Canada Will Answer United States Tariff by Increasing Trade With the Rest of British Empire

Unofficial Despatch From Ottawa Says Next Election in 1931 Will Be Fought On Imperial Preference

TORONTO, June 15.—A despatch to the Toronto Star, Liberal, from Ottawa yesterday says: "Free trade within the British Empire is said to be the answer of Canada's Liberal Government to repeated tariff increases of the United States and to the charge of the Conservative party that Canada is accepting these discriminatory tariffs without retaliation."

"A general election in 1931 is now understood to be contemplated. This will be fought on the question of Imperial preference and Canadians will be encouraged to buy within the Empire rather than from the United States."

"The election will be preceded by certain cabinet changes. It is said that for the first time a member of the U.F.A. group and a Saskatchewan Progressive will be brought in and a Manitoba Liberal-Progressive will continue in the cabinet. Hon. Robert Forke, it is believed, will go to the Senate and be succeeded by Hon. T. A. Crerar, former leader of the farmer groups. Hon. Charles Stewart, minister of the interior, will go to the International Joint Commission and be succeeded by Robert Gardiner or E. J. Garland of the United Farmers of Alberta."

Hon. W. R. Motherwell, minister of agriculture, will probably go to the lieutenant-governorship of Saskatchewan and a Saskatchewan Progressive will succeed him.

TENNIS GAMES LAST EVENING

Several Matches Played When Weather Conditions Improved; More This Week-End

The Prince Rupert Tennis Club took advantage of the respite in unfavorable weather conditions last evening to play off further games in the club's championship tournament as follows: Men's Singles, First Round: Carl Brand beat W. O. Fulton, 6-2, 6-4. Second Round: Brand beat Thos. Brown, 6-2, 7-5. Mixed Doubles, First Round: Miss Vera Smith and Poll Howard beat Mrs. McMordie and Wm. Currie, 6-1, 6-2. Men's Doubles, First Round: Wm. Currie and Carl Brand beat Thos. Brown and C. Porter, 6-2, 6-0. Pete Black and W. O. Fulton beat S. Smith and V. Moore, 7-6, 6-1, 6-3. Second Round: E. Smith and Poll Howard beat F. E. Robertson and E. Wilding, 6-0, 6-0. Further games will be played this evening and tomorrow, weather permitting.

DUNCAN IS TO BE MARKETING EXPERT

VICTORIA, June 15.—W. W. Duncan of Brentwood will take over the position of marketing expert for farm products for the province of British Columbia, his duties to be confined to the Dominion unless under special conditions it is deemed advisable to prosecute his investigations outside of Canada.

PRICE OF WHEAT

VANCOUVER, June 15.—The price of wheat here today was quoted at \$1.14 5/8 for Number one Northern spot cash.

HALIBUT SALES

POOR START OF ENGLAND AT CRICKET

South Africa Gets Side All Out For 245 in First Test Match at Birmingham

BIRMINGHAM, June 15.—England scored 245 in the first innings of their cricket test match with South Africa here today. The English side collapsed at the start and lost five wickets for 115 runs but the "tail" of the side played up strongly. This afternoon South Africa went to bat, and when stumps were drawn no wickets had fallen, the score being 59.

CHURCHILL ON LABOR PARTY GOVERNMENT

CHINGFORD, Eng., June 15.—"So long as the Labor Government drops all this nonsense about socialism, nationalism of industry, fantastic expenditures and taxation and wild schemes for monkeying with the currency and credit system on which we depend, it should have its turn and a fair chance to see if it can make things go a little better," declared Right Hon. Winston Churchill, former chancellor of the exchequer, here last night in a speech.

PARENT-TEACHERS AT TERRACE RECOGNIZE WORK REV. WM. ALLAN

TERRACE, June 15.—At the meeting of the Parent-Teachers' Association a hearty vote of thanks was passed to Rev. Wm. Allan, who is leaving the district, for the active and sympathetic interest he has shown in the work of the association during his residence in Terrace. Rev. Canon T. J. Marsh gave a most interesting talk on some of his experiences in the Mackenzie River country where he spent fifteen years. It was decided to ask the school board to handle the school text books for pupils ordering them, in order to avoid delay in securing them at the beginning of the term.

SIR P. McGRATH DIES

ST. JOHNS, Nfld., June 15.—Sir Patrick McGrath, president of the Legislative Council, died here yesterday. He was born in 1869.

Indigo, once the principal crop of Louisiana, was relegated to minor importance in the eighteenth century when it was attacked by a destructive worm.

MINISTER LOST HIS APPENDIX

OTTAWA, June 15.—Hon. Charles Dunning, minister of railways, underwent a successful operation for appendicitis this morning. His condition is satisfactory.

GERMAN WILL MAKE CANOE TRIP TO COAST JASPER TO VANCOUVER

JASPER PARK LODGE, Alta., June 14.—In the track of the great explorers of the first white men to lay eyes on the Pacific Ocean, a young German journalist is about to start an adventurous canoe journey down the Fraser and the Thompson Rivers to Vancouver. Arriving in Jasper today from Edmonton, where he took a preliminary "canter" on the Saskatchewan River, Carl Schwinde of Munich will leave tomorrow for Mount Robson. He will take to the water at Blue River.

Returning to Jasper by train, the young adventurer, who has written a number of books on outdoor subjects, is also a lecturer of prominence in Germany, both by radio and from the platform, and has written and produced movie scenarios of river and lake travel. By movie and still photograph and by the written and the spoken word, he will carry Canada back to Europe. His canoe is a folding one weighing only 35 pounds and easily carried on a man's back, and is modelled after the Eskimo kayak.

JOHN KENNEDY DIED WINNIPEG LAST NIGHT

WINNIPEG, June 15.—John Kennedy, second vice-president of the United Grain Growers Ltd. and one of its founders, died at his home here last night. At one time he operated a ranch at Tebuka, B. C.

SIR P. McGRATH DIES

ST. JOHNS, Nfld., June 15.—Sir Patrick McGrath, president of the Legislative Council, died here yesterday. He was born in 1869.

Pattullo Strenuously Objects to Water Policy of F. P. Burden and Challenges His Authority

