EUROPE SUFFERS FROM BAD WEATHER

RUMOR THAT CHILDREN TO BE SACRIFICED CAUSED RIOT

Cold Wave Causes Loss of Life and Much Suffering in Europe and Asia and Particularly Turkey

LONDON, Feb. 4.—At least 44 persons met death in Europe over the week-end as a result of the unprecedented storms and cold conditions. The Balkan states and Turkey were particularly heavy sufferers. The most serious disaster was off the coast of Portugal, where the German freighter Piester foundered yesterday after being driven on the rocks. The crew of 26 was lost. In the town of Alma Ata, in Russian Turkestan, a landslide Saturday swept 11 persons to their deaths. Four workmen sent to clear the tracks for the Simplon Express in Thracean, Turkey, were frozen to death. Three persons were frozen to death in Budapest. Today groping through a choking fog, the worst of the winter, shipping along the China coast was bucking an ice barrier 30 miles out to sea, and clear across Europe and Asia there was a cold wave unsurpassed in generations. The third day of the worst blizzard in 25 years cut Constantinople off from the rest of the world by land and sea. The Soviet steamer Krasuy Flotto, aboard which Leon Trotsky was believed to be a passenger, has taken refuge near the entrance of the Bosphorous. Conditions in Constantinople were tragic. There was a serious bread shortage. A number of houses collapsed beneath the heavy snow and wolves were reported to be numerous in the suburbs. Western European countries are all suffering from the worst cold in many decades.

NEW BISHOP CONSECRATED

WINNIPEG, Feb. 4.—With the traditional and colorful ceremonies of the Church of England the Venerable Archdeacon W. A. Geddes was consecrated Bishop of the Mackenzie River, the largest diocese in the world, on Sunday morning. Archbishop Matheson, assisted by five bishops officiated.

TROTSKY STILL IS IN RUSSIA

BERLIN, Feb. 4.—Despatches today from Moscow stated that Leon Trotsky was still in Russia and that reports that he had been drowned while crossing the Black Sea to Constantinople were without foundation.

NOTICE

On account of the resignation of the bandmaster, there will be no practice of the Boys' Band tonight nor until further notice from the Committee. Boys' Band Committee

FAVOR SURVEY OF ROUTE FOR CANAL ACROSS NICARAGUA

WASHINGTON, Feb. 4.—A majority of the members of Congress have declared themselves in favor of a survey of the Nicaraguan peninsula with a view to possibly building a second canal to connect the Atlantic and Pacific oceans.

IMMIGRATION LIVE SUBJECT IN PARLIAMENT

House, Which Opens This Week, Will Have to Deal With Pressing Question

OTTAWA, Feb. 4.—Immigration is to be one of the outstanding subjects discussed by parliament at the session which opens here on Friday of this week. It is a subject with many angles to it and on which there is considerable division of opinion.

There are millions of acres of fertile vacant lands awaiting cultivation. There are mines needing development, water-power harnessed, timber to be cut and a world ready to purchase the output. On the other hand, the labor unions are opposed to any large influx of workers tending to bring down the standard of living, and the prairie farmers who fear increased production of grain will mean lower prices for the product.

The ultra-British population would bring nothing but British people to Canada, but these people will not come unless they are aided, and even when aided do not pledge themselves to stay. The railways would like a free hand to bring railway construction men and farm laborers for the seeding and harvest.

The government will probably pursue a middle course, making a special effort to secure good British settlers, but also allowing immigration from preferred countries, especially of those who will go on the land.

PRICE OF WHEAT

VANCOUVER, Feb. 4.—Wheat was quoted on the local exchange today at \$1.26 3/4.

MURDERER IN ENGLAND WAS A HYPNOTIST

Killed Woman Who Took Him Into Her Home in Liverpool

LIVERPOOL, Feb. 4.—Within four minutes of his appearance in the dock at Liverpool assizes today Joseph Victor Clark, aged 21, was sentenced to death for the murder of an old woman with whom he had lodged and who was found strangled to death.

Clark, a wireless engineer, nonchalantly pleaded guilty.

Clark told his acquaintances that he never intended to work for a living as he possessed hypnotic powers. Apparently his boast had some foundation for he fascinated young and old women literally by the dozens. One took him home to lodge with her mother, the victim who paid for her hospitality with her life after the murderer had taken the whole of her savings.

When arrested, Clark made an amazing confession, starting out by saying: "One hour ago I had no more intention of murdering anyone than of flying."

STOCK QUOTATIONS

The following quotations were bid and asked:

Table with 2 columns: Stock Name and Price. Includes B. C. Silver, Bayview, Beaver Silver, Big Missouri, Cork Province, Cotton Belt, Dunwell, George Copper, Georgie River, Golconda, Grandview, Independence, Indian, Intern. Coal & Coke, Kootenay Florence, Kootenay King, L. & L., Lakeview, Lucky Jim, Mohawk, Morton Woolsey, Marmot River Gold, Marmot Metals, National Silver, Noble Five, Oregon Copper, Pend Oreille, Premier, Porter-Idaho, Reeves Macdonald, Rufus-Argenta, Ruth-Hope, Silver Crest, Snowflake, Sunloch, Terminus, Toric Mines, Wellington, Whitewater, Woodbine.

BRINGING 1,500 PILGRIMS TO CANADA

Rev. A. G. Sleep (left), and Rev. S. M. Berry (right), of London, England, who are organizing the tour of representatives of the Free Church of Great Britain to Canada in June. They have chartered the liner Doric and will be guests of the United Church of Canada.

Rumor that Children Were to Be Sacrificed at Baroda Was Cause of Riot and Deaths

BOMBAY, India, Feb. 4.—Stories of children kidnapped for sacrifice caused rioting at Baroda today in which two were killed and a number seriously injured.

The disturbances developed when word was spread that a certain number of children were to be offered to propitiate the Deity in the construction of a bridge. The attacks in most cases were limited to Pathan members of a Mohammedan tribe of this section of India. Two Hindus, victims of the mob's anger, died of injuries received.

TIE MILL ON GRAHAM ISD.

Kelly Camp Is Opening at Lagoon Bay For Getting Out Logs

SKIDEGATE, Feb. 4.—A sawmill is being started by Harry Bevan at Miller Creek about six miles north of Skidegate for the cutting of ties. This is a new industry on the Islands and one that it is hoped here will be encouraged.

The T. A. Kelly Logging Company is opening its camp at Lagoon Bay and will use motor trucks in handling the logs.

EXPLORER DIED ON EVE OF EXPEDITION

MONTREAL, Feb. 4.—Cyril George Garold, aged 33, of Winnipeg, explorer and scientist, who was to have sailed next Saturday on an expedition for the American museum of Natural History, to Madagascar, died here today following an operation for mastoiditis last week.

MARSHAL FOCH IMPROVING

PARIS, Feb. 4.—A slight improvement in the condition of Marshal Foch was noted today but his physicians made no attempt to conceal the persistence of pulmonary congestion and fever.

Prince Rupert Salvage Company Taken Over by Pacific Salvage Co., Vancouver and Victoria

The business of the Prince Rupert Salvage & Towing Company, which has been operated here for some time under the capable direction of Captain Paul Armour, has amalgamated with the Pacific Salvage Company, Limited, of Vancouver and Victoria, thus very considerably strengthening its financial position.

No change will be made in the local business. Captain Armour will remain in charge and carry on much as usual.

