PEACE DEVELOPMENT IS FORECAST

ARREST MADE IN CONNECTION WITH HOUSTON MURDER

Premier Tolmie Suggests That Major Developments May Come Shortly In Northeastern B.C.

Declares That C. P. R. Is Enthusiastic About Area and Has Several Parties In Field Surveying For Coast Outlet

VICTORIA, Oct. 15.—Addressing the Saanich Conservative Association, Premier Tolmie suggested by guarded references to the Peace River district and the Pacific Great Eastern Railway that major developments were likely in the opening up of the grain growing districts of Northeastern British Columbia. The Premier said that senior officials of the Canadian Pacific Railway were enthusiastic over the possibilities of the area and that the company had several surveying parties in the field examining possible outlets to the coast.

The Premier declared that there had been no delay on the part of the provincial government in assisting unemployment.

LOUTET IS CANDIDATE

North Vancouver Conservatives Nominate Same Candidate As In 1928 For By-Election

NORTH VANCOUVER, Oct. 15.—Jack Loutet was nominated by the North Vancouver provincial Conservatives last night to contest the riding in the by-election made necessary through the resignation of Hon. Ian Mackenzie, former Liberal member, to enter the federal field last summer.

Loutet's selection came after a long and bitter fight between two rival factions for the nomination. So bitter was the feeling which developed that some political observers are of the opinion that it may not be healed before the by-election.

Some predict that there may again be an independent Conservative in the field as in the general election in 1928 when Loutet, at that time the official candidate, was opposed, besides Mackenzie, the Liberal, by A. C. Macmillan, an Independent Conservative. Though Macmillan did not get a large vote then, it was large enough to prevent the election of Loutet.

Even the two years or more since the general election have not healed the old sores and the fight in North Vancouver at the by-election promises to be viewed again with keen interest over the whole province.

The Liberal nominating convention will take place tonight. The Liberal party will make a keen set on the seat again and has great hopes of being successful, particularly in view of the Conservative split-up.

HERE FROM TORONTO

Mrs. A. E. Ireland and son, Norman, arrived today from Toronto to join Mr. Ireland who is in the jewellery business here. They have taken rooms in the Federal Block. Norman is a graduate of the Toronto High School where he participated with honors this last summer.

VALUE OF FISHERIES

Thirty varieties of fish caught in British Columbia waters are marketed and \$36,000,000 is invested in B. C. fisheries. Approximately 20,353 workers are employed in the industry and the federal fisheries department spent \$600,000 in B. C. in 1929.

These are a few facts brought out by Major J. A. Motherwell, chief inspector of the Dominion fisheries department in Vancouver, in an address before members of the Canadian Credit Men's Trust Association at Hotel Georgia in Vancouver recently.

The fisheries department employs approximately 400 persons during the season's peak, he said. They operate two steamers, 43 gas-boats, and last season chartered 96 additional vessels. Three seaplanes employed by the department average 400 flying hours and the government operates 13 hatcheries. The salmon pack to September 20, 1930, according to Major Motherwell, was as follows: sockeyes, 462,582; cohoes, 105,957; pinks, 1,090,382, and chums, 77,387. The total is 1,813,604 cases.

Seaplanes Effective
The moral effect of the seaplane on fishermen who violate the act has been remarkable, the chief inspector stated. Fishermen who violate the law become suspicious of every gull and bird they see, he added. In one exceptional week a single plane seized seven seine boats violating the law in the vicinity of Queen-Charlotte Islands, he related.

Referring to statements regarding the depletion of salmon, Major Motherwell declared it is caused by Canadian fishermen as well as others. "We are too fond of saying it is done by the American side," he added.

A certain amount of anxiety has been felt regarding salmon, he continued, but the government has been able to create such a system that there is no cause for worry. The pack in recent years shows conditions are being taken care of, he said.

Low Water Responsible
Major Motherwell said that recently his department was forced to close certain streams because of low water, but, due to rain in the localities affected, this situation has been clarified and the streams are now in good shape.

Men engaged in catching fish have had a good season, the speaker said, but those who do the canning have not been quite so fortunate. They have had competition with United States, Siberia and Japan; in addition, prices have been low, he stated.

