INTEREST IN CHANGES

Keen interest was taken locally in the cabinet changes told about yesterday by this paper. While the changes were not very great they were very important both to the province and the political party which the cabinet represents.

As we have said on many occasions, it is much more important to the province that there should be good government than that any political party should win or lose. Many people do not recognize this. They are pleased when a government does something foolish because they see in it a step toward a change. '

We think Premier Tolmie did the right thing in at least some of the changes. Others we know little about.

SPORT CHAT

It is bad enough to undergo the humiliation of shooting a cow for a deer but a Nova Scotia hunter had to hand over \$25 to the owner of the cow in addition. The son of nimred, on hearing a noise in the underbrush, took deliberate aim and fired. Not waiting for the smoke to clear away, he rushed to the underbrush and found he had shot a cow. Before he had recovered from the shock, the infuriated owner of the animal arrived on the scene and demanded redress. The rifle has been put up for sale. Many hunters, including most of the major league baseball stars, go into Nova Scotia each year for deer and

Once again the women of England have been the pioneers of another sporting adventure. At Greenwood, history was made by six women members of the Greenwood Amateur Trotting Horse Drivers' Club, when for the first time in this sport, they engaged in a trotting race, and what is more, proved their capabilities beyond all question. The six ladies who so successfully ventured on the sport, were Miss Byron, Mrs. C. Money, Miss Florrie Gough, Miss Vera Salter, Mrs. J. Leonard Jones and Miss Ethel Knapman. Miss Byron, a gallant winner behind the pacer Volo Jay. Money is a recognized horsewoman.

TNCOMFORTABLE, ill-fitting underwear is a handicap. You can't feel right in a shrunken, irritating suit of underwear that seems to be cutting you in half-and you won't look your best either. For being well dressed starts from the skin out.

Perhaps that's why so many successful salesmen insist upon Stanfield's. They know, from experience, that this unshrinkable underwear always keeps its shape—that it is comfortable, easy, every day of its long life. They know that because it is tailored to exact measurements it fits perfectly. And they know that no matter how often it goes to the laundry, it comes back soft and warm. Little betterments, too, are important to them. They appreciate the way the four-hole buttons are put on-each backed so that you can't pull it off. And they value the amazingly longer wear Stanfield's gives.

If you are not now wearing this famous underwear—the largest selling in Canada—try one suit. Let it prove to you how much better underwear really can be.

Go to your favourite store today. Select the style and weight that suits you best. And remember Stanfield's costs you little or no more than ordinary underwear.

John is going to be comfortable this trip"

A word to the wives-if you are entrusted with the buying of your husband's underwear, get him a suit of Stanfield's and put it in his bag before he goes on his next trip. We'll warrant you'll get a letter of thanks.

PARTY FOR

Popular Local Lady, Leaving For Ottawa, Was Given Handsome Presents Last Night

One of the most delightful farewell functions which has been held in connection with the impending departure from Prince Rupert of Mrs. J. C. Brady was an informal dancing party which took place last night in the I. O. D. E. Hall, one hundred and fifty representative citizens gathering to honor the parting guest. The feature of the proceedings was the presentation to Mrs. Brady by Mayor C. H. Orme, on behalf of the friends assembled, of a handsome silver tea service and purse of gold.

In making the presentation, His Worship voiced suitable remarks, regarding Mr. and Mrs. Brady and family whom he said would be greatly missed here. Mrs. Brady, nigh overcome with surprise, replied appropriately to the honor that had been done her.

The evening was happily spent in dancing with music by Mrs. James Black and Prof. H. Aubrey Pryce. During the evening there were vocal solos by J. A. Teng and Mrs. James Waugh. The party commenced at 9 p.m. and concluded at 1 a.m. after all those present had bid Mrs.

Brady farewell and wished her WILL ADDRESS health, happiness and prosperity in her new home in Ottawa. D. C. Stuart was master of ceremonies for the evening.
