# TOLMIE CHALLENGED BY PATTULLO

## Declares That Conservatives Are Afraid to Have Watt Hearing Because of Political Effect

Delay In Holding of Probe and Reasons Given For Same Receive Stinging Criticism From Leader of Opposition

VICTORIA, June 12:—Definite announcement was made yesterday by Premier Tolmie that the inquiry ordered by the British Columbia legislature four months ago, into the dismissal of Norman A. Watt as government agent at Prince Rupert, will not be held until after the federal election. Stinging criticism of the delay and the reasons given was voiced yesterday by T. D. Pattullo, leader of the opposition.

"A commissioner has been selected," Premier Tolmie said, "and the government is waiting his acceptance before announcing his name. We are not going to start the inquiry now and have it dragged into the election campaign," said the Premier. "It will be called with as little delay as possible after the election." No decision has been made, Premier Tolmie stated, but he thought the inquiry would probably be held in Prince Rupert. It was likely it would be open to the public, he said, but a decision had not been reached on this point.

## MAGISTRATE IS CLEARED

Prosecution Had No Evidence When Traffic Case Called

On the case, in which Police Magistrate Thomas McClymont was charged by G. W. Nickerson with parking his car more than one foot from a curb in contravention of the city bylaw, being called late yesterday afternoon, City Solicitor E. F. Jones informed the court that he had no evidence to offer. Accordingly, the case was dismissed by W. E. Collison and Ald. S. D. Macdonald, sitting as justices of the peace.

Mr. McClymont explained the impossibility of parking close to the sidewalk opposite his office as when, within the 12-inch limit, the doors of any car would jam against the high sidewalk when opened. It was absolutely necessary to park sufficiently far from the curb to allow the doors of the car to open and that was beyond the limit. The same condition applied on the opposite side of the street, due to the sidewalks being so high above the street level.

## ILLEGAL TO RIDE HANDLE BARS OF BIKE

As a result of a recent accident when two girls riding on a bicycle knocked over a small Booth School pupil, J. O. Williamson, secretary of the school board, has sent a notice to all school principals reminding them that the practice of riding people on the handle bars of bicycles is contrary to law. The police are also being asked by the school secretary to strictly enforce the law in this matter.

The steps that had been taken by the secretary were reported to the school board last night.

## Organize Against Chicago Gangsters

CHICAGO, June 12:—A big new organization is being formed here following the shooting of a newspaper reporter named Russell, by gangsters, its purpose being to carry on a war against the illegal element in the city. The newspapers of the city are contributing largely toward the funds and it looks as if there would be a hard time in future for those who deliberately set the law in defiance.

## LOOK INTO ORE STRIKE

Dr. Mandy and Guggenheim Engineer Leave For Stikine

WRANGELL, June 12:—Two experienced mining engineers left here yesterday for the Cassiar district on the Stikine River in British Columbia where a strike of copper-gold-silver bearing ore was reported recently.

Dr. Joseph T. Mandy, resident mining engineer for the British Columbia government at Prince Rupert, went in to survey the district for his government and B. B. Neiding, formerly with the Kennecott Copper Corporation, left for the district to look over the strike for the Guggenheim interests.

## BANQUET OF TOC H

Fifty Persons Gathered at Successful Affair Last Evening

The second annual banquet of Toc H was held last night in the Commodore Cafe and proved a very pleasant affair for the fifty or so persons in attendance.

Thomas Andrew was toastmaster and speakers included Mayor C. H. Orme, who expressed his approval of the movement for young men here; Very Rev. J. B. Gibson, padre of the group who proposed the toast to the patron of Toc H, the Prince of Wales; Dr. W. C. Aspinall, who proposed the toast to Toc H; Adjutant William Kerr, who responded; Canon W. F. Rushbrook; Rev. Alfred Wilson, who proposed the toast to the ladies, and Ald. P. H. Linzey, who responded.

During the evening, the marching song of Toc H, "Roger Rum," was sung with much zest with H. Bradshaw leading. The evening closed with dancing to the strains of music furnished by Mrs. J. S. Black.

