CENSURE VOTE MOVED AT VICTORIA

LOOKS LIKE HORRIBLE MURDER DISCOVERED IN ENGLAND

T. D. Pattullo Shows His Teeth in His Opening Speech in Legislature on Address and Asks Questions

Moves Resolution of Want of Confidence in Government at Close of Address; Conservative Advocates Opening Peace

VICTORIA, Jan. 25.—Criticizing the government for having placed the handling of British Columbia securities with fiscal agents, Opposition Leader T. D. Pattullo in the legislature yesterday afternoon at the conclusion of a speech by him on the address in reply to the speech from the throne moved an amendment to the address to His Honor constituting a resolution of want of confidence in the government in the following words:

"This house strongly disapproves of the administrative policy and action in connection with the recent sale of provincial securities in that this was made privately, im- providently and contrary to sound public policy."

MAYOR GIVES IDEA OF WORK FOR THE YEAR

At the opening meeting of the city council last night Mayor Mc- Mordie outlined briefly a few of the outstanding matters with which the council would be asked to deal during the coming year. These were as follows:

Power agreement by-law to be presented to the public as soon as possible.
Work on the roads and sidewalks to be continued the same as last year, with cement walks in the downtown district and cinder paths in the outlying districts.
That the sewer work be continued from McBride Street to Tatlow Street.
The council, the mayor suggested, should apply to the Dominion government for a fisherman's boat and a new federal building. Also to the provincial government for the sale of the government block.
The mayor said that he hoped they would be able to reduce the mill rate still further this year.

COUNCIL ASKS POWER TO TAX

The following resolution was passed by the city council last night unanimously and without discussion:
"That the City Clerk be instructed to draft a petition to the Legislature at this session to amend the Municipal Act so as to enable municipalities to tax all oil tanks and erections of this nature." The motion was by Ald. Collart, seconded by Ald. Brown.

LADY VAN HORNE DIES
MONTREAL, Jan. 25.—The death took place here yesterday of Lady Van Horne, widow of the late Sir William Van Horne.

the province in the hands of any agents, contending that the policy of the former government had been to sell all securities in the open market rather than by private sales.
The former minister of lands asked many questions in regard to the policies of the new government, including one as to whether it was proposed to amend the Liquor Act. What steps did the government propose to adopt to stop migration of young people to the United States from their schools and universities? What action should be taken on the lumber industry? What was meant in the speech by a change in the incidence of taxation? What would be expected by the country would be that the government reduce taxation rather than its redistribution.
Mr. Pattullo asserted that the prosperity of the province was due to the policy of the late government in past years and now they had as premier the man who had been the apostle of blue ruin in the campaign. What steps did he propose to take to bring about the promised reforms?
Premier Tolmie, who was absent from the house on account of illness, is expected to reply to Mr. Pattullo on Monday.

Open Up Peace
Dr. Walkem, Conservative of Vancouver, stressed the Peace River block development and advocated the building of a motor road from Prince George into the Peace country, so that business relations might be kept between the district and the southern part of the province rather than with Alberta. Until there was better rail connection, he contended there was no need of trying to pump more settlers into the Peace country.

COUNCIL AT METLAKATLA
Election Conducted Yesterday by Indian Agent; William Leask, Chief
Indian Agent W. E. Collinson paid a visit to Metlakatla yesterday to conduct the election of a village council for 1929, which resulted as follows:
Chief councillor — William Leask.
Councillors—G. H. Clifton, John D. Leighton, Henry Prevost, William Rudland and Ambrose Wil- son.

INJUNCTION STILL RESTRAINS FROM ELECTING GENERAL

LONDON, Jan. 25.—Hear- ing of the temporary injunc- tion restraining the High Council of the Salvation Army from electing a suc- cessor to General Bramwell Booth was again adjourned, this time until Tuesday.

COMMITTEES CITY COUNCIL

Appointments Made Last Night By Mayor McMordie At Opening Session

At a meeting of the council last night standing committees for the year were appointed by the mayor, as follows:
Finance—Ald. Collart (chair- man), Dibb and Dawson.
Board of Works—Ald. Brown (chairman), Orme, Rudderham Utilities—Ald. Macdonald (chairman), Prudhomme, Rudderham.
Building Commission—Ald. Brown (chairman), Prudhomme and Orme.
Soldiers' Housing—The Mayor (chairman), Ald. Collart, Dibb, Dawson, City Solicitor and City Treasurer.
Town Planning and Parks Com- mission—Messrs. J. C. McLennan, Thos. McClymont, Fred Riffou, Ald. Brown, City Solicitor and City Engineer.
Public Library—Ald. Dibb, James, Black, H. F. Pullen and Victor Basso-Bert.
Hospital—Ald. Brown and Mac- donald.
Exhibition—Ald. Orme, Prud- homme and Dawson.
Fisheries—Ald. Rudderham (chairman), Brown and Dawson.
Reading Room—Ald. Rudderham, Messrs. J. J. Gillis, Frank Derry, George Smith, William Sibbald and W. E. Denning.
The Mayor is ex-officio, a mem- ber of all the committees.

After the reading of this the mayor asked for any comments or alterations that any of the alder- men thought would be an advan- tage. Ald. Dibb said that he thought that the division of the council into committees did not allow the members of a single committee to become acquainted with the city work outside of his own committee.
The mayor suggested that he could place Ald. Dibb's name on all three of the major commit- tees.
It was pointed out that the minutes of every committee or council meeting could be seen at any time by any of the coun- cil.
Ald. Dawson stated he thought that as a general rule it was usually found that the smaller committee the more satisfac- torily the work was done.

WHITE CHRISTMAS FOR THE WATCH ON THE RHINE

A picture from Bingcn, Germany, showing a detachment of British soldiers marching along the river in a snowstorm on Christmas Day.

KING'S LUNGS ARE NOW WELL

Bulletin Issued Today Cause of Great Satisfaction in London
LONDON, Jan. 25.—The King's physicians issued this bulletin at 11:15 this morning:
The improvement in His Majesty's condition noted in the last bulletin continues. A bacteriological examination shows that the right chest is now free of the infected organism.
The bulletin caused a great deal of satisfaction, as it was interpreted to mean that His Majesty is now suffering only from weakness resulting from prolonged illness.

U. S. SENATOR DIES

WASHINGTON, Jan. 25.—Former Senator Oscar Underwood of Alabama died today.

MORE DISORDER IN AFGHANISTAN

BOMBAY, India, Jan. 25.—The Bombay Evening News today learned from Peshawar that another death has brought the number of Indian officers and troops killed accidentally by the British air bombarding plane up to 14. Two troopers have had their legs amputated and are not expected to live. The newspaper said that 16 horses were killed.
The two airmen in charge of the bombing plane which mistook the soldiers for a previously pre- pared target have been taken into custody.
The newspaper says that a tar- get of white-washed stones and earth had been prepared. A squadron of Pohna horse clad in white decided to pass over the area, although warned of the risk.

Another Epic of Sea Written In Daring Rescue Of Florida Crew by United States Liner

NEW YORK, Jan. 25.—The Italian freighter Florida, whose crew of 32 men were rescued on Wednesday night by Capt. George Fried of the liner America, lost one man overboard two days before sending out the "SOS." Six of the crew were seriously injured when rescued. Four others are ill and all are exhausted from the fight for life.
The Florida's bridge was washed away and the ves- sel was listed so far that her captain feared she would roll completely over. Members of the crew were prac- tically stripped of clothing by waves that battered unceasingly and the wind that lashed with ice and snow.
Chief Officer Manning of the America and eight men in a life- boat effected the rescue in a full gale. While the America's search- light played on the Florida, Man- ning approached to within 50 feet of the disabled vessel and dared go no closer. The lifeboat crew got a rope to the Florida and, one after another, the shivering sail- ors hurled themselves into the sea and pulled away hand over hand to the cockleshell that was their only hope of life. Once the rope parted and a seaman, half way across, had to be hauled back to the Florida. Another rope was strung across and the rescue com- pleted. The captain of the Flor- ida was the last to leave his ves- sel. The crew were dazed and hysterical and practically naked. They had to be lifted to the Amer- ica with a breeches buoy, not hav- ing the strength themselves to climb the ladders.