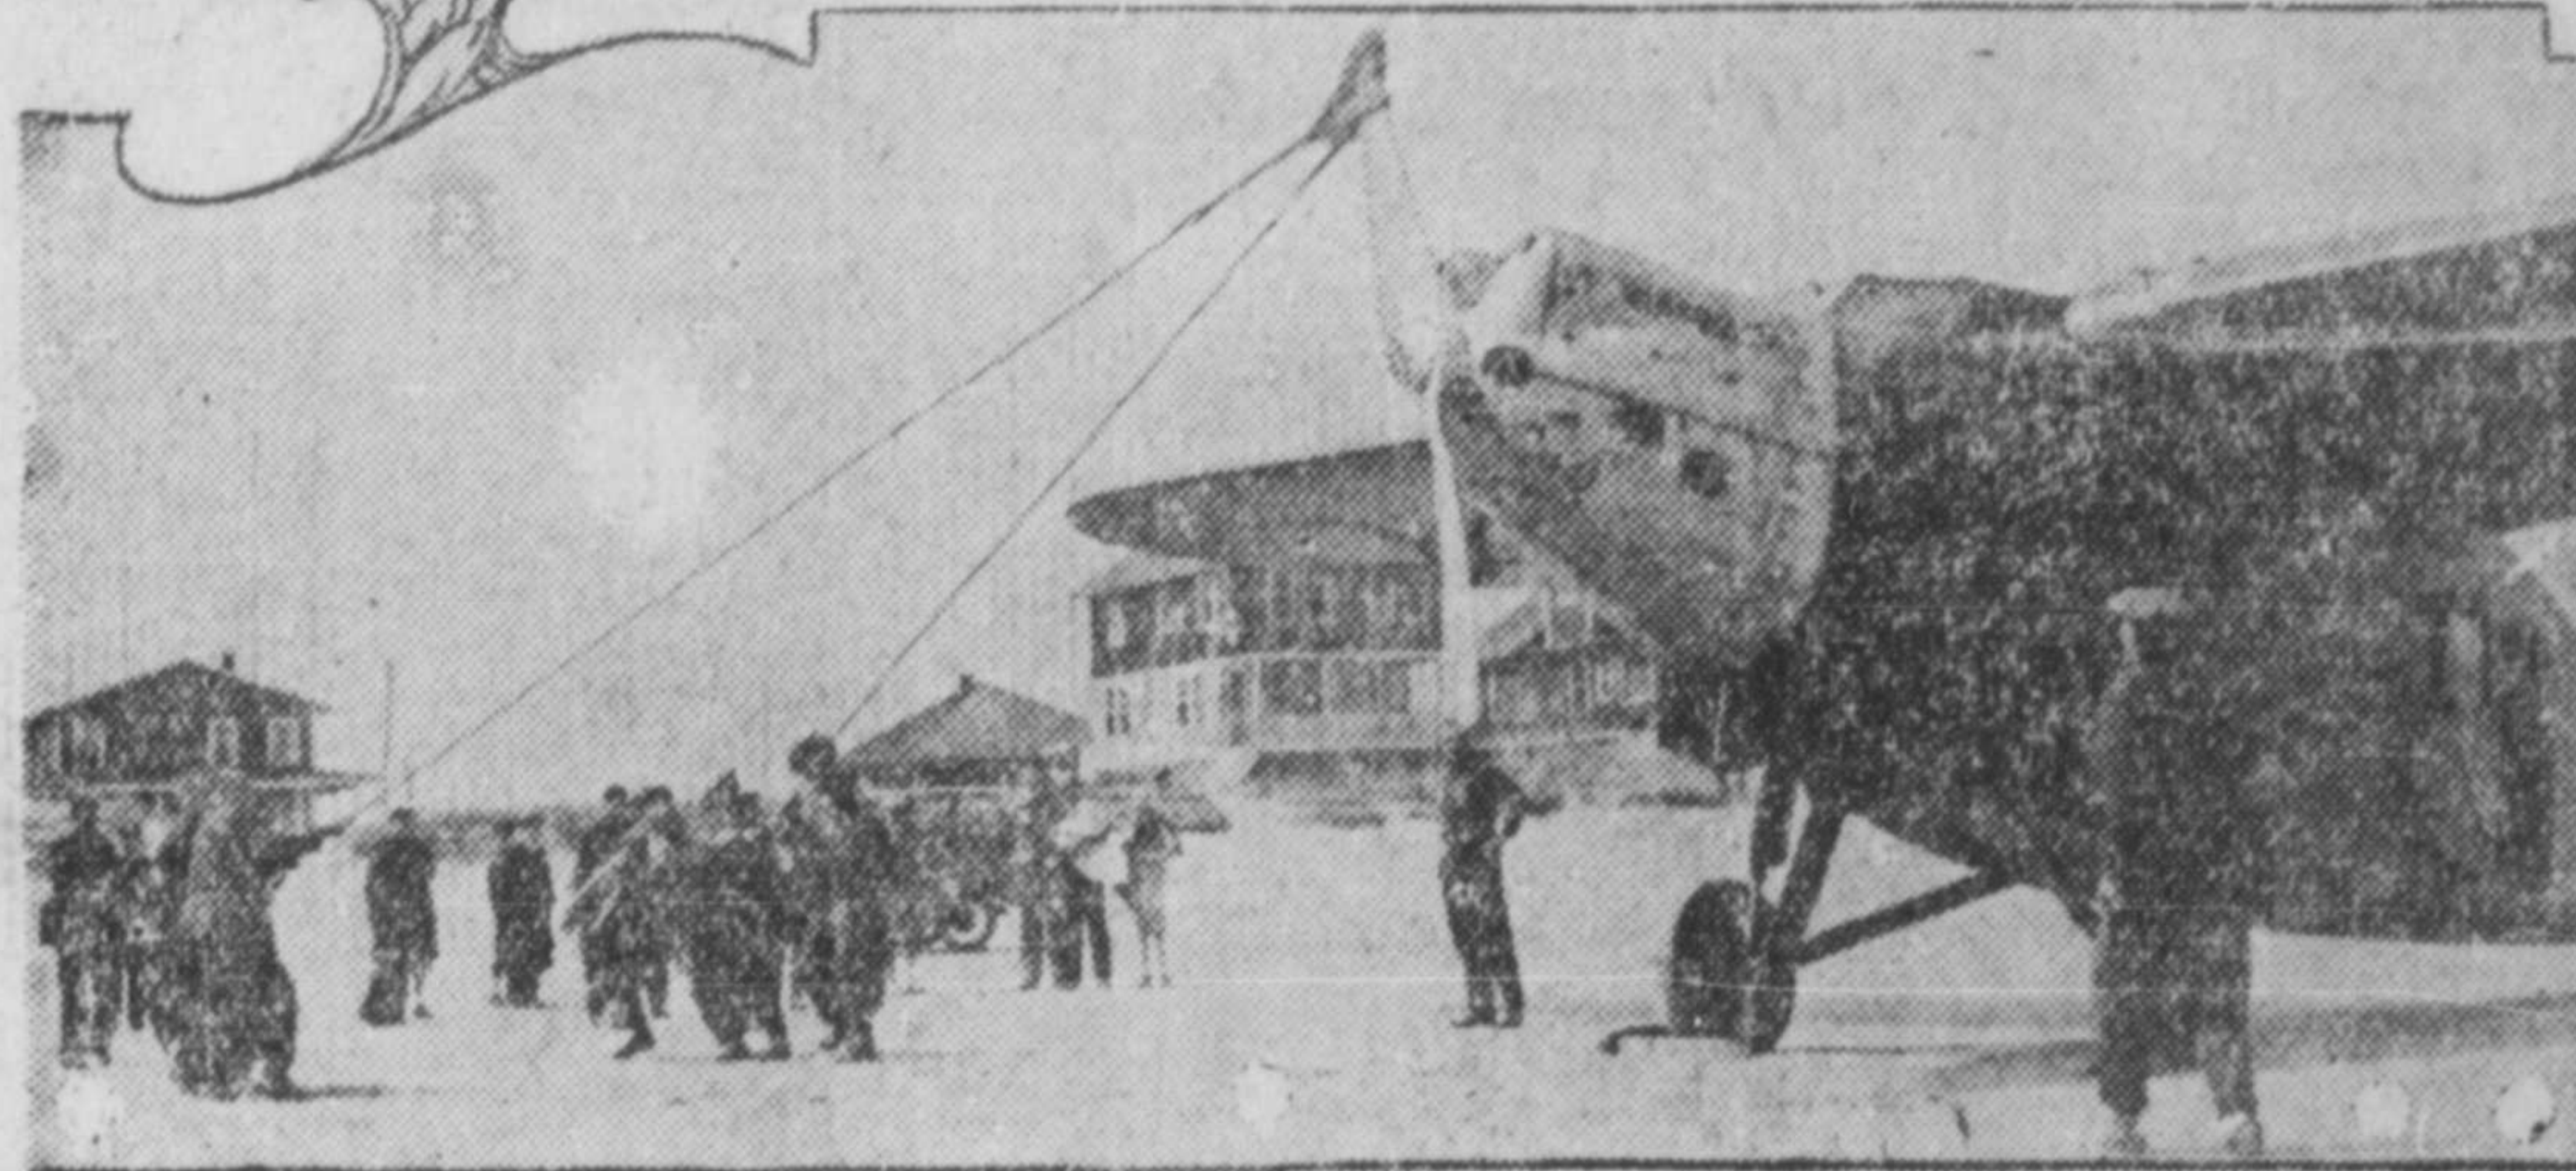

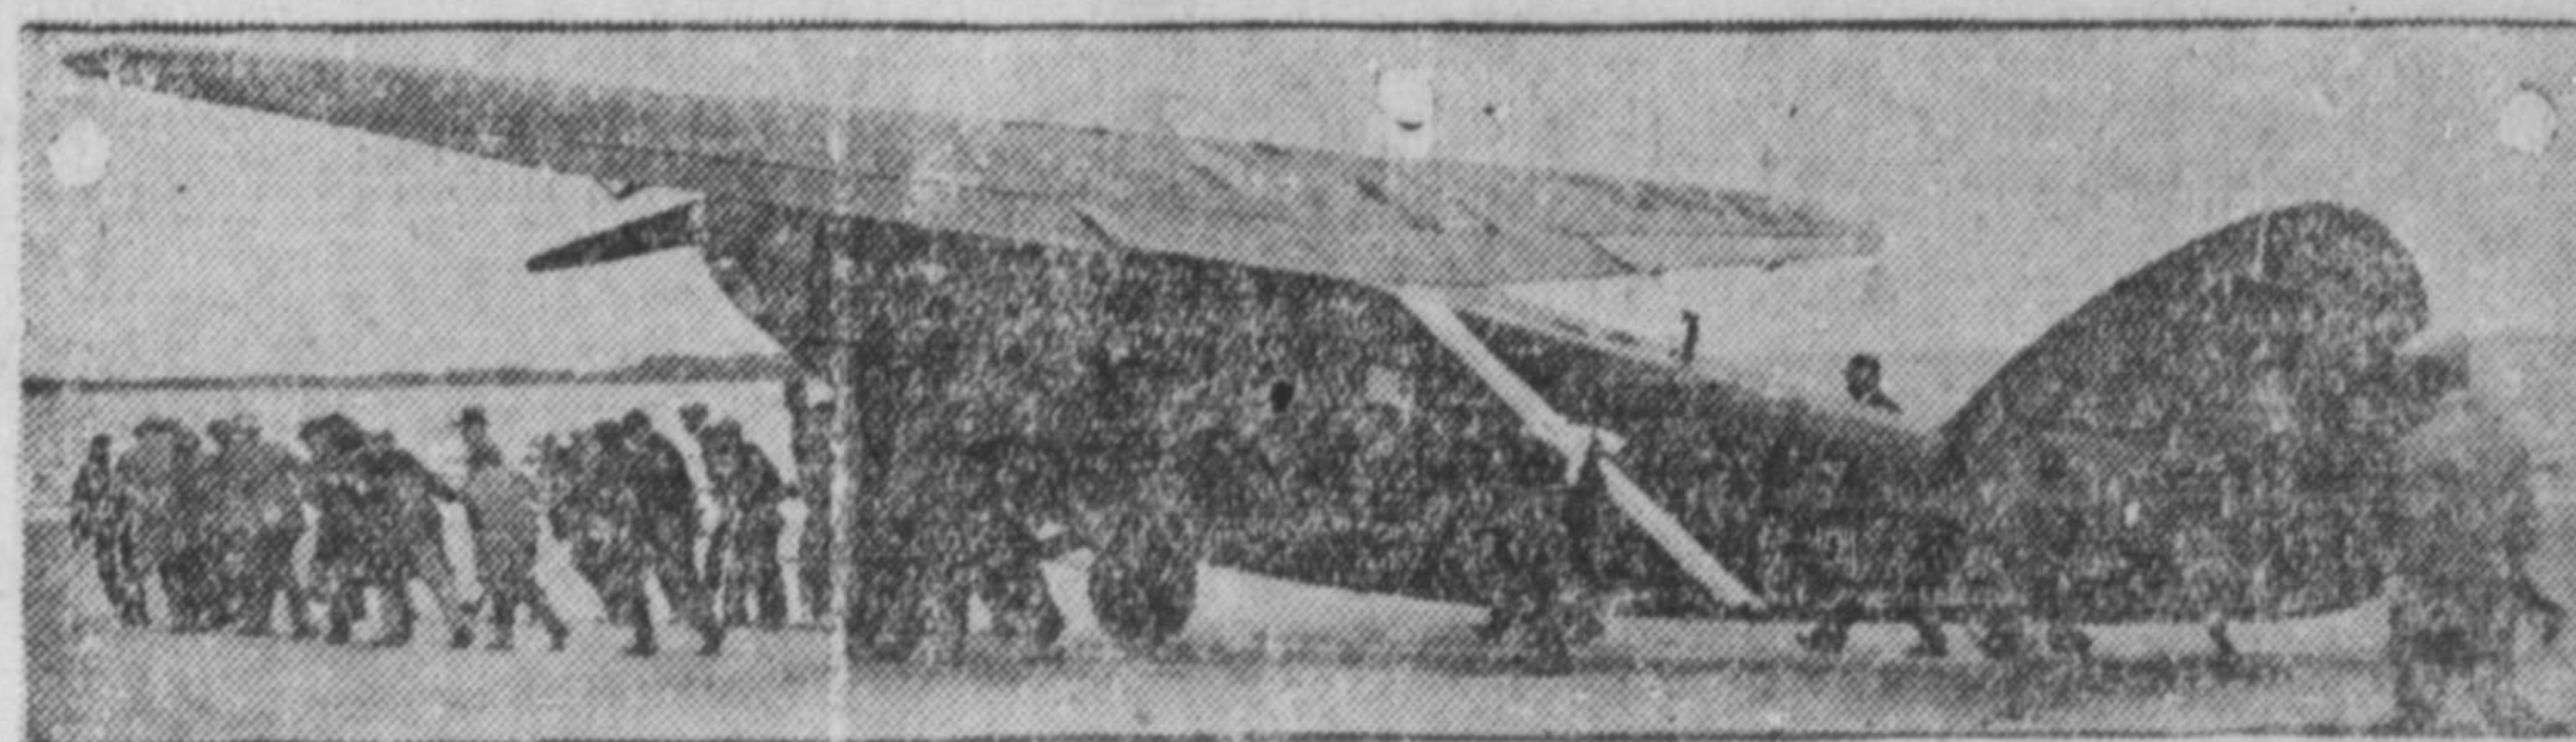

VICTORIA, June 15.—T. D. Pattullo, leader of the Liberal opposition in the Legislature, made the following statement here in regard to yesterday's outline of the Government's views on hydro-electric power questions issued by Hon. F. P. Burden: The minister points out that the public is well protected against the private exploitation of water power, in that there is nothing to prevent the Government from making water rentals so onerous that any private corporation would be glad to relinquish its rights.

"This is a sample of the strong arm methods which the present government is using in connection with its administration. I submit that it is not only bad business but it is entirely unnormal. I may point out that the water power survey has been proceeding in this province for years. The work carried out is not, as suggested in the statement of the minister, dependent on the revenue received from water rentals but upon appropriations voted by the legislature. "The department has no authority to spend revenue received. It has authority only to spend moneys voted by the Legislature. The burlesque across James Bay would be amusing if it were not so serious."

THE WEATHER

Terrace—Cloudy, calm, 60. Hazelton—Cloudy, calm, 54. Alyash—Light rain, calm, 54. Alice Arm—Raining, S. wind, 60. Anox—Cloudy, S. wind, 60. Stewart—Cloudy, calm, 57. Fort Simpson—Cloudy, calm, 56. French Fliers Arrive in Spain

Carrying four people, aviators Assolant, Lefevre and Lotti, and a stowaway, Schriber, the plane Yellowbird on the beach in Spain last night not many miles from French territory. They were forced to land because their gasoline tanks were empty.

