BIG CARIBOO RANCH OWNER BEING PURSUED FOR MURDER

Wild Chilcotin Woods Are Being Scoured In Search For Killer

**C. Spencer, Believed to Have Been Temporarily Insane,
Shot and Killed 150-Mile House Storekeeper and
Seriously Wounded Foreman of Ranch**

ONE HUNDRED AND FIFTY MILE HOUSE, Sept. 12:—Charged with murdering Edward Smith, storekeeper, and seriously wounding Walter H. Stoddart, foreman of Deer Creek Ranch, C. Spencer, one of the largest ranch owners in the Chilcotin country, is being pursued through wild bush country by provincial police and posses of 50 men. According to the police, Spencer, with a party of men, was loading a light delivery truck at the ranch on Wednesday when he seized a gun and shot Smith dead. He then turned the weapon on Stoddart who was badly wounded but managed to get into a truck and drive three miles from the ranch when the automobile turned over. Stoddart was found some hours later and taken to Williams Lake Hospital.

The cause of the attack is not known. Spencer fled to the bush immediately after the shooting. He had been in very poor health for some time and is believed to have been temporarily insane.

FAREWELL TO CADET

**Salvation Army Honors Miss Audrey
Joyce on Eve of Departure For
Winnipeg Training School**

At a Salvation Army meeting last night in the local Citadel, Cadet Audrey Joyce was farewelled on the eve of her departure for Winnipeg where, with 50 other cadets from Canada West, she will enter the Army training home to take a training course for officership. Adjutant William Kerr presided over the meeting and, among those who spoke appropriately to the occasion, were Mr. and Mrs. John Joyce, Miss Joyce's parents; Capt. Len Joyce of Calgary, her brother; Mrs. William Kerr, and Capt. E. Warren. Miss Joyce will sail on the Princess Maquinna this evening for Vancouver en route to Winnipeg.

To Senate

General A. D. McRae who will go to Red Chamber and continue his Conservative organization work.

MADE GOOD IN SHOOT

William Brass of this city, in the recent system rifle shoots of the Canadian National Railways in Montreal, made such a high score in competition with all other marksmen of the system that he qualified for what is known as the international shoot in which rifle shots of the Canadian National and Canadian Pacific systems compete. This inter-company shoot was held at Montreal on Monday and Tuesday.

Mr. Brass is expected to return to the city from the east on Monday next by train. The local branch of the Canadian National Recreation Association, of which he is a member, is very gratified with the showing he has made.

TONIGHT

Moose bridge, whist and dance. Chance on round trip to Vancouver with admission. Drawing takes place at dance.

BILL IS APPROVED

**Government's \$20,000,000 Un-
employment Relief Project
Endorsed by House**

OTTAWA, Sept. 12:—An all day debate yesterday on unemployment in the House of Commons culminated just before adjournment last night in the passing of the government's \$20,000,000 relief resolution without division. Immediately a bill based on the resolution was introduced and given its first reading.

The bill specifies that a statement on how the moneys have been spent must be presented within 15 days of the opening of the next session.

The House this afternoon gave second reading to the bill which was then taken up in committee.

Sunset Crater, volcanic territory within the Coconino National Forest in Arizona, has been set aside as a national monument. The area set aside contains 3040 acres.

NEW PACT IS SOUGHT

**New Zealand to Open Conversa-
tions With Canada Re-
garding Agreement**

VICTORIA, Sept. 12:—Upon arrival here of Premier Forbes of New Zealand and party en route to attend the Imperial Conference at London, Premier Forbes said that Dr. Craig, comptroller of customs for New Zealand, had been authorized to initiate conversations with the Canadian government with the object of formulating a new trade agreement between the two countries.

BOOK PRICE IS TALKED

**Trades and Labor Council Will Have
School Board Dispense Them
At Cost; Y.M.C.A. Approved**

The vexed question of alleged high cost of school books in this city was again taken up at last night's regular monthly meeting of the Trades and Labor Council and the outcome of a general discussion on the subject was the decision to have the secretary get in touch with the minister of education to ascertain if it would not be possible to have the school board purchase and handle these books and sell them to the pupils at cost price or at least at a price much lower than those charged here at present. This high cost of books, it was stated by some, made it high impossible for a workman to afford keeping his children at school.

