HIGHWAY CONSTRUCTION PROCEEDS

To Reach Taylor Lake and Construct Bridge By Fall It Is Stated

District Engineer Expects to Keep Within Estimate of \$2,800,000 For Whole Project to Terrace

Good progress is being made with the new highway work and definite plans are now in hand for the new bridge which is to be built across Galloway Rapids.

In regard to the highway itself, the work so far, it is announced, has been kept within the original estimate, and with the appropriation at present made for the season's work it should be possible to drive as far as Taylor Lake, the first of the Cloyah River chain of lakes beyond Cloyah Bay.

FISHING IS VERY GOOD

Conservative Estimate Puts Week's Average at Fifteen Fish Per Boat

There is still a satisfactory run of sockeye salmon on the Skeena River despite the fact that weather has been overcast and inclined to be cool since the first of the week.

One of the more conservative of the cannery managers stated this morning that the boats at the mouth of the Skeena River had been averaging about 15 sockeye to the boat this week.

OCEAN FALLS MAN IS DEAD

William J. Heath Was Liberal Candidate For Mackenzie in Last Provincial Election

William John "Red" Heath of Ocean Falls, who was Liberal candidate in Mackenzie riding at the last provincial election, dropped dead in a street car at Vancouver last Sunday evening.

The deceased was a war veteran and prominent in Labor affairs at Ocean Falls. He was a bachelor, aged 40 and is survived by a mother in England. He was preparing to take an active part in support of Olof Hanson in the forthcoming federal campaign when he was stricken.

The late Mr. Heath had many friends in Prince Rupert who will regret to hear of his demise.

It is planned to continue the present construction until November when it is presumed the weather will not permit further work. By then the lake should be reached, the bridge built and cars driving over it.

Just now there are about 60 men employed at the construction camp and it is possible that another small gang may be put on later. At any rate the present force will be kept on, it is announced, right through to the fall.

Surveys are also being pushed ahead. Just now the party is working from a camp at the head of Warke Canal and toward the end of next month this camp will be shifted to Skeena City from which point the survey will be connected up.

The estimated cost of the whole road to connect with the highway at Terrace is set at \$2,800,000 and the district engineer says that his work so far and the survey data indicate that it can be built well within that figure.

PROMINENT TORY TURNS TO LIBERALS

POLITICAL WAR HORSES

Two Speakers at Tonight's Meeting Expected to Carry Fight Into Enemy's Camp

Two fighting speeches are expected tonight from T. D. Pattullo M.P.P. and George Pearson, M.P.P., the two principal speakers at the Liberal meeting in Moose Hall tonight.

Mr. Pearson is one of the coming Liberal leaders. He was mentioned as a possible leader if Mr. Pattullo had decided to enter the federal arena. He too will have some pungent remarks to make.

Both these men are fighters who carry the political war into the camp of the enemy.

EVIDENCE IS HEARD

Oliver-Latimer Case Provides Further Sensations in Supreme Court

VANCOUVER, June 26:—Nobody has the right to take the law into his own hands said Mr. Justice W. A. Macdonald in Supreme Court yesterday when H. B. Robertson K.C., counsel for the council of the British Columbia College of Physicians and Surgeons, commented, during the hearing of Dr. Victor Latimer's appeal against being disbarred from the College, that any man who did what Charles Oliver thought Latimer had done "deserved to be killed."

Mrs. Oliver's story relating to an alleged assault in her house at Pentiction by Dr. Latimer on July 27 last was termed "too fantastic" by G. L. Fraser, counsel for the appellant. According to Mrs. Oliver's evidence, she fell in a heap on the floor and her mind became a blank. She woke up the next morning.

H. B. Robertson, K.C., counsel for the medical council, argued that Mrs. Oliver was physically well before she went to Dr. Latimer to consult him in connection with her ears but afterwards became nervous. Mrs. Oliver's evidence, according to counsel, showed that Latimer told her she would go deaf if she did not continue the treatment. Counsel submitted that, when Latimer heard the husband was coming home, he stopped using the drug and the patient began to feel loss of strength. The medical council had held that Latimer was guilty of administering drugs improperly to Mrs. Oliver.

