BIG SOCKEYE RUN IN LOCAL WATERS

THINKS OUTLET WILL BE JOINT AFFAIR

Tourist Hotel and New Railway are Discussed By Official of C. N. R.

Col. T. A. Hiam Guest of Honor Last Night at Banquet Given By Mayor C. H. Orme

At a dinner given for him last night by Mayor Orme in the Commodore Cafe, Colonel T. A. Hiam, assistant to President Sir Henry Thornton of the Canadian National Railways suggested that the choice of site for the new hotel be left to the railway company; also he stated that he thought the western outlet of the Peace River district would be built by the two big railway companies jointly as the federal government would insist upon it. Those were the most striking statements made in a brief address in which he confirmed what he had said earlier in the day in regard to the new hotel. Mayor Orme presided with the distinguished visitor at his right and President Tinker of the Chamber of Commerce to his left.

MINISTERS RE-ELECTED

Hon. Irene Parly Successful In Alberta; Mixed Ticket In Edmonton

EDMONTON, June 21.—With Hon. Irene Parly, who was at first believed to be defeated, elected in Lacombe by a margin of 105 votes, all members of the Alberta government have been successful in being re-elected as a result of the polling Thursday.

Edmonton members elected are: Hon. J. F. Lyburn, U.F.A.; C. L. Gibbs, Labor; D. M. Duggan, Conservative; W. R. Howson, Liberal; Col. C. Y. Weaver, Conservative; Dr. W. A. Atkinson, Conservative.

Traffic Case Decision Was Given Today

Judgment was given by Magistrate McClymont in city police court this morning in two cases of driving to the common danger which resulted from an automobile collision last Saturday morning at the intersection of Sixth Avenue and McBride Street. Robert Gilker was found guilty and fined \$10, with option of seven days' imprisonment, while Roy Fisher was dismissed with a caution. Gilker was the driver of a Bulkley Market delivery car while Fisher was driving one of Oje Brown's taxi cars.

LICENCE CANCELLED

Patsy Mazzel, who exceeded the speed limit in driving down the overhead to the railway station some time ago and almost landed inside a station door, was not only fined \$10 by Magistrate McClymont in city police court this morning but his driver's licence was cancelled for an indefinite period.

CANADIAN BAKERIES CHARGED WITH SALE UNDERWEIGHT BREAD
VANCOUVER, June 21.—The city police yesterday issued a summons against the Canadian Bakeries Ltd., on a charge of selling bread below the weight marked on the label. The summons is returnable Monday before Police Magistrate McQueen.

NORTHERN B.C. BIG FALL FAIR PRINCE RUPERT

Prize List Now Ready and Can Be Secured By Applying to Secretary

The prize list for the annual fall fair of the Northern B. C. Agricultural and Industrial Association is now ready and copies can be secured by applying either personally or by mail to the secretary, W. D. Vance, Prince Rupert.

The list of prizes is a large one and there are a great many specials that are most attractive.

This year the great feature of the floral department is the floral display for which the first prize is \$20, second, \$10 and third, \$5. This is proving very attractive and it is understood several Prince Rupert growers are already planning to enter. A table space of about six feet square will be allotted to each exhibitor and he or she may use cut flowers, plants or anything that is thought may make an effective display as long as the flowers are grown by himself.

It has been suggested that this will be a great opportunity for some of the flower growing districts, such as Hazelton, to demonstrate what the growers there can do. They will be up against keen competition from Prince Rupert and possibly Queen Charlotte Islands.

Col. Hiam remarked on his love for the north. In his opinion Prince Rupert had been subjected to too many speeches. On his former visit he had been asked regarding two definite projects, one of which was the building of a hotel at Prince Rupert and the other the building of the western outlet for the Peace River country. In regard to the hotel he had promised to get it built at as early a date as possible. He had gone east and asked Sir Henry about it. The money had since been voted and they would start work as soon as possible.

In regard to the site, Col. Hiam said he had nothing to say. Sir Henry Thornton would be here on the Prince Henry's third trip but he thought it would be best to leave the selection of the site to the railway, else, as in the case of the famous trial by Solomon, they might find part of it in one place and part in another.

