People Flock to Aid of the Government in Big Strike

No Extension to Other Industries as yet, but Possibility that Transport Workers may Join to Protect Trades Union Principles; No Resumption of Negotiations.

(Special to The News via G. T. P. Telegrams.)
London, October 1.—The response to the appeal of the Imperial Government for volunteers continues astonishingly great. Members of the Cavalry Club, Royal Air Force Club, colonels, majors, barristers, accountants, electrical, mechanical and civil engineers are among the volunteers at the underground power houses and for traffic duties at the stations, working lifts and every branch of the railway work.

The fourth day of the strike closed yesterday with the position unchanged. Neither side made any approach toward the resumption of negotiations, both showing a determination not to yield.

So far there has been no extension of the strike to other industries, but James H. Thomas, secretary of the union, has announced the readiness of his organization to accept help from other trades unions and a manifesto was issued from the Transport Federation last night which foreshadows a probable decision to call a strike tomorrow, on the ground that the Government action is an attack on the principles of trades unionism, which is imperative the workers should protect.

An emissary of labor announces that civilians who are not strikers and not members of unions supporting the strike will be paid unemployment allowances.

Glasgow, October 1.—Robert Smillie, leader of the British miners, predicted today that within a week fifty per cent of the annual workers of the country would be idle.

London, October 1.—(Noon). Delegates of the Transport Federation are assembled to decide whether 325,000 workers they represent shall walk out in sympathy with the railroad men.

OVER \$21,000 FROM TAX SALE

Two Lots Bought in During the Day—Good Margin in Most Cases.

The city tax sale which was completed at 6 o'clock last evening realized a total of \$21,541.29. This total 54.69 per cent, or \$11,781, was surplus over the total amount of delinquent taxes. This amount is held in trust by the city pending claim by purchasers or delinquent taxpayers redeeming their property.

The high price for the afternoon was paid for a lot in Section on Sixth Ave., East, by T. A. B., the price being \$440. There were three other lots sold in Section 6, realizing \$140, \$300 and \$162.

In Section 5 eight lots were sold, the prices ranging from \$50 to \$400. The prices obtained in Section 5 were considered very satisfactory. They ran from \$20 to \$300. However, the figures in Section 8 were not so good, the highest price paid being \$130.

On the whole the prices were very gratifying and show that property is still at a premium and buyers are willing to give good bids for property which they desire. Another feature of the sale which the officials remarked upon was the splendid margin of over 50 per cent between the actual taxes against properties and the auction price of the sale. The two lots which were bought in by the city in the morning were the only ones in the entire sale which went that way. The tax sale is an annual event, the set date for it being September 30.

Ottawa, Oct. 1.—It is understood that representations made by H. H. Stevens of Vancouver on behalf of certain British Columbia interests, to the effect that regulations governing reports and clearances of coastwise vessels should be so amended as to provide for the acceptance of a semi-annual permit is not likely to be accepted.

LITTLE CHANGE IN BIG STRIKE STEEL WORKERS

(Special by G. T. P. Telegrams.)
New York, October 1.—Both sides in the strike of steel workers, now in the ninth day, are awaiting developments at the industrial conference which will open at Washington next Monday. There seems little chance of a break either way until then. Throughout the affected territory little material change took place yesterday. The strike leaders and representatives of the companies continued to give out conflicting statements.

At the national headquarters of the strikers it is said that 375,000 men are out, an increase of 33,000 over the other number reported out by steel workers last week.

PRIVATE LABOR BUREAUS EVIL

(Special via G. T. P. Telegrams.)
Ottawa, Sept. 30.—Retraining and employment of former members of the Canadian forces were problems before the special committee on soldiers civil re-establishment. Private employment bureaus and other organizations which divert a certain amount of labor from existing government bureaus make conditions much harder to handle. B. M. Stewart of the employment branch of the Federal Department of Labor, stated.

INDIAN BOY GOES TO INDUSTRIAL SCHOOL

Allowed Out on Suspended Sentence by Judge Young; Enuoy! Pleads Guilty.

J. Enuoyi, the Japanese accused of theft at the Muchida Rooms, appeared before Judge Young this morning. He was represented in the court by L. W. Patmore and pleaded guilty. His case was adjourned till tomorrow.

The Port Simpson Indian boy, Peter Wells, accused of house-breaking, who pleaded guilty of the charge, was let go on suspended sentence. On account of his tender years, being little over twelve years old, Judge Young did not wish to give him a jail sentence but handed him over to Indian Agent Perry to place in the Coqualitza Industrial School at Sardis if arrangements can be made to that end.

CINCINNATI TAKES FIRST BALL GAME

Wins From Chicago White Sox By Score of 9 to 1.

Cincinnati, Oct. 1.—Cincinnati won the first of the big league series today at Cincinnati by a score of 9 to 1. Chicago blew up in the fourth innings, letting in five runs. Reuther did some heavy hitting.

Ticket scalpers registered a new one when the box and grandstand seats were auctioned off and bidding was brisk. No attempt was made by the authorities to prevent the auction sales and seats were bid up to twice the price charged by the clubs. Every seat in Redland Field was sold before last night and the attendance of 30,000 which this morning seemed assured compared favorably with 19,000 last year.

The lineup as arranged this morning was: Chicago—J. Collins, r.f.; Weaver, 3rd; Eddie Collins, 2nd; Jackson, l.f.; Felsch, 1st; Risburg, s.s.; Cicotte, p.; Schalk, catcher.

