

FIGHT FOR ALL-BRITISH BEER FAILS

Conservative Motions On Budget Voted Down In House of Commons

Rt. Hon. Phillip Snowden Is Obdurate and Declines to Accept Amendments For Encouragement of Home Production

LONDON, May 1:—The Conservatives lost their fight in the House of Commons yesterday for All-British Beer. They had two amendments to beer tax resolutions of the budget. One would have diminished the increased beer duties proposed under the budget and the other would have given a rebate on beer made from home-grown hops.

HER FLIGHT HAS FAILED

Forced Landing Prevents Duchess of Bedford From Making Record on Croydon-Cape-town Hop

SOFIA, May 1:—The Duchess of Bedford, attempting to complete a round trip flight from Croydon to Capetown in 19 days, made a forced landing near the Jugo-Slavia frontier and lost the last hope of getting to London in time to set the record.

Prince Charles to Be Overhauled At Local Dock

C. N. R. steamer Prince Charles, Capt. E. Mabbs, arrived in port at 11:30 last night from Vancouver via the Queen Charlotte Islands with passengers, freight and mail.

There are contests this year for every office of the Women's Canadian Club. Nominations were received at a meeting last night in the City Hall and the elections will take place on Wednesday evening of next week.

Aiyansh Woman Dies in South

Remains of Mrs. Agnes Stewart Coming North For Burial

The death occurred at the end of last week in Vancouver of Mrs. Agnes Stewart of Aiyansh, aged 57. The remains are to be brought for interment at Aiyansh.

PASTOR IS WEDDED

Rev. Dr. Stevenson, Who Was Here Last Year, Marries Very Busy Girl

A quiet wedding took place in the presence of a small circle of friends of the contracting parties, at Weyburn, Saskatchewan, April 14, at 1:30 p.m. when Rev. Robt. Macaulay Stevenson, M.A., Ph.D., F.R.G.S., minister of Mount Pleasant Presbyterian Church, Vancouver, B.C., and pastor of First Presbyterian Church here for a short time last year, was united in marriage to Miss Margaret Patterson Bennett, only daughter of Mr. and Mrs. Alexander Bennett of Weyburn.

The ceremony was conducted by Rev. W. A. Cameron, minister of Knox Presbyterian Church, Weyburn, the wedding march being played by Mr. Alex Findlay, at the home of the bride's parents on Government Road. The bride, who was given away by her father, looked charming in a pretty dress of caprice blue georgette and carried a bouquet of carnations and lilies.

The matron of honor was Mrs. W. J. Jolly, who was dressed in a becoming gown of reseda green georgette. The bride's mother wore a gown of dahlia crepe.

Immediately following the wedding luncheon Dr. and Mrs. Stevenson left on the 3:15 C.P.R. train en route for Vancouver. The bride travelled in a costume of beige velvet, with fur collar, and wore a pattern Prima hat of braid straw and moline in the new patou bisque shade.

Mrs. A. Findlay poured tea and Mesdames F. J. Ballantyne and R. Ferrod assisted during the serving of the luncheon, the table decorations for which were most artistically arranged.

The bride was in receipt of many beautiful and costly gifts from friends in Weyburn, Regina and elsewhere.

Both bride and groom are well known and greatly esteemed in Weyburn and vicinity. Dr. Stevenson having been the popular minister of Knox Presbyterian Church here during 1927-28, while the bride, has won a high place here not only because of her fine qualities of mind and heart but also because of her outstanding ability as a vocalist. She studied the piano under Mrs. Edna Hawkins and took her vocal lessons under Dan A. Cameron, Regina, and holds an A.T.C.M. degree. The best wishes of their many friends in Weyburn accompany Dr. and Mrs. Stevenson.

REEVES-MACDONALD MAY CLOSE DOWN

Congratulations on Opening of New Islands Service

THE Daily News extends congratulations to the people of the Queen Charlotte Islands on the inauguration of the new service with Prince Rupert direct by means of the fine little steamship Prince William. This is a service that has been asked for the past ten years. It is hoped that the Queen Charlottes will develop rapidly and that the relations between the people living there and at Prince Rupert will always be most cordial. Lack of transportation has held the islands back and it is much to be desired that the service be increased very soon.

