SCHOOL CADET SCANDAL IN CITY OF VICTORIA SUGGESTED

Laxity of Military Authorities Charge of Major W. J. Wilby

Former Instructor of Boys in Capital Declares That Recruiting Was Conducted With Price Per Head; Disposal of Funds Questioned

VICTORIA, Aug. 27.—Charges of a sensational nature directed against the administration of the public school cadet system in Victoria and elsewhere in Canada, implying laxity on the part of military authorities in permitting the wholesale recruiting of cadets at a price per head and questioning the disposition of cadet funds were made at a meeting of the Victoria school board last night by Major W. J. Wilby, former cadet instructor in the Victoria High School. Wilby claimed that he had been forced to resign because of his activities in attempting to clear up the situation.

It is intimated that the charges may be brought before the House of Commons at its next session.

WILL WORK 8-HOUR DAY

Adjustment of Falls River Working Conditions Reached Between Power Corporation and Deputy Minister

Following the departure on the Prince Henry this morning of J. D. McNiven, deputy minister of labor, for his headquarters in Victoria, after a visit of four days here, it was stated that a satisfactory adjustment had been made between the department of labor and the Power Corporation in respect to observing of the eight-hour day regulations on construction work at Falls River. In view of prevailing unemployment and for other reasons, the Power Corporation promptly met Mr. McNiven's request that an eight-hour day should be followed and agreed that crews would in future work on that basis instead of ten hours.

BIG SWIM ON TODAY

George Young Taken Early From Water in Lake Ontario Marathon

TORONTO, Aug. 27.—One hundred and seventy-three swimmers plunged into Lake Ontario at 11:02 this morning for the 15-mile marathon swim championship.

George Young of Toronto, a former marathon winner, was taken from the water early in the race. Young was forced out by cramps at about the half way point.

DIES FROM SUNSTROKE

Matthew Snow, Member of Grain Board, Passes Away at Winnipeg Today

WINNIPEG, Aug. 27.—Matthew Snow, member of the board of grain commissioners, died suddenly last night from sunstroke. He was 71 years of age. He had been playing golf in the morning and became ill in the afternoon.

MEASURES ARE TAKEN TO PREVENT DUMPING FRUIT AND VEGETABLES

OTTAWA, Aug. 27.—Action against the dumping of certain fruits and vegetables into Canada from the United States was announced today by Hon. E. B. Ryckman, minister of national revenue with the placing of duties on certain fruits and vegetables.

Married Women Mask As Misses

Thousands of Them Working in Toronto While Husbands Earn Enough

TORONTO, Aug. 27.—Are married women in this city "masquerading as misses?" A male correspondent of a local paper affirms that it is common knowledge that there are thousands of married women working in this city, whose husbands are also employed and earning sufficient income to maintain their homes. If Mayor Wemp is really serious on this question let him first take stock of the City Hall and find out how many married women are employed there or how many of these are really in need of employment. The same applies to the Parliament Buildings and many other large offices in the city where it is well known that married women, masquerading as misses, are in soft jobs while their husbands also hold good positions and are able to maintain motor cars.

Lord Beaverbrook Taken Ill Today

Was Seized While on His Yacht and Taken to Dover—Food Poisoning Is Suspected

DOVER, England, Aug. 27.—Lord Beaverbrook was taken ill aboard his yacht today and brought here. He is said to be suffering from food poisoning.

VANCOUVER WHEAT

VANCOUVER, Aug. 27.—Wheat was quoted at 84½¢ on the local exchange today.

ELEVATORS SELL OUT

Grain Closed at New Seasonal Low Prices on Winnipeg Exchange Today

WINNIPEG, Aug. 27.—Elevator interests hedged sales that nearly broke the wheat market's back today, prices closing at seasonal low points. October closed at 88½¢, December at 89½¢, and May at 96¼¢.

CHECK FISH RESOURCES

Scottish Expert to Chart North Atlantic and Establish Fisheries Experimental Station For Newfoundland

ST. JOHNS, Newfoundland, Aug. 27.—The government of Newfoundland in collaboration with the Empire Marketing Board has undertaken a progressive move to aid the fisheries of the Ancient Colony and the marketing of the product involving the expenditure of \$50,000 annually for five years. This amount is to be granted on an equal share basis by the government and the board and will result in a charting of the North Atlantic around Newfoundland, and a check of the actual fish resources of those waters, as well as the establishment of a fisheries experimental station.

The research work is being carried out by Dr. Harold Thompson who was loaned by the Scottish Fishery Board for a period not exceeding six months. He has just recently been attending a meeting of the International Fisheries Council at Copenhagen, this council being supported by members of 15 European countries. His work has had to do with haddock which is a close relative of the cod, and he is a senior biologist at the Scottish Laboratory at Aberdeen. All data collected in connection with haddock by the interested European countries that are members of the international scheme are sent to him for collating, as he is the European authority on this particular fish.