It has been a common belief that the Oriental monopolizes the fishing business in B.C., he told the members. This was true several years ago, when they controlled 48 per cent of the licensed business, but this has been reduced to 24 per cent by the department, Major Motherwell said.

Japan's Ratification of Naval Treaty Speeding Across Continent By Plane

BOISE, Idaho, Oct. 15.—Lieuts. Irvin Woodring and William Cardwell of the United States Army arrived here at 9:50 this morning in the course of a flight to New York with the document attesting Japan's ratification of the London Naval Treaty.

The plane, which left Victoria at 5:45 this morning, took off again for Salt Lake City.

HOTEL IS DESTROYED

Exclusive Hostelry at Victoria Swept By Spectacular Conflagration

VICTORIA, Oct. 15.—One of Vancouver Island's most exclusive and modern inns was completely destroyed by fire late yesterday afternoon when the Beach Hotel at Oak Bay was gutted by a spectacular blaze which brought serious injury to one fireman and minor hurts to two others.

The loss is estimated at \$125,000, largely covered by insurance. Harry Stewart, a fireman, was overcome by smoke and rendered unconscious. In falling, he struck his head.

It is stated that reconstruction will commence immediately.

SINGER HAS EASY CALL

Lightweight Champion Outclassed Eddie Mack in Chicago Bout Last Night

CHICAGO, Oct. 15.—Al Singer, world's lightweight champion, defeated Eddie Mack, of Denver, in a 10-round one-sided battle here last night.

Singer won nine of the 10 rounds and 10,000 spectators watched him chase Mack around the ring from the opening bell until the finish. The bout was not for the title.

Premier Option On Planet Mine Expires Today

CAPT. TAIT HAS PASSED

Well Known Coast Navigator Succumbs to Injuries Sustained in North Last August

VANCOUVER, Oct. 15.—Capt. J. P. Tait, former port warden of Vancouver and well known master mariner, died here from injuries sustained in August when he fell into the hold of the coast freighter Border Queen at Port Simpson. He was 48 years of age and is survived by a widow.

The late Capt. Tait was in the Prince Rupert General Hospital for several weeks after the accident. He was later taken to Vancouver for further treatment and reports had been received here that he seemed to be recovering. He was first mate on the Border Queen at the time of the accident.

RADIONS MEETING

Volunteers to Solicit Membership; Interference Is Discussed

The Prince Rupert Radio Association held an enthusiastic meeting last night in the City Hall, about twenty-seven members being present. President D. C. McRae was in the chair.

Six members volunteered to solicit membership in order to strengthen the association. These volunteers were C. Toombs, J. O. Williamson, Edwin Johnson, Frank Glass, F. A. Rogers and Father Charles Webb O. M. I.

Squealing and static as well as interference were discussed at length.

BLUENOSE MADE GOOD

Fine Showing By Canadian Vessel In Today's Race Which Was Called on Account of Fog

GLOUCESTER, Mass., Oct. 15.—The second race between the Canadian fishing schooner Bluenose and the American Gertrude L. Thebaud was called off today after the vessels had nearly completed the first half of the course on account of thick weather which made it difficult for them to find the markers.

With a 35 mile breeze blowing, the Bluenose made a fine showing, leading her rival by six minutes at the end of the first six miles and continuing to maintain the advantage.

The race is for the Sir Thomas Lipton Cup. Two out of three will decide. The Thebaud won the first race.

Finlander Taken From Rough Dug-out In Bush In Vicinity of Evelyn

Sigurd Jussila Alias John Emilson, Believed to Be Insane, Had Incriminating Articles In His Possession

Officers of the Smithers detachment of the provincial police, yesterday picked up near Evelyn, a few miles west of Smithers, a Finlander named Sigurd Jussila alias John Emilson in connection with the murder of Charles Yoch, Houston rancher, between September 3 and 9. Jussila was found in a dug-out in the bush near Evelyn. He is alleged to have been in possession of a watch and chain, rifle and rubbers which belonged to the murdered man. He is believed to be insane. Jussila has been taken to the Smithers lock-up where he is being held. Inspector John Macdonald, divisional officer commanding provincial police, left on today's train for Smithers in connection with the affair.

