HANSON TELLS OF FIGHT AT OTTAWA Liberal Candidate Was Successful In Mission

Hardest Work Was Done on Hotel and Hecate Straits Lighting Projects Whch Happily Proved Effective

To Dominion Capital

It was a pretty hard fight but Olof Hanson, Liberal candidate for this constituency, is rather pleased with himself to think he was able to put over several important matters for the people of Prince Rupert. While rather reluctant to tell about his part in the work, it came out in the course of conversation with a Daily News representative last night, that with the cutting of the railway estimates by something like nine millions Prince Rupert's new hotel had gone by the board; that there seemed no hope

Capetown Assembly has Bitter Debate Before a Momentous Vote Taken

Premier Hertzog Maintains Privilege Is In Hands of Dominion—Smuts Takes Diametrically Opposite Stand

CAPETOWN, May 23:-The South African Assembly, after several days of bitter debate, yesterday passed a motion by a division of 68 to 53 affirming South Africa's right to secede from the British Empire if it so desired. The vote followed a speech by Premier Hertzog replying to an address by General Smuts, former premier, who declared it would be impossible for South Africa to secede from the British Commonwealth without the full consent of all other Dominions and the British Parliament. Hertzog maintained that the right of secession was the very cornerstone of South African independence and freedom. "If we want to secede, there is only one thing necessarythat is for Parliament to pass a law to that effect," he said.

The Care of the Young

Nothing brings so much comfort to Mother and Dad as the knowledge that the youngsters are growing bigger and stronger every day. Playing hard all day-sleeping soundly all night. Nestle's Evaporated Milk has brought this comfort to thousands of happy parents.

And here's the Reason! Nestlé's Evaporated Milk is just theb est of fresh cow's milk with part of the water removedthen sealed and sterilized in air-tight containers. Add wateragain and you have absolutely pure, safe milk-but more readily digestible than ordinary milk because the large fat globules of the milk have been broken up into small ones of the same size as in Mother's milk. Also, the curds which form in the stomach when Nestle's Evaporated Milk is used are soft and flaky and therefore easily digestible.

Use Nestle's Evaporated Milk for Your Baby. Use it in coffee-in cocoa-in tea. Use it in all cooking and as a beverage by diluting with one to two parts water.

NESTI EVAPORATED

(Unsweetened)

A PRODUCT OF BRITISH COLUMBIA

Children hate to take medicine as a rule, but every child loves the taste of Castoria. And this pure vegetable preparation is just as good as it tastes; just as bland and harmless as the recipe reads. (The wrapper tells you just what Castoria contains.)

When Baby's cry warns of colic, a few drops of Castoria has him soothed, asleep again in a jiffy. Nothing is more valuable in diarrhea. When coated tongue or bad breath tell of constipation, invoke its gentle aid to cleanse and regulate a child's bowels. In colds or children's diseases, use it to keep the system from clogging. Your doctor will tell you Castoria

deserves a place in the family medicine cabinet until your child is grown. He knows it is safe for the tiniest baby; effective for a boy in his teens. With this special children's remedy handy, you need never risk giving a boy or girl medicine meant for grown-ups.

Castoria is sold in every drug store; the genuine always bears Chas. H. Fletcher's signature.