The same was true of the Peace outlet. When it was constructed it would likely be a joint affair because the Federal Government would insist upon that.

Colonel Hiam spoke of the pleasure it gave him to come north. He hoped to be back with Sir Henry in three weeks and again in September. He was pleased to see the mayor in his present position. He hoped he would hold it for a long time.

Mayor Orme thanked the visitor for being there and particularly for the happy message he had brought.

SOLLOWAY CASE OVER

Taking of Evidence Concluded Yesterday; Judgment On Monday

VETERAN PREACHER

Rev. John Campbell Who Died Yesterday, Performed Many Marriages

VICTORIA, June 21.—Rev. John Campbell, M.A., Ph. D., who joined the Presbyterian ministry in 1874 and retired in 1912, died yesterday at the age of eighty-six years. He performed the marriage ceremony for more than four thousand couples at his residence which was named "Breadalbane." For twenty years, deceased was pastor of First Presbyterian Church here.

Born in Argyle, Scotland, December 12, 1845, the late Mr. Campbell was educated in Stayner public school, Western Grammar School, Toronto Collegiate, Toronto University, Knox College and Bloomington University. He was ordained and entered the ministry in Ontario in 1874 and had his first ministerial charges at Harrison and Collingwood, Ontario. He came to Victoria as minister of First Presbyterian Church in 1892 and continued in charge of that church until his retirement. He was formerly a member of the board and senate of Westminster Hall, Vancouver.

SALMON TAG RECOVERED

Port Simpson Man Finds One In Seal's Stomach and Turns It In

W. R. Sampson of Port Simpson has presented to the Dominion Fisheries office here salmon tag No. 14271 which he found in the stomach of a hair seal which he took on March 7 last at Hudson Bay Pass in the Dundas Islands. The seal from which the tag was taken was five feet nine inches in length. The fisheries department is sending the tag to the Departur Bay Biological Station where full records are kept as to tagged salmon. Identification of the tag will determine how far the tag travelled but whether it travelled on the salmon or in the seal will be another question.

Premier King Opens Campaign For Maritimes In Moncton and Is Given Splendid Reception

MONCTON, N.B., June 21.—The record of the present Dominion government was laid before the people of the Maritime Provinces here last night by Canada's Prime Minister, Rt. Hon. William Lyon Mackenzie King. From the stage of a theatre, Premier King fired the opening gun of his campaign in the Maritime Provinces. By radio, his words were carried through the homes of thousands of people. The Prime Minister reviewed labor and railway matters, discussed the question of Maritime rights and the Duncan report and made a plea for calm consideration of the government's record.

An excellent hearing was accorded Premier King and his speech was punctuated with applause. He referred to the benefits which would accrue to Maritime ports through increased trade under British preference.

"You have just passed through a provincial election here," said Premier King. As Prime Minister of Canada he had never interfered in provincial politics and did not believe in so doing. He merely asked the electors not to confuse provincial with federal issues.

Postmaster General P. J. Veniot, dealing with the air mail service, said he hoped to have it in operation from Halifax to Vancouver during the present year. The continent could then be bridged in 38 hours.

Salmon More Abundant In Naas, Skeena Rivers Than in Many Seasons

High Boats Take as Many as 154 Fish While Average Runs 80 and 90 During 18 Hours of First Day

Fishermen arriving in Prince Rupert state that the sockeye run on the Skeena and Naas Rivers is heavier than has been known at the opening of the season for many years. During the 18 hours from the opening of the season at midnight Thursday until the start of the weekly 48-hour close season at 6 o'clock last evening, the high boat on the Skeena River, it is reported, took 154 fish while the average was 80 fish per boat. On the Naas River, the high boat had also about 150 fish while the average is stated to have been around 90.

While a large number of boats were out on the first day of fishing, the end of the first weekly close season tomorrow night at 6 o'clock will see the Skeena and Naas River fleets out in full numbers. On account of the excellence of the fishing, fishermen who were not out yesterday are rushing preparations to be at work on Sunday evening.