Miss Bertha Gerard, R.N., arrived yesterday from Seattle, to spend a holiday with her sister, Mrs. A. M. Beattie, and will be returning via Jasper Park.

VATICAN CITY, June 26:—Reports still persisted yesterday that the Pope was indisposed despite denial by authorized officials that he was suffering from a uremic crisis.

It was learned that several Roman doctors have been consulted recently concerning the Pontiff's aggravated bladder trouble and that the possibility of an operation has been discussed.

ROBERTSON ORR STARTS ACTION

VANCOUVER, June 26:—Claiming the sum of \$730 for alleged arrears of salary and motor allowance and for a declaration that he is still the minister of the church, Rev. Samuel Robertson Orr has commenced action in Supreme Court against 17 officials of central Presbyterian Church.

Splendid Climax Last Night to International Yacht Races When Prizes and Trophies Were Awarded

Maidie Was First Over All and City Trophy Went to Nisbet

The largest dinner dance ever staged in Prince Rupert and one of the most successful events in the history of the special entertainment of the visiting yachtsmen at which the winners of the races were announced and the trophies and prizes presented.

The spacious hall presented a very gay scene. Yachts or yachting emblems were in evidence everywhere and especially on the walls where on blue backgrounds hundreds of miniature yachts were hung, giving a unique effect such as could not have been obtained in any other way. The seats were arranged around the outside of the hall and in the galleries and the centre was kept for dancing.

George Bushby, president of the Prince Rupert Yacht Club, presided most efficiently and J. C. Brady, who presented the prizes, did so in such a manner that the long ceremony was without a moment's dullness. Mayor Orme too was at his best and carried out his part with credit to the position he holds.

The chief theme of the event was to illustrate the friendly spirit of the two nations, United States and Canada. The aim was to make the visitors feel that they were not in a foreign country but just calling upon neighbors. Almost every speaker said something emphasizing this.

The proceedings opened by the singing of "O Canada." "God Save the King" and "My Country 'Tis of Thee." A huge key to the city was presented to Richard Fro-

Life-Long Conservative Running as Liberal In This Election Contest

J. J. Carrick of Port Arthur Whole-Heartedly Endorses Premier King's Policy of Trade Within British Empire

TORONTO, June 26:—J. J. Carrick, prominent Port Arthur realtor, who, as a Conservative, received the seat by acclamation in the Dominion general election in 1911, sat as Conservative in the Ontario Legislature for several years and ran unsuccessfully as an Independent Conservative in 1925, has announced his acceptance of the Liberal nomination in Port Arthur-Thunder Bay in the present general election.

Big Gathering Turns Out at Terrace to Hear Speeches in Support of Liberal Candidate

TERRACE, June 26:—Fully one hundred and fifty persons, which may be considered a big average for this town, turned out in Progress Hall last night when T. D. Pattullo, M.L.A. for Prince Rupert and leader of the Liberal party in British Columbia, and George S. Pearson, M.L.A. for Nanaimo, opened the Liberal federal election campaign on behalf of Olof Hanson's candidature for the office of Member of Parliament. A splendid reception was given all the speakers, particularly Mr. Pattullo

whose first visit it was here since he was officially chosen leader of the Opposition. That Olof Hanson has a large number of supporters here was also indicated by the spontaneous enthusiasm that was manifested for his cause.

The principal speakers were Mr. Pattullo and Mr. Pearson. R. W. Stewart and Premier

In Her Time of Need

The London Times—"The Thundered"—says: "The advantages offered by Canada to British industry are offered without any bargaining or corresponding concessions, and the spirit which prompted them will be appreciated as much as their actual economic effect in helping British trade at a time when help is badly needed."