With regard to the proposed work in Newfoundland, Dr. Thompson has given some idea of its scope. When the scheme materializes an experimental station will be established at a suitable location which has the necessary facilities, such as fresh and salt water circulation, electric power, etc. At the same time a considerable part of his time will be devoted to investigations of existing conditions of the Newfoundland fisheries. The work ultimately to be done will consist of charting the ocean bed, and its fish resources. Dr. Thompson here intimated that the British Admiralty is about to commence charting the ocean bed, in the same way that is proposed for Newfoundland, from Spitzbergen to Greenland. When this charting is done the next thing is actually to take stock of the fish and fish foods in our waters. Information as to methods of processing fish already available from the researches of the fishery stations of the North Atlantic which have been some time in operation, will be imparted to the fishermen all around the island. During October he will probably give a short series of lectures. The funds will be controlled by a committee, half the members of which will be nominated by the Newfoundland Government and

VANCOUVER WHEAT

VANCOUVER, Aug. 27.—Wheat was quoted at 84½¢ on the local exchange today.

BOTH FLEW IN FRANCE

Missing Commercial Pilot Was in British Service; Rescue Man in German

Twelve or thirteen years ago Capt. E. J. A. Burke and W. A. Joerss, now pilot for the Air-land Manufacturing Co. in commercial air service in Northern British Columbia, were probably chasing each other around over the French battlefields of the Great War intent on bringing each other down. Now Joerss is chasing Burke again but it is on a search of mercy for the latter has been missing for more than a week on a flight from Atlin to Liard River. It is very likely that Joerss is a good deal more keen today on finding Burke and rescuing him than he was during the war in locating opposing airmen and shooting them down.

Burke was an aviator with the British forces in the war and Joerss was enrolled in the aerial service of the German army. Both learned flying in the war and acquitted themselves with distinction in their respective services.

Pilot Joerss was here yesterday on his way north from Vancouver and arrived at Juneau late in the afternoon. He was to take off today for Atlin. He is confident that Burke has met with no serious accident and that he will be able to locate and rescue him safely and with despatch.

The search for Capt. Burke got actually under way today when Pilot Joerss took off from Atlin for the Liard River area according to a telegraphic despatch received this afternoon.

JUDGES FOR FALL FAIR

Expert on Poultry to Be Here Who Will Prove Helpful to Local Fanciers

This year the poultry fanciers of Prince Rupert and district are to have an expert judge for the fair who will prove very helpful to them. This is H. E. Waby, the poultry instructor at Salmon Arm, who has been here once before and who is well known among poultry fanciers of the province as an expert in his particular line.

Secretary Vance has received word of other judges who will be here, as follows:

Fruits and Vegetables—J. Tait, district agriculturist at Summerland.

Field Crops—J. Tait and S. S. Phillips, district agriculturist at Smithers.

Domestic Science and Women's Work—Mrs. Clare B. Bowden of Burnaby.

Now that the false work has been put up, pouring of cement on the upper portion of the new government liquor vendor's building at the corner of Third Avenue and Second Street will be resumed tomorrow.

half by the Empire Marketing Board. The work will be carried out in co-operation with Canada, United States and France, who maintain a committee already functioning and entitled "The North American International Fishery Research Committee."

Balance of Justice

BISHOP RIX RETURNING

Leaving England This Week and Will Arrive at Prince Rupert in October

Bishop Rix is leaving England this week for Eastern Canada and is expected to arrive in Prince Rupert in October, according to word received in the city.

The Bishop has been wonderfully well received in England. He has preached at both Westminster Abbey and St. Paul's Cathedral and was present also at the re-opening ceremonies at St. Paul's. He also attended a royal garden party at Buckingham Palace. He has preached and given lantern lectures all over the country and has been the means of advertising Northern British Columbia as it has never before been done.

Many Prince Rupert people will be anxious to welcome the Bishop home after his long stay on the other side of the ocean.

B. C. DAY AT FAIR

Premier Tolmie Made Address Today at Canadian National Exhibition in Toronto

TORONTO, Aug. 27.—British Columbia day at the Canadian National Exhibition here was featured with an address by Premier Tolmie in which he declared that the province occupied an enviable position. He declared that the era of the Pacific was now here and, with it, had come Canada's greatest opportunity.

ENTIRE COMMITTEE OF INDIA CONGRESS IS ARRESTED TODAY

DELHI, Aug. 27.—Practically the entire working committee of the All India National Congress, including V. J. Patel, its leader, were arrested here today.

DESERT AND STOW AWAY

Two Soldiers From Alaska Being Returned to Haines Army Base

Leroy B. Edicott and Homer C. Gardener, who deserted from the United States army at Haines and stowed away aboard the steamer Prince Henry at Skagway, having been discovered on the voyage down the coast, were taken ashore from the ship here this morning. This afternoon they are being returned to Haines aboard the steamer Prince Rupert with C. N. R. Constable David Geddes accompanying them to Skagway.

Rebekahs Have Official Visit

Visit of Mrs. R. A. Merrithew, Grand President, Is Suitably Marked Here

The local Rebekah Lodge had a special meeting last night to receive an official visit from the president of the British Columbia Assembly, Mrs. R. A. Merrithew of Vancouver. After the meeting, there was a banquet for Oddfellows and Rebekahs. Speakers at the banquet were Mrs. Merrithew, Mrs. J. L. McIntosh, district deputy grand president of the Rebekahs, and W. A. McLean, district deputy grand master of the Oddfellows. After the banquet, there was a dance with music by the Oddfellows' Orchestra. In charge of the proceedings last night were Mrs. S. V. Cox, Mrs. Bert West and Mrs. Pierce.