Decision Reserved In Jefferson Case

Disposition of \$6300 Estate Rests On Supreme Court Judgment

Judgment has been reserved by Mr. Justice Murphy in Supreme Court in Vancouver on a claim of W. J. Jefferson, canneryman, for a declaration that his son, H. R. Jefferson, survived the latter's grandmother, Mrs. Ellen Adams, when the two were asphyxiated on March 26, 1929, when a gas service pipe was broken by a street grading gang. The grandmother left all her estate, amounting to \$6300, to her grandson whose beneficiary the plaintiff in the action was Jefferson's claim to the estate is contested by Alexander Noble, executor of Mrs. Adams' estate, on the ground that the younger may have died first.

J. K. Macrae and J. V. Clyne are two counsel for the plaintiff and E. M. McLorg for the defendant.

The Australian Treaty

Mr. Bennett said in his Calgary speech on June 12 that he pledged himself if elected to abrogate all treaties made by Canada which were inimical to the interests of the farmer. The Tories have repeatedly charged that the Australian Treaty was inimical to the interests of the farmer. On Page 751 of Hansard March 7, 1929, Mr. Guthrie, former leader of the Tories, said, referring to the Australian Treaty:

"I understand the treaty was negotiated by the Minister of Finance himself and it has proved to be probably the greatest direct blow that agriculture has had in this country in many years."

No later than March of this year H. H. Stevens said of it: "We have expressed our criticisms of this treaty on the basis that under it the Canadian farmer had not received a square deal."

So the Australian Treaty is to be abrogated if the Conservative Party wins in this election.

We desire to call the attention of the voters at Ocean Falls to this threat which will imperil their great pulp and paper industry.

We desire to call the attention of all the loggers of this coast to this threat which will imperil their market for logs both at the pulp plants and in the manufacture of lumber for the Australian lumber market.

What reply will these men give to Mr. Bennett's threat? Mr. Brady will no doubt say as usual, "Oh! I will see that you are protected in some new legislation," but the reply to Mr. Brady will be: "We are satisfied with the Australian Treaty. It has been a big thing for us and we will not have it abrogated."

A bird in the hand is worth two in the bush.

TERRIBLE RESULT

A terrible result from a trivial action was that in which Captain Guthrie of Comox became the slayer of his own son. People often throw things in fun and sometimes they do so to the danger of the person at whom they aim but expect the target to dodge. The catastrophe is a sad warning to avoid such dangers.

Possibly this might be an opportune time to moralize and suggest that there are other injurious missiles than sticks and stones. People often thoughtlessly say things about their neighbors which are never intended to hurt and yet which do irreparable injury. Sometimes they kill just as this father killed his own son through carelessness.

LESSON OF NEW BRUNSWICK

The New Brunswick election results seem to indicate that Liberalism is looking up in the Maritime provinces. Reports that came through from time to time stating that there was likelihood of more Liberals being elected were not generally credited in the west but now it seems that they were correct. With six more Liberal members in New Brunswick Legislature than there were in the last, it is clear that a change is taking place down east, a change toward more Liberalism instead of in the opposite direction as Messrs. Bennett, McRae and Brady have been claiming. It is something that will interest the people of Skeena riding just now.

THE PRINCE HENRY

Prince Rupert people will look forward to the arrival of the new C.N.R. steamship Prince Henry which is now on the coast and is due to arrive here within the next few weeks. The picture of her published Thursday indicates that she is a fine ship and will be a welcome addition to the coast trade. The fact that she is going on the run will increase the business with Alaskan ports and with it the number of tourists visiting Prince Rupert. There should be some doings here to show appreciation when the vessel arrives on her initial voyage.

DISPLAY IS FINE

Home Economics and Manual Training Classes Show Work

The display of the home economics and manual training classes in the city schools Thursday afternoon in the Booth Memorial School attracted a very large number of parents and friends who were all visibly impressed by the high quality of the work, its workmanship, and finish. The value of this course in the schools was fully realized by those present and its practicability and utility in everyday life was freely commented on.

A feature apart from the extensive display of garments, was the fashion parade in which the girls of all grades from six to ten took part, each wearing a frock of her own design and making. Preceding the parade of classes, the following pupils gave a brief synopsis of the work that had been accomplished in their respective grades:

- Grade 6, Grace Allen.
- Grade 7, Beatrice Barner.
- Grade 8, Lucille Brooksbank.
- Grade 9, Steena Phillipson.
- Grade 10, Muriel Vance.