A communication was received from Ald. Angus McInnis, M.P. for South Vancouver, expressing his appreciation for a congratulatory message that had been sent him by the council on the occasion of his having been elected recently to the House of Commons.

The council discussed the local Y.M.C.A. project in its various phases and expressed its hearty support of the movement, voting a donation of \$100 to the fund.

A communication from the Independent Labor Party in Vancouver was read and referred to the committee which has in hand work preparatory to the formation of a Labor Party here.

The question of people in this city holding dual positions was again discussed and the secretary was instructed to proceed further with the matter.

The recent session here of the Royal Commission on public health and maternity benefits was reported upon by the delegates who attended the hearing and, as an outcome of discussion which followed, it was decided to pass a resolution urging that, upon any board being formed to administer these benefits, Labor have a representative thereon. This resolution will be sent to other Trades and Labor Councils in the province with a view to securing their approval.

The committee on the recent Labor Day celebration presented its preliminary report which showed that the event had been highly successful. Appreciation to merchants, business men and others who had lent assistance financially and otherwise was voiced.

Ald. S. D. Macdonald, president of the council, presided over the meeting. There was a good attendance of delegates.

Game birds imported into the United States for stocking purposes are now on the free list and not subject to duty in the new tariff.

Sixth International Polo Test

Eric Pedley hits one along the boards in the sixth international polo test, with Jimmy Mills at left at Piping Rock, L.I., recently.

TENDER IS WRECKED

**Cannery Boat Caught By Monster
Breakers at Mouth of Behring
River, Goes on Sand Spit**

CORDOVA, Alaska, Sept. 12:—Sixty-foot breakers off the mouth of Behring River caught the tender Bol and piled it on a sand spit, a complete wreck. Capt. Ole Pete and his crew were saved. The Bol was owned by the Shepard Point Packing Co.

MOLYBDENUM IS PLEASING

**English Capitalist Highly Grati-
fied With Alice Arm Property; Mill
and Railway Soon**

George A. Close, Lauriston, Rochdale, England, capitalist, was a passenger aboard the Prince George last evening bound for Vancouver after a visit of inspection to the Tidewater Molybdenum mine near Alice Arm in which he has become financially interested. Speaking of the prospects for the property, Mr. Close said: "The Tidewater Molybdenum is not even a gamble any more. It looks to me like a sure thing."

Recent development work on the property, Mr. Close said, had been attended with such successful results in the discovery of new and important ore bodies that the installation of a mill and the building of a railway the short distance from the mine to the beach would probably be immediate developments. He was so pleased with the prospects for the property that he himself was ready to give it further financial backing, Mr. Close said.

Mr. Close was accompanied on his trip to Alice Arm by D. R. Brown of Victoria, one of the directors of the Dalhousie Mining Co. which has development of the Tidewater Molybdenum in hand.

Storage Shed Was Scorched

**Playing Children Set Structure
Afire at Rear of Ballinger's
House, Ninth Avenue E.**

Shortly after 6 o'clock last evening the fire department had a call to Ninth Avenue East near McBride Street where a shed to the rear of Thomas Ballinger's house, used for storage purposes and containing a good deal of excelsior and straw had been set afire by children at play. The structure was scorched a good deal inside before the fire was extinguished by the department. Damage was not extensive.

Late In October Prince Rupert Will Start Getting Power From New Development At Falls River

Labor Head

Tom Moore, re-elected president of Trades and Labor Congress of Canada.

TOM MOORE RE-ELECTED

**Again President of Canada Trades
and Labor Congress With P. M.
Draper Secretary-Treasurer**

REGINA, Sept. 12:—Tom Moore was re-elected president of the Trades and Labor Congress of Canada here yesterday. P. M. Draper was re-elected secretary-treasurer.

Vancouver Wheat Is Quoted Today At Lower Price

VANCOUVER, Sept. 12:—Wheat fell to a still lower level on the local exchange today when it was quoted at 76½c.

Hydro-Electric Plant and Transmission Line to Be Com- pleted By That Time—Three Hundred Men Still Employed on Construction

About October 15 the Power Corporation of Canada expects to have completed the big hydro-electric development which will in future bring electrical energy into Prince Rupert from Falls River. By the end of next month at the latest the energy from Falls River will have started going on to the city lines. Meantime, well over three hundred men are still finding employment on the power house construction work at Falls River and on the long transmission line between there and the city.