The company, in addition to doing salvage work, caters to the towing, chartering of vessels and passenger services, including among its other activities a service to the Salt Lakes during the summer season.

Prince of Wales Gets Enconium for Work in Mining Districts

LONDON, Feb. 4.—Decision as to whether the Prince of Wales will tour the South Wales coal fields will likely be reached later this week, when the effect of his northern tour has been fully realized.

W. Mackinder, Labor member for Shipley, Yorkshire, said: "I have been nearer to being proud of the royal family this week than ever in my life. Without questioning anybody else, I think that it is the finest action done by any member of the royal family in the last 100 years. I hope the prime minister will take more notice of the Prince of Wales than he has done of miner leaders in the house of commons who have told him the same things."

HOME OF MR. AND MRS. GUY TAFT WAS BURNED AT TERRACE

TERRACE, Feb. 4.—The third fire within a few weeks time occurred here on Saturday noon when the home of Mr. and Mrs. Guy Taft was destroyed with practically all its contents, only a small amount of clothing being saved. The fire started from an overheated pipe in the attic and had gained some headway before being noticed.

WAS DROWNED WHEN SKATING

Lad Fell Through Ice at Elk Lake, Near Victoria, Yesterday

VICTORIA, Feb. 4.—Herbert R. Cliffe, 19 years of age, of Vancouver, was drowned Sunday afternoon while skating on Elk Lake. He went through a soft spot in the ice with another boy, the latter succeeded in hanging on to the edge on the ice until rescued. Cliffe's body was found in 16 feet of water. He was employed as a steward on the steamer Princess Victoria.

MORE FREQUENT INSPECTION OF BRIDGES ASKED

Coroner's Jury Investigates Accident Near Revelstoke and Makes Recommendation

REVELSTOKE, Feb. 4.—More frequent inspection of railway bridges is recommended by the coroner's jury which investigated the death of engineer Bert Woodland and of fireman J. H. Griffiths of the C.P.R. on Monday, January the 28, when the engine crashed through a bridge near Cutbank, 50 miles east of here. Trainmen, bridge inspectors and others who testified were unable to give a definite reason for the cause of the collapse of the span.

W. Hutchison, C.P.R. bridge inspector, declared that he gave the bridge a minute inspection in November, 1927. Although it is under constant supervision of the engineering department of the Revelstoke division, the verdict said in part, and it would appear to the jury that the time which had elapsed after the previous minute inspection made in November, 1927, was insufficient to ensure the safety of employees and the travelling public. The jury recommended that all railway bridges have thorough inspection at closer intervals.

BETTER ENFORCEMENT PROHIBITION PLANNED UNDER NEW PRESIDENT

WASHINGTON, Feb. 4.—Plans for the better enforcement of prohibition laws in the United States are being made to go into force as soon as president-elect Hoover takes office. A survey is being made and plans for additional enforcement officers will be recommended.

KING MOVED FROM HIS BED

LONDON, Feb. 4.—The strength of King George is increasing daily and it was found possible on Sunday to move him from his bed to a chair placed in a window of the sick room, so that he might enjoy a sunny day.

HAPPILY EVER AFTER

Of course, you recognize him—and, perhaps, her—she who lifted him out of pugilism into the Social Register. It's Gene Tunney and the former Polly Lauder, most famous honeymooners' extant, enjoying a sleigh ride with two friends at St. Moritz, Switzerland.

TORONTO MAPLE LEAFS MADE SENSATIONAL WINS OVER WEEK-END, OUTSKATING BOSTON SATURDAY NIGHT AND WINNING ON SUNDAY

TORONTO, Feb. 4.—Toronto provided a sensation by taking two week-end games and hoisting themselves into a tie with Montreal for third place in the international group. They outskated Boston Saturday night and dashed into Madison Square Garden Sunday to defeat the New York Americans in a Donnybrook affair.

The return to form of Art Duncan, husky defence man, and the continued brilliant work of Ace Bailey, their star left winger, accounted for the Maple Leafs' unlooked for victory at Boston.

The Canadians stretched their lead in the international section to three points by beating Ottawa.

The following were the scores:

- Saturday—
- N. Y. Rangers 3, Chicago 2 (played at Detroit)
- Ottawa 0, Canadiens 1
- Montreal 0, Pittsburgh 0
- Toronto 3, Boston 0
- Sunday—
- Toronto 3, N. Y. Americans 1.

GROTTO LEADS WHIST LEAGUE

Confirmed Its Hold On First Place With Win Over Moose in Postponed Game

Grotto confirmed its hold on first place in the men's section of the Fraternal Whist League by defeating Moose 6 to 3 in a postponed game over the week-end. The tobaccoists now have a lead of two full games over the second place New Empress Athletic

Club and the Moose have dropped into third place.	W.	L.	P.

CANADA WILL MEET STATES FOR DAVIS CUP

PARIS, Feb. 4.—Canada will meet the United States in the first round of the Davis cup play in the American zone, it was decided by a draw made today.

Percy Williams Winner Fifty Yards Dash on Saturday at Boston

Young Vancouver Speed Demon Opened Tour in Spectacular Fashion on Indoor Track, Leading by Two Feet

BOSTON, Feb. 4.—Percy Williams, Vancouver's wonderful young sprint demon, won the 50-yard dash from a fast field in the Boston Athletic Association's fourth annual meet Saturday in four and four-fifths seconds.

This is the opening event of the tour which young Williams is making in the Eastern States. He will race at Madison Square Garden Saturday, Philadelphia February 12, again in New York, February 18, and in Toronto, February 21.

Williams' time was a fifth of a second slower than in his trial heat. In the semi-final he got off to a poor start and finished second to Linwood Patte of Boston University.

The Canadian proved an exceptionally fast starter and in the final was able to get off the starting line ahead of the field. At the halfway mark Karl Wildermuth of Georgetown and Jim Daley of Holy Cross had about a yard lead on Williams but he uncorked the finishing drive and swept by them about five yards from the tape, breaking the string about two feet in front of Wildermuth. Daley was third.

Sam Martin of Boston won the three-man thousand yard race beating Phil Edwards of New York University by five yards. Paavo Nurmi won the two mile race.

Jimmy Ball of Winnipeg showed he was inexperienced on a wooden track and finished fourth in a five-man 600 yard race won by Bernie McCafferty, a Holy Cross freshman.

SKATING AT SALT LAKE

One Hundred Local People Crossed Harbor Yesterday and Had Fine Time on Splendid Ice

Fully 100 persons crossed yesterday to the Salt Lake to enjoy skating on a wonderful sheet of smooth, glare ice. Most of the skaters made the trip on the Prince Rupert Salvage & Towing Co.'s power vessel Salvage Princess, which made three runs, while some went over on private boats.

The lake on the Kaian Island highway was also well patronized over the week-end.

The advent of snow today will make it necessary for skaters to work in shovelling the beautiful if they are to continue to enjoy the sport.

SCHMELING IS GREAT FIGHTER IS OPINION IN SPORTING CIRCLES

NEW YORK, Feb. 4.—That Johnny Risko is as good a fighter as ever, but that he succumbed to superior skill when he went down before Max Schmeling on Friday night, seems to be the opinion here in sporting circles. He was punished until he was knocked silly. Risko fought heroically and was saved from further injury by the referee.

If it is admitted here that a great fighter knocked out a very good one.