The manual training exhibit was not so extensive owing to lack of space but aroused admiration of all. A Queen Anne table, the work of Walter Ballinger, a desk by Tom McMeekin, inlaid trays by Alex Walters and Lewis Crompt, model boats by Ernest Santerbane and Douglas Sutherland all had a group of interested parents and friends complimenting the boys on their craftsmanship.

The lunch-room has been artistically decorated for the occasion by the girls and a menu was served by the pupils of the home economics class.

In the course of the afternoon prizes given by the Parent-Teacher Association were awarded as follows. Mrs. R. Blance, president of the association, making the presentations:

- Grade 6, sewing, Ingrid Morse.
- Grade 7, sewing, Beatrice Barner.
- Grade 7, best bedroom article, Dorothy Fraser.
- Grade 8, best dining room article, Myrtle Rose.
- Grade 8, best sewing article, Lucille Brooksbank.
- Grade 9, best article made in home management class, Rose Rice.
- Best afternoon dress, Vivian Hickey.

Music was provided by McRae Brothers with Felix Batt in charge.

The Parent-Teacher Association assisted the following members presiding at the different activities: Home cooking, Mrs. Eastman and Mrs. Viereck; ice cream, Mrs. Cameron and Mrs. G. Hill. Mrs. Hill-Tout was in charge of the supplies and Mrs. Kelsey was cashier.

Mrs. T. Spencer, chairman of the school board, complimented the girls on their instructors on their display.

Miss Rice, who is in charge of the home economics department, and her assistant, Miss T. Curry, and E. Gee, the manual training instructor, are to be congratulated on the excellence of the display.

The Letter Box

CONFUSING HIS TIDES

Editor, Daily News:—The Liberals of New Brunswick have just gained six more seats in the local house than they had before the election. The Editor of the Evening Empire says this "illustrates the rising tide of Conservative sentiment throughout the country."

Is not the good Editor confusing his tides? I recommend that he get one of Orme's Tide Books and study the difference between a "rising" and a "falling" tide.

If the Tory boat is running in this election according to the Editor's tide tables it is surely headed for the rocks on July 28.

If the Liberals in this Dominion Election can gain six more seats than they now hold as was done by them in the New Brunswick election, this is the sort of a "rising tide of Conservative sentiment" they want and confidently expect.

Yours truly,
FISHERMAN.

IT'S your money. You've earned it. It will be spent: For fuel, clothes, furniture, food, all sorts of necessities . . . and if there's any left, for luxuries.

The way to make that hard-earned money go farthest is to purchase products of certain value. Products backed by well-known manufacturers. Products that are widely bought and used, that are carefully and painstakingly kept to high standards of quality, and that have been found over and over again to give full worth. Advertised products!

When you buy a suit of clothes, a pair of shoes, or a household necessity, that is advertised in this paper, you every dollar. Read over the grocery lists that appear weekly in the Daily News and note the savings you will make by purchasing from these lists.

are buying a product whose maker is willing to talk about it, tell about it, put what he knows about it in print and sign his name to it. When you buy advertised merchandise by name, you get the utmost of purchasing value from

Because it doesn't pay to advertise poor products, it does pay to buy those advertised.

WHEN A CHILD IS FEVERISH, CROSS, UPSET

Colic, gas, sour belching, frequent vomiting, feverishness, in babies and children, generally show food is souring in the little digestive tract.
When these symptoms appear, give Baby a teaspoonful of Phillips Milk of Magnesia. Add it to the first bottle of food in the morning. Older children should be given a tablespoonful in a glass of water. This will comfort the child—make his stomach and bowels easy. In five minutes he is comfortable, happy. It will sweep the bowels free of all sour, indigestible food. It opens the bowels in constipation, colds, children's ailments. Children take it readily because it is palatable, pleasant-tasting.
Learn its many uses for mother and child. Write for the interesting book, "Useful Information." Address The Chas. H. Phillips Chemical Co., Windsor, Ont. It will be sent FREE.
In buying, be sure to get genuine Phillips Milk of Magnesia. Doctors have prescribed it for over 50 years.

IDEAL FOR THE SUMMER COTTAGE!

