GYRO CLUB BACKS Y.M.C.A. WITH LARGE CASH DONATION

New Gymnasium Fund Off to Good Start With Large Contributions

Gyro Club Gives \$1,000 and Mayor Same Amount and \$4,000 More to Be Raised By Service Club

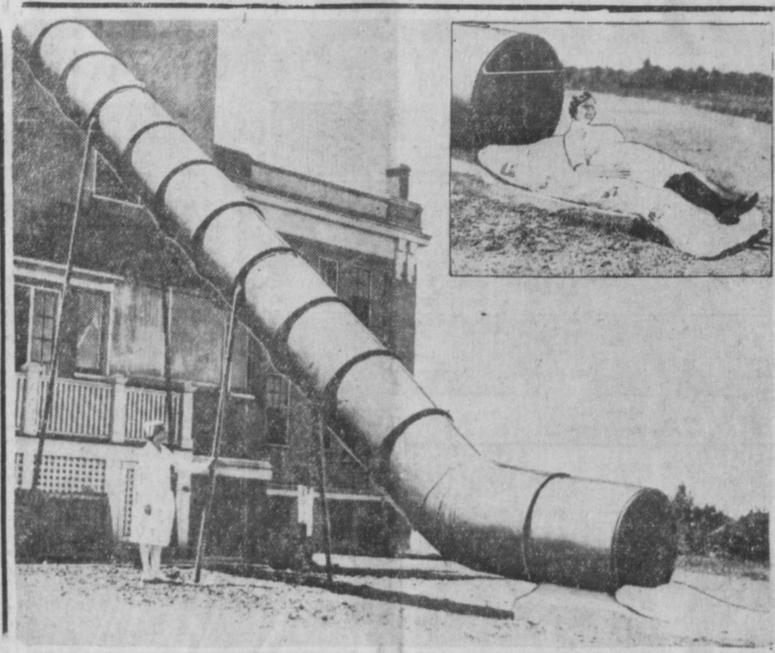

The Y. M. C. A. Gymnasium and Swimming Tank fund got a fine send-off today at the regular monthly meeting of the Gyro Club, when, following the report of W. H. Tobey on the organization meeting held last week in the City Hall, the Gyro Club voted the sum of \$1,000. This sum is available now, having been held in trust in view of the probability that the citizens of Prince Rupert would get behind the project of the gymnasium.

As a further evidence of their genuine support in the movement the Gyro Club set an objective for themselves of \$5,000 in two years. This will mean \$4,000 in addition to the \$1,000 voted today.

Mr. Tobey also made the announcement on behalf of Mayor Orme, who is out of the city, that Mr. Orme would make a donation of \$1,000 to the fund.

C. A. Kirkendall was in the chair for the Gyro meeting today and the special feature was an interesting address by Howard Frizzell on his travels through the United States.

Shooting the Chutes in Safety Escapes

Shooting the chutes to safety is latest in fire escapes and is seen here at Marlboro Hospital, Boston, Mass., to bring patients from up er wards.

The Finest Attractions Ever Secured For The Prince Rupert Fair

Board Reviews Number of Events That Have Been Secured In Addition to Regular Exhibition

At the meeting of the exhibition board last night, President Sherman presiding, the opinion was expressed that the fair attractions this year were the best that had ever been secured and that undoubtedly there would be a very large attendance from outside points.

The high light of the annual event will be the visit of the Vancouver V. A. C. Baseball team, the league leaders from Vancouver who will play a series of three games against the local boys. It will for the first time give the Prince Rupert 1930 team an opportunity to show their mettle.

The Greenville Native Concert Band, looked upon as the outstanding musical organization of Northern British Columbia, will be on hand during the whole time of the fair and will play both outside and indoors and on the streets. With them will be a music prodigy that will prove a great surprise. It is a lad of 14 who sings bass, has a fine powerful voice and is an excellent soloist.

The local boys' band will also play on various occasions.

The advent of a native challenger for the football cup from Kitwanooc gives promise of some excellent football games. There will be other native sports and games that will be an attraction to many visitors.

Inside attractions have been mentioned before. There are three of the best vaudeville acts the fair could procure one of which, an exhibition of clever trained dogs, will be outstanding in its appeal to the young people especially. Juggling and acrobatic feats, wire walking and many other clever stunts will entertain the crowds that will be present.

Then the Canadian United Shows will have their merry-go-round, sideshows, boxers and wrestlers, a wild jungle girl and all sorts of other attractions.

The whole event will close with a grand ball on the last night.

