B. C. ELECTRIC LIKELY TO BE INVESTIGATED

Leading Lawyers Advise that the Public Utilities Commission Has Jurisdiction Over Fares.

(Special via G. T. P. Telegraphs.)
Vancouver, October 27.—Legal opinions from S. S. Taylor, K. C., and R. T. Elliott are published stating that the B. C. Electric Railway Co. is not removed from the jurisdiction of the British Columbia public utilities commissioner. Commissioner Retallack recently held that only legislation of the Dominion Parliament passed last session prevented him from proceeding with an investigation into the fares charged by the tram company. Messrs. Taylor and Elliott hold that the amendment to the Railway Act is ultra vires of the Dominion Parliament.

VICTORY LOAN CAMPAIGN HERE

Meeting of Members of the Committee to Take Place Wednesday Afternoon.

The meeting of the committee for the Victory Loan was this morning postponed until Wednesday afternoon at 4:30. At that meeting a canvassing committee will be appointed and a thorough canvass of the city will be made. In most cities the active canvass commenced today, but it will be difficult for the local organization to cover the ground in less than the three weeks for the campaign.

Mayor McClymont has already organized most of the outside agents with the exception of Stewart and that lively little town will be lined up within a few days.

PRESENTATION TO SUPERINTENDENT

Mr. and Mrs. Mathieson Recipients of Valuable Presents From Cold Storage Staff.

At the noon hour today J. F. Mathieson, superintendent of the Cold Storage Company's plant, was made the recipient of a present from the staff of the Cold Storage, on the occasion of his leaving office. Mr. Mathieson is leaving this week for Portland, where he will take up business.

The presentation was made by Alderman Casey, who in a felicitous speech, expressed the regret of the staff at the loss they would feel in the departure of Mr. and Mrs. Mathieson, and on behalf of his fellow workers he presented to Mr. Mathieson a club bag and a watch, and to Mrs. Mathieson a gold nugget brooch.

VICTOR BERGER MAY HAVE TO GET OUT

(Special via G. T. P. Telegraphs.)
WASHINGTON, Oct. 26.—That Victor Berger, Milwaukee Socialist, should be excluded from the House of Representatives because of his conviction under the Espionage Act, was the resolution passed by the House Elections Committee by a vote of eight to one.

HOT CRITICISM OF GOVERNMENT

Accused of Delaying Report of the Committee Until After Tolmie is Elected.

(Special via G. T. P. Telegraphs.)
OTTAWA, Oct. 26.—Criticism is hot because of the delay in submitting the report of the Soldiers' Re-establishment Committee to Parliament. The opposition members are expressing suspicion that the report is being delayed until after the by-elections on Monday next because Hon. Dr. Tolmie at Victoria is being fought on the gratuity issue and because the recommendations of the committee will not include one for further bonuses.

FRAUDULENT CHECK SAID TO BE DRAWN

Number of Cases in Police Court Today Before Police Magistrate.

E. J. Butler was fined \$50.50 in the police court this morning under the Prohibition Act. He had liquor on premises other than private.

Frank Bennett, the inveterate beggar, drew 30 days with hard labor as a cure for having drugs in his possession.

The La Casse and Rupert bakeries paid \$10 for selling bread under weight.

M. E. Allen, alias J. Marvin, was charged with intent to defraud because he issued a check without a bank account. The case was adjourned till tomorrow.

Ada Douglas, charged with the theft of a \$900 diamond ring, appeared and her case was adjourned till October 31.

U.S. MARSHAL MAKES HYDER HEADQUARTERS

It is understood that the United States Government has been advised that the affairs of Hyder are not run always according to Hoyle and that there is need of a little gentle pressure from Uncle Sam to restrain the activities of a certain section of that energetic community. With that end in view a United States Marshal has been sent to the town and will be stationed there from this time on.

Hyder was said to have taken on all the characteristics of the "last west."

