign Office.

The Prime Minister, who was present with the Prince at the annual dinner of the Civil Service in London, offered some witty remarks to the Prince and the company in general concerning the position of civil servants. "The Civil Service is what is called in the jargon of the day a sheltered industry and a strong trade union," declared the Prime Minister.

"We politicians, though are unsheltered, we are exposed to all the blasts of competition, and at this moment my competitors are trying to sneak my customers from me."

Addressing the Prince the Prime Minister continued: "You will hear yourself and your friends described as bureaucrats—long words are the fashion today. The word 'bureaucrat' puzzled Queen Victoria; it was new in those days. I believe a bureaucrat is one who has no soul

to be damned and no body to be kicked. If that latter be the case it does not follow that what is left is spirit nor does it follow that the possession of great intellect prevents you from enjoying yourself at the festive board.

"You will find, sir, that a great deal of the English language which you have learned and spoken will be of little service to you in this new walk of life upon which you have entered. When you have been accustomed to writing to your friends and saying, 'You really are talking through your hat,' you will really have to write now, 'My Lords cannot conceive,—which is a perfectly different thing. I am supposed to be a speaker of some reticence, no orator, a speaker in monosyllables. My ideas are of pellucid clarity. When Sir Warren Fisher or his satellites try to put these ideas into a bill or convey them in writing they at once become almost impossible of comprehension."

CANADA'S MINING ADVANCE

From a comparatively obscure position in 1900 with a production of less than \$65,000,000, Canada is steadily advancing to the front rank of the mineral-producing countries of the world with a total production in 1928 valued at \$271,000,000.

MONTE BLEU ILL

HOLLYWOOD, April 11.—Monte Bleu, the movie actor is seriously ill but no alarm, for his life is felt.

MAGNETIC POLE VERY ILLUSIVE

Canadian Officials Engaged in Tracing Its Vagaries From Boothia Peninsula

OTTAWA, April 11.—A determined effort to solve the vagaries of the magnetic pole is being made by Canadian scientists. Major L. T. Burwash of the Northwest Territories Branch is spending the winter in the neighborhood of the pole on Boothia Peninsula and will conduct a series of tests lasting into the summer. Details of the meas-

urements are being transmitted to Ottawa by wireless from the steamer Fort James which is wintering in that locality.

The magnetic compass has long been recognized as inaccurate on account of the wandering propensities of the magnetic pole. During the last few years mariners and aviators have turned to more modern devices such as the gyroscopic, sun and radio compasses but the magnetic compass is still in wide use.

Besides the recognized variation from the true north of Northwest Territories Branch is nearly 50 degrees from coast to coast in Canada which the magnetic compass shows, there is a further range of error from the series of tests lasting into the each year approximately two-

thirds of a mile. For several years it marches to the west, then turns back and marches east again. Thus at Fort Churchill the needle pointed 24 degrees west of north in the year 1700, one degree west in 1800 and 10 degrees west in 1900.

Norton Grinding Wheels

For quickly removing metal, for cutting off, for producing a high finish on any material, for any service where grinding wheels can be used, you will find a Norton Wheel that will cut quicker, or produce a higher finish, or turn out more pieces at a lower cost. Norton Wheels are carried in stock at all branches and at your service are men who have made a study of removing metal by grinding. They will tell you the right wheel to produce the most work at the lowest cost.

Transmission Equipment

To ensure the steady and economical flow of power from drive to machine, proper shafting, hangers, bearings, pulleys and belts are essential, and here you will find Graton & Knight Leather and Dick's Balata Belting, Fairbanks Wood Pulleys, Barry Steel Split Pulleys, Hyatt Roller Bearings, as well as all the numerous appliances necessary for the transmission of power.

Fairbanks-Morse pumps and motors

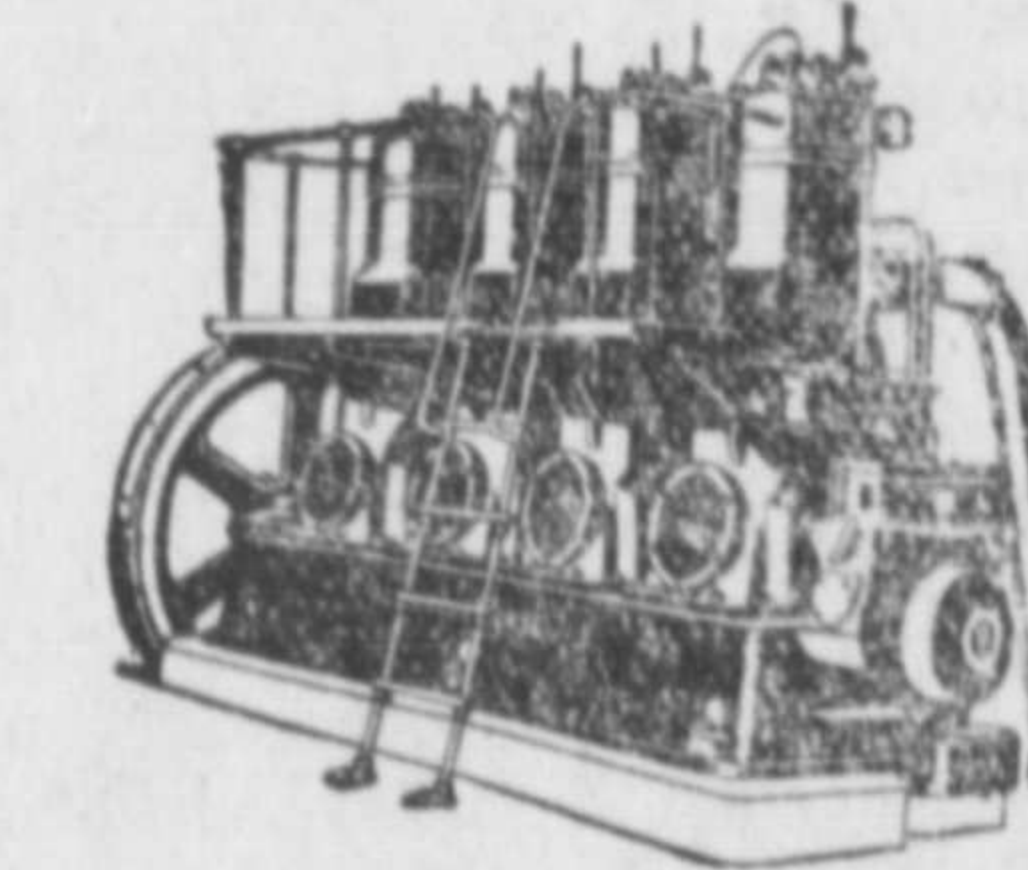

"A pump for every purpose"—for water, sand, air, sewage or stock, we can supply the special type of pump best suited for the service required. Fairbanks-Morse Pumps, either separate drive, or direct-connected to Fairbanks-Morse Ball Bearing Motors, have made unusual records for efficiency and dependability.