Imperial Preference Is Featured In Dunning Budget Introduced This Afternoon In Parliament

Forty-Four Million Dollar Surplus Reported—Decreases in British Tariff on Many Items—Reduction of Sales Tax—New Income Tax Exemptions

OTTAWA, May 1:—Hon. Charles A. Dunning, minister of finance, introducing his budget today, estimated a surplus of about \$44,500,000 for the fiscal year of 1929-30. Total expenditures for all purposes amounted to \$402,815,000 and total ordinary and special revenue was placed at \$447,322,000. Ordinary and special revenue decreased \$14,325,000 from the previous year while expenditure was \$22,514,000 greater than in the preceding year. The minister pointed out that the decreased revenue was due to the abolition of the so-called "nuisance" taxes while substantial reductions had also been made in the sales tax. "Numerous and complex" tariff changes were announced including, under general tariff, increases in the rates of 54 items and decreases of 46; under the intermediate tariff, increases in 35 items and decreases on 98 and, under the British preferential tariff increases in rates on 11 items and decreases on 270. The minister predicted that the changes would have the effect of greatly increasing the British preference in the Canadian market.

The duty on New Zealand butter is increased from one to four cents per pound and the trade agreement now in agreement with New Zealand will be terminated on October 12 and a new agreement announced soon. The duty is removed on British grown tea and reductions are made on printing machinery. There is a reduction on machinery not made in Canada with increases when made here.

No Tariff War "Canada will not engage in a tariff war with any country," Mr. Dunning declared, adding that the tariff changes are not as a result of bargaining with any other country but are an expression of the spirit in which Canada would approach the Imperial Economic Conference to be held in a few months. "We will approach other countries of the British Commonwealth in the spirit of broad willingness to become in any ever-increasing measure good customers of those who treat us in a like manner."

Other budget features are: Reduction of the sales tax from two to one per cent. Income tax made applicable to employees of Canadian companies living abroad. Downward revision on the tax brought in last year on sales and transfer of stock. Bounty of 49 1/2 c per ton on Canadian bituminous coal used in smelting.

Income tax changes including exemption in the case of co-operative companies and associations; wider range of exemptions in the case of dependants of a tax payer; exemptions from tax in the case of all donations to churches, schools, hospitals, etc. New tax rate on sale of shares ranges from one-tenth on one per cent on shares valued under \$1 up to 5c on shares of \$150. On bonds, debentures or debenture stocks the rate will be 3c for each \$100 or fraction thereof.

WASHINGTON, May 1:—The delegates from the London naval conference have returned and this afternoon reported to President Hoover in regard to their activities. The cost of the delegation has been approximately half a million dollars. VANCOUVER WHEAT VANCOUVER, May 1:—Wheat was quoted on the local exchange today at \$1.05 1/4.

Cannot Develop Mine Economically Unless Granted Water Power

Company Rejects Arrangement Whereby West Kootenay Power & Light Co. Would Get Pend Oreille Rights

VICTORIA, May 1:—Declaring that vast ore bodies adjacent to the Pend Oreille River could not be economically developed with purchased power, D. N. Hossie, counsel for the Reeves-Macdonald Mining Co., yesterday notified the provincial water board that plans to open up the property would have to be abandoned unless the mining company was accorded the waterpower rights on the Pend Oreille River. The proposal of the government that the West Kootenay Power Co. be allowed to develop the full capacity of the Pend Oreille River and be required to sell power to Reeves-Macdonald at the price now charged the Consolidated Mining & Smelting Co. was rejected by Reeves-Macdonald.

BUILDING STILL UP

1930 Maintains Lead Over 1929 Although List For Month of April Was Very Light

Although building permits in this city for April totalled only \$3,250 as against \$22,050 in the same month last year, the total for the year to date, amounting to \$43,685.50, is still ahead of 1929 when the total at a similar late was \$32,260.

There was no very large or important work provided for in the list for April, the items being as follows:

- T. Elliott, Sixth Ave. E., repair foundation, \$50. J. A. Belanger, Ninth Ave. W., general repairs, \$300. Empress Hotel, Third Ave. W., shingling, \$250. G. A. Bryant, Fourth Ave. W., general repairs, \$500. New Empress Club, Third Ave. W., addition to gym., \$250. A. H. Bartlett, Seventh Ave. E., addition to residence, \$250. L. Palmero, Fulton St., constructing foundation, \$600. Mrs. Salaney, Fraser St., shingle roof, \$50. A. McCorkindale, Sixth Ave. W., repair foundation, \$100. A. McCorkindale, Seventh Ave. W., repair foundation, \$100. Mrs. A. M. Shortridge, Third Ave. W., addition to store, \$600. J. Haidek, Ninth Ave. E., shingle roof, \$100. Fred Scadden, Fraser St., remove building, \$100.