But Hon. R. B. Bennett, the Conservative leader says: "The Liberal preferential tariff offer to Great Britain cannot be justified without obtaining a quid pro quo."

There is no doubt about it, English foreign trade is in a bad way. She has lost many of her pre-war markets. High tariff walls have shut her out from doing business with many of her former customers. Her textile trades, her iron and steel trades and her coal mining industries are languishing. She is bowed down with the greatest burden of taxation any country has ever known in order that she may pay her war debts and so maintain that perfect standard of international honor whose name is "British."

And our Tory friends say to this Mother Country who has always stood with her navy between us and every foreign menace; who has paid those navy bills without a murmur; that country to which we owe our freedom and liberty, our democratic institutions and everything that is best in us; we will not give you any trade preference unless you give us an equal preference in return. No truck nor trade with Britain without a quid pro quo.

Where are the Englishmen and the Scotsmen in Canada going to stand in this election?

When did the Mother Land ever call in her time of need and her sons sit mute?

Are we to bargain and haggle like a fish wife with that Mother Country over a trade preference? Are we going to demand a brick for a brick in our tariff walls with her, or are we going to trust her? Are we going to endorse the magnanimous preferential offer made to her by Mackenzie King, trusting that she will in her own good time reciprocate? When did she ever fail us?

Listen to the voice of "The Thundered," and let us help her trade "at a time when help is badly needed."

Like the sparkling freshness of curling breakers is the quality of "Canada Dry"

SUN-TANNED men and women, lithe, active, lean through exercise, drink "Canada Dry." For it is the sportsmen's beverage. In it sportsmen recognize the heritage of sport itself, unmatched excellence. In it sportsmen find the exhilaration, the vigor, the stimulation and refreshment of the game well played.

Do you drink this fine old ginger ale? It has won distinction; it carries prestige; it is served the wide world over. Connoisseurs nod with approval as they taste its subtlety, savor its aroma.

Countless men and women throughout this country drink it. Countless homes find it an indispensable part of entertaining. A convenient way always to have it on hand is in convenient cartons of 6 or 12 bottles. Order "Canada Dry" today.

**TERRACE PROTEST**

Terrace, B.C., June 25, 1930  
Editor, Daily News:—

There is an election campaign on now. We feel it in the air. People do all kinds of foolish things. We would naturally look to such a person as Premier King to be able to conduct a campaign with great tact, and at the same time sanely.

But what do we find him doing? We find (from reliable reports) that he is telling people what a fibber he is. He stated in the House of Commons that governments "with policies diametrically opposed to those of this government" would not receive a five cent piece from him. This is exactly the kind of government Ontario has. Now the Premier is busy showing how much money he gave Ontario.

This government therefore takes pride in broken promises! Imagine a government trying to win an election on broken promises! Actually boasting of them! It is ridiculous.

I trust you will publish this in your newspaper.

I remain,  
Yours very truly

**WOULD USE INDIAN NAME**

Editor, Daily News:—

I do not like the suggestion that our Canadian National Hotel be named the "Chateau Thornton."

What the tourist public is seeking in this northern land is romance and something different. We should capitalize our Indian traditions. Indian names with their numerous vowels are beautiful; why not select one meaning hotel or hospitality or perhaps combine words with these meanings.

The bell boys, waiters, etc., could be dressed in buckskin and a few feathers; totem poles used in the decorations, etc. In short, make it a hostelry that has "it" and not one that is duplicated in every city on the continent.

A floating cold storage plant, which was operated in Prince Rupert harbor last year by the Otteson Fish Co. of Vancouver, has been leased by O. Before leaving Prince Rupert, the scow has been taken on the Prince Rupert dry dock for cleaning and painting of the hull.

