## CITIES HARD HIT BY FINANCE MINISTER

### Municipal Taxation To Be Revised Shelly Announces In Budget; Liquor Profits Cut

Wild Land Tax to Be Cut Almost In Half—New Personal Property Impost Is Proposed

VICTORIA, March 4:—Municipal taxation is regarded as top-heavy and unfair in many instances and an entire redistribution is to be effected, Hon. W. C. Shelly, minister of finance, said in his budget speech yesterday. The municipalities' share of liquor profits will, in future, be limited to \$1,000,000 and their share of motor licences to \$570,000 although their one-fifth share of the entire provincial revenue will not be reduced.

Total assets of the province were placed by Mr. Shelly at \$156,000,000 with liabilities of \$111,000,000, leaving a consolidated surplus aggregating \$45,000,000. The aggregate debt is placed at only \$12,000,000 more than eight years ago.

### SEEKS GRIT LEADERSHIP

W. R. Howson, Edmonton Barrister, Announces His Intention

EDMONTON, March 4:—W. R. Howson, barrister, told the Young Liberal Association here last night that he would be a candidate for the leadership of the Liberal party of Alberta at the provincial convention to be held at Calgary on March 27.

### DEPUTY IS RESIGNING

R. A. C. Henry of Railways Department to Join Beauharnois—U. E. Smart His Successor?

OTAWA, March 4:—R. A. C. Henry, deputy minister of railways and canals, questioned regarding reports that he would sever his connection with the government service to become vice-president and general manager of the Beauharnois Light, Heat & Power Co., stated that it was true that he had asked to be relieved of his duties as deputy minister.

It is rumored that U. E. Smart of the Canadian National Railways, Montreal, will succeed Mr. Henry.

### DOUKHOBORS OUT OF JAIL

One Hundred Members of Sons of Freedom to Be Released Tomorrow From Okalla

VANCOUVER, March 4:—One hundred members of the Sons of Freedom sect of Doukhobors, 48 women and 52 men, will be released from Okalla prison tomorrow and will be returned immediately by train to their homes at Brilliant, a short distance west of Nelson.

### DEMPSEY ANNOUNCES RETURN TO RING IN HEAVY TITLE QUEST

CLEVELAND, O., March 4:—Jack Dempsey, former world's champion, announced definitely yesterday that he would fight again for the heavy-weight title in the event of Max Schmeling, the German aspirant for the crown, defeating Jack Sharkey in June. This is providing, of course, that Dempsey will be able to reach fighting condition again.

Mr. Shelly announced a reduction in tax on wild lands of from five to three per cent in an effort to stem the tide of land reversions to the government. He also announced the imposition of a new tax on personal property in outside school districts where no school taxes are levied now to provide money for school rebates to farmers.

### SHIP IN DISTRESS

S.O.S. From Freighter Bellingham in Aleutians—Is Believed Safe

SEATTLE, March 4:—An S.O.S. and message stating that shifting cargo had caused her to list were flashed yesterday from the freighter Bellingham in the South Aleutian Islands.

There is a crew of 33 men aboard the Bellingham. The Bellingham was believed to be out of danger today with the steamers Nevada and Iowa nearby.

### Phone Department Had Good Surplus

Revenue in February Exceeded Expenditures By \$1,445.31

During the month of January, the municipal telephone department showed a surplus of \$1,445.31 according to a report presented to the city council last night by the superintendent, Samuel Massey. Revenue amounted to \$4,104.30 while expenditure was \$2,658.31.

### Forced In With Clutch Trouble

Inez H. Sold 2,200 Pounds of Halibut Yesterday at 14c and 8c  
Forced into port yesterday with clutch trouble, the halibut boat Inez H., Capt. Skogmo, brought in 2,200 pounds of fish which was sold to the Bacon Fisheries at 14c and 8c. Repairs are being made and the Inez H. will proceed again to the banks immediately.

A Parliament is nothing less than a big meeting of more or less idle people.

### MODIFICATION OF FISHERY POLICY

VANCOUVER, March 4:—British Columbia's attempt to limit fishing gear will be abandoned and the government's new fishery policy will be restricted to limitation of cannery licences, according to well founded reports in circulation here.

### WRECKED ON DUNDAS ISD.

Albert Eyoilfsen Drifted All Night From Tugwell Island and Finally Struck Rocks

PICKED UP BY NATIVES

Camped Two Nights Alone on Beach When Fire Attracted Men to His Rescue

Albert Eyoilfsen had a rather thrilling experience last week when his fine new trolling boat, Amor drifted all night in Chinaman Sound at the mercy of the seas, finally striking the rocks at Dundas Island where it now is, supposedly a total wreck.

Mr. Eyoilfsen left Tuesday, having been sent out to scout for herring. As he was rounding Tugwell Island he hit a snag and bent the shaft, thereby stopping the engine. After drifting all night, he at last hit the rocks on Dundas Island, where the boat is now. He camped on the beach till Friday when some natives of Port Simpson, who were passing, saw the blaze of his campfire and proceeded to investigate. They brought Mr. Eyoilfsen to town on Saturday.

The boat is practically new, having been purchased only last year.