PREPARING FOR CONVENTION OF ROYAL PURPLE

About 100 Ladies Will Be Present Here From All Parts of Canada For Event

An important convention by means of which this city will get considerable desirable publicity all over Canada will be that of the Dominion grand lodge of the Ladies of the Royal Purple, which will be held here on July 16, 17 and 18. About one hundred ladies from all parts of Canada and so far east as Newfoundland will be in attendance at the sessions which will be convened in the Elks' Home. These ladies will arrive here by train and boat on Monday, July 15, and will be in the city for the most of the week.

In addition to the grand lodge business sessions, a large program of social affairs is being arranged in connection with the visit of these ladies. Mrs. George Frizzell is convener of the local entertainment committee, while assistance will be given by a committee from the Elks' Lodge, for which George Mitchell is convener. Mrs. W. E. Willis-Croft, as honored royal lady of the local Royal Purple Lodge, will, of course, take an active part in all arrangements and proceedings.

Mrs. Fenton of South Vancouver is supreme honored royal lady for the Dominion. From a publicity standpoint the Royal Purple Grand Lodge convention will be no less important than the convention of the Associated Boards of Trade of British Columbia, which will be held here at the end of the month, and the convention of the Canadian Fisheries Association, which will convene here in August.

LOUGHEFD IS ILL IN LONDON

VANCOUVER, June 15.—Hon. N. S. Lougheed, minister of public works, who has been in London since the end of the session is reported in advices reaching here to be seriously ill in a London hospital suffering from pneumonia.