RIDLEY HOME IS ENDORSED

The ministerial association today, following a talk by Bishop Rix, passed a resolution commending the work of the Ridley Home to the churches and asking each to appoint a representative to the executive committee as an associate member. Those present at the meeting were Rev. W. H. Price, chairman, Bishop Rix, Rev. T. H. McAllister, Rev. John Hanson, Miss E. Elliott and Rev. A. Wilson.

LEILA BROOKS WON SKATING RACE TORONTO

TORONTO, Feb. 4.—Leila Brooks Potter of Toronto set a world's record in winning the women's one-mile race at the Ontario speed skating championships on Saturday in three minutes twenty and three fifths seconds.

Sport Chat

Following three days and nights of enthusiastic curling, the members of the Prince George Curling Club concluded the most successful bonspiel in the history of the club. There were five events for which, in addition to the championship trophies, individual prizes aggregating \$750 in value were added. The weather was good throughout the bonspiel and there were many spectators. The honors of the bonspiel went to the Dupre rink consisting of A. Putman, William Bexon, Paul Wieland and C. Dupre which captured the Kelly Cup and four bear rugs which went as added prizes. This rink was also awarded the grand aggregate prize. The McCullagh shield was won by the J. C. Pidgeon rink and the Robertson cup went to the Sheppard rink from Jasper. The Opie rink was the first to make the consolation competition. The bonspiel was brought to a close with an enthusiastic banquet.

It is expected that the cold weather will have sufficiently ameliorated to permit of the second half of the basketball league season being commenced about February 20 and arrangements are being made by the Prince Rupert Basketball Association with that end in view. Another Drill Team quintette for the Ladies' League is in process of organization to afford competition for the Maple Leafs. Prospects are that only the Players' Club and Native Sons of Canada will be left in the Senior League with the withdrawal of Port Simpson and Kinloch. A meeting of the executive of the Association will be held at an early date to appoint a secretary in succession to Dick Woods who is at present located in Anxox.

Indoor sporting events scheduled for the coming week are as follows:

- Monday (tonight)—Elks' Whist, Cribbage League; Grotto vs. C. N. Operators; K. of C. vs. P. R. Hotel; Moose vs. Canadian Legion; Native Sons of Canada vs. C. N. Mechanics; Eagles vs. New Empress Club; Cold Storage vs. Orange Lodge.
- St. Andrew's Bowling—G. Abbott vs. B. Dalgarno rinks.
- Prince Rupert Badminton Club American tournament.
- Tuesday—Ladies' Whist: Moose Ladies vs. C. N. Ladies; Orange Ladies vs. St. George's Ladies.
- Moose knock-out whist.
- Postponed Men's Whist: Seal Cove vs. Knights of Pythias.
- Wednesday—Second division billiards: Grand Terminals vs. Cold Storage.
- Thursday—First Division billiards: Grand Terminals vs. Canadian Legion.
- Men's Whist: Moose vs. Seal Cove; Grotto vs. Knights of Pythias.
- St. George's Society vs. New Empress Club; Lief Erikson, bye.
- St. Andrew's carpet bowling: J. Watson vs. J. McLean rinks.

THOMAS WILSON QUITS AS LEADER OF BAND

Bandmaster Thomas Wilson, of the Prince Rupert Boys, Band submitted his resignation to the committee yesterday after having been in charge of the band since its inception. As a result, practices of the band are being called off until further notice.

Feeling Run Down?

AUSTRALIA IN LEAD TODAY

Shoots Ahead of England in First Innings of Cricket Test Match

ADELAIDE, Feb. 4.—Australia took the lead in the fourth cricket test match against England today when they raised their first innings score to 365 runs for nine wickets, this giving them a substantial margin over the visitors with one more wicket to fall.

England's score in the first innings was 334. The game will be continued tomorrow and until the second innings is completed.

COUNTY COURT SESSION TODAY

Seven Cases, Three New Ones, Up For Hearing This Month

Three new actions, together with four cases held over from last month, make up the county court docket for the month of February. Court was in session this morning to set cases, Registrar H. F. McLeod being in charge in the absence of Judge McB. Young, who is on a trip south for the benefit of his health. All cases were set for either February 20 or 21. By that time Judge Young will have returned or Judge Robertson from Prince George will be here to relieve him.

Following is the list of February cases, the first three mentioned being new actions this month: Tom Demistruk vs. L. Sarisky, \$67.50, Williams, Manson & Gonzales for plaintiff, Patmore & Fulton for defendant, February 20. Walter H. Perry vs. Steens Limited, \$397.40, Patmore & Fulton for plaintiff, Williams, Manson & Gonzales for defendant, February 20. P. Burns Co. Ltd. vs. H. A. Ross, \$648.64, Patmore & Fulton for plaintiff, W. E. Fisher for defendant, February 21. David Ross vs. G. C. Walker, Williams, Manson & Gonzales for plaintiff, Patmore & Fulton for defendant, February 21. C. O. Rowe vs. Zenith Cafe, Williams, Manson & Gonzales for plaintiff, W. E. Fisher for defendant, February 21. Mussiglem Grocery Co. vs. A. L. Henderson, Williams, Manson & Gonzales for plaintiff, W. E. Fisher for defendant, February 21.

OPEN REBELLION IN VALENCIA REPORTED

MADRID, Spain, Feb. 4.—Arming reports of open rebellion in the garrison at Valencia on the southeastern coast of Spain were met by Primo de Rivera today with the statement that the situation there had cleared and that the military was maintaining discipline.

WHIST LEAGUE SECOND HALF

Peck vs. Peck—divorce trial, February 4, in United Church

Adam Mackie, inspector of fisheries, and Mrs. Mackie, who have been holidaying for the past month or so in the south, returned to the city from Vancouver on the Catala last evening.

Capt. Peter Rorvik, who was formerly prominently identified with the fishing industry in Prince Rupert, arrived in the city on the Catala last evening from Vancouver. It is his first visit here for the past few years.

T. Buchanan Campbell, who is in charge of the totem pole preservation work along the Skeena River for the Canadian National Railways, arrived in the city from the interior on yesterday afternoon's train.

Dan Lindeborg, who with his brother, the late Andy Lindeborg, was the original discoverer of the now famous Big Missouri mine, was a passenger aboard the Catala last evening going through to Stewart. It is the first trip north in the last few years for Mr. Lindeborg, who has been residing in Seattle.

William M. Watts and his bride, formerly Miss Alice Nelson R. N., returned to the city on the Catala yesterday afternoon from a two weeks' honeymoon trip south. Part of the time they spent at Kelso, Wash., visiting with Mr. Watts' parents. They are taking up residence on Atlin Avenue, Westview, in the house formerly occupied by Mr. and Mrs. Joe Howe.

The Vancouver Province in its "Twenty Years Ago" column last Thursday recalled that the construction of plank roads and sidewalks on surveyed streets at Prince Rupert had been started by the provincial government. Two or three hundred men were employed, the wages being 30c per hour. Some of these sidewalks, though badly dilapidated, are still in existence, but are being rapidly replaced by more modern and permanent thoroughfares. The plank roads have long since disappeared.

For range, use Beacon Hard Alberta Sootless. Quick fire, no soot. Albert & McCaffery, Ltd. Phone 116 and 117. tf.

Provincial Constable Lance Potterton of Stewart, who has been on a brief trip south, was a passenger aboard the Catala last evening returning to his post in the north.

