If there is to be any kind of a season at all, it should get started at the latest by the middle of November and, if that is to be ione, it would seem that there hould be no further delay in startng the ball rolling so far as organiction is concerned.

Meantime, other winter sports are getting well under way. Cribbage has started this last two or three weeks back and whist got under way last night. The annual was held two weeks ago or so and east six teams in competition. Although nothing has been heard cince then, it is to be expected that the schedule will soon be issued and the play started within the next week or so. Six teams of five players each will give quite a numper more billiardists than usual the hance to get into action.

B.C. WINNERS SWINE CONTEST

For the third year in succession two boys from Armstrong won the Swine Club competition conducted by the Canadian National Railways in British Columbia. These boys will leave shortly for Toronto to take part in the competition for the trophy donated by W. D. Robb, Vice-President, Canadian National Railways, emblematic of the championship of Canada. This contest takes place during the Royal Winter Fair and draws entries from each province in the Dominion. The runners up in this contest were two lads from Telkwa, B.C., Roy Wakefield and Gordon Chapman. The above picture shows, left to right, Arthur Nash (16), H. Bowman, agricultural agent, Canadian National Railways, and Bill Perry (15). The Armstrong champions scored 516 points.

WHEN your children come home from school they are tired. If not noticeably tired physically, nearly always tired or a little fagged mentally and nervously. They are ready for a cup of delicious Ovaltine to restore their spent energy. Indoor confinement during school hours, with its pursuant call for mental concentration, comes at a time in a child's life when Nature is making insistent demands upon his or her strength and vitality. . during the days of growth. Recognizing this truth, some schools serve milk to the children at recess time.

Milk is Good—But Ovaltine is Better Ovaltine is the finest thing in the world for replacing quickly the energy children use up so fast. A sure way to build strong bodies and to maintain rosy-cheeked, glowing health.

Ovaltine is sold at all good stores, in 50c, 75c, \$1.25 and special \$4.50 family size tins; also served at soda fountains.

OVALTINE RUSKS

Only finest Canadian Wheaten flour and Ovaltine are used in making Ovaltine Rusks. They are delicious and far more nourishing than ordinary rusks or biscuits. They are a sure means to sound white teeth and firm healthy gums.