What if there isn't a daily delivery of pure, safe, pasteurized milk? What if you have no ice? You can still enjoy an abundance of fresh, sweet, dairy milk if you have a few tins of Klim handy. Klim is a whole MILK, all milk and nothing but milk. The cream is there, the nutriment is there, the delicious fresh milk flavour is there. Only the water has been removed. Replace it, and you have pasteurized milk for cooking, for tea, coffee, cocoa or cereals; milk that the youngsters will love to drink. And you mix it just as you need it. There's no waste with Klim. Send ten cents for a trial can and taste its goodness for yourself.

ATHLETICS WIN AGAIN

Took Third Straight Game From Cleveland; Tigers Beat Yankees

NEW YORK, June 21.—The Philadelphia Athletics took their third straight game from the Cleveland Indians yesterday. Foxx hit a homer in the fifth inning, scoring Simmons.

Detroit Tigers blasted George Pipgras from the mound with five runs in the first stanza and won a slugging match from the New York Yankees.

In the National League, Pittsburgh Pirates broke a tie in the sixth by scoring six runs and defeated New York Giants.

Chicago Cubs made it two straight over Boston Braves.

Yesterday's scores:

National League
New York 4, Pittsburgh 8.
Brooklyn 1, Cincinnati 2.
Boston 3, Chicago 7.
Philadelphia 5, St. Louis 7.

American League
Detroit 11, New York 6.
St. Louis 4, Boston 3.
Cleveland 0, Philadelphia 8.
Chicago 2, Washington 1.

Terrace Trimmed Usk In Baseball

Game Last Sunday Resulted In 25-10 Score

TERRACE, June 21.—The Usk baseball team and a number of rooters arrived in town Sunday to play the town team. Nine innings were played, Terrace emerging victorious with a score of 25 to 10. After the game, the Usk party enjoyed supper at the Terrace Hotel before driving home.

SPORT CHAT

Arthur "The Great" Shires, is again warming the Chicago White Sox bench. The noisy one was hit in the face the other day in battling practice and Bud Clancy stepped into his place and won the game in the eleventh inning. It isn't the injury so much that will keep Arthur warming the seat of his pants for the truth will out and it is a fact that the Shires' batting average is something less than his last winter's fight mark. That would make it about six and seven-eighths.

A sports pavilion for ice hockey boxing, wrestling and other athletic events, representing an investment of \$750,000, will be constructed in Sacramento, Cal., soon, E. A. Martin, Portland, Ore., representative of Frank Patrick, president of the Pacific Coast Hockey League, has announced. He said a Sacramento team would be added to the hockey league on completion of the building. Other cities in the league were to be Tacoma, Seattle, Portland, Vancouver and Oakland.

SEGRAVE HAD NEW RECORD

International Motor Union Finds He Made 98.7 Miles Per Hour

LONDON, June 21.—The International Motor Union yesterday officially confirmed the speed attained by the late Major Sir Henry Segrave at Lake Windermere just before the accident that cost his life as the world's unlimited water record. The speed confirmed was 85.7 nautical miles per hour or 98.7 miles an hour.

PRELIMS LINED UP

Andy Wilson and Art Lea, Heavyweights, to Meet In Semi-Final

A strong supporting list of preliminary matches has been arranged for the boxing show next Tuesday night when Frankie Neel will meet Jumbo Davies of Victoria in the headline attraction.

Art Lea, a new comer in the district has been nominated to take on Andy Wilson of Oceanic in the six round semi-final. Both boys will tip the scales at around 190 pounds. The fans liked Wilson's work when he fought Wildecat Carthum here two months ago, and although he had an easy time Carthum on that occasion it is hoped he will be extended further next Tuesday.

Jimmy Lawson On

Local boxing fans will also be glad to hear that Jimmy Lawson of Port Simpson will also be on the card. Jimmy is gradually accumulating a formidable list of ring victories and he has yet to lose his first fight. He has knocked out Denis Movin, Nina Gurvich and Henry Boy, all tough lads and also holds a decision over Wesley White of Vancouver.

The latter boy has been selected to meet Lawson again at the forthcoming show in a four-round match and this should be a thriller for the fans.

Jimmy, with his list of knock-out victories, is now called the "Knockout King," and may be expected to turn in a spectacular performance.