The attractions mentioned are all in addition to the regular exhibition of flowers, fruit, farm produce, and Miss E. A. Mercer, Booth Mepoultry, and the usual art, women's work, and school exhibit and other features, outstanding this year being the offer of large prizes for floral displays.

Masson Heap Ruins Today As Result of Fire

MASSON, Que., Aug. 14.—Close to 600 persons were rendered homeless and nearly 50 houses were destroyed in a fire that swept this little town, 21 miles from Ottawa on Wednesday.

An area of over a quarter mile today is only a heap of smouldering embers. The blaze originated in an apartment over Hector Larosa's store and was caused presumably by an overheated stove. The property loss is estimated at \$200,000. One woman died from heart failure in the excitement.

NOT BUYING FROM STATES

WASHINGTON, Aug. 14.—Exports to Canada from United States during the month of June were about \$20,000,000 less than for the same period last year. The imports were \$8,000,000 less.

INTELLIGENCE TESTS

Requests were received by the school board last night from D. H. Hartness, of the High School, Miss S. A. Mills, Borden Street School, and Miss E. A. Mercer, Booth Memorial School for the purchase of intelligence tests for their respective schools. The secretary was instructed to obtain the necessary tests as requested by the principals.

CUSTOMS OFFICER SUSPICIOUS

Carton of Cigarettes Picked Up From Careless Traveller

Members of the Canadian Customs have their powers of observation highly developed as a traveller from Alaska discovered yesterday. He was disembarking here and his baggage was being inspected. He opened his suitcase and assisted the local representative of the Customs Department to look through its contents. The inspection finished he remained on his knees for a moment to fasten the lock and ere he straightened up the customs officer noted that his coat stuck out behind in a rather suspicious way.

It might be a revolver; it might be nothing of importance, but the officer questioned the traveller who produced a carton of cigarettes, possibly two hundred "smokes." "Why didn't you leave them in your suitcase?" "Oh, I don't know. I guess I forgot about them." "All right. Come to me in the office and you can have them. There is a duty of \$4.50 on these." But the cigarettes are still in the office. Perhaps he has forgotten about them again.

Dropped Bombs On Coal Mine

MURPHYSBORO, Ill., Aug. 14.—Paul Montgomery, 26, confessed that he was the aviator who early on Monday dropped bombs on a coal mine at Providence, Ky., Sheriff William Flanagan said.

HUGE STOCK OF WHEAT IN CANADA AT END OF JULY

OTTAWA, Aug. 14.—The stock of wheat remaining in Canada July 31 was 711,692,519 bushels, according to a report given out by the Bureau of Statistics.

HEAR WATER POWER PLANS

Application of Northern B. C. Power Co. at Meziadin Lake May Be Opposed

VICTORIA, Aug. 14.—The Provincial Water Board will hear the application of the Northern British Columbia Power Company for power rights on Meziadin River, a tributary of the Naas River, on August 22. The project will supply power to Stewart and the tributary mines.

It is believed objections will be filed by the fishing interests on the ground that the waters affected are important spawning grounds of the salmon.

FINED FOR NUDE BATH

Local Men Punished For Misbehavior at Shawatlans Lake

T. Savosm appeared in the Provincial Police Court yesterday before Stipendiary Magistrate McLeod charged with an indecent act recently at Shawatlans Lake.

It appears that he proceeded to have a swim in a nude state in the presence of a picnic party and on being remonstrated with, used bad language.

He was fined \$25 and costs or in default two months. He paid the fine.

His two companions were each fined \$5 for swearing, etc.

Biggest Salmon Pack In Five Years By 924,860 Cases

VANCOUVER, Aug. 14.—British Columbia's salmon pack to date from all districts amounts to 924,860 cases greater than for the corresponding period in any of the past five years.

On a second charge of intoxication J. Espelan was fined \$50 in the local police court this morning.

Feverish Efforts Being Made to Rescue 46 Men Who Are Trapped In Coal Mine at Princeton, B.C.

PRINCETON, B.C., Aug. 14.—Two miners are known to be dead, one has been brought out alive and 46 are still entombed as the result of an explosion last evening in Blakeburn Mine, belonging to the Coalmont Collieries, near here.

The known dead are Clifford Smith, 40, main hoistman, and John Cole, 19, hoistman. The man rescued was John Parchello. Rescue squads have been working feverishly since the explosion, which occurred at 7 o'clock last night, digging through the cave-in, in the main shaft, somewhere beyond which are the trapped men. The two dead were found on the edge of the cave-in.