For the past month or so the murder of Yoch, who was a well known Houston farmer, has been a mystery. After he had been missing for several days, neighbors went to Yoch's cabin and, after some searching, found his body under the floor of the cabin covered with vegetables. Nearby the body was found a picaroon with which he had been beaten to death. Belongings of Yoch were later found scattered about the country. Fingerprints were taken and other clues recorded but the killer could not be found. The investigation finally led yesterday to the dug-out near Evelyn where Jussila was discovered.

Evelyn is some forty or fifty miles west of Houston.

TELKWA BOYS WERE SECOND

Ray Wakefield and Gordon Chapman Make Good in Swine Judging

VANCOUVER, Oct. 15.—For the third time in succession a team from Armstrong has won the Swine Club judging championship of British Columbia. This was announced last night when, after the final day of competition at Colony Farm, Bill Perry and Arthur Nash of Armstrong were announced as winners with 518 points.

Second place went to Ray Wakefield and Gordon Chapman of Telkwa with 501 points.

This brings to a close particularly keen competition which has been in progress since the spring and was participated in by several thousand boys and girls throughout the province.

The two Armstrong boys, in addition to winning provincial medals, will shortly be sent to Toronto as guests of the Canadian National Railways to take part in the Canadian championship at the Royal Winter Fair. Provincial winners from all parts of Canada will take part and the Dominion champions will hold the Robb championship trophy which was presented by W. D. Robb, vice-president of the Canadian National Railways.

COLONIZE IN PEACE

Government Officials Visit Rolla and Other Points in District

ROLLA, B.C., Oct. 14.—Dr. Geddes of the Colonization Board, Victoria, accompanied by A. J. B. Fell and William Scharf of Vancouver, I. Bowman and L. B. Boyd, C.N.R. colonization officials of Sexsmith and Grande Prairie respectively, were here a few days ago looking over the district with a view of formulating colonization plans which will be beneficial for future settlements in the district. They are spending some time in the district north of Fort St. John where there are still larger areas suitable for settlement. They aim to plan settlements wherein the settlers will be grouped closely together, thus facilitating road and school accommodation.

TWO YEARS FOR MAYOR

The proposal has been made that a two year term for mayor would be desirable. In view of the fact that there is now a two year term for aldermen and that this system seems to be working out very well, we see no good reason why it should not be extended to the mayoralty. As was pointed out by Alderman Macdonald at the city council meeting this week, the mayor is often more useful to the city during the second year when he is more familiar with the work than during the first, when he is learning.

An honest man does not repent of his honesty.

REGISTER TODAY

Householders who are not property owners must register at the city hall if they wish to vote at the next civic elections. This is the municipal law and something over which the local city council has no control. It is the same in all municipalities except those which have special city charters, such as Vancouver.

We suggest to householders that they register today or the first day possible so that the duty may not be forgotten. Very often at the last minute something occurs which makes it very desirable that all should vote. Be prepared and there will then be no regrets. Register today.

Those who are property owners do not need to register as their names go on the list automatically. It is wise, however, to inquire if the name is on so that there may be no mistake.

Laziness is not so much a habit as an art.

SAFETY'S TEN COMMANDMENTS

- First: Thou shalt have no other thoughts but thy work.
- Second: Thou shalt take no unnecessary risks, nor try to show off, nor play practical jokes, for by this carelessness thou mayst do injury which will have effect unto the third and fourth generations to follow.
- Third: Thou shalt not swear nor lose thy temper when things do not go just right.
- Fourth: Remember thou art not the only one on the job and that lives of others are just as important as thine own.
- Fifth: Honor thy job and thyself that thy days may be long in employment.
- Sixth: Thou shalt not clean machinery when it is in motion.
- Seventh: Thou shalt not watch thy neighbor's work, but attend to thine own.
- Eighth: Thou shalt not let the sleeves of thy shirt hang loose, nor the flaps of thy coat to be unbuttoned, as they may get caught in machinery and thereby do great bodily harm.
- Ninth: Thou shalt not throw matches nor greasy waste on the floor, nor scatter oil around the bearings, as a dirty worker is a clumsy worker and a clumsy worker is a menace to his fellow workers.
- Tenth: Thou shalt not interfere with the switches, nor the dynamos, nor the belts, nor the cables, nor the engines, nor anything else thou art told is dangerous.