Automotive Supplies

In our Automotive Departments we carry large and varied stocks of supplies, replacement parts and garage equipment. Garages, Repair Shops and owners of Bus and Truck fleets are assured of an excellent service in parts and supplies, such as Spark Plugs, Chains, Fire Extinguishers, Wrench Sets, Brake Linings, Piston Rings, Pins and Bearings, Ignition and Battery Cable, Gaskets, Carburetors, Alemite Fittings, etc., as well as complete equipment for repairs and maintenance, including Cranes, Tire Changers, Presses, Spraying Outfits, Hoists, Test Stands, Air Compressors etc.

F-M Stationary Diesel Engines

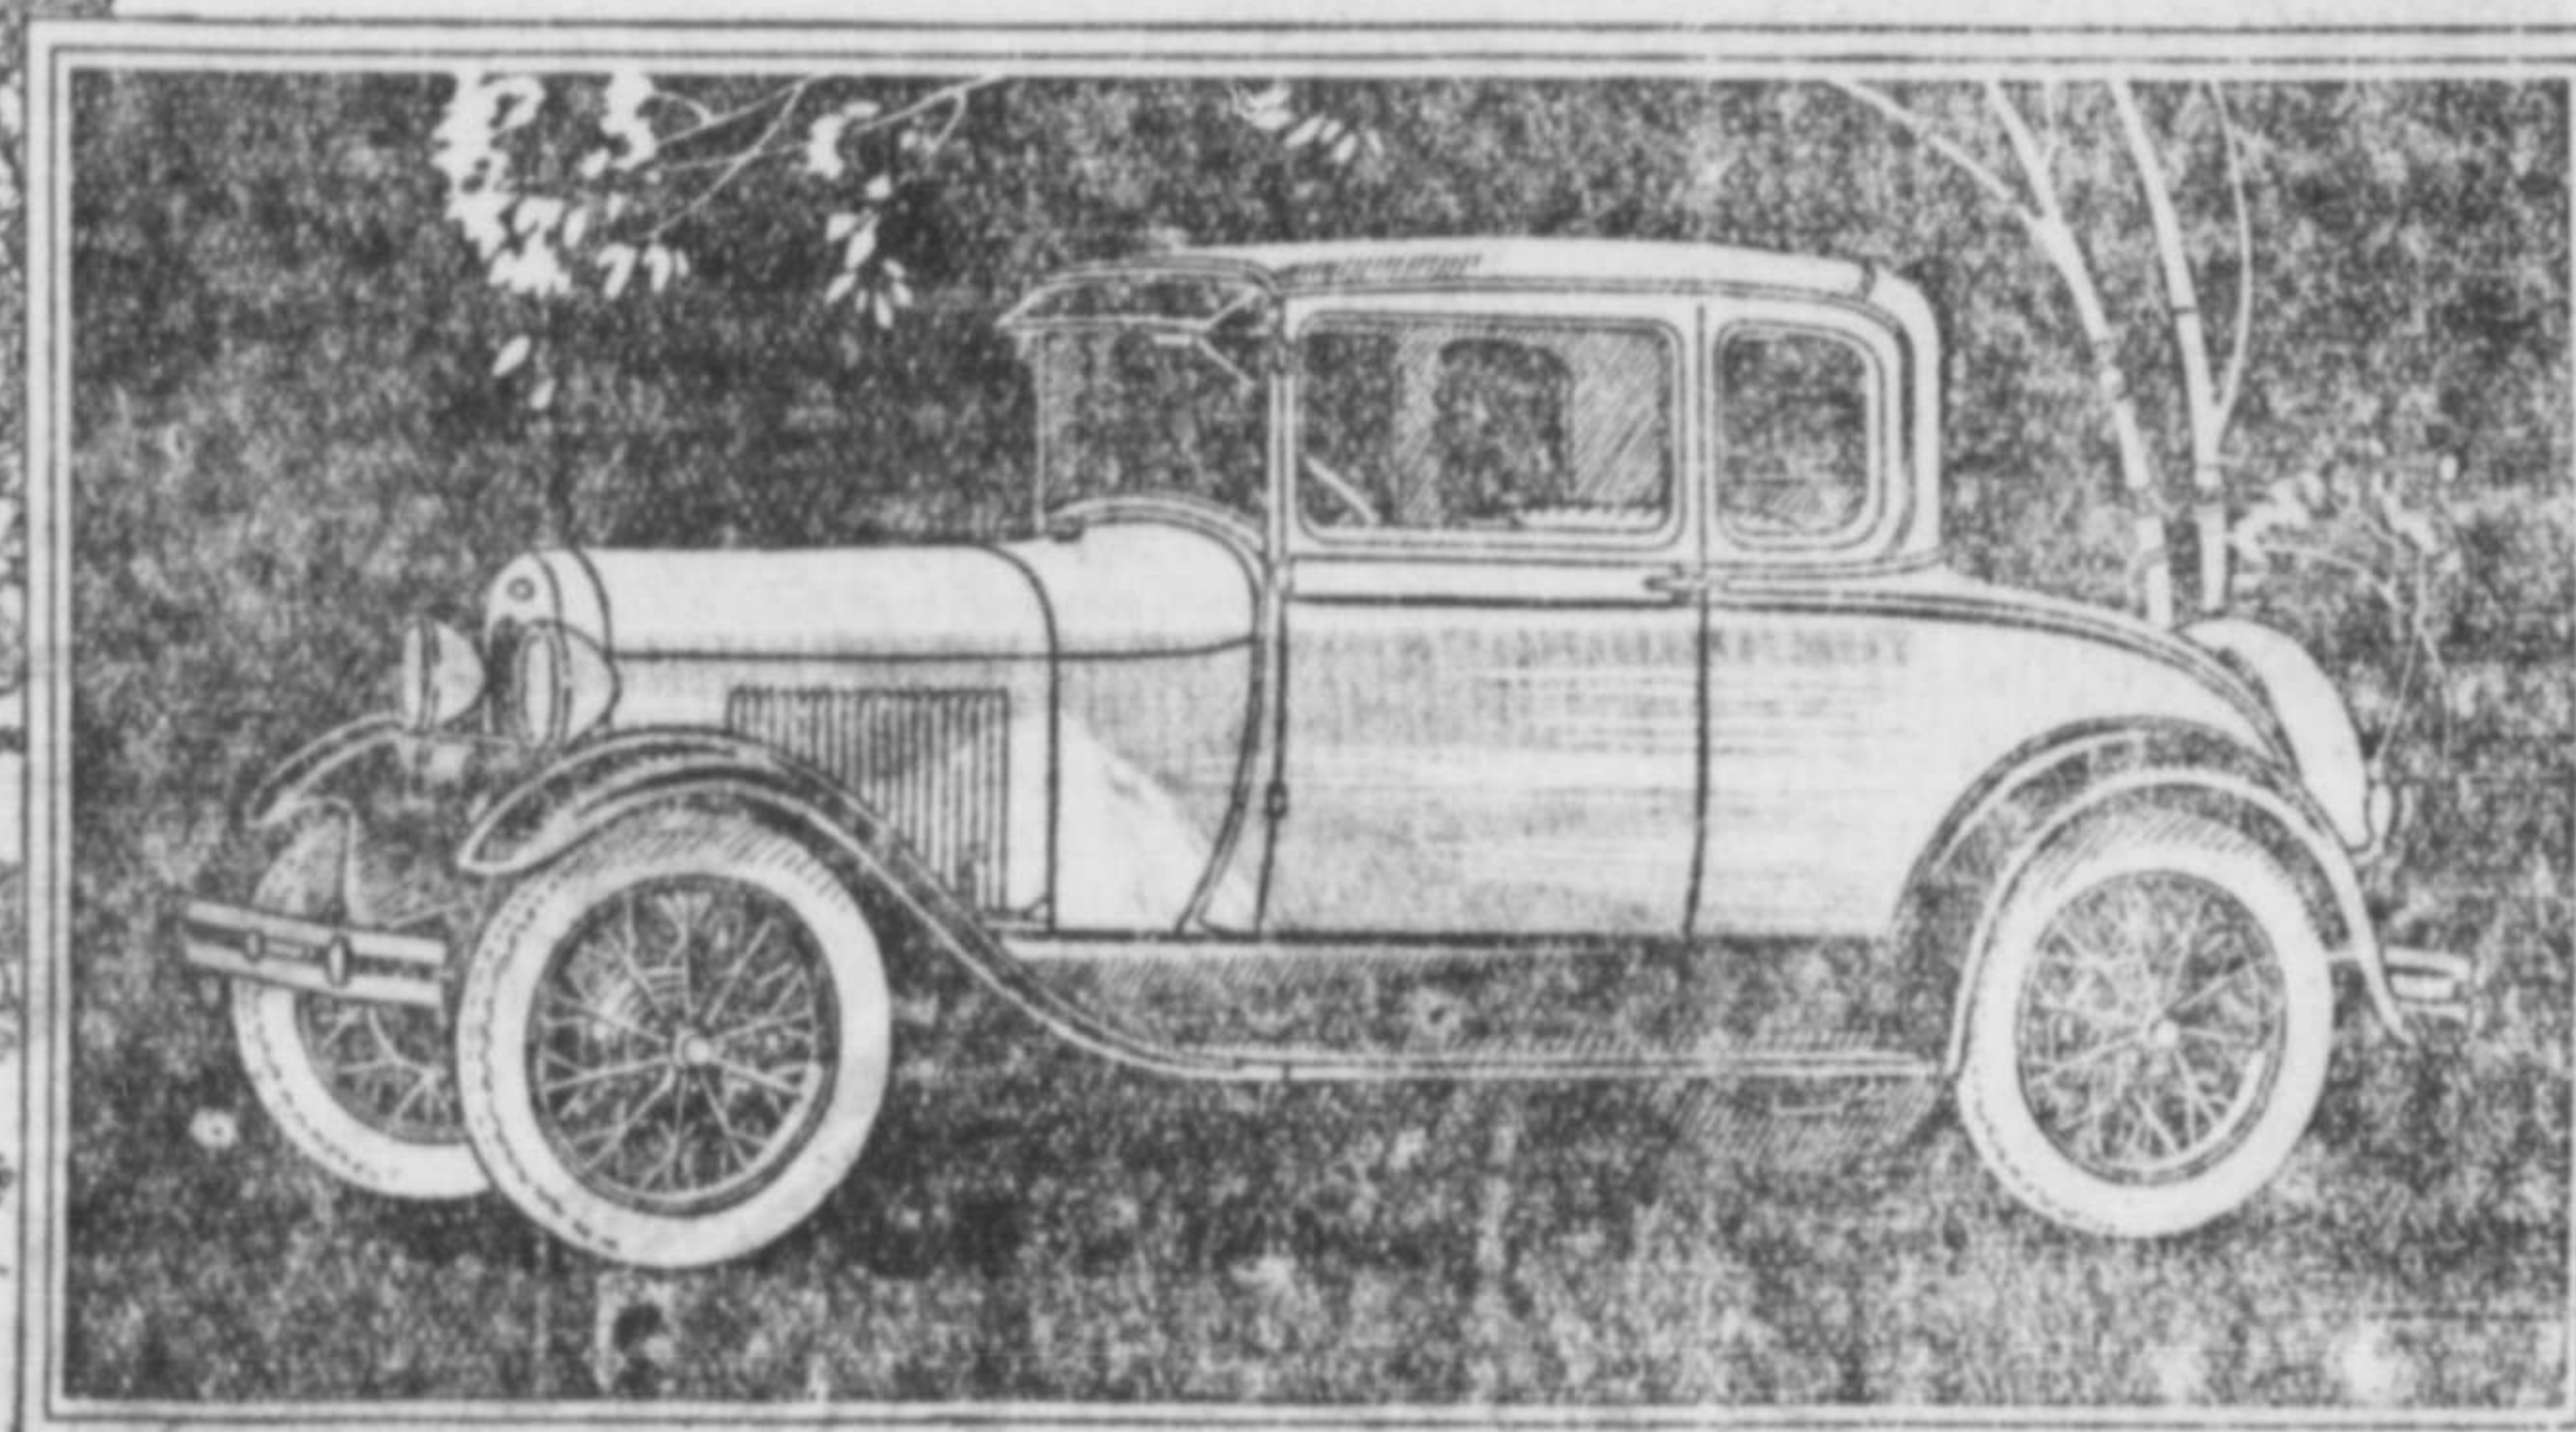

For isolated power plants where electric power is not available, and for standby service, Fairbanks-Morse Diesel Engines have proven thoroughly dependable and remarkably low in power, operation and maintenance costs. In mine, mill, grain elevator, railway yard, town and city light, power and pumping plants, in countless instances they are giving entire satisfaction using cheap low grade fuel oils. They are made on the 2 cycle principle in a wide range of sizes from 25 to 840 H.P.

In our twelve Branches you will find stocks of mechanical equipment and shop supplies that for variety and quantity are unequalled in Canada. Aside from the many lines made by us, we have been selected to represent many of the world's outstanding makers of machine tools, machinery, equipment and supplies. Our general catalogue shows clearly how wide a service we provide for Canadian industry. A copy will be mailed without charge.

Alert and Powerful

SUPERB action both in traffic and on the open road has won world wide demand for the Ford car. This great performance together with remarkable beauty of line and colour makes every owner of a Ford Car its enthusiastic champion. A short turn behind the wheel will explain such staunch pride of ownership.

Ask your Ford dealer to let you drive a Ford Car. He will be glad to take you out. Select the steepest hills, the heaviest going—you will be amazed at the power at your command. Make for the thickest traffic. Drive alongside other cars. Try the quick getaway, the swift pickup in second, the easy gearshift. Feel the smooth, sure action of the six brake system. A demonstration will convince you of the outstanding merit of the Ford Car. Drive it yourself, there is no better test-

Enduring Quality—Power; ability to endure sustained high speeds; smooth operation of the remarkable Ford engine; quietness of the transmission and rear axle; ease and certainty of control; braking efficiency; acceleration and riding comfort—these are the result of quality inbuilt throughout the Ford Car.

Riding Ease—The unique Ford Car feature of transverse, semi-elliptic springs has much to do with its road tenacity, reducing the effect of