At Falls River, the power house is all up and installation of machinery, wiring of switchboards, etc. is proceeding. The steel penstock and cradle is nearing completion.

The clearing for the transmission line will be completed about the same time as work is finished on the power-house, etc. at Falls River.

ANGERED SO KILLS WIFE

**Rash Act Committed By Royal
Canadian Mounted Police Of-
ficer In Toronto**

TORONTO, Sept. 12:—Angered when his bride of two months ordered him out of her parents' home, Simon McIntosh, aged 30, a Royal Canadian Mounted Police constable, shot his wife, Helen, aged 23, fatally today and then shot himself to death.

LAST BODIES FOUND TODAY

**Remaining Six of Forty-Five Vic-
tims of Coalmont Explosion
Are Taken Out**

PRINCETON, Sept. 12:—The last six bodies were located in the Blakeburn mine today of forty-five men who perished in an explosion on August 13.

BOAT SINKS ON ISLANDS

**Fish Packer New Fraser In Trouble
Near Jedway**

The Pacific Salvage Co. despatched the salvage tug Red Boy yesterday afternoon to Burnaby Island near Jedway on the Queen Charlotte Islands where the fish packer New Fraser has struck a rock and sunk. No details were received of the nature of the accident.

The New Fraser is a 65-footer, of Japanese ownership and had been engaged in packing fish for one of the Japanese salmon salteries at Jedway.

CORDOVA, Alaska, Sept. 12:—The biggest salmon run in years is now on in Prince William Sound. Twenty pound fish are not unusual catches.

DAILY EDITION Friday, Sept. 12, 1930

ARE YOU SAVING MONEY?

Saving money is a great problem. Many people not only fail to save but they sink gradually deeper in the mire of debt until life becomes a burden to them and they are a nuisance to their neighbors.

By so arranging the household budget to suit the income any person can save at least a little. A savings bank balance gives a person a feeling of exhilaration, an independence that cannot be obtained in any other way. To know that you are ahead of the game and can control your expenditures is a great satisfaction to any person. To feel that you are the victim of circumstances and cannot get ahead is a severe handicap.

To give an idea what can be done by saving and investing in good securities let us assume that a person wants \$10,000 on which to retire in 25 years. All he has to do is to set aside \$18 a month, invest it at four and a half per cent and reinvest the interest every year as he receives it. Compounding the interest is the great thing. It makes the capital work for you double time.

PROMPT ACTION OF GOVERNMENT

We congratulate Premier Bennett and his cabinet on their prompt action with a view to relieving unemployment. We hope that they will undertake the erection of a federal building at Prince Rupert and also come to the aid of the provincial government in the building of the trans-Canada highway to Prince Rupert. These are both badly needed and if they go ahead at once they will help a great deal in relieving the unemployment situation.

The federal building already has a site prepared with the basement excavated. The work could proceed at very short notice if it should be decided to do so. It is understood that the government is not renewing the lease on the present premises and if they move it would seem to be the reasonable thing to move into a building of their own.

RAILWAY HOTEL

The work on the railway hotel will also help the local situation a good deal. It is understood that negotiations have been under way toward securing the desired site and once this is settled some action toward building may be expected. We look to see the railway company carry out its promises and an announcement of a definite nature should be forthcoming in the near future.

T. B. Macauley, president of Sun Life Assurance Co., who visited mountain resort this week for company convention.

CHEER FUND GETS BENEFIT

"Queen of Hearts" Musical Comedy to Be Staged With Modern Settings

The Elks show committee, in charge of their musical comedy "Queen of Hearts," stated this morning that they were very anxious to let theatre patrons know that the Moose Lodge have removed the post in the centre of their hall. This has always been a handicap in putting over a show there, and the lodge went to great expense in reinforcing the roof, etc., so that any shows would have the advantage of the same staging as in a modern theatre.

Also Mr. and Mrs. C. J. McNaughton, professional show producers, carry all scenery for the production, which will lend itself to a perfect setting. Both scenery and costuming will be the most elaborate ever seen in Prince Rupert.