SUPE'S OFFICE WINS SOFTBALL

Three Way Tie For Leadership of C.N.R. League—Dry Dock in Cellar

Superintendent's Office, led by the chief, W. H. Tobey, who played a fine game and was largely responsible for his men's win, took last night's C.N.R. Softball League game from the Dry Dock by a score of 17 to 15. The Superintendent's Office is now tied with Station and Round House for the league leadership. Except for a few fumbles, the Dry Dock also played a good game. Lionel Holby and R. Scherck were umpires, the teams were as follows: Dry Dock—Gawthorne, p.; Palmer, c.; Smith, 1b.; McKenzie, 2b.; McPee, ss.; Sculler, 3b.; Kelsey, rf.; Ness, cf.; Kelly, lf. Superintendent's Office—Holroyd, p.; W. Tobey jr., c.; W. H. Tobey, 1b.; Somers, 2b.; Jackson, ss.; Louton, 3b.; Davies, rf.; Moxley, cf.; R. Tobey, lf. The standings of teams are as follows: W. L. Pct. Station 3 2 600 Round House 3 2 600 Supt. Office 3 2 600 Dry Dock 1 4 200

Young Lad Stole Ride Monoplane Yellowbird New York to Spain

SANTANDER, Spain, June 15.—The monoplane Yellowbird, manned by three French flyers, landed in northern Spain, 125 miles from the French frontier, after spanning the Atlantic in 31 hours. When the plane landed on the beach at Oriambre the gasoline tanks were practically dry.

The plane is proceeding to Le Bourget late this afternoon.

The pilots reported heavy weather in mid-Atlantic which cut down their speed and used up gasoline, in addition to which they had to bear the added weight of Arthur Schriber, the young stowaway, who was discovered on the plane shortly after she left Old Orchard.

PRINCE RUPERT MAYOR CHOSEN

Is to Be Member Advisory Board Union of Canadian Municipalities

THREE RIVERS Quebec, June 15.—Mayor Carter of Brandon was elected president of the Union of Canadian Municipalities today and the mayor of Prince Rupert is elected to the advisory board to represent British Columbia along with Controller Pilkington of Vancouver. The mayor of Victoria is third vice-president.

\$300 FINE IMPOSED ON LIQUOR CHARGE

G. Hinada, Seal Cove, was fined \$300, with option of three months' imprisonment, by Magistrate McClymont in city police court this morning for keeping liquor for sale. Taking of evidence was completed in a similar case against Peter Bruno, Cow Bay, and decision was reserved until Monday.

SECURES WATER RIGHT STEWART

American Creek to Be Developed by Northern B. C. Power Co. Ltd.

VICTORIA, June 15.—The water board yesterday handed down a decision by which the Northern British Columbia Power Company Ltd. will develop American Creek near Stewart to increase the power supply of that town and also to furnish electricity to the neighboring mines. Up to a thousand horsepower will be developed but in two or three years it is believed the mines will require a larger source of supply.

PARLIAMENT DWINDLED OUT

Only Sixty Members Remained When House Finally Prorogued Last Evening

OTTAWA, June 15.—With the thunder of cannon reverberating across the Ottawa River, the third session of the sixteenth Parliament of Canada came to a close at six o'clock last night. It was the eighty-fourth day of the session.

In the eleventh hour of the session a couple of divisions were called and here indicated just how many members of the Commons had already departed for their homes. Fewer than sixty members remained, others having said goodbye earlier in the week.

DAILY EDITION

Saturday, June 15, 1929

THE BIG CONVENTION

Terrace has already appointed delegates to the annual convention of the Associated Boards of Trade of Northern British Columbia and others will follow if they have not already taken action. It is hoped that each board in the district will have its full quota of five delegates at the gathering. If they come, we feel that we can promise they will be given a hearty welcome and given every opportunity to enjoy themselves. Also, their views will be given proper consideration, although all such views may not necessarily be endorsed.

Just now there are a number of important matters which may come up for discussion. It is important that the highway from Prince Rupert to Jasper be constructed as soon as possible. It is important that the western outlet to the Peace country be commenced and pushed through to completion. It is important that investigation be made to see that northern British Columbia get its share of Government expenditures and that if it is not, such action may be taken as is necessary to bring about a change. These things are important and can well occupy some of the time of the delegates.

What must be avoided at the convention, if possible, is for any section of the north to try to push through resolutions which would tend to play off one part of the north against others.

The Associated Boards undoubtedly will have a great deal of influence if it continues to do its work wisely as it has in the past.

ALWAYS GETS THE KNOCKS

It seems as if Prince Rupert always gets the knocks. A number of local people who were listening to a broadcast from the Canadian National radio station at Vancouver were much annoyed and disgusted at the scant and objectionable mention of Prince Rupert in an advertising talk supposed to tell of the attractions of the triangular tour, of which this city is one of the pivotal points. No mention was made of the wonderful scenery of the Skeena River and anything said of Prince Rupert would better have been left out.

The probability is that this has not been brought to the attention of officials of the company. We do not think they would allow it if they knew what was going on. Possibly even yet it may not be too late for a reprimand.

WORK ON PRINCE DAVID

While we always draw attention of the railway company or any other persons if they neglect Prince Rupert, or do anything we think tends to injure the city, we also like to give a word of commendation when it is earned. One case in point is the Prince David. That boat is to be overhauled here and the job will give a lot of employment and help to improve conditions. While we think the company should always keep their own shipyard busy when there is work to be done, we are glad to recognize that they are doing their duty by Prince Rupert in this respect. There should be a busy time at the drydock plant for the rest of the year.

Waterfront Whiffs

Halibut Fishermen Doing Well This Year; Salmon Canning Starts Next Week; Summer Program at Biological Station

From the financial standpoint, Prince Rupert halibut fishermen are having a vastly better season this year than last and, if things continue during the coming five months as they have during the past four, it should prove a banner year for many of the boats. Whereas this time last year the majority of the fleet were merely grubbing along to get out of the hole, the month of June, 1929, finds many of the boats piling up quite substantial earnings for their owners and crews. Much larger average catches in many cases and generally better prices have been important factors in making for the improved state of affairs this year.

Waterfront compilations show the Cape Swain, Capt. Sinclair (Red) Pierce, with earnings to date estimated at \$1,200 per man, to be the high boat so far this year. Several boats are giving the Cape Swain a keen run for honors including the Johanna, Capt. John Wick; Covenant, Capt. Hans Underdahl; Relief, Capt. Morrill Sallows, and Melville, Capt. John Iverson, all of which have so far shared some \$1,000 more or less. Such boats as the Ode, Capt. Axel Olsen; Ingrid H., Capt. Charlie Lundquist; Terben, Capt. Neils Petersen, and Uncme, Capt. Dave Ritchie, which were leading last year have dropped from the top in 1929 though they may yet get in the running.

Landed Most Fish

The Covenant, to date, has landed more fish than any other single boat or the Canadian halibut fleet. She has brought in 102,000 pounds in seven trips. The Livingstone and D. S. T. have completed the greatest number of trips viz. nine, their total landings for the season to date being 96,000 pounds and 39,900 pounds respectively. Aggregate landings for the boats that are running high in the matter of shares have so far been as follows: Cape Swain, six trips, 55,500 pounds; Johanna, seven trips, 95,000 pounds; Relief, four trips, 60,500 pounds; Melville, seven trips, 89,500 pounds.

The Eldorado is again making the heaviest landings of American fish at Prince Rupert, having brought in 198,000 pounds in five trips. Other American boats, which have landed heavily at Prince Rupert this year have been: Atlas, five trips, 110,000 pounds; Atlantic, five trips, 126,000 pounds; Eagle, four trips, 137,000 pounds; Grant, four trips, 116,000 pounds; Helgeland, three trips, 102,000 pounds; Middleton, five trips, 109,000 pounds; Mishof, five trips, 178,000 pounds; McKinley, four trips, 129,000 pounds; North, four trips, 105,000 pounds; Nordby, four trips, 108,000 pounds; Northern, three trips, 102,000 pounds; Omaney, three trips, 101,000 pounds; Panama, four trips, 112,000 pounds; Rainier, four trips, 108,000 pounds; Sunset, four trips, 115,000 pounds; Thor, four trips, 153,000 pounds; Trinity, three trips, 100,000 pounds; Western, five trips, 168,000 pounds; Wizard, four trips, 107,000 pounds.

The high American boat Sunde has landed two trips at Prince Rupert so far this season for a total of 59,000 pounds, having also landed catches at Alaskan ports.

The Cedric has landed the greatest number of American catches at Prince Rupert so far this season—four trips and 73,500 pounds.

