## SIX INCHES OF SNOW AT POINTS ON PRAIRIE

### Plea for Building Skeena Highway on North Bank

There seems to be rather a general opinion against the building of the Skeena highway on the south side of the Skeena railway. It is claimed that a ferry would be too slow and cumbersome a method of transportation. It is also stated that construction on the north side of the river would not be as difficult as sometimes represented. A letter in regard to it comes from Haysport, Nick J. Coulter, writing as follows:

To the Editor of The Daily News:

Sir,—In your issue of Friday 10th inst. is an article which I see occupied a leading position from the pen of C. F. Swanson, a former mail carrier, G. T. P., in 1908 and 1909, giving his views on how our road should go.

He says that a ferry from Tye on the C. N. R. and practically on the river, to the south side connecting at or above Raspberry Island, would be an easier route to build, operate and keep open than one on this side—the north side.

I agree with him in this, but—and it is a great big "but"—how is he going to get across?

There is at the present day a shallow, rocky, mud flat at Tye station, which runs out nearly half a mile, and Tye cannot be reached with a boat drawing three feet on an 18-foot tide at high water. It is practically the same, if not worse, at Skeena City.

At Telegraph Point, from there to Khtada, is the first deep water available and this is frozen solid in the winter.

On the south side of the river the same conditions prevail. At Raspberry Island and up to Khtada you could not land a ferry; no, not even a fishing boat at half tide. The north side, the Prince Rupert and Terrace side, is the only route on which a road should and must be built. It may take more money to do this. Let us get together and pull as one man. The road is ours where we want it. Who wants to wait at a ferry point for hours waiting for the rise and fall of the tide? Fancy our eastern tourists enjoying our grand scenery bordering along on a good road and then stuck in the wilderness waiting for the ferry and gazing at the mud flats singing this little song: "One more river to cross."

No; the north side or no side; all wheels and no ferry.

### TRANSFER OF STOCK VOTE IS CARRIED

OTTAWA, May 14.—A resolution providing for the taxing of the sale and transfer of shares of stock after a tempestuous passage last night was finally reported out of committee and stands for its third reading. The house in committee voted twice before the resolution was finally reported. The first vote was 52 for and 44 against. This was on an amendment introduced by Hon. W. R. Robb, minister of finance, which made certain reductions in the tax as originally proposed on lower priced "penny stocks."

The second vote was on the motion to report the resolution when the government had 47 and its opponents numbered 41.

### LOCAL STUDENTS ARE SUCCESSFUL AT UNIVERSITY

Successful students from this district at the recent annual examinations in the University of British Columbia have included the following:

Faculty of arts and science, third year, passed—Miss Muriel Crawford and Miss Cherrie Campbell, both of Stewart. Arts and science, second year, class two—Miss Dorothy Patmore, Prince Rupert; passed, Miss Lilian Cross, Prince Rupert. Applied science, third year, mining engineering, passed with supplementals—Don Matheson, Prince Rupert; second year, passed with supplementals, Robert Matheson.

### PARLIAMENT DELAYED BY COMMITTEE ON GRAIN HANDLING

OTTAWA, May 14.—The date for adjournment of parliament will to a considerable extent depend on the length of the debate on the report of the agricultural committee, as a result of its investigation of the handling of the 1928 grain crop. The rest of this week will probably be consumed in taking evidence, after which the committee will plunge into the task of preparing its report.

### DAILY MAIL IS REFUSED

Postmaster General Considers Extra Expenditure Would Not be Justified

The daily mail service has been refused by the post office department. The deputy postmaster general writes to the Board of Trade in reply to resolutions forwarded to the department stating that the Hon. P. J. Veniot, postmaster general, has received the resolution passed by the Associated Board of Trade of Central British Columbia and desires to state that the question of increasing the present tri-weekly service has already been thoroughly inquired into and on account of the very large additional annual expenditure such a service involved, the department is not able to justify a recommendation to increase the mail service to daily.

### Six Inches Snow Calgary Today and Other Points Frost Also Recorded

WINNIPEG, May 14.—Six inches of snow and a temperature of 30 degrees above zero made Calgary the most wintry community in the west's relapse into winter today. Qu'Appelle and Swift Current were two degrees colder, but had less snow. Moose Jaw and Regina were treated to snowfall and many intervening points from Edmonton to Dauphin, Man., were cloaked in snow. Snow promised to reach central and northern Manitoba today.

### J. R. TANNOCK WILL JOIN POWER COMPANY

Accountant in Local Government Agent's Office to Take New Position  
James Reid Tannock has resigned his position in the provincial government service here to accept a position with the Power Corporation of Canada. Mr. Tannock has been in the employ of the provincial government for some 12 years, and, for the past five years, has been accountant in the government agent's office at Prince Rupert. He served overseas, and is a member of the Canadian Legion.

### P. G. E. SURVEY IS MENTIONED

OTTAWA, May 14.—Correspondence in connection with the proposed survey of the natural resources on the land served by the P.G.E. Railway in British Columbia was tabled in the house of commons yesterday. It contains a reference to offers of the Canadian Pacific Railway and Canadian National Railway to carry out the survey jointly with the British Columbia government. The survey will extend north from Prince George and refers particularly to the mineral deposits.