Of course the three-act farce comedy, with a wonderful cast, has drawn the most attention, but the musical revues should not be forgotten. And with the "Kupie Doll Revue" led by Mr. McNaughton, you will see one of the peppiest revues of the show. Little Misses Charlotte Balagno, Pauline Brady, Lindsay Waugh, Joyce Gawthorne, Norma Curry, Margaret Bryune and Doreen Byune will be the "Kupies," and it will be worth going to "Queen of Hearts" just to see them dance and sing.

There are 24 older girls in the other revues, and talented soloists that will lead them in their numbers.

The Elks are staging the show for their Christmas Cheer Fund, and when the seat sale opens at the Orme Drug Ltd., on Monday at 10 a.m. it is expected that there will be a rush for reservations. The show will be presented at the Moose Hall next Wednesday, Thursday and Friday.

O. E. S. TEA THURSDAY

Mrs. Emily Maxwell, Worthy Grand Matron For British Columbia, Honor Guest Yesterday

Mrs. Dan Jabour, Borden Street, was a tea hostess yesterday afternoon in honor of Mrs. Emily Maxwell of Vancouver, Worthy Grand Matron of the Order of the Eastern Star, who is here on an official visit. Mrs. Jabour was assisted by Mrs. J. H. McLeod, worthy matron of Belist Chapter here.

The decorated tea table was spread with an Italian cut cloth and in the centre was a silver basket containing orange calendulas and blue bachelor buttons with tall orange tapers in silver sconces.

Pouring were Mrs. L. W. Kergin, Mrs. W. D. Vance, Mrs. W. O. Vigar and Mrs. Sheldford Darton, past worthy matrons of the Order of the Eastern Star. Serviteurs were Mrs. C. H. Elkins, Mrs. R. E. Benson, Mrs. F. W. Allen, Mrs. A. J. Galland and Miss Winnie Dibb.

Don Matheson, who spent a few days in the city with his parents, City Treasurer and Mrs. D. J. Matheson, following his return from Stewart where he was engaged in geological work during the summer, sailed last night on the Prince George for Vancouver where he will resume his studies at the University of British Columbia.

SIGHT WAS WONDERFUL

Philadelphia Academic Party Has Interesting Trip From Jasper

WINNIPEG, MAN., Sept. 11—"I was one of the most glorious sights I have ever seen. From the top of Mount Castleguard I counted 15 peaks without the aid of glasses," said Dr. Kirkpatrick of the department of chemistry, University of Pennsylvania, while enthusiastically relating his experiences in Winnipeg yesterday after a month's exploration trip through the mountains surrounding and in Jasper National Park made along with three associates in the university.

Taking with them thirteen horses and one guide the party started out from a point nearly 200 miles south of Jasper and made the trip to the park in fourteen travelling days. Several side trips were taken while enroute and, according to Dr. Kirkpatrick, they covered more than 500 miles on horses. It was while enroute that the party attempted the climb of Mount Castleguard, Dr. Kirkpatrick being the only one successful in reaching the summit, making the climb in two and one-half hours. According to the records of previous climbers carved on trees at the foot of the mountain Dr. Kirkpatrick's time is the fastest yet.

In addition to Dr. Kirkpatrick the party included I. K. Simmons, department of chemistry, University of Pennsylvania, W. Strock of the academy of science, Philadelphia and Miss Mary Bullock, also of Philadelphia.

Dr. Kirkpatrick and Mr. Simmons continued their journey yesterday over Canadian National railways for Northbay, Ont., from which which point they will motor to Philadelphia. Mr. Strock and Miss Bullock will follow them to North Bay today.

DODGING WINTERS

Three Summers in Succession Experience of Australian Couple

WINNIPEG, Sept. 12.—To have lived three summers in succession without a winter intervening, will be the experience of J. H. Gosse and his wife by the time next winter is over.

They live in Australia. At the end of last summer in Australia they started off for England arriving there at the beginning of summer. Now at the end of northern summer they are proceeding home, where they will find the southern summer commencing.

Mr. and Mrs. Gosse, and their eldest son arrived in Winnipeg yesterday over Canadian National lines, and rested for the day, before continuing their journey to Jasper Park and Vancouver. When they leave Vancouver they will still be 21 days from Sydney, and 25 days from home, which is Adelaide.

Mr. Gosse is on the board of directors of the News Limited, which publishes several newspapers in South and West Australia. He is president of the Zoological Society of South Australia.