Yesterday at noon there was a luncheon in the Commodore Cafe in honor of Mrs. Merrithew, Miss Molly Watson, the noble grand of the local lodge, presiding.

Yesterday afternoon there was a tea at the home of Mrs. W. A. McLean for Mrs. Merrithew.

Mrs. J. L. McIntosh and Mrs. W. A. McLean made up a committee for Mrs. Merrithew's entertainment while here.

Mrs. Merrithew sailed by the Prince Henry this morning on her return to Vancouver.

Unemployment Is World Wide

United States Said to Lead World in Number of People Out of Work

NEW YORK, Aug. 27.—The New York World, according to information gained from various sources, places the number of world's unemployed at about 16,000,000, distributed as follows:

United States	5,000,000
Germany	2,750,000
Great Britain	2,000,000
Russia	2,000,000
Italy	500,000
Austria	450,000
Hungary	400,000
Japan	300,000
Australia	180,000
Canada	175,000
France	20,000
Rest of world	2,400,000

DAILY EDITION Wednesday, August 27, 1930

EMISSARY TO BRITAIN

Prince Rupert has had an emissary in Great Britain during the past year in the person of the Bishop of Caledonia. According to reports received from time to time, he has been splendidly received in the Old Country and has been in a position to tell the truth about the country.

Bishop Rix is an enthusiast in regard to the future of Northern British Columbia. He pictures to himself and to his friends wonderful developments in the near future and doubtless he will have conveyed some of that enthusiasm to the people of England where most of his time has been spent. No person could better paint the beauties of the everlasting hills or the delights of life as it is lived in the west.

THOMAS EMPIRE PLAN

It looks as if Hon. J. H. Thomas, secretary of state for dominion affairs in the British Government, might have hit upon a scheme for Empire trade extension that may be acceptable to the British people as well as the Dominions. Britain is the consuming country and Canada is a producing country. If Canadian wheat can be purchased in bulk and distributed to the people of that country in such a manner as to prevent speculation in the people's food, it may be of benefit to this country and that. At any rate it will be interesting to hear more about the proposed scheme.

SUCCESS OF TALKIES

One of the most important entertainment successes of the past few years has been the talkies. The success was almost instantaneous and has exceeded all expectations. It has increased the attendance at moving picture theatres by fifty per cent and added the final nail to the coffin of the road show.

One feature of the advent of the talkies has been to cause the destruction of a lot of old films of very poor quality. With them went good films, but they are being rapidly replaced by good talkies.

Prince Rupert is happy in having a first rate theatre with excellent pictures, as good as can be seen anywhere. Naturally there is variation in the quality. Possibly if all were first quality we should not appreciate any of them. However, the talkies have been averaging much higher than did the old movies, possibly because they are all new.

In Ketchikan there are three talkie theatres and in Juneau, two, both cities smaller than Prince Rupert. However, they do not have as fine a theatre and some of the pictures shown are not of the first quality. Within a few years doubtless Prince Rupert will have another talkie theatre but as it is, the city is well served with the one already here.

Man in the Moon

The most careful chauffeur I know is one who collects his salary in advance.

Big executives are men who go to work at half past ten, live on charts and wear plus fours. They cut down costs and golfing scores.

You know what to do about a habitual liar, the difficult person is one that is so undependable he may be lying or he may be telling the truth.

"Whats the idea of the suitcase, Jim—going away?"

"No; I heard the church was giving a rummage sale and I'm taking my duds down to the office until it's over.

An Ottawa man was confronted in a dark alley by a desperate fellow.

"Hand over your money, or I'll blow your brains out," was the demand.

"Blow away," was the calm reply. "You can live in Ottawa without brains, but you must have money."

Twenty Years Ago

In Prince Rupert

August 27, 1910.

Sir Charles M. Hays, president of the Grand Trunk Pacific Railway; A. W. Smithers, chairman of the board, London, England, and E. J. Chamberlain, vice-president and general manager, are at present inspecting the grade ahead of steel beyond Mile 58 and will be back in Prince Rupert, on Sunday.

A new townsite has been put on the market on the east side of the present town of Stewart. The new subdivision is named Portland Canal and is owned by D. D. Mann, Alvo Von Alvensleben and E. P. Davis, K.C. The sale of lots is being conducted by the townsite department of the Canadian Northern Railway.

The Tsimpsaan Light & Power Co. has placed a proposal in the hands of the council for the electric lighting of the city. R. Brudnell, engineer for the company, thinks it would be very unwise for the city to embark upon any temporary lighting arrangement.

REPORT OF POWER CO.

Document, It Is Expected, Will Be Satisfactory to Shareholders

MONTREAL, Aug. 27.—It will be about a month yet before the financial statement of Power Corporation of Canada for the fiscal year ended June 30, 1930, will be available to the shareholders.