Bodies Four Children Found at Romford, Essex---Throats Cut

ROMFORD, Essex, Jan. 25. — The bodies of four children, cousins, between the ages of two and a half and six and a half years were discovered with their throats cut in a shed on some undeveloped land in the neighbor- hood. The eldest boy and girl were the children of Percy Gray, aged 32, former member of the metropolitan police, London. The other boy and girl were the children of Gray's sister.
The police are seeking Gray, who was last seen yester- day afternoon walking on the street with the four chil- dren.
Gray was a policeman for eight years, but in trying to save an old woman who had stepped into the road- way in front of a fire engine he was knocked down by the engine and suffered head injuries. He spent a long time in a hospital and a period in a mental home. Since then he has been pensioned off.

RAILWAYMEN TO SEEK MORE PAY

TORONTO, Jan. 25.—It was announced here following a closed convention of the Canadian Brotherhood of Railway Employ- ees that requests for a general increase in pay for all operating employees of the Canadian National Railways will be laid before officials of the railway in Montreal on February 18 by a general committee of the employ- ees of the system.

VERNON BOOHER WILL EXPIATE CRUEL MURDER

EDMONTON, Jan. 25.—Ver- non Booher will hang on April 24. After a deliberation of five hours and eight minutes the jury last night found him guilty of the murder of his mother, brother and two hired men on July 9, 1928, at Manville.
Mr. Justice Walsh immediately sentenced him to death. It is Booher's second trial for the murders. At the first trial he was found guilty and sentenced to death, but a new trial was granted.

NEW GOVERNOR OF MANITOBA NAMED

WINNIPEG, Jan. 25.—J. D. McGregor of Brandon, prominent livestock man of Western Canada, has accepted the lieutenant-gov- ernorship of Manitoba. The for- mal appointment, it is under- stood will be made in a day or two.

Dido Gurvich Won from Alf Harding in Boxing Match Last Night

Tommy Fraser Outpointed Opponent in Semi-Final at Big Event Which Was Preceded by Vaudeville

Taking undisputed honors in at least eight of the 10 rounds, Battling Dido Gurvich won by a long margin of points over Tough Alf Harding in last night's bout at the Capitol Theatre. Dido was in about as fine fettle as he has ever entered the ring and outskilled his opponent both in attack and defence. Alf was evidently not in quite as good trim as usual, and, while he kept indomitably plowing in, he seemed to lack much of his usual punch. Three judges gave Gurvich the unanimous call and there were none of the spectators who could disagree. This bout brought to a conclusion at 12:45 midnight a long program of moving pictures, vaudeville and boxing events which was staged in connection with the visit to the city of 220 members of the Western Retail Lumbermen's Association en route to a convention at Vancouver. The Capitol Theatre was packed for the occasion.

Gurvich was first in the ring and received a ripple of applause. Harding got a big hand from the crowd when he came on. Charlie Brown announced that the judges would be Mr. Campbell of Edmonton, Mr. Roberts of Winnipeg and Ralph LePine of this city. Charlie Gleason, former noted welterweight boxer, was announced as referee.

Detail of Fight

In the first round Alf went in to rough Gurvich and got punches on Dido's body in close quarters. Dido started to work with straight rights on the head as Harding crouched. One of Dido's jabs injured Alf's eye. The round was pretty even.

Second round—Dido continued to concentrate on Alf's face and head and was making a mess of Harding's eye. Harding missed a number of swings and also made Dido miss. Later Dido planted a few more on Harding's face and the latter got a few body punches in close quarters. Dido was showing a tendency to hold on, but it was his round.

Third round—Dido was showing considerable confidence and was best in the opening fighting with his longer reach. Alf administered some more body punches in close. Gurvich's round.

Fourth round—Dido missed a number of swings and Alf started to lead, getting the best of the infighting and winning his only round.

Latter Rounds

Fifth—Dido led off with a couple of onslaughts, but found Harding tough and hard to hurt. Considerable stalling followed and there was a tendency to hold on. Dido's round.

They sparred around for an opening. Harding had the best of infighting, but Dido more than evened it up at long range.

Seventh—Dido forced the fighting into the open and, at long range, had a long margin of points.

Eighth—Dido was working for points and got them, tapping Alf whenever he came in. Harding was trying to speed things up with a view to getting in a knockout. Gurvich was too clever and took the rounds on points.

Ninth—Harding was in the centre of the ring crouched for a knockout, his only chance to win now. Dido piled up more points with jabs and straights to the head.

Tenth—Alf continued to wait for an opening, but Dido kept closed up and the crowd did not appreciate his holding tactics. Toward the end of the round he opened up on Harding a couple of times and planted a punch on Alf's nose coincident with the sounding of the final gong.

Semi-Final

Tommy Fraser was cleverer and more agile than Tiger Boulter in the semi-final and won the decision in what was announced as a four-round bout for the lightweight championship of northern B. C. Boulter did the most of the heavy work, but Tommy proved an artful dodger and could land

OTTAWA WILL LOSE HOCKEY

Franchise to Be Transferred to American City Owing to Diminished Attendance

OTTAWA, Jan. 25.—President Ahearn of the Ottawa Hockey Association has notified President Frank Calder of the National Hockey League that it is his intention to transfer the franchise of the Ottawa club to an American city next season. Which city will get the team is not yet decided upon. Recently diminished attendance at the games is given as the cause of the transfer.

FAST HOCKEY IN THE EAST

New York Americans Beat Maroons and Toronto Draws With Canadiens

TORONTO, Jan. 25.—The threat of the Canadiens to tie the New York Americans for the lead in the international section of the National Hockey League proved merely a threat for the present. The Americans scored a victory over Montreal, while Toronto held the Frenchmen to a draw. The Americans showed everything in the offensive line, playing a fast open game. Injuries and illness handicapped the Canadiens. Howie Morenz, star centre, was unable to start and Goalie Hansworth played with a broken nose and one eye injured by the flying puck during a pre-game practice.

The New York Rangers increased their lead over the idle Boston Bruins to six points by defeating Pittsburgh. The scores follow: Montreal 0, N. Y. Americans 2. Toronto 1, Canadiens 1. N. Y. Rangers 3, Pittsburgh 1.

TOURNEY NOW NEAR FINISH

Finals in Open Badminton Competition to Be Played on Monday Night

Except for the semi-final in the ladies' doubles between Miss Caroline Mitchell and Miss Frances Cross vs. Mrs. A. B. Linzey and Mrs. S. Darton which will be played tomorrow night the open badminton tournament under the auspices of St. Andrew's Anglican Cathedral Club has reached its final stages.

Games last night resulted as follows:

Men's Doubles
Semi-final—S. Darton and C. J. Norrington beat G. P. Tinker and A. G. Rix, 15-3, 15-9.

Mixed Doubles
Second round—Miss Margaret Palmer and Stan Smith beat Miss Amelia Pillsbury and Roger Wright, 15-13, 12-15, 15-3.

Semi-final—Mrs. W. Long and Carl Brand beat Mr. and Mrs. Jack Clyne, 15-14, 15-12.

Miss Caroline Mitchell and Alf Slocomb beat Miss Margaret Palmer and Stan Smith, 15-6, 15-3.

The Finals
Following will be the finalists on Monday night:

Ladies' Doubles—Mrs. H. L. Shadwell and Miss Margaret Palmer vs. winner of Miss Caroline Mitchell and Miss Frances Cross vs. Mrs. Linzey and Mrs. S. Darton.

Men's Doubles—H. T. Cross and Lyman Hinton vs. S. Darton and C. J. Norrington.

Mixed Doubles—Miss Caroline Mitchell and Alf Slocomb vs. Mrs. W. Long and Carl Brand.

Little Boy—What's all these women here for?

Little Girl—They've been upstairs to see the baby.

Little Boy—Babies is common enough.

Little Girl—Yes; but this is a new one an' I expect they want to see the latest fashion.—Public Opinion.