### United States' Government Asks Information About the Seizure of Fishing Boats

WASHINGTON, May 14.—Request will be made of the Canadian government by the United States for information concerning the seizure of five United States vessels by Canada in Goose Island harbor. The state department received information today from United States Consul G. Carlton Woodward at Prince Rupert saying that the five vessels had been seized. The state department officials said that steps would be taken to ascertain whether the vessels were guilty of violation of the treaty provisions. It is expected that proceedings will be instituted by the Canadian government and on the outcome of the case will depend what action is to be taken by the United States.

"ROUND THE WORLD" ECKNER'S AMBITION  
Early in July the Graf Zeppelin (below) will start from New York harbor on an epoch-making trip around the world under the personal direction of Dr. Hugo Eckner (inset, above). The map (above) shows the route this dirigible will take on its journey from the time it leaves and returns to New York. Above is a scene in the pilot-house of the Zeppelin on its last trans-Atlantic crossing.

### Premier Baldwin Says he is Confident of Victory in Coming British Elections

LONDON, May 14.—"I start my general election campaign confident of victory," Premier Baldwin asserted in a message to the country last night. "No party ever had better ground for confidence. I have behind me an absolutely united party and that party has behind it five years of solid work for the betterment of industry and the welfare of the people. We can look our past pledges in the face and on the strength of our proved faith we ask for a simple mandate to go on building up the prosperity of the nation on the same sound rule."

### CANADA MEETS LOWER TARIFF

OTTAWA, May 14.—The Canadian railways have filed a lower tariff on wheat to meet the reduction announced by the interstate commerce commission of the United States. In Canada the reduction applies between Georgian Bay points and Montreal or Quebec and the reduction is two cents per bushel, making the rate on wheat to Montreal from bay ports 6.6 instead of 8.6.

### EFFORT TO PREVENT SMUGGLING LIQUOR INTO UNITED STATES

SEATTLE, May 14.—Twenty additional customs agents are to be added this summer to the force along the Pacific northwest sector of the Canadian boundary in an effort to prevent liquor smuggling.

BIRTH NOTICE  
A son was born to Mr. and Mrs. J. L. Bremner of Pacific, B.C., at Edmonton, Alta., May 11, 1929. 112

Scottish Humour  
Imported direct from the Aberdeen Joke Factory

DREDGERS  
Dredgers were invented by an Aberdonian who let a sixpence New York on the same commodity fall into the harbor.

### Football Season Opened Last Evening with a Victory for the Thistles Over Regiment

The senior football season got away to a good start last evening when the Thistles beat the Regiment in the opening game by a score of six goals to two.

For the Regiment, Brand was the outstanding player. Norrington put up a fine game, but tired towards the end. The rest of the Regiment team failed to get a working understanding, but will put up a better showing with team practice.

The Thistles were uniformly good. With all players there was a good understanding and the team was individually and collectively superior to the Regiment, which gave a very ragged display.

W. Williscroft refereed and A. Clapperton and W. Rance were linesmen. There was a big turnout of spectators. Regiment started with the hill in their favor and play was evenly divided till following a miskick by Lambie, Russell put the Regiment a goal up with a good shot. Thistles came back but Norrington and Ross defended well, while Brand was in splendid form. Finally W. Mitchell put the teams equal and a few minutes later MacDonald took advantage of a misunderstanding in the soldiers' defence to put Thistles a goal up.

The second half was all Thistles' game. Their defence held the Regiment easily and while the Regiment forwards seldom did anything the Thistles' forwards combined well and shot often. Brand played a rare game in goal, but was beaten four times when his backs and halves were overrun by the Scots. Goals were added by A. Mitchell, W. Mitchell and Jack, two. In a break-away

### BASEBALL WORK OUT SUNDAY

Work Done on Grounds as Well as Practice

All the senior league baseball teams for this season were represented at an enthusiastic work-out on the Acropolis Hill grounds Sunday, some 40 or so players being out. In addition to the work-out, the players turned to a working bee, as a result of which considerable improvements were made on the grounds.

The first games of the season will be on May 24, when a double header will be played. In the first game the Native Sons of Canada will play the Elks, the winners to meet the Gyro Club in the second game of the day.

Following will be the regular batteries for the season:

Elks—Spiro Gurvich, catcher, and Herman Loblick, pitcher. Gyro Club—Earl Minnehan or Elmer Smith and Nick Chenoski. Native Sons of Canada—Cecil Downie and Will Lambie.

### LEAGUE BALL IN THE STATES

Philadelphia Still Tied For First Place After Losing Games

NEW YORK, May 14.—Under Bucky Harris' soothing influence, George Uhle, who was traded by Cleveland to Detroit last winter, has come back with a bang. Beating the Athletics yesterday, he chalked up his sixth victory without defeat which is the best score in either of the major leagues.

The Athletics held to a tie for the first place with the Yankees who lost their third straight, this time to Cleveland. Babe Ruth hit safely in his thirteenth consecutive game.

In the National League, Chicago bounced back into first place, defeating Boston while the lowly Phillies were beating the Cardinals.

The Giants were blanked by Adolph Luque of Cincinnati. Luque made a homer in the sixth. Pittsburgh moved into third place by beating Brooklyn.

### TODAY'S GAMES WOMEN'S GOLF

Joyce Wethered Beats Mrs. Madill; Glenna Collett Wins but Off Stroke

ST. ANDREWS, Scotland, May 14.—Joyce Wethered, British star, defeated Mrs. D. G. Madill 8 and 7 in the British women's golf championship today. Glenna Collett, United States, defeated Miss Maude Bryant of Ashford Manor Club 3 and 2. Mrs. F. J. Mulqueen of Toronto defeated Miss A. M. Hyde of the Sandy Lodge one up.