In a recent examination in Vancouver of some sixty girls attending the Dubus Business College in that city, Mabel Charlotte Cox of Hazelton passed her examinations 100 percent proficient.

A. C. Macmillan of Vancouver, well known representative of the Great West Life Assurance Co., was a passenger aboard the Catala last evening going through to Stewart on business.

W. F. C. Draney, who has been identified with the National Airplane Lumber Co. in connection with its logging operations up the Eestall River, returned to the city on the Catala last evening from a trip to Vancouver.

At 2 o'clock Saturday afternoon the fire department had a call to the residence of B. J. Mellish, Fourth Avenue West, where a chimney fire did no damage.

Allan Carolan, well known Stewart merchant, was a passenger aboard the Catala last evening returning north after a business trip to Vancouver.

W. J. Crawford of Stewart, who has been on a trip to Vancouver where Mrs. Crawford and family are spending the winter, was a passenger aboard the Catala last evening returning north.

The Reverend J. B. and Mrs. Gibson will be at home to the members of St. Andrew's Cathedral congregation, and other friends, at the Rectory, 674 Fourth Avenue E. on Thursday evening, February 7, at 8:30 o'clock.

On his way to Okalla where he will serve a term of one year's imprisonment for contributing to the delinquency of a juvenile, Billy Ross, native, was brought to the city from Terrace by Provincial Constable H. L. McKenney on yesterday afternoon's train and will be taken south later in the week.

Union steamer Catala, Capt. A. E. Dickson, arrived in port at 5:30 last evening from the south and sailed at 8 p.m. for Anyox, Stewart and other northern points of call whence she will return here tomorrow morning and sail south at 3:30 p.m. Passengers coming north on the Catala included: W. F. C. Draney, Miss M. Durant, J. A. Bray, Mrs. Fleming and child, Capt. L. H. Lindsay, Mr. and Mrs. W. M. Watts, J. W. McDonald, W. A. Bell, T. H. Middlemass, J. D. Forsyth, W. J. McQuart, Mr. and Mrs. Adam Mackie, Mrs. W. R. McAfee and children, Peter Rorvik and J. H. Macey, for Prince Rupert; Mrs. M. Todd, Mrs. A. R. Wylie and M. McDonald, for Anyox, and A. C. Macmillan, W. J. Crawford, Constable Lance Potterton, Allan Carolan, D. C. Barbuck, Dan Lindeborg, Miss G. Smith and E. C. Morris, for Stewart.

Children's Colds Doubly Dangerous After the Flu

Physicians advise that the chief danger in this epidemic is after influenza. Then, more than ever, colds attacking the weakened system may lead to bronchitis, pneumonia, or a second and more severe case of flu. This is especially true of children.

Flu nearly always leaves the stomach upset. Internal medication should, therefore, be avoided, as it so often further disturbs the digestion and thus retards recovery.

But if a fresh cold comes, don't let the child keep it overnight. Just rub Vicks on throat and chest at bedtime. As it is applied externally, Vicks can be used freely even on the youngest child, with no fear of upsetting a delicate stomach.

IMMIGRATION

We are still of opinion that Canada is not justified in spending large sums of money in bringing people to this country. If they wish to come and are of the right kind, throw the doors wide open for them, but let them pay their own way.

There are some exceptions to this, perhaps. In England today there are thousands of miners out of work owing to the failure of the coal trade through the encroachments of oil. The problem is a difficult one and we think the government would be justified in helping out the mother country in dealing with the problem. Already in Eastern Canada large sums are being raised by subscription to aid these people. The government would be equally justified in helping them to come to Canada, where they could get a new start in life.

Doubtless we need population because of our vast undeveloped resources, but why we should spend our hard-earned money to induce people to come, we never could see. If the lands are not attractive, it is not our fault. Let the people of Britain know that we have the lands and what the opportunities and conditions are and then it is up to them to decide.

Already there has been a reduction of steamship rates, but to bonus any concern or person or to offer any further inducements by spending the money the people of Canada have paid in taxes is something to which we have always been opposed.

MANY GOVERNMENT DISMISSALS

There have been a great many dismissals from the government service since the change of control was made. Some of these doubtless were desirable. There seem to be always a number of political appointments made by all parties that are wholly unsuitable. They are given largely for party services and not because of fitness for the office. Some of these have to go when a government changes. There are also dismissals made which do not always seem to be justified. It is to be hoped that the present government will not make itself obnoxious to the people by carrying too far this matter of dismissal of public servants in order to replace them with persons of a different political faith.

Newest Lifeboat Gear

When the Canadian Pacific liner Duchess of Bedford arrived in New York recently to start a series of cruises to the West Indies, the crew, under the direction of Captain H. Stephens and his officers, demonstrated the efficiency of her up-to-date lifeboat gear in a fashion that amazed the inspectors.

Shown above is the latest thing in lifeboat lowering equipment, capable of lowering twenty-eight boats in ten minutes. The davits, which are controlled by one man, slide down the rails until the boat is at deck level. It is then lowered by gravity to the water and can be released by trigger, the falls then being hoisted again and attached to another boat which is nested on the same davit.

**CAST CHOSEN
MOCK TRIAL**

The complete cast has been chosen for the mock trial to be put on next week by the First United Church, Mrs. John Manson directing of "Peck versus Peck" in which all the court officials and members of the jury are women. The trial is a divorce action and is said to be very funny. Following is the complete list of those taking part:

- Judge, the Hon. Josephine Sifter—Mrs. Sollows.
- Clerk of court, Miss Fannie Notes—Mrs. Wilkinson.
- Counsel for plaintiff, Mrs. Jane Highbrow—Miss Earle.
- Plaintiff, Mrs. Henry Peck—E. Barrie.
- Witnesses for plaintiff, Mrs. Paul Pry—Mrs. Black.
- Miss Howe Lovely—W. Fidler.
- Counsel for defendant, Miss Ima Stinger—Mrs. Rochester.
- Defendant, Henry Peck—Geo. Stocks.
- Witnesses for defendant, Paul Pry—Mr. Harper.
- Jacob Gobsky—B. Stevens.
- The Jury—Mrs. Shuffle—Miss E. Vickers.
- Mrs. Diamond—Miss A. Barrie.
- Miss Olgerson—Miss Sharpe.
- Mrs. Stumps—Mrs. Harper.
- Miss Gummer—Miss V. Krikovsky.
- Miss Parcels—Miss B. Arney.
- Miss Kalsomine—R. Irvine.
- Miss Reader—Miss C. Irvine.
- Mrs. Freelingheiser—Miss Lamb.
- Miss Sour—Miss Garnet.
- Mrs. Delancy—Miss Grassie.
- Mrs. O'Bean—Mrs. McNeill.
- Politician—G. V. Wilkinson.

**METLAKATLA BOY
PASSES AWAY IN
LOCAL HOSPITAL**

The death occurred last night in the Prince Rupert General Hospital, after a brief illness, of George Louth, sixteen-year old son of Mr. and Mrs. William Louth, Metlakatla. The lad, who was a well known native, was brought to the city last week for treatment. Funeral arrangements are in the hands of the B. C. Undertakers and interment will be made at Metlakatla.

EMBARRASSING MOMENTS

Roads and Bridges

ROADS and TRAILS
 1916 26,220 MILES
 1926-7 31,900 MILES
 BRIDGES: The present valuation of 63 miles of bridges is \$8,480,000

UPON the arteries of communication depend the settlement and growth of the nation. First the trails... then the rough oxcart ruts... the wagon roads... the automobile highways.

