Giving of Fisheries Portfolio to Prince Edward Island Rumored In Connection With Cabinet Changes

OTTAWA, June 3:—The present week will be a busy one for cabinet ministers who will be clearing their desks before they plunge into the general election campaign. If Prof. Cyrus McMillan of McGill University were chosen he would run for one of the Island constituencies. It is said, taking the place of a sitting member who would be elevated to the Senate. ROUGHAGE IS ESSENTIAL IN REDUCING DIETS

Kellogg's ALL-BRAN Is Ideal Roughage

If you are following a reducing diet, it is doubly important that you take a regular amount of roughage into the system daily. Most reducing diets do not contain a sufficient amount of roughage. The result is constipation—chief of both health and beauty.

Kellogg's ALL-BRAN is recommended by many doctors and dietitians because it contains the bulk necessary to insure proper elimination. Also, because it contains the iron needed to help prevent anemia—another danger in reducing diets. ALL-BRAN is not fattening. Its bulk sweeps the system clean of poisonous wastes—helping to promote glorious health and beauty.

A popular way to eat Kellogg's ALL-BRAN is soaked in fruit juice. Try it! It is delicious with milk or cream. Sprinkle it over cereals, salads and soups. It adds flavor to cooked foods and is equally effective. Your grocer has Kellogg's ALL-BRAN. It is served in restaurants, hotels and dining-cars. Made by Kellogg in London, Ontario.

The Daily News' Political Contest is to be a unique event in which winning side gets \$300 worth of Free Advertising for its own political party