Observers were not inclined to favor Miss Collett's chances in later rounds unless she can show decided improvement in her short game.

### McLARNIN GETS OFFER OF MATCH WITH JOE DUNDEE

VANCOUVER, May 14.—Jimmy McLarnin's manager last night received a telegram from Jess McMahon of New York offering McLarnin a match with Joe Dundee, presumably in New York.

### PROMINENT FIGURES IN SPORT

Written Especially for the Daily News by the Sports Editor.

#### ELBRIDGE THOMAS GERRY

Famous American Yachtsman

The grandson of a signer of the Declaration of Independence, Elbridge Thomas Gerry has devoted much of his long life to public service and has also become widely known as a lawyer, banker and yachtsman.

Born in New York City on Christmas Day, 1837, he has been known to his friends ever since 1886 as Commodore Gerry. Interested in yachting for several years, he was then elected commodore of the New York Yacht Club, a position which he held for seven years. His flagship, the steam yacht Electra, became familiar on both sides of the Atlantic Ocean.

### SENTENCES IN MOTOR CASES

Boggs and Others Get Six Months Each for Manslaughter

VANCOUVER, May 14.—With the expressed purpose of showing his faith in the younger generation, Mr. Justice Gregory, in assize court today, sentenced three prisoners convicted of manslaughter on charges arising out of motor fatalities to six months each. They were: Theodore Boggs, aged 20, dating from April 16; Alexander Williamson, aged 21, dating from November 14. This sentence expires today. Basil Moreau, aged 18, dating from April 30; John Mercer, aged 20, convicted of causing bodily harm by wanton or furious driving, also received six months dating from April 30. Recommendations were made that Boggs' driving license be cancelled for three years and the others for two years each.

### RELATIVELY SPEAKING

News Item—The sun is said to be consuming itself at the rate of 250,000,000 tons a year. Going almost as fast as our winter coal supply. Judge.

### TWO BANDITS HELD UP CAFE AT VANCOUVER

VANCOUVER, May 14.—Two bandits unmasked and brandishing heavy revolvers entered Leonard's Cafe on Granville Street at 2:15 this morning and took \$7.00 from the cash register. T. Moffatt, waiter, jumped on one of the bandits and after a strenuous struggle in which the bandit fired two shots the holdup men escaped. Two minutes after the robbery an allegedly stolen car, crashed into a street car on Granville Street. Fred Fritzier alias Frizzle aged 19, was removed to hospital under a police guard suffering from serious internal injuries. Fred A. Leaf, alleged friend of Fritzier's is held by the police for investigation in connection with the robbery. He was found at the same house in which Fritzier roomed.

### PRICE OF WHEAT

VANCOUVER, May 14.—The price of wheat here today was \$1.12.

### WALTER HAGEN QUALIFIES IN GOLF OPENING

MOORETOWN, England, May 14.—Walter Hagen, United States, took the lead in the first qualifying round of the Yorkshire Evening News thousand guineas tournament today when he turned in a sensational 69. Al Watrous of Detroit came second with 70.

Daily News "Classified" advertising brings results.

### BELANGER WINS BY KNOCKOUT

TORONTO, May 14.—Frenchy Belanger of Toronto recaptured the Canadian flyweight title here last night from Harry Hill of Montreal, who only a few weeks ago toppled the crown from Belanger's head. Belanger won in the sixth round by a technical knockout.

Meeting of retail clerks in City Hall tomorrow, Wednesday, night at 8 o'clock.

G. A. McMillan, superintendent of the local dry dock, left Sunday night for a trip to Vancouver on official business.

May 17—Norwegian Independence Day—Banquet and Social in Moose Hall at 8 p.m. Music by Premier Orchestra. Admission \$1.00.

Accounts for the two weeks ending May 10 totalling \$58,151.72 were passed for payment at last night's meeting of the city council.

Don Matheson, son of City Treasurer and Mrs. D. J. Matheson, has left for Stewart where he will join the staff of the Premier Borden mine during his vacation from the University of British Columbia.

Robert Gray, native lad of Port Simpson, who attends the Coqualeetza Institute at Sardis, has been selected to represent Northern British Columbia at the Boys Scouts' Jamboree at Cardiff, Wales, this summer. He is eighteen years of age.

Owing to the court being engaged today in the hearing of the Johansen vs Johansen maintenance appeal, the County Court action of McCrae vs Hanson, in which argument of counsel is to be heard, will probably come on tomorrow.