### ONAH FIRST YANK BOAT

Capt. Harry Selig Beats Rest of American Fleet Here With Catch—38,800 Pounds Sold Today

The Onah, Capt. Harry Selig, is the first American halibut boat of the season to hale a normal fare at the Prince Rupert Fish Exchange this year. He brought in 10,000 pounds which he sold to the Canadian Fish & Cold Storage Co. this morning for 14c and 6c. Capt. Selig is usually among the first each season to land a catch here and, in at least one year in the past, has been the first. The American Ivanhoe was also in with a catch today but she had to return to port with a broken gurdy shaft, having only 1400 pounds on board.

Two Canadian boats, the Prosperity A. and Sea Maid, were also in for today's sale with good catches, having made speedy trips to the banks.

Today's sales were as follows:  
Canadian  
Prosperity A., 19,000, Atlin, 14c and 6c.  
Sea Maid, 8,000, Cold Storage, 14c and 6c.  
American  
Onah, 10,000, and Ivanhoe, 1,400, Cold Storage, 14c and 6c.

There is only one way to reach the people of Northern B.C. That is through the Daily News.

## British Columbia Forestry Act Invalid To Impose Tax Privy Council Has Decided

LONDON, March 4:—The Forestry Act of British Columbia is ultra vires so far as it seeks to impose a tax on timber, it was decided by the judicial committee of the Privy Council today when it dismissed an appeal of the attorney-general of British Columbia against the Macdonald-Murphy Co. The case also disposes of the question of whether or not a subject may commence an action against the attorney-general to obtain a declaration that a provincial act is invalid. The attorney-general had stated that such action should be by way of petition of right.

## NEW HEAD FOR NAVY

Sir Charles Madden Retiring and Will Be Succeeded By Sir Frederick Field

LONDON, March 4:—Sir Charles Madden, admiral of the fleet, who is the principal naval advisor to the British delegation at the naval disarmament conference, will retire from his post as Lord Commissioner of the Admiralty and chief of naval staff about July 1. His post automatically carries with it the position of First Sea Lord.

## CITY TAKES OVER ROAD

Cow Bay Thoroughfare Dedicated to Municipality By Provincial Government

The Cow Bay road is to be dedicated by the provincial government to the city. At last night's meeting of the council, steps necessary to effect the transfer were taken. A recommendation from the board of works that the government be notified that the city was prepared to assume responsibility in connection with the road was adopted. The city's responsibility, on taking over the Cow Bay road, would be the same as with all municipal streets, City Solicitor E. F. Jones advised the council.

## FATALLY INJURED

NORTH VANCOUVER, March 4:—Ernest Galpin, aged eight, was fatally injured when he stumbled under a truck wheel here yesterday.

## Independent Fishermen To Take Over Control Of Millerd Interests

Acquire Two Plants at Coal Harbor and Another at Alert Bay—Will Extend Later

VANCOUVER, March 4:—Independent salmon fishermen of British Columbia yesterday signed preliminary agreements to purchase for \$77,500 a portion of the cannery interests of Frances Millerd. Six hundred fishermen, known as the British Columbia Fishermen's Co-operative Association, are involved. They are buying two fully equipped canneries at Coal Harbor, near Vancouver, and one plant containing some machinery at Alert Bay. These will be added to. They are also negotiating for leases of further cannery sites.

Officials anticipate that the plants will have an approximate production of 250,000 cases this year and will expand next year, probably in the northern part of the province. The Co-operative Association expects to employ this year all of its six hundred members who will be paid at the prevailing scale, getting benefit from the association at the close of the season. Mr. Millerd will assume general management for this year.

## BOB ALLEN IS MOVED

Transferred to Kamloops As District Forester—Vancouver Man Is Successor

Robert E. Allen, who has served as district forester here for six years, has been transferred from Prince Rupert to Kamloops in a similar capacity and will be leaving toward the end of this month to assume his new duties in the south. His successor here will be A. E. Parlow, who has been assistant district forester at Vancouver and who is expected to arrive in the city about March 20.

It will be with feelings of real regret that the public generally and the timber trade particularly, to say nothing of his many friends, will learn of Mr. Allen's departure from here. He has been at once an efficient and a popular official.

Since 1910 Mr. Allen has been in the service of the B. C. Forest Branch, having first become identified with the department at New Denver in the Slokan country. He was stationed at various points in the southern interior until 1912 when he came north to Hazelton as district forester. In 1917, on the amalgamation of the Hazelton and Prince Rupert forestry districts, he came to Prince Rupert to make his headquarters as district forester. In December 1919 he resigned from the service to take over the management of the Royal Mills at Pitman Spur in which he was interested with Claf Hanson. In September, 1926 he returned here as district forester, succeeding Parker S. Bonney.

Mrs. Allen, who is also well known and popular, will go south for a visit in Vancouver with her husband when he leaves but will return to the city. The family will retain residence here for about three months' time. Then Mrs. Allen and the two younger children, Miss Teddy Allen and Jack Allen, will leave for Kamloops to reside. Another daughter, Miss Alice Allen, who has been in the service of the Power Corporation of Canada here, is to be married on Thursday night of this week to Reg. Kelsey.