## CAMPAIGN MANAGER

L. W. Patmore has been appointed Liberal campaign manager for Skeena riding in the forthcoming federal election.

Hearing of evidence in the case of Mrs. Sam Bill, charged with keeping liquor for sale, started in city police court yesterday afternoon and the trial was adjourned until this afternoon.

## BIRTH

A son was born last night at the Prince Rupert General Hospital to Mr. and Mrs. G. F. Cummings, 117 Fourth Avenue West.

## Son of Former Premier Is Set Free on Charge of Committing Assault

Chief Justice Morrison Gives Strong Advice to Jury to Free Penticton Man From Assize Court Allegation

VERNON, June 12:—It took less than twenty minutes for an Assize Court jury yesterday to return a verdict of not guilty in the case in which Charles Oliver, son of the late Premier John Oliver, was charged with assaulting Dr. V. E. Latimer in Penticton on November 25 last. In his address to the jury, Chief Justice Aulay Morrison, the trial judge, said: "The first thing you must consider is: was Dr. Latimer assaulted and who assaulted him? What evidence is there to show that the accused had anything to do with the assault? The evidence, if there is any, is only inferential against accused."

## MACKENZIE IS CHOSEN

Formally Nominated Liberal Candidate in Vancouver Centre

VANCOUVER, June 12:—Ian Mackenzie, Liberal member of the legislature for North Vancouver, was nominated Liberal candidate for Vancouver Centre federal riding in the forthcoming general election at a convention here last night. The nomination was unanimous.

Vancouver South Conservatives again nominated unanimously Leon J. Ladner, the late member. At Cranbrook, Kootenay East Liberals nominated J. F. Guilford, Canadian Pacific train dispatcher, to contest the seat of Hon. Dr. J. H. King, who is being elevated to the Senate.

## VANCOUVER WHEAT

VANCOUVER, June 12:—Wheat was quoted on the local Exchange today at \$1.05 7-8.

## FIVE HERE GRADUATED

Registered Nurses' Exams Show Local Candidates Were Successful

Results of recent Registered Nurses' examinations in the province have been published and show that five young nurses from the Prince Rupert General Hospital were successful in the tests—Misses E. M. Dobbie, M. S. McRae, O. Gordon, M. Martin and J. Olafson. Miss K. Rowley of the Vancouver General Hospital led the province in the examinations.

## TORIC CLOSES

The Toric mine, at Alice Arm, which has been under development by the Britannia Mining Co., has closed down, according to word reaching the city. John Madronich, who was employed there, arrived in the city this week and left today for a trip to his native home in Jugo-Slavia.

## Two Fires Believed to Be of Incendiary Origin, Do Damage of Half Million in Winnipeg

WINNIPEG, June 12:—Property valued at more than \$500,000 was destroyed here early this morning in two fires both of which are believed to have been on incendiary origin. The first fire, starting at midnight, destroyed the McDiarmid Block in the northeast section of the city. While the firemen were fighting this, an alarm was turned in from the northwest section of the city where a fire raged through the premises of the Caledonia Box Co., destroying the plant and huge piles of lumber in the yards and extending to the plant of the Prairie City Oil Co. where gasoline stills exploded, scattering the burning oil in all directions. Firemen, aided by volunteers, fought the blaze for five hours.

## SALMON PRICES

Canners Name Their Figures; Fishermen to Consider Them

VANCOUVER, June 12:—A joint committee of operators and canners have reached an agreement on the following prices for the year:  
Sockeye, 50c each.  
Cohoos, 22 1/2c each.  
Pinks, 4c each.  
Chums, 5c each.  
Red Springs, 7 1/2c per pound.  
These prices will be submitted to a meeting of fishermen in New Westminster over the coming week-end.

It was stated here today that the prices mentioned above would apply to the Skeena and Naas Rivers and that they had been agreed upon last night by the fishermen's committee in Vancouver.

James Moriarty, C.N.R. roadmaster at Prince George, was an arrival in the city yesterday from the interior.