FORMALLY APPROVED AUSTRIAN TREATY

(Special via G. T. P. Telegraphs.)
OTTAWA, October 26.—After a brief discussion the House formally approved the treaty of peace with Austria. The League of Nations Covenant and labor clauses are identical with those in the German Peace Treaty.

D. D. MacKenzie while declaring that he was not prepared to offer objection to the passing of the resolution yet maintained it was not necessary.

SALVATION ARMY OFFICERS CHANGING

Capt. Hanson and Capt. Shorter of the local Salvation Army are both leaving this week, the former for Vancouver and the latter to take charge of the work at Anxox. Their places will be taken by Capt. and Mrs. Mastin who are expected to arrive from Alberta on Thursday evening.

After the new officer arrives there will be a welcome service in the Army Citadel.

SMALL BOATS ARE TYING UP

Many of Fishing Craft Will Not Go Out Again Until February.

Fish prices hovered about the 18c mark at yesterday's fish sale. There were quite a number of boats in although many of the smaller boats are now tying up until after the Christmas season. These boats will probably not be on the banks again until February. In the meantime, the supply will depend, more or less, on the larger boats from the northern banks. Four carloads of fish were shipped east on Saturday. These went through by refrigerator express direct to the large eastern cities.

The following are the catches and prices for yesterday's sale:

- Alaska, 35,000 lbs., sold to Pacific Fisheries at 17.7c and 10c.
- Livingstone, 30,000 lbs., sold to Atlin Fisheries at 18.1c and 10c.
- Restitution, 28,000 lbs., sold to Booth Fisheries at 18.7c and 10c.
- Bartalome, 6,000; Glacier, 8,000; Fram, 7,000; Clara, 5,000 lbs., sold to National Fisheries at 18.2c and 10c.
- Cape Spencer, 12,000; Didector, 3,000; Valid, 5,000; Agnes B., 5,000 lbs., sold to Cold Storage at 18.2c and 10c.
- Ingrid sold 8,000 lbs. to Cold Storage at 17c and 10c.
- Mayflower sold 3,000 lbs. to Atlin Fisheries at 17.1c and 10c.
- Royal sold 2,000 lbs. to Royal Fisheries at 17.4c and 10c.

MUSICAL COMEDY COMPANY HERE

Opening Performance will be "Two Politicians" at the Westholme Theatre Tonight.

"Two Politicians" is the rollicking musical comedy that will be put on for their opening night at the Westholme Theatre.

The party arrived early Sunday morning and had a rehearsal yesterday morning and those who saw it say that it is something which Prince Rupert people will really like.

The Fisher's Folly Girls are well known in the United States where they have played in all the important centres, coming here direct from Seattle where they played at the Orpheum. The well known ballet beauty chorus is one of the big features of the event.

The party was to have arrived on Saturday in time for the evening performance, but the unfortunate fire on the steamer delayed their arrival and consequently they appear tonight for the first time.

It is expected that when the doors open at 8:15 there will be a full house to greet the players at their opening performance.

Many of the local huntsmen spent yesterday's wet Sunday at their boat houses preparing their craft for a renewed offensive against the game of the weeds when the weather is again suitable.

Mrs. J. A. Kirkpatrick recently returned to her home in Victoria after an extended visit in Nova Scotia.

REPORT THAT MINE HAS CHANGED HANDS

Premier Said to Have Been Sold to American Smelting Co.

The following despatch under a Fernie date line has been published by the Vancouver papers: "That control of one of British Columbia's richest mines has changed hands for a considerable sum said to run into the millions, is the report circulated here through New York sources which say that Roland Wood and A. B. Trites of this city and W. R. Wilson of the Crow's Nest Coal Company, owners of the Premier mine situated near Stewart, B. C., have disposed of a majority interest in the Premier to the American Smelting Company.

Both Wood and Trites are now in New York where the deal is said to have been put through.