PRESS HEAD IS ELECTED

John Scott of Toronto Again President of Canadian Press—Burd and Swayne B.C. Directors

TORONTO, May 1:—At the annual meeting of the Canadian Press yesterday, John Scott of the Toronto Mail and Empire was re-elected president. F. J. Burd of Vancouver and C. Swayne of Victoria were elected directors for British Columbia.

Reports of the management dealing with expansion of news service and estimates for the coming year were unanimously adopted.

Jumps Overboard In Gulf of Georgia

Rene Bourque, Nanaimo Stevedore, Plunged Into Ocean From Steamer Princess Elaine

NANAIMO, May 1:—Rene Bourque, local stevedore, who had been living in Vancouver since Friday jumped overboard in the Gulf of Georgia last night from the steamer Princess Elaine while en route here. The body was not recovered.

Customs Revenue Here Decreased

Collections For April This Year \$16,250.12 as Against \$22,556.75 in April Last Year

Customs and excise collections at the port of Prince Rupert for the month of April totalled \$16,250.12 as against \$22,556.75 in the same month last year. The total for the present calendar year to date now stands at \$72,851 as compared with \$74,344.11 in the same period last year.

TOMORROW'S TIDES Friday, May 2, 1930 High 3.15 a.m. 21.5 ft. 16.29 p.m. 17.4 ft. Low 10.08 a.m. 2.7 ft. 22.07 a.m. 8.3 ft.