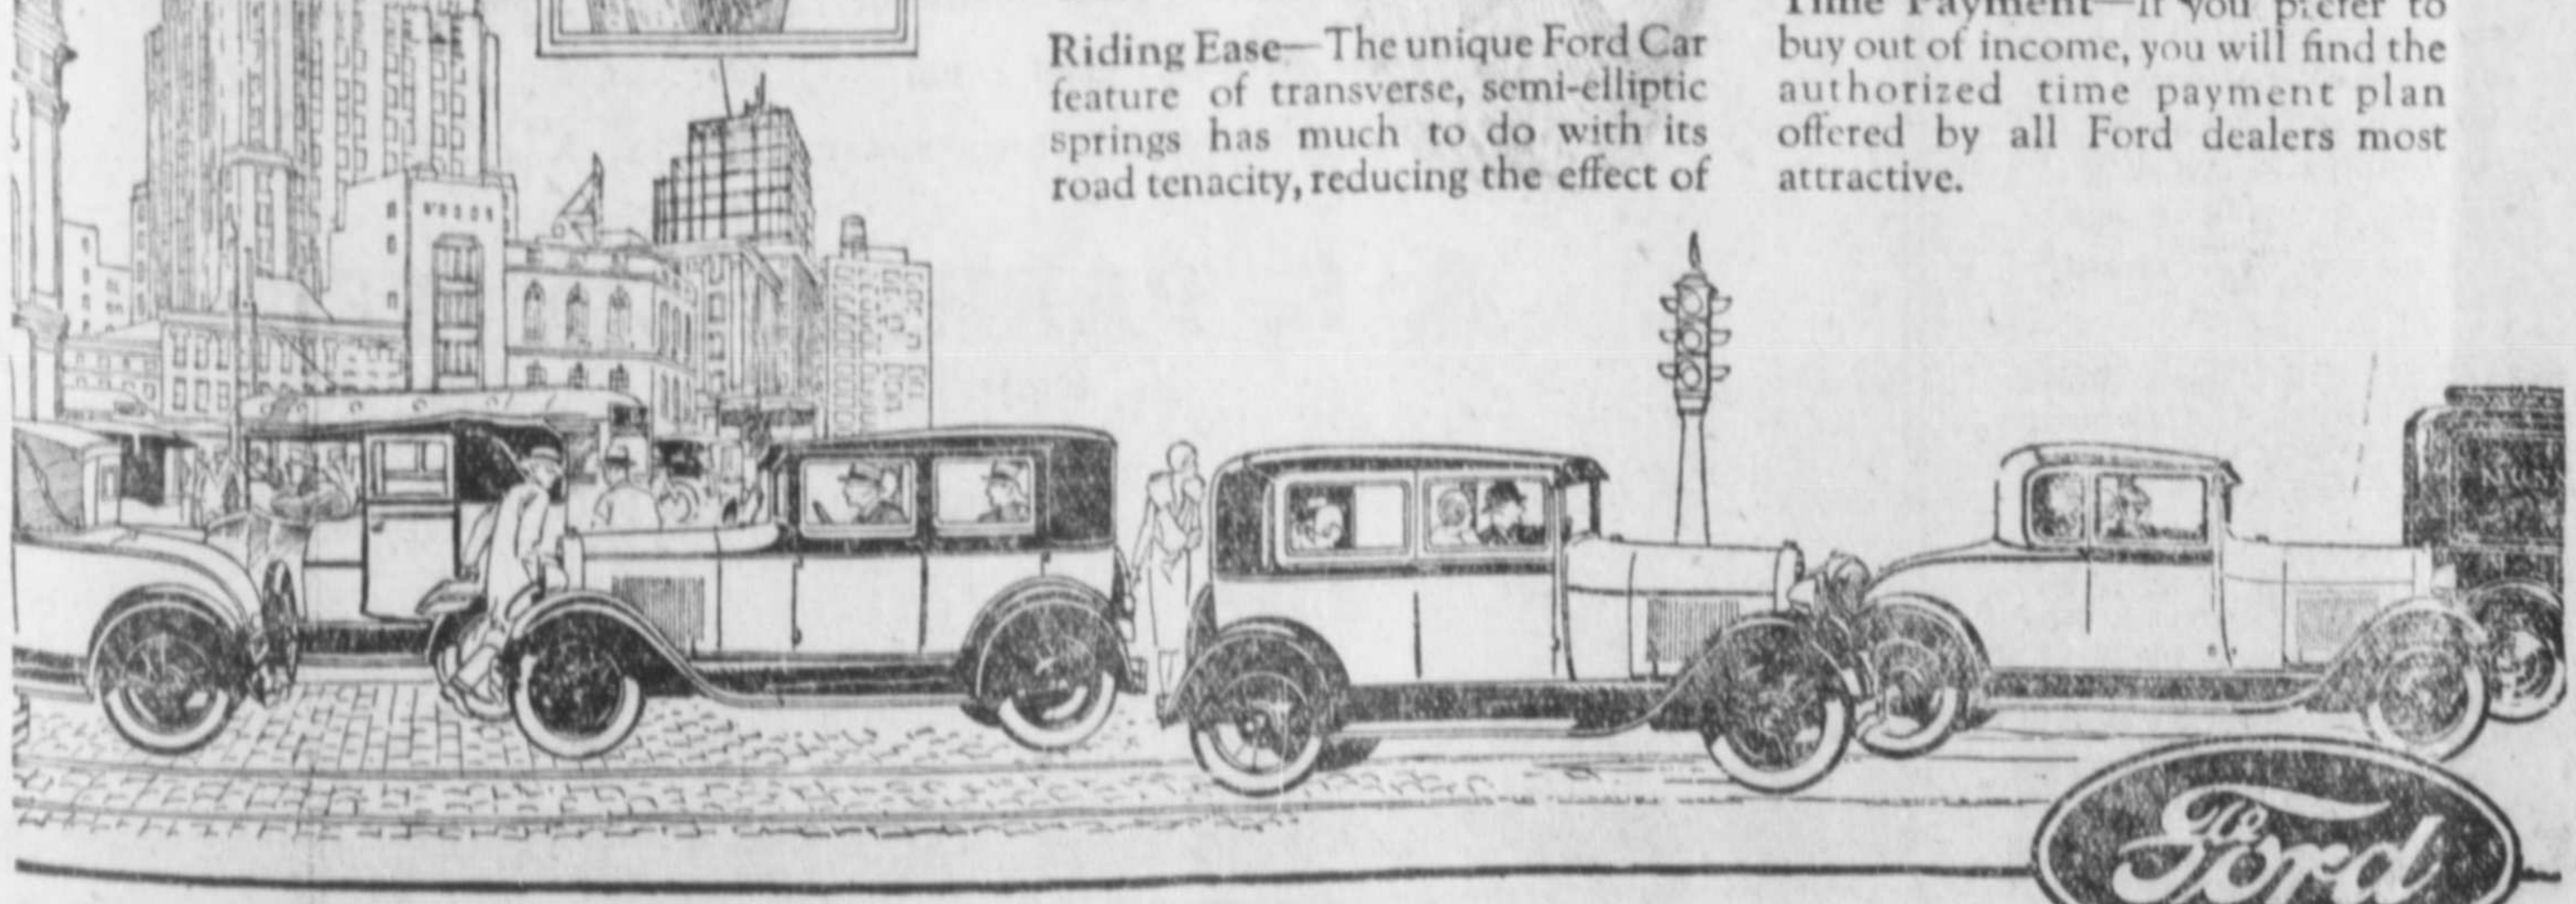

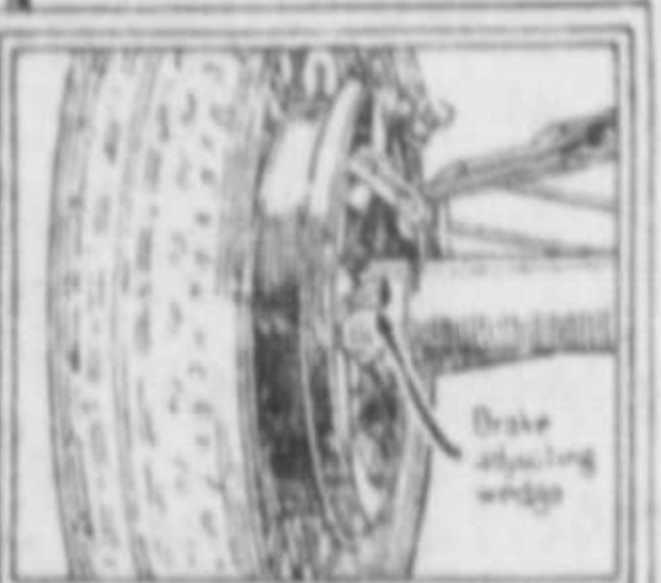

body sway on rounding turns. Torque tube drive, an original Ford feature now adopted by a number of the more expensive motor cars, relieves the springs of all driving strain. Four Houdaille hydraulic shock absorbers cushion road shocks and provide smooth riding even on rough stretches.