The Premier mine is situated in the Salmon River district at the head of Portland Canal, and was taken over about a year or more ago by the British Columbia owners who bonded the mine and paid for it out of smelter runs from rich ore, which was taken from the property. The values run highest in silver, some of it attaining tremendous values.

COUNTY COURT CASES

Three Suits to be Heard by Judge Young on November 3.

The following is the list of cases to come before his honor Judge Young at the County Court which will sit November 3:

- Ada P. McRae vs. S. Mussallem, disputed promissory note. Patmore & Fulton appear for plaintiff and W. E. Fisher for defendant.
- Fred Smith vs. Mrs. D. Rutten, sale of stove. W. E. Fisher will take the case for the plaintiff and Patmore & Fulton for the defence.
- Georgetown Sawmill Co., Ltd. vs. P. Laporte, action on price of lumber. The defendant is also making a claim for damages. W. E. Fisher will act for the plaintiff and defendant appears in person.

JOINS LAW FIRM OF WILLIAMS & MANSON

M. Gonzales of the law firm of Russell, Hancock & Anderson, Vancouver, having completed his law course since his return from overseas, has joined the local law firm of Williams & Manson. He arrived here on the boat Saturday night.

Mr. Gonzales is a law student, but will be called to the bar at the next meeting of the Canadian Bar Association, probably at Vancouver.

The regular monthly meeting of the Hospital Ladies Auxiliary will be held in the Council Chamber on Tuesday, October 28, at 4 p.m. The Auxiliary meets every Friday afternoon at 2 o'clock in the General Hospital for the purpose of sewing and mending and a cordial invitation is extended to any person who is interested in the work and who would like to help.

After October 29, there will be a change of schedule on the Prince Rupert-Stewart run. During the winter months the Prince Albert will make fortnightly trips to the mining camp.

FALL ASSIZES HERE TOMORROW

Five Cases in All to Come Before Mr. Justice Clement and Jury.

The fall assizes will commence tomorrow morning at 11 o'clock in the Court House. Mr. Justice Clement, who arrived on the train last night from Prince George, will preside and chambers will be held at 10:30. The assize list is rather lighter than usual, there being only two criminal and three civil cases entered. The following is a complete list of the cases to be heard:

Criminal.
Rex. vs. Michael J. Noone, charged with administering drugs with intent. W. E. Fisher is the Crown prosecutor and L. W. Patmore appears for Noone.

Rex. vs. Peter La France, of Stewart, charged with having carnal knowledge. Alex. Manson appears for the accused.

Civil.
Lottie Anderson vs. Gustave Bernard Anderson. Action for divorce. Patmore & Fulton representing the petitioner.

T. Omori vs. John Shirley, M. M. Stephens and T. Morita. Case arising out of ownership of gasoline boat. W. E. Williams appears for the plaintiff and W. E. Fisher for the defendant.

G. T. P. Development Co., Ltd., vs. John W. Peck. The plaintiff makes a claim of \$1,544.28 for repairs to tug boat Topaz. Patmore & Fulton appear for the plaintiff company and H. B. Robinson of Vancouver, for the defendant. Williams & Manson, agents.

PRESENTATION AT SEAL COVE

Mr. and Mrs. J. A. Thompson Recipients of Silver Flower Basket Before Leaving City.

A very enjoyable surprise party met at the home of Mr. and Mrs. J. A. Thompson on Saturday night to give them a send-off on their departure for Portland, Oregon, for which city they will leave on Thursday night next. The evening was spent with music and bridge and everyone had a very pleasant time although the affair was tinged with regret at the leaving of Mr. and Mrs. Thompson. The prize winners at the bridge were Mrs. Carmichael and Mr. Parsons.

The feature of the evening was a presentation made to Mr. and Mrs. Thompson. T. H. Johnson, manager of the Canadian Fish & Cold Storage Co., made the presentation and expressed in fitting words the general regret that will be felt throughout the city and especially in the Seal Cove community at their departure. The present consisted of a sterling silver flower basket given by the guests present.