IS LAID TO REST

Funeral of Nels Fagerlie Took Place This Afternoon—Had Long Service in Great War

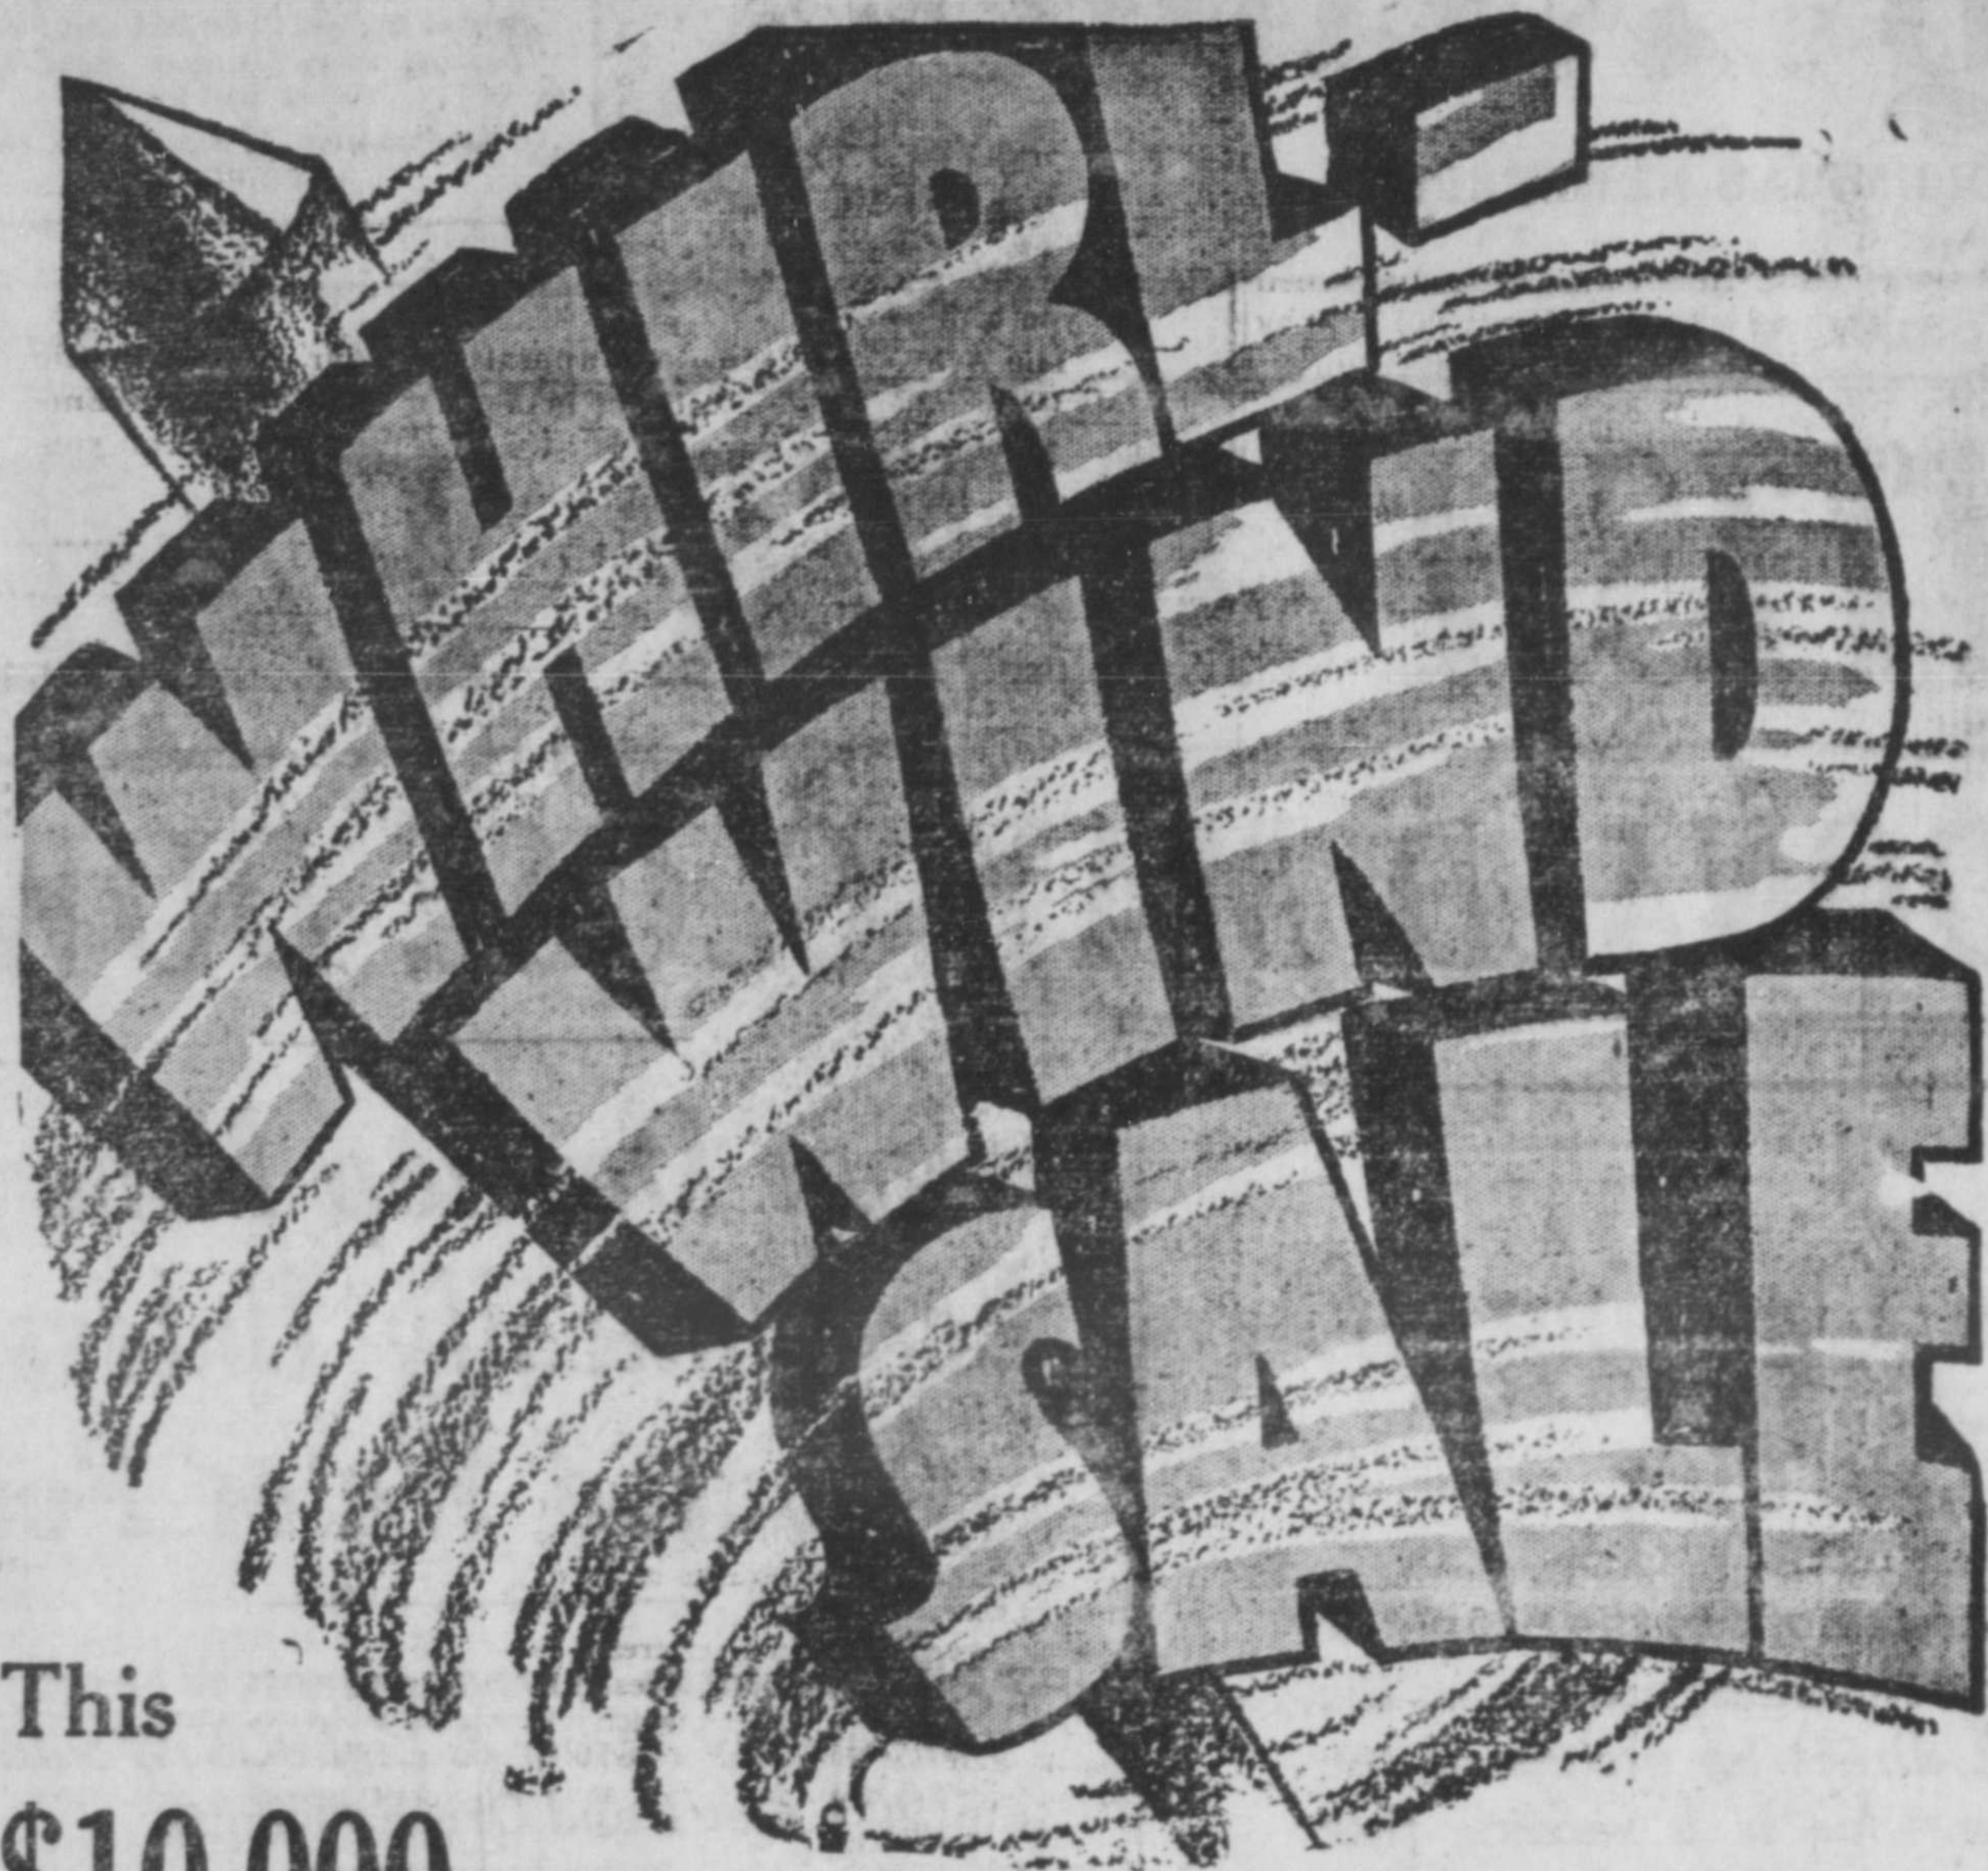

The funeral of the late Nels Fagerlie, brother of Mrs. John Dybhavn of this city, who died last Saturday at Stewart, took place this afternoon. There was a service in the chapel of the B. C. Undertakers at which many friends, including members of the Canadian Legion and Moose Lodge of which deceased was a member, gathered to pay their final tributes of respect. Rev. John H. Hanson, pastor of St. Paul's Lutheran Church, officiated; W. Vaughan Davies presided at the organ, and there was a solo by John E. Davey. After the service, interment was made in Fairview Cemetery, a large concourse following the cortege to the final resting place. Three members of the Canadian Legion and three of the Moose Lodge acted as pallbearers.