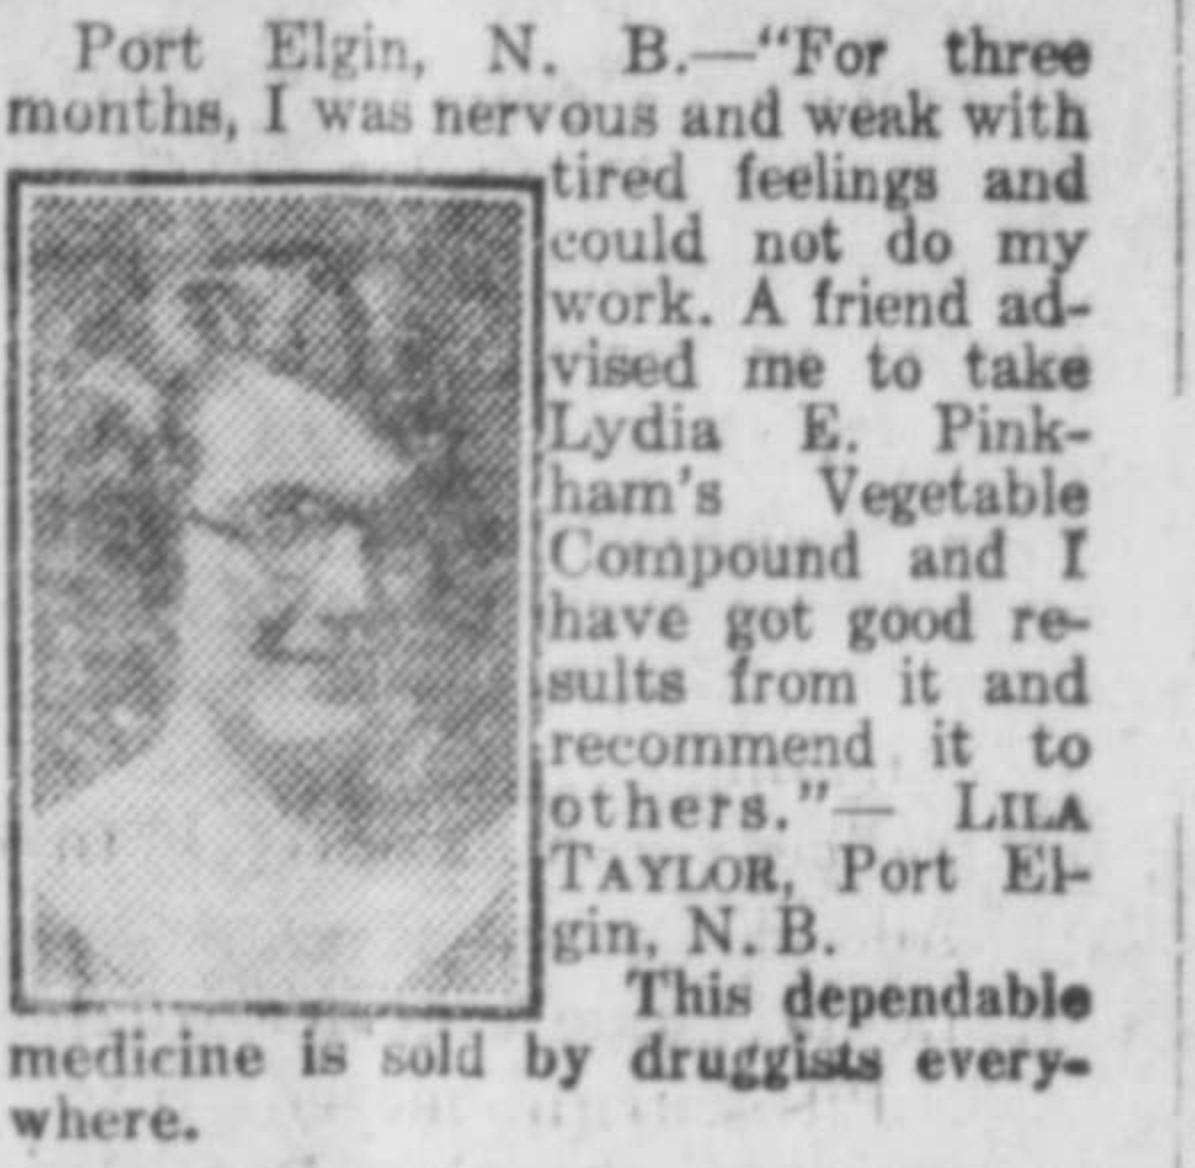

A local improvement initiative bylaw providing for the grading of the lane in Block 11, Section 1, at the rear of the Prince Rupert Hotel from Sixth to Seventh Streets was put through its initial readings at last night's meeting of the city council.

On recommendation of the board of works, the city council last night designated May 15-22 as annual “clean-up” week in the city. A notice will be inserted in the papers requesting citizens to clean up their premises. Ald. Dawson suggested that the city should see to it that its own premises were in shape.

A report from the board of works recommending that the sidewalk on the south side of Borden Street be not built in view of a letter from the city solicitor stating that the petition was insufficiently signed was adopted by the city council last night. Mr. Jones said that the signatures were seven short, only twelve who were qualified having signed.

**COULD NOT WORK FOR MONTHS**

Restored to Health by Lydia E. Pinkham's Vegetable Compound

Union steamer Catala, Capt. A. E. Dickson, returned to port at 11 o'clock this morning from Anyox, Stewart and other northern points of call and will sail at 3:30 this afternoon for the south.

The fire department had a call at 5:30 yesterday afternoon to the corner of Fifth Avenue and McBride Street where a grass fire had ignited an old building now occupied by Selvig Bros. Slight damage was done.

Union freighter Chilliwack, Capt. John Muir, arrived in port at 9 o'clock this morning from the south and is discharging coal for Albert & McCaffery before proceeding with a cargo of cannary supplies to Arrandale whence she will return south.

During the month of April, according to a report from the janitor, John Walker Exley, read at last night's council meeting, a total of 1446 gallons of oil was consumed in the City Hall heating system. The daily consumption was 58 gallons at a cost of \$3.19.

Ald. Dibb inquired at last night's council if tenders for garbage collection had been received yet. Ald. Brown, chairman of the board of works, replied that the specifications were now before that committee and the tenders would be in for the next meeting of the council.

