SUGGESTION FOR WEEK

A correspondent suggests that in order to increase the prosperity of Prince Rupert, people of the city and district should support local industries better than they do. As an instance he says he noticed hardware goods being imported which could be made both better and cheaper at the local drydock plant. He says that in many lines of work the local shipyards compete very favorably with outside shops.

The writer says that people have been criticized for ordering their goods by mail from outside when in some cases local merchants have sent outside for goods they could purchase at home.

We are glad to pass on the suggestion for we have often advocated the support of local industries as a step toward prosperity. We suggest that people of the city buy at home, that merchants whenever possible procure goods at home and keep the dollars here while employing local people.

We might also mention to local merchants that quite a number of them send out to their customers cheap circulars made by cheap labor in the east when right in Prince Rupert there are printing shops and newspapers ready to give them good publicity service. Co-operation should be the watchword this week. Let the merchant do his bit as well as the customer and we shall all become prosperous together. Let us all, wherever possible patronize local industries. First buy in Prince Rupert or from Terrace or Smithers or somewhere in the district. Next let us so far as possible buy in British Columbia. If this is not possible we can usually agree to buy Canadian made goods rather than foreign. These are tangible things we can do to increase the prosperity of the city and country.

Many flappers are not as sophisticated as they try to appear.

Successful Tea and Sale Held

Substantial Sum Raised By Presbyterian Ladies' Aid on Saturday Afternoon

A very successful tea and sale of home cooking was held on Saturday afternoon for the Ladies' Aid of First Presbyterian Church at the home of Mrs. John R. Mitchell, Ninth Avenue East. Many ladies called during the afternoon to support the affair and a substantial sum was realized.

Mrs. Mitchell received the guests. Mrs. W. D. Moxley and Mrs. A. R. Phillips poured and Mrs. McRobbie was cashier. Mrs. A. Berner had charge of the home cooking table. Assisting in serving were Mrs. Rod Morrison, Mrs. Carlyle, Mrs. A. Crompt, Mrs. E. N. Valentine, Miss Caroline Mitchell, Miss Eleanor Moxley, Miss Beatrice Berner, Miss Jean Ritchie and Miss Helen Walker.

During the afternoon there was a delightful musical program which was arranged by Miss Caroline Mitchell. Piano solos were played by Misses Ruth Nelson, Marybelle Stiles, Helen McNaughton and Eileen Hamblin. Miss Beryl Birch gave a recitation and there was a solo by Miss Beatrice Berner, accompanied by Miss Jean Ritchie. Miss Jean Ritchie and Miss Beatrice Berner gave a piano duet.

C. N. R. steamer Prince John, Capt. Dan McKinnon, which has taken over the run of the steamer Prince Charles on the route between here and Vancouver via Englewood, Alert Bay and certain south Queen Charlotte Island points, arrived in port yesterday from the south, sailing later in the day on her return to Vancouver via Alert Bay and Englewood.

Man in the Moon

Jake says he's been feeling prosperous ever since he won that dollar at the Rotary circus and dance. He lost the dollar before he left but it made him feel prosperous to have it in his pocket for a few minutes.

The manager says the way to feel prosperous would be if all his creditors would pay their bills. So he suggests this slogan for the week: "Pay your bills and make the other fellow feel prosperous."

Now that the circus and dance is over, let us once more turn our attention to peewee golf and badminton. It won't make us prosperous to think of the cash we lost last week.

Think Prosperity
With celerity
Make our dreams
Become a verity.

I met a man recently who had so much prosperity he did not know what to do with it so bought a plot out at Fairview and is getting ready to move in.

You don't have to be rich in order to be prosperous. That's what I like about this prosperity week. All you have to do is think you are prosperous and if you are not, it's your fault.

C. C. Mills sailed last night on the Prince Rupert for a business trip to Vancouver.

WHY FAT MEN STAY FAT

"The trouble with me, and I guess this applies to 99 out of every 100 men who are putting on weight, I didn't have the energy or 'pep' to keep it off. Lost all interest in any healthy activity and just lazed around accumulating the old pounds, until I got that 'Kruschen feeling.' Start taking Kruschen Salts—that's the common-sense way to reduce—but don't take them with the idea that they possess reducing qualities in themselves. This is what they do—they clean out the impurities in your blood by keeping the bowels, kidneys and liver in splendid working shape, and fill you with vigor and tireless energy. As a result, instead of planting yourself in an easy chair every free moment and letting flabby fat accumulate, you feel an urge for activity that keeps you moving around doing the things you've always wanted to do and needed to do to keep you in good condition. Kruschen Salts are the up-to-date Fountain of Youth. Take one-half teaspoon in a glass of hot water to-morrow morning and every morning—be careful of the foods you eat—take regular moderate exercise—then watch the pounds slide off.