**THROWN IN THE HARBOR**

Alex Macdonald and Bishop Thurber Have Icy Plunge When Boat Capsizes

Alex Macdonald of the Summit Apartments and young Bishop Thurber were rescued safely yesterday afternoon in an accident on the local harbor which might easily have had a more serious culmination. Mr. Macdonald and his companion were scouting smartly across the harbor when they ran into the swells of a passing seiner and were thrown into the water before they realized what was happening as their speedboat capsized and turned upside down. They were both able to swim back to the upturned craft to which they clung until a trolling boat came to their rescue. The accident had been seen from shore and a number of boats also put out to the rescue. Not an article from the upturned boat was lost, a pair of pillars even becoming lodged in the seats.

The capsizing occurred at about 3:15 in the afternoon. The rescue was made by Capt. H. Christopherson with the trolling boat Nancy Lee.

Is your Baby Thriving?

A Marquis, Sask., Mother's Experience

Little Joyce Taylor's mother writes: "The first three months of her life Joyce had a hard time finding a suitable food. Nothing seemed to agree with her. Then we put her on Eagle Brand and from her very first feed she came right along. I went by the directions on the can. Now at 13 months she is a sweet, happy child in perfect health all the time."

And from Saint John, N.B. Mrs. Gourley writes:

"One after another different foods were tried for our baby, but Una couldn't digest them. At birth she weighed 14 lbs. but she dropped to 10 lbs. at 3 months. Then we tried Eagle Brand and she began to thrive almost immediately. At 2 1/2 years she weighed 40 lbs."

Most babies show normal progress. That is quite natural. If your baby is not steadily gaining consult your doctor. If it is a food problem, we suggest that you and your doctor consider Eagle Brand. For bottle-fed babies, Eagle Brand has been the standby of mothers for three generations. It is especially valuable in difficult feeding cases, being such a safe food—pure, uniform, easily digested. You will be pleased to see your baby begin to thrive immediately when placed on a carefully prepared Eagle Brand diet. It is highly endorsed by doctors and nurses.

NEW ORE IS FOUND

Good Values Shown at Greater Depth in Molybdenum Property at Alice Arm

Officials of the Dalhousie Mining Co. Ltd. announce that progress on the new tunnel at the Tidewater Molybdenum mine, Alice Arm, has been exceptionally satisfactory and that additional ore has been encountered.

This ore, it is stated, was struck at 100 feet below former levels and lies in two veins which were cross-cut at distances of 100 feet and 105 feet from the tunnel mouth. Both veins show good values, says the report, and indicate that the ore body is as large and rich as was believed when this work was commenced a short time ago when the new discovery was made.

The company intends to drift along one of these veins towards indications of much larger values before continuing to work on the tunnel.

The work now being done followed the discovery a short time ago of what is described as a sensational new body of ore containing molybdenum, of which over 100 pounds was sent immediately to the Mines Department at Ottawa for a mill test. The present operations are regarded as giving very pleasing results by the company.

C.N.R. steamer Prince Charles, Capt. McKay, returned to port at 7.45 this morning from Stewart, Anyox and Massett Inlet points and will sail at 4 o'clock this afternoon for Vancouver.

WELL KNOWN GIRL DEAD

Daughter of Lieut. Col. J. W. Warden, Passes in East

Many old comrades and friends throughout British Columbia will learn with regret of the sad news of the death of Miss Florence Warden, youngest daughter of Lieut. Col. John W. Warden, D.S.O., O.B.E., V.D., and Mrs. Warden, which took place at the family residence, 463 Janette St., Windsor, Ont., after a lingering illness of some months, and at the early age of 22.

The accomplished young lady was a member of an old United Empire Loyalist family, and was well known in the west where she received her education in city schools and at West Vancouver, where her father was one of the pioneer aldermen. She is survived by her parents and two sisters. The remains are being taken from Windsor to St. John, N.B., for interment at the old family home.