Until the diggers get through the cave-in it is impossible to say where the trapped men are. The greater danger is believed to be from asphyxiation. If they are comparatively near the blockade there may be enough air to sustain them. If, however, they are caught in one of the laterals, possibly thousands of feet further down, the danger would be grave.

The rescuers know little more of the situation today than they did last night. Doctors are on the scene ready to treat men if they are rescued alive.

Good Progress On Highway and The New Bridge

W. K. Gwyer, district engineer, who returned from a trip through the northern points of the district made an inspection trip on the work on the new road from Prince Rupert to Terrace yesterday.

Mr. Gwyer states that the work has progressed in an extremely satisfactory manner both the progress on the bridge and on the road beyond being ahead of what had been anticipated as likely to have been done at this time.

Canadian freight cars are twice the size of those in Great Britain.

Will Contest Kootenay East Against Stevens

CRANBROOK, B.C., Aug. 14.—William Robson, who was dismissed from the Provincial Labor Bureau on Monday, announced on Wednesday that he would oppose Hon. H. H. Stevens in the forthcoming by-election as an Independent Labor candidate.

The Weather

Port Simpson—Clear, calm, 58.
Haysport—Clear, calm, 62.
Terrace—Clear, calm, 54.
Rosswood—Clear, calm, 56.
Aiyansh—Clear, calm, 60.

Captain Hawks Breaks Record Across States

Bettors Lindbergh From California By Nearly Two Hours

CURTIS FIELD, N.Y., Aug. 14.—Captain Frank Hawks, who took off from Glendale, Cal. in the morning, arrived here last evening, regaining the transcontinental record from Lindbergh by nearly two hours. His time was 12 hours, 25 minutes.

Are Accused of Sinking Boat Near Kitkatla

On a charge of willfully destroying the gasboat G.N. two men, G. J. Ness and E. H. Lewis of this city, appeared in the Provincial Police court before Stipendiary Magistrate McLeod yesterday.

The boat was sunk last May near Kitkatla and was salvaged last week by the Pacific Salvage Company's tug Chelac II. Circumstances surrounding the sinking of the boat aroused suspicions and following investigations and the salvaging of the boat the charge was laid, the men being arrested yesterday by Provincial Constable Olson of the P. M. L. 8.

The accused were remanded for eight days.

PRICE OF WHEAT

VANCOUVER, Aug. 14.—The price of wheat here today was 91½c.

Hoodoo of Thirteen Does Not Deter R-100 Making Good Time On Her Return Trip to England

ST. HUBERT, Que., Aug. 14.—Although she left here on the evening of the thirteenth with 13 passengers aboard, the dirigible R-100 was early this afternoon hours ahead of her tentative schedule heading out over the Atlantic bound for Croydon Airport, England.

The big airship left the airport here at 9:16 last night and utilized to the utmost the favorable winds which bore her down the St. Lawrence and across the gulf of the same name until she touched 80 miles and hour, as she passed over the Straits of Belle Isle.

For the first 540 miles the ship's average mileage was close to 70. Sailing eastward at this time of year the prevailing winds are with the airship and as a result much better time is expected to be made than when travelling in the opposite direction.

Nervous Dyspepsia Bad Liver, Headache of Years Vanish

Gives Credit for Health to "FRUIT-A-TIVES"

"For years was troubled with bad headaches, nervous dyspepsia and liver troubles. Finally tried 'Fruit-a-tives' and am once more entirely well." — R. A. Bovay, Trenton, Ont.

Years-old liver trouble, constipation and overnight with "Fruit-a-tives," say thousands. Dyspepsia, biliousness, heartburn, gas, sick headaches go like a flash. Nerves quiet, sound sleep at once. Kidney and bladder ill, pain in back vanish like magic! Rheumatism, neuralgia, neuritis, dizziness, vertigo, complete relief. Ten of nature's greatest remedies combined in handy little tablet. Marvelous discovery of famous Canadian doctor. Speedy results. Get "Fruit-a-tives" from druggist today. Be new person tomorrow.

Baseball tonight, Elks vs. Centrals at 8.45 sharp.

Mr. and Mrs. W. B. Morgan and Billy returned to the city yesterday afternoon on the ss. Prince Rupert from a holiday visit in the south.

The Greenville Band is bringing a wonderful youthful vocalist to Prince Rupert for the fair. The lad is only fourteen years of age but he has a powerful voice and sings well. He will sing at the Exhibition Hall.

The fair board decided at their meeting last night that donors to ward the fair finances to the extent of five dollars would be given a season ticket entitling them to admission to the exhibition building at any time during the forthcoming fair.

The buildings and grounds committee of the fair was ordered last night to proceed with getting the grounds in order for the sideshow and concessions at the back of the big building. George Casey, chairman of the committee, has the matter in hand.