The scattered population of British Columbia has made the construction of roads between centres a matter of vital importance, yet one of almost insurmountable difficulties.

Mountain sides have to be blasted away... clefts and chasms tresselled... rivers bridged!

With the opening of the Cariboo Highway through Fraser Canyon in 1926, the last link of British Columbia's great arterial highway... a highway unexcelled the world over as an engineering feat and one of unmatched scenic beauty... was forged.

Eastern British Columbia greeted its western brothers! Markets and railways were brought closer to the farmer, the miner, the industrialist. New fields for agricultural and trade development were opened up.

For the ten years just past, an aggressive highway programme has been carried out. Thousands of miles of good roads and dozens of sturdy bridges have been built.

Our roads system now totals 31,900 miles... an increase of over 5,000 miles during the last ten years. Of this mileage, 12,000 miles are earth roads; 4,000 gravel roads; and 1,000 macadam, bituminous, concrete and cement concrete. The 5,000 miles which were added to our roads system include: 884 miles of main trunk roads, 602 miles of lateral roads, 281 miles of industrial and mining roads, 1,153 miles of settlement and farm roads, and 2,000 miles of ordinary and mining trails.

During the years just before 1917, a large number of bridges had been constructed in the Province, nearly all of which were temporary timber structures. Since 1917, the problem of maintenance and renewal of these structures has been a serious one, involving a large expenditure, particularly between the years 1920 and 1927.

The policy has been to improve design of and workmanship on temporary bridges and to renew all the large bridges on main highways over the principal rivers with concrete and steel.

Today, the valuation of our 63 miles of bridges is nine million dollars.

This construction activity has distributed wages and salaries over our whole Province and has been a material aid in bringing about the current period of British Columbia's prosperity.

Read these announcements and understand your province's progress... clip them out and send them to friends. If you desire extra copies of these announcements a note to this newspaper will bring them. Advertise your Province!

BRITISH COLUMBIA'S PROGRESS

Gardens and Gardening In Northern British Columbia

PLANNING FOR THE GARDEN SHOULD

BE DONE AT ONCE AND SOIL SHOULD BE DUG AS SOON AS WEATHER PERMITS

While this is not exactly gardening weather, it is the time of year when people should be planning their gardens for the coming season. Cultivation should commence as soon as weather permits.

The soil in the garden must be dug and cultivated again and again for one purpose, that of ventilation. This idea doesn't often occur to the gardener laboriously plying a spading fork or hoe, but that is what he is doing. He is ventilating his soil to let the air into it and to expose as much of it as possible to the sun.

Every spade or forkful turned over exposes that much more of the soil to the sun and to the air and makes the soil more accessible to the air to a greater depth.

Scientists now tell us that the ancient formula of "earth to earth" is an inappropriate symbol of death because the soil is teeming with life, millions and millions of bacteria being always at work to create and maintain life, converting chemical elements into food for plants and the plants in turn for man and the beasts and birds.

The activity of bacterial life is regulated by the amount of air and moisture that can penetrate the soil. Digging and cultivating is in reality fertilizing for each digging or stirring of the soil increases the chemical and bacterial activities in the soil and thus liberates more food locked up in the soil for the plants.

Dig the soil this year and hoe with the idea in mind that you are fertilizing the plants at the same time you are destroying weeds and improving the tilth. Turn the spade or forkful of earth clear over when you dig the garden. The top layer has had air and sun. The layer at the bottom of the spade is to be exposed to the elements.

GARDENING IN RUPERT

Effort Will Be Made to Encourage Beautifying City This Season

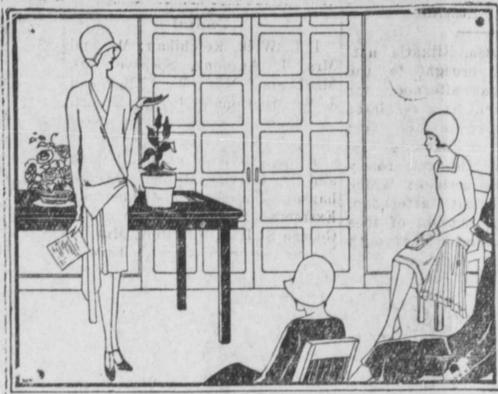

An effort will be made by The Daily News to encourage the beautifying of Prince Rupert by means of the gardens and with that in view a page of the paper will be occasionally devoted to gardening. This is the first number and it is expected to continue throughout the spring and summer.

Readers are invited to aid in this work by giving hints and asking questions. While conditions are different here from many other places, the general science of gardening is much the same everywhere. The great thing is to begin cultivating early. A number of Prince Rupert people already have dug their gardens or at any rate have commenced doing so.

NITROGEN AND OTHER SOIL FOOD NECESSARY

Fertilizing has become a matter of chemical research to such an extent that a gardener is able, if he so desires, to have his soil analyzed and find out the fertilizing element that is needed and supply it in the form of chemical salts. However, it is not often necessary to go to this trouble, for the general character of the soil tells the observant gardener what is needed.

There are three most important chemical foods for plants in the soil, nitrogen, potassium, or, as it is usually called, potash, and phosphorus. Usually we are most concerned with furnishing nitrogen, the most needed and most largely consumed element. Nitrogen is the food most needed to promote leafy growth. The "ammonia" in stable manures is a common source of nitrogen. Stable manures, leaf mold and chemicals such as nitrate of soda and sulphate of ammonia furnish nitrogen in quickly available form.

Members of Garden Club Exchange Experiences

PLANS FOR EARLY SOWING

Plans for early seed sowing follow close upon the sending away of the annual seed order. The greatest waste in gardening is in seed sowing and in the death of the tiny plants after the seed has

Plan Now to Save the Tiny Plants

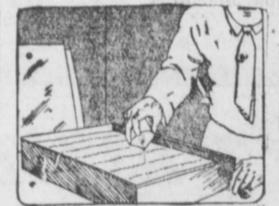

germinated. Plan this year to save the lives of the tiny plants and to get full germinating value from the seed.

Make the soil for the seed boxes for early sowing fine and porous. Run it through a sieve to get it fine and add a little sand to make it porous. Caked and cracking soil due to the fact that it is of

Make the Soil for the Seed Boxes Fine

A close texture gives a lot of trouble in seed boxes. Be sure to have plenty of holes for drainage in the box. Cover them with pieces of broken flower pots or tableware. Above this put a layer or about half an inch at least of coarse material, small stones are excellent. Over this put fine

Sow in Rows in the Box and Sow Thinly

soil to a depth of two inches and an ideal seed box is ready. Have glass ready to cover the seed boxes and do not keep the atmosphere under the glass too close. Put a match under one side of the glass to give a little ventilation.

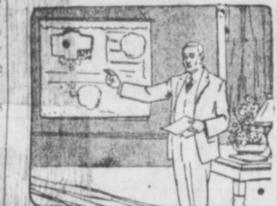

Simple Planting Schemes Are Best Employed

SIMPLE PLANS MOST EFFECTIVE IN ANY GARDEN

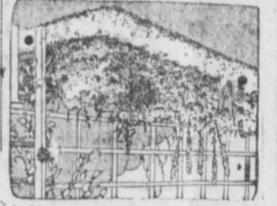

Planning the flower garden along definite lines is becoming more and more an accepted practice due to the wide dissemination of garden information through magazines, lectures and garden club activities. Even the simplest border is best planned before it is planted.

