

# CITY COUNCIL

A request from Prince Rupert Curling Club for transfer of lease of property at Seal Cove on which is situated a building the club wishes to purchase to house a rink was referred to council meeting last night to board of works and finance committee.

A new Austin truck will be purchased by the city for the telephone department. The old truck will be traded in for \$1000, leaving a balance of some \$500 to pay. Ald. H. M. Daggett, chairman utilities committee, said it would cost some \$400 to repair the old truck.

Prince Rupert Kinsmen Club was granted permission to hold a tag day on Saturday, October 27. A similar request by the Gyro Club for either October 29 or 27 as tag day was refused on the grounds there should be two weeks between tag days. If applied for, Gyros would be granted November 10 for their Apple Day.

A letter of thanks was received from Capt. W. C. Poulton, on behalf of the Salvation Army for a \$200 donation by the city.

Ald. George Casey pressed for "unrelenting pressure" on Provincial and Federal housing authorities for action on the rental housing project. Mayor H. F. Glassey and Ald. George Hills, now attending the Union of B.C. Municipalities convention at Harrison Hot Springs will be wired to have them contact housing representatives while in Vancouver.

A no-parking zone was approved for the drive-in on McBride Street fronting property of Ideal Cleaners and Laundry, effective between 8 a.m. and 6 p.m., Monday to Saturday inclusive.

A school zone was approved for Immanuel Street, from Sixth to Seventh Avenues and on Eighth Avenue fronting the Seal Cove school.

"Stop" signs will be installed at junction of Eighth Avenue and Conrad Street, and on Eighth Avenue and Claude Street.

Salary of the city clerk was raised \$25 a month.

A sum of \$300 was allocated to costs in preparing the city's brief opposing rate increases by Northern B.C. Power Co. Ltd.

Owners of properties will be notified at time of mailing assessment notices that water arrears will be charged to the property at end of each year.

Final payment of \$21,922.20 to Wood & McClay Ltd. for road construction in Rushbrook Heights area was approved.

As soon as Canadian Pacific Air Lines and Queen Charlotte Air Line agree to assume their share of the cost, city will repair the Seal Cove bridge.

## PTA Gets Its Knuckles Rapped

Sharp exception was taken by Trustee A. B. Brown at last night's meeting of the school board to a letter which had been written by F. L. Derry, secretary of Conrad Street School Parent-Teacher Association, to the city telephone superintendent, Eric James, "demanding" that a telephone be installed in Seal Cove school.

The Parent-Teacher Association had sent the letter to Mr. James after the phone had not been installed following the original request. Such a phone, it was felt, was an urgent need. A good way not to get things done, suggested Mr. Brown, was to start "demanding." In any case, he felt that the PTA had gone out of order in interfering with school board affairs by writing such a letter.

## New Apartment Is Now Opening

A portion of the new apartment building—the reconstruction of U.S. Army administration building—is expected to be opened by this month-end, it was learned today. In fact, the first tenant, Fred Adams, is moving in this week.

Accordingly, the teachers' committee is asked to meet the board committee on Thursday.

## Thanksgiving At Cathedral

Happy Family Gathering Marks Annual Event of St. Andrew's Parish

Parishioners of St. Andrew's and their friends—200 or so in number—gathered Monday night in the social hall of the Cathedral for their traditional annual Thanksgiving dinner. It was the usual happy big family gathering. Elderly pioneers, here since Prince Rupert's beginnings, mingled with babes in arms and there were many new faces to be seen among the regulars.

Seasonably adorned, long tables filled the commodious hall and soon were thronged with friendly folk imbued with the spirit of the Thanksgiving occasion. The Grace, with responsive singing, was offered by Canon Basil S. Prockter and then full justice was done to a bounteous spread of good things to eat—cold turkey, steaming vegetables, rice, ice cream and all the trimmings.

F. E. Anfield, church warden, was in fine fettle for the duties of master of ceremonies and kept things moving in typical breezy manner as an acceptable program was presented including the following numbers:

Piano solo — "Cradle Song," Nita Weise.  
Irish jig—Sharon Skinner.  
Vocal solos — "Ragged Vagabond" and "Shortnin' Bread," Keith DeWitt.  
Humorous recitations—"Jonah and the Grampus" and "Three Ha'pence a Foot," W.D. Griffiths.  
Piano solos—"Prelude" (Whimster) and "Arabesque" (DeBucy), Robert Chidwick.