CROWD THREW THINGS AT PORTLAND WHEN GOAL WAS NOT ALLOWED, MAN WAS CARRIED OFF THE ICE AND MOOSE JOHNSON LAID OUT

PORTLAND, Oregon, Jan. 25.—The Seattle Eskimos, more powerful than ever with Levine, the new goalie, overrode the Buckaroos here last night three goals to nil. The visitors scored their goals in the first and second periods. Levine, who grabbed the puck when danger threatened and throwing it out of the way, was a life-saver for the Eskimos.

Penalties were dealt right and left in the third session. Pratt was carried off the ice injured and Moose Johnson collided with an opponent and was stretched out.

The Buckaroos scored a goal which was not allowed and the crowd started to throw things

back of the net. Time was called in order to clear the ice.

Daly and Teel engaged in a fist fight and both were fined \$10 and given a 10-minute penalty.

MANY ATTEND LOCAL WEDDING

Miss Alice DuVernet Becomes Bride of Rev. J. B. Gibson at Cathedral Last Night

The Anglican Cathedral was filled to the doors last evening to witness the wedding of one of the most popular members of the congregation, Miss Alice Frances DuVernet, daughter of the late Archbishop of Caledonia and the late Mrs. DuVernet, to Rev. James Byers Gibson, rector of St. Andrew's, Right Rev. Bishop Rix officiating, assisted by Rev. Canon Rushbrook. The wedding was a quiet one because of the recent death of the bride's mother, hence she was unattended. The service was full choral, the choir singing an anthem during the signing of the register, with Mrs. D. Ross as soloist, her rendering of "Heavenly Voices" being unusually fine.

The bride was very beautiful as she entered the cathedral on the arm of R. L. McIntosh, who gave her away. She was gowned in applique Brussels lace made in Belgium and used by her mother in her wedding dress. She also wore the conventional veil with orange blossoms. The church had been beautifully decorated by members of the congregation and the setting as Miss Lancaster played the wedding march was an inspiring one.

Following the wedding the bride and groom and 10 guests were entertained at a wedding breakfast at "Chiffayde," the beautiful home of Mr. and Mrs. R. L. McIntosh. The toast to the bride was proposed by Bishop Rix and responded to on behalf of the bride by Rev. J. B. Gibson. Canon Rushbrook also spoke, wishing the bride and groom all happiness, as did also W. E. Fisher. The toast to the host and hostess was proposed by C. V. Evitt.

The bride's going away dress was very becoming, of brown jersey cloth with sealskin coat and hat to match.

LUNCH GIVEN FOR VISITORS

Members of Railway Board Guests of Local Board of Trade

Hon. H. A. McKeown, chairman of the Board of Railway Commissioners of Canada, was the principal speaker at a luncheon given this afternoon in the Commodore Cafe by the Prince Rupert Board of Trade in honor of the members of the commission, who are visiting here. Hon. T. C. Norris, former premier of Manitoba, and also a member of the commission, spoke briefly.

The luncheon was presided over by G. P. Tinker, vice-president of the Board of Trade, in the absence of the president, Milton Gonzales. Arrangements for the luncheon were in the hands of the entertainment committee of the board, consisting of F. E. Robertson, C. C. Mills, J. W. Scott and T. H. Johnson.

DAILY EDITION Friday, January 25, 1929

CAUSE OF WAR

"Selfishness and greed ultimately bring about suspicion that leads to hate and ends in war," declared a speaker in Victoria the other day. That is the cause of most of the troubles in this world. Selfishness and greed lead to all sorts of trouble. That is why Christianity is such a leavening influence in the world. Its founder was imbued with the spirit of unselfishness.

Whenever people who call themselves Christians are arrogant, keen for place and power, anxious to make money and spend it on themselves or keep it from others who need it worse than they, it is clear that they are not Christian, no matter to what church they belong or what their professions may be.

War may be forced on a weak people and in such a case there is nothing to do but fight and put every sinew into the struggle, but in every war there is selfishness and greed on one side at least and often on both sides. It is not necessarily our side that is right and the other side that is wrong.

ABOLISH BY-ELECTIONS

The Tolmie government proposes to abolish the system of an appointed minister of the crown having to return to his constituency for re-election. It is the English system that British Columbia adopted, the same that is in force in the Dominion parliament. That is no reason why British Columbia should have it.

Just at present the Tolmie government has little to fear from a by-election, as it has a substantial majority in the house. For that reason it is able to bring in such a measure as this without being accused of trying to protect itself. It is a step in the right direction, as it will save the province some money and do away with considerable delay. The time that would be spent in an appeal to the constituency by a new minister may now be spent in getting into touch with the new work and giving service to the province.

AT BRITAIN'S SIDE

No step has yet been taken which will bring about the adoption of a national anthem for Canada. A considerable section of the country would like to have the verse in which the words "at Britain's side whate'er betide" is found. That is not a very good sentiment since the equal status provision was adopted by the Imperial conference in London. It would be just as reasonable to say "At South Africa's side, whate'er betide," or "At New Zealand's side, whate'er betide."

The British Empire is composed of a number of nations, each with equal status. Each is considered to have the same rights and privileges as the others. While there are more people in Canada from England, Scotland and Ireland than from Australia, yet each is a part of the Empire with equal rights and privileges, and as such neither should be singled out from the others except at a time when it does something worthy of special mention.

Great Britain has a larger population than the others and has taken the lead in most things and doubtless will take the lead for many years to come, but if we are to become a united Empire we must try to think imperially and the sentiment in the verse mentioned is not imperial. It tends to indicate a provincial complex.

FUEL BOARD IN CANADA

The Fuel Board has just issued a report of its work which doubtless is of much value to the country. In the centre of the report is a map showing the coal fields of Canada and the United States. In that map the Canadian railways are marked in red, but the Canadian National does not, according to it, go beyond Edmonton. Prince Rupert does not exist. We object to this omission as tending to militate against this part of the country. There should have been something in the map to indicate that people live north of Vancouver.

GOOD WORK OF Q. C. NATIVES

Criticize Action of Department of Marine in Not Repairing Wharf, Then Do It Themselves

The following report and criticism is from the council of Skidegate Mission: SKIDEGATE MISSION, B.C., Jan. 24:—Once more, the annual public improvement work, carried on (in which all male members of the reservation over the age of eighteen years are required to put in a certain number of hours) by the council is completed. The work consisted of the following: Wharf Crew—Fifteen men under James Jones, 375 1/2 hrs. of work, putting in 20 piles on the approach to the government wharf and procuring all the piles themselves and putting them in by hand.

Road Crew No. 1 under Charles Gladstone, were working 17 men putting in 419 hrs. on the side walk parallel with the right of way through the village.

Road Crew No. 2 under Tuke Watson, were working 16 men, putting in 332 hrs. also on the sidewalk. This sidewalk was built under the direction of the council for the safety of the public in view of the rapid growth of the number of motor vehicles now passing through the reservation on the right of way.

The Water Crew, under Thomas Pollard, were working 6 men, putting in 145 hrs., repairing a decayed water main and laying pipes to various houses.

The value of improvement work done under the directions of the council, of which James McKay is the chief, are as follows:

Wharf crew actual working hours 375 1/2, at 65c	\$244.12 1/2
Material supplied by Mr. Scharffe, M. J. Williams and Albert Derrick, also Albert Jones for dinner	27.30
Use of various tools for five days	10.00
Meals supplied by Women's Missionary Society	15.00

Total on wharf ... \$295.42 1/2
Piles procured by crew are not counted.

Road crew No. 1, actual working hours 419, at 40c per hour	\$167.60
Meals provided by W. M. S. of Skidegate	25.50
Use of tools	5.00

Total	\$198.10
Road crew No. 2, actual working hours 332, at 40c per hour	\$132.80
Use of tools and material	5.50
Meals provided by W. M. S. of Skidegate	24.00

Total	\$161.30
Water crew actual working hours 154, at 50c per hour	\$72.50
Miscellaneous items	18.50

Total	\$91.00
The total value of work done is as follows:	
Wharf crew, total	\$295.42 1/2
Road crew No. 1	198.10
Road crew No. 2	161.30
Water crew	91.00

Grand total ... \$745.82 1/2
For three days the members of the Women's Missionary Society provided very substantial suppers as itemized in the town hall which were very enjoyable and which were looked forward to eagerly by some of the men, as these meals were absolutely free for the workers.