Three Canadian Buffalo, which were presented to the society last February, were just shedding their winter coat at the beginning of the Australian winter when Mr. Gosse left. It will take them three or four years he states, to fall in line with Australian seasonal conditions.

During the week that he has been in Canada, Mr. Gosse made some arrangements for the exchange of Canadian and Australian animals for zoos.

Addresses Girls of Local School

Miss Helen Randal, registrar of the Graduate Nurses' Association of British Columbia and inspector of training schools for the province, who was here yesterday, addressed the girls of King Edward High School yesterday afternoon and members of the nursing staff of the Prince Rupert General Hospital last evening. After having made her annual inspection of the Prince Rupert, Bella Bella, Port Simpson and Hazelton hospital training schools, Miss Randal sailed last night by the ss. Prince George on her return to Vancouver.

DOMINION INLAID LINOLEUM

Design illustrated is Dominion Inlaid Linoleum No. 7053, available in two different colorings.

REFRESH YOUR ROOMS WITH BEAUTIFUL FLOORS

The dullest setting responds to the stimulus of Dominion Inlaid Linoleum. It is surprising how quickly this colourful floor puts character, beauty and individuality into a room.

It is a practical floor, too; easy to lay and to clean; odourless; and permanent because inlaid. Beautify your home with Dominion Inlaid Linoleum with its rich, mellow, soft lustre Domolac Finish that reduces polishing to a minimum.

Dominion Inlaid Linoleum offers distinctive designs for every room in the house, at surprisingly moderate prices.

Other Beautiful Dominion Floors

Dominion Printed Linoleum and Dominion Linoleum Rugs also give exceptional choice in beautiful floors... at popular prices.

At House Furnishing and Departmental Stores.

Made in Canada by the makers of the famous Dominion Battleship Linoleum.

Baptist Ladies' Aid Tea Success

Substantial Sum Realized at Affair Yesterday Afternoon at Home of Mrs. F. W. Dafeo

The Ladies of First Baptist Church held a successful tea and sale of home cooking at the home of Mrs. F. W. Dafeo yesterday and

raised a substantial sum. The rooms were beautifully decorated with sweet peas and roses. Mrs. Dafeo, with Mrs. J. A. Lindsay, received the guests. At the home cooking stall, Mrs. P. H. Linzey and Mrs. J. Thurber had charge. The tea room was in charge of Mrs. C. Campbell, Mrs. C. Gilker, Mrs. Lar-kin and Mrs. R. Green. Mrs. Geo. Hibbard acted as cashier. Conveners for the tea were Mrs. Geo. Johnstone and Mrs. S. Hamblin.

GUESTS AT LUNCHEON

At the Rotary luncheon yesterday guests included A. M. Manson, K.C., former attorney-general, Geo. Bushby, Herold Daley, from Albany, Australia and the four canoeists from Saskatchewan who had just arrived from a sixteen months' adventurous trip to the Arctic. Mr. Daley brought greetings from the Albany Rotary Club of which he is a member.

aged
 that's one secret of good flavor

These beers are very highly recommended as an aid to digestion because they are properly brewed and aged. They have a beneficial place in daily routine, especially in the life of the working man, because good beer is invigorating and strength replacing. Owing to the great percentage of extracts, together with the low alcohol content, these beers are an aid to digestion and healthful stimulants.

WIPORIT

Eyes of Sporting World Are Turned On Sandy Hook Where America Cup Races Commence

NEW YORK, Sept. 12.—Final regulations to govern the yachting classic when Sir Thomas Lipton's challenger Shamrock V will endeavor to wrest the America's Cup from the American defender were set down yesterday and all is in readiness for the first of the races which will take place tomorrow. The best four out of seven races will decide the winner and a race will take place every other day. The first race will be over a 30-mile straight course and, in alternate sprints, triangular and straight courses will be used. Unless a race is run within five and a half hours it will not be considered a race.

The eve of the race finds both contenders confident of victory.

SPORT CHAT

The outcome of the American League pennant race is all but settled now with the Philadelphia Athletics needing only two or three more victories to clinch the old flag for the second season in succession. True, the Washington Senators are still in the running but their threat is so feeble and unlikely of materializing that the world champions may be conceded the winners. Much different, however, is the situation in the National League where the Chicago Cubs, St. Louis Cardinals, Brooklyn Robins and New York Giants are to be found all very much in the running still with but three full games separating the leaders from the fourth place occupants. It is a rather unprecedented state of affairs and it is doing nothing if not commanding great interest among baseball fans—not only those who have the chance to see the games but those who are this far away from the seat of war.