In the meantime it can be said that the statement will be a good one and one that may be expected to satisfy the increasing number of shareholders who hold the company's common stock, or have invested in one or the other of the two series of convertible debentures that have provided a portion of the capital that the company has invested in securities.

As is well known, the amount of money invested in securities, apart altogether from those of companies with which Power Corporation is closely associated, has increased very greatly, and this sum far exceeds the total of investments in groups which the company controls or over which it exercises a certain supervision. The income from interest on bonds and dividends on stocks will be much larger than ever before, and in addition the company in the first three months of its fiscal year, from July 1 to September or early October, 1929, realized very substantial profits through the purchase and sale of securities. The liquidation of many of these securities at high prices not only realized a profit, but left Power Corporation with large sums available for investment under the present deflated condition of the stock market.

This two-fold element that was favorable was offset inevitably, of course, to some extent by the fact that in order to maintain its relation to companies such as Winnipeg Electric, Southern Canada Power, and others, it was compelled to hold these securities through the market break, so that to some extent the appreciation registered in what might be termed "outside" investments was offset by the depreciation in this other group. The preponderance of "outside" investments, however, would indicate the capital appreciation enjoyed by the company was far greater than the depreciation shown in the other group of Canadian securities.

The stock for some time past has been selling in the neighborhood of \$70 a share. No definite dividend policy has been established, although last year there was paid out a stock dividend of 5 per cent (August, 1929), in addition to which a cash dividend of \$1 was disbursed. This year so far a dividend of \$1 in cash has been declared, and is payable today. This is still termed an interim dividend, and it seems to be the general impression that the company will continue to combine cash and stock dividends for some time to come.

NEW CROP IS MOVING

Canadian National Railways Marshal Equipment to Take Care of Business

WINNIPEG, Aug. 27.—Western Canada's new crop has started to move in the west. For the first time this crop season, grain marketings along Canadian National lines have exceeded a million bushels, when car loadings along the company's lines showed an increase of more than 100 cars over the previous day. Cars loaded since August 1 now total 5,110, an increase of 4,247 cars over the corresponding period of last year. Storage at country elevators along Canadian National lines now stands at 3,666,000 bushels.

For the past two months the Canadian National Railways have been mobilizing equipment from all parts of the system to handle the movement of the new crop. All available parking space for cars in the western region has been utilized so that equipment can be supplied quickly when the call for cars comes. More than 35,000 box cars have been gathered in the west which, along with nearly 700 locomotives, will be engaged in moving the golden grain from the fields to the lakehead and the Pacific Coast in a seemingly endless string of trains.

T. J. Shenton, inspector of mines left on today's train for a trip to the Usk district where he has several mining properties to visit. He expects to be away about a week.

PRINCE RUPERT EXHIBITION
September 2, 3, 4, 5, 1930

OFFICIAL OPENING, TUESDAY, SEPT. 2nd, at 7.30 p.m.

REDUCED RAILWAY FARES

Fare and One-Third From PRINCE GEORGE to PRINCE RUPERT Good Going Aug. 30 to Sept. 5, Final Return Limit Sept. 8

EXHIBITS

It is expected that they will surpass anything yet shown, and will come from all parts of the country east, to Prince George, and the Queen Charlotte Islands.

INDOOR ATTRACTIONS FROM WEST COAST THEATRES

ADOLPHE & CYNTHIA—In a clever juggling and acrobatic dance act, wire walking and sliding stunts. Adolphe juggles with clubs, balls, sticks and hoops, and gives his audience a real thrill. Cynthia, young and pretty, in acrobatic and classical dance numbers.

QUBY'S DOG ACT—These dogs are beautifully costumed and do all the tricks known to this form of entertainment. They come to us through FANCHON & MARCO, Seattle, and are recommended as an outstanding act. Fun for the children and grown folks.

KEN ROSS—An acrobat of outstanding ability. He also comes to us through Fanchon & Marco, who recommend him very highly. His act is called "EDUCATED HANDS."

BASEBALL-VANCOUVER VAC'S VS. PRINCE RUPERT

The Prince Rupert Baseball Association have secured the famous VAC'S of the Vancouver Athletic Club, who are now leading the Vancouver Senior League, for a series of three games. This team is one of the best in British Columbia. Come and see how the local boys stack up against such a team.

Indian Sports - Baseball - Football

These games are for the Championship of Northern B. C. The boys are keen sportsmen and will provide a high standard of play.

TWO BANDS AT FAIR

Greenville Concert Band and Prince Rupert Boys' Band will be in attendance.

CANADIAN UNITED SHOWS

With their Merry-Go-Round, Sideshows, Jungle Girl, Boxers and Wrestlers and other attractions, will be in attendance.

GRAND BALL-FRIDAY NIGHT, SEPTEMBER 5th, 1930

EXHIBITION BUILDING—This dance needs no boasting as it is the OUTSTANDING EVENT of the year.

Miss S. A. Mills, principal of Borden Street School, who has been spending the summer vacation in California, returned to the city on the Prince Rupert today from the south to make preparations for resumption of school next week.