Time Payment—If you prefer to buy out of income, you will find the authorized time payment plan offered by all Ford dealers most attractive.

Drive it Yourself—There is no Better Test

- #### Ford Car Features
- Choice of colours
 - 55 to 65 miles an hour
 - 40-horse power engine
 - Full balloon tires
 - Fully enclosed six-brake system
 - 4 Houdaille hydraulic shock absorbers
 - 80 to 85 miles per gallon of gasoline
 - Shatterproof glass windshield
 - Theft proof ignition lock
 - Reliability and low upkeep

This illustration shows the convenient location of the wedge that adjusts the brake shoes on the Ford car.

COMMONWEALTH DIVERSION IN IS KNOWN HERE PROCEEDINGS AT MEETING

Capt. Conrad Peterson, Master of Wrecked Fishing Boat, Has Had Bad Luck Recently

The big Both Fisheries halibut schooner Commonwealth, which was reported in telegraphic despatches yesterday to be wrecked on the Shumagin Islands, is a well known vessel in the port of Prince Rupert, having made many calls here. She has operated in the Pacific Coast halibut fisheries for a number of years. The vessel is of 60 net tonnage and carries a crew of 17 men. Bad luck seems to have been dogging Capt. Conrad Peterson, the master of the Commonwealth, during the past year. About a year ago he lost the schooner Alaska on Kennedy Island off Kodiak. Coming up the coast from Seattle at the opening of the present fishing season, the Commonwealth went ashore near Campbell River but was floated and proceeded to Ketchikan where repairs were made. The vessel was on her first trip to the fishing grounds this year when the present wreck occurred. Such despatches as have been received indicate that the Commonwealth is now in a bad plight and may be a total loss.

A diversion in the ordinary proceedings was caused at the public meeting last night called to protest against fish traps. George Kane was at the meeting and in the course of the evening rose to speak. He told the fishermen they were all wrong in their views. The proposal for fish traps had to do with the Fraser river area. He knew all about it and thought it a good move. Directly anyone started to do anything for the good of the country somebody always opposed it.

Just about that time there were murmurs of dissent. The chairman, Mike Anderson, pointed out to the speaker that he was all wrong, but he only waxed more eloquent, making at the same time certain remarks of a rather offensive nature about the men taking part in the gathering. The good offices of George Nickerson induced him to sit down, but it was not very long before he was up again demanding to be heard. When finally the chairman was unable to secure order, the police were sent for and Mr. Kane was conducted downstairs and left the building still breathing imprecations against the "chechacos," who did not know what they were talking about.

ALMOST FRANTIC WITH HEADACHE

'Kidney Trouble' and Weakness Relieved by 'Fruit-a-tives'

MRS. TESSIER

"I was very weak because of Kidney Trouble and suffered with terrible Headaches," says Mrs. Romulus Tessier, St. Jean de Matha, P.Q. "I was treated for a long time and was just about discouraged when I learned of 'Fruit-a-tives'. Improvement came with the first few doses, and in six months the kidney trouble, weakness and headaches were gone. 'Fruit-a-tives' regulates the bowels, kidneys and skin—purifies the blood—and brings sound, vigorous health. Try this wonderful medicine made of fruit juices combined with the finest medicinal ingredients. 25c. and 50c. a box—at dealers everywhere.

OFFICERS CHOSEN FOR CATHOLIC WOMEN'S LEAGUE FOR YEAR

Officers elected for the Catholic Women's League for the year 1929-30 are as follows: President—Mrs. J. J. Gillis. First vice-president—Mrs. M. P. McCaffery. Second vice-president—Mrs. L. Lawlor. Third vice-president—Miss M. Bussanich. Treasurer—Miss M. Astoria. Recording secretary—Mrs. C. Balagno. Corresponding secretary—Miss K. Johnson.

WHAT'S THE USE

Bobby was obstinate one day and refused to say his lesson to his teacher. "But you know it quite well," she urged. "Yes," admitted Bobby. "Then why don't you say it to me?" "Cause if I say it now you'll only make me learn something else tomorrow.—Schoolmaster.

PUBLIC MEETING PASSES RESOLUTION OF PROTEST AT FISH TRAP PROPOSAL.

(continued from page 1)

of all the saving of long labor as represented in salmon fishing boats and equipment, which in its turn will reflect disastrously upon all the manufacturing plants serving needs of the salmon fishing industry and all the auxiliaries in Prince Rupert, B.C.

"Be it resolved that we, the citizens of Prince Rupert assembled in public meeting representing all occupations and walks of life are strongly opposing permission being granted to operate any salmon fish trap anywhere in the Northern British Columbia Salmon Fishing District No. 2, on the ground that salmon traps if permitted to operate will endanger the livelihood of a large portion of British Columbia's population."

The chairman explained the object of the meeting. He said he could not conceive of anyone here being in favor of fish traps except perhaps a few cannerymen. All the members of parliament, Liberal and Conservative, had promised that traps would not be allowed. He told of efforts in the past to prevent traps being used. At present there was a proposal to operate them in Pierce Canal, the argument advanced being that Canadians should have the same opportunity as Americans. The tendency would be, if the traps were started, to gradually extend until the whole of the district was covered with them.

Mr. Anderson then read a telegram he had received from the commissioner asking if the dates set were convenient. J. M. Ellis, the county judge, planned to arrive here April 17 and hear evidence April 18 and 19. He urged that any evidence any of them might have been given to himself or other members of the association and not made public just yet. It was life or death for the fishermen.

Mr. Anderson told of having visited other sections of the district and they were all against fish traps. A meeting would also be held at the Queen Charlottes and a resolution forwarded. The chairman further pointed out that if the fishermen were put out of business, it was the business men of the city who suffered. He did not see how any of them could support traps.

H. Streethorst said the fish were decimated as it was and he thought fish traps should be kept out. The people here did not want them.