The regular monthly meeting of the Canadian Legion took place last evening in the club room. President James Smith in the chair. The meeting was in favor of the Y.M.C.A. movement in town but deferred action till a later and fuller meeting.

Funeral arrangements for the late E. H. Simpson have not been completed yet pending the arrival of the C.N.R. ss. Prince Charles from Queen Charlotte Islands this afternoon on which the deceased's son Samuel is expected.

Last evening the school board decided to have the windows on the west side of the King Edward High School facing the playing field, screened and the secretary was instructed to order the necessary wiring for the eight windows.

Portuguese Ship Helps Big Fleet

Transport Gil Eanes Aids Sixty Vessels Carrying 2409 Fishermen on Grand Banks

HALIFAX, Aug. 14.—An interesting visitor to this port recently was the Portuguese transport Gil Eanes, commanded by Captain Moreira, N. R. P. The mission of the Gil Eanes—undertaken in the summer and fall months—is that of assistance to the Portuguese fishing fleet, now watching cod on the Grand Banks of Newfoundland. This fleet consists of 60 schooners manned by over 2400 fishermen. These mariners leave Portugal in the early spring, and through the fishing season are absent for six months without touching land.

Illness and injury frequently occur in the rugged fishing life on the Banks. Realizing the need of victims of sickness and mishap, the Portuguese republic furnishes the efficient hospital service of the Gil Eanes with its modern medical equipment. The transport also gives postal service and links the fleet with the world. Otherwise many of the 60 schooners would be without word of world news or letters from home. One section of the boat is completely devoted to hospital use, the largest room of the ship being "the ward," completely finished in white, and lined on either side with 14 hospital beds. In the ward, ventilation is effected by circulating air currents with temperature adjustment and control.

Eat for Pleasure And Vitamins, Too

BY EDWINA NOLAN Director of Home Service, General Electric Refrigeration Department

MEALS must have appetite appeal.

Otherwise they become monotonous and no amount of coaxing can induce the family to eat with enjoyment what does not appeal to the appetite.

Eating for pleasure is important and meals should have two things beside food value: variety and eye-appeal. There must be variety as to flavor, color and texture of the food served; and the food must be attractive to look at. Pleasure in eating is an aid to digestion.

Here are a few ways in which variety and attractiveness may be added to a meal:

ONE: Add interest to a menu of all soft foods by serving chilled celery, crisp lettuce salad, young tender radishes or cold slaw.

TWO: Add variety to a bland meal by providing a sharp contrast in flavor like a tart currant or gooseberry jelly, or a canape of some highly seasoned food, which can be kept in the electric refrigerator ready to be prepared at a minute's notice.

THREE: Add attractiveness, when most of the food is to be rather colorless, by choosing a bright vegetable, such as beets, tomatoes, carrots or greens. Or use garnishes of fresh parsley, green pepper rings, water cress or pimento. These keep fresh and crisp with adequate refrigeration facilities.

FOUR: Make certain that food which should be cold is served cold, such as salad greens, molded salads, gelatin desserts, fruit cocktails, relishes—olives, celery, radishes.

FIVE: Take special care in re-vamping leftovers that they do not resemble too closely the dish from which they originated.

A quart of milk a day per person is desirable for the best of health. You can get your folks to "eat" milk by serving attractive foods calling for plenty of it.

The new St. Charles recipe book contains nearly 200 such recipes. Send for it today. It is free.

BASEBALL ON TONIGHT

Centrals vs. Elks Important in View of Vancouver Boys Visit

The baseball fixture this evening will be between Centrals and Elks this being the game postponed from Tuesday evening. Interest is increasing in these games now with the assurance of the visit from Vancouver of the V. A. C. and the local players are all on their toes hoping to catch the eye of the selection committee. In addition to this the teams this evening are tied at the bottom of the league, and each is very anxious to get away from that bedrock location.

Teams will be as follows:
Centrals: McKeown, Chenoski, Downie, Barry, Farquhar, Gavin, Stone, McNulty, Morrison, Hill, Bury, Moore.

Elks: A. Mitchell, Loblick, Stephens, George Mitchell, Moran, W. Harold, Arseneau, Skinner, Budinich, Foreman.

CHALLENGE FOR THE CUP

Team From Kitwanooc to Come Here and Try to Wrest Trophy From Kitimaat

Kitwanooc, at one time known as the village of the bad Indians, is proposing to send a football team to Prince Rupert for the fair to compete for the challenge cup now held by the village of Kitimaat. It is the Gitanyow team that is coming and they are said to be as likely a bunch of football players as may be seen in many a day.