It certainly does look like anybody's flag just now. The champion Chicago Cubs have been making a rather disappointing showing in the face of hard going the past few weeks and there are some who hold the opinion that, in view of the pressure, the Wrigley men may just not be able to go through. They are not famous as uphill fighters such as the St. Louis Cardinals have proven themselves to be during the present season. The Brooklyn Robins have had their ups and downs but Wilbert Robinson's Dodgers have proven themselves a rather erratic organization this year. Just the same it needs only one of their fitful spasms of brilliance to put them over now. The New York Giants are the fourth possibility. They have been very good at times this season and quite the other way at times. They are a good team but have been spotty. All four teams have their chances and the outcome is awaited with a good deal of speculation.

McLARNIN IS WINNER

Vancouver Boy Defeated Lightweight Champion With Knockout in Third

NEW YORK, Sept. 12.—Before a wild, excited crowd of forty thousand fans in the Yankee Stadium last night, Jimmy McLarnin, baby-faced Vancouver Irishman, added another great laurel to his long string of fistic achievements when he took on Al Singer, the lightweight champion, and humbled him with a clean knockout in the third round.

The bout was not for the lightweight crown as McLarnin was eight pounds heavier than Singer and above the lightweight limit. Singer, however, had a good deal of prestige and a \$10,000 a week Broadway vaudeville contract at stake.

Before the knockout, McLarnin sent Singer to the mat for the count of nine. So confident was the Vancouver boy that the knockout had been delivered then that he turned a handspring only to find the staggering champion on his feet again when he turned around. Then Jimmy started to finish off Al in real earnest, a whistling right to the jaw turning the trick.

The fight was scheduled to have gone ten rounds.

RACE IS TIGHTER

NEW YORK, Sept. 12.—The hectic National League race was drawn tighter on Thursday as Brooklyn Robins defeated the leading Chicago Cubs and St. Louis Cardinals defeated the New York Giants. Brooklyn and St. Louis, as a result, advanced to within one half a game of Chicago. The fourth place Giants are now three games behind the leaders.

In the American League, Washington Senators lost half a game in the standing through being beaten by St. Louis Browns while the Philadelphia Athletics were idle.

Yesterday's scores:

National League	
Chicago 1, Brooklyn 2.	
St. Louis 5, New York 4.	
Pittsburg 5, Boston 2.	
Cincinnati 7, Philadelphia 15.	

American League	
Washington 4, St. Louis 7.	
New York 5, Cleveland 9.	
Boston 3, Chicago 4.

A Happy Quartette at Empire Games

It was a great day at Hamilton, Ont., when the British Empire Games were opened; a day of sunshine and smiles, as is shown by the above picture of four distinguished Canadian citizens in the viceregal box. Whatever the smile is born of, it is unanimous. Left to right: E. W. Beatty, Chairman and President of the Canadian Pacific Railway; His Excellency Viscount Willingdon, Governor-General of Canada; Hon. R. B. Bennett, Prime Minister of the Dominion; and Hon. J. Howard Ferguson, Prime Minister of the Province of Ontario.

LOCAL NEWS ITEMS

Mrs. Ernest Blue of Hyder arrived in the city on the ss. Prince George last evening from the north.

Mrs. T. C. Wilding and son Malcolm left on today's train for Kamloops, where they expect to reside for the winter.

Rod McLeod, who has been on a brief trip to Anyox, returned to the city from the smelter town on the Prince George last evening.

Al Small of the Swift-Canadian Co. returned to the city on today's train from a trip to Terrace and other points on company business.

J. R. Muir, district manager of the Famous Players Canadian Corporation, Vancouver, sailed last night by the Prince George on his return south.

Homer Martin, for drunkenness, was fined \$25, with option of thirty days' imprisonment by Magistrate McClymont in city police court yesterday afternoon.

Miss Irene Mitchell, daughter of Mr. and Mrs. John R. Mitchell, sailed last night on the Prince George for Vancouver where she will take up studies at the University of British Columbia.

