"I takes so much time! I start out and look and look and look . . . and by the time I've found what I want I'm dead on my feet. All in, my dear. I mean I actually am!"

You can do a friend like that a real service. Ask her if she reads The Daily News grocery advertisements. Usually she'll look surprised and say, "Not very often. What has that to do with it?"

"Then he did rather a curious thing. He arranged seven clocks upon the mantelpiece, throwing away the eighth. It was meant as a symbol that the Seven Dials would revenge the death of one of their members—and he watched eagerly to see if any one betrayed themselves or showed signs of perturbation."

"And it was Jimmy Thesiger who poisoned Gerry Wade?"

"Yes, he slipped the stuff into a whisky and soda which Mr. Wade had downstairs before retiring to bed. That's why he was already feeling sleepy when he wrote that letter to Miss Wade."

For four long years the Maritima amateur hockey championship honors rested in Nova Scotia, three Kentville. Last season neither The Toronto Maple Leafs made a Kentville nor Truro survived the were beaten by the Bathurst Papermakers by 3-2 in a home and home series. This season Nova Scotians will make a strong bid for the championship laurels and the right to represent the Maritime Provinces in the Allan Cup playdowns. While the Nove Scotia championship playdowns are far from over Nova Scotia hockey followers expect to see the Truro Bearcats carry the Bluenose colors into New Brunswick in the titular series. The Bearcats, with the strongest team they have ever had, are favorites to win in the league post series. However, the Bearcats, if they win the Eastern League, will encounter plenty of opposition in the playdowns, and most of it will come from the Antigonish-Pictou-Cape Breton league champions. In this circuit, for many years one of the outstanding ice loops in the Province, Sydney Millionaires and Stellarton Oaklands are fighting neck and neck and either team should give the Eastern League champions plenty of opposition. Other league winners in Nova Scotia are not expected to furnish much color to the wind-up series of the 1930 season. Kentville Commercials should win the Valley League and Digby Red Ravens, runners-up for the Provincial title last season, and leaders in the western Valley 4 League, are not expected to go far. The Ravens, runners-up for the 2 past two seasons have been favored by the playdown schedule and the hockey they play is hardly of the calibre produced in either Eastern or A.P.C.B. loops.

> Along the south shore Chester and Lunenburg are waging a merry battle for hockey honors. The winner of this fight is not expected to do much in the playoffs. Prince Edward Island will soon know its 1930 champions. while the New Brunswick championship will be sought for by St. John, Moncton or the champion Bathurst Papermakers. New Bruns-18 wick winners will meet the Island titleholders and should eliminate the latter players. Hockey experts, who have followed the 1930 league battles closely, expect to see the Truro Bearcats and Bathurst's Papermakers battle for the right to enter the Allan Cup series. It will be the third season in the Allan Cup competition for the Maritimes.