Mr. Thompson replied in suitable terms and thanked the guests on behalf of Mrs. Thompson and himself. He said that their departure from the city was made with deep regret, but they would always hold pleasant memories of the friendships which they had made during their stay in the city.

Refreshments were brought by the guests who were as follows: Mr. and Mrs. Blance, Mr. and Mrs. Darton, Mr. and Mrs. J. Carmichael, Mr. and Mrs. Vigar, Mr. and Mrs. Parsons, Mrs. Popen, T. H. Johnson, J. G. Steen and Miss Carter.

NATIVE SILVER

D. J. Hancock, of the United Metals Co., Alice Arm, was showing some very interesting silver samples while in the city over the week-end. There were some very beautiful pieces of native silver ore and one of a very deep ruby tinge which caused considerable comment. This ore runs to very high values.

MRS. F. GARTON DIED SATURDAY

Was Victim of Pneumonia at San Francisco—Was Old-Timer of Rupert.

Mrs. F. Garton died at the home of her son in San Francisco on Saturday morning. She had been failing in health for some time and about August 1 went south to see if change of climate would benefit her. A few days ago Mr. Garton received word that she had contracted pneumonia and yesterday the sad news of her death was received.

Mrs. Garton was an old-timer of this city, having come here with her husband and family in 1909. Ever since the King Edward School was opened Mr. Garton has been janitor there. Mrs. Garton was a very active member of the Presbyterian Church and was very interested in all movements for the uplift of the community. Her death will be a source of deep regret to her numerous friends in the city. She is survived by a daughter, Jewel, as well as her husband and son. The sincere condolences of the whole community will go out to the bereaved family. It is expected that the body will be brought north by her son.

"RUGGLES OF RED GAP" AT EMPRESS TONIGHT

You might call "Ruggles of Red Gap" an international romance. At any rate it is a bubbling, scintillating, romantic picture showing the adventures of a guileless English valet cast adrift in the crudest part of the United States—low-punching Arizona.

In the role of "Ruggles," Taylor Holmes has a delightful opportunity to get the most out of his rare vein of humor.

For, when a young, good-looking Englishman, never further east than London, is suddenly set in a country the very name of which has suggested to him wild Indians, Boston Tea Party rioting and cow-boys herding cattle up and down Broadway—then something funny is sure to happen. It will be shown tonight at the Empress.

The Football Association will meet this evening at 9 o'clock in the St. Andrew's Society's rooms.

A. Belknap, of the Georgetown Lumber Co., returned from U.S. on last evening's train.

The Prince Rupert had a very light passenger list on her arrival here at 10:30 Saturday night. It was mostly made up of the Fisher Folly Girls who gave a short performance on the first night out.

The returned soldiers of the Presbyterian congregation in this city are to be entertained at a dinner at the Presbyterian church hall tomorrow evening.

Alex. Gray, the popular pianist, left for Vancouver last night to receive medical treatment at the veterans' hospital to his right eye which he lost overseas.

C. H. Sawle, the pioneer editor of Prince Rupert and founder of The Optimist which was later changed to the Daily News, arrived from New Hazelton last night, where he now publishes the Omineca Herald. He was accompanied by Mrs. Sawle.

Victory Loan Drive Starts Today.

Throughout Canada the campaign for the last Victory Loan commences today. Committees have been or are being organized and a group of canvassers will be out to call on all residents to lay before them the claims of this national loan. No matter how we feel about the political situation, the war work must be completed. Cash is necessary and as it is impossible to go outside for money, the only thing to do is to borrow it from our own people.

The advantage of borrowing at home is that the interest is paid here and spent here instead of going to London or New York to enrich the people there. It is a great thing to do our own financing. The bonds pay five and a half per cent interest and are easily exchanged for goods of any kind if it is not the intention to keep them.

Governments Both in Precarious Condition.