The St. Andrew's Society, at its regular monthly meeting last night, decided to give the Thistle Football Club use of the Society rooms as dressing headquarters. A committee was appointed to make arrangements for the annual meeting at Grassy Bay and it was decided to hold a social evening in the near future. Howard Steen, president of the Society, presided over the meeting.

**ANNOUNCEMENTS**

**CATHOLIC GIRLS' MOTHER BANQUET**

Junior League Catholic Girls gave a banquet in the Catholic Hall last night in honor of their mothers, about 47 persons being present. The hall was beautifully decorated in orange and pale yellow and the scene was very attractive. Bishop E. M. Buno presided over an event which was altogether most successful and enjoyable. Mrs. J. J. Gillis was convener.

The program was as follows:  
Chorus—"This Month of Our Mothers," Junior League Girls.  
Toast—"To Our Mothers," proposed by Miss Nelda Hilditch, responded to by Mrs. J. C. Brady.  
Recitation—"One, Two, Three," Miss Florence Childs.  
Piano solo—"Minuet," Miss Marie Murphy.  
Vocal solo—"Indian Love Call," Mrs. J. J. Muldoon.  
Piano solo—"Hungarian Rhapsody," Miss Marie Balaerno.  
Vocal solo—"Pal of My Cradle Days," Miss Jean Robertson.  
Piano solo—"Nocturne," Miss Nina Hunter.  
Chorus—"Mother Machree," Junior League Girls.

**HALIBUT SALES TODAY TOTAL 93,500 POUNDS**

American Fish Receives as High as 13.4c and 9c and Canadian up to 12.3c and 7c

Halibut sales at the local fish exchange this morning aggregated 93,500 pounds, seven American vessels selling 61,500 pounds at 13.1c and 8c to 13.4c and 9c while four Canadian boats were paid 11.7c and 6c to 12.3c and 7c for 32,000 pounds.

Arrivals and sales were as follows:

**American**

- Sea Bird, 11,500 pounds, Booth Fisheries, 13.2c and 8c.
- Unimak, 9,000 pounds, Canadian Fish & Cold Storage Co., 13.1c and 8c.
- Reform, 9,300 pounds, Pacific Fisheries, 13.4c and 8c.
- Reliance, 7,000 pounds, Atlin Fisheries, 13.1c and 8c.
- Frisco, 9,000 pounds, Booth Fisheries, 13.4c and 8c.
- Viola, 7,200 pounds, Pacific Fisheries, 13.1c and 9c.
- S. and S., 9,000 pounds, Canadian Fish & Cold Storage Co., 13.2c and 8c.

**Canadian**

- Drott, 8,000 pounds, and Helen H., 10,000 pounds, Atlin Fisheries, 2c and 6c.
- Tuxedo, 3,000 pounds, Pacific Fisheries, 12.3c and 7c.
- Velma C., 11,000 pounds, Canadian Fish & Cold Storage Co., 11.7c and 6c.
- Salmon W. Wanderer, 1,800 pounds, Canadian Fish & Cold Storage Co., 15c and 7c.

The County Court appeal from provincial police court in which Mrs. Hilda Johansen of Oona River is suing her husband, Edward Johansen, for maintenance, was proceeding all morning before Judge F. McB. Young and was adjourned until this afternoon. Milton Gonzales is acting for the wife and L. W. Patmore for the husband.

DAILY EDITION Monday, May 14, 1929

FISHING BOAT SEIZURE

Several American fishing boats were seized at Goose Island last week because they were using a Canadian port, whether wrongfully or not will have to be shown before an admiralty court.

Complaints have been made from time to time that American salmon trollers operating on the high seas use Canadian ports regularly. The treaty gives a good deal of latitude in this respect, but whether these men are overstepping the mark will have to be shown. At any rate, the arrest will tend to make the fishermen more careful in observing the letter of the law.

Canadian halibut fishermen fish off the coast of Alaska and in time of stress use American ports. They also secure emergency supplies at Alaskan points. We concede similar rights to the trollers on this more southerly coast, but we do not expect them to use a Canadian base while plying their trade in opposition to Canadians. Doubtless the whole matter will be threshed out when the case is heard here.

CLEAN-UP WEEK

The city council has decided that clean-up week commences tomorrow and all citizens are required to make their places tidy. Vacant lots have to be put in shape as well as those on which there are buildings. The move is a good one and the city should lead the way in seeing that every property owned by them is free from rubbish or nuisance of any kind. The tourist season will be here directly and it is highly desirable that the city should look its best.

NEWSPAPER HITS BACK

(Edmonton Journal)

It is accepted as quite the proper thing for a newspaper to be sued for libel occasionally. During the heat of an election battle, it is a common occurrence for a speaker to deny that he said so and so or to affirm that a newspaper misconstrued his remarks. Even when there isn't any battle on, it sometimes happens that a public man will repudiate an interview. For the newspaper to sue the repudiator for libelling its good name by insinuating it would publish a falsehood, is almost unheard of. But it has happened.

Not so long ago in Cape Town, the editor of the Cape Times sued Die Bergier, organ of the Cape Nationalists, for alleging that the Cape Times had "falsified" a speech by General Hertzog in reporting it. The defence was that the editor was not named in the article criticizing the report in the Cape Times. The editor held that the article was a libel on himself as the person solely responsible for what appeared in his newspaper, and this contention was sustained by the court, which awarded him damages of \$500 and costs. Commenting on this action the London Times says:

The court found that a libel on a newspaper is a libel on the responsible editor, and gave judgment for the editor, with 100 pounds damages and costs. The decision is an important precedent, since never before in South Africa or, it is believed, elsewhere has it been decided that a libel on a newspaper is a libel on the responsible editor. It will check the tendency of politicians to allege that reports of speeches are "faked" in newspaper offices, which has been very prevalent here.