Her father, Col. Warden, was formerly a well known British Columbia resident, and had a brilliant career during the war. Although suffering from wounds received at the Second Battle of Ypres while serving with the "Old 7th," he returned to British Columbia and in 1915, raised the 102nd Battalion, "North British Columbians," and afterwards commanded them at Regina Trench, Vimy, and Passchendaele. Later he was second in command of the famous "Hush Hush" force in the Far East, and still later commanded the Russian Officers training school in Siberia. He is now Honorary Lieutenant Colonel of the "North British Columbia Regiment" at Prince Rupert.

In 1921 he unsuccessfully contested the constituency of Vancouver City in the provincial elections.

FILM PARTY BACK SOUTH

Lois Moran and Other Stars Reach Vancouver

VANCOUVER, June 26.—Forty members of the Fox Film Corporation of Hollywood who have been spending the last three weeks in Jasper National Park making their outdoor sound movie "The Red Sky," arrived at the Canadian National Railways depot on the Confederation yesterday en route to California. This party headed by Miss Lois Moran, Harold Murray, Director A. F. Erickson and other noted stars, divided their time between Maligne Lake and the vicinity around Jasper Park Lodge. They left yesterday afternoon for the south where the final details of the picture will be completed at the Hollywood studio.

Met Mr. Wakefield at Ensenada When Visiting Mexico

Baron Long of the fine big yacht Norab of San Diego, who with his party of friends is enjoying life in Prince Rupert for a few days, says that while in Ensenada not long ago, he met Consul Wakefield, who came aboard and dined with them. The consul spoke so highly of Prince Rupert that they felt they must visit the city, hence the present visit.

Former Sunnyside Lady Hostess at Vancouver Shower

Mrs. J. Field Strang was a recent hostess entertaining with a miscellaneous shower in honor of Miss Rowena Champion, a June bride-elect. A silver basket of pink snapdragons and mauve sweetpeas centred the table, which was lighted by tall green and mauve tapers burning in a silver candelabra, and presided over by Mrs. Champion. Mrs. Staines cut the ices, while Miss Betty Gosses presented the gifts to the bride-elect.—Vancouver Province.

C.N.R. steamer Prince William, Capt. William Thomas, returned at 8.45 last night from south Queen Charlotte Island points and sailed at 8 o'clock this morning for the Skeena River.

DOUBLE IS SELECTED

Employee of Jasper Park Lodge to Take Lois Moran's Place

JASPER PARK LODGE, June 26:—Chosen to double for Lois Moran, Fox Film star, who for the past two weeks has been on location in Jasper National Park with the Fox Film party making the "Red Sky," Miss Betty Smith, of Toronto, an employee of Jasper Park Lodge, left here yesterday for Mount Robson.

It was originally planned that the film party would visit Mount Robson but much interior work has yet to be done for the picture so Miss Smith was asked to double for Lois Moran in the Robson scenes. Four members of the film party, including camera and property men and Miss Rita, McGibbon, accompanied her.

"Thrilled," is the word Miss Smith used when asked how she would like to double for the film star. With blonde hair, blue eyes and very little difference in height, Miss Smith bears some resemblance to the pretty star.

They will spend two days in the Mount Robson area, "shooting" the monarch of the Canadian Rockies, Berg Lake, Tumbling Glacier and the adjacent country.

ARE PLEASED WITH JASPER

JASPER PARK LODGE, June 26:—"We have seen other parts of the Canadian Rockies but it is the unanimous agreement of the party that Jasper is the prettiest spot we have seen," said Miss M. Dowdell, who is in charge of the Elliott Tours party which left here yesterday for Vancouver after spending Tuesday, sightseeing in Jasper National Park. "We were particularly pleased with the trip to Mount Edith Cavell," said Miss Dowdell. "It is a wonderful sight."

The members of the party, most of whom hail from Kentucky, Tennessee and adjoining states are on their first tour of the Canadian Rockies. They arrived in Vancouver this morning.

C. E. Johns, who came north aboard the Seattle boat Winnifred in the international race this week was official representative of the Associated Press on the race. Mr. Johns is also identified with the publicity department of the Seattle Chamber of Commerce.