The Government of Canada and the Government of Great Britain are in somewhat delicate positions. Neither are feeling that they have the confidence of the people to any extent. They are feeling that any day may mean an appeal to the people. Under these conditions they must be pardoned if they get a little hysterical or if they do things from which a really sane government would refrain.

In England the Government had been used to being somewhat autocratic. It seemed necessary during the war. It was impossible to take the people into their confidence all the time. Now things have changed. The country is on a different footing and the people must rule, even if they make mistakes.

In Canada the people gave the Unionist Government a war life. Again and again the people were promised that if they would support a Unionist candidate it would be only until the war was over. Now the ministers are hanging on tenaciously. They think they see in themselves the salvation of the country and they are not carrying out the promises made on the hustings. For this they will have to pay. No Government can afford to be deceitful to its employer, the sovereign people. The people rule, the administration being the means through which they work.

President Gary Is Out of Date.

The stand taken by E. H. Gary, chairman of the board of the United States Steel Corporation, that he will not have any dealings with his employees collectively, is not in line with modern developments. He will have to give way, if not now, before long. The rights of labor are being recognized everywhere. What Gary is afraid of is that once his men get a yard they will take a mile. If he holds out long they will take two miles. It is just such attitude as that of the president of the United States Steel Corporation that causes trouble. The modern world has no sympathy with the man who does not recognize the rights of others.

Make Your Cake With It

Mrs. John Adlen was at an afternoon tea where a particularly nice cake was served. She got the recipe next day and instead of using fresh milk she used Pacific as she does in all her baking. Mrs. Adlen says it came out so well she sent a piece to her tea hostess who telephoned to know what she had done to make the cake so fine in texture.

BY-ELECTION AT VICTORIA TODAY

Barnard, the Labor Candidate, is Making Good Showing Against Minister of Agriculture.

RESULT IN DOUBT BUT TOLMIE IS FAVORITE

VICTORIA, October 27.—Much more than the usual by-election interest is being taken in the contest here. Barnard, the soldier Labor candidate, is being backed by a large section of the more radical element in the Liberal party and some of the Conservatives, led by Richard Burde, M. P. P. for Alberni, seem to have deserted the Union and are with Barnard.

On the other hand there is a large Liberal following for Tolmie and it seems pretty certain that he will be elected, especially since one or two of the ultra-rad friends of the labor candidate took the platform in his behalf. Joshua Kinkham is rallying the Liberal Unionist forces and the drydock promise is having some influence on the property owning part of the electorate.

The B. C. Federationist in a recent number sums up the situation pretty well as follows:

"It is quite evident that things do not look good for the Unionist government in the by-election in the city of Victoria. The press admits that there is a doubt as to whether Dr. Tolmie will be re-elected, and Barnard's chances seem to be excellent. Judging from the press in Victoria, the Unionist forces are up against a bigger fight than they expected. All the old political dodges are being used to defeat the Labor nominee, and every thing that he can be accused of from Bolsheviki to Nihilist, is being used. Not content with this, the press is attacking any speaker that appears on his platform, and some that they are afraid will speak on his behalf.

"Meetings have been held every evening at different places to further the interests of the Labor nominee, and packed meetings have been the rule, and at no election ever held in the province has there been such a variety of speakers on behalf of a Labor candidate. That the workers of Victoria realize the importance of the election, is manifested by the unstinted support, both financially and by the number of workers available. And if enthusiasm and work can win elections, then Barnard will be elected.

"The feeling against the Unionist government is so strong that men who have been closely identified with the old political parties are supporting Barnard, and while

ATHLETIC CLUB WORKERS MEET

Gathering Tonight at Board of Trade Rooms to Organize for Drive Tomorrow.

There will be a meeting in the Board of Trade rooms tonight at 8 o'clock of all those interested in the formation of an Athletic Association in this city. The meeting is for the purpose of organizing the forces for the big drive for funds which is to take place tomorrow. Two thousand dollars is the amount required to fit up a dressing room and provide paraphernalia for the new association. Everyone is to be asked to subscribe for this worthy purpose and doubtless there will be a good response.