Work done on the government wharf is especially commendable, because it was ready to fall down (that is, the approach), where a drift log had knocked out 20 piles. The people, both natives and whites, cannot afford to have it falling down, that is the whites from the east coast and Skidegate. So, in view of the government not wanting to lift a hand in the matter at present because of Mr. Ford's recommendation, the Skidegate council with the sanction of the people decided to repair the approach, which was impassable by motor cars and dangerous for pedestrians. Now it is in shape again, thanks to the Skidegate council.

Wharf Necessary
The government had been petitioned time and again by both the whites and natives, but to no avail.

NOW A SENATOR

H. J. Logan, former member of the House of Commons for Cumberland, N.S., has been appointed to succeed the late Hon. W. B. Ross in the Senate.

Only the people that live here know that it is absolutely necessary to maintain the wharf in question, because for certain reasons it is very undesirable to have freight shipped to Queen Charlotte City, and the road between there and here is a joke and only fit to serve as a trail for cow punchers, but serving an excellent excuse for Mr. Ford to recommend this wharf to be abandoned by the government, and thereby working hardship on residents along the coast and Skidegate. It costs \$6 to hire a car from Skidegate Mission to Queen Charlotte, an only goodness knows how much it would cost to haul freight from there. Last spring the government engineer, Mr. Ford, promised the Skidegate council that he would recommend that the wharf be well repaired by the government and then turned over to the village, but it seems it slipped his mind, for the council did not hear any more of it. But since then the council decided to wash their hands of any responsibility for the wharf, as Mr. Ford says it cost \$30,000 since it was built and the council felt that they could not procure enough funds to keep it in repair.

Mr. Ford may think that he is doing the best thing, but the people think otherwise, because it is depriving them of the most essential thing in their existence and will be a detriment to the development of the country.

M. J. WILLIAMS,
Secretary.

HE SUFFERED FOR TEN YEARS

Then ALL-BRAN Brought Relief in 2 Months — Doctor Recommended It

Constipation is dreaded not only for its own insidious self, but because of the many serious conditions and diseases it causes. Mr. Lind was a sufferer—but read how he found relief:

"For the past 10 years I have suffered from piles. At times I have been unable to work. I have tried suppositories, ointments, etc., but to no avail. Two months ago my grocer called my attention to Kellogg's ALL-BRAN. I began taking it regularly. Immediately the pain and annoyance from the piles was relieved. I found that it requires very little ALL-BRAN to give nature a fair chance to effect a cure."—WALTER J. LIND, R. 2, Box 187, Appleton, Wis.

Don't neglect constipation. At any time its poisons may take terrible toll from your health and well-being. Protect yourself. Eat Kellogg's ALL-BRAN regularly—two tablespoons daily, or in chronic cases, with every meal. ALL-BRAN brings sure, natural relief. It is what doctors call a bulk food. It sweeps the intestine clean and stimulates normal action.

Ready-to-eat with milk or cream. Also try the recipes on the package. Results guaranteed. Doctors recommend it because it is 100% bran. Made by Kellogg in London, Ontario. Served in hotels, restaurants, and dining cars. Sold by all grocers.

The New Victor Radio

is technically correct.

THE New Victor (plug-in) radio receiver is of such design that it will answer the most exacting requirements. Technicians who view it attest that it is the most expertly designed, electrically and mechanically, of anything they have seen. That is, of course, a natural thing to expect from a company renowned as builders of highest quality reproduction.

Advanced features of the New Victor Radio are: Chassis of aluminum. Operates from house current, plug in. Requires less current than consumed by single reading lamp. Single dial, electrically lighted. Uses practically any length antenna, inside or outside. Scientifically armoured and shielded. Volume without distortion, through special hook-up.

LOWBOY MODEL

Authorized Victor Radio Dealers are showing this popular figured walnut console specially designed for them, with Victor Speaker, the New Victor Radio, all tubes complete, and "plug-in" cord for only

\$285

plug in

EXERCISE FOR HEALTH IN Penmans 95

Write for Free Exercise Booklet

A valuable booklet, containing a complete set of 22 Penmans health exercises, may be yours for the asking. Write for it today.

Health Exercise No. 21

Clasp hands behind back. Swiftly bend body as far over as possible. At the same time the arms should be thrown forward, as shown in illustration. Come back to rigid, upright position. This exercise will strengthen your shoulder muscles immensely.

PENMANS' popular health exercises are neither too strenuous nor too tame—but just right for maintaining vigorous health. Slip into Penmans "95" and try these exercises every morning. You'll be surprised at the difference they'll make in your vitality.

Penmans "95" is Canada's leading quality underwear. In two-piece and union suits for men, women and children.

NOTICE TO PENMANS DEALERS

PENMANS 1927 series of health exercises proved a great success—and this year's series is even bigger and better. Tie up by distributing free Penmans exercise booklets to your customers. Also write for handsome free underwear cards for window and counter display.

U. S. PLANNING ENFORCEMENT PROHIBITION

Will Later Ask For Change in Extradition Laws to Cover Liquor Offenders.

WASHINGTON, D. C., Jan. 24.—Completely rebuffed by the Canadian government, which flatly declined to co-operate with the United States in enforcing the prohibition laws, the treasury department is planning further advances to the Dominion to check smuggling. Asst. Secretary-Treasurer Seymour Lowman has been conferring with Admiral Bullard and Dry Commissioner Doran, to determine the course to be suggested to the state department in its drive against smuggling.

The Canadian government offered to make a number of minor changes in customs regulations and clearances of liquor ships, but declined to refuse liquor clearances to ships.

U. S. Officials said that the government would not be benefited by the proposed changes in regulations, and nothing short of an agreement to refuse clearance would be accepted.

The United States wanted to revise the extradition treaty, so that Canada would honor their requisitions for violators against the prohibition laws, but owing to unfavorable sentiment in the Dominion, they failed to bring the question up. Later efforts will be made to draw up a new extradition treaty, should conditions be altered. "Canada eventually should come around to the American viewpoint," an official stated in an interview with the press. "There is considerable dry sentiment in Canada, and 'Drys' can still swing these elements. For this reason we are hopeful that the Dominion government will agree to refuse liquor clearances."

For one thing, it would permit the prosecution of Canadian ship operators who obtained clearances from foreign ports, then diverted liquor cargoes to the United States. Also, if the policy were enforced, it would prevent the movement of liquor into the United States, in small boats which obviously could not demand clearance for foreign ports.

Much of the smuggling is done in ships too small to navigate the high seas.

LAMPREY IS A STRANGE FISH

Carries Stones to Build Itself a Nest; Prey Upon Other Fish in Lakes

ITHACA, N. Y., Jan. 24.—Menace to the fish food supply of inland lakes by the lake lamprey, a type of eel, has been established through 50 years of observation by Prof. Simon Henry Gage, emeritus professor of histology and embryology at Cornell University.

For one to three years of their lives, he finds, the lampreys prey on other fish, especially bullheads, trout, suckers and carp. The only feasible way to reduce their number is by trapping when they migrate up small streams to spawn. All of them die after spawning, but by trapping them on the way to spawning grounds their swarms of spawn may be reduced.

Professor Gage found that two other types of lampreys of New York state, the sea and the brook lampreys, are beneficial to man as food or bait.

One of the most interesting facts established was the lamprey's ability for carrying stones in building itself a nest.

"This nest," he says, "is built in running water. It is a wash-bowl shaped excavation in the bottom of the stream, made by pulling the stones away from an area selected and depositing them around the edge, especially the lower edge.