The Kitwanooc boys are quite satisfied that, given a chance, they can carry that cup back to their village and they will be here in force the first week in September and their backers with them.

A ship with heated holds to maintain a cargo of asphalt in liquid form is being built in Ireland.

TWELVE PLAYERS ARE COMING HERE FROM VANCOUVER

The V. A. C. baseball team are completing arrangements for their visit to Prince Rupert during the Exhibition Week. Word received from them this morning states that they are bringing 12 players with them. In their recent games the team has been maintaining a winning gait and they are practically assured of being the B. C. champions. They are looking forward to their trip to Prince Rupert.

Two Straight For New York

Earl Coombs... Falk and Goose Goslin All Hit Homers in American League

NEW YORK, Aug. 14.—New York made it two straight over Detroit by winning a slugging match in which Earl Coombs hit a homer for New York. Philadelphia took the third straight game from Cleveland. Falk hit a homer for Cleveland. Goose Goslin aided St. Louis in registering the victory over Boston. He got a homer and two singles.

In the National League, Brooklyn Robins moved within two points of the leading Chicago team when they defeated the Cubs and broke their own five game losing streak. Eack Wilson hit his fortieth homer for Chicago. The Robins hammered five Chicago pitchers for 18 hits.

National League
New York 7, Cincinnati 6.
Philadelphia 4, Pittsburg 8.
Brooklyn 15, Chicago 5.

American League
Detroit 8, New York 10.
St. Louis 7, Boston 2.
Cleveland 2, Philadelphia 7.
Chicago 4, Washington 7.

EXHIBITION FINE BALL

Station Ropped Home Winner Against Dry Dock 4 to 3

In a very keen game the Station team romped home the winner in the ninth by getting the extra run, in last night's C. N. R. softball game. The numerous spectators were given an exhibition of fine ball. The players on both teams played consistent ball but the Station were the most aggressive.

As the league is slowly drawing to a close, the remaining games will be closely watched.

Station: Horton, Styles, Downie, Summers, Unger, Tobey, Morrison, McIntosh, Skattebol.

Dry Dock: E. Smith, Wendle, J. Smith, Kelsey, Bury, Gaven, J. Nelson, Geddes and McDonald.

The next game will be played tomorrow evening at 7 p.m.

Girls Show Up Well In Practice

Local Team Has Good Opportunity of Winning Against the World's Best

The girl's basketball team had a splendid practice last night and the girls, who had not played for some time, show that they are really coming back and if they play as well against the Edmonton Grads on August 20 as they did last night they may have a good opportunity of lowering the colors of the visitors.

The Edmonton Grads have for years held the world championship in girls basketball. They have competed against the best teams in the world but the local girls have had no opportunity of meeting them. Next Wednesday will tell the tale.

ATHLETIC EVENTS AT HAMILTON

Empire Games Will Be Outstanding Event in Canada

The doings of the members of the Canadian athletic team at Hamilton in the British Empire Sports that commence on Saturday next will be of real interest to all local sports followers and the list of the following, who won the various events at the Canadian championships held last Saturday in Toronto, should be kept so that their accomplishments at Hamilton may be compared.

This list is that of the Canadian champions and does not include all the Canadian competitors of whom there are 60 altogether.

British Columbia is also represented by D. C. McNaughton in the high jump and by Archie McDiarmid in the weight putting contests.

Track Events
100 Metres—Percy Williams, Vancouver, 10 3-10 seconds.

200 Metres—Johnny Fitzpatrick, of Hamilton, 21 1-10 seconds.

400 Metres—Alex Wilson, Montreal, 49 seconds.

800 Metres—Vic Pickard, Hamilton, 1 minute, 58 3-10 seconds.

1500 Metres Run—Eddie King, Hamilton, 4 minutes, 21 1-10 seconds.

5000 Metres—Walter Hornby, Hamilton, 16 minutes, 1 second.

10,000 Metres—Billy Reynolds, Galt, 32 minutes, 58 3-5 seconds (new Canadian record).

3000 Metres Steeplechase—William Reid, Toronto, 10 minutes, 30 3-5 seconds (new Canadian record).

400 Metres Relay—Hamilton Olympic Club, 3 minutes, 27 3-10 seconds.

110 Metres Hurdles—A. Ravensdale, Cobourg, 15 5-10 seconds.

400 Metres Hurdles—W. Connolly, Toronto, 58 7-10 seconds.

1500 Metres Walk—Harry Clemen, Toronto, 6 minutes, 18 seconds.

Field Events
Running High Jump—Jack Portland, Collingwood, Ont., 6 feet.