An estimate on building a dressing room in the basement of the big building was secured from Currie and Nelson, contractors. It is proposed to put in showers and heating apparatus and to build a chimney which may be used by the Agricultural Association in connection with their work. The room which is to be 30 feet by 30 feet will be connected with the upstairs by a stair inside the building.

MAN BADLY INJURED AT TERRACE MILL

A man by the name of G. P. Warwick was injured, probably fatally, at Geo. Little's sawmill at Terrace on Saturday. He was working at the planer when the blade broke and struck him in the head practically sealing him. He was taken at once to the Hazelton Hospital, but little hopes are held for his recovery. He has a wife and two children who arrived from the Old Country ten days ago.

the poll may not represent the working class entirely, yet it will represent the disgust of the citizens of the Capital City, at the autocracy and incompetence of the present government.

Frisbie Engines
Complete and ready to install.

FRISBIE

the friendly motor

Frisbie Motors give long, uninterrupted service with practically no repairs except occasional grinding of valves. Valves in cages; accessible in a few seconds. An "all muscle" construction throughout, every part designed for hard work. Overhead valves, opening directly into combustion chambers. No pockets or crevices to gather carbon, and waste fuel. This type of construction effects a gain of

15 to 20 per cent. more power

than is possible with L or T-Head designs. Intake and exhaust manifolds are cast integral with the cylinder; miles ahead of the old, leaky, bolted-on manifolds. Large valves insure full charge on the intake and a complete, clean exhaust.

1 to 6 CYLINDERS—5 to 75 HORSEPOWER

Frisbie Motors are made in following sizes: 1-cyl., 5 and 7 H.P.; 2-cyl., 10 and 16 H.P.; 3-cyl., 15 and 25 H.P.; 4-cyl., 30 and 40 H.P.; 6-cyl., 50 and 75 H.P.—Bore and Stroke, 4 1/2" x 6" and 6" x 6". For work or play, the Frisbie will measure up to your hardest tests.

NEARLY DOUBLE PRESENT DOCK ACCOMMODATION

New Structure to be Built Here
Will be About 1,100 Feet Long.

SOUNDINGS TAKEN IN READINESS FOR WORK

Although definite plans for the new addition to be made west of the present Grand Trunk wharf, are not yet completed a fairly definite idea as to the extent of these improvements may be given. An addition of 1,100 feet is to be put on which will nearly double the present wharfage, it being now 1,500 feet long. Large sheds will be erected on the new wharf.

When the new dock is completed it will provide more accommodation for the heavy shipments of salmon that are passing through here at the present time and are taxing the available accommodation to the utmost. It will also allow more room for other kinds of freight if necessary. The new slips being built for the Whalen pulp will eliminate any handling of that commodity at the docks and with the new wharfage, the freight and storage situation should not be so congested another season.

Active operations have not yet begun on the wharf proper, but sounding has been going on for some time, in order to ascertain the exact depths for the driving of piles. It is much more economical and convenient to know the depths beforehand so that the piles can be cut about the right length before the driving begins.

BANQUET AT ALICE ARM

Much Progress at Camp, Makes People of the District Very Optimistic.

The second annual banquet of the Alice Arm Commercial Club is to be held on Thursday night. These banquets were instituted last fall and the first one was held about a year ago. At that time, though, the people didn't have much to rejoice about as it just followed the closing down of operations after the Dolly Varden Co. had defaulted on its payments to the Taylor Engineering Company, throwing the latter into liquidation. At that time things certainly did look pretty blue.

However, this year the famous camp has made a complete recovery and activities have been going on stronger and more confidently than ever before. The Dolly Varden has been shipping high grade ore for some time and the Taylor Mining Co., which have become possessors of all the Dolly Varden property, have very bright plans for the future.