The Cape Times has given the \$500 it received to the benevolent fund of the South African Society of Journalists.

Any reputable newspaper prides itself on the accuracy of its reports. When these are challenged, it is a reflection on its character. And sometimes, instead of letting its readers judge, it seeks vindication in the courts. This course is taken so rarely, that, when it is, it is worth special mention.

COMPETITION ENDS NEXT WEEK

The suggestions for improving conditions in northern and central British Columbia have mostly been along one line. The building of a highway and the formation of a new province. While some valuable suggestions have been made, the last word has not been said and there is still plenty of room for others.

The competition will end definitely on Saturday of next week, after which the articles will be judged.

PARKING BYLAW IS UNDER FIRE

Amendments Will be Suggested to Council by Car Owners, Delegation Heard

The city council last night accepted a suggestion made by a delegation consisting of Ex-Mayor H. B. Rochester and G. H. Munro, representing the Prince Rupert Automobile Club, and Joe Brown and Eddie Smith, representing the taxi owners, that owners of automobiles in the city be taken into conference in the matter of bringing about amendments to the street traffic bylaw so that the measure may be made more practically workable locally. The council felt, however, that it could do nothing in the matter of staying a number of prosecutions which are now pending in police court. Nor did it feel that it would be wise to interfere in any way with the police as far as its administration of the existing bylaw was concerned.

Speaking of recent activities of the police, Mr. Rochester declared that a number of citizens had been haled into police court without warning. He thought that the bylaw could be revised so that it would be more adaptable locally and asked that the Prince Rupert Automobile Club be allowed to confer with the council with this end in view. In the meantime, he suggested that operation of the bylaw might be suspended.

G. H. Munro stated that it was not the intention to criticize those who had passed the bylaw. Often revisions became necessary after such a measure was put in force. There were a number of changes that could be made and he suggested that parking zones might be marked out. He did not think that such stringency was necessary all over the city.

Joe Brown said there was a lot of talk about putting taxis off Third Avenue altogether. He felt that the taxi men should be given the opportunity to consult with the council and protect themselves.

Mayor McMorde felt that all would agree the bylaw had been rigidly enforced—possibly a little too rigidly. He pointed out, however, that when the regulations had been drafted last year by the fire chief, police chief, city engineer and city solicitor the owners of cars had been invited several times to offer suggestions. The council had done all in its power to meet the situation. His Worship suggested that car owners be taken into conference with a view to bringing about revisions of the bylaw.

Cannot Suspend Bylaw

The council had no power to suspend the bylaw temporarily, City Solicitor Jones declared.

Ald. Collart thought the existing bylaw was all right. A num-

ber of little things had been, however, pushed too far by the police, he felt. There should be elasticity in the operation of the bylaw and a certain amount of discretion should be exercised by the police, he thought. He suggested the council instruct the police not to be too drastic.

Ald. Dibb did not think it was good policy to interfere with the police. The council had framed the bylaw and he thought it was up to the police to carry it out as it stood. There were certain amendments that might be made. Ald. Prudhomme agreed with the views of Ald. Dibb.

Ald. Dibb further suggested that automobiles should be required to stop dead before rounding the intersections of Third Avenue and Fulton Street. This might also be done at Third Avenue and Sixth Street.

After further discussion, it was decided on motion of Ald. Prudhomme and Ald. Brown, to receive suggestions for revisions from car owners up to May 27.

ENJOYABLE EVENING WITH FIRESIDE CLUB

Pupils of High School Contributed to Program Last Night With Musical and Literary Numbers

The Fireside Club of First Baptist Church had a very enjoyable and profitable program at its regular weekly meeting last night, literary and musical selections

being contributed by the pupils of the local high school.

The program included vocal solos by Miss Beulah McKinley, piano selections by Miss Catherine Mussallem, banjo numbers by Hawthorne Dunn, a paper by Miss Louise Lindseth on "Pauline Johnson and Her Poems" and an account by Miss Joan Arthur, of "The Career of Robert Louis Stevenson."

Miss Agnes Dawson, the president, occupied the chair. Refreshments were served by Miss Catherine Watson and Robert Parker.

OVER-EXPENDITURE ON SEWER CONSTRUCTION

And Water Main on Eighth Avenue as Well as Finishing McBride Street in McClymont Park Provided For

Local improvement bylaws providing for the securing of an over-expenditure of \$19,000 on the construction of the Section Five trunk sewer system, for the installation of a six-inch water main for fire protection purposes from McBride to Lotbiniere Streets along Eighth Avenue at an estimated cost of \$5200, and for the surfacing and building of a bridge along McBride Street through McClymont Park at an estimated cost of \$12,000 were given initial reading at last night's meeting of the city council.

Canada's Pulp and Paper Industry

CANADA'S most important manufacturing industry, since 1803 always a growing one and always a stabilizer of our trade and our dollar. The value of this huge business to Canada cannot be measured in terms of its own greatness—nor can it be weighed on ordinary scales. Its influence permeates all other business, and to an appreciable extent the tremendous purchasing power of the Dominion is due to the exportation of its manufactured paper. The phenomenal growth of this industry in Canada is explained by the stupendous water powers at hand for the development of electricity. The same waters that carry the logs from the forests in turn serve to pass them through the mills, yielding the basic power for every manufacturing operation. And improvements perfected in electrical devices have kept pace with and made possible this uninterrupted progress. Thus, again, we see how intimate a part electricity plays in the development of our great enterprises, and the Northern Electric Company is pleased to be producing some of the necessary equipment for the proper application of this power.