## YACHT CLUB HOUSE FIRE

Shef Thomson Lost Most of Belongings in Blaze This Morning

The two-room dwelling of the caretaker on the Prince Rupert Rowing & Yacht Club floats was gutted by fire at 10:20 this morning. Shef Thomson, the caretaker, lost most of his clothes, including a brand new overcoat he had bought only yesterday, as well as other personal effects.

Mr. Thomson was working with his boats when the fire broke out and the alarm was turned in by the Union Oil Co.

The origin of the blaze is uncertain although it is believed it may have been caused by defective wiring. The loss will probably be in the neighborhood of \$300 or \$400. There was no insurance.

## COMMITTEE ON PENSIONS

Returned Soldiers' Problems to Be Dealt With By Body Constituted By Commons

OTTAWA, March 4:—On motion of Hon. Dr. J. H. King, minister of health and pensions, a special committee was constituted by the House of Commons last night to deal with pensions and returned soldiers' problems.

THE PROVINCIAL BUDGET

The annual budget brought down by the minister of finance yesterday in the legislature, is one that is bound to cause a great deal of controversy. The very fact that an attempt is made to blame former administrations for financial lapses will in itself be sure to cause a great deal of criticism. The fact that taxes are being raised and huge borrowings planned instead of the annual tax reduction of former governments, will again doubtless be matters of criticism.

We have no criticism to make at the advance in expenditure and the effort to raise more revenue to meet it. With the growth of the province there was bound to be increased expenditures and consequent revenue increases. The present government before taking office, severely criticized the Oliver and McLean governments for the annual increases in their day but increases are inevitable. We are a growing province and expenditures must keep pace with development.

It is impossible to deal with the budget in any but the most general terms without more information in regard to it. Doubtless the opposition will be showing up any weaknesses it may have, and these criticisms will be published. All that is evident is that expenditures have increased, that taxes have been increased, that there is no relief given in any direction, that big borrowings are planned and that the former governments are blamed for all the ills. There it is in a nutshell.

MUST BE BORROWINGS

There must of course be provincial borrowings and large ones. We, in Prince Rupert, are asking for a considerable sum and it must be obtained by means of a provincial loan. Possibly not a separate loan, but at the same time it is a loan. We want the highway built and it cannot be built without money. Other places also want extensive public works, mostly highways, and they must be built with borrowed money. Each dollar borrowed must be provided for in interest and sinking fund. Money is necessary, and as long as the expenditures do not increase too rapidly, all is well. The only question in this regard is whether we are going ahead too rapidly with our borrowings, whether perchance we are borrowing more than we can ever expect to repay. As long as that is not the case we can carry on without worry.

PEACE RIVER WHEAT OUTLET

The drop in the price of wheat has made more necessary than ever the western outlet to the Pacific. The condition by which the margin of profit of wheat growing has decreased if not wiped out, has made it not only desirable but necessary that the cheapest possible route to the seaboard be selected and developed as rapidly as possible.

In the absence of specific knowledge, sometimes a guess is legitimate. Our opinion is that the government will definitely commit itself to the western outlet and development of the Peace before the election, which will probably be held this year. It will leave the ultimate selection to engineers, and their report will not be available until after the election. Under these circumstances it is very probable that Vancouver will return several supporters of the government in the hope of thus influencing the decision to bring the outlet in their direction. Prince Rupert will then be in a peculiar position, and a decision will have to be made in Skeena. The whole situation is interesting and the nearer we approach to an election the more the political significance of the line-up obtrudes itself. The railway has to be built by engineers but approved and financed by statesmen and politicians and in the ultimate by the people of the whole country. That makes it a political question and it will have to be regarded as such before the railway becomes a reality.

THE C.P.R. AND PRINCE RUPERT

It seems as if the government is pretty well committed to the idea of joint railway building and it is hoped that there will be a joint outlet at Prince Rupert. Sir Henry Thornton has publicly proclaimed that Prince Rupert cannot be left out of any railway plans in connection with the Peace River. President Beatty of the C.P.R. has also given an intimation that there is a possibility of the C.P.R. coming to the same port. In view of this situation it seems as if Prince Rupert should endeavor to foster the joint outlet idea and do everything possible to bring it about.

NEW I.O.D.E. REGENT

Mrs. John Manson Elected Head of Municipal Chapter, Imperial Order, Daughters of Empire

1929 GOOD YEAR

Mrs. John Manson, for years regent of Hill Sixty Chapter, was elected regent of Municipal Chapter, Imperial Order, Daughters of the Empire, last night, succeeding Mrs. Shelford Darton who retired after two years' service. The full list of officers for the year is as follows:

Honorary Regent, Mrs. J. C. McLennan.  
Regent, Mrs. John Manson.  
First Vice-Regent, Mrs. D. C. Stuart.  
Second Vice-Regent, Mrs. J. A. Teng.

Secretary, Mrs. D. Orchard-McLeod.  
Treasurer, Mrs. H. L. Landrey.  
Educational Secretary, Mrs. B. Walker.

Echoes Secretary, Mrs. W. C. Aspinall.  
Standard Bearer, Miss Willa Dyer.

Organizing Secretary, Mrs. W. W. C. O'Neill.

The annual meeting was held in the I.O.D.E. Hall and there was quite a good attendance. The usual reports of Municipal and subsidiary chapters were presented, showing a good year's work for 1929.