REASON FOR CAMPAIGN

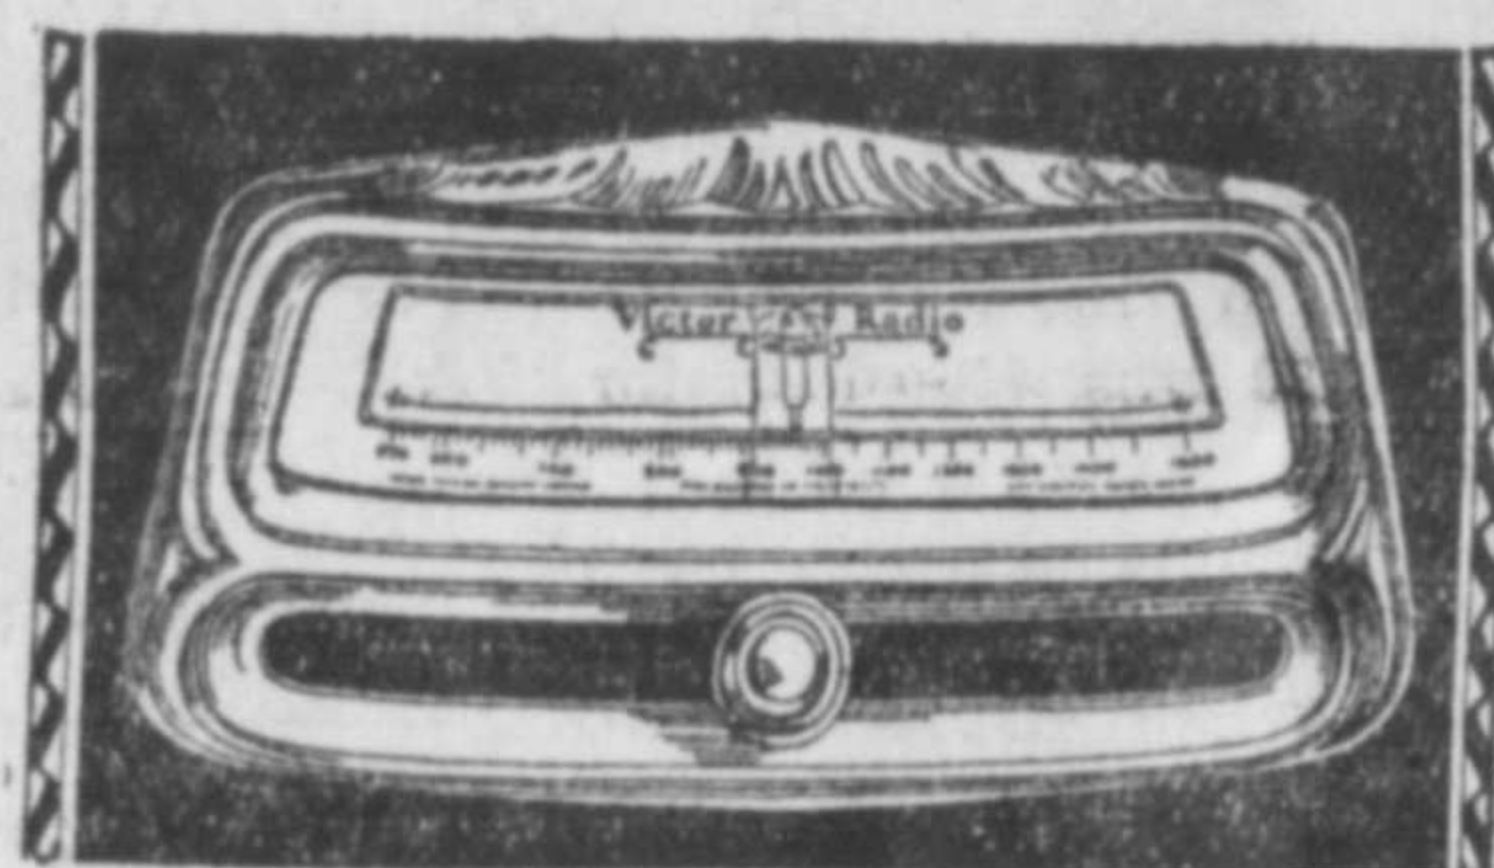

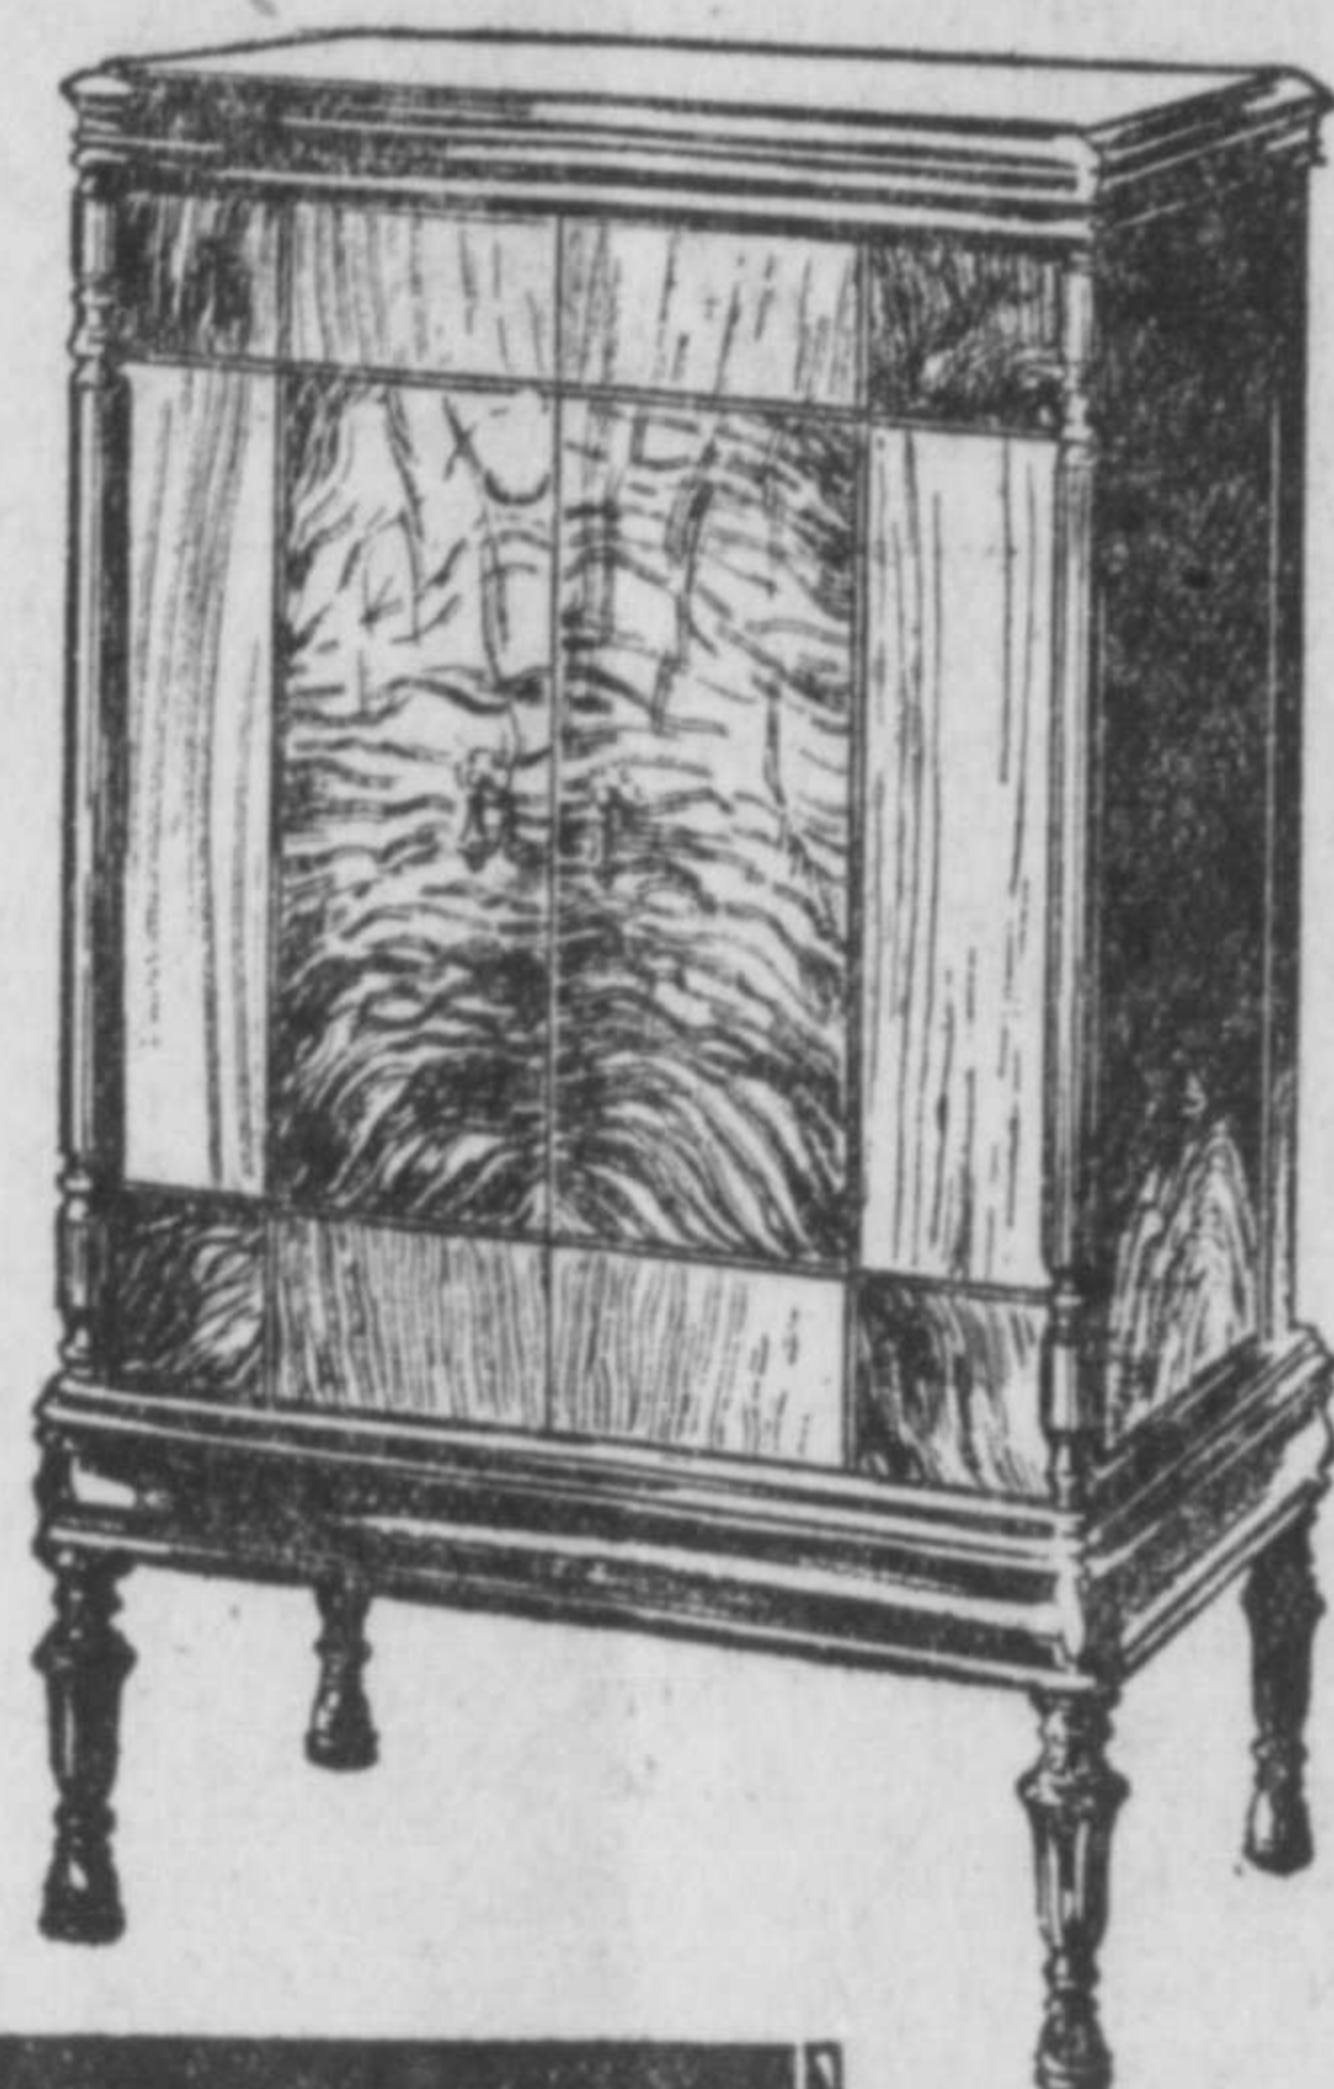

The prime reason for putting on this election campaign and giving away the valuable prizes to candidates and other valuable presents is because the Daily News management wishes to increase the number of paid up subscribers to the paper. Just now the daily press run averages a little over 2,200 each day and the net paid circulation remains well over three times as many as any competitor. An effort will be made to raise this to four times.

GOLD WATCH PRESENTED

In addition to the Grand Prizes given away free to candidates in the Daily News Election Campaign, there will be another present of a 17 jewel, 14 carat solid gold watch purchased from R. W. Cameron, given to some person who takes a subscription during the contest, the person to receive this subscription being designated by the Contest Judges after the counting of the votes and on a plan under which every person who subscribes may have an opportunity to participate. This Political Contest is being conducted by the Daily News management and is under the sole control of Miss Graham of the Daily News permanent staff who will guarantee its fairness and whose records will be open to inspection.