"To remove the stones the lamprey attaches its sucking disc to the stone and then by powerful swimming jerks and pulls the stone loose. If the stone is small it is lifted up and carried down stream. If the stone is too large

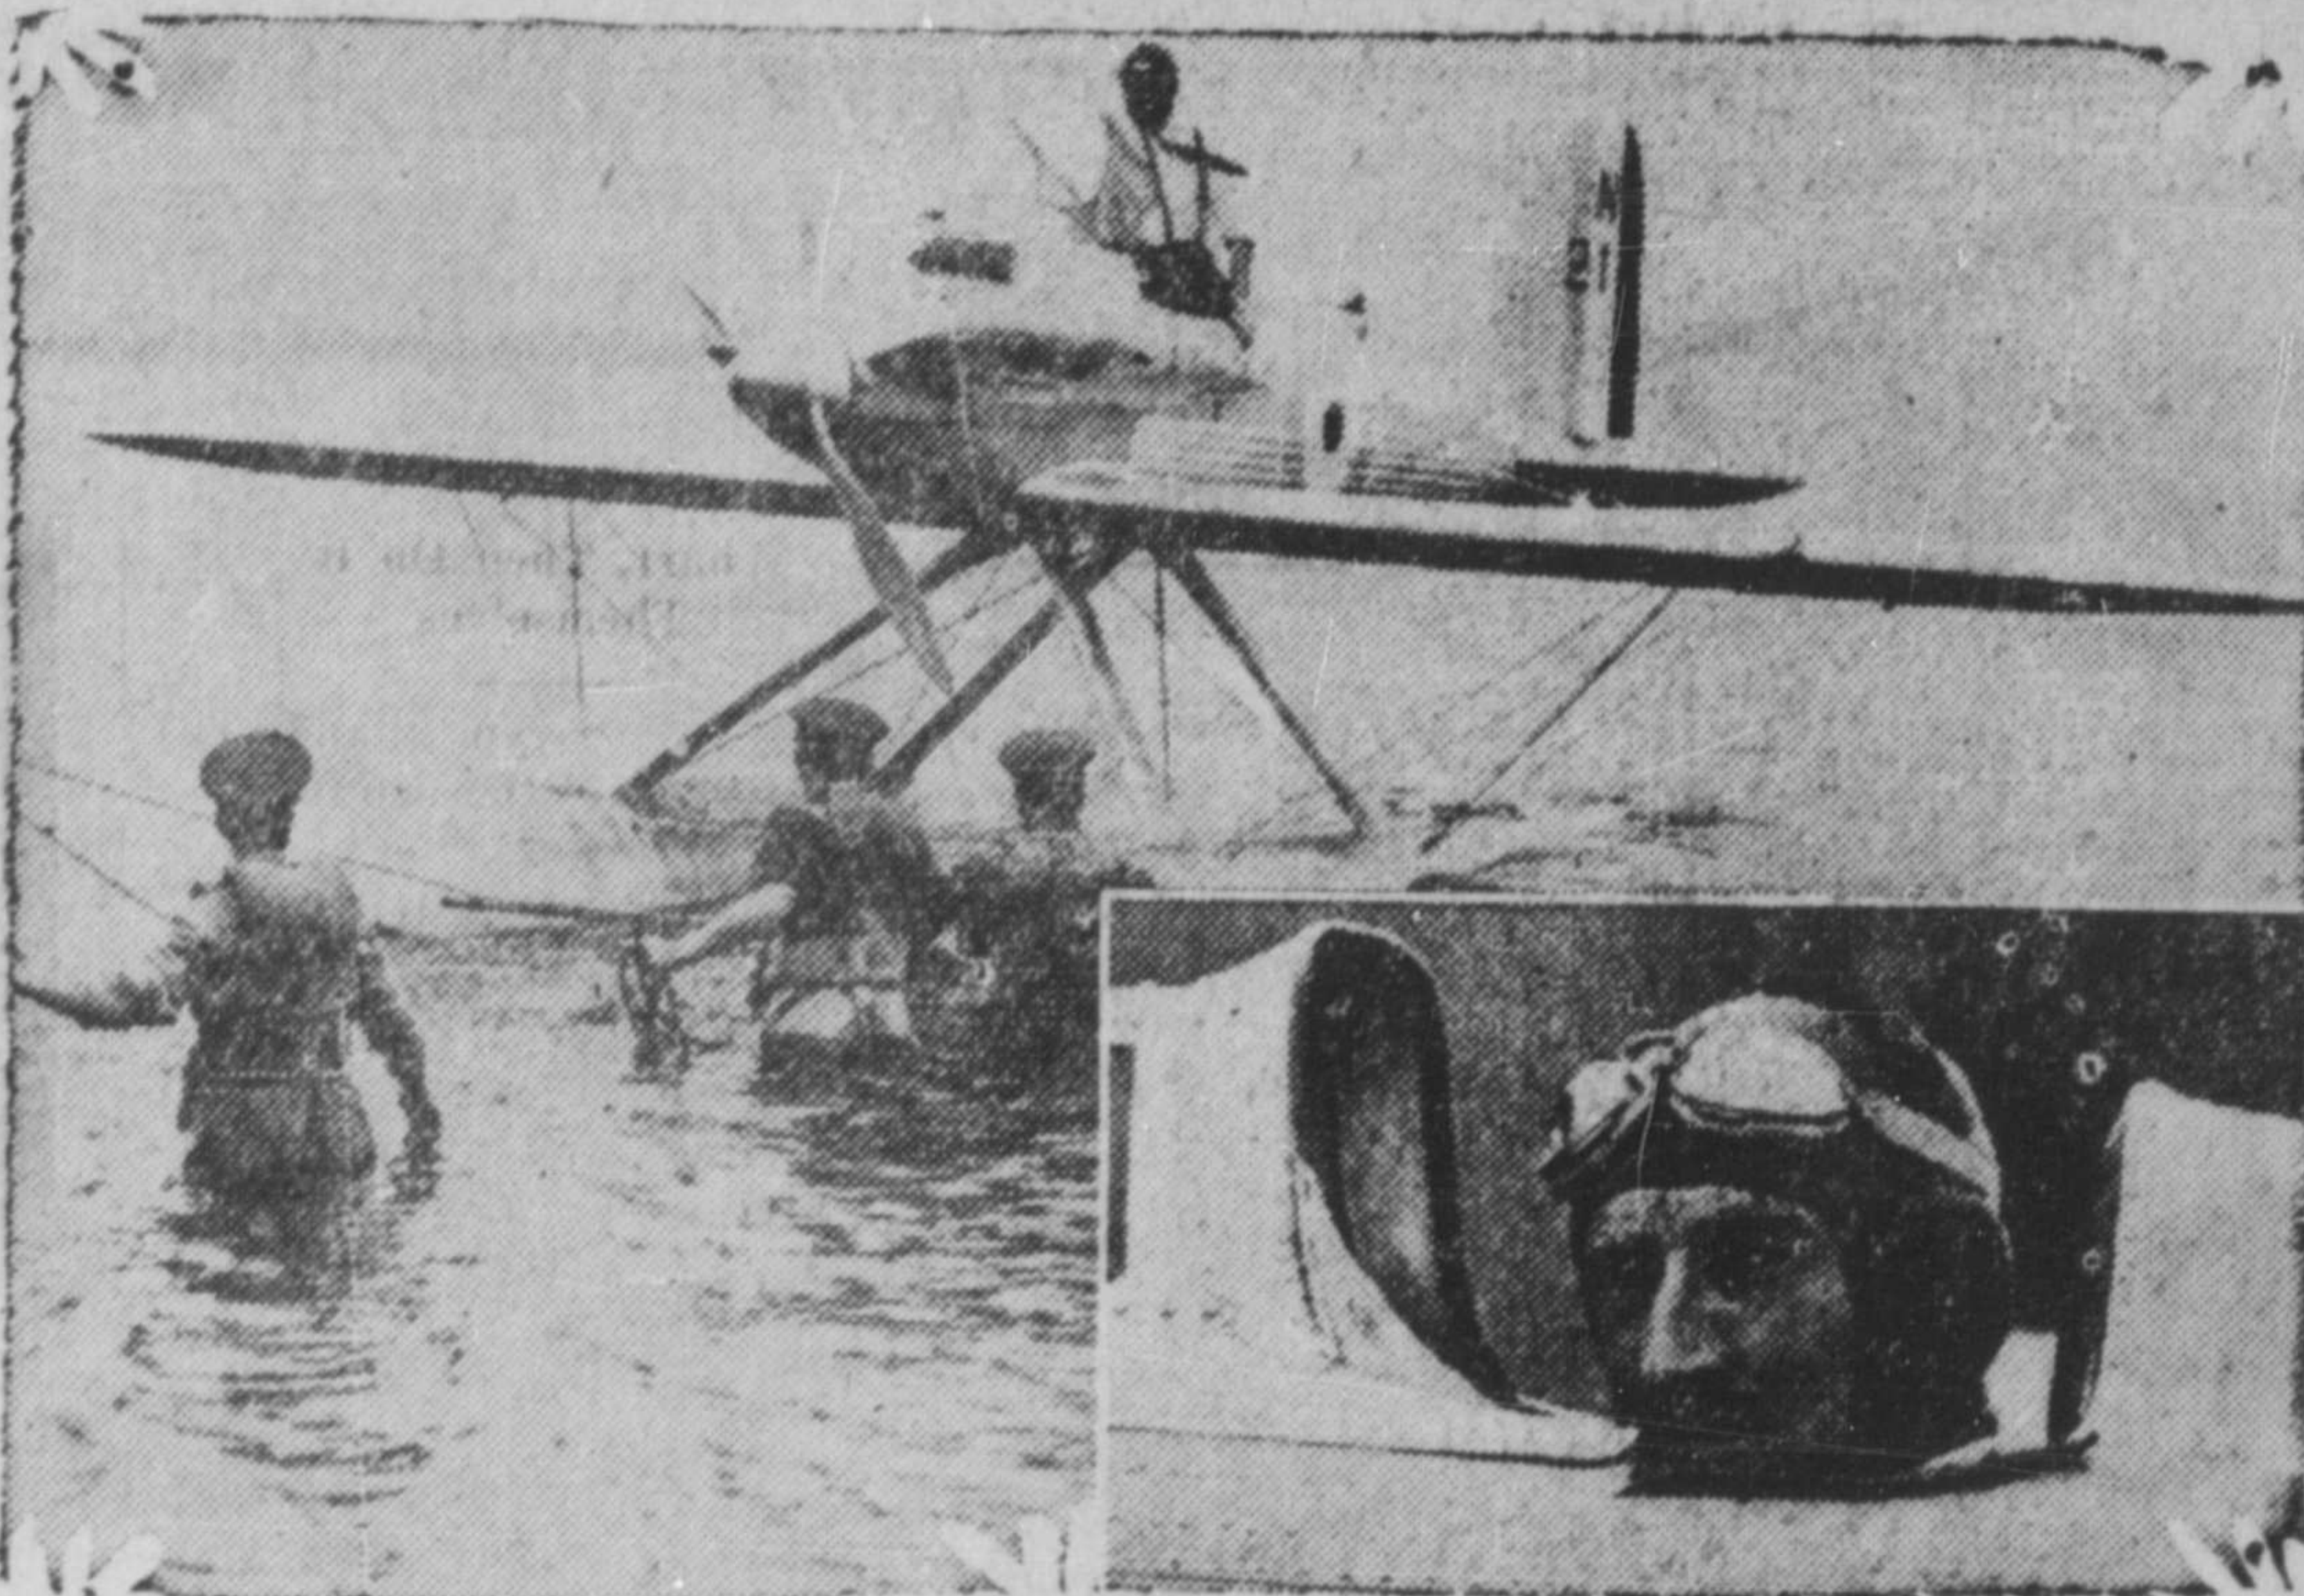

to lift the lamprey drags it along downstream to the edge of the nest."

Professor Gage also discovered lampreys possess glands giving a secretion that prevents blood from clotting.

SCOTS BECOMING MORE THRIFTY AS BANKS CAN TESTIFY

LONDON, Jan. 24.—That the reputation of the Scot for thriftiness is justified is proved in part at least by the annual report of the Glasgow Savings Bank. This shows that almost every one in three of the population possesses a bank book. The amount due depositors is \$115,000,000, an increase of \$5,000,000 over the previous year. The bank has achieved a record in the number of depositors, the volume of business transacted and the amount of the bank's own reserve.

At a meeting of the city council last night it was decided that all city positions be advertised.

When Lieut. D'Arcy Greig, Royal Air Force, accomplished the speed of 300 miles per hour in one of the British Air Force's speed planes, the Air Ministry was satisfied that he was nearly ready for the gigantic undertaking of attempting to pilot a seaplane at more than 317 miles per hour in order to recapture the world's speed record from Italy. The above two pictures were taken just prior to the trial which reached the 300-mile mark. Greig is standing in his plane, which, by the way, is not the one which will be used for the record attempt, but a replica. At the bottom right is a close-up of the daring airman sitting in the cockpit of the machine.

How

SUN LIFE Policy Holders share SUN LIFE PROSPERITY

IN 1926, Agent Roberts of the Sun Life Assurance Company of Canada assured his friend Bates for \$10,000.

He told Bates that in 1924, a man of his age had taken out a similar policy; that this man had already received two dividends; and that the second, received in 1926, amounted to \$73.80. Bates felt that an equal dividend accruing to him in 1928 would be highly satisfactory.

Roberts delivered a cheque for Bates' second annual dividend the other day. Instead of \$73.80, it was \$91.00. The expectations of two years ago had been exceeded by 23 per cent.

Sun Life prosperity is being shared with its policyholders in the form of dividends much in excess of those anticipated when the assurance was taken.

To-day, on the threshold of a New Year is an opportune time in which to get details of these exceptional advantages, from the Company's representative in your district.