## SCHOOL BOARD LETS CONTRACT

W. J. Greer Given Work of Repairing Borden Street School

The school board last night accepted a tender from W. J. Greer of \$458 to reshingle and flash two sides of Borden Street School building. The tenderers were:  
J. L. Jollymore, \$535.  
L. C. Eby, \$480.  
Home Builders (Ytreberg) \$385.50.  
W. J. Greer, \$458.  
It was moved by Earl Barrie and seconded by J. H. Thompson that the Greer tender be accepted.

## Need of Business Man

Many people think that a man must be a good speaker in order to make a good representative in the House of Commons at Ottawa. A bigger mistake could not be made. Many of our members of Parliament never rise in the House to debate. Some of our best members have sat in the House for many years—without ever making a speech in Parliament. These men are trained business men who work on committees of the House.

One of the first things the House of Commons does each session is to appoint numerous committees (such as the fisheries committee) to study the details of the business required to be done by Parliament during that session. Here is where the most important work of Parliament is performed. Here is where Canada receives its most valuable service from its legislators. Here is where eloquence is discounted. It is not wanted. Men of much verbosity are a bore and a nuisance to these committees. Trained business men can perform wonders in carrying through the business of the House in committee.

Olof Hanson, the Liberal candidate, is a trained business man. He has made a great success of business. He is one of the outstanding successful business men in the north.

If one of us had some private business to have attended to at Ottawa, whom would we choose to attend to that business for us if we were offered the services, first of a trained business man, successful in business, or second, of a trained elocutionist, a man of letters, but without business experience?

The business of a constituency should be treated in the same way as you would treat your private business affairs.

#### SIMON COMMISSION

Keen interest will be taken all over the world in the report of the Simon Commission which has been making investigations in India with a view to advising the British Government what steps to take in regard to governmental reforms in that country. The first part of the report has just been issued but it is only a preparatory report to the definite recommendations which will follow. Toward the end of the month the vital part of the report should be issued and the people of the world will then have some idea what line of action is likely to follow. Possibly if the recommendations are followed out the troublous condition of the country may be improved very considerably.

#### WASHINGTON REPORT

The report coming from Washington in regard to trade conditions in Canada is that of an outside country reporting on the conditions of a neighbor and it is a very favorable one. It is a summary of the reports of the consuls and agents throughout the country and indicates that the condition of Canada is improving. There is every reason for congratulation that we have come through the ordeal of a stock market slump and wheat tie-up without seriously affecting the condition of the country.

#### ALBERTA ELECTION

Alberta provincial nominations have been made and the farmer government is on trial by the people of that province. In a few weeks it will be known whether they will be sustained or not. Judging from a distance, it seems as if the Brownlee Government will go back and carry on much as they have been doing. Neither of the other parties seem to have made any headway against them and it seems as if the people there were satisfied. The government is drawn from both political parties and is really a sort of coalition going under the name of "United Farmers." The result will have little effect on the federal elections.

#### ISOLATION HOSPITAL

The isolation hospital in Prince Rupert is in a curious position. It is operated by the city under the medical health officer but it has no means of carrying on without drawing upon the general hospital. It has no staff and no means of securing any in an emergency. Often for months at a time it is unused. In fact the general condition is that it is vacant. Yet an emergency may arise at any time.

The natural thing for such an institution would be for the general hospital to take it under its wing, the city making such allowance as may be necessary to prevent it being a drain on hospital finances. That would enable it to be administered efficiently and to the best advantage of the whole community.

#### BORDEN STREET SIDEWALK

There is a complicated condition existing today on Borden Street in connection with the building of a sidewalk for the use of the residents. It seems that there are several factors which make a solution difficult. There is a difference of opinion among residents as to what should be done. Also any desire of the residents has to pass the engineer, board of works and the city council. The representatives of the whole city have to be satisfied as well as the property owners on the street. In the meantime the street has no sidewalk, until such time as a general agreement as to location, grade and cost can be reached.

## LUNCHEON OF GYROS

### Visits From District Secretary and Y. M. C. A. Organizer Expected

The Prince Rupert Gyro Club, at its regular monthly business luncheon yesterday, was advised that Thomas Thompson of Tacoma, secretary for District No. 4, would be here on Wednesday next to pay an official visit to the club. It was decided to mark the occasion by holding a dinner dance that evening. Ketchikan will be notified and it is expected that the Gyro Club there will be represented at the affair. Secretary Thompson is coming north in place of District Governor Alex Davis who had intended coming but found it impossible to do so.