A man is really not an average man until he admits it to himself.

Bronchitis

Every cold is serious. It is only a step from the ordinary cold to bronchitis with soreness and tightness in the chest and the dry, harsh cough and distressing coughing spasms.

Dr. Chase's Syrup of Linseed and Turpentine seems almost like a specific for bronchitis because it is so successful in loosening up the cough, aiding expectoration and relieving inflammation.

A trial will prove the effectiveness of this well-known treatment.

STEWART

Gardner-Johnson & Co. of Portland, Ore., who have the contract for widening the Salmon River road on the Alaskan side of the line from about 8-mile to 11-mile commenced work last week and expect to continue until early in December. A crew of between 30 and 40 men is employed.

The B. C. Silver Mine is now operated on a six-day working basis.

Mrs. Gray, wife of W. Gray of the Hyder Lumber Co., accompanied by her mother, Mrs. Ireland, and sister, Mrs. Sobieralski, left last week for Washington, D.C., where they will spend the winter.

J. W. Smith, who injured his neck last week by falling from the steps of the messhouse on the Alaskan road, is now making rapid recovery in the Stewart Hospital.

Holger Johnson of Hyder left last week for a trip to Vancouver and Seattle.

Mrs. Fisher returned to town last week from a trip south.

The first installment of the fire hall has now been delivered on the town lots. The tower was towed there last week by Crawford's tractor.

Although G. P. Heinekey has been advised of his appointment as postmaster here, it is unlikely that anything will be done with regard to his taking office until toward the end of October.

Gravelling on the last section of the Texas Creek highway is now being completed by the Seims-Spokane Co. and the job is expected to be finished within a few days. During the past two months, the American government has allotted \$114,000 for work on the highway.

There are now 59 pupils altogether enrolled in the Stewart Superior School.

HAVE CUT INTO VEIN

Interesting Situation on United Empire Property at Stewart As Tunnel Is Advanced

STEWART, Oct. 15: — William Dann, who has been doing further work on the United Empire in the last three weeks, came down the hill last week-end vastly pleased with conditions and states there is every indication that a cross vein has been encountered in the main-drift tunnel of the property. The vein appears to strike 80 degrees west of north, and the junction of the two veins is apparent in the face of the tunnel. No definite statement can be made, however, until the vein has been driven on a little further. Four feet seven inches of ore is now showing in the face, and it is interesting to note that as depth is obtained the copper content appreciably increases. Ruby silver can also be seen in the ore.

Albert Peterson, one of the oldest miners and prospectors in the Portland Canal, was working on the property and was surprised at the amount of ore opened up on the surface and in the tunnel. He exclaimed: "If this was out in the wilds, ore somewhere around Meziadin Lake, big companies would be fighting to get it, Dann, but it's too close; they can't believe it. I have been on practically every property in the camp and have not seen one with a vein of ore opened up for so great a distance and exposing the amount of ore I see here."

The United Empire is situated on Bear River ridge, north of and adjoining the Bayview. Mr. Dann reports that the tunnels and camp are in good condition.

a COUGH racks your body like a rough road racks a car....

A COUGH is even harder on you than a rough road on a car, because a STEEL body can stand more punishment than one of flesh and bone.

So, don't wait until you are cough weary—until your body aches—your throat and chest are sore—and you are a fit subject for flu or pneumonia.

Get a bottle of Buckley's Mixture and stop that racking punishment. You'll get relief from the first sip, for "Buckley's" acts like a flash. It is a warm, strong, penetrative mixture that goes right to the seat of the trouble—loosens the hard, congested phlegm that causes the cough—soothes the inflamed throat membranes—clears the tubes—invigorates—strengthens—peps you up.

Every druggist sells Buckley's Mixture. Two sizes: 75c (40 doses); 40c (16 doses).

For severe colds accompanied by fever, headache or neuralgia, take I. A. X-PYRIN in addition to Buckley's Mixture and quick relief will follow.

DO YOU SUFFER FROM CONSTIPATION?