Benediction by Bishop James E. Gibson and the singing of the Doxology and the National Anthem brought proceedings to a close on a fitting note.

General conveners for the dinner were Mrs. E. J. Lindseth, Mrs. F. E. Anfield and Mrs. A. L. Holby (decorations), assisted by Mrs. L. A. N. Potterton, Mrs. A. E. Martin, Mrs. W. E. Simmons and Mrs. Basil S. Prockter. Servers were Mrs. W. C. R. Jones, Mrs. W. Kougham, Mrs. D. McNab, Mrs. Richard Farmer, Mrs. F. Mark, Mrs. B. J. Bacon, Mrs. E. Mortimer, Mrs. T. B. Black, Mrs. W. J. Scott, Miss M. Martin and Miss Rosaline Thain.  
C. J. Dawes and W. E. Simmons presided at the door.

# Boxing to Be Probed

NEW YORK ©—A countryside investigation of professional box-ing in the United States began this week before a federal grand jury.

The jury, gathered together at the direction of the United States Attorney-General, Howard McGrath, will seek to deter-mine whether anti-trust laws have been violated and to in-quire into possible monopolistic holds on boxing champions.

Although no specific organiza-tions were mentioned, the jury is expected to dig into activities of the sprawling International Boxing Club which promotes boxing in arenas in New York, Chicago, Detroit and St. Louis.

The International Boxing Com-mission has better than a million dollar contract for network tele-casts and broadcasts of boxing bouts Wednesday and Friday nights.

# Courses in First Aid Resuming Couple Wed

A new course in first aid will get under way at the city fire hall when St. John Ambulance Association President R. E. Eyoifson begins instruction Friday night.

The course, designed to gradu-ate students in industrial first aid certificate C, is based on the fortieth edition of the St. John Ambulance Association first aid text book.

Secretary J. C. Ewart said to-day that some 12 industrial first aid certificate holders are oper-ating in this district but that, with increased industry in the area, more "first-aiders" would be required.

Quite often the local St. John Ambulance Association branch has been called upon to supply demand for men with industrial first aid tickets, he said, and such a demand would "no doubt be growing."

Matron of honor was Mrs. John Morrison. Bridesmaids were Fauline White, Bernice Alexcee, Rose Alexcee, Verna Alexcee, Annie Johnson, Mary Green and Dorothy Faithful. Flower girls were Helen Hagen and Brenda Johnson.

Best man was Frank Alexcee, aided by his brother Leonard. Ushers were Wayne Ryan, Allen Brooks, Charles Henry, Henry Wesley, Douglas Wells, Philip Alexcee and Chester Price.

Reception was held at the Civic Centre. The bride's mother wore a grey suit and hat with a red rose corsage.

Following their wedding trip to Terrace, the couple will re-side at Port Simpson.

Receipt of an appeal from the Canadian Chamber of Commerce for co-operation in publicizing the relief campaign being carried on, on behalf of those who suffered great hardships as a result of the hurricane in Jamaica, was announced today by J. C. Gilker, President of Prince Rupert Chamber of Commerce.

# Appeals for Jamaica Fund

The Chamber's letter, it was pointed out, explained that a National Canadian committee has been formed to collect contributions to the Governor of Jamaica's Hurricane Relief fund.

Headed in Montreal by James Muir, President of the Royal Bank of Canada, other commit-tees have been organized in Toronto, Vancouver and Halifax.

Purpose of the fund is to secure financial aid to meet Jamaica's immediate needs for food and rehabilitation. Financial contribu-tions to this fund will be ac-cepted by any branch of the chartered banks.

"The appeal from the Cana-dian Chamber," said Mr. Gilker, of the Prince Rupert Chamber of Commerce, "reports that relatives and friends of many Cana-dians have been touched by the Jamaican disaster, and also that an opportunity is afforded to lend a hand to a sister organization—the Chamber of Commerce and Merchants' Exchange of Jamaica.

"I feel sure this appeal will stir the sympathetic interest and urge to help of local citizens," added Mr. Gilker.