ADDRESS GIVEN BY BISHOP RIX

In Speaking at the Rotary Luncheon He Told About His Own Job and Its Scope

An inspiring address was given by Bishop Rix at the Rotary Club luncheon yesterday in which he sketched his own life history leading up to his present work. Then he told of the work of a bishop in a missionary diocese such as Caledonia and concluded by an appeal for the support of church organizations and work which were on the job all the time helping the children and improving the life on the community.

The Bishop said he believed in the value of his early life, how he worked his way through college and eventually came through to Hazelton which was to be his centre of activities. Then Prince Rupert became vacant, and he was sent here and had stayed since, gradually having titles and honors added but all of which did not change him in the least.

Telling of the huge diocese which it was his duty to oversee, Bishop Rix said it had an approximate area of 300,000 square miles extending from the Yukon boundary to Ocean Falls and from Queen Charlotte Islands to the Alberta boundary including the great Peace River country. He was supposed to have an intimate knowledge of the conditions and the people in that whole territory. New fields were constantly opening up and some were being depopulated. It was necessary to secure \$30,000 a year from the outside to carry on the church work. He had unbounded admiration for the men who did the work for a mere pittance.

The Bishop said he believed in the work of the church. The business and social world had the church as an anchor. While other organizations did intermittent work the church was on the job all the time, constantly trying to instill into the young the ideals of good citizenship.

He urged members of the club to stand behind the church and help all they could. Some he knew were doing it but others were not.

PASSES AFTER LONG ILLNESS

Death Occurs This Morning in Hospital of Christopher Eyolfson, Member of Well-Known Family

After an illness of some three months from which it was realized lately that there could be little hope of recovery, the death occurred at 4 o'clock this morning in the Prince Rupert General Hospital of Christopher Eyolfson, aged 24, member of a well known family formerly of Osland, Smith Island, and now resident in the city at 73 Water Street. The deceased, who was born in Manitoba, had lived at Smith Island for 10 years. He followed the fishing trade and had been employed here by the Rupert Marine Products and the Booth Fisheries Co. He was quite well known and many friends, who will regret his demise, will extend their sympathy to the mourning family.