Mah Dick, who had a collision with a Hyde Transfer truck on Third Avenue east of McBride Street, yesterday afternoon while driving a delivery van for Tom Lee was fined \$5 by Magistrate McClymont this morning on two counts—driving without a driver's licence.

Announcement of the incorporation under the Societies Act of the South Fort George Community and Fire Protection Association is made in the current issue of the British Columbia Gazette. The location at which the operations of the society will be chiefly carried on is South Fort George.

Making her final appearance of the season here after having made eight voyages this summer on the Alaska tourist run, C.N.R. steamer Prince Henry, Capt. A. J. Gilbert, dove through the dense fog and tied up at 7:45 this morning, sailing at 9 a.m. for Vancouver. It is understood that the Prince Henry will be placed on the Triangle Run between Vancouver, Victoria and Seattle along with the ss. Prince David for at least part of the coming winter. She may also run some special excursions, it having been rumored that she might go to Honolulu or the West Indies winter cruising.

Jimmy Greer, son of Ex-Ald. and Mrs. W. J. Greer, who has been a patient in the Prince Rupert General Hospital suffering with double pneumonia, is now making such rapid recovery that it is expected he will be able to be taken to his home by the end of this week.

The board of works of the city council held a regular meeting last night. It was expected that a delegation would be present in connection with the closing of the sidewalk on the south side of Third Avenue West of McBride Street but none appeared. Business of the committee was otherwise of routine nature.

Sunday Night Suppers Prepared on Saturday

BY EDWINA NOLAN
Director of Home Service, General Electric Refrigeration Department

SUNDAY night suppers can be tedious affairs or they can be happy and gay and served without fuss. The secret, of course, is preparing them in advance.

The simplest of menus is the one that men like the best, as for instance:

- Toasted Mushroom Sandwiches
- Chicken and Cucumber Salad with Potato Chips
- Chocolate Cream Cup Cakes
- Coffee

The mushroom sandwiches are made on Saturday afternoon, folded in a damp towel and put into the electric refrigerator, where they keep in perfect condition until Sunday evening. The lettuce is washed and put into the vegetable pan in the refrigerator to crisp. The mayonnaise is made and, with the cucumbers and an eight-ounce jar of chicken, put into the refrigerator. Cup cakes should be made on Saturday morning.

The filling for the toasted mushroom sandwiches: 1 pound mushrooms, 4 tablespoons butter, 3 tablespoons flour and 1/2 teaspoon salt. Peel the mushrooms, remove stems and scrape them. Chop mushrooms and stems fine, melt butter in frying pan and add finely chopped mushrooms. Sauté slowly until mushrooms are golden brown. Then dredge with flour and salt, stir flour rapidly into mushrooms and cook until mixture thickens. Cool and use as sandwich spread. It will keep satisfactorily for two weeks or more in the electric refrigerator if not all used for the Sunday evening supper. Other menus are as easily arranged.

This plan leaves for the late Sunday afternoon only the combining of the chicken and cucumber salad. The sandwiches may be toasted on a grill at the table and the coffee made in the percolator.

Mrs. Neis Peterson and daughter sailed on the Prince Rupert this afternoon to make the round trip to Alaska.

A meeting of the General Committee of Labor Day Sports will be held in the Carpenter's Hall, Friday at 8 o'clock.

Mrs. J. J. Payne and family, who have been spending the summer vacation in the south returned to the city on the Prince Rupert this morning from Vancouver.

Judge F. McB. Young and H. F. McLeod, court registrar, returned to the city on the Prince Rupert this morning from a brief trip to Ocean Falls on County Court business.

Mrs. McIntosh, mother of Mrs. W. D. Vance, Fourth Avenue East, and daughter Leona arrived in Prince Rupert on today's train from Edmonton and will be visitors here for the next few weeks.

Mrs. Milton Gonzales, who has been visiting for the past month in Vancouver, returned to the city on the Prince Rupert this morning from the south, accompanied by her daughters, Gerry and Barbara.

There was a meeting of the executive of the Prince Rupert Radio Association this week. D. C. McRae presiding. Jack Boddie was appointed to the executive to replace Sid Reith, who left the city in the spring.

Pilot W. N. Cumming came in from Queen Charlotte City at 1:15 this morning with a Western Canada Airways' flying boat which is engaged in fishery patrol service there. The plane will return to the Islands tomorrow with James Boyd, inspector of fisheries, on board for an inspection trip of canning operations on the Queen Charlottes.

CENTRALS BEAT SONS IN CLOSE GAME

Hotelmen Still Have Chance For Playoff As Result of Last Night's Victory

Coming from behind in the fifth inning, Centrals scored two runs in last night's baseball game against Sons of Canada, which were enough to clinch the game, and give them another chance to tie for second half honors.

The losers were short of a number of their regular line-up and had to fill in with three players from the stands.

Centrals went out in order in the first inning. Bill Mitchell started things off for the Sons with a single. He stole second and went to third when Smith was thrown out at first. He scored when Stalker bunted in front of the plate and was thrown out at first. Native Sons added another in the second. Frizzell, first man up hit one that bounced off Chenoski's glove and he was safe. He stole second and scored of L'Heureux' hit to right. L'Heureux was thrown out trying to stretch it to a double.