Northern Electric COMPANY LIMITED  
A National Electrical Service

313 WATER STREET VANCOUVER, B.C.

It's a Sweater, But Looks Like a Shirt

This is a new version of an old standby—the lisle sweater that looks like a man's shirt. It is now made with raglan sleeves and two little darts beside the opening band in front, and there is a set-on portion for the hips. In white and light shades it is designed to be worn with suits, but is just as attractive with sport skirts.

Information . . .

- 1803 First Paper Mill in Canada established.
- 1917 \$41,000 tons; valued at \$8 million dollars, were produced.
- 1927 2,400,000 tons were produced, valued at more than 168 millions of dollars.
- 1917 83 mills.
- 1927 114 mills.
- 1917 Salaries and wages; 27 million dollars.
- 1927 They amounted to over 45 million dollars.
- 1917 23,000 employees.
- 1927 32,000 employees.

# NEWS OF NORTHERN B.C.

## BURNS LAKE

The Lakes District School Fair, at its annual meeting last week, elected officers as follows: president, M. F. Nourse; treasurer, Rev. W. R. Ashford; secretary, R. W. McGowan; vice-president, A. L. Petersen. There was a deficit of \$200 on last year's fair but it is intended to carry on.

A pound building is being built here by the village commissioners and, on its completion, the Pound bylaw will become effective.

All residents of Burns Lake are busy in their gardens just now, weather of late having been good for such work.

Mrs. W. J. Kutt of Winnipeg is visiting with her cousin, W. A. Allen, and other relatives in the Burns Lake district.

George Lemieux has completed a contract for the painting of the office of the Burns Lake Observer.

John J. McKenna and W. A. Allen returned last Wednesday night from an auto trip to Lillooet.

Business visitors in town during the week from the district have included: Norman Schriber, Ossa Lake; Mr. and Mrs. John Bench, Bald Hill; P. L. Mulville, Grassy Plains; Ed. Newman, Bald Hill; Mr. and Mrs. W. D. Lukens, Balling; Del Cassidy, Colleymount.

## TERRACE WILL CELEBRATE ON VICTORIA DAY

Arrangements Made for Sports and Games on Annual Holiday

TERRACE, May 13.—The chief business before the meeting of the Parent-Teachers on Thursday was the arrangements for a school sports day on May 24. A committee consisting of Mrs. Moore, Miss Davis and Miss Wright was named. Rev. A. W. Robinson will have charge of tagging on the grounds. Assistance was offered from the Native Sons and W. A. Kirkpatrick was named to assist the sports committee. Mr. Holmwood reported that the baseball games were being lined up—one between the Trail Rangers and Outsiders and another between the high school team and a town team. A girls' game might also be arranged. The volley ball apparatus was now here and a volley ball game could be played if desired.

## PRINCE GEORGE

A delegation representing the Women's Institute and consisting of Mrs. George Abbott, Mrs. A. K. Nicholls and Mrs. George Milburn waited upon the city council Monday evening to seek support for the establishment of a children's playground in the west end of town. The council will consult with the school board on the matter.

James Stevens was sentenced to six months' imprisonment here recently for the theft of a watch and chain as well as other articles from Arthur Bellos.

James Moriarity, veteran C.N.R. roadmaster who has retired from the railway service, has arrived here from Vancouver and will make his future home in Prince George.

A. D. Cruickshank of the Western Canada Airways is here to make arrangements for the inauguration of an air service between Prince George and the northern mining districts.

The city of Prince George had a surplus of \$16,106 during the year 1928 according to the auditor's report which has just been presented to the council. Revenue amounted to \$108,633 and expenditures, \$92,547.

The new short route from the city to the Fair Grounds by way of Vancouver Street is expected to be completed within the next week by the provincial department of public works.

## SPECTACULAR BLAZE SEEN AT VICTORIA

Paper and Shingles on Bobbyalla Burned After Vessel Was Benched

VICTORIA, May 14.—One of the most spectacular sights ever witnessed here was seen when the motorship Bobbyalla, carrying a cargo of paper and shingles, went ashore at Albert Head, a few miles from the city. The vessel was ablaze from stem to stern. The Bobbyalla caught fire Saturday morning off Discovery Island and strenuous efforts were made to extinguish the blaze. Owing to the vessel being of wooden construction and carrying a cargo of unsinkable goods she would not go to the bottom, so it became necessary to beach her. This was done at Albert Head within full view of the city.

This afternoon's train, due from the east at 3:30, was reported this morning to be on time.

## AIR SERVICES NORTHERN B. C.

Fisheries Patrol to Have Headquarters at Swanson Bay It is Announced

VANCOUVER, May 14.—Western Canada Airways Ltd. is inaugurating an air service in northern British Columbia this summer which gives promise of developing the untouched mineral areas of the northern portion of the province in the same manner that this enterprising aviation firm made possible rich discoveries in northern Manitoba.

One plane will operate from Prince George, another from Stewart. If negotiations already far advanced are concluded, an air base will be established by the company at Hudson Hope. While primarily for survey purposes this base would offer still another approach for prospectors and mining men to areas which are practically inaccessible by any other mode of travel. Flying

boats or seaplanes are used exclusively by this firm, the multitude of lakes in northern British Columbia affording ready access to almost every section. The fisheries patrol for the northern district will have headquarters at Swanson Bay.