H. B. Daley, wool expert of Albany, Australia, who is on a trip around the world, arrived in the city by train yesterday from the east and sailed last night on the steamer Prince George for Vancouver.

Provincial Constable William Harrison returned to the city on the Prince George last evening after making the round trip to Anyox and Stewart. He brought a prisoner to the city with him. He continued south on the same steamer with five prisoners for Okalla in his charge.

Babcock, assistant commissioner of fisheries for the provincial government, after a visit to Burns Lake where a meeting was held with regard to interior fishery matters, arrived in the city from the interior on today's train being on their way back to Vancouver.

Ray Pregenzler, Antioch, Ill., holder of world's outboard speed record of 49.723 miles an hour. He drives a four-sixty, four-cylinder, 45 horsepower motor.

District News

SMITHERS

There was a large turnout at the regular meeting of the Smithers Parent-Teachers' Association on Monday night. Several new members joined at that time to boost the membership roll.

Sergeant Andy Fairbairn, local chief of the provincial police, released five carrier pigeons one day this week at Hazelton. All the birds made the flight home to Smithers in one hour and fifteen minutes.

A Ladies' Altar Society has been formed in connection with St. Joseph's Roman Catholic Church here. Officers are: President, Mrs. J. P. Downey; vice-president, Mrs. O'Donnell; secretary-treas., Miss E. Hudson.

Miss Winnifred Large, R.N., for the past few years a member of the nursing staff of the Smithers Hospital, became the bride of Clifford Warner of the Interior News at a quiet ceremony on Thursday morning last week at the home of Mr. and Mrs. G. H. Wall. Attendants were Miss Marjorie Warner and A. Finnelly. Rev. William McKenzie officiated. Following a wedding breakfast, the happy couple left for a honeymoon tour by auto to Vancouver and Enderby. They will return to Smithers to reside.

Mrs. Pope entertained a number of young people at a tea in honor of Miss Muriel Mitchell of Vander-

hoof who has been Mrs. Pop's guest here this week while enroute to Vancouver on a vacation trip.

S. S. Phillips, district agriculturalist here, left Saturday for points east where he will act as a judge at a number of fairs. He expects to return to Smithers about the end of the month.

Refreshments Climax The Children's Party

BY EDWINA NOLAN
Director of Home Service, General Electric Refrigeration Department

NOT every mother has learned the secret of running a children's party smoothly—supervising the games, keeping the little guests interested and happy in wholesome fun—and then, as a climax, bringing on the refreshments, which always are uppermost in the minds of youngsters.

Mother must be on hand to guide the games; but, also, she must have good things to eat. Too often, she is forced to leave the children without leadership in order to prepare the refreshments. Then, the youngsters may fall into aimless rough-housing and the party may become overly boisterous.

Preparing the party refreshments the day before permits mother to keep her hand in the games, because she will have everything ready to serve at a moment's notice. She can make chill jellies, freeze salads and desserts the day before and they will be all

ready to lift out and serve at the refreshment hour.

As a suggestion for such a menu she could have:

- Jellied Chicken
- Fancy-shaped Sandwiches
- Hot Chocolate with Whipped Cream
- Vanilla Ice-Cream Sandwiches

The jellied chicken she makes the day before and chills in the refrigerator. Garnished with hard-cooked egg cut in fancy shapes, it looks quite purified in its nest of lettuce and watercress. The ice cream sandwiches, also, can be made the day before. Vanilla mousses for this popular dessert can be bought and kept hard in the electric refrigerator tray, or it can be made easily. The sandwiches can be made in the morning, covered with a damp cloth and kept fresh in the electric refrigerator. If the party is held in summertime, a milk shake or float can be prepared the day before and kept in the refrigerator. It sounds easy and it really is easy.

Refining of Fish Oils Was Address Theme

H. N. Brocklesby Illustrated His Descriptions By Means of Lantern Slides

An interesting address was given yesterday afternoon at the regular weekly luncheon of the Rotary Club when H. N. Brocklesby told about the work being done at the Fisheries Experimental Station in connection with the refining of fish oil. He showed a number of pictures of the apparatus used in the various experiments and explained what had been done and what they were trying to do.

The main object of the work was to find methods of treating the oil to make it useful for mixing with paint, for lubrication and for treatment of leather and other purposes. While fish oil did not harden like linseed oil it was found to pass all the tests for resisting water.