Capital from all parts of the country is flowing in for development purposes and many new mines will soon be steady shippers. The second annual banquet promises to be a big affair and certainly it is now backed up with actual accomplishment and rosy prospects instead of disappointment and a cold, lonesome winter staring the guests in the face.

PTOMAINE POISONING

(Special via G. T. P. Telegrams.)
TORONTO, Oct. 26.—Forty or fifty people, among them the Rev. George and Mrs. Balfour, are suffering from Ptomaine poisoning as a result of a Thanksgiving supper in North Parkdale Methodist Church last night.

Miss Matilda Smith, of Alice Arm, left last evening for Seattle. She will remain there for two or three months and will meet Mr. and Mrs. Arthur Lothgren who are well known in the north. Mr. Lothgren has just recently been discharged from the U. S. army and he and Mrs. Lothgren will soon return to Alice Arm where Mr. Lothgren is interested with Salinas Bros. in the Esperanza Mines.

Bruce, the little son of Mr. and Mrs. D. J. Hancock of Alice Arm, is making a very satisfactory recovery from an operation in the General Hospital. Mrs. Hancock will return to Alice Arm as soon as the little boy can travel.

WHERE COLDS STRIKE

The throat, breathing passages and lungs are the weak spots at which colds strike. And these are the very organs most difficult to treat, because only a breathable remedy is capable of reaching the troublelodged there. Peps provides a breathable remedy, and their superiority over remedies which are swallowed into the stomach is therefore obvious. For convenience, this breathable remedy is condensed into tablet form. To take the treatment, merely dissolve Peps in your mouth, and the medicinal vapor that is released is carried by the breath to the remotest parts of the breathing passages and lungs, healing, soothing and strengthening every part with which it comes in contact. At the same time, by destroying all disease germs, these medicinal fumes prevent the development of colds, coughs and serious chest trouble.

Carry Peps with you, and when you go from an overheated building to the bitter cold of outdoors, put a pastille in your mouth. Also as a protection against germs, keep a Peps in your mouth, when breathing the impure air of a crowded theatre or store.

For colds, asthma, or chest troubles, which are already developed, Peps are equally valuable, also for bronchitis, sore throat, laryngitis, etc. All dealers, 50c. box.

BEAR RIVER MINES BONDED

George Clothier Tells of Busy Times at Portland Cagat District Centre.

RICH ORE OUT FROM NAAS RIVER SLOPE

At Least Five of Salmon River Mines to be Worked Throughout the Winter.

Enthusiastic over the future possibilities of the district Geo. Clothier, district mining engineer of the provincial government, returned at the week end from Stewart. He says that within the last week or two no less than six properties up the Bear River were bonded, mostly to American capitalists. This interest in the Bear River valley is one of the encouraging features of the development of the Stewart district.

Mr. Clothier wanted to go as far as the Naas slope where a number of rich prospects have been discovered by Mr. Hedges and his three partners. The snow was too deep, however. Some ore had been brought out by these men that went about 900 oz. to the ton.

Preparations have been made to continue work throughout the winter at the Mineral Hill, Bush, Forty-nine, and Big Missouri mines, supplies having been packed in to these before the closing of the roads.

Just as soon as the snow comes on the Salmon River road, the Premier mine will commence to ship ore, so that everything points to a busy winter and a great revival in the spring.

Mr. Clothier was in the district a month, visiting nearly every point of interest, both in the Bear River and Salmon River valleys.

TROTSKY HAS STIRRING TIME

Entire Staff is Captured at Tsarskoe-Selo, But Minister of War Escapes.

COPENHAGEN, Oct. 26.—Leon Trotsky, the Bolshevik Minister of War and Marine, reported in Petrograd to arrange for the defence of the city. Every available man, including veterans seventy years old, are mobilized by the Bolsheviks. The theatres are closed and no one is allowed on the streets after 8 at night.