On Thursday of next week there will be a joint Rotary and Gyro luncheon in connection with the visit to the city that day of D. McAllister, field organizer for the Y. M. C. A. The project for the establishment of a gymnasium in Prince Rupert will be discussed with Mr. McAllister and other organizations in the city are being invited to be present and take part in the conference. A number of communications in connection with the gymnasium project were read at yesterday's luncheon.

The local club decided to be represented at the International Gyro convention in Tacoma next month and steps will be taken at once to name the official delegate.

A letter from Ed. Kagy of Cleveland, international secretary, stated that it was possible that a number of delegates to the Tacoma convention might travel via Prince Rupert on their way east after attending the big gathering.

Norman Freeman was the winner of the luncheon raffle. There was a good attendance of members at the luncheon and President C. A. Kirkendall was in the chair.

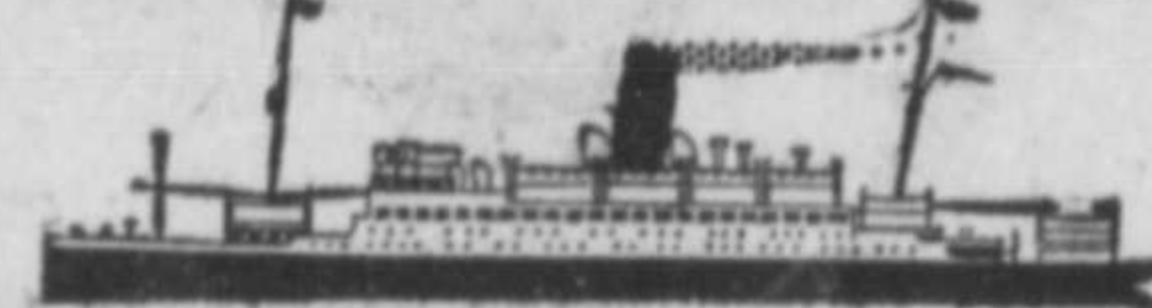

### Enjoyable Shower For Bride-Elect

#### Mrs. Byrne and Miss Mussallem Hostesses For Miss McKenzie

A very enjoyable shower was held on Tuesday evening by Mrs. Peter Byrne and Miss Wadlar Mussallem, 346 Fourth Avenue West, in honor of Miss Chrissie McKenzie. During the evening there was tap dancing by Misses Freda Mussallem and Mickey Skattebol. Piano selections were rendered by Mrs. Jas. Black and Miss Helen McCaffery. There was also a vocal solo by Mrs. Goodsell. Many beautiful gifts were presented showing to some extent the popularity of the bride-elect.

School board accounts and pay-rolls totalling \$7,628.39 were passed for payment by the trustees at their monthly meeting last evening.

The board of school trustees is advertising in the Vancouver Province for two teachers for the High School, filling vacancies which will occur at the end of the present term.

D. H. Hartness, principal of King Edward High School, reported at last night's meeting of the school board that a new cupboard had been installed in the office of the school, greatly relieving congestion there.

D. McD. Hunter, who has been on a 10-day trip down the coast as far as Queen Charlotte Sound making arrangements for federal election polling at various points in the riding, will be returning to the city on the Cardena tonight.

The school board, at its regular monthly meeting last night, after regular business had been transacted, adjourned into private session to receive a confidential report from H. C. Fraser, inspector of schools, on the work of the teachers in the various schools. The press was asked to retire

Completing her first voyage on summer schedule, C. N. R. steamer Prince Charles, Capt. McKay, arrived in port on time at 10:30 this morning from Stewart, Anyox and Massett. The vessel brought a rather light passenger list here.

A letter from Orme's Limited, read at last night's meeting of the school board, stated that, whereas the company had tendered \$154 on supplies of chemicals to the High School, the goods had been purchased at a lower cost price than had been expected so the board was being given the benefit of this and billed only \$125.25. Appreciation was expressed by the board at the action of the drug store.