BOOTH WON IN SOCCER

Defeated Borden Street School Two to Nil in Junior League

The Junior League football game between Borden and Booth Schools on Saturday last was a hard fought game with Booth running out winners by two clear goals.

Playing up-hill in the first half, the exchanges were in Booth's favor. Crompt scored the only goal with a fine shot after a good run. Walters hit the bar from a free kick and Wardroper tested Erickson. Hardy made a fine run but shot past and Morgan and Wilson also had tries.

Booth pressed most of the second half but weak shooting was responsible for lack of goals. Cross finally added a second when close in. Christison struck the bar and Walters made a couple of clever runs but was unable to score.

Borden: Erickson; Allstone, Fisher; Morgan, Hardy, Dungate; Williscroft, Wilson, Fong, Campbell, Welle.

Booth: Suehiro; T. Nakamoto, Gomez; Holstein, Walters, Davies; Wardroper, Hill, Cross, Christison, Crompt.

Booth was the superior team all through though Borden contested every minute of the game. Erickson kept a nice goal. Fisher and Allstone were a good pair of backs. Hardy played his usual strong game but he does not play his position. Dungate was fair and Morgan showed good football but hung on to the ball too much. Of the forwards Campbell, Welle and Wilson were best but there was little combination.

Suehiro was not severely tested. Gomez and Nakamoto defended strongly. Walters was always of great value in attack and defence. Davies improves every game and Holstein played good football. Crompt and Christison were the better wing. Wardroper was good at outside right but generally the shooting of the team was very weak.

Referee was J. Campbell; linesmen, V. Miller and W. O'Neill. Borden and High meet in the next fixture on Wednesday evening.

ELKS' DAY PROGRAM

Entertainment of Children Being Featured at Annual Event This Afternoon

Unless weather became too unfavorable, the annual Flag Day and May Queen crowning proceedings of the Elks' Lodge were to start this afternoon with a parade of school children, led by the Boys' Band, from Second Avenue in front of the Westholme Theatre to Acropolis Hill grounds. Immediately on arrival at the grounds, the raising and saluting of the flag ceremony was scheduled with addresses suitable to the occasion by Mayor C. H. Orme and Lieut. Col. S. P. McMordie D.S.O. Following that was to be the Maypole Dance and the crowning by the mayor of Miss Shirley McEwen, attended by her maids of honor, Miss Annie McLeod and Miss Ceredwyn Morgan, as Queen of the May. Then, after distribution of ice cream and sweets to the children, there is to be a program of children's sports.

If weather should be unfavorable, the Maypole Dance and the crowning of the May Queen will take place in the Exhibition Hall instead of on the grounds and the program of races will be abandoned. A dance tonight in the Elks Home will bring the day's proceedings to a close.

George Mitchell is general chairman for the Flag Day with other members of the general committee, Bert Morgan, Dr. J. R. Gosse, Stan Moran, H. R. Love, C. P. Balagno, James Farquhar, H. F. Fraser and W. D. Vance.

MATRICES BANQUET

Sixty Students and Guests in Attendance at Affair Last Night

The matriculation classes of the King Edward High School held a graduation banquet and dance in the Commodore Cafe last evening. Nearly 60 students and guests were present, including Mrs. Spencer, the chairman of the school board, the teachers of the high school staff, the members of the matriculation classes at the high school, and ex-high school students.

Following the banquet, Mrs. Spencer, in speaking, congratulated the students on their effort in putting on a graduating function for the classes finishing school. The idea commended itself to her as being worthy of continuance in future years. Mrs. Spencer praised the classes for their hard work through the year and added a wish that success might attend their efforts.