After the business session, there was an interesting program, the feature of which was an address by Rev. Charles E. Motte, pastor of Rupert East United Church, on his experiences on the West Coast of Vancouver Island. Other items on the program were a reading by Mrs. J. C. Brady and vocal solos by Mrs. William Millar and Mrs. Ernest Anderson. Mrs. C. E. Cullin was in charge of the program and acted as accompanist.

A number of votes of thanks were passed including one moved by Mrs. John Manson to Mrs. Shelford Darton acknowledging her valuable services as regent of Municipal Chapter. A beautiful bouquet was presented to Mrs. Darton who replied suitably.

On motion of Mrs. Cullin, a vote of thanks was passed to Mr. Motte for his address.

After the program, delicious refreshments were served, Mrs. G. J. Norrington being in charge.

Annual Report

The annual report of Mrs. D. Orchard-McLeod, municipal secretary, was as follows:

"I again have the pleasure, the privilege and the honor of submitting herewith the annual report of Municipal Chapter, I.O.D.E., for the year ending February, 1930.

"During the year nine regular and two special meetings were held, an average representation being present at all meetings numbering not less than ten members.

"Last year's report, under this date, we celebrated the burning of a mortgage and the completion of financial obligations representing approximately \$8000. These monies were raised in Prince Rupert, expended in Prince Rupert and through the efforts of the Daughters of the Empire in Prince Rupert.

"This year Municipal Chapter has not been as active as in former years, but the primary chapters all show an encouraging year's work.

"In unison we attended the unveiling of the Cenotaph, placing a wreath thereon; had charge of Ridley Home bazaar tea room. Also had charge of "Poppy Day" under the Canadian Legion; helped entertain the ship's company of H.M.S. Colombo and arranged the Empire Celebration in the Capitol Theatre, where the children assembled, listened to an instructive address by Mr. G. G. Bushby, and a musical program. A film was shown on this occasion, and Rev. Ivon Jones gave an interesting patriotic address to the high school students.

Gave Bursaries

"Bursaries of \$25.00 each were given to students ranking highest in Entrance examinations at Booth Memorial and Borden Street Schools. Hill 60 Chapter donated said bursary to Booth Memorial School and it was won by Miss Muriel Walker, while Queen Mary Chapter donated its bursary to Ronald Wilson of Borden Street School. Adair Carss Chapter presented an historical book to the pupil ranking highest in Canadian History at Booth Memorial School, which was awarded to a Japanese girl, Miss H. Hirano.  
"The Chapters each have a ward in the Prince Rupert General Hos-

Bronchial Cold Left Her With A Dry, Hacking Cough

Mrs. J. Fearman, Selkirk, Ont., writes: "Early last winter I suffered from a severe bronchial cold that left me with a provoking, dry, hacking cough.  
"After being bothered, both day and night, with it for some time I had a friend recommend

which I tried with wonderful results, and now it is the only remedy I ever use for colds.  
"I have also used Milburn's Heart and Nerve Pills with wonderful results."

re-equipped from time to time. Hill 60 Chapter has done a great deal towards the upkeeping of "The Children's Ward" hospital, which are refurbished and "Under the Girl Guide Movement of the Order, two companies were formed, viz:—"The Girl Guides" and the "Brownies." The members of these companies have shown keen interest in the formation of same, and steadily grow in enrollment.

"Adair Carss has erected a total of 22 headstones in the Returned Soldiers' Plot, and devotes its efforts chiefly in this connection.

"Our Chapters have assisted greatly in the way of helping needy families during the past winter, by giving financial aid, clothing, etc., in the city and villages adjacent thereto.

"Some prominent officers of National Chapter, who had been in attendance at National Convention in Victoria, visited our Order en route east, and were given a reception and hearty welcome during their visit by our members, in the I.O.D.E. Hall.

National Convention

"Mrs. J. A. Teng represented all four chapters at National Convention, Victoria, and presented an enlightening report upon her return, touching the various branches of Daughters of the Empire in Canada, and other parts of the Empire."

Max Schmeling. Well, what of him? Whom has he beaten? asks Tommy Loughran in "Ring." Phil Scott? Just examine his record. Otto Von Porat? Coming along, but not yet impressive. There's a lot of heavyweight hysteria in this country, and all for no good reason at all. Just so long as we have Jack Sharkey going in the form he showed when he stopped me, we have no reason for fearing all the Schmeling, Scotts, Von Porats, Campolos or any other heavies who may stand out among the growing crop of overseas "menaces." Who will be the new heavyweight champion? Need America feel uneasy lest the title that has rested here for so many years find its way across the seas?

I have been asked to comment on the question that seems to be bothering every boxing fan, and as one of the contenders for the title which Gene Tunney abdicated, despite my recent defeat at the hands of Sharkey, I feel the urge to air my views. First I shall here go on record with the statement that America need have no fear that Great Britain, Germany, Argentina or Italy will furnish the next world's heavyweight champion. I would say that Sharkey already is the champion of the world. Make no mistake about that. Sharkey not only earned the right to the American heavyweight championship when he stopped me in the Yankee Stadium, but, in my opinion, with that victory, he also carried off the world's leadership.