## Jabour Bros. Ltd.

Cor. Third Ave. & Seventh St., Prince Rupert, B.C.

School savings for the month of June were reported as follows at last night's meeting of the school board: Booth School, \$72.38; Seal Cove, \$37.30; Westview, \$3.60. It was reported by Miss Mills that 69 pupils had continued their savings accounts throughout the year.

Miss J. D. Moffatt reported to the school board last night that a stove pipe at Westview School was still giving much trouble. Whenever the wind blew, the room became full of smoke. The necessary repairs will be made during the summer holidays.

### A Message to Mothers of Bottle-Fed Babies

IF YOUR baby is not thriving on his present food we suggest that you and your doctor consider Eagle Brand Milk. Eagle Brand is so easy to digest that it is comparable to mother's milk in this respect. Practical tests over a period of more than 70 years have proved it the food most likely to "agree"—not only with healthy babies, but in difficult feeding cases where other foods fail. And Eagle Brand is always pure, always uniform, always safe, even in the hottest weather. We have on file thousands of letters from grateful mothers all over Canada who have successfully reared their babies on Eagle Brand.

TWO BOOKS EVERY MOTHER WILL DESIRE

"Baby's Welfare" is a free booklet containing practical feeding directions and suggestions for supplementary foods. It has a wealth of other information very useful to mothers. "Best Baby" is an exquisite little book in which you may record baby's growth and progress. It is free, also. Use the coupon below.

## Sharkey Is Betting Favorite and Thinks It Will Be Easy to Beat Schmeling This Evening

NEW YORK, June 12.—Caught in the fever grip of another heavyweight championship battle, New York fused and spluttered today, predicted and argued, bullied and fought for tickets and waited restlessly for Jack Sharkey's 15-round duel with Max Schmeling in Yankee Stadium tonight. Gross receipts are expected to reach \$750,000. Sharkey, in the betting, remained the favorite at 9 to 5.

"This fight is going to be a cinch," Sharkey stated today. "I never felt better. It won't even be close."

Schmeling stuck to his knitting. He expects to say it with gloves at the proper time.

## ROUND HOUSE TAKES LEAD

Defeated Dry Dock 4 to 3 In  
C. N. R. Softball Last  
Night

In a postponed Canadian National softball fixture last night, the Round House defeated the Dry Dock in a very close and exciting contest by a score of 4 to 3. It was easily the best game of the season, and anybody's win up to the last man out.

J. Smith for Dry Dock, secured three hits in four times at bat and Wendle, for Round House, got three hits in five times at bat. Nelson, for the Dry Dock played a splendid game, while Curley Nelson's spear of a line drive was the feature for Round House.

## SPORT CHAT

Sons of Canada and Centrals will meet in the Senior Baseball League this evening and a keen contest is expected. The Hotel Men will endeavor to get back into first place with the Elks while the Canucks will strive to chalk up their first mark of the season in the victory column. The Elks now have three wins to their credit with a single loss. The Centrals have won twice and been beaten twice while the lowly Canucks have been vanquished thrice and unlucky to have, so far, been unable to record a single win. New players will also make their debut on the diamond tonight and that should make for added interest.

## SOFTBALL SCHEDULE

June 13—Dry Dock vs. Offices.  
June 17—Station vs. Dry Dock.

June 20—Roundhouse vs. Offices.  
June 24—Roundhouse vs. Dry Dock.

All games will be played at 7 p.m.

New York Giants Won From  
Pittsburg — Athletics  
Lose to Indians

NEW YORK, June 12.—New York Giants won their ninth consecutive victory yesterday by defeating Pittsburg Pirates.

Daddy Vance held Cincinnati to four scattered hits but the Brooklyn Robins were forced to rally in the ninth inning to beat the Reds.

In the American League, Detroit Tigers got to four New York pitchers for 14 hits. Lou Gehrig got his fourteenth homer of the season.

Philadelphia Athletics used two pitchers—Grove and Shores—in a vain attempt to stave off the Cleveland Indians.