Consideration of space available is the first consideration. It is useless to buy more seeds or plants than the border can accommodate. It is also best to employ simple planting schemes so far as color is concerned. They are much more likely to be effective when to try to work out elaborate

Planning the Flower Garden Has Become an Accepted Practice

plans calling for a variety of color. One general color effect for the small border, such as a strip across the back of a 50-foot lot, is easier to handle and usually much more satisfactory than a plan calling for the association of three or four principal colors. A pink and rose border, for instance, using pink petunias, salmon rose zinnias, pink asters, pink cosmos, pink tenveeks stocks, pink snap-dragons with occasional individual or

A Narrow Edging Adds Much to the Effectiveness of a Border

small groups of plants in blue or white for contrast and to relieve monotony is easily worked out and one of the most popular.

Blue borders using the blue of annual larkspurs, stocks, petunias, the blue tones of asters, Chinese forget-me-not, pansies and violas with contrasts of pale yellow and pink are attractive.

Yellow borders with orange or scarlet contrasts are brilliant and effective. Yellow snapdragons, nasturtiums, annual chrysanthemums, California poppies, annual sunflowers, zinnias, with the reds and oranges in these same plants make a lively illumination. A touch of scarlet of zinnias adds fall brilliancy.

A narrow edging adds much to effectiveness of a border. Sweet alyssum is a standard and excellent one, giving bloom the entire season. Alternating the white and the lilac varieties is a planting advocated by some garden writers which has achieved great popularity.

For the red and yellow border the dwarf French marigolds or the miniature tagetes signata, pumila,

SOW EARLY IN ROCK GARDENS

Many Seeds Require Frost to Help Them Germinate

Frost has an active part in spurring many seeds into germination. This fact is one of the modern discoveries of horticulture. It was brought into prominence through rock gardening interests which found that many alpine seeds needed to be frozen and snow covered to germinate freely and quickly. As rock gardening has become a very important development in gardening, the raising of rock plants from seed has attracted much study and attention.

Many of these rock garden plants are easily raised from seed if subjected to weathering.

Alpine Seeds Need to Be Frozen to Germinate Freely

This is particularly true of the primroses, favorite rock garden subjects. Seeds of these plants should be sown in boxes or frames, snow may be heaped upon them to speed germination. With the thawing and freezing treatment germination is prompt as soon as warm weather arrives.

Primrose seeds germinate poorly in many cases if sown after the middle of March. Delphinium seeds germinate well at low temperatures while if sown during May or late they often prove disappointing.

Sow seeds of perennials of slow germination in frames as set the boxes in the frames as a matter of convenience. Frozen

Some Annuals May Be Sown on Frozen Ground They Will Germinate With the First Warm Days of Spring

early as the soil can be worked. Sow in boxes in the house and soil can be taken from the garden and thawed in the house for the seed boxes while the soil in the frames is still frozen.

Some annuals may be sown upon the frozen ground in the open to good purpose. These are the poppies, centaureas and annual larkspurs. These are the hardies of annuals and will germinate with the first warm days of spring and give early bloom in the garden. All will stand

Sow Primrose Seeds in Boxes and Set Them Out to Freeze

considerable freezing without harm. Seedlings which have self-sown and germinated in the fall often survive below zero weather and continue their growth in the spring.

Many marigolds are fine material. The pink and rose border may employ dwarf ageratum to excellent effect, the lavender blue giving a fine contrast.

Protected Cigars

"When you offer a man a cigar and then find it's broken—that's concentrated embarrassment. When you take a cigar from your pocket for personal consumption and it's cracked—that's waste and annoyance. So to protect against this Tucketts pack Marguerites in handy pocket packs containing 5 cigars. And each cigar is also foil wrapped. I've put many a man right on how to buy protected cigars."

THE LABEL IS RED AND WHITE

For a Perfect Cup of Coffee

USE Carnation Milk. Flavor, aroma, color—absolutely perfect. It really makes the coffee. And yet it costs only one-third as much as cream.

It is because of the wonderful flavor and golden brown color it gives to coffee that many women have come to use Carnation in all kinds of cooking.

Carnation is double-rich—and there's cream in every drop. There's no "top milk" or "bottom milk" to Carnation. The Carnation process of "homogenization" distributes the double-helping of cream evenly throughout the tin. That is why Carnation adds so much smoothness and rich flavor wherever it is used. Order several tins or a case of 48 tins from your grocer.

COCOA MADE WITH CARNATION—Three tablespoons cocoa (or 2 tablespoons for children), 2 tablespoons sugar, 1/2 cup hot water, few grains salt, 1/2 cup Carnation Milk diluted with 1 1/2 cups water, 1/4 teaspoon vanilla. Scald diluted milk in double boiler. Mix cocoa, sugar and salt and add the 1/2 cup hot water. Cook over low flame 10 to 15 minutes, stirring occasionally to prevent burning. Add to cocoa the scalded milk; return to double boiler and continue cooking for 10 minutes. Whisk with Dover egg beater just before serving. Place a marshmallow in cup and pour hot cocoa over. This serves four. Chilled, then iced, this makes a delightful, hot weather drink.

Send for a free copy of Mary Blake's Cook Book. Address Carnation Milk Products Company, Limited, Aylmer, Ont.

It tastes creamy It looks creamy It is creamy

"From Contented Cows"

Produced in Canada

The Texture and Color of Foliage Is an Important Factor in Decorative Gardening

RAISING DAHLIAS FROM SEED

The dahlia, queen of the autumn garden, is now grown more extensively than any other fall flower and the ease with which new varieties may be grown from seed and a collection of wide range of colors obtained has made the growing of seedling dahlias a big gardening feature. The dahlia may be grown as an

Dahlias Grown From Seed

annual, blooming the first year from seed.

The main requisite in growing seedling dahlias is to get an early start. The large flowered varieties should be sown not later than March to be certain of getting a blooming season in the garden of reasonable length. Many greenhouses will grow a flat of dahlia seedlings for a small fee and thus relieve the gardener of the work and worry of bringing the seedlings through safely until planting out time.

TERRACE

Constable McKeeney left on Sunday for Prince Rupert having in charge a young native who was sentenced on Friday night, to one year's imprisonment by Magistrate E. T. Kenney for contributing to the delinquency of a juvenile.

Victor King, who has spent the past six weeks at the home of his parents, Mr. and Mrs. Wm. King, returned to Prince Rupert on Thursday.

W. H. Watt made a trip to Kitwanga at the end of the week in the interests of the cottonwood operations being carried on there.

Mrs. Geo. Little returned on Saturday after spending a few days in Prince Rupert.

SMITHERS

St. Joseph's Catholic Church Sunday School has awarded prizes to Lorena Carr, Wilfrid Watson, Frances Seaton, Pat Carr, Jack Dunlop, Jack Williams, Joe Watson, Fred Watson, Sylvia Mayer, June Carr, Bobby Chisholm, Angus Seaton, Helen Carr, May Williams, Evelyn McDonald, Ada Mayer, Marian Johnson, Patricia Macdonald, Sarah Chisholm, Jack McDonnell, Harry Beesley, Johanna Seaton, Tom Williams, Leonard Williams.

Henry Motors Ltd. is being incorporated here by W. S. Henry for the purpose of taking over the business heretofore known as the Henry Motors.