Despite the fact that I still be-

"MY DEAR, I simply dread this daily shopping" How many times have you heard that story? More than once, we'll bet a hat. And if you ask the woman who "dreads shopping" just why she does so, you'll usually hear something like this:

"I takes so much time! I start out and look and look . . . and by the time I've found what I want I'm dead on my feet. All in, my dear. I mean I actually am!"

You can do a friend like that a real service. Ask her if she reads The Daily News grocery advertisements. Usually she'll look surprised and say, "Not very often. What has that to do with it?"

**ELECTRICITY IN THE HOME**

Miss E. F. Thompson, Well Known Expert, to Give Demonstration

So many new uses for electricity in the home have been discovered during the last few years that many women find it hard to keep up with the latest developments. Faced with a variety of ranges, refrigerators, irons, washing machines, vacuum cleaners, toasters, hot water heaters and various cooking appliances—all of which help to lighten the daily task—the average housewife is puzzled as to

MISS E. F. THOMPSON

Lady, formerly from London, England will demonstrate here

how to make the best use of her new servants.

Certain women, however, have been making a study of the most efficient methods of utilizing all these new labor-saving devices, with results which are extremely interesting. One such woman is Miss E. Frances Thompson, formerly home economist for the London (England) County Council, who is to give lectures here this week.

Under the general heading of electricity in the home, Miss Thompson plans to demonstrate, by example and illustration, the way the modern housewife may lighten her tasks through the adequate use of electrical appliances. Invitations to the lectures, which will be given each afternoon and evening from Friday, March 7 at 2:30 p.m., have been sent to women's organizations throughout the city. Considerable interest has already been evinced.

Through the courtesy of the Northern B. C. Power Company, Ltd., the meetings will be held in the Moose Hall, Third Avenue, where a model electric kitchen has been installed in miniature. Miss Thompson is speaking under the auspices of the Northern B. C. Power Co. Ltd., and the Canadian General Electric Company. It is emphasized by Mr. J. J. Little, General Manager of the Northern B. C. Power Co. Ltd., that the addresses are free to all who care to attend.

Miss Thompson is internationally known for her work in household economics. She holds diplomas for Dietetics and Home Economics awarded by the Board of Education in England, and lectured for several years on these subjects in London day and evening schools for the L.C.C. In Canada she has addressed numerous women's organizations throughout Ontario and the Maritime provinces. Miss Thompson's weekly radio hour over CKGW has been a feature eagerly looked forward to by numerous housewives.

**Johnson Smith Wins Billiards**

Defeated William Murray Last Night in Final of Empress Social Club Tourney

Defeating William Murray by a score of 500 to 403, Johnson Smith last night won the final of the junior championship billiard tournament at the Empress Social Club. There were 32 players entered in the competition which was a straight elimination open to club members with no handicaps.

This afternoon's train, due from the East at 3.30, was reported this morning to be on time.

**WHEN A CHILD IS FEVERISH, CROSS, UPSET**

Colic, gas, sour belching, frequent vomiting, feverishness, in babies and children, generally show food is souring in the little digestive tract. When these symptoms appear, give Baby a teaspoonful of Phillips Milk of Magnesia. Add it to the first bottle of food in the morning. Older children should be given a tablespoonful in a glass of water. This will comfort the child—make his stomach and bowels easy. In five minutes he is comfortable, happy. It will sweep the bowels free of all sour, indigestible food. It opens the bowels in constipation, colds, children's ailments. Children take it readily because it is palatable, pleasant-tasting. Learn its many uses for mother and child. Write for the interesting book, "Useful Information." Address The Chas. H. Phillips Chemical Co., Windsor, Ont. It will be sent FREE. In buying, be sure to get genuine Phillips Milk of Magnesia. Doctors have prescribed it for over 50 years.

# A MIGHTY FORCE IN CANADIAN BUSINESS

## Daily Newspapers of Canada

**T**HE daily newspaper is indispensable to the efficient, orderly operation of Canadian business. From coast to coast manufacturer, distributor and retailer depend on its sales influence to maintain a constant flow of goods from maker to merchant and from merchant to consumer.

Deprive commerce and industry of the sales-creating power of the daily newspaper and business would languish. Factory output would diminish, inventories would mount, dealers' shelves become clogged with merchandise and profits dwindle.