Centrals got their first run in the third. A. Moore was safe on a hit to left. He went to third on Baldwin's hit. Farquhar struck out and then Moore scored when Barry was thrown out at first. Chenoski grounded out.

The first two men up in the fifth, Wilson and A. Moore, both struck out for the Centrals. With two strikes and three balls, Baldwin hit through short and went to third when Commons let the ball roll between his legs. Farquhar walked. Barry singled and Baldwin scored. Farquhar going to third. Chenoski hit a Texas Leaguer into right and Farquhar scored. Stone hit to Lambie, who threw him out at first to end the inning.

The Box Score

Centrals	ABR	H	PO	A	E
Barry ss.	3	0	1	0	1
Chenoski p.	3	0	1	0	1
Stone lf.	3	0	0	1	0

Summary—Stolen base, Mitchell, Frizzell; sacrifice hit, Stalker; base on balls, off Lambie (1); struck out by Lambie (10), Chenoski (7); left on bases, Centrals (3), S. O. C. (0); time of game, 1 hour; umpire, Moran.

Lacrosse Practice Held Yesterday

Aiyansh Indians Had Spirited Workout Here on Tuesday

Aiyansh Indians, with two complete teams, held a spirited lacrosse practice game yesterday afternoon. The rail birds were so impressed with their play that they have practically given up hopes of local boys retaining the challenge trophy. Nothing daunted, however, the local team is turning out to practice this evening, and are all confident that the Indians can still take lessons

SPORT CHAT

Captain Lionel Hitchman of the Boston Bruins and "Dit" Clapper, one of the stars of the team which made a runaway race of the National Hockey League last season only to lose the championship they had won the previous winter, are latest sport notables to go to New Brunswick to add Atlantic silver salmon fishing to their list of sport activities. Although both are experienced anglers, they are having their first experience at fly casting at Hart's Island pool on the Saint John River, six miles north of Fredericton, where they are to spend two weeks at Roland H. Wheeler's fishing lodges. They motored here from Ottawa, where Mrs. Hitchman is visiting her home, breaking the 700 miles motor trip with stop-offs at Montreal and Quebec to renew hockey acquaintances.

Captain Hitchman plans on returning to New Brunswick again in October for moose hunting with several members of the Bruins as preliminary to reporting for training on October 20 for the next National Hockey League season. He figures two weeks of simple but strenuous life, tramping New Brunswick woods hunting moose and deer would put the Bruins' stars in the best of shape to take the ice and he hopes Manager Art Ross will give his approval to the plan and also personally join the party. When not engaged in whipping the waters of Hart's Island Pool, the Boston Bruins' captain and all-round star have been busy since arriving on the Fredericton Golf Club's nine-hole course, in which sport Captain Hitchman, a veteran in hockey in point of service although only 28 years old, claims predominance. Capt. Hitchman was born in Toronto and played first with the Aura Let-Juniors in 1920-21, then with New Edinburgh, Ottawa City League, 1921-22; he joined the Ottawa Senators in 1922 and was sold to the Boston Bruins in 1925.

Aubrey Victor Clapper is listed in the Bruins' official roster as a defence player but he starred as a forward last season and was a spectacular goal getter. He was born in Newmarket and now lives at Hastings, Ont. He went to the Boston Tigers of the Canadian-American League from Parkdale Canoe Club, Toronto, where he played in 1925-26 and after playing with the Tigers in 1926-27 was drafted by the Bruins and has become a prime favorite in Boston.

Salmon Bellies Beat Winnipeg and Will Meet Brampton For Canadian Lacrosse Title

B. C. TEAM WINS OUT

WINNIPEG, Aug. 27.—The New Westminster Salmon Bellies defeated Winnipeg Argos last night eight to two to win the western lacrosse championship, taking the two-game series by an aggregate of seventeen to eight.

New Westminster will meet Brampton, Ont., in the finals.

PLEASURE WRIGLEYS

The tingling taste of fresh mint leaves is a real treat for your sweet tooth.

Affords people everywhere great comfort and long-lasting enjoyment. Nothing else gives so much benefit at so small a cost.

It is a wonderful help in work and play—keeps you cool, calm and contented.

FIVE MILE MARATHON PROPOSED

Native From Kitwanga Ready to Meet All Comers During Fair Week

There is a possibility of a five mile marathon track race in the city during Fair Week. The secretary of the Fair Board has received a request from Kitwanga to be allowed to race Ernest Derrick, a long distance native runner and a member of the Kit-an-yow native football team that is coming to the city.

Derrick is said to be speedy and with plenty of stamina for the long run. The request to enter a race here, is somewhat in the nature of a challenge to anyone in the district to compete. Entries for this should be sent to Secretary Vance who will arrange the event if there is competition. A suitable prize it is understood will be offered for the winner.

The Letter Box

RE GURVICH CHALLENGE

Editor, Daily News.—Referring to Nina Gurvich's challenge of the twenty-fifth inst. which reads in part: "I am willing to meet Billy Bagshaw in a ten round match and I spoke to Mr. Fisher, his manager, to this effect and he refused to accept my challenge." I must flatly deny that he has spoken to me about this, as I have not conversed with him since July 27—another example of the way he plays around with the truth.