Later—The entire staff of Leon Trotsky minister of war, was captured at Tsarskoe-Selo, according to a Reval despatch, Trotsky escaping by clinging to a railroad car.

RALLY DAY AT THE BAPTIST CHURCH

Special Services in Connection With Annual Sunday School Event.

Yesterday was "Rally Day" at the Baptist Church, an annual event at which an effort is made to enlist the children, and to arouse interest in the parents in connection with the Sunday School. Special services were held and in the afternoon especially there was a large attendance, larger by a good deal than a year ago.

An address to the parents was given by the pastor, Rev. J. B. Rowell and to the children by P. H. Linzey, superintendent of the Sunday School, and there was a short address of greeting from Mr. Holmes, superintendent of the Methodist Sunday School.

There was special music appropriate for the occasion. Mrs. R. B. Linzey gave violin selections and Mrs. Newell's and Mrs. Phillip's classes sang nicely, the primary class also taking part.

At the evening service the pastor spoke earnestly and eloquently on the need of earnest work in the church.

The church building was nicely decorated for the occasion with plants and flowers and inscriptions.

The cause for the street lights being out is due to transformer trouble which burnt the lamps out. Until new lamps arrive on Wednesday the most of the lights will remain out.

J. R. Morgan returned from the south on the Prince Rupert Saturday night.

"I Hope Every City and District Will Win My Flag"

When Edward, Prince of Wales—eager, bright eyed, smiling and sincere—arrived in Canada in August, and when he voiced his great admiration of the wonderful achievements of Canadians, on the fields of battle and at home, once again we were thrilled with joyous pride.

He asked concerning Canada's reconstruction programme, and when he was told of the Victory Loan 1919, he graciously consented to the use of his Coat of Arms on a flag, which is to be the prize of honour for districts achieving their quota in the loan.

In dedicating "The Prince's Flag" at Ottawa on Labor Day, His Royal Highness said in part:—

"It is a great joy to me to be associated with the loan, which is the bridge between war and peace, and which is finishing off the job."

"I hope every city and district will win my flag."

Striking, and beautiful in design, this flag will form not only an unique memento of Victory Year, but a lasting and outstanding souvenir of the visit of His Royal Highness—a visit which will remain as one of the most memorable events in Canada's history.

The reproduction above shows the design of the flag. The body is white, the edge red; in the upper left hand corner is the Union Jack, and in the lower right hand corner the Prince of Wales' Coat of Arms.

The flag is made in two sizes, 4 feet 6 inches by 9 feet for small cities, towns and villages, and 7 feet by 13 feet 6 inches for cities of over 10,000 population.

Canada has been divided into canvassing districts by the Victory Loan Organization. Each city forms one district. Other districts have been determined according to population.

Each of these canvassing districts has been allotted a certain amount in Victory Bonds to sell. To win the Prince's Flag, therefore, a district has to sell its allotment. That is the one and simple condition.

Anticipating that many districts will buy far beyond their allotment, the organization decided that for each

twenty-five per cent. excess of the quota one Prince of Wales' Crest be awarded. Thus the workers in a district doubling its quota will be the proud winners of four small crests for their Honour Flag. These crests will be sewn to the flag. The Prince's Crest—the three ostrich plumes—is shown at the top of the coat of arms.

To every organization with fifty or more employees, where seventy-five per cent. of the enrollment invests a total of ten per cent. of the annual payroll in Victory Bonds, a supplementary Prince of Wales Flag in smaller form—48 inches by 34 inches—will be awarded.

The allotment for each district has been carefully considered, and is based on a conservative estimate of the purchasing power of the district.

Your district can sell its allotment and thus win the Prince's Flag, provided each person does his or her share.

You will gladly do your part and encourage your neighbour to do his.

Remember YOUR purchase may be the one that decides whether or not your district is to be the proud possessor of the Prince's Flag.

*The Prince's Motto is "I Serve"
Will You also Serve?*