KID BERG IS WINNER

Took Decisive Ten Round Call Over Billy Petrolle in New York Friday Night

NEW YORK, Oct. 13.—A wind-storm of leather swept through Madison Square Garden Friday night and gave Jackie (Kid) Berg, sensational British lightweight, a 10-round victory over Billy Petrolle, the Fargo Express. While 12,000 of the faithful roared with delight at the ceaseless punching, Berg belted out a clean-cut decision over the heavy hitter who once scored a five-round technical knockout over him in Chicago.

Berg, though he never stopped clouting, did not carry enough power to floor Petrolle.

FOOTBALL WAS DRAW

Borden and Booth Schools Give Good Soccer Exhibition

The junior football game between Borden and Booth Schools on Saturday forenoon resulted in another draw after a splendidly fought game, neither team being able to score.

Borden had the better of the first half, though playing uphill. Hardy's powerful kicking was of great value to his team and Bremner was called on several times. Christison and Macdonald had chances but could not get power and direction into their drives. Wilson and Dunge threatened danger but finished weakly.

Borden pressed again in the second half but apart from a drive from Hardy Bremner was not severely tested. Booth made dangerous raids, Wardroper being the most dangerous. Gomez dropped a fine cross on top of the crossbar that Morgan was relieved to see bounce over and just at the finish in a sustained attack Wardroper hit the foot of the upright. A scoreless draw was a fitting score.

J. S. Wilson refereed and W. Cross and A. Walters were efficient linesmen.

Borden: Morgan; Fisher, Currie; Nakamoto, Hardy, Naylor; Linzey, J. O'Neill, Wilson, Campbell and Dunge.

Booth: Bremner; Sather, Ferguson; Ritchie, Gomez, D. McMeekin; Wardroper, Macdonald, Christison, Santurbane, Cramp.

Morgan was safe and Fisher was the better back. Hardy played a fine game and was of great assistance in attack and defence. Nakamoto was superior to Naylor who found Wardroper hard to check. Wilson made fast runs but shot poorly. Linzey and Dunge were fair while O'Neill though small, showed good football. Campbell was not so good as usual though displaying neat footwork.

Bremner was very sure and safe in Booth goal. Ferguson kicked cleanly while Sather used good judgment. Gomez was a rare worker at centre half and had hard luck with his shot that hit the crossbar but he wandered too much in the second half with the result that Wilson had too much freedom. Ritchie tackled well and McMeekin improved as the game went on. Wardroper, Christison and Cramp were the pick of the forwards who showed nice combination at times but were ineffective in front of goal.

RACE WAS POSTPONED

Lack of Wind Caused Schooner Race to Be Called Off Saturday; American in Lead

GLoucester, Mass., Oct. 13.—The second race for the Sir Thomas Lipton fishing schooner trophy between the American Gertrude L. Thebaud and the Canadian Blue-nose was postponed Saturday after the schooners had passed the halfway mark because of lack of wind. The Thebaud was leading but by a smaller margin than in the first race.

IS STILL CHAMPION

Ted Phelps Retains World's Sculling Title Against Bert Barry

LONDON, Oct. 13.—Ted Phelps, world's sculling champion, successfully defended his title Saturday against Bert Barry, the challenger, defeating the former champion over the University boat race course from Putney to Mortlake. Phelps' time was two minutes and 48 seconds.

Taking over the run of the Prince Charles on the route from here to Massett Inlet points, C. N. R. steamer Prince William, Capt. William Thomas, sailed at 2 o'clock Saturday afternoon for the islands and was back in port last evening.

Today's the day to switch to Winter Super Union

Now our gasoline is 26% quicker starting with No Loss of Mileage

It's made in Canada by Canadian workmen... Sold at the Blue and White Union Pumps.

BEGINNING today, the UNION OIL COMPANY OF CANADA LIMITED offers you the finest gasoline within the reach of science.

This Canadian-Made product meets every demand of a winter fuel.

First—WINTER SUPER UNION is 26% quicker starting than the average of other gasolines. Tests in the laboratory—on the block—and in the ice chamber of a great ice plant, prove this.

Next, it gives you instant acceleration, on hills, in traffic, or on the open highway—in low, intermediate and high gear.

Third—Special attention has been given to reduce disagreeable odors sometimes noticed at high speeds.

This is important in winter when the car is often entirely closed.

Also, WINTER SUPER UNION overcomes low-speed bucking.

Yet all these advantages have been obtained with no loss of mileage. The same heat content that accounts for the extra mileage of previous UNION gasolines, is retained.

Switch NOW!

Early mornings and late evenings are getting chilly. Switch now to WINTER SUPER UNION... 26% quicker starting without loss of mileage.

MADE IN CANADA

The UNION OIL COMPANY OF CANADA LIMITED has a large investment in Western Canada... refinery, trucks, ships, service stations and other equipment. This Canadian company buys Western Canadian materials and employs Canadian men and women. Every gallon of Canadian-Made WINTER SUPER UNION you buy helps the prosperity of the West and keeps Canadians employed.

(NOTE: Now Super Union-Ethyl is WINTER Super Union plus the proven anti-knock advantages of Ethyl)

UNION OIL COMPANY OF CANADA LIMITED

A Union Oil Technician making one of the 16 laboratory tests that check the 26% quicker starting ability of Winter Super Union.