Running Broad Jump—G. Smallacombe, Toronto, 22 feet, 1 3-4 inches.

Pole Vault—Victor Pickard, Hamilton, 12 feet, 6 inches.

Javelin Throw—Doral Pilling, Cardston, Alta., 196 feet, 7 1-2 inches.

16-lb. Hammer Throw—John Cameron, New Westminster, 146 feet, 5 inches.

Discus Throw—A. Zvonkin, Hamilton, 129 feet, 8 1-2 inches.

16-lb. Shot Put—Charles Herman, Halifax, 42 feet.

Hop, Step and Jump—Gordon Smallacombe, Toronto, 46 feet, 8 inches.

GOOD GAME FOOTBALL

Passengers and Crew of Princess Alice Enjoy Sport at Government Dock

Passengers on the C. P. R. ss. Princess Alice last evening were much interested in the football talent displayed by several members of the crew on the government wharf. The blind end of the biological building provided a substantial and suitable background—there are no windows in it. The ball had seen better days but the seagoing devotees had patched it and in their spare half-hour kicked it about to their own satisfaction and to the amusement of the passengers many of whom were not familiar with association football though one lady was able to inform her companions, "You see, they are not allowed to use their hands. This is soccer football."

Several of the crew showed real football ability but there was one outstanding, a tall rather slim enthusiast who showed fine ball control, was clever with his feet, body and head and who had a drive like a pile-driver in each foot. He certainly must have shaken up any wall. Any Prince Rupert team would be glad to have him.

The international appeal of the game was further seen by the cleverness of two Orientals who were also expert with the ball. And many of the passers-by and some passengers hung around waiting for the opportunity to get an occasional kick at it too. What an influence for international amity sport is, and football is one of the most frequently played games in the world.

Sport Chat

There is much more interest than usual being taken in the Labor Day field and track sports and the Exhibition Week's sports.

The coming of the Vancouver A. C. Baseball team will be the big outside attraction after the visit of the Grads. Basketball team from Edmonton. But the contests in which the local runners and jumpers will compete are also promising to be of higher quality than usual. The competitors are more numerous and the Hanson cup to be awarded to the individual who scores the highest number of points in all the events of the season is an attraction.

On Labor Day the three special events will be the 100 yards, the 220 yards and the mile. The 100 yards promises to be a feature event. Phil Edgecombe has been showing up best so far. In the first race this year he was given a tie though many in a good position to judge say that he was winner by at least six inches. He may be a favorite for the Labor Day event but many are backing Bill Harold to win it. Harold is a likely looking runner and is sure to make Phil go the limit to win. Ed. Smith is also in the limelight and Doug Frizzell is bent on showing that he has lost none of his speed. Archie Thompson has always been a keen trier in the sprint and will be among the leaders at the finish.

In the 220 yards the same runners may also compete. The Hanson trophy is awarded to the individual who scores the highest aggregate of points in the competitions and with three points for a win, two for a second and one for a third place, the athletes are out to enter several competitions and will pick up as many points as possible.

Hence it is probable that all events will have numerous entrants. Most of the sprinters will compete in both the 100 yards and the 220 yards. And it is not easy to pick the winner.

The name of James Waters appears in the list of firemen injured in the recent fire at Vancouver which destroyed the new C. N. R. docks. It is believed that this is the captain of the Firemen's Baseball team that was at first to come north from Vancouver to play the local baseball team but which found it impossible to get away for the trip.

The captain of the Humpback (Indian) football team has written to say that the team will not be able to visit Prince Rupert this coming week-end. Arrangements were under way for a match with this team and it is likely that the game will be arranged for the following week.

Many of the members and supporters of the Legion football team have been discussing the withdrawal of their team from the Mobley Cup League. They feel that had they known such an action was being considered they would have seen that a team was gotten out even if they had to rely on several young and untried players. They state that next season they will see to it that there will be a team on hand for all games and that as far as they are concerned the season will be completed.

The forthcoming game between the Edmonton Grads and the Prince Rupert girls is being looked forward to with enthusiasm. The practices are being regularly attended and there is no doubt about the keenness of the local players. They will not be overawed by the visitors and

are confident of giving them a fight.

The Grads have of course a wonderful record. In 1923 they defeated the Cleveland "Paw Knits" for the international championship, and won the United Trophy. During the interwar years the team has been defeated in defence of trophy. In 1924 and also in 1925 Edmonton girls went to Europe under the auspices of the Federation Sportive Feminine Internationale played a series of games, the world's championship and every game. This is the team our Prince Rupert girls will

The story is told of a football player who in the course of a headed the ball through his goal three times in the first of the game. In the second half side had three free kicks and took each and scored three. He had therefore scored six in a match and it ended in a draw. He had scored all the for both sides.