Relatives left to mourn the loss of the deceased include his mother, Mrs. T. H. Eyolfson; seven brothers, Dr. R. E. Eyolfson, John Eyolfson, Albert and Harry Eyolfson of this city, Barney Eyolfson at Newmarket, Ont.; Kjartan at Burns Lake and Ernest at Anxox; and two sisters, Mrs. Bud Church and Miss Joan Eyolfson of Prince Rupert.

The funeral, which is being arranged by the B. C. Undertakers, will take place on Sunday afternoon with a service at St. Andrew's Anglican Cathedral.

PAT'S PARAPHRASE

An Irishman at a party was expecting something strong to "wet his whistle." On being offered nothing but a glass of ginger ale he refused it, saying as he started to leave, "A soft drink turneth away McGrath."—Boston Transcript.

HOUSE BURNED AT TERRACE

TERRACE, Jan. 25:—The house occupied by Mr. and Mrs. Hamer and family, and situated south of the track from the C.N.R. depot was burned to the ground with all its contents yesterday morning about nine o'clock, presumably caused from an overheated pipe. The building which was a two storey frame structure was built some year ago by Mr. and Mrs. Walberg. The Hamer family are being looked after by neighbors.

LUMBERMEN ON VISIT TO CITY

Big Party of Western Canada Retailers Are Entertained in Prince Rupert

Expressing delight at the scenic beauties of the trip, the hearty welcome that has been accorded them all along the line and the excellent service given them by the Canadian National Railways, members of the Western Retail Lumbermen's Association, en route to Vancouver to attend their annual convention, arrived in Prince Rupert by special train at 8:40 last evening and, after spending overnight here, sailed for the south aboard the steamer Prince Rupert at 8 o'clock this morning. The party numbered 221 persons, including 50 ladies, and was headed by Roy G. Roberts of Winnipeg, president of the Association, and F. W. Ritter, also of Winnipeg, its secretary. Accompanying the party, as representatives of the railway company, were F. J. Creighton, city passenger agent, Winnipeg, and Charles Worby of Winnipeg, superintendent of the dining and sleeping car department. R. F. McNaughton, district passenger agent here, and P. G. Russell, assistant superintendent, Smithers, accompanied the party from Jasper Park to Prince Rupert, and A. D. Watt, divisional master mechanic, came in with the special train from Prince George.

The lateness of the train, which was originally due in mid-afternoon, made necessary the curtailment of the local program of entertainment for the visitors. The proposed inspections of the Cold Storage and Big Bay sawmill plants could not be made but practically all the lumbermen were present at the entertainment in the Capitol Theatre in their honor. After this, refreshments were served in the Boston Hall.

Coming west, the party stopped

three hours at Prince George where district lumber operators gave a dance and entertainment in their honor.

SURPRISE PARTY ON MR. AND MRS. NELSON

Forty Friends Called Last Night and Made Presentation of Handsome Chesterfield Table

A group of about 40 neighbors and friends gathered in a surprise party last evening at the home of Mr. and Mrs. Andy Nelson, 329 Ninth Avenue West. The evening was spent in dancing and delicious refreshments were served. A feature of the proceedings was the presentation by Ex-Ald. Oscar Larsen, on behalf of the company assembled, of a handsome chesterfield table. Mr. and Mrs. Nelson both responded suitably and short speeches and humorous stories were given by many of those present. The enjoyable festivities kept up until the early hours of the morning.

BURIED TODAY

The funeral took place this afternoon from the chapel of the B. C. Undertakers to Fairview Cemetery of the late Albert Weekes, whose death occurred yesterday morning in the Prince Rupert General Hospital. Rev. Alfred Wilson of First United Church officiated.

ULSTER LEADS IN SOBRIETY

BELFAST, Jan. 25, (I.N.S.)—Northern Ireland claims that it leads all the rest of the British Isles in sobriety. It has reduced its annual drink bill from \$37,000,000 in 1923 to \$20,000,000. This means a consumption of \$16 per head as against \$14 in Great Britain and \$26 in the Saarland. Still, it was stated by the temperance committee of the Protestant Synod of Down, Connor and Drogheda, there are 3,000 drink shops in the northern area, all licensed, and open 12 hours a day.

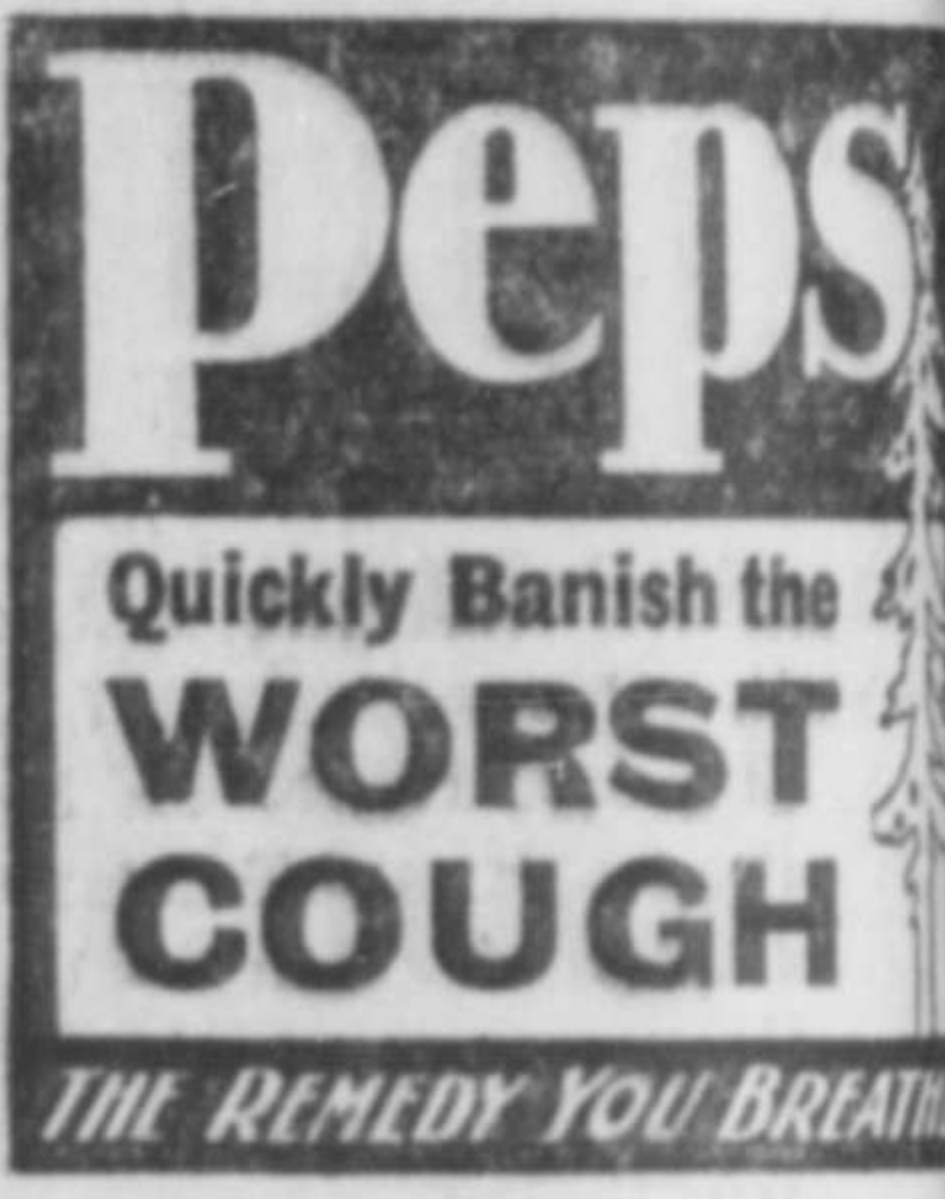

WILL BE GUEST BIG BANQUET

Sir Henry Thornton Will Speak at Annual Event

TORONTO, Jan. 25:—Sir Henry Thornton, chairman and president of the Canadian National Railways, will be the guest of honor at the annual banquet of the Canadian Industrial Traffic League in Toronto on January 26. The Canadian Industrial Traffic League is one of the most influential organizations in the Dominion and is representative of not only the largest corporations operating from coast to coast but also includes practically all of the smaller producers, leaders and traffic men of the industrial world who are in Toronto to attend the annual meeting.