The late Mr. Fagerlie, who was a pioneer prospector and mining man of this district, enlisted on August 3, 1915, with the 242nd Forestry Battalion and, after serving throughout the war, was honorably discharged on May 21, 1919, on demobilization. He was twice wounded in action in France.

Residents of Bellingham Are Given a Scare

BELLINGHAM, May 1:—There was great excitement here yesterday when a landslide occurred in the residential district. The earth settled for two blocks causing the houses to twist and jam and become out of alignment, and sidewalks to break and heave.

THE WEATHER Prince Rupert—Cloudy, calm, temperature, 40.

This **\$10,000** STOCK OF FINE SHOES MUST GO.

Store-Wide In Scope

A COMPLETE

CLOSE-OUT

of the large shoe department and a drastic reduction in all the other departments is a very urgent necessity—to do this within a time limit of just 8 days requires a deep slash in prices and a glance at the values offered for Friday and Saturday selling will convince you that this is no ordinary event—it offers the greatest saving you've seen in years. Don't fail to take full advantage of this opportunity.

AL WHITE, Appraiser in Charge.

Progress Made In Connection With Gymnasium; Plans Being Put Out For Public Scrutiny

While the Young Men's Christian Association has offered its assistance and experience in connection with the matter, good progress is being made in the way of preliminary arrangements for the establishment of a public gymnasium in Prince Rupert. At a business luncheon of the Gyro Club yesterday, Major M. A. Burbank, a member of the special committee delegated to go into the project, announced that he had prepared a set of plans for a proposed building the estimated cost of which would be between \$20,000 and \$25,000. At Major Burbank's suggestion, it was decided to place these plans in the Canadian National Telegraphs office where they will be open to public inspection, the idea being that representatives of all bodies interested in the gymnasium project may come forward to inspect the plans and offer suggestions and criticisms whereby they may be amended so as to adequately and suitably meet the local requirements.

By its next business meeting on May 14, the Gyro Club hopes to have the preliminaries of the project in such shape as to warrant calling a meeting of all interested bodies when the whole matter will be made into a community affair so as to bring the project into actual being. Meantime, the city will be interviewed as to a suitable site for the building. A good deal will, of course, depend upon the nature of the ground which may be obtainable. It is the general consensus of opinion that an area at least 100 by 50 feet will be necessary.

A letter was read at the luncheon yesterday from H. Ballantyne, general secretary of the Y.M.C.A. at Toronto, who was recently interviewed by Dr. L. W. Kergin, offering to place the facilities of that organization at the disposal of this community in connection with the gymnasium project. The club was disposed to accept an offer of Mr. Ballantyne to send one of the field secretaries here to look over the local situation. Mr. Ballantyne has also written to the Rotary Club here in connection with the matter which it was expected would be taken up at the luncheon of that club today.

GRIFFITH LOOMS UP

Defeat of Big Jack Gagnon Last Night Puts Him in Running For Heavyweight Crown

CHICAGO, May 1.—Tuffy Griffith bounded back as a prospective challenger for the world heavyweight championship by defeating Big Jack Gagnon, his knockout conqueror of a month ago, in a 10-round return engagement here last night. Griffith won the unanimous decision.

Royal Purple Bridge Party

Enjoyable Affair Held Last Night at Home of Mrs. L. M. Fuller

A very enjoyable bridge party was held last night at the home of Mrs. L. M. Fuller, Fifth Avenue East, under the auspices of the Ladies of the Royal Purple. Mrs. Fuller and Mrs. Martin Miller being hostesses for the occasion. There were eight tables of cards and prize winners were Mrs. George Fritz and Mrs. W. W. C. O'Neill.

Dance Is Given By Members of Steamer Roxen

There was a good crowd at the dance given last night in Moose Hall by the members of the crew of the Swedish grain ship Roxen, in return for the boys from the ship being entertained at a Swedish dance a few nights previously here. The skipper of the vessel and the officers and engineers were among those present, as were also Mayor Orme, Dr. Carson, W. O. Fulton and other well known local people.

The Premier Orchestra provided excellent music, Oscar Sather was master of ceremonies and the enjoyment continued until well after 1 o'clock.

The affair was managed by C. Olsson and G. Blom, members of the ship's company and everything went with a swing, those present enjoying the event very much.