Countless remedies are advertised for constipation. Many relieve for the moment but they are habit forming and must be continued. Others contain calomel and dangerous mineral drugs, which remain in the system, settle in the joints and cause aches and pains. Some are harsh purgatives which cramp and gripe and leave a depressed after effect.

Avoid lubricating oils which only grease the intestines and encourage nature's machinery to become lazy.

A purely vegetable laxative such as Carter's Little Liver Pills, gently touches the liver, bile starts to flow, the bowels move gently, the intestines are thoroughly cleansed and constipation poisons pass away. The stomach, liver and bowels are now active and the system enjoys a real tonic effect. All druggists 25c and 75c red pkgs.

HOOP GAME SOFTBALL ACTIVITY AT SCHOOL

Anox Expects to Have Four Leagues in Operation—Officers Are Elected

ANYOX, Oct. 15.—It is expected to have four basketball leagues in operation here during the coming winter. For the Senior A League, two teams are already entered—Celts and Shieks—and the Mine and Concentrator are also expected to have entries. For the Senior B League, Smelter and Celts are already in the field with the possibility of a third team from the mine. The Girls' League has entries from the High School and one other team. Three Boy Scout teams will probably compete in the Intermediate League.

The Anyox Community League Basketball Club, at its annual meeting held recently, elected officers as follows:

President, Walter Jones.
Vice-president, Frank Dodsworth.
Secretary, Jimmy Elliott.

Stinech Team Beats Smith's In Second Play-Off

On Tuesday afternoon Grade Ten defeated Grade Eleven by one run in a highly exciting High School softball game. The score was 10-9. The winners had 16 boys from which to choose a team, whereas Grade Eleven had to turn out all their boys in order to make a team. Two of their members had never played before, nevertheless they gave a good account of themselves and were a real help to their team. These were Bussanich and Murray.

The experienced Ten team came to bat first and seemed about to run away with the game at once. Kishimoto and McRae had crossed the plate before the Grade Eleven team got working together to retire the side. At bat they were rapidly put out, O'Brien being the only one to get on base.

In the second inning, however, good pitching by Obata and excellent backing by the fielders retired the Grade Tens in one-two-three order. When they came to bat, the Grade Elevens made a real showing. With two out Wilson hit safely and started a rally that was not stopped until Wilson, Kanaya, Hanson, Obata and Murray had scored. O'Brien was on third and Fulton on second when the next man was put out. The Grade Elevens got the worst of a dubious decision which allowed Obata to go safe because he had been forced off the base line by a fielder and had been further sent out of his way by having to dodge the umpire who was also in the way.

The third inning showed good fielding on both sides and no score. For the Elevens Catcher Kishimoto and Second Baseman E. Johnson worked well together, Johnson being notably good in catching the throws from home which were well placed. In their fourth inning at bat, the Elevens brought their score to within one of the five runs held by the Tens. Moxley and Allen were the scorers. However, the Elevens regained their strong lead when Murray and Hanson scored. O'Brien again took part in sending these runs home and himself got to third.

Grade Eleven came to bat in the

final inning determined to catch up and if possible pass their opponents. The first man went out. Then McRae started a rally that went on to score Johnstone, Tobey, Moxley, Bryant and Johnson. The score was now 10-7 in favor of Grade Ten. Undaunted, the Elevens came to bat to send Wilson and Kanaya over the plate and get Hanson to third and Obata to second before the side was retired. The close score of 10-9 was representative of the play.

Grade Eleven—Obata, Murray, O'Brien, Fulton, Rice, Bussanich, Wilson, Kanaya (captain), Hanson, Battery—Obata and Fulton.

Grade Ten—Kishimoto, McRae, Johnstone, Tobey (captain), Moxley, Allen, Bryant, Johnson, Hickey, Battery—Tobey and Kishimoto. Scorekeeper—B. Unger.

Stinech Beats Smith

On Monday Stinech's team won the second game of the three-game series for the knockout league championship. In the first game of this play-off Smith had won a close game. The teams are now tied; the next game will determine the series.

The Smith team were forced to take the field without their captain who was sick. Moreover, Stinech was determined to win the game in order to force the play-off into a third game. However, the Smithites put up a gallant fight and Stinech was able to win by only one run, the score being 7-6.