FISH SALES

Holiday Resorts

RAINBOW TROUT

Are plentiful this season in the Stuart Lake district, they take either fly or spoon. In this wide virgin country there are hundreds of miles of waterways in lake and stream with many pleasant bays and wooded isles, unexplored by white men. Now that really good accommodation is provided and modern camping equipment is obtainable, many are taking fishing trips.

Another important attraction there is a ride or hike to the top of Mount Pope, from which a wonderful picture is seen—100 miles of lake and woods in every direction.

Sanford Is At Terrace Presbytery

Completes Tour of District and is Much Impressed

Rev. O. M. Sanford, president of the B. C. Conference of the United Church of Canada, was a passenger on the eastbound train yesterday to Smithers.

Mr. Sanford is making a tour of the different pastorates in the Prince Rupert and Cariboo Presbyteries of the United Church. At Anyox he presided at the induction services for Rev. Frank Bushfield who was appointed to that charge at the recent conference. At Stewart he conducted the induction services in connection with the installation of Rev. Evan Baker, who is well known in Prince Rupert, having at one time been in charge of the work at the Prince Rupert East United Church.

The tour of the north has been one of rare interest and had increased considerably the visitor's comprehension of the great stretches of country in this Northern and Central B.C. with their scattered populations and many and varied industrial activities. Mr. Sanford is full of admiration for the noble work of the ministers in these outlying districts and the equally fine work of their wives. He is also impressed with the fine character of the pioneers and settlers.

The smelter at Anyox, through which he was shown, was a very impressive industrial centre and the possibilities of Stewart as a railway and shipping centre also made Mr. Sanford realize the reasons that Stewart, like Prince Rupert, demands consideration when the railway outlet to the Peace River and Northern B. C. is being considered.

In continuance of his tour Mr. Sanford now goes to Smithers and then returns to Terrace where the meeting of the Prince Rupert Presbytery takes place this week-end. After visiting Hazelton he will continue through to the Williams Lake and Quesnel districts before returning to Vancouver where he feels he will be able to more convincingly consider the problems of the church in the north of the province as a result of this trip.

NEW STOCK IS SECURED VERY CHEAP

Men's Wear Goods Bought For Low Prices and Selling Very Low

The People's Store, Meeker Block, across from the Empress Hotel, announces that it has secured a lot of men's wear goods direct from the Master Mechanic factory at 33 per cent less than the regular cost price. The store is giving customers the benefit of this large purchase and is offering the clothes at 33 per cent less than they can be secured elsewhere in the city.

Cash has to be paid for these goods and this is being secured quickly by giving the customers the benefit of the low price.

Men are invited to look these goods over and compare prices. These cannot be beaten.—Adv.

New Teachers For Schools Appointed

Appointments to the teaching staff of the city schools were considered last evening and are as follows:

King Edward High School: Miss Gertrude Lawrence, Latin department, vice Miss Henderson; Charles Fordyce Clarke, French department, in place of Mrs. Johnston; Miss Patricia Gwyer in place of Miss McLean and Miss Mary Delaney, Commercial department, in place of Miss D. Harrison.

At the Booth School the following appointments were made, Miss Maude McGuire of Salmon Arm, Miss Betty Edgecombe of Prince Rupert and Miss Dorothy Morrison of Kelowna.

All the appointees have had considerable previous successful experience, and come highly recommended.

TOOTHsome COLD DELICACIES FOR YOUR NEXT LUNCHEON

Half the fun of entertaining is in serving something new. I have two delicious new recipes for your hot-weather luncheons—a tuna fish entree with cucumber sauce and ham mousse. They are simply delectable, both of them, because made with the best of milk—Carnation.

Carnation Milk gives cooking results unequalled by the best of bottled milk. Evaporated to double creaminess, and with the cream broken up into finest particles and distributed all through the milk, it gives to every dish in which it is used a wonderful richness and an equally wonderful silky-smoothness.

Yet Carnation Milk is most economical, saving on butter and cream and eliminating the waste of spoiled foods. Try this pure whole milk, packaged for your convenience and sterilized for safekeeping. Send for free Cook Book. Address: Carnation Co., Limited, 134 Abbott Street, Vancouver, B.C.