To Give Lectures

D. B. Finn, director of the Prince Rupert Fisheries Experimental Station, will go to Vancouver next month to give a series of lectures on physics and

chemistry at the University of British Columbia for officials of the fisheries department. The lectures will be held under the auspices of the Biological Board of Canada from July 15 to 31.

An auction sale was held at Digby Island by George J. Dawes on Thursday of four gill netters and one small gill boat confiscated last year by the fisheries department for violations of the fishing regulations. Quite a crowd of interested bidders attended the sale and all the boats offered were knocked down under the hammer. Among the purchasers were Capt. Paul Armour, manager of the Pacific Salvage Co.; G. H. Munro, Prince Rupert merchant, and the B. C. Fishing & Packing Co.

Hippo Island Falls

Though there is a fairly good run at North Island, there have been practically no spring salmon at Hippo Island and on the Queen Charlottes, so far this year, and the trollers have now moved from the latter to the former location. Last year there was also a light run at Hippo Island which in previous years had been a good venue for trolling operations. The Canadian Fishing Co., B. C. Packers and Canadians Fish & Cold Storage Co. all have packers bringing spring salmon from North Island to the mainland.

The mid-season program of overhaul and painting has been on during the past few weeks for the Prince Rupert halibut fleet. Most of the boats have been withdrawn from service for a week or so to have such work performed.

The new sixty-foot fish packers Ispaco I and Ispaco II built at the Prince Rupert Dry Dock, are expected to leave on Tuesday next for the West Coast of Vancouver Island where they will be used by the Island Packing Co. in pichard packing. Capt. Al Wole will be in command of one of the boats with Capt. Harry Barrie on the other. H. J. Bradbury, one of the heads of the company, has come north to go down with the boats.

Practically all the salmon canneries on the Naas and Skeena Rivers and elsewhere in Prince Rupert district will get operations under way on June 20, next Thursday, with the opening of the season for sockeye fishing. The usual large number of helpers will be employed in fishing, packing and canning operations. At least a fairly good run of sockeye is anticipated this year although there seems to be some doubt as to how the pink run may materialize. It will be an off year for the run of fall varieties on the Queen Charlotte Islands where a number of the canneries will not operate at all.

The various canneries have all preparatory work completed well in advance of the opening of the season and the fisheries department also has its patrol organization in readiness for active work.

Dundas Island and Warke Canal trollers went on strike this week in demand for better prices than the companies are offering. There was recently a further two cent reduction in prices, bringing the offerings for red springs down to 14c. It is not expected that the strike will last long and the buyers are not much concerned about it. It has

been reported that, if Canadian concerns will not pay suitable prices, the fishermen may bring their fish in Alaska.

A number of the Prince Rupert halibut boats have discontinued halibut fishing to take up salmon and pichard packing charters for the summer months.

The Emblem, Capt. John Barseth, has been chartered to the Island Packing Co. on the West Coast of Vancouver Island as has also been the Sea Maid, Capt. Henry Dorreen.

The Cape Beale, Capt. Edgar Arnott, has also left to engage in pichard packing on the West Coast.

The Signal, Capt. Paddy Iverson, will pack salmon for the new cannery of the Chatham Straits Packing Co. on Forcher Island at Humpback Bay as will the local seineboat Zenardi, Capt. R. Gammon.

Emus Renamed

Jack McAuley has altered the name of the power cruiser which he acquired some time ago from the classical Emus to the more practical Carmona which also acents of its owner's railroading proclivities.

Capt. Brandy Newell spent a couple of days in port this week, being on his way from the Queen Charlotte Islands to Butedale to receive instructions following the failure of the spring salmon fishing at Hippo Island when he had been packing. Henry Edenshaw with

the boat bearing his name is packing from North Island to Butedale and also to the Canadian Fishing Co. here.

After spending two days on the fishing grounds, the halibut boat D. S. T., Capt. Peter Meuse, was forced to return to port this week with crotch trouble, landing a catch of 3,800 pounds.

The P. Dorreen, Capt. Leo Sandver, which came in with 7,000 pounds, was also suffering with engine trouble of a minor nature.

Extensive reconditioning work on the steamer Aktion, which will enter local service out of this port for Canadian National Coast Steamships under the new name Prince David, started at the dry dock soon after the vessel arrived early this week from Halifax. Much of the present housework is to be removed and the vessel will be completely remodelled in connection with the plans to better fit her for passenger and freight service out of here. From the look of things, the renovation job is to be quite a large operation which will give a deal of work to the dry dock staff. Dick Knox, well known superintendent engineer for Canadian National Coast Steamships, is here to supervise the work. Though she looks a bit scrappy at present due to having been tied up for some time, the Prince David, when the reconditioning work is completed, should be a snappy looking little vessel well suited for the service she is to take up and a notable addition to the growing C.N.E. fleet.

New members of the permanent and summer staff of the Prince Rupert Fisheries Experimental Station have been assigned to their duties for the season. O. C. Young, who arrived on Thursday from the University of Saskatchewan, where he graduated a year ago and has since been taking up post-graduate work will be in charge of the station. He will leave for Vancouver to supervise the drawing up of plans and specifications for the building in co-operation with the Department of Fisheries. F. H. Bedford is due any day from McGill University, Montreal. Mr. Bedford has been associated with Dr. F. C. Harrison, who was here last year and will carry on here the practical application of Dr. Harrison's work in the

Hear Rev. Geo. Webber at the Baptist Church Sunday evening at 7:30. Soloist, H. Lincoln.

Dr. J. T. Mandy, resident mining engineer for the provincial government, sailed yesterday afternoon on the Prince Rupert for a trip to Stewart on official duties.

Ex-Governor D. W. Davis of Washington, D.C., is back at Cedarvale on the Seven Sisters mining property near Cedarvale which will be operated this year by the Consolidated Mining & Smelting Co. under bond.

A. B. Holby, superintendent of the bridges and building department of the Canadian National Railways, returned to the city on yesterday afternoon's train from a trip to the interior on official business.

Weymann Petroleum, Ltd., is controlled by Norwegian capitalists. Investigate, then invest for future profits. Douglas Sutherland, Broker, 2nd Avenue.

Making her earliest return from Wales Island and Port Simpson since she took up the present schedule. Union steamer Catdena, Capt. A. Johnstone, arrived in port at 9:30 last evening and sailed promptly on time at midnight for Vancouver and waypoints.

More than twelve hours late because of unloading heavy freights at Skeena River cannery points, C.P.R. steamer Princess Maquinna, Capt. S. K. Gray, arrived in port at 9 o'clock this morning from the north and sailed about 10:30 on her return to Vancouver and waypoints.

C. P. R. steamer Princess Adelaide, Capt. C. C. Saintey, is due in port at 3 o'clock this afternoon from Alaska and will go to the Imperial Oil Co.'s dock to take on fuel before proceeding to her berth at the government wharf. The vessel will sail about 5 p.m. for Vancouver and Victoria.

E. P. Short, a member of the Yukon Territory who went north in the "Gold Rush" days, and who is now engaged in the machine shop and garage business near Prince Albert, Sask., is spending a few days in the city before proceeding to Stewart where he has mining interests. Mr. Short is a guest at the Savoy Hotel.

Practically all the cannery managers from the Skeena and Naas Rivers and along this part of the mainland were overnight visitors in town, being accompanied in many cases by their wives. The Skeena River men returned to their posts on this morning's train while those from the Naas and mainland went out on their own boats.

Heart Palpitated Nerves Bothered Her Sleep Was Broken

Mrs. Fred A. Pugsley, East Southampton, N.S., writes:—"I was bothered very much with my nerves and palpitation of the heart, and my sleep was broken at night. I decided to try

and after I had taken six boxes I found that they had done me so much good I will gladly recommend them to all those who are troubled with sleeplessness caused by their heart and nerves." Price 50c. per box at all druggists and dealers, or mailed direct on receipt of price by The T. Milburn Co., Ltd., Toronto, Ont.

Those Splitting Sick Headaches!

"FRUIT-A-TIVES" Stop Those Health-Robbing Pains

Mrs. Michael Coulis, Killaloe Station, Ont., writes: "After using 'Fruit-a-tives' the headaches and dizziness feeling soon disappeared, and for two years now I have been in the best of health."

Sick headaches that come back on you time after time will yield to "Fruit-a-tives". Mrs. Coulis is only one of thousands who have discovered this "Fruit-a-tives" is a natural medicine, made of intensified fresh fruit juices combined with the finest medicinal ingredients. It always relieves. Try it today.