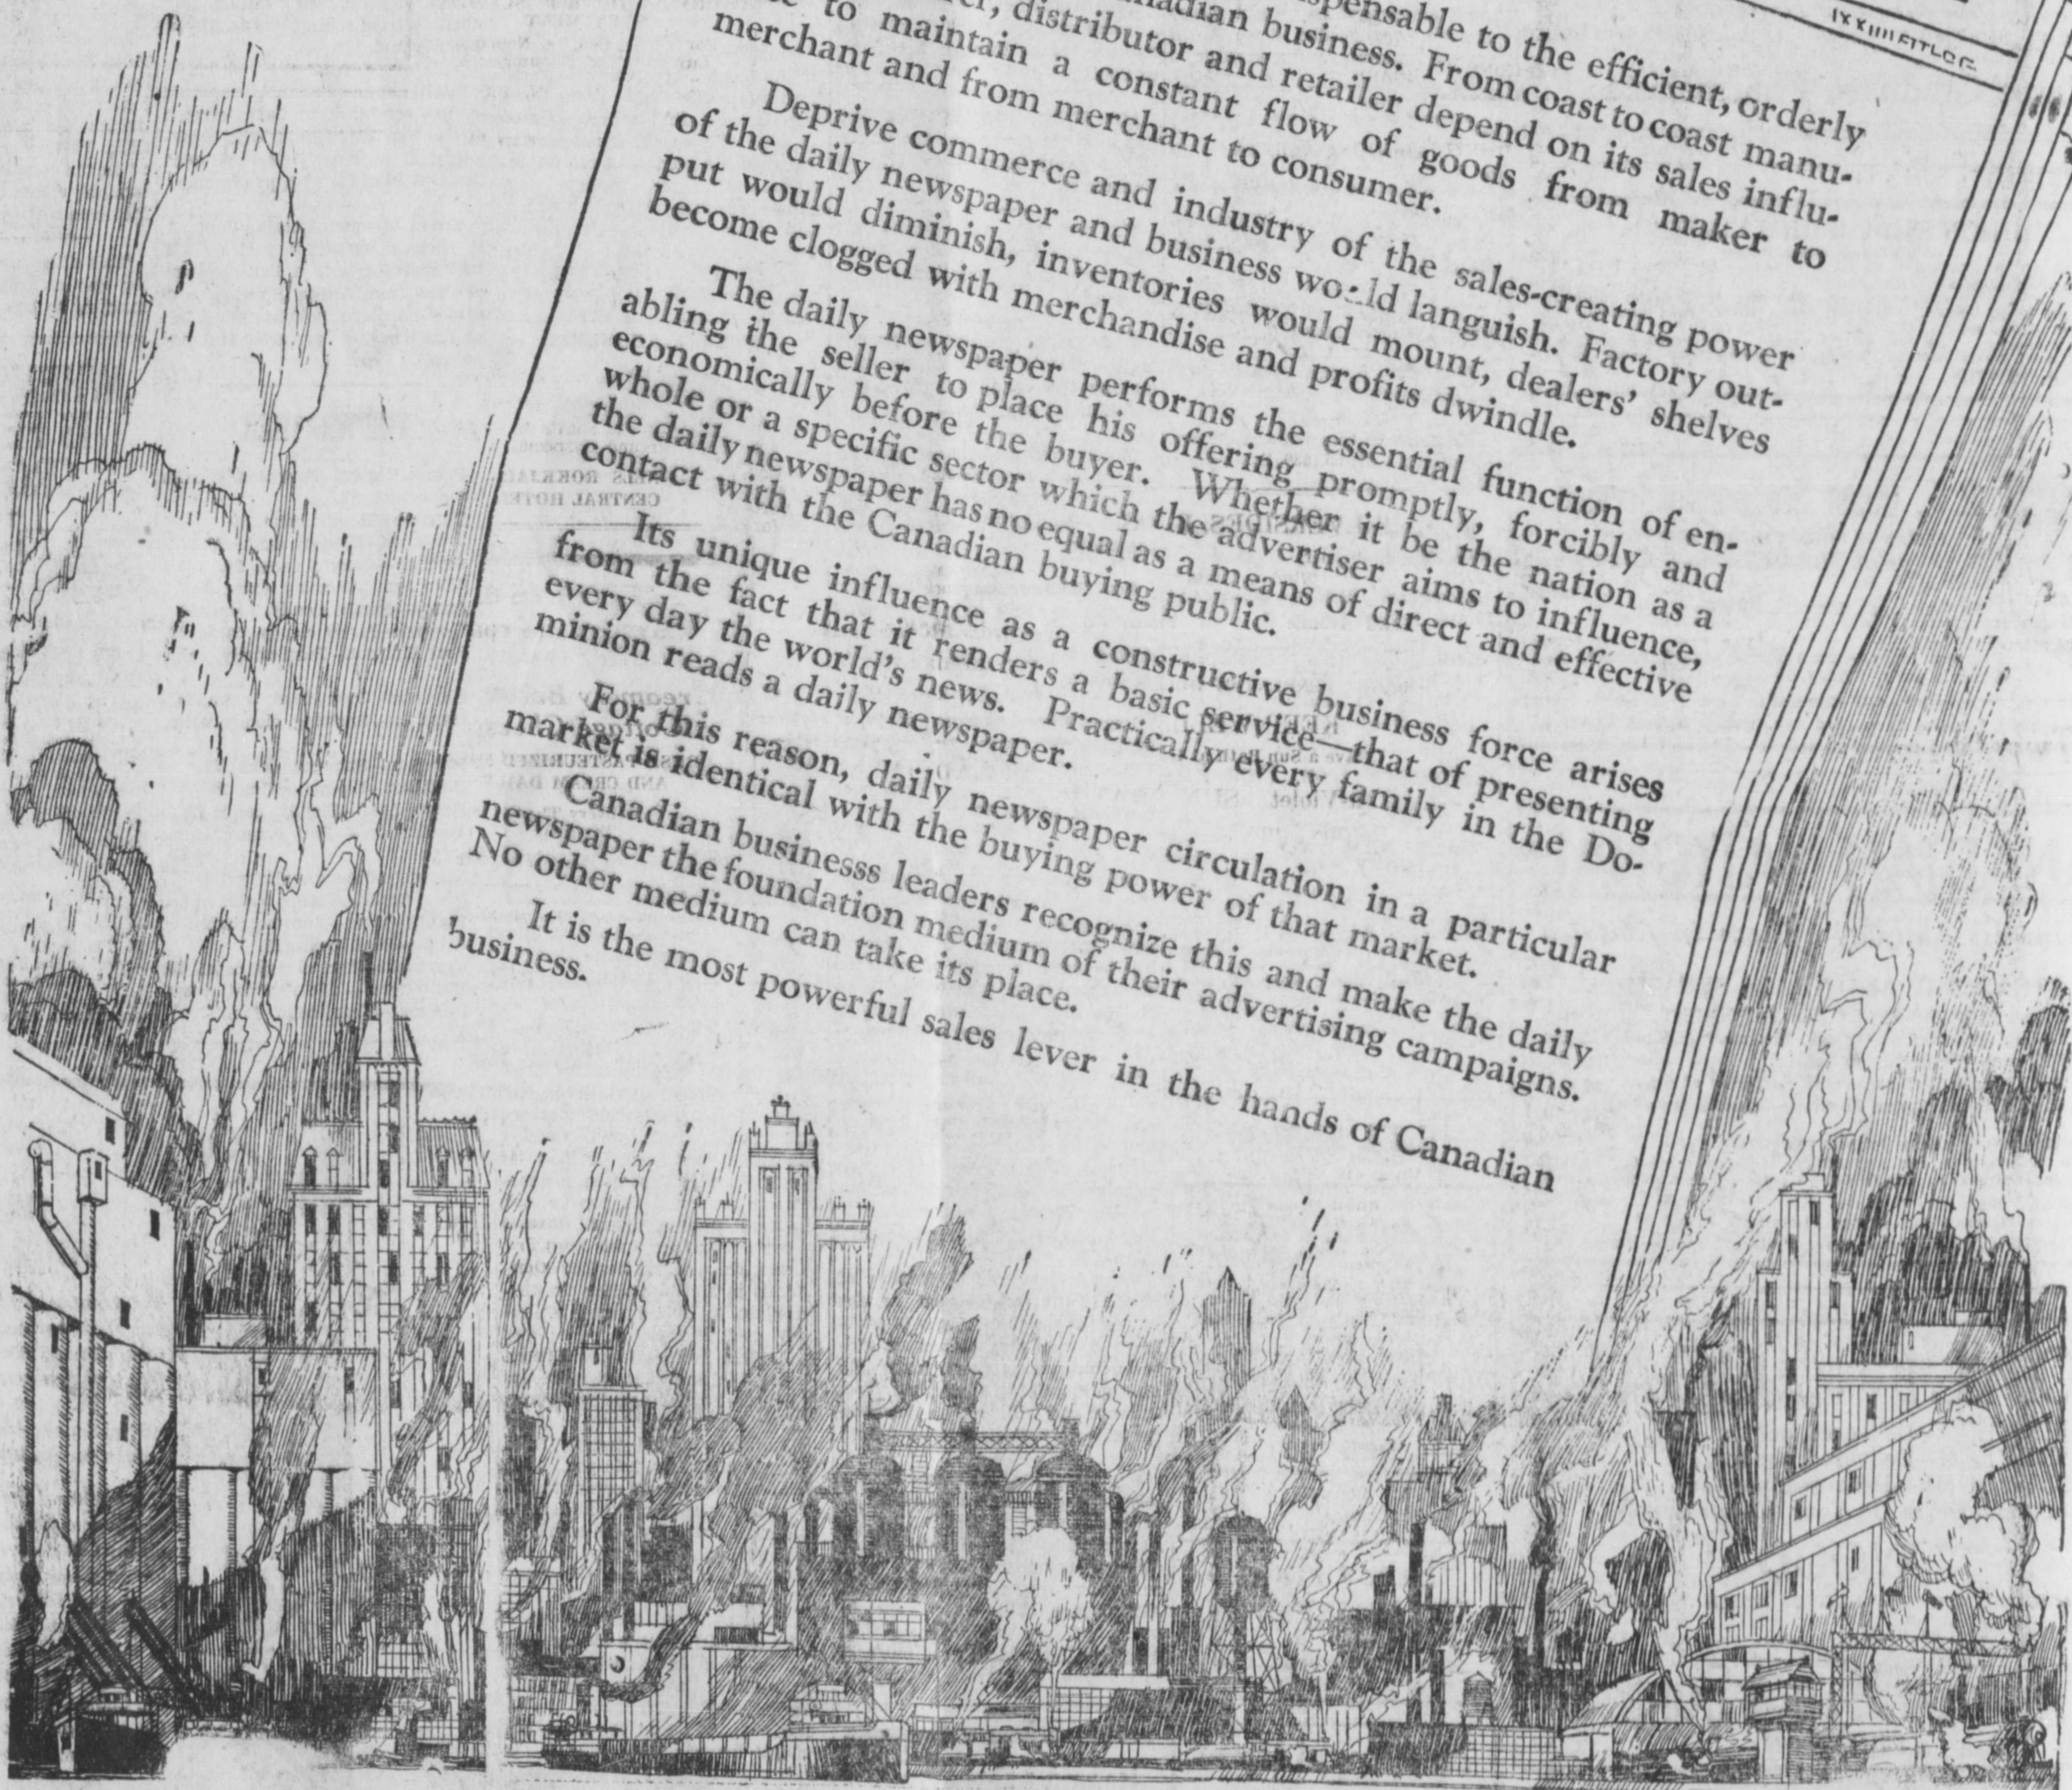

The daily newspaper performs the essential function of enabling the seller to place his offering promptly, forcibly and economically before the buyer. Whether it be the nation as a whole or a specific sector which the advertiser aims to influence, the daily newspaper has no equal as a means of direct and effective contact with the Canadian buying public.