Cincinnati: Rath, 2nd; Davis, 1st; Groh, 3rd; Rousch, c. f.; Duncan, l.f.; Mohr, s.s.; Tale, r.f.; Wingo, c.; Reuther, p.

At daybreak anxious eyes were turned weatherward and saw high clouds which appeared to hold a fifty-fifty possibility of rain. Cincinnati's forecaster, however, became immediately popular by issuing a bulletin declaring the danger of rain slight.

The rival pitchers this morning seemed to be a settled thing as Moran announced that Walter Reuther, the young southpaw, would start the series for the Reds.

Cal McVey and George Wright, the only surviving members of the famous Cincinnati Redlegs of 1869, that won Cincinnati's last pennant showed themselves about the baseball haunts today and occupied places of honor on the field this afternoon.

Liberal Unionists Continue Support of the Government

They Express hope that Progressive Platform will be Adopted; Sir Robert Borden Improves and may Attend General Caucus of Party Tomorrow.

(Special to The News via G. T. P. Telegrams.)
Ottawa, October 1.—Beyond the statement that the Liberal Unionists decided to continue allegiance to the Government and have expressed the hope that a progressive platform will be adopted which will keep the various elements together, little news has emanated from the caucus of the 44 Liberal Unionists which took place yesterday.

It is rumored that the Conservative Unionists would also hold a separate caucus, but that is not considered likely. Sir Robert Borden has taken a turn for the better and if his condition improves sufficiently it is proposed to have a general caucus on Thursday. Conservative Unionists declare they are satisfied to wait for that and express the view themselves that these are the views of all elements of the Government.

Labor is represented on the Dominion Board of Commerce. It is officially announced that James Murdock of Toronto has been appointed a member of the Board to take the place temporarily filled by F. A. Ackland, Deputy Minister of Labor.

SONS OF ENGLAND WIN LEAGUE GAME

Score of Three to One Against G. T. P. at Athletic Grounds Last Night.

The league football game last night between the Sons of England and the G. T. P. resulted in a 3-1 victory for the former team. Both teams were short of the full complement of players, playing one man short. However, it was a fast and interesting game.

In the first half the Sons scored through D. Robinson and Percy Tinker, during a temporary slacking off of the defence. In the second half Kilgour scored for the railwaymen and D. Robinson added one more tally for the Sons. The G. T. P. kept up a strong attack but a little more shooting at goal might have had good results.

For the winners D. Robinson, Tinker and Davies probably played the best game, the latter putting in some rattling good centers. For the G. T. P. Albert Craggs played a good game at half, Smith and Kilgour worked hard forward and Johnnie Currie effectively at back. Waldorf was in good form at goal and could not have saved the goals registered against his side. Geo. Russell officiated as referee.

DIRECTORS CHOSEN FOR NEXT FAIR

Annual Meeting of Association Held Last Night in the Council Chamber.

PRESIDENT PERRY REVIEWS THE WORK

A board of directors composed almost wholly of business men was chosen last night by the Northern B. C. Agricultural and Industrial Association at the adjourned annual meeting held in the council chamber at the city hall. The reports of the officers were received and adopted and the directors were thanked for the work they had done during the year. The finances were reported in a healthy condition and there was every indication that good work had been done.

President Perry gave an outline of the work. He told of starting the year with something over \$1,600 to the good and with this they had improved the building in many ways. They also thanked the city for its co-operation in improving the roadway to the building. He recommended that another year they provide substantial booths outside. This year the gale blew the flimsy booths down and those who had purchased concessions had to go inside the building.

Suggestions.
 Two things were lacking. One was the sending of one or more directors to the outside points to interest people in sending exhibits and thus getting in closer touch with the outside points; the other was the absence of any substantial outside attraction such as an aeroplane. The band contest, however, had been a success, as all enjoyed the music.

The president spoke of the value of the policy of granting free space to exhibitors of industrial displays. He mentioned particularly the exhibit of the Free Miners League and the decorations which were in charge of Alderman Barrie.

Mr. Perry said he was opposed to having a baby show another year, but favored rather a better baby contest in which marks for efficiency would be given by trained judges.

The housing of the Indians and the methods used by certain rooming houses came in for criticism.

Vote of Thanks.
 In moving a hearty vote of thanks to the directors for their work during the year, George Munro said that the merchants could not attend meetings on Saturday night. He with others had come to the hall on Friday with the purpose of attending a meeting which was supposed to have been held, but which no one attended. He also spoke of the desirability of bringing off the children's sports. Many of them, he knew, had worked very hard, harder than directors ought to work. Perhaps if they had the exhibition a little earlier they might escape the gales which usually came about that time.

George Frizzell said he had spoken to the cannerymen about

Ripe Strawberries Are Good for Thee

Physicians know about us and how to keep us well.

DOMINION CANNERS, LIMITED

a change of date and they were strongly opposed to an earlier date. In fact they refused to pay the Indians any earlier.

Secretary Hunter reported that roughly about \$600 would be on hand after all the bills were paid.

Directors.

The following directors were elected for the coming year, taking office when the others resign at the end of November: D. Mel, Hunter, Ben Self, George Kerr, George Tite, H. S. Wallace, Martin O'Reilly, George Munro, E. R. Tabrum, A. Guttstein. Two directors will be appointed later from the City Council.