One of the aims of the organization to be emphasized at the conference will be the coming of closer co-operation between the shippers and the railway companies of the country together with a better understanding and appreciation of each other's problems and difficulties.

F. J. Finch of the Imperial Oil Company, is president and E. Dean of the Steel Company of Canada, vice-president. A speech will be broadcast on radio.

Man in the Moon

One advantage of the radio is that more people have their watches telling correct time than formerly.

It's always interesting to read a book on child training because it gives the view of the person who has no children.

The way to cultivate optimism is to try to recall the things that worried us last year or the year before. Such mental exercise will make it clear that the things we worry about most are the things that never happen.

Emerson told about compensations. I too have noticed that the smaller the wife the more she bosses the husband.

What a grand old world this would be if it were as easy to make money as it is to make mistakes.

It must be bad to be a martyr but nothing like as bad as having to live with one.

The jury system would be all right if you could find a jury so dumb that the members had not formed an opinion in regard to the crime.

Ten Years Ago in Prince Rupert

January 25, 1919 Local Scotsmen did themselves proud in celebrating the memory of Robert Burns at a banquet last night in St. Andrew's Hall. Speakers were: Rev. Dr. H. R. Grant, Fred Stork, J. G. Steen, A. M. Manson M.L.A., Mayor McClymont, Dr. N. M. McNeill, J. C. Brady, E. R. Tabrum and G. W. Johnstone. Those contributing to the program included: W. Roff, Piper Alex McDonald, J. H. McMillan, James Lee, W. Vaughan Davies, Mrs. William Millar, John E. Davey, Miss Reid, C. C. Perry, Alex Clapperton, Mrs. James L. Lee, William Murray and Mrs. Dunn.

At a convention of the Liberal party in Calgary, it was declared that the government should do more for the returned men.

Inspector Adams of the Dominion police force here has joined the city force.

CORPORATION OF THE CITY OF PRINCE RUPERT

TAKE NOTICE THAT:

1. The Council of the Corporation of the City of Prince Rupert intends to construct a pavement sixteen feet wide on Vanarsdol Street, commencing at the intersection of Vanarsdol Street and Graham Avenue and extending along Vanarsdol Street to the intersection of Vanarsdol Street and Adlin Avenue, as a local improvement, and intends to specially assess the cost upon the land abutting directly on the work, except such portion of the cost as is incurred at street intersections. 2. The estimated cost of the work is \$7500.00, of which \$5635.69 is to be paid by the Corporation, and the estimated annual special rate per foot frontage is \$.7552. The special assessment is to be paid in 10 annual instalments. 3. Persons desiring to petition against undertaking the work must do so on or before the 25th day of February, 1929. E. F. JONES, City Clerk. Dated this 21st day of January, 1929.

THE STONE IN THE POOL A TABLE for YOU & ME

THERE'S A SPLASH... the placid waters of the crystal pool take life as the pebble disappears. First a circle, then two, then six, then twelve, as if by magic the ripples race over the surface of the pool to its furthestmost edges.

The stone that stirred the pool to life was one of your dollar bills, the pool is British Columbia... B.C. with its industries and natural resources, you, me, and everyone. The ripples are beneficial disturbances set up by your dollar... all the elements of B.C. industry responding to replace that commodity purchased by your dollar.

What is the moral of the stone in the pool? Every dollar you spend for B.C. products helps sustain B.C. labour and all its dependent sources of production and distribution. Your own prosperity is dependent on your purchasing interest in those articles manufactured for you by your fellow men and women. Every man employed earns wages, spends wages, and keeps others employed. Demand the B.C. product! It is an expression of faith in your local industries and pride in the products of your Homeland.

This advertisement is the second of a series of advertisements authorized by the B.C. Products Bureau of the Vancouver Board of Trade in the interests of Manufacturers of British Columbia.

BRITISH FILM AT WESTHOLME

Flight Commander Is Thrilling Story of Far East

While many disagree as to what makes screen entertainment, there can be no division of opinion concerning "The Flight Commander," at the Westholme tonight and tomorrow, a British film affording convincing proof that in this country there is at least one producer who can make imaginative use of aerial resources.

First of all, there is romance brought up-to-date, for we see the young hero leaving Croydon by plane for an eastern air station. Then we have three rickshacking sail-or-pals, British, French and American, whose innocent amusement in the distant village has serious consequences for the white colony and the girl in the case. Later, a fight between the colony and enraged natives, the latter's dispersal by bombs rained from a low flying plane and their final discomfiture at the hands of a detachment of blue-jackets rushed to the spot by big passenger carrying machines, makes a very modern denouement.

Add to this combination of thrills, romance and heroic adventure in picturesque surroundings, the personal appearance in the film of Sir Alan Cobham, K. B. E. (who plays the title role and who supervised the aeronautics), the compelling acting of Estelle Brody, John Stuart, Humbertson Wright and Alf Goddard, and you have a film that will bring you to your toes with excited enthusiasm.

COLLEEN MOORE TRIUMPHS IN "HAPPINESS AHEAD"

Coming to Capitol For First Time, Tonight and Saturday In Delightful Screen Roll

Far surpassing in emotional drama her previous work as a comedienne, Colleen Moore has given a performance in the stellar role of "Happiness Ahead," that unquestionably should be considered the finest of her career. Through it all the convincing work of Miss Moore dominates, whether the action be serious or comic, revealing in her breadth of dramatic ability rarely found. The story of "Happiness Ahead" centres about an unsophisticated girl from a small town, who becomes the wife of a city card-sharp. Her disillusionment, and the subsequent regeneration of her husband, provide the framework for a plot that is as unique as it is interesting. Edmund Lowe, who plays opposite Colleen Moore, is provided with an unusually strong role—and he takes full advantage of his opportunities. The players in support represent an admirable example of casting.

Jean Wilson-Browne Will Offer Exceptional Program Tonight And Saturday

The clever singing artist, Jean Wilson-Browne, whose delightful singing has been a feature at the Capitol this week, will offer a selection of songs at the Friday and Saturday shows which should meet with the happy approval of all local music lovers. These are as follows: (a) "Il Baccio," (b) "Angus MacDonald," (c) "Rose Marie."

MORMON ACTIVITIES TO BE LOOKED INTO

1929 School Board to Hold Initial Meeting Tonight; Chairman to Be Selected

The 1929 board of school trustees will hold its initial meeting tonight. The first business will be the selection of a chairman and it is expected that Trustee Thomas McMeekin will be chosen to succeed H. B. Rochester who did not seek re-election to the board this year. Estimates for the year and the teachers' salary schedule will be considered and another item of business will be the dealing with complaints that have been made by certain of the school principals in connection with attempted activities of the visiting Mormon organizers among the children. School regulations provide that there shall be no promulgation of any religious sects in the schools and it is expected that the board will confirm action that has already been taken by some of the teachers in the matter.

A Court of Revision will sit on Feb. 8, 1929, consisting of the mayor, Ald. Dibb, Orme and Brown. This was decided at the meeting of the city council last night.

BAD EYES

A RECIPE WORTH CLIPPING

You Can Make These Delicious Candies!

CHOCOLATE TRUFFLES
1/2 can Eagle Brand Condensed Milk
1/2 pound sweet chocolate
Lump of butter size of walnut
1/2 teaspoon vanilla

Melt chocolate in a double boiler. Remove from fire, add butter, then condensed milk and vanilla, stirring well. As soon as mixture begins to thicken, drop from point of spoon onto a buttered platter or baking sheet. Half nuts may be placed on these chocolate drops, or they may be rolled in chopped nut meats, chocolate "sprinkles" (chocolate shots), or grated chocolate.

—they're different, rich without cloying sweetness, deliciously smooth! Easily and quickly made with Eagle Brand Sweetened Condensed Milk, and economical, too. Write to The Borden Co. Limited, Vancouver, for free booklet containing more tested recipes, sent free on request.

For Coffee Eagle Brand replaces cream and sugar, adds body and a richer flavor!