He has had two fair offers of a match with Bagshaw, the first ten rounds, \$200 purse, weight limit 141 pounds. This was refused, Gurvich denying at the time that he had agreed to fight ten and stating he was willing to fight six. I then made him an offer of a six round fight in private for a side bet of \$200, weight limit "a ton." This he also failed to accept and if he still wishes to fight he must put his money up.

I believe the public would be glad to see these boys meet and with that in mind I am going to make Gurvich one final offer, viz., a ten round match at the Exhibition Building, free admission to everyone, for a side bet of \$200, Gurvich and Bagshaw to make 137 pounds, and all incidental expenses to be paid "fifty-fifty." It is now up to him to put up or—discontinue making challenges. Furthermore I wish it distinctly understood that this is an instance where money talks and the only chance I will give Gurvich of making any money out of the match is through betting his money. I would also like him to state when and where he had an interview with me as implied in his challenge of the twenty-fifth inst. hereabove mentioned.

Thanking you again for your kindness in giving space in your valued paper covering this matter, OWEN FISHER.

Stiff Bathing Regulations

DURBAN, South Africa, Aug. 27.—Durban's new bathing regulations were promulgated in the Provincial Gazette recently. From now on bathers must wear a cloak when not actually on the sands, and must wear a costume that is opaque and covers the bather from the shoulder to midway between the hip and knee. When this regulation was first discussed it was thought that the council had been attacked by the Mother Grundy spirit and would force Natal's young nymphs to conceal their forms in frumpy costumes. But a Durban paper publishes a picture of a girl with not anything more on that she should have. The caption reads: "If girls wear costumes of the length illustrated they will get nothing but appreciative glances from the police."

NEW RECORD FOR WILSON

Chicago Batsman Sets Mark For National League Homers; Is Now Tied With Ruth

NEW YORK, Aug. 27.—With Hack Wilson's forty-fourth homer of the season, setting a new National League record and tying Babe Ruth's figure for the year, the Chicago Cubs defeated Pittsburgh Pirates by a score of seven to five at Chicago yesterday.

St. Louis Cardinals defeated Cincinnati Reds three to one in the only other National League game.

In the only American League game of the day, successive homers in the eighth by Cochrane and Simmons enabled Philadelphia Athletics to come up from behind and defeat Washington Senators at Philadelphia ten to nine.

BOXING BOUT ON STEAMER

Steward's Department of Steamer Put on Card Last Night For Passenger's Entertainment

Last night as the steamer Prince Henry was steaming down from Skagway to Prince Rupert, a boxing card was staged by the steward's department on the freight deck with an elevator as a ring and there were four bouts in which the passengers took considerable interest and derived a good deal of entertainment for they were very funny.

The feature bout was between a big husky nicknamed Tarzan, who had a mistaken idea that he could box, and a boy from Vancouver, who really knows something about boxing and who, indeed, was reported to be a brother of Jimmy McLarnin, world famous boxer. The bout, as might have been expected, ended in the knockout of Tarzan but not until after the crowd had got a lot of fun out of seeing the two heavies mix.

Quick RELIEF

ALICE ARM

Rheumatism
Lumbago
Neuralgia
Headaches
Colds

ASPIRIN tablets will relieve pain. No doubt about that. Even those deep-seated pains that make a man's very bones ache. Even the systemic pains that women suffer. They yield to these tablets! Genuine Aspirin has many important uses. Read the proven directions found in every package of Aspirin tablets and don't endure needless pains from neuralgia, neuritis, rheumatism, etc. Keep a bottle of these tablets in the house; carry the pocket tin if subject to unexpected headaches, sudden colds. Quick relief, without any harmful effects. Aspirin does not depress the heart. Just look each time for the name Aspirin—and the word genuine printed in red on every box.

ASPIRIN

SOFTBALL WAS DRAW

Finest Game of Season Last Night; Trophy to Be Decided on Friday

Without doubt, the greatest game of softball played by the C. N. R. League this year, ended last evening in a tie, three-all. Owing to darkness, the game was called, to be replayed on August 29. Both the Station and the Dry Dock teams played great ball, every player being on his toes from the first innings on. The spectators went wild with ex-his toes from the first innings on, the game and enjoyed all plays from the first ball thrown.

Both teams played first class ball and it was hard to single out any player who did more than his team mate.

Dry Dock: E. Smith, Boulter, Smith, Wendle, Howe, Gavan, Nelson, Kelsey, Bury.

Station: Horton, Styles, Downie, Skinner, Harold, Summers, Skattembol sr., Morrison and McIntosh.

Batteries: Dry Dock, Boulter and E. Smith; Station, Styles and Morrison.

Umpires, Comadina and Raby. The game on Friday night will decide the ownership of the Alonzo Haines Trophy, and all spectators are assured of seeing an interesting game.

District News

STEWART

Miss Rita McLean of Prince Rupert has been appointed teacher of the primary grades in the local public school. She takes the place of Miss Dorothy Davies who has resigned. Otherwise, the staff will be the same as last year. During the holidays, the school house has been given a complete new coat of paint.