The principal, Mr. Hartness, reviewed in passing, the events of the school year now coming to a close. He wondered just what had been the reaction of the pupils on entering school last September to find so many revolutionary changes. He spoke of the success of the Christmas dance and of the sports in the school. He praised the students for their fine spirit and whole-hearted co-operation, and reminded them of the unfailing generosity and willingness to help on all occasions displayed by the staff.

Though most of the students present were leaving school, Mr. Hartness said they must not think they had finished with work. They were but starting out on a new venture in life. Till now their course had been laid out. From now, more and more, life would depend on their own unaided efforts. Each must decide on an objective in life.

Only by setting a goal and working towards it over a period of years with real ambition could they hope to attain even a passing measure of success. Mr. Hartness spoke on the value of their matric work in opening up the way to University and the professions, to stenography, to nursing, and to teaching. He laid stress on the cultural value of the course, on the experience it gave, and the increased ability to grasp and understand the problems that would meet later in life. Closing he hoped they would never know what it meant to tackle a job when all interest had gone and the work had become a mere chore. He unstintingly praised the students for their fine class spirit and the way they had worked together throughout the year.

Student Speakers—Irene Mitchell, the president of the Girls' Club, reviewed their work. The Girls' Club, with a wide-awake executive, and under the guidance of Mrs. St. Clair Johnston, the girls' adviser, had been active during the year. They had prepared Christmas hampers, had organized and held badminton tournaments, looked after refreshments at school functions, held meetings during the year, and had finished with a balance in the bank to pass on to their successors.

Robert Irvine, president of the Students' Council, made the valedictory speech. He felt the joy of graduating was tinged with sorrow at leaving the old school. Work had been the purpose of their going to school, but there had been many opportunities for relaxation in sports, concerts, oratorical contests, and social activities. Perhaps they would remember these later and wish themselves back in school. Irvine spoke of the high place the school had held in sports, of the good work of the intermediate basketball team, of the junior football team which holds the Rochester Shield and of the badminton. The pupils entering into these activities would never forget the part they played. He reviewed the activities of past years causing considerable amusement among the students as he reminded them of the good times they had enjoyed. In closing he referred again to the oratorical contest held in Vancouver, and hoped there might be opportunity to revive interest in debating in the school.

Before and after the speech, a lively program of community singing was conducted by Mr. Plommer. Following the banquet a dance was held till midnight. The music was supplied by the High School Orchestra who with their inspiring music insured that the evening should be one thoroughly enjoyed by both teachers, pupils and guests.

For "EXAM" Time Dad Offers Him One for Passing

"Look here, Bill, if you'll pitch in and pass your exams, I'll get you a C.C.M. Bicycle. How does that strike you?" "Dad, I'd do almost anything for a C.C.M. You just watch me." "And, dad, a C.C.M. won't cost you as much this year either. I saw in the paper that C.C.M. bicycle prices were the lowest in thirty years." "Well, that's certainly good news, son. Most everything else I know of costs a lot more than thirty years ago. Is the C.C.M. quality as good?" "I asked the bicycle dealer about that, dad. He said C.C.M.'s were, if anything, better than ever. Anyway, they've got the same six big C.C.M. features." "What do you mean, six features?" "Gee, dad, don't you know anything about bikes?" "First, there is the C.C.M. 20-year Nickel Plating.

"Second, the C.C.M. Triplex Crank Hanger that makes for easy riding." "Third, the C.C.M. Improved Hercules Coaster Brake that makes it so safe." "Fourth, the three Coats of C.C.M. Enamel baked on over a Coat of Rust-Proof." "Fifth, the Gibson Pedals, (on most models)." "Sixth, the Dunlop Tires." "Why, Bill, you must have been hanging around that bicycle store lately, to pick up all that information. I did not know you were so keen about a bicycle." "I'm so crazy to own one, dad, that I'll study my head off to win a C.C.M. (Why not offer your boy a C.C.M. for passing?)" Prices are the lowest in thirty years.
