REGINA, Feb. 7.—Disbelief that increased tariffs for Canada as advocated by the Conservative party would solve the problems of the Dominion and, in particular, eliminate seasonal difficulties with unemployment was expressed here last night by Hon. C. A. Dunning, federal minister of finance. He and Hon. T. A. Crerar, minister of railways, were guests at a banquet given by the Regina and Saskatchewan Liberal Associations.

"Experience of other countries," .__ Mr. Dunning declared, "proves conclusively the fallacy of this idea." AUDIT COST He quoted the United States and Australia-high protection countries—as examples. The former country had no less than three million unemployed and the latter 150,000.

"In fact, Canada, with its more moderate tariff, has much less unemployment than either the United States or Australia," said Mr. Dunning, adding: "The Liberal polpending upon careful study of the factors involved and having re-Canadian people, is surely the best The best proof of the soundness of he policy is found in the tremen-

Kellogg's ALL-BRAN Is Effective Relief for Constipation. Also Adds Iron to the Blood

Do you suffer from constipation? Are you one of those who have tried one "vest pocket cure" after permanent relief? If so, this is big news to you! Kellogg's ALL-BRAN is natural, effective relief for both temporary and recurring constipation. It is the originaland today is included in the diets of millions of people who formerly suffered from constipation.

When roughage is missing from food, constipation is the consequence. The soft foods we eat today seldom include enough roughage. The simple necessity, then, is to see to it that sufficient roughage is included in our food.

Kellogg's ALL-BRAN is the bulk that your system requires.

In addition, it is rich in iron. Scientific research proves that nearly all this iron is absorbed by the system, building red blood and bringing the glorious color of health to the complexion.

Kellogg's ALL-BRAN is positively guaranteed. Your money will be returned if you are not satisfied. another and still have no sense of Be sure to include it in reducing diets as a preventive for both constipation and anemia.

> There are so many ways you can eat Kellogg's ALL-BRAN and enjoy it. In any form, it is appetizing. It is delicious with milk or cream. Sprinkle it over cereals and soups and notice the added flavor. Many people soak it in fruit juices. Excellent in cooked foods. Your grocer has Kellogg's ALL-BRAN in the red-and-green package.