Its unique influence as a constructive business force arises from the fact that it renders a basic service—that of presenting every day the world's news. Practically every family in the Dominion reads a daily newspaper.

For this reason, daily newspaper circulation in a particular market is identical with the buying power of that market.

Canadian business leaders recognize this and make the daily newspaper the foundation medium of their advertising campaigns. No other medium can take its place.

It is the most powerful sales lever in the hands of Canadian business.

### New Wage Scale Is Allowed For Phone Workers

On recommendation of the utilities committee, the city council decided last night to enter into a new agreement with the Union of Electrical Workers in regard to wages and working conditions for telephone department employees. Under the new agreement the local wage scale will be 25c a day higher, bringing it into conformity with the Vancouver scale and with that of the Power Corporation of Canada here. Also provision is made whereby employees of five or more years' standing are given two weeks' holidays with pay each year. Otherwise, the agreement is similar to the one which has always existed. It sets the salary of the wire chief at \$215 per month and the wages of journeymen and cable splicers at \$7.75 and \$8.75 per 8-hour day respectively. Overtime calls for double pay.

In addition to bringing the local scale into conformity with that existing at other places, the changes would give the employees incentive to give even better service to the city. Ald. Macdonald, chairman of the utilities committee, said in recommending the new schedule to the council.

### Wright Talks to Fireside Club

"Baptist Beliefs" Subject For Interesting Address Last Evening

An interesting address on the subject of "Baptist Beliefs" was delivered before the Fireside Club of First Baptist Church last night by W. W. Wright. Miss Catherine Watson's group was in charge and Kenwood Green presided. There was a devotional opening by Vic Houston and vocal duets were sung by Bobby and Davie Houston.

At the close of the meeting, delicious refreshments were served. The attendance was fair.

## SOCIAL AT CATHEDRAL

Large Attendance at Delightful Affair Last Evening

A delightful congregational social was held last night in the social hall of St. Andrew's Anglican Cathedral. There was a large attendance at the affair.

An enjoyable program included community singing under the leadership of Wallace C. Orchard with Miss L. Halliwell as piano accompanist; vocal solos by Mrs. C. L. Monroe and F. Bradshaw; xylophone solos by George Rorie Jr., and reading by Miss L. Halliwell.

Playing of games and serving of delicious refreshments brought the evening's proceedings to a close. One of the most interesting and novel games was a turtle race of which Miss B. A. Leitch was in charge and in which the prize-winners were H. T. Cross and Miss Molly Cross. Miss Evelyn Dalby was in charge of the serving of refreshments.

Very Rev. James B. Gibson, Dean of the Cathedral, who presided, had general charge of the affair.

## Scoutmasters' Association to Be Formed Here

Ben Ferguson Elected Chairman and P. C. Miller Secretary-Treasurer at Meeting Last Night

At a meeting last night of officers of the Girl Guide and Boy Scout movements it was decided to form a Scoutmasters' Association with Scoutmaster Ben Ferguson as chairman and Scoutmaster Percy C. Miller secretary-treasurer. Meetings will be held monthly.

A report on the Christmas toy shop activities was presented to the meeting last night.

The annual church parade was set for April 27, this being the nearest Sunday to St. George's Day.

A general discussion regarding the possibilities of camping this year took place during the evening.

## 66 MILES ON 1 GALLON of GAS?

Walter Critchlow, 3986-B, Street, Wheaton, Ill., has patented a Vapor Moisture Gas Saver and Carbon Eliminator for all Autos and Engines that reports big new records.

New Fords report as high as 40 miles on 1 gallon; Old Fords 66 (?). Other makes report amazing increases of 1/4 to 1/2 more.

Mr. Critchlow offers to send 1 to introduce. Write him today.

He also wants Country and State Agencies everywhere to make \$250 to \$1,000 per month.

## BIG DROP EGG PRICE

Is One of Features of March Market Report—Large Oranges Most Economical Now

There is a shortage this year of small California Oranges while there seems to be a corresponding surplus of the larger sizes. As a result, the latter are cheaper in price than usual and the former are higher. At present prices, the large oranges are the best value by far.

Flour has dropped in sympathy although not in proportion with wheat prices. The market seems uncertain at the present time and there is doubt as to what will happen.

One of the features of this month's market report is the big decline in the prices of eggs. The drop in all varieties from storage to new laid is around twenty per cent.

A number of new spring vegetables are in evidence including British Columbia rhubarb, hot-house cucumbers, California cabbage and spinach and Mexican tomatoes.