The Portland Canala Lodge of the Loyal Order of Moose is giving over the use of its lots in Stewart as a playground for the children. Swings and other equipment are being installed.

Talkie equipment has been installed in the Premier Theatre at Hyder and the first talking picture was shown last Saturday night. The picture was "The Street Girl" with Betty Compson.

Workmen are engaged in building a new sidewalk on the south side of Fifth Street from near Crawford's office to the new bath house recently opened by S. W. Salo, several intervening buildings being served by the new walk. It is the first piece of construction to be undertaken by the corporation of the village of Stewart.

Funds will be available for five months' work during the coming winter on the Bear River wing dam, the Stewart Board of Trade has been advised.

Excellent progress is being made by the Selms-Spokane Co. on the construction of the Texas Creek highway for the United States government and it is expected that the last lap will be completed within the scheduled period.

ALICE ARM

A cross-cut tunnel now being driven from the main tunnel at the Tidewater Molybdenum property, which is under development by the Dalhousie Mining Co., is still encountering good grade ore and is expected to cut through several more bodies of the same character of ore. Enough ore has already been developed, it is said, to warrant the installation of a compressor plant. Before this can be done, however, improvements must be made to the trail up the hill.

R. Deeth arrived last Wednesday from Anyox and is spending a vacation at the Alice Arm Hotel.

Mrs. J. Kirkland and son, Stanley, arrived last Thursday from Anyox and are spending holidays here.

WRITER PASSES THROUGH CITY

Charles Sutherland, feature writer for the Vancouver Province, and Mrs. Sutherland are passengers aboard the Prince Rupert today going north to make the round trip to Skagway. Mr. Sutherland is one of British Columbia's best known newspapermen.

BRINGING UP FATHER

By George McManus

SHE THOUGHT:
 "You'd be so nice—if it weren't for that hint of 'B.O.'!"
Yet, to be polite,
SHE SAID:
 "I won't ask you to come in. It's rather late."

A cold good-night ... was "B.O." the reason?

(Body Odour)

TOO LATE to ask him in? Why, it was only 10 o'clock. There *must* be another reason. Why had she turned so cool? Why act so strangely? Friendly at first—then suddenly distant.

Now he knows the reason—knows how to correct the fault that once made people avoid him. Today he's welcome everywhere. "B.O."—body odour—no longer robs him of popularity.

to this ever-present odour that we don't notice in ourselves. But others do!

Why take chances when the remedy is so simple, so delightful? Just wash and bathe with Lifebuoy! Its creamy, abundant, antiseptic lather leaves you gloriously, satisfyingly clean—purifies pores so deeply that "B.O." hasn't a chance.

Fresh, radiant beauty

And what a fine complexion soap Lifebuoy is! Work its bland, penetrating lather well into the skin. It frees the clogged pores from impurities—freshens dull skins till they glow with healthy beauty. Its pleasant, extra-clean scent—that vanishes as you rinse—tells you Lifebuoy purifies. Adopt Lifebuoy today.

It ruins romance

Many a budding romance has been wrecked because one or the other of the couple was careless about "B.O." Of course no one means to offend. But it's so easy to be guilty and not know it.

Pores give off a quart of odour-causing waste daily—both visible and invisible perspiration. We quickly become so used

New!
LIFEBUOY
 SHAVING CREAM
 It lathers! No pull. No friction. No tenderness. Just the smoothest shave you've ever had. Write for Free Sample.

WEDDED AT METCHOSIN

Miss Pete Tremayne Became Bride of Dr. Richard Stiefel at Vancouver Island Ceremony

Many old friends of the family from Prince Rupert were present at the wedding which took place at 2.30 yesterday afternoon in St. Mary's Church, Metchosin, Vancouver Island, of Miss Ethel Marion Roberta Tremayne, second daughter of Dr. and Mrs. H. Ernest Tremayne, to Dr. Richard A. Stiefel of Detroit. Following the ceremony a reception was held at the home of the bride's parents at William Head.

Dr. and Mrs. Stiefel embarked last night from Victoria on a honeymoon tour which will bring them here on Friday morning of this week aboard the steamer Prince George. They will spend a day here as the guests of Mr. and Mrs. William Cruikshank, Waldron Apartments, and will proceed by train Saturday morning to Detroit where they will reside.

Popularly known as "Pete" Tremayne, Mrs. Stiefel is one of Prince Rupert's best known and most popular pioneer girls. She lived here from more than twenty years ago until a few years ago with her parents. Recently she completed a course of nurses' training at Henry Ford Hospital in Detroit. Occasional visits will be taken during the brief stay of the couple in Prince Rupert by many friends of the bride to extend their hearty congratulations and best wishes.

MAKING FINAL VOYAGE OF SEASON TO SKAGWAY

Making the final voyage of the season to Skagway for the company, C.N.R. steamer Prince Rupert, Capt. Edward Mabbs, arrived in port at 11.30 this morning from Vancouver, Powell River and Ocean Falls and sailed at 2.30 this afternoon for Alaska whence she is due back here next Monday south-bound. The vessel brought north a fair-sized list of passengers.