## WILL REPAIR GRANDSTAND

City Council Grants \$200 for Improvements at Acropolis Hill Grounds

On recommendation of the finance committee, the city council last night decided to expend the sum of \$200 for repairing the grandstand at Acropolis hill grounds.

Mayor McMorde explained that the stands were in a rather serious condition at present and dangerous for the public. The sum of \$200, it was felt, was the minimum figure for carrying out the work.

The stands will be put in shape before May 24.

## SCHOOL GARDENS AT TERRACE INSPECTED

TERRACE, May 13.—An inspection of the high school gardens preceded the business meeting of the Parent-Teacher Association on Thursday evening. Much time and work has evidently been spent on the artistically arranged flower and vegetable gardens. Many shrubs and perennials have been planted and the grounds should soon be very attractive.

## USE OF POWER PER CAPITA

The steady increase in the use of power per capita in Canada is shown by a comparison of the figures for 1920 and 1927. During this period the amount of power used per 100 of population increased from 43 to 63 horsepower, or the use of power per inhabitant increased over 46 per cent.

**INSPECTOR IS NOT JUSTIFIED**

City Council Receives Letter From Department in Regard to Radio Suggestion

A letter from E. Hawken, deputy minister of marine and fisheries, Ottawa, read at last night's council meeting, stated that revenue in this area was not sufficient to justify the expenditure that would be required in appointing a radio inspector for Prince Rupert and northern British Columbia. It was necessary that these inspectorships should be self-supporting and the communication stated that at the present time there were only 273 licenses issued in this area. They were as follows: Queen Charlotte Islands, seven; Prince Rupert, 70; Prince George, 57; Ocean Falls, 90; AnvoX, 34; Stewart, 11; Premier, four.

The council decided to refer the letter to the Prince Rupert Radio Association, from which the suggestion for an inspector emanated.

**HALIBUT FISHERY BEING CARED FOR**

Deputy Minister of Fisheries Writes to Council Regarding Removal of Tariff

William A. Found, deputy minister of fisheries, in a letter read at last night's meeting, replied to a recent communication from the city council which urged that a treaty be entered into with the United States by which the duty on halibut entering either country from the other and on fishing equipment, repairs and supplies would be removed.

Mr. Found assured the council that no opportunity for bringing about a satisfactory adjustment of the halibut fishing industry on this coast was being overlooked by the department. On the contrary, the matter was continuously receiving every feasible attention. The letter was ordered filed.

**Short of Breath Smothering Feelings Choking Sensation**

Mrs. H. Day, Dartmouth, N.S., writes:—"For over a year I was troubled with smothering spells and shortness of breath, and it was impossible for me to walk, even a short distance, because of the choking sensation which followed.

After trying many treatments, in vain, I at last decided to try

and in a surprisingly short time they did me much good.

**HARRY WILLIS, VENTRILOQUIST, DELIGHTS CAPITOL AUDIENCE**

Exceptionally Fine Vaudeville Act Presented Last Night to "Big House"

Harry C. Willis, the versatile entertainer, who opened a week's engagement last night at the Capitol, and who comes to Prince Rupert after a long season in Vancouver, Calgary, Regina, and other large centres, was given a great reception that was well deserved. Harry sings, dances, plays musical instruments, tells funny stories, and then sends the house into convulsions with his dummy partner, "Jerry." It was quite evident that Mr. Willis won a host of friends last night and his announcement that his act will be changed entirely with each change of pictures was heartily welcomed.

**TELEPHONE IS PAYING WELL**

Mayor Expresses Satisfaction at Report Issued by City Treasurer

WILL BE CONSIDERED Report Indicates That Department is a Valuable Asset to the City

Since the formation of the municipal telephone system in 1910, this utility has shown total net earnings or total surplus of \$119,465 and a net surplus of \$49,335.01 according to a report presented to the council at its meeting last night by City Treasurer D. J. Matheson.

Receipts were placed as follows:  
Sale of Bylaw 11 Bonds \$ 40,000  
Sale of Bylaw 209 Bonds 60,000  
Total net earnings .... 119,465  
Depreciation Reserve .. 40,300

Expenditures  
Paid for real estate \$ 8,000.00  
P. R. Tel. Co. stock 9,075.00  
Transfer to City Hall 4,185.59  
Expended under By-law 11 ..... 102,893.76  
Expended under By-law 209 ..... 93,152.58  
Cable and services . 2,724.06  
To current account .. 40,335.01

\$260,365.06  
Assets of the telephone department exceeded liabilities to the amount of \$98,850.67, assets having been written down by the depreciation reserves set up. The sum of \$2,500 had been set aside each year from the earnings in the way of depreciation reserve.

A summary of net earnings or surplus for each year since 1910 was appended to the report. Figures ranged from a surplus of \$75.40 in 1910 to as high as \$13,238.02 in 1927, the 1928 surplus having been \$12,699.87 or the second highest in the history of the utility.

In the matter of the figure of \$8,000 for real estate, Ald. Brown enquired if this had been credited back to the department when the building on Third Avenue had been turned over to the Great War Veterans. Ald. Collart replied that the credit had been made. Ald. Brown was still doubtful.

Mayor McErdie thought the report was a very satisfactory one. It showed that the system was paying its way and was very efficient.

The report was laid on the table for further consideration.