This afternoon's train, due from the east at 3:30, was reported this morning to be on time.

Mrs. M. P. McCaffery and young son and daughter will sail tonight on the Prince Rupert for Vancouver to spend a vacation in the south.

Wallace's Anniversary Sale starts Saturday and continues for one week. See windows.

J. B. Woodworth, who has been on a visit of inspection to his mining property on Porcher Island, will sail tonight by the Prince Rupert on his return south.

No decision has yet been made as to which power site the Power Corporation of Canada will develop in connection with the service to this city. It was stated at corporation offices this morning.

George H. Kohl, locating engineer for the Power Corporation of Canada, left yesterday for a trip to Prince George on corporation business. He is expected to return to the city about the middle of next month.

H. W. M. Rolston, Stewart publisher and broker, after spending a couple of days in the city following an extended sojourn in the south, sailed yesterday afternoon on the Prince Rupert for the north.

Rev. W. H. Pierce of Port Essington was an overnight visitor in town, having come in with his son, E. H. Pierce, who sailed this morning on the Princess Maquinna for Ocean Falls where he expects to join the staff of the Pacific Mills.

Business at the regular monthly meeting of the St. Andrew's Society last night was largely of a routine nature. Decision was made to hold the annual picnic at Grassy Bay, out the Kalen Island highway, on July 14. President Howard Steen was in the chair.

BIG BUSINESS KIRKPATRICK'S THIS MORNING

Kirkpatrick's big sale of the wholesale stock of F. G. Dawson, Ltd., dry goods department started off with a rush this morning. The prices advertised for the last two days have been duly taken note of by the public. The keen buyers were not long in noticing that Kirkpatrick's bargains were bargains all right. There was a steady stream of blankets and men's wear particularly leaving the store all morning. Of course, the prices at which these necessities were offered attracted many.

The whole \$50,000 stock is on sale, and judging by this first morning, it will be disposed of in record time. Those who are wise will not put off too long in paying a visit to Kirkpatrick's on Sixth Street. Just see the prices quoted in the display ad. (Advt.)

Included in a light passenger list from the south, the Princess Maquinna this morning brought the following commercial men to the city from various points along the coast: T. G. Garrett and H. E. Goulbourne of Vancouver and J. E. Kelly and G. A. MacMillan of Edmonton.

"Oh, I'm Just Feeling Fine Since I Used the Nerve Food."

"Isn't it great to be well in the springtime—to get out into the sunshine and fresh air when all nature is renewing its youth?"
"How fortunate it would be if all women, and men too, only knew about Dr. Chase's Nerve Food and realized the benefits to be obtained from its use when they are tired out and run down in health, nervous, irritable, sleepless and restless."
"It is wonderful how quickly tired, languid feelings disappear when this great restorative is used."

Dr. Chase's Nerve Food

The greatest of nerve restoratives.

Write for folder entitled "What a Joy is Good Health." It describes the symptoms and treatment of nervous disorders. The Dr. A. W. Chase Medicine Co., Limited, Toronto.

BABE RUTH IS RUSTICATING

NEW YORK, June 15.—Babe Ruth, who has had to lay off his picturesque slugging exhibitions for the New York Yankees because of ill health is trying to get back into condition by rustivating at a little cottage at Shady Side, Maryland. The place looks out over the water and the home run king with his wife is enjoying life in a new way but he still longs for the diamond, the thrills of the baseball game and the cheers of the multitude.

Ruth is not at all sure when he will be back.

NATIVE SONS LEAD LEAGUE

Won Loose and Free Hitting Baseball Game Last Night From Elks

Native Sons of Canada came out on the long end of a 10-8 score in last night's City League baseball game with the Elks and are now occupying first place in the league standing as a result of two straight wins over the altered herd. The game was free hitting in some spots and rather loose in others, the Elks losing out in the sixth inning when every Canuck went to bat to collect three hits and five runs, one glaring error in the Elks infield helping them further. Up to that the Lodge Men had been holding the lead in a back and forth contest. The Elks had another bad inning in the third when Herman Loblick, their pitcher, allowed five hits in a row which gave the Sons three runs. In the fourth the Elks touched Bob Matheson, the Sons' native hurler, for four hits out of which, aided by errors, they garnered four runs. It was in this inning that Bill Sloan poled out to left field a three bagger, with Spiro Gurvich on board, making the circuit on an over-throw to the home plate.

Bill Lambie pitched two innings and, with the score 3 to 2 against him, retired to right field and was replaced by Bob Matheson who finished the game. Loblick was freely hit and received rather doubtful support. During the sixth inning, Spiro Gurvich was relieved, at his own request, as catcher for the Elks, Alex Mitchell replacing him. Dido Gurvich went in as pinch hitter for the Elks in the seventh but popped one to the pitcher and was out at first.

Two baggers were made for the Sons by George Howe, Benny Wendle and Vic Menzie while singles were collected by Howe, 2, Phillips, 2, Mitchell, Lambie, Wendle. Hitters for the Elks, in addition to Sloan's triple, were Loblick, Harold 2, Alex Mitchell, 2, Mike Budinich and Arsenault. Lambie allowed no hits but walked two men in the second, the other scoring being due to errors. Matheson gave no walks while Loblick allowed one. Strike-outs were as follows: by Loblick, five, by Lambie, one; by Matheson, one.

A good sized crowd of fans, considering the chilly evening, watched the game which was umpired by Harry Menzie and Jack Hatchford. The teams:

Lineups and Scoring
Native Sons—Will Mitchell, 1b.; Geo. Howe, lf.; Will Lambie, p. (two innings) rf. (five innings); Benny Wendle, ss.; Phillips, cf.; Eddie Smith, 2b.; Vic Menzie, 3b.; Bob Stalker, rf. (two innings); Bob Matheson, p.; Doug Prizzell, c.
Elks—Harold, 3b.; George Mitchell,

2b.; Alex Mitchell, ss. (five innings) c. (two innings); Herman Loblick, p.; George Arsenault, cf.; Spiro Gurvich, c. (five innings); Hanson, cf. (two innings); Bill Sloan, cf. (five innings); 2b. (two innings); Fred Stephens, 1b.; Mike Budinich, lf.

Score by innings:

1	2	3	4	5	6	7	Tl.
Elks	0	3	0	4	0	1	0-8
Native Sons	2	0	3	0	0	5	x-10

League standings:

LARRY BENTON PITCHED GIANTS EASY VICTORY

Lou Gehrig Hit Two Homers Against Detroit to Give Yankees the Game

NEW YORK, June 15.—Larry Benton gave the Pirates only seven hits yesterday and as a result the New York Giants won from Pittsburgh their first victory in the three game series.

Although Cincinnati scored three runs in the ninth to tie the score Brooklyn sent one more run home in the eleventh to win.

In the American League the Yankees aided by two home runs by Lou Gehrig and the rapping of George Uhle and two relief hurlers for seventeen hits, defeated Detroit.

Singles by McGowan and Manush in the ninth gave St. Louis Browns a close victory over Boston.

CYRIL TOLLEY WINS AMATEUR CHAMPIONSHIP

Beat John Smith of Fife, the Spectacular Scottish Carpenter

SANDWICH, June 15.—Cyril Tolley today won the British amateur golf championship for the second time, defeating John N. Smith, the carpenter from Fife, four up and three to play.

Smith's advent into the semi-finals was a surprise to many, especially when he defeated Dawson, the crack Chicago boy, on whom the Americans were depending for a possible win.

Sport Chat

The first annual track and field meet for schools of the upper Bulkley Valley was held recently at Topley. The Forestdale School won the Topley District Association's cup for the highest aggregate per pupil, Topley being but a short distance behind with Perow also making a good showing. There was a long program of events and medal winners were Rita McCrae, Topley; Louis Gair, Forestdale; Nellie Hall, Topley, and Walter Hawthorne, Forestdale.

Plans are being rapidly advanced for Stewart's annual Dominion Day celebration and there will be a large and varied program of events. Substantial, col-

for the prize list. The committee in charge consists of H. P. Gibson, chairman; James Morrice, secretary; W. T. Esselmont, R. W. Kennedy; W. D. Smith, Edward T. Aplewaite, H. D. Rochfort and W. R. Tooth.