ROUND HOUSE BEAT OFFICES

Softball Game Last Night Ended In 22-10 Score

In a rather loose game, Round House gave the Office team a bad beating to the tune of 22 to 10 last evening. The fielding on both sides was bad. Wick for the Round House got 3 hits in six times up.

Players

Round House — Cameron, 1b; Raby, p; Tulloch, c; Moberly, ss; Bond, lf; Scherk, 2b; C. Nelson, 3b; Wick, cf; Jackson, rf.

BOBBY JONES WINS BRITISH OPEN GOLF TITLE

Bobby Jones, shown here, America's foremost golfer, finally achieved his ambition by winning British Amateur crown at St. Andrew's Scotland, from Roger Wethered. Yesterday he added to his laurels by winning for the third time the British Open Professional Golf Championship.

JONES IS CHAMPION

Took British Pro Golf Title With 291 Strokes For 72 Holes

HOY LAKE, England, June 21.—Bobby Jones yesterday won the British open golf championship for the third time with a score of 291. Archie Compston, British pro, after breaking the course record in the third round, fell away to 82 in the fourth round for a 72-hole score of 297.

Leo Diegel and Macdonald Smith, United States professionals, tied for second place with 293 strokes.

KAYO IN FIRST RD.

Von Porat Disposed In Quick Order By Young Stribling

CHICAGO, June 21.—Young Stribling knocked out Otto Von Porat in the first round of their bout here last night after two minutes and 52 seconds of fighting. Stribling not only battered Von Porat out of the heavyweight picture but leaped into the centre of it himself. Instead of pounding out a decision in the well known Stribling fashion, he was a pleasant-faced, laughing killer. Everything he did was impressive. He was all over Von Porat right from the start.

LEGION AND REG'T DRAW

Will Play In Final For Dominion Day Cup A Week From Next Monday

By holding the Regiment, which was short some of its regular players, to a scoreless draw last night, Canadian Legion qualified to enter the final for the Dominion Day Cup, the Prince Rupert Athletic Club being accordingly eliminated from the contest. It was a well fought game and both sides missed scoring chances. Field play was such that a draw might be said to be a fair result. A large crowd of fans took a keen interest in the match, weather conditions being of the best for all concerned.

The final for the Dominion Day Cup will be played a week from next Monday. Meantime, the standing is as follows:

	W.	D.	L.	F.	A.	P.
Regiment	1	1	0	3	1	3
Legion	0	2	0	2	2	2
P. R. A. C.	0	1	1	3	5	1

Yacht Race Is Big Event of Coming Week—Funny Story About a Game Hunter—Halibut Landings

The big event of the coming week in marine affairs of Prince Rupert will be the arrival next Tuesday afternoon of the racing yachts in the Seattle-Prince Rupert power cruiser marathon. Each on their handicap, the 12 entering boats left Seattle yesterday and are now churning their way up the coast over the 569.28 nautical mile course. The theoretical time for arrival of the racers at Prince Rupert is 3 o'clock Tuesday afternoon and the first boat to arrive, providing it has complied with all the regulations, will be declared the winner of the race and the holder for the next year of the handsome trophy which has been furnished by the Prince Rupert Rowing & Yacht Club under whose auspices, together with the Seattle Yacht Club, the race is being run. A minimum of seven knots has been set as the speed at which the racers must travel and it has been required that each yacht shall carry a minimum crew of three although it is expected that the most of the boats will have more than that number on board. The entering yachts have been divided into three classes—No. 1, 25 feet to 39 feet, 11 inches long; No. 2, 40 feet to 59 feet 11 inches; No. 3, 60 feet and over. There is a compulsory total time allowance or lay-over of 10 hours for each boat between Seattle and Stuart Anchorage, such total time to be taken as desired. If the boat has consumed all its 10 hours before arriving at Stuart Anchorage it may proceed; otherwise there must be a wait there until the unused portion of the 10 hours is expired. A complete log must be kept throughout the trip. The time limit of the race is six days and any boat not finishing within that time will be disqualified.