Scorers for the winners were Cameron, Stinech, Hanson (2), O'Brien and Ross.

For Smith, Obata (2), Tobey, Morrison and Peachey scored.

Stinech—Cameron, Moxley, Anderson, Stinech, Hanson, Ross, O'Brien, Bremner, Johnson. Stinech pitched.

Smith—Obata, Tobey, Vance, Kanaya, Thurber, R. Morrison, Peachy, Morrison pitched.

Scorekeeper—Bremner. Umpire—Harry Gilliland.

Soccer Game

Grade Nine will meet the Matric-Commercial in the third game of the Inter-Class Soccer League. To date, the Ten-Elevens have defeated the Nines in a close game. In turn the Ten-Elevens were beaten by the Matric-Commercial. None-the-less, the freshmen are not at all daunted by the seeming handicap they face, and are fully confident of being able to take the measure of their seniors.

Mr. and Mrs. S. McDougall are sailing on the Princess Louise this afternoon for Vancouver enroute to Desbarats, Ontario.

E. E. Gregg, assistant district forester, returned to the city on the Prince George today from a trip to Ocean Falls on official business.

C.P.R. steamer Princess Louise, Capt. Thomas Cliff, is due in port at 3.45 this afternoon from Alaska and will sail at 4.30 p.m. for Vancouver and Victoria.

J. S. Rogers of the Rupert Marine Products Ltd. returned to the city on the Prince George today from a trip to Vancouver, Victoria and elsewhere in the south.

Capt. Steve Selig and R. Parks of Ketchikan, who have been at Ocean Falls, arrived in the city on the Prince George this morning from the paper town. They will proceed to Ketchikan later in the week.

F. F. Brown of Anyox is a passenger aboard the Prince George

SHE THOUGHT:

"Nice boy—but 'B. O.' makes you impossible."

Yet, to be polite, SHE SAID:

"I'm terribly sorry—but I won't be in any night this week."

Girls liked him at first .. but couldn't forgive "B.O."

SHE DID so hate to turn him down again. He was good-looking, agreeable, just the type she liked. But what could she do? "B.O."—body odor. No, she couldn't overlook that.

Fortunately he discovered his fault later and the simple way to correct it. Today he's well liked—welcomed everywhere—engaged to the very girl who once thought him "impossible."

Yet, it's easy to avoid offending. Just wash and bathe with Lifebuoy, the delightfully refreshing toilet soap millions love. Its mild, abundant, deep-cleaning antiseptic lather purifies pores—quickly ends "B.O." Its pleasant, extra-clean scent, that vanishes as you rinse, tells you Lifebuoy purifies!

Wonderful for complexions

"B.O."—we all need to guard against it! Even in winter our pores give off a quart of odor-causing waste daily. We become so used to this familiar odor that we don't notice it in ourselves. But the least trace of "B.O." is instantly apparent to others.

Thousands of women depend on Lifebuoy—and Lifebuoy alone—to keep their complexions fresh, clear and radiant with health-beauty. Try it. See how quickly its purifying lather freshens dull, tired skins. Adopt Lifebuoy today.

First Photos Alaska-Montreal Telephone Link

The first telephonic conversation between Alaska and outside commercial lines took place a few days ago, when C. H. McLean, transmission engineer of the British Columbia Telephone Co. and H. A. Robinson, Radio Engineer of the Northern Electric Co. Ltd., on board the Yacht "Belmont" in the harbour at Ketchikan, Alaska 900 miles north of Vancouver, B.C., put in a long distance call through Vancouver to Montreal and in a few minutes were carrying on a two way conversation with Major James Hamilton, Vice President and general manager B.C. Telephone and P. F. Sise, President Northern Electric Co. in the latter's office in the new Telephone Bldg. The conversation was overheard by a group of prominent citizens at both ends of the land lines which were "connected" to the Yacht by a new Radio Link developed entirely in Canada. Pictures show, top left—H. A. Robinson and C. H. McLean with others in the operating room of the Electric Co. looks on while Major James Hamilton, Vice President and general manager B.C. Telephone Co. talks to the Belmont. Right, the "Belmont" in Ketchikan Harbour. Inset, C. H. McLean, transmission engineer B.C. Telephone.