The first annual sports day of the Stewart Superior School was held last week when no less than 52 events were carded. Loren Bolen won the boys' open championship and Violet Watson, the girls' open championship. John Thomey won the junior championship for boys and Pearl Lyon the girls' junior championship. The weather was perfect and competition was keen for many prizes donated by Stewart merchants.

A star girls' basketball team representing jointly the towns of Stewart and Hyder recently

journeyed to Premier and trimmed the young ladies there by a substantial margin. After the game, a supper was served and a dance enjoyed. This just about brings the basketball season at Stewart and Premier to a close.

There was a big program of sports for children and adults and all and sundry at the recent annual picnic of the Nechako Farmers' Institute at Vanderhoof. Weather was dull and overcast but nevertheless there was a large attendance. The program of sports contained nineteen events all of which were keenly contested.

Dido Gurvich, of this city, may be the first outside boxer to appear at Cetchikan since the formation of the new boxing commission to govern the port at "the first city." Negotiations are under way for Gurvich to meet in Manila there in the headliner of Fourth of July card. Charlie Brown may also take other local boxers over to make an international affair of it.

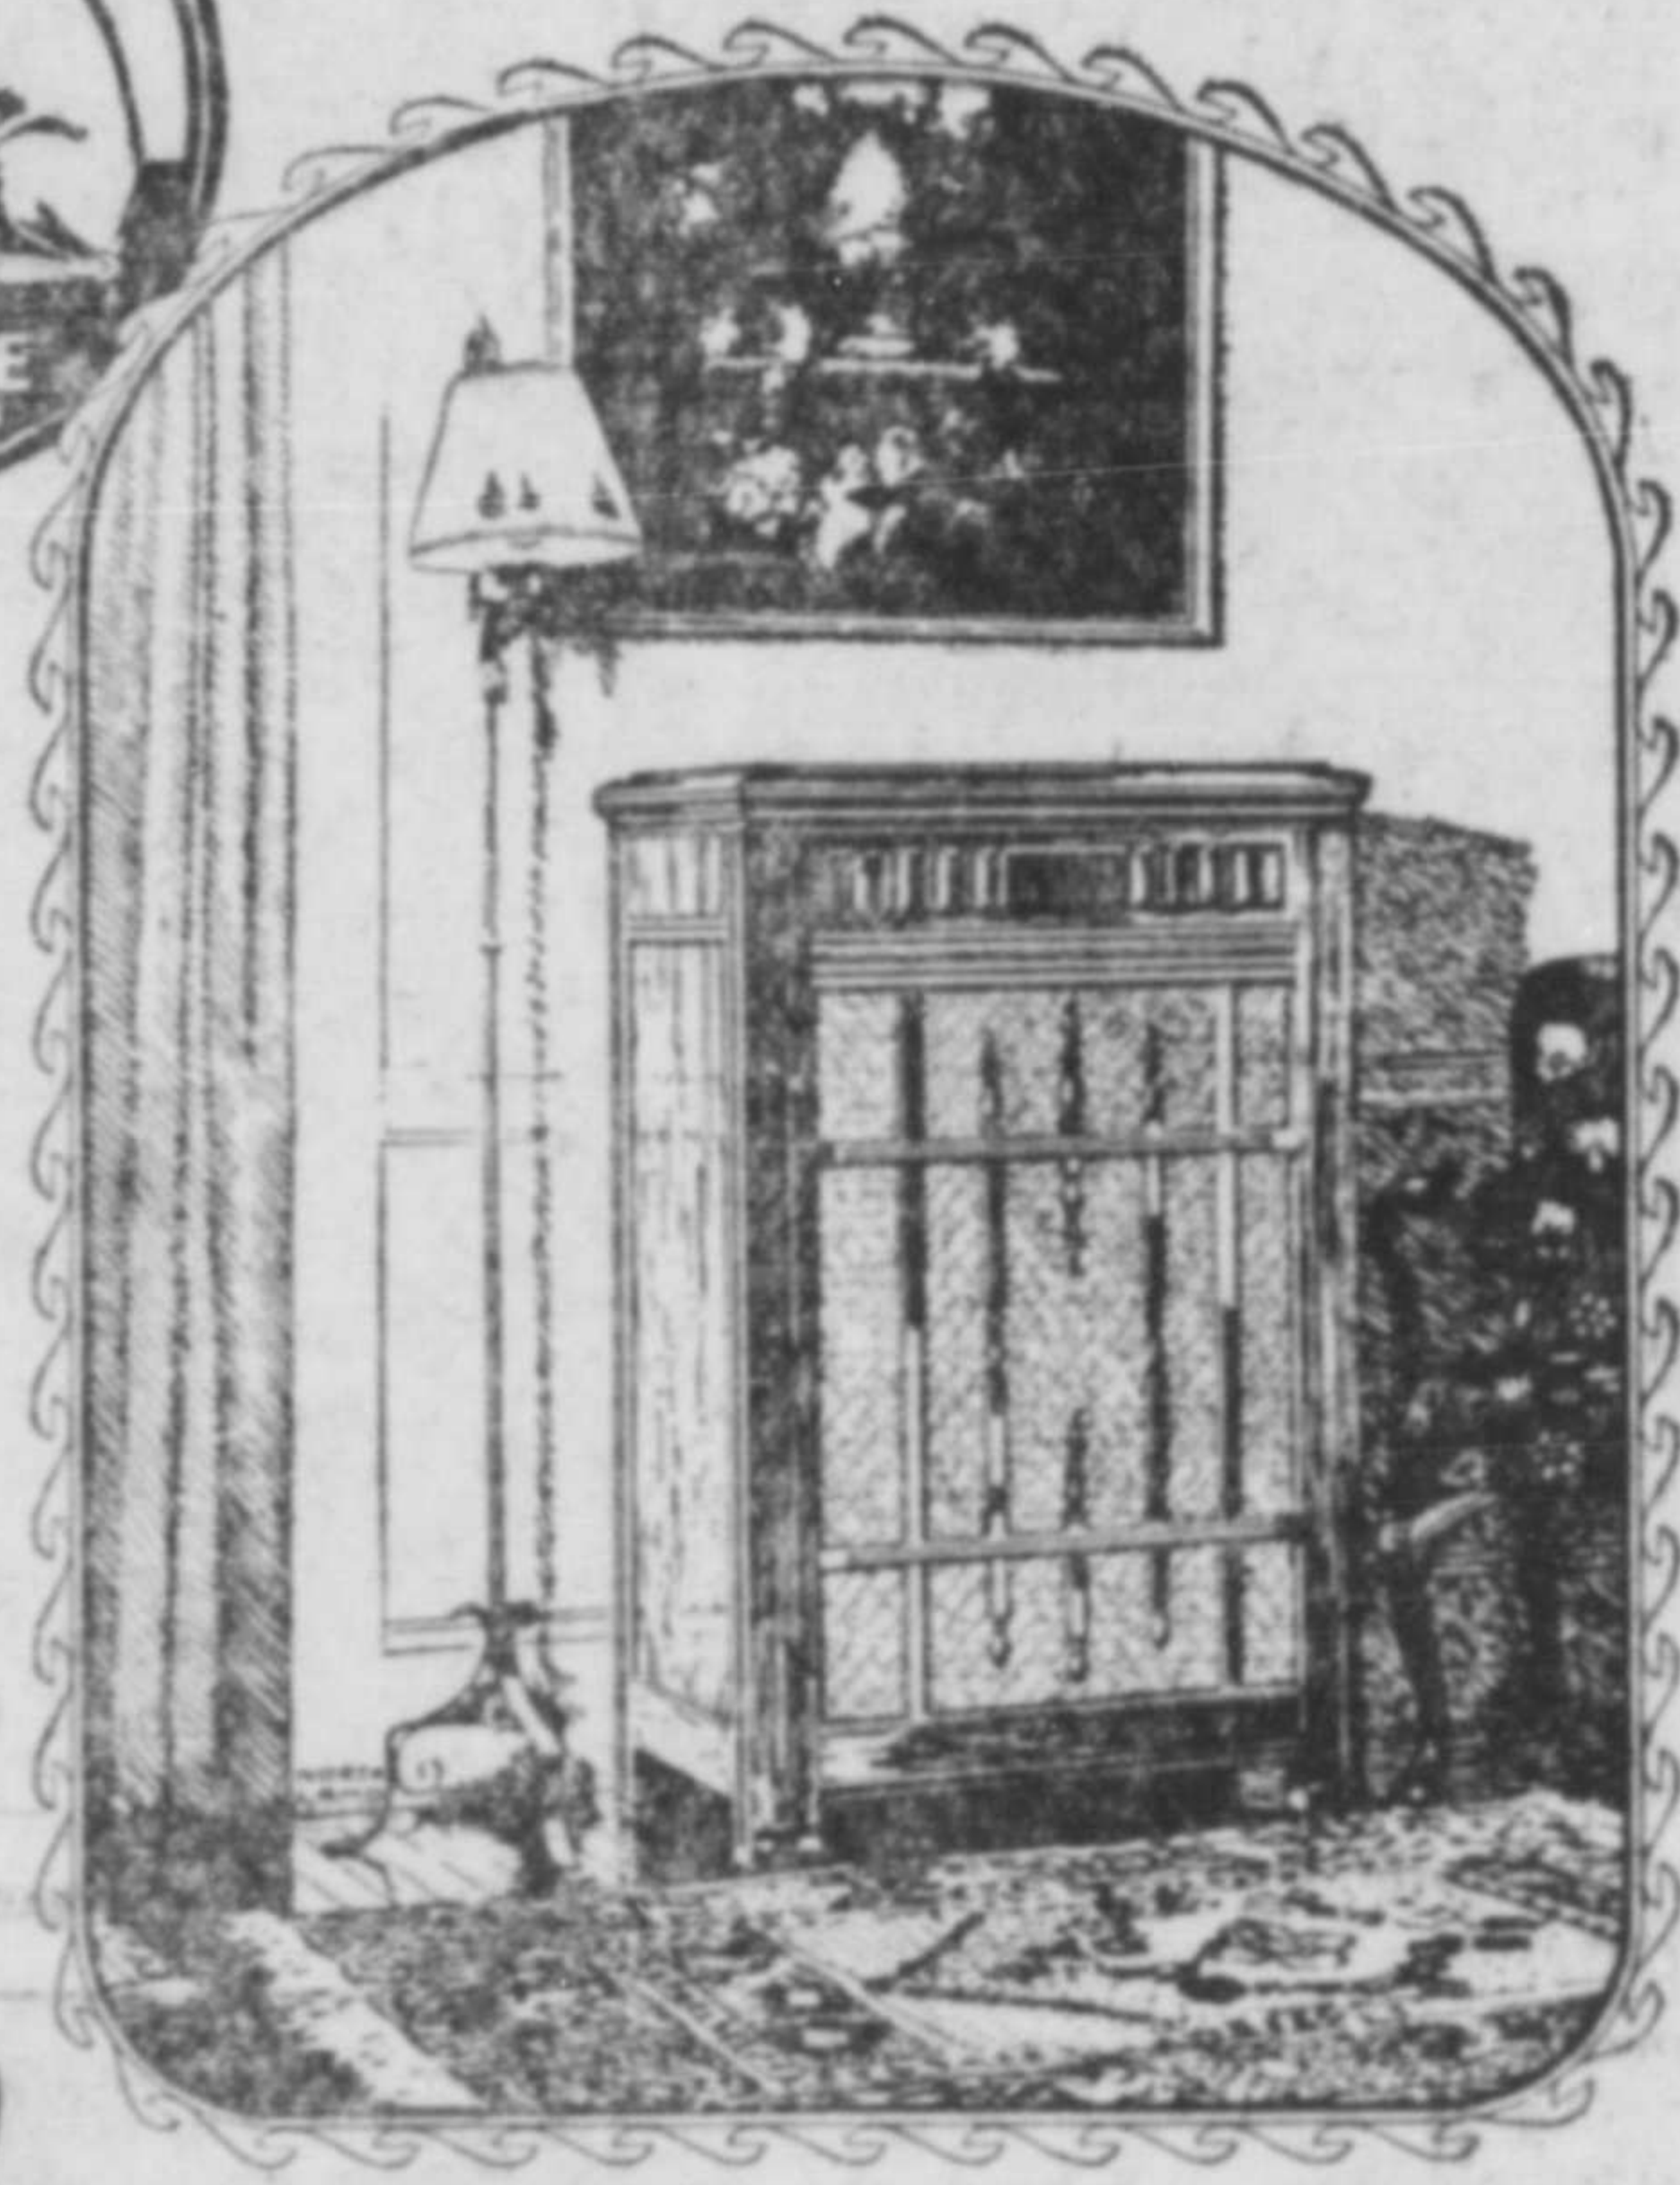

The blood absorbs about two pounds of oxygen daily.

ALASKA SEES ROAD COMING

(Juneau Empire)
There is to be a convention of Northern British Columbia sections at Prince Rupert this month to consider matters of importance to them. The enterprising and able Prince Rupert News urges the convention to make the construction of a highway that would connect Prince Rupert and other Northern British Columbia points with the highway system of the province and, thereby with the Pacific Highway, a paramount issue.

The people of Alaska wish more power to Prince Rupert. May she get her road and get it at once. And then may the road be extended to the Alaska boundary so that we might hitch our road system to it. If that were done there would be thousands on thousands of Americans to ride the full length of British Columbia each year. Alaskans would use the road in large numbers. And all these Americans and Alaskans would contribute to the welfare of British Columbia. They all eat. Most of them smoke and many of them drink. Probably most of them would sleep in hotels.

HOUSE PROROGUED

OTTAWA, June 15—Parliament prorogued late yesterday afternoon and most of the members will proceed at once to their various homes.

John Lindseth sailed last night on the Cardena for a trip to Vancouver.

Skin Irritations Quickly Healed

INSTALLATION OF DRY KILNS AT SEAL COVE

Big Bay Lumber Co. Takes Another Forward Step in Connection With Mill