P. Hoffman said the cannerymen had already ruined the independent seiners and why take the livelihood of the other fishermen away and give it to the machine. Several others spoke and then the chairman again outlined a number of events which he considered had led up to the present proposal. Mr. Brady was here the other day and he did not say anything about this question when he was in the city. Five thousand licenses were now issued to the fishermen and he wanted to know what would happen to them. The merchants benefited by their existence.

The resolution of motion of Messrs. Streethorst and Hoffman was then put and carried without opposition.

Bob Hanna said any fisherman with any intelligence would be opposed to traps. On a previous occasion 500 names had been signed to a petition of protest. Traps had proved destructive in any area where installed.

Captain Kohrt said the fishermen of the Fraser river had been put out of business by the traps and now they were trying to figure out some way of bringing the fish back. Cannerymen could sell out, but fishermen could not. "Put in traps and where are we?" he inquired.

C. Rasmussen expressed the opinion that the same men who were cleaning up Alaska with traps were planning to do the same thing here.

J. Matheson prophesied that if the traps went in, all the fishermen would have to move to Siberia within five years.

Olof Hanson explained his position and the action he had taken. He had been instructed by the Liberal Association to oppose traps when he had been nominated and he had done so.

Charles Lord, who was appointed to present the case before the commission, asked for any information those present might have which would help him in placing

their views before the commissioner.

Mr. Reid then spoke of the injustice of the district fishing system.

A. O. Morse thought a protest should be made against the appointment of the commission. He thought the intention was to establish fish traps. The commission was entirely uncalled for.

In the course of the meeting George Kane tried to say that the commission applied only to the Fraser river and after being told to sit down and refusing was led out by the police.

CHILDREN MAY MARRY IN ENGLAND TODAY

Committee to Investigate and Make Recommendations for Parliament to Act

LONDON, April 11.—Following debate in the house of lords recently on a bill introduced by Lord Buckmaster to raise the age at which young people are permitted to marry to 16 in the case of both sexes, the question of the age of marriage is to be investigated by a select committee. At present girls may marry at 12 years and boys at 14.

Lord Davidson, former Archbishop of Canterbury, pointed out that at present England stood on the lowest grade among the civilized nations of the world in regard to the age of legal marriage, ranking with Greece, Siam, Venezuela, Cuba and Poland.

U. E. LOYALISTS MAY PRESS U. S. CLAIMS

Meeting at Deseronto in June Will Consider Whether Action Should Be Taken to Recover Land

BELLEVILLE, Ont., April 11.—United Empire Loyalists throughout Canada are becoming somewhat deeply interested in claims against the United States, said Magistrate W. C. Nichol, K.C., vice-president of the United Empire Loyalists' Association, in a statement published here recently. This question of the return of the lands to the Loyalists or payment of compensation by the United States government will be considered at the United Empire Loyalists' celebration at Deseronto next June.

TRAFFIC ON "SOO" CANAL

Although the Sault Ste. Marie locks (Canadian and United States locks) opened almost three weeks later than in 1927 and closed two days earlier, the total traffic in 1928 was 86,993,124 tons, an increase over the previous year of 3,640,084 tons.

AN OCEAN CABARET

EVERYONE unbends at a Cunard Cabaret Dinner... everyone catches the lighthearted spirit of camaraderie. Coloured lights, and laughter; streamers and serpentine, balloons, favours, and the magic of music and dance. Plenty of recreation on a Cunarder. Sail Cunard!

Book through The Cunard Steam Ship Co., Limited, 6221 Hastings St. W., Vancouver (Tel. Seymour 3648-9), or any steamship agent.

Weekly sailings from Montreal (and Quebec) to Ireland, Scotland and England in conjunction with Cunard commencing May 3rd.

The true purpose of a Budget

EVERY year you spend a large proportion of the money you get. So much for clothing. So much for shoes. So much for things to eat—for house furnishings, books and what not.

Here is the way to get the most for your money.

Keep a budget. Decide what you can afford to spend for each item, and hold yourself within this amount.

Then—to get the most for your budget money read advertisements carefully. The advertisements you read tell you what is newest and best. They give you the latest ideas and improvements. They help you to get more from each dollar you have apportioned in your budget—and so live better and dress better with the same income.

The true purpose of a budget is to enable you to spend wisely—and only by careful reading of advertising can you hope to accomplish this result.

Read advertising regularly. It points the way to better living.

Man in the Moon

It's a great day for electricity. People seem to want everything charged.

The tooth is talking
Let it talk
Then to the dentist
I will walk.

The tooth is talking—
Hurry away
Have it seen to
Now, today.

The tooth is talking
Out it comes
No room there for
Talking bums.

Yesterday the Senate did not sit. Today the Senate is not sitting. Tomorrow the Senate will not sit. Thus Ottawa from day to day records the feverish activities of the elder statesmen.

The Senate is sitting
Just think of it
The old men are active

Wouldn't that fact just about make any reasonable man throw a fit.

One of the things to look forward to here is the sun-back dress. It shows the spine of the wearer from one end to the other.

The sun-back dress is all the rage. It takes us back to an early age when Adam and Eve, all unaware and unadorned, took sun and air.

It would never do for some of the young men to wear a dress of the sun-back variety. In order to do so it is necessary to have a spine.

Ten Years Ago in Prince Rupert

April 11, 1919

Acting Mayor D. C. McRae has wired an invitation to Lieut. Col. C. W. Beck V.C. to return to the coast with his regiment via Prince Rupert instead of going straight to Vancouver. A similar invitation has been sent by J. D. McAuley, secretary of the Canadian Club.

Improvements to be made at the Salt Lake this year by the Prince Rupert Swimming Club will include the putting in of a dam with a gate.

The school board last night decided to give a general increase in salary to local teachers. The Teachers' Association has recommended that salaries for grade teachers be from \$1200 to \$1800 per year.

WATER NOTICE

Diversion and Use

TAKE NOTICE that Alfred H. Bryant, whose address is 609 Bank of Nova Scotia Building, Vancouver, B.C., will apply for a licence to take and use one thousand miners inches of 28 c. f. s. of water out of Buck Gulch Creek, which flows northerly and drains into Dease Lake about eight miles from Dease Lake.