The tests mentioned followed those made in Prince Rupert Harbor when accompanied by Mayor Orme and several other citizens conversation was carried on between Prince Rupert and Lulu Island.

Gordon Gilliland is now purser of the steamer Prince George which is in port today. He is taking the place of Bert Robson who has gone to the Prince Henry on the Triangle Run.

Dr. J. H. Carson, who attended the recent British Medical Association congress in Winnipeg and has since been engaged in post-graduate work in the United States returned to the city on the Prince George today, accompanied by Mrs. Carson and family.

Louie Smith of the scientific staff of the Prince Rupert Fisheries Experimental Station, returned to the city on the Prince George this morning from Vancouver where he spent the past four months at the University of British Columbia laboratory engaged in fish glue experiments.

"DANDERINE" Dissolves Crust of Dandruff Soothes Scalp; Gives New Life and Luster to Hair!

There's no use allowing unsightly dandruff to steal the life from your hair; make it dull, brittle and scraggy; turn it gray or make it fall out. "Danderine" will dissolve the worst crust of dandruff in a hurry. It will bring the glow of health back to your scalp. Its consistent use will encourage the hair to grow long, thick, more youthful-looking.

You will be delighted by the effects of "Danderine's" first application. All excess oil is removed from the hair; its natural color is brought out; it is given amazing new life and lustre.

Five million bottles of Danderine used a year shows its popularity! And you won't wonder at this once you learn its easy use and see how quickly it gives health to the scalp and vigor and youthful appearance to the hair!

Every drug and toilet counter in the land has Danderine—30c bottles.

Oddfellows' Card Party and Dance

The Oddfellows' Lodge held an enjoyable and successful bridge and whist party and dance last night in the Metropole Hall.

There were 14 tables of cards and prize-winners were:

Bridge—Ladies' first, Mrs. James Sturgeon; consolation, Mrs. A. Ross; men's first, M. McLeod; consolation, Bert West.

Whist—Ladies' first, Mrs. A. R. Phillips; consolation, Mrs. Bruce Love; men's first, M. R. Prendergast; consolation, J. Morrison.

After cards, delicious refreshments were served and dancing followed until 1 a.m. with tunesome music by the Oddfellows' Orchestra.

J. E. Jack was master of ceremonies and the committee in charge consisted of Mr. Jack, J. L. McIntosh and S. V. Cox, the last mentioned presiding at the door.

Many Ladies Who Formerly Lived Here Attend Tea

Mrs. F. T. Saunders, Barclay Street, Vancouver, was a hostess on Tuesday afternoon last, when she entertained informally at the tea hour. Pale pink and mauve chrysanthemums were used throughout the drawing room and reception hall, while in the dining room the tea table was lovely with its cloth of Venetian lace, and its silver bowl of pale pink carnations with asparagus fern. Mrs. Albert Davidson poured tea while Mrs. Reginald Beaumont cut the ices.

The invited guests included Mrs. Alex. Manson, Mrs. H. G. Beckwith, Mrs. A. Roy Nicholls, Mrs. Charles Eggett, Mrs. John A. West, Mrs. George McNicholl, Mrs. B. L. Johnson, Mrs. Joseph P. Walsh, Mrs. S. P. Rainford, Mrs. J. W. Hobs, Mrs. F. C. Garde, Mrs. Robert Chambers, Mrs. Joseph Sheasgreen, Mrs. Ernest Marentette, Mrs. Lees, Mrs. W. E. Williams, Mrs. D. Updegraff, Mrs. F. G. Forbes, Mrs. Fred Clendenning, Miss Marjory Boyd and Mrs. D. G. Stewart of Prince Rupert.

North Vancouver Lady Is Speaker

Addressed Women's Institute at Terrace on Monday

Mrs. Humphrey, member of the executive board of the Women's Institute at North Vancouver, gave a very interesting address in the Progress Hall at Terrace Monday evening under the auspices of the Women's Institute there. She spoke on the work of the institute, school gardens and crippled children's work all of which proved very enjoyable as well as instructive.

Following this, two reels of comedy were shown by Mr. Bishop and the ladies served a delicious lunch. Mrs. Clark was successful in winning the drawing for the rug.