Another forward step is being taken by the Big Bay Lumber Co. in the completion of the installation of three dry kilns of the Goose type, having a drying capacity of half a million feet per month. This will enable the concern to cope with the demand both local and foreign for kiln dried hemlock, Sitka spruce and cedar lumber covering such lines as finish, flooring, ceiling, rustic and mouldings.

George McAfee, manager, states that there is a steady demand from the prairie dealers for sitka spruce, including finish, ceiling, siding and shelving, while the general demand for sitka spruce drain boards, piano and ladder stock is far in excess of the supply—shipments being made to Eastern Canada and U. S. points. Sitka spruce shiplap and common boards sell readily to the prairie dealers at \$2.00 per thousand more than fir, the popularity of spruce being due to the fact that it is light in weight, easily worked, tough, and does not readily split or splinter. Mr. McAfee says, that like a prophet in his own country, it is only in the city of Prince Rupert—which is in a sense the B.C. home of sitka spruce—that the material does not enjoy the popularity that it should. However, the situation is rapidly adjusting itself in this regard, and in a very short time sitka spruce lumber will command as high prices here as elsewhere.

The Big Bay Lumber Company has purchased ten million feet of No. 1 and selected No. 2 sitka spruce logs from the T. A. Kelley Logging Company for delivery during the summer from Queen Charlotte Islands, which, with purchases from local logging operators, will enable the company to create their usual winter's reserve of logs before the logging camps shut down in the fall.

H. F. McLeod, land and court registrar, left on this morning's train for the Topley district where he will spend a holiday.

PETER KYNE'S THRILL STORY OF CALIFORNIA

Gold Rush and All That It Meant in Those Early Days Pictured

The picture "Tide of Empire," at the Capitol last night, which is to be repeated tonight proved a winner. It was a vivid tale of glorious adventure. Anyone who sees it will never forget the thrills of the great California gold rush; the horse race for hundreds of thousands of cattle and vast lands; the clash between the Yankee gold-seekers and the old Spanish settlers; the outlaw attack on the gold settlements; the capture of the bandits; the love of the Yankee adventurer and the lovely senorita; the outlaw's escape, and the hundreds of other thrills in this vivid picture of Peter Kyne's novel.

ONE CASE AT PRINCE GEORGE ASSIZES ENDS IN DISMISSAL VERDICT

In the case of Rex vs. Murphy at the Supreme Court Assizes in Prince George, the accused, an Indian, was found not guilty by the jury and was dismissed by Mr. Justice Alexander Fisher.

The second criminal case of Rex vs. Stein, in which accused is charged with false pretences, was adjourned until Monday.

Four divorce applications in addition to these criminal cases, comprise the docket at the Prince George Assizes.

PORT SIMPSON GIRL MARRIED AT TERRACE