Irving Hadley held Chicago White Sox to five hits while his teammates pounded Dutch Henry for a victory.

## BASEBALL LINE-UPS

Baseball line-ups tonight will be: Sons of Canada, Gomez, Lambie, Wm. Mitchell, E. Smith, B. Wendle, V. Menzies, Geo. Howe, J. Nelson, D. Frizzell, R. Stalker and J. Ratchford.

## PRESTIGE . . . DISTINCTION ARE THE RESULT OF BASIC EXCELLENCE

CONSEQUENTLY, this fine old ginger ale wins countless friends. It is served wherever connoisseurs gather. It is the favorite beverage in countless homes. Its wonderful flavour, its marvelously healthful qualities make it indeed the Champagne of Ginger Ales.

1. The very foundation of "Canada Dry" is "Liquid Ginger"—which is made from selected Jamaica ginger root by a special process.
2. This process is exclusively controlled by us and, unlike any other method, retains for "Canada Dry" all of the original aroma, flavour and natural essence of the ginger root.
3. Therefore, this fine old ginger ale has a basic excellence which belongs exclusively to it and is the property of its makers.

# No thrill like an Eight No Eight like a HUDSON

## Easy to Buy— Inexpensive to Operate

Hudson sweeps aside the barrier of high price and operating costs on eight-cylinder cars. An amazing new development is giving thousands distinction and performance hitherto known to only a few.

From the moment you take the wheel of this most modern of Eights, you will be conscious of its superiority. Beautiful and powerful, it is excelled by no car in fast get-away and smoothness.

Loaf along in high gear. Then without touching the gear shift lever push your foot to the floor and dart ahead at express train speed.

Come, see it and ride in it. It will renew your first glorious zest in motoring. It will thrill you with the power of its eight cylinders. It will

delight you with operating economies never before achieved in a car of its performance. And you will say, as thousands are saying, "Here is a Car".

Arrival Here on June 24 of Yachts From Seattle to Be Marked

At the request of the Prince Rupert Rowing & Yacht Club, the school board at its meeting last night ordered a school half-holiday on the afternoon of June 24 when boats in the Seattle-Prince Rupert power cruiser marathon are expected to arrive here.

The board decided to grant the half-holiday after Mrs. T. M. Spencer, chairman, had stated that examinations would practically be all done by that time and principals of the various schools were favorable to giving the holiday.

The children will be dismissed at 12 noon and will not be required to come back again that day.

John R. Morgan, who arrived yesterday from Vancouver, went out today to Billmor mill where he will spend the next few days, leaving next Monday evening on the Prince William for his logging operations at Cumshewa Inlet, Moresby Island. Mr. Morgan states that there is no immediate prospect of the new Billmor mill opening up.

At the Borden Street School, 44 pupils had perfect attendance during the month.

Empire Day ceremonies in connection with the schools were reported upon at the meeting of the school board last night. For the older children there was a program by the Imperial Order. Daughters of the Empire, in the Capitol Theatre while, for the younger children, exercises had been held in the schools. The High School had a separate meeting in the auditorium of Booth Memorial School.

## TEACHERS MUST STAY

Board Expects They Will Remain Until Final Day of School Term

A suggestion from teachers of the King Edward High School, submitted through the principal, D. H. Hartness, and with his approval, had members of the teaching staff be allowed to leave on conclusion of examinations, a few days before the statutory date for school closing at the end of this month, did not find favor with the board of school trustees on being brought up at last night's meeting. The teachers will be informed that the board has no authority to allow them the time off and that they will be expected to remain at their posts until the end of the term.

It was explained that grade examinations would be over on June 9, and the matriculation exams a few days later. Principal Hartness saw no reason why the teachers should be required to stay around after the examinations.

In a discussion on the question which followed, the opinion was expressed by members of the board that, as the term did not conclude until June 27, it was but reasonable that the teachers should remain at work. In any other work, it would be required. It was suggested that here might be matters preparatory to next year's work that might well be taken up during the last few lack days. There was also presiding examiner work.

The consensus of opinion was unfavorable to the suggestion that the teachers leave before June 27.