ROSENBLUM WAS WINNER

Took Decision from Larry Johnson in Ten Round Bout at New York Last Night

NEW YORK, May 1.—Maxie Rosenbloom, cagey New York light heavyweight, easily won a decision last night over Larry Johnson, hard hitting Chicago negro, in a ten-round bout.

WEATHER IN APRIL

Figures For Month This Year Not Quite as Good as in 1929

While it was not a bad month with 132.3 hours of sunshine and 5.56 inches of rain. April this year did not compare favorably with the same month of 1929 when there were 197 hours of sunshine and but 2.24 inches of rain. The weather summary for the year to date is not quite as good as last year. In the first four months of 1930 there have been 393.7 hours of sunshine and 26.14 inches of precipitation as compared with 407.9 hours and 25.5 inches in the same period of last year.

Following was the weather summary for the month of April as announced today by H. D. Tee, Digby Island, Dominion meteorologist:

Highest barometer at sea level, 30.60 on April 11.

Lowest barometer reading, 29.41 on April 2.

Maximum temperature, 64 on April 20.

Minimum temperature, 30 on April 10.

Mean temperature, 43.3.

Average humidity, 83 per cent.

Total precipitation, 5.56 inches.

Greatest daily rainfall, 1.64 inches on April 2.

Total sunshine, 132.3 hours.

ROBINS ARE WINNERS

Yankees Shut-Out Senators 9-0 in Yesterday's Game

NEW YORK, May 1.—Brooklyn Robins continued their heavy hitting and took their third straight game from the New York Giants yesterday by a score of 9 to 4. Herman hit a homer for the winners and Crawford made one for the losers.

In another National League game at Chicago, the champion Cubs took a 5 to 2 verdict from the Pittsburgh Pirates. Wilson and English hit homers for the Cubs.

The feature of yesterday's American League games was the nine to nil shut-out of the league leading Washington Senators at the hands of the lowly New York Yankees. Pippas held the Senators to five hits.

Yesterday's scores:

National League
Brooklyn 9, New York 4.
Boston 9, Philadelphia 3.
St. Louis 3, Cincinnati 4.
Pittsburg 2, Chicago 5.

American League
New York 9, Washington 0.
Philadelphia 3, Boston 7.
Chicago 4, Detroit 6.
Cleveland 6, St. Louis 3.

PROMINENT BARRISTER

Late Eugene Lafleur K.C. Was Perfect Bilingualist

Eugene Lafleur, K.C., D.C.L., LL.D., who died Tuesday night in Ottawa, was for many years a familiar figure before the courts of Montreal, the Supreme Court at Ottawa and the privy council in England. Hardly a great constitutional case came up for decision but Mr. Lafleur was on one side or the other. Of him Lord McNaughton, one of the members of the privy council, said: "Of all the overseas counsel coming to plead cases before this body, Mr. Lafleur has the clearest and most judicial mind."

Small in stature, Mr. Lafleur was a giant in intellect. He was probably as perfectly bilingual as any man of his generation and spoke as fluently before the bar in English as he did in French. Mr. Lafleur was born in Longueuil, Quebec, in 1856 and was of Swiss descent. He was educated at the Montreal High School and McGill University, graduating from the latter institution as gold medalist in mental and moral philosophy. He finished his law training in 1881 and was called to the bar of Montreal in that year. He was created queen's counsel in 1899. As a lawyer the bar of his province extended to him all the honors at its command. He was elected batonnier general of the province in the following year and councillor of the Montreal bar in 1908. In October, 1921, during the centennial celebration of McGill University,

Bad Indigestion and Constipation Disappear Quick

"Suffered terribly with indigestion and constipation, couldn't eat. A friend advised 'Fruit-a-tives' and was soon fine and well. They are my doctor when ill." — Leonie Paradis, Mont Carmel, P. Q. Letters from thousands say chronic constipation and liver troubles ended overnight with "Fruit-a-tives." Sour stomach, biliousness, heartburn, gas bloating vanish like magic. Bladder and kidney ills, pain in back go in 24 hours. Nerves quiet, sound sleep at once. Rheumatism, neuralgia, neuritis, sick headaches disappear in a jiffy. Constipation clears quick. Famous Canadian doctor's discovery. Ten of nature's greatest remedies combined in handy little tablet. Amazing quick results. Get "Fruit-a-tives" from druggist today. Feel great tomorrow.

Mr. Lafleur was granted the honorary degree of LL.D., in recognition of his long association with the institution as professor of international law and his eminence as a lawyer.