Carnation Tuna Fish Entree with Cucumber Sauce—1 tbs. gelatine, 3 tbs. cold water, ¼ cup stiff Carnation No-Egg Mayonnaise, 2 cups tuna fish (white preferred), 2 tbs. lemon juice, ¼ cup chopped celery, 2 tbs. chopped pimiento, ¼ cup chopped sweet pickles, ½ tsp. salt, few grains pepper. Soak gelatine in cold water 5 minutes; dissolve over hot water. Beat dissolved gelatine into mayonnaise. Pour lemon juice over flaked fish; add remaining ingredients, folding in mayonnaise last. Mold and chill. Serve on lettuce with

Carnation Cucumber Sauce made by combining ¼ cup Carnation No-Egg Mayonnaise with ¼ cup diced cucumbers and 1½ tbs. grated horse radish.

Carnation No-Egg Mayonnaise—2 tsp. sugar, ¼ tsp. paprika, ½ tsp. salt, few grains pepper, ¼ tsp. dry mustard, ½ cup Carnation Milk, 3 tbs. vinegar, 1½-1½ cups salad oil. Mix dry ingredients with Carnation; beat in vinegar; add oil gradually, beating thoroughly. Chill. If thinner mayonnaise is desired, use less oil or thin with undiluted Carnation before using. Keep in glass covered jar in cold place. Recipe makes 1 pint.

Carnation Ham Mousse—1 tbs. gelatine, ¼ cup cold water, ½ cup boiling water, 2 cups ground boiled ham, ¼ cup diced celery, ¼ cup diced sweet pickles, ½ cup mayonnaise, ½ cup Carnation Milk, whipped, ½ grain cayenne pepper. Soak gelatine in cold water 5 minutes, dissolve in hot water and add to ground ham. When cool, add cayenne, celery, pickles, mayonnaise and fold in the whipped Carnation. Mold and chill. Serve as a cold meat on a platter or as a salad on lettuce leaves with mayonnaise. Garnish with parsley, hard cooked egg or stuffed olives. Chicken, veal or crab-meat can be used. Serves 8.

*To whip Carnation Milk cover unopened can with water and heat. When water has boiled 2 or 3 minutes remove can, cool in cold water and chill thoroughly.

ITS VIGOR AND HEALTH APPEAL TO SPORTSMEN THE WORLD OVER

1. The very foundation of "Canada Dry" is "Liquid Ginger"—which we make from selected Jamaica ginger root by a special process.
2. This process is exclusively controlled by us and, unlike any other method, retains for "Canada Dry" all of the original aroma, flavour and natural essence of the ginger root.
3. Therefore, this fine old ginger ale has basic excellence, a quality exclusive to "Canada Dry," and the property of the makers of this ginger ale.

The lithic, active men and women of this country find exhilaration and vigor in its crystal depths. It has the quality of the game well played. It has the quality of sportsmen. It is unquestionably the sportsmen's beverage.

No wonder it is served all over the world. No wonder it has won the approving nod of connoisseurs. No wonder it is a drink of distinction. Remember to order it today!

GIRLS OFF INTO CAMP

The exodus of the Girl Guides of the city took place this afternoon when 22 members of the local companies in addition to two members of the Port Clements Company entered for Terrace where they will camp for the next two weeks.

Those in charge are Captain N. Rogers, Lieutenant M. Brewerton, Brown Owl Mrs. D. Norrington and Tawny Owl Mrs. C. E. Motte. Mrs. Squires will join the map later.

The members of the First Company Prince Rupert Guides going to camp are Kathleen Kellback, Lucille Brooksbank, Peggy Anderson, Edith Brewerton, Jean Stamp-Vincent, Jean McLean, Merle West, Honora Silversides, Grace Watkinson, Edna Dickens, Nancy Dawes and Margaret Doherty. The I. O. D. E. Company are represented by Winnifred Eby, Eileen Yates, Edith Wilkinson and Evelyn Dalgarno, and the Second Company are sending Phedella Stengel, Aletha Peachey, Muriel McLean and Lillian Croxford. The two members from Port Clements are Metty Williams and Ruby Tingley.

Concession Let For Refreshments At Coming Fair

At the meeting of the Fair Board last night Miss Wade Mussallem was awarded the concession for supplying ice cream, soft drinks and other refreshments at the fair this year, the price to be paid being \$125. When tenders were called for a short time ago Joe Brown's was the only one submitted, the amount offered being \$75. This was not considered enough and the board decided to call for new bids. They did so and the only bid was the one accepted.

Mr. Brown appeared before the board last night to protest against the rejection of his original tender. Prior to the opening of the new tender Mr. Brown was offered the concession at \$125 because of his excellent service in the past.