Prince Rupert has made great preparations for this yacht race which is regarded as one of the most beneficial advertising events of the year for the port. The only regret is that Prince Rupert was unable to have an entry in the race. Fine trophies have been put up locally for the winners besides those that are being offered at Seattle and elsewhere in the south. To mark the occasion of the arrival of the yachts, a half-holiday has been declared for the city Tuesday afternoon. Entertainment plans for the visitors have been completed, the principal items on the program to be the boxing tournament Tuesday night and the dinner dance Wednesday night. There will also be entertainment of a more or less private nature by officers and members of the local Yacht Club.

The following are the boats that are participating in the race: From Seattle: Maidie, Jack Powers. Bolinder, Richard Froboese. Tye, Stuart Walsh. Mary Marann, Frank Seidelhuber. Zize, C. J. E. Blang. Nisbet, Ray E. Stickler. Rowdy, Robert C. Moffett. From Tacoma: Argosy, Dr. Rich. Triton, Dr. Herbert F. Watson. From Olympia: Kittiwake, Walter Draham. Winnifred, Adolph Schmidt. From Shelton: Buccaneer, William G. Reed. There will be 56 men and nine ladies on the 12 racing boats and 21 men on two scout cruisers accompanying the racers. Following are the officials of the race: Jos. L. Patton, head judge. Arthur H. Carson and John Dybawn, judges. Daniel L. Pratt, inspector. W. J. Schertzer, starter. N. J. Blanchard, measurer. Frank W. Allen and George A. Woodland, timers at Stuart Anchorage. Lt. L. H. Haworth, R.C.N.V.R. and John Bulger, timers at Prince Rupert. Richard Froboese, chairman race committee. W. M. Meacham, secretary race committee. E. A. Rich, fleet captain.

Local nimrods will learn with envy that a hunter of merit has entered the northern game fields. B. H. Robson, wireless operator on board C. G. S. Newington, has just joined the ranks and bids fair to surpass, both by actual experience and the describing of same, anything heretofore known in these parts. Mr. Robson, while his ship was in the vicinity quite recently, armed with a vest pocket camera and a few yards of film as well as a sheath knife, rifle and running shoes (the latter articles being taken merely as a safety first idea, particularly the shoes), penetrated the headwaters of Klew Nuggett Inlet and, during the course of his explorations, had one or two rather remarkable experiences. Not the least of these was an encounter with a porcupine and, although our friend came through the battle with flying colors, he assured our correspondent that a porky swings a wicked tail. Shortly after this thrilling encounter, Mr. Robson observed tracks of a peculiar nature and of size quite unlike anything he had heretofore encountered in his various travels. As the spoor was decidedly hot, our friend determined not to further delay his departure from thence and reports having experienced good going, making excellent time to the point of his disembarkation. He has recommended to our correspondent a certain make of running shoes for speed and durability. Mr. Robson assures us, however, that, on thinking the matter over, he returned later and accurately measured the tracks and says that, to the best of his judgment, the animal was proceeding at a leisurely gait. Although the measurements were somewhat hurriedly taken, the tracks proved to be some nine feet six inches apart. As kangaroos are not plentiful north of Alert Bay, we are rather at a loss to name the animal. Suggestions have been offered by some low-minded persons that to the effect that a running shoe, placed at random in soft ground, makes an impression not unlike that of some animals and that, on the occasion of his second visit and more or less handicapped by his mental condition, our friend may have mistaken his own tracks.

Halibut landings at the port of Prince Rupert for the week of June 14-20 totalling 585,000 pounds, of which 134,000 pounds was Canadian fish and 451,000 American, brought the total of landings for the season to date up to 9,527,700 pounds made up of 2,997,700 pounds Canadian and 6,530,000 pounds American halibut. Prices during the week averaged somewhat better than in the week preceding. The high bid of the week for Canadian halibut was 15c and 6c which the N. and R. received for 1,500 pounds and the low, 11.4c and 6c which the Takla and Helge H. were paid for catches of 48,000 and 5,500 pounds respectively. The top bid of the week for American fish was 16.8c and 8c which the Sirius was paid for 10,500 pounds and the low 10.5c and 6c which several boats were paid.