This engine enclosed in a refrigerating chamber proves that in actual service Winter Super Union is 26% quicker starting with no loss of mileage.

As a final check cars are run into the cold room of a great ice plant. These choke tests are made to verify its 26% quicker starting ability.

Finally, Winter Super Union is tested on the road to prove that it gives you 26% quicker starting, with no loss of mileage.

MINISTER AT DINNER

Hon. D. M. Sutherland Non-Committal in Regard to Matters of Policy

At 6 o'clock last evening, Hon. D. M. Sutherland, minister of national defence, was entertained at a quiet little dinner in the Commodore Cafe. Those present in addition to the minister, included Commodore Hose and one or two officers of H. M. C. S. Vancouver and the local naval reserve, Acting Mayor Collart and members of the city council, and President Tinker and members of the executive of the Chamber of Commerce.

In a brief speech, the minister, in reply to a few words of welcome from Acting Mayor Collart, thanked the city for the hospitality which was much appreciated. He said it would not be in form to make a speech that evening. He had been

driving with the acting mayor in the afternoon on the new highway and he felt sure this highway would be much used when it connected through so that tourists could come in by it.

He mentioned the Peace River outlet and the new railway hotel but was very non-committal in regard to them. Having been here and looked over the ground he would feel much more competent to deal with these matters if they came before the cabinet. Dr. Manion was in charge of that department, however. The C. N. R. was an active force under Sir Henry Thornton and this meant a great deal. The western outlet to the Pacific from the Peace would be embarked on at the earliest possible minute but as to the route it had not yet been discussed.

Mr. Sutherland said that Hon. Mr. E. N. Rhodes, minister of fisheries, was planning to visit Prince Rupert soon and the minister of national revenue was also due to come as far as the prairies and might come to the coast. Adjutant General Caldwell, who

was with the minister's party, said, after their visit, they would go back to Ottawa sympathetic to the work being done by the local unit of militia.

Commodore Hose told of being in Prince Rupert 19 years ago when he heard many expressions of hope and optimism. Hope had been deferred but it was a pleasure now to see here such a well kept city. Prince Rupert had quite a connection with the Canadian navy in that both were born the same year.

President Tinker of the Chamber of Commerce moved a vote of thanks to the visitors and expressed the pleasure it gave everyone to see them.

To Women,
Everywhere in Canada

Protect Your Breadwinner's Job!

Are you one of those whose lot in life consists in looking after the home?

If so, unless you happen to be among the fortunate ones who have means of their own, you are dependant upon some one—husband, father, brother, sister, son, daughter—to provide you every week with the money you must have to pay the grocer, the butcher, the baker, the milkman, the druggist, the dry goods merchant, and all the other dealers for the things you have to order from day to day.

It would be a terrible thing, wouldn't it, if next week your house allowance were suddenly to be shut off! Yet that is what might happen if your breadwinner were unexpectedly to lose his business, or his job!

Are you doing everything you could do—everything you should do—to spare yourself a misfortune of that kind?

Your breadwinner may be a professional man, or he may be in business as a merchant, or as a farmer. If so, he wants customers, more and more of them—the kind who pay their bills regularly in cash. Isn't there something you might be doing to help those customers, so that they in turn could do more business with him?

Some of them are probably growing or making things of the kind you have to order from day to day. So long as such things find a buyer, their jobs are secure. But if they should fail to find a buyer, for no better reason perhaps than that you and other women thoughtlessly allow yourselves to be sold articles that have been imported, they lose their jobs, in which event your breadwinner loses them as customers. And naturally you don't want that to happen!

Or perhaps your breadwinner is himself an employee. If he is, the safety of his job depends upon there being plenty of people, who are steadily employed at good wages, to whom his employer can cater. Obviously there will be more of such people, the more you and your friends see to it that for your daily needs you buy things that have been produced right here in Canada. Because when you forget and buy an article that has been made in some other country, you are depriving some one of a job in this country.

Other women, everywhere in Canada, are being urged to protect the job of your breadwinner by always giving a Canadian made article preference over one that has been imported. Won't you do the same for their breadwinners, and incidentally make your own income that much more secure?

Very sincerely yours,

H. H. Stevens
Minister of Trade and Commerce.

HARVEST IS CELEBRATED

Special Services Held Yesterday in St. Andrew's Anglican Cathedral

Harvest Thanksgiving services were held yesterday in morning, afternoon and evening at St. Andrew's Anglican Cathedral with large congregations present on each occasion despite inclement weather. There was special music at each service and the dean, Very Rev. James B. Gibson, delivered sermons appropriate to the season.

At the children's service in the afternoon, Miss Withers, who is relieving in charge of the local Japanese Mission during the absence of Miss Lenox on a trip east, presided at the organ.

In the evening, Dean Gibson alluded to the subject of "Prosperity Week." The choir was in fine voice for the rendering of the anthem "Ye Shall Dwell in the Land." Mrs. Donald Ross and A. J. Lancaster were soloists.