The water will be diverted from the stream at a point about three-quarters of a mile from Dease Creek and will be used for hydraulic mining purposes upon the mine described as Ready Money Lease, Shirlie Lease No. 103 and Creek Claims Daisy and May Messom.

Water to be diverted from Buck Gulch at a point at lower end of canyon of said creek and carried by ditch and flumes over benches to point of use.

This notice was posted on the ground on the 21st day of December, 1928.

A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Telegraph Creek, B.C.

Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper.

The date of the first publication of this notice is March 11, 1929.

Canadian Government Merchant Marine, Limited

FOR SALE BY TENDER

Sealed tenders will be received by the Undersigned as Agents for the Owners at 384 St. James Street, Montreal, until noon April 22nd, 1929, for the purchase of the following steamers; tenders to be based on acceptance of the respective vessels in their present condition and located at Vancouver, B.C. Any stores or bunker coal that may be on board excluded:

S. S. "Canadian Conqueror," ascertained deadweight capacity 3938 tons, built 1921

S. S. "Canadian Rover," ascertained deadweight capacity 2920 tons, built 1926

S. S. "Canadian Observer," ascertained deadweight capacity 3982 tons, built 1920.

CONDITIONS:—Tenders may be submitted for one or more of the three vessels. Tenders must be accompanied by cheque for five per cent (5%) of the amount of the tender, cheque to be made payable to the order of the Canadian Government Merchant Marine, Limited, and accepted by a Canadian chartered bank. The highest or any tender not necessarily accepted.

Plans and specifications of steamers can be seen and particulars of delivery ascertained on application to the Undersigned, or Mr. B. C. Keeley, Pacific Coast Manager, at Vancouver. Name of vessels must be changed before the transfer is completed.

D. O. WOOD, Acting General Manager, Canadian Government Merchant Marine Limited

MOOSE LODGE ANNIVERSARY

Supper and Social Followed Regular Weekly Meeting Last Night

After the regular weekly meeting of the Moose Lodge last night, presided over by the dictator, D. C. Schubert, members and friends took part in a supper provided by social committee chairman, W. Lamb, and his aides, which was followed by a very enjoyable social hour. There were much appreciated vocal solos by J. A. Teng, accompanied by H. N. Brocklesby; comic sketches by Bob James who was in his usual good form; selections of martial music by Jimmy Sturgeon on his bagpipes, and tenor solos by Harry Astoria in English and Italian.

April 9, being the ninth anniversary of the foundation of the Loyal Order of Moose in Prince Rupert, B. M. Simpson, Past Dictator, gave a highly interesting and informative resume of the history of the Moose Lodge in this city. The Moose Lodge was instituted here during April, 1920 by a nucleus formed of members of the Dawson Moose Lodge, and had progressed until the present progressive and solid basis has been reached this year.

FOLK MUSIC WAS LADIES' SUBJECT

Interesting Program Enjoyed by Music Club Meeting at Mrs. J. C. McLennan's

The Ladies' Music Club held its regular fortnightly gathering yesterday afternoon at the home of Mrs. J. C. McLennan, 945 Borden Street. The program on "Folk Songs of All Nations" proved an interesting one. Mrs. Robert Blance was in charge of the arrangement of the program and read a suitable paper. Other numbers were as follows:

Vocal solo, "Norwegian Folk Songs," Mrs. Karl Dybhavn, accompanied by Miss Aletta McKinley.

Vocal solo, "German Folk Songs," Mrs. James Farquhar, accompanied by Mrs. M. H. Blott.

Vocal solo, "Irish Folk Songs," Mrs. C. E. Cullin, accompanied by Mrs. M. H. Blott.

Violin solo, "Gaelic Folk Songs," Mrs. William Millar, accompanied by Mrs. C. E. Cullin.

Vocal solo, "Icelandic Folk Songs," Miss Thora Thorsteinson, accompanied by Mrs. C. E. Cullin.

Freighter Salvor, Capt. Rush, arrived in port yesterday from the south with a cargo of coal for Albert & McCaffery.

SCHOOL BOARD REVERSES LAST YEAR'S ACTION

Resolution Passed Asking For Passing of Pupils on Recommendation

At a meeting of the school board last night the following was moved by Trustee Gilchrist and seconded by Trustee Barrie: "That our secretary be instructed to advise the Department of Education that this board, having reconsidered the representation made to them last year with reference to the matter of having all Public School children in Grade 8 sit for the Government High School Entrance examination, are of the opinion, that this course is not in the best interests of the children and that our principals should be allowed to carry out the system of recommendation followed heretofore."

This motion was carried unanimously.

Considerable discussion took place. Miss Mills and J. S. Wilson, speaking for the schools, favored the recommendation plan saying that examinations even in school were always a source of terror to the children and when they had to go away and have strange supervision it made it ten times worse and for this reason many pupils who should have passed into High School at their first sitting had to wait another year.

Mr. Peddie said that he was in favor of the recommendation system but that there should be a definite line drawn as to which pupils were really ready for High School. He stated that the first year he was at the High School he entered all the pupils recommended by the principals, and he found that this was the cause of a great many of the failures in that year. He said that "doubtfuls" should not be allowed to enter but only those who really could pass a government examination.

SPRING STYLES SEEN IN FILM

Norma Shearer Wears Latest Vogue in Her New Film, "The Latest from Paris"

Tips on spring styles will be seen with the coming of Norma Shearer's new motion picture, "The Latest from Paris," her latest starring vehicle for Metro-Goldwyn-Mayer, which shows at the Capitol tonight.

In her newest screen production Miss Shearer portrays the role of a traveling saleswoman for a firm of New York wholesalers of suits, coats and gowns.

In order to have correct spring styles, advance models of which have not yet been released to the public, the Metro-Goldwyn-Mayer studio made arrangements with makers of women's wear to furnish the studio with a large variety of designs included in their list of spring modes.

The result was that Miss Shearer had them in her picture long before they had been made up in New York and turned over to the wholesalers to be released for the spring trade. The models cover practically all types of gowns, as well as new styles in tailored effects.