The salmon canning season in District No. 2, tributary to Prince Rupert, opened on Thursday night when fishing for sockeyes and other varieties became legally permissible. All the canneries in the Naas and Skeena River divisions which operated last year are working again this summer. While it is not likely that the pack on the mainland will exceed 1929 in volume, large runs of pinks and chums are expected on the Queen Charlotte Islands toward the end of July or early in August and, with more canneries in operation, there should be considerable activity there.

The weekly close season this year will be for a duration of 48 hours from 6 p.m. Fridays until 6 p.m. Sundays. Should a given number of fishing licences in any area be exceeded, departmental officials

Seattle Yacht In: The fine 40-foot gas-engined Seattle yacht Bonnie Doon, in the course of a leisurely cruise north, was a visitor in port this week. The vessel arrived in port Thursday morning after having already been a month on the way up from Seattle and left yesterday morning to cruise Portland Canal before proceeding to Ketchikan and Juneau. On board were the owners, Mr. and Mrs. W. A. Bain, and the skipper, Caspar Mulberg, and his wife. It is interesting to note that Skipper Mulberg is an old timer of Prince Rupert, having been skipper of the Foley, Welch & Stewart power tug Hecate during railway construction days. He was kept busy renewing old acquaintances while here. The Bonnie Doon will call here again on the way south. She will be joined at Ketchikan next week for the rest of the cruise north by the Rowdy, one of the entrants in the Seattle-Prince Rupert cruiser marathon next week. The Bonnie Doon and Rowdy are twin models.

John Currie & Son have been engaged this week in the work of replacing one of the dolphins at the Prince Rupert Rowing & Yacht Club floats. About 60 feet of float has also been renewed. All is now in readiness at the Yacht Club floats for the receiving next week of the racing yachts all of which will moor there. A number of the mem-

In command of Capt. Dan McKinnon, C.N.R. steamer Prince John arrived in port at 7 o'clock this morning from Vancouver via Englewood, Alert Bay and the south end of the Queen Charlotte Islands. The vessel, which is now operating on a 10-day schedule, will sail tonight for Vancouver via Alert Bay and Englewood.

have the prerogative of extending the close season. After July 1 the aerial patrol of the fisheries will be instituted. For a start two planes are to be provided by the Western Canada Airways Ltd. and will operate at first on the mainland in the southern part of the district. Later, a third plane will be required to go into service on the Queen Charlotte islands.

J. W. Mogrehouse, who had to have his leg amputated several weeks ago following a serious accident aboard the fish packer Ogden, continues to make great progress toward recovery, considerably more rapid than might have been expected. He is now able to be outside although, of course, it may be some time ere he is able to navigate by himself again. In any case, it is a matter of great satisfaction for his many friends that he is doing so well.

The waterfront is not unconscious of the fact that an election campaign is a-borning and there, as elsewhere, the topic is one for popular discussion. The fact that either side has its ardent supporters, to say nothing of verbal proponents, makes the matter the more interesting and indicates that neither man is going to have it all his own way as far as the fishermen and those in allied trades are concerned. The politicians, it may be expected, are aware of the important part that the fishing vote may play in deciding the contest and will, therefore, conduct the necessary campaigning. The fact that the election will be held while the canneries are operating full blast will, no doubt, swell the vote from that quarter.

Owing to unseasonable weather, the anglers up to now have been loath to tie forth in any material numbers. Now that there is an improvement, however, there should be considerable activity from this on. A number of parties are already being planned for the Dominion Day holiday.

Delayed by fog and heavy freights for waypoints, C.P.R. steamer Princess Mary, Capt. S. K. Gray, did not arrive in port until 2:30 this morning from the south, several hours behind schedule. The vessel sailed a couple of hours later on her return to Vancouver and waypoints.

HINTS FOR GARDENERS PLANTS Pants should be purchased from the nearest reliable source. There is nothing to be gained by sending across the continent for them and, in fact, there is a grave risk of loss as they may not be adapted to Canadian conditions. If your order arrives before time to plant them, untie the bundle and heal in—that is, put them in a shallow trench, spread out the roots, water and leave covered with soil until ready for planting. Don't let the roots be exposed to sun or wind even for a minute. Jack Nelson is now on his way home from Toronto where he attended the recent Shrine ceremonial and the graduation of his daughter as a nurse from the Toronto General Hospital and should return here before long.