A number of Smithers people motored up to Burns Lake last week to take in the Omineca Ski Carnival.

The Altar Boys of St. Joseph's Catholic Church have elected officers as follows; president, Jack Williams; vice-president, Joe Watson; secretary, Angus Seaton.

PRINCE GEORGE

The annual meeting of Knox United Church was held here last Friday evening.

The community of South Fort George held a dance in the community hall on Friday evening proceeds going toward paying of the debt on the building.

**MASQUERADE
AT TERRACE**

TERRACE, Feb. 4.—Due no doubt to the severity of the weather, the attendance at the children's masquerade dance on Friday evening was not large, but those who did attend enjoyed the outing to the full.

The affair was arranged by the G.W.V.A. Ladies' Auxiliary and the music was furnished by Mc Laren's orchestra.

The judges were Mrs. Thoma Brooks, Mrs. T. J. Kirkpatrick and Miss Reid and prizes were awarded as follows:

Youngest child in costume—Jackie Kirkaldy, in Highland costume.

Best dressed couple—Harry and Kenneth Attree, as Pierrot and Pierrette.

Comic—Bruce Smith and Francis Smith, as two tramps.

Fancy costume—First, Dorothy Head, as violets; second, Dorothy Little, shepherdess.

Most original couple—Vera and Wilda Duncan, as Gold Dust Twins.

Best dancers—Barbara Sherwood and Sophia McLaren.

Following the grand march about 10:30, supper was served and the dancing then continued. A number of grown-ups also taking part.

A WATCH ON HER TONGUE
"Janet McDougall, I hae warn-ed ye often; ye are ower-muckle given to scandal. Ye maun keep your mouth, as is were, wi' bit an' bridle, as the Scripture saith."
"Aweel, meenister, sae I hae always kept a watch on my tongue."
"Hoot, Janet, it maun hae been a repeater, then!"—Edinburgh Dispatch.

**APPRECIATION
PASTOR'S WORK**

**Resolution Passed at Hazelton
Embodying Sentiments United
Church Congregation**

HAZELTON, Feb. 4.—Very encouraging were the reports presented to the official board by the various departments of the United Church at a meeting held on Monday evening. Rev. T. H. Wright, B.A., minister of the church, presided.

John Newick, in presenting the financial report, stated they had just closed one of the best years since the church was organized, which was largely due to the successful work of Mr. Wright. All financial claims had been met, the missionary and maintenance assessments had been paid in full, and they were commencing the year with a small balance.

The board placed on record its appreciation of the splendid services rendered by Mr. Wright in his pulpit and pastoral ministrations. Mrs. Wright also shared in complimentary remarks from the board. The resolution will be filed in the records of the church. The sincere hope was expressed that Mr. Wright would continue as their minister, as they desired to continue the existing fellowship which had brought about such gratifying results.

Mr. Wright suitably acknowledged the kindly references to the work which had already been achieved.

Dr. Leonard Wrinch, organist, and John Newick, secretary of the board, were heartily thanked for their services, both of whom made brief replies, and said that it was a pleasure to serve the church. The reports for the year have been tabulated and sent on to the Presbytery which meets in Prince Rupert on February 20.

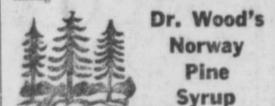

THAT'S NOTHING

"This dining-room table goes back to Louis the Fourteenth."

**DAILY NEWS'
SHOPPING SERVICE**

**for Out-of-Town
Subscribers**

To serve its women readers, and particularly those who live at a distance from a retail centre, The Daily News has instituted a Shopping Service. The Daily News is read by hundreds of women living far from any urban facilities for shopping and it is for these that this shopping service is primarily intended. Of course, The Daily News Shopper will attend to the man also, although he can buy a pair of braces anywhere. But not everywhere can a woman get a bit of lace matched—or a piece of embroidery thread—or the thousand and one things that make up the difference between a woman's wants and a man's.

**The Prince Rupert Merchants
Carry between them Stocks
running up to \$2,000,000**

and while it is not possible to purchase everything in this world in Prince Rupert, most things are available by return mail.

None of the Prince Rupert merchants can possibly advertise everything they carry in stock, but if the thing wanted is to be got in this city, our out-of-town readers may be sure that The Daily News Shopper will get it when asked for.

If any of our women readers cannot get what they want in their nearest store, all there is to do is to write to The Daily News Shopper, stating what is required with whatever details there may be, enclosing the cost, and if it is in Prince Rupert, The Daily News Shopper makes your purchase.

This Service Free

to our women readers and is the outcome of many individual requests made to our staff on their travels through the district in seasons past. This service has been appreciated in these individual cases and is now extended to all with the hope of the same appreciation.

So Do Not Hesitate

Do not think you are imposing upon The Daily News. Our shopper is awaiting your requests.

**THE DAILY NEWS
PRINCE RUPERT B. C.**

**The VALUE of BOVRIL
to WOMEN**

Women who are easily tired need Bovril to prevent them from getting "run down"! Bovril is especially valuable in replenishing a woman's reserves of energy. It acts so quickly. You feel the benefit of Bovril—its warm, stimulating action upon the wearied system—as soon as you have swallowed it.

And if you keep up your Bovril daily you will soon find your strength become equal to the work and worries of everyday life. For Bovril builds up health and fitness by sound nutrition. Bovril is the best of the beef—its vitalizing and energising properties in concentrated digestible form.

BOVRIL prevents that Sinking Feeling

Man in the Moon

The snow is here at last and the children are happy.

The snow the snow, the beautiful,

That makes the children happy, It helps the sale of rubbers and Still keeps the coal men peppy.

It helps the sale of handkerchiefs And makes the druggists work. So here's a toast to the falling snow,

The sloppy snow, the dirty snow, And the shovellers who shirk.

The Conservative is one who continues to suck his own thumb all through life.

The Liberal is one who attends to everybody's business but his own.

What I like about these modern days is that most of the singers just whisper.

Ten Years Ago in Prince Rupert

February 4, 1919

Seventy local vocalists appeared last night in the first recital of the newly formed Prince Rupert Society at the Westholme Theatre under the leadership of John E. Davey.

The Indian Department in County Court before Judge Young yesterday successfully appealed against a decision of Magistrate Cars.

Frank Mobley, M. L. A. for Atlin, has been appointed chief Liberal whip in the Legislature.

CORPORATION OF THE CITY OF PRINCE RUPERT

TAKE NOTICE THAT

1. The Council of the Corporation of the City of Prince Rupert intends to construct a pavement sixteen feet wide on Vanarsdol Street, commencing at the intersection of Vanarsdol Street and Graham Avenue and extending along Vanarsdol Street to the intersection of Vanarsdol Street and Atlin Avenue, as a local improvement, and intends to specially assess the cost upon the land abutting directly on the work, except such portion of the cost as is incurred at street intersections.

2. The estimated cost of the work is \$7500.00 of which \$5935.00 is to be paid by the Corporation and the estimated annual special rate per foot frontage is \$.7552. The special assessment is to be paid in 10 annual instalments.

3. Persons desiring to petition against undertaking the work must do so on or before the 25th day of February, 1929.

E. F. JONES, City Clerk.

EMBARRASSING MOMENTS

WHEN YOU DITCHED THAT "BOTTLE" BACK OF THE COUCH AWAY FROM THE BISHOP'S TEMPERATE EYE - HOW COULD YOU KNOW THAT "ELMER" THE PEST TURTLE WAS TAKING A NAP BACK THERE?