Celebrated cases in which Mr. Lafleur has acted as counsel have been the Alberta Resources issue before the supreme court at Ottawa and lawyer for Quebec in the arbitration suit between the federal government and Ontario and Quebec for the settlement of the outstanding accounts existing at confederation.

Outstandings Qualifications Mr. Lafleur's outstanding qualifications in the realm of international law secured for him the position as one of the arbitrators in the settlement of the boundary dispute between the United States and Mexico in 1911. The point in dispute was the boundary line between the two countries in the Chanzel district north of Le Paso.

Mr. Lafleur declined a judgeship in 1907 and also nomination as a candidate in the provincial elections of 1904 for a Montreal seat.

Besides being the author of numerous papers on legal subjects he published a book on the "Conflicts in the Law in Quebec" which attracted wide attention and probably was responsible for some anomalies being adjusted. For some years as a young man Mr. Lafleur was one of the editors of the Revue Legale published in Montreal. Mr. Lafleur resided in Montreal. In 1896 he married Marie Alice Voruz, daughter of Louis Voruz of Switzerland. They had two sons and two daughters. Mr. Lafleur was a Liberal and an Anglican. He was a member of the St. James and University Clubs in Montreal and the Rideau in Ottawa.

HINTS FOR GARDENERS

FIRST VEGETABLES

If the weather will allow working in the garden and the soil is not wet enough to muddy ones feet, this is the proper time to get in the first vegetables, such as radishes, spinach, lettuce, carrots, the first cabbages and other of the hardier sorts. It is also time to dig the soil in preparation for later seeding. Dig deeply and turn in some well rotted manure or some good commercial mixtures and before the seed is actually sown rake over three or four times to break up the lumps. Use a stout string so that rows will be straight and, if possible, run them north and south so that all vegetables will obtain the maximum light. The narrow sorts, such as lettuce, beets, carrots, radish and cress can be put in rows 12 to 15 inches apart, while beans, corn, cabbages and tomatoes require from 18 to 36 inches. To save space it is a good plan to alternate the quick-maturing sorts, such as leaf lettuce, spinach and radish, with beets, beans, carrots, corn and tomatoes. Before the later sown and later maturing sorts will require the full room the earlier stuff will be out of the way. To be tender, vegetables must be grown quickly and this means frequent cultivation, watering when necessary and plenty of fertilizer.

FIRST FAMILIES OF THE GARDEN

Among garden royalties must be named the delphiniums both in the stately perennial form and the annual type which has lost the botanical dignity of being a delphinium and is universally known by the common name of larkspur. Both the perennials and the annual larkspurs are delphiniums.

They are members of the Crow-foot family, Ranunculaceae, which gives us such an important list of

garden plants as the peony, columbine, clematis, the anemones, meadow rues and others. The annual larkspurs are one of the oldest fashioned of perennials yet they have sprung into the front rank of improved modern garden plants and have also made their way from the outdoor garden to the greenhouse and are highly esteemed as cut flowers.

They are one of the hardiest and most easily grown of annuals, the young plants germinating from self-sown seeds in the fall standing below zero winters and coming through unscathed. The seed may

be sown at any time during the winter season, the earlier the better. It must be sown where it is to grow for the best success for, unlike its perennial sister, it does not transplant well. Nothing is easier to transplant than the perennial delphiniums in the seeding line.

The delphiniums have been so greatly improved by plant breeders that the old-fashioned bee larkspurs of grandmothers' gardens, their forerunner, no longer seems worth growing. They have been quadrupled in size of flower and the height and length of the blooming spike have been greatly increased.

Delphinium seed should also be sown as early as possible as it germinates most freely and much the best at lower temperatures than most seeds. There has been much complaint that fine strains of perennial delphinium didn't germinate. This was usually due to planting in May or later after the weather had warmed up. Early planted seed is certain to germinate well. It is seed that should not be sown in heat for best results. Being of Siberian ancestry, the delphinium is one of the hardiest of all garden plants.

Lantern Lecture of Canadian Trip

Interesting Views Shown By Wallace C. Orchard at Gathering Last Night in Cathedral

A very interesting lantern slide lecture of a trip across Canada was given before a fair-sized crowd in St. Andrew's Anglican Cathedral last evening by Wallace C. Orchard. The lantern was operated by Oliver Denstedt. Very Rev. James B. Gibson, dean of the Cathedral, presided.

Playgrounds Are To Be Repaired By City At Once

L. W. Waugh reported at the luncheon of the Gyro Club yesterday that he had interviewed the city engineer as to the condition of the equipment in the various Gyro playgrounds in the city and had been assured by Mr. Good that the