The Pledge of the Newlyweds

Fact and Fable Both

MARRIAGE Bells! There's a home to be planned, each room to equip and arrange, mouse plans to discuss, consultations with contractors, many stores to visit and many visits to stores.

To the newlyweds these are the spending days of a lifetime—days of joy and thrills buying for the home to be. But still another pleasure they have added to these memorable shopping hours—a pride in demanding first the products of their homeland.

"Because our mutual progress through the years to come depends on the prosperity of our country, we will build our home with the products of our local industries."—This is the pledge of the newlyweds.

SOUND ADVICE

Young married people will easily recognize the importance of the "Buy B.C. Products" idea. The prosperity of both depend on the young husband's progress in his vocation. As the demand for the manufactured articles of British Columbia increase so will the young husband's position be made more secure and his advancement more certain. Obviously we should demand first and always the B.C. Product.

MALKIN'S BEST

DOUBLE BILL AT WESTHOLME

'Two Flaming Youths' & 'Caught
in the Fog' Being Shown
Today and Tomorrow

Human pin-cushions, men with
iron jaws, skeletons, fat women,
midgets, magicians, fire eaters
and other human oddities, to-
gether with an unsuccessful circus
owner, a supposedly wealthy
widow and a small town sheriff
go to make up some of the char-
acters to be found in Paramount's
latest comedy "Two Flaming
Youths" which brings to the
screen a new team of funsters,
W. C. Fields and Chester Conklin.
"Two Flaming Youths" makes its
local screen debut tonight at the
Westholme.

The story deals with a defunct
circus side show and its arrival
in a small town, when the owner,
Gabby Gilfoil, meets a widow.
The arm of the law—an arm with
a funnybone in it—is also in love
with the same widow, so plenty
of complications arise, particu-
larly when the side show owner
is mistaken for a notorious crook.
"Caught in Fog"

"Caught in the Fog," speediest,
funniest and most exciting crook
chase of the season is the other
picture. May McAvoy and Con-
rad Nagel are starred, she as an
amateur gem thief, he as the
owner of said gems, and purloiner
of the lady herself.

The locale is the palatial yacht
lying off the coast of Florida, and
the business has to do with the
various sharpers who raid the
boat, until cops catch the culprits
—and bring the wild night in the
fog to a short stop. You'll laugh
yourself into a good humor, even
if you are the biggest grouch in
the country. See "Caught in the
Fog."

STEWART WOMAN MAKING APPEAL

Conviction For Being Drunk and
Disorderly Is Disputed On
Technical Grounds

Myrtle White of Stewart, who
was sent to Oakalla prison for 60
days by Stipendiary Magistrate J.
P. Scarlett, is appealing the con-
viction in the south on the
grounds that the offence of being
drunk and disorderly was not
specified to have occurred in a
public place. Her counsel, H.
Castillon, has obtained a writ of
habeas corpus from Mr. Justice
Morrison for the production in su-
preme court in Vancouver today
of the woman for the purpose of
determining the validity of the
conviction.

Bronchial Colds Quickly Ended

Buckley's Mixture is
different from anything
else you've ever taken
for Coughs, Colds or
Bronchitis. It instantly
penetrates the bronch-
ial passages, clears the
congestion and relieves
the distressing cough
like a veritable flash!
In so doing it wards
off serious develop-
ments—"Flu", Pneu-
monia and chronic lung
troubles.

Adults and children
find it as pleasant to
take as it is positive to
relieve. The first dose
proves its worth—and
there are 40 doses in
a 75-cent bottle of
"Buckley's". Druggists
everywhere sell it.

For severe colds accom-
panied by fever, headache
or neuralgia, take
LAXYRIN and Buck-
ley's Mixture and quick
relief will follow.

**BUCKLEY'S
MIXTURE**
Acts like a flash—
a single sip proves it

SYDLAND IS DUE TOMORROW

Eighth Grain Ship of Season to
Load For Europe

Prince Rupert's eighth grain
ship of the season will be the
Swedish steamer Sydland, which
was here last season, it was
learned yesterday. The Sydland
is due to arrive here on Tuesday
night and will load a full cargo
for the United Kingdom or con-
tinent. The captain and officers,
who were with the Sydland last
year and who were much feted
by the local Swedish colony while
here, are understood to have been
changed.

Though there is enough wheat
in the house to fill this ship, the
movement of grain to Prince
Rupert from the prairies contin-
ues to be very slow. Seventeen
carloads arrived over the week-
end and railway offices stated
this morning that there was very
little more on the line bound
here.

The small movement of grain
to Prince Rupert this year has
slowed up business considerably
on the railway line and a number
of railway crews are idle. Local
unemployment is also attributed
largely to the lack of grain hand-
ling work.

FIRST SNOW OF WINTER FALLING

Weather Ameliorates After Nine-
Day Cold Snap, Barometer
High and Wind South-
west

After a nine-day cold snap dur-
ing which the thermometer went
down to the lowest recorded in
several years, there was a moder-
ation yesterday in Prince Rup-
ert's weather. Last night about
10 o'clock, the first real snowfall
of the season commenced and, up
to 10 o'clock this morning, three-
and-a-half inches had fallen, the
ground being well covered.

The lowest thermometer read-
ing last night was thirty above
zero. On Saturday night, it was
as low as 18 above. This morn-
ing the official barometer at Dig-
by Island was high at 30.30 with
an inclination to fall. There was
a very slight southwest wind.

YOUNG WELSHMAN TO SUPPLY IN PULPIT OF LOCAL CHURCH

Rev. Ivan Jones, a young un-
married Welshman not long out
from the old country, and recently
admitted to the ministry of the
Presbyterian Church in Canada,
will arrive in the city this week
from Toronto to supply in the
pulpit of First Presbyterian Church
here. He will first appear in the
local pulpit next Sunday and, it is
understood, will preach for a
call.

Rev. J. H. Madill of Vancou-
ver, who has been supplying here
for the past few weeks, will re-
turn south toward the end of this
week.

BEAUTY VIES WITH FUN AT THE CAPITOL

Hilarious Film Comedy-Drama
"Naughty Baby" Stars Alice
White and Jack Mulhall

Flippant Alice White and hand-
some smiling Jack Mulhall lend
their combined sparkle to a new
picture, "Naughty Baby," which
shows at the Capitol tonight and
Tuesday.

The story is light and breezy
and replete with laughs from be-
ginning to end, with Miss White
playing the part of a modern flap-
per who is out to get a millionaire
"hubby." Jack Mulhall, the popu-
lar master of comedy among
male stars, handles the part of the
gilded youth who is heir to a large
fortune, and these two well-known
favorites form one of the most in-
teresting teams that has come to
the screen for some time.

MR. AND MRS. JOHN IVARSON HONORED BY FRIENDS SATURDAY

About one hundred friends
joined on Saturday night to honor
Mr. and Mrs. John Ivarson, 1264
Beach Place, with a surprise
party. Dancing was enjoyed un-
til 5 a.m. and delicious refresh-
ments were served.

A feature of the proceedings
was the presentation by Ex.-Ald.
Oscar Larsen, on behalf of the
company assembled, of a hand-
some, electric chandelier to Mr.
and Mrs. Ivarson. Mr. Larsen
spoke appropriately in making
the presentation and Mr. Ivarson
responded suitably.