The making of synthetic castor oil was one of the most recent successes. This oil was used a great deal in lubrication of airplanes and other machinery.

The experiments explained were of a technical nature but with the aid of the lantern slides were made very interesting.

At the conclusion President Syd. Johnston thanked Mr. Brocklesby for his excellent and interesting address.

Society Circus and Dance Plans Are Being Laid

Rotary Club Have In View Staging of Big Event For October 9 For New Gym

A society circus and dance is planned by the Rotary Club to take place on Thursday, October 9, for the purpose of raising money for the proposed new gymnasium and swimming pool: This was announced yesterday at the club luncheon and George Munro was placed in charge of the committee that will have the event in hand.

The event is expected to be staged in the Exhibition Building and the members expect to make it one of the big affairs of the fall season.

Stipendiary Magistrate J. P. Scarlett of Stewart arrived in the city on the Prince George last evening from the north for a brief visit in town.

"Skinny" Run-down Violinist Gains Pep 10 Lbs. in 4 Weeks

WILDEN, MAN. — Mr. Fred Duneluke, well known violinist, says: "Was badly run-down for months. Then tried Iridized Yeast. New pep at once. Gained 10 lbs. in 4 weeks."

Iridized Yeast adds 5 to 15 lbs. in 3 weeks. Ugly hollows, bony limbs fill out. Blemished skin clears right up. "Nerves," indigestion, constipation end overnight. Avoid danger of serious ills. New pep first day.

Iridized Yeast is two great tonics in one. Weight-building brewer's Yeast plus strengthening, blood-enriching Iron. Many times more effective than unmedicated yeast. Results in half the time.

Gain weight, health quick. Avoid risk of serious ills. Take these pleasant little tablets. No yeasty taste; no gas. If not delighted with quick gains, manufacturer refunds money. Get Iridized Yeast from druggist today. Feel great tomorrow. New pounds quick.

NURSING IN EAST

Effect of Raise in Fees Is Commented Upon

TORONTO, Sept. 12.—With nursing fees raised to \$6 a day—in the face of opposition, from a large number of the most highly-qualified members of the profession—and with widespread unemployment in the ranks of the graduate nurses, there seem only two solutions, says "Bride Broder" in the Mail and Empire. "Either we must suffer from some general, and very severe, epidemic, in which nurses will be employed by public health authorities and paid with public funds; or the nurses must cut their coat according to their cloth."

"Unfortunately, too, many of our trained nurses, shy at country and village life—not the least of the reason being, we are sure, the fact that they have no resources within themselves and the quiet of country life terrifies them. They cry for institutional work in the cities, say they abhor maternity cases and paint dismal pictures of the inconveniences that face the nurse in village and country work. We must confess that we have small patience with any out-of-work who picks and chooses—and also refuses—any opening. As for the dislike of maternity nursing, with its opportunities for bringing a mother safely through and of starting a new life out well and happily, we can only feel that the trained nurse who hates it, as she says, and prefers something malignant, ought never to have been given her cap. We are also sure that if our nurses, as a whole, were better educated all around, if they could read more and had widened interests and were not so dependent on the hub of hospital life for their mental and spiritual sustenance, we should see more of them seeking a field of endeavor in smaller places and seizing the opportunities for helpfulness and larger living that are to be found there."

Twenty Years Ago

In Prince Rupert

September 12, 1910
The opening of the new Kaizen Island Club here took place informally with over one hundred guests in attendance. J. B. Roerig is the president.

The city council has decided to make an offer of \$5,500 to the B. C. Tie & Timber Co. for its electric light pole line and such parts of the burned plant at Seal Cove that still may be made use of.

Sir Mackenzie Bowell, of Belleville, well known Canadian statesman, and J. S. Willson, editor of the Toronto News, arrived in the city on the Prince George yesterday from Vancouver on their way to Stewart. While here, they were entertained by Mayor Fred Stork and Ald. T. D. Pattullo.

PRINCE RUPERT, B. C.

When Bobby and Beryl

Were little tots they were cranky and irritable.
But they're great pals now because they feel good—
they're happy and full of energy. The change is
due to another pal—Nestlé's Evaporated Milk.

And here's the Reason! Nestlé's Evaporated Milk is just
the best of fresh cow's milk with part of the water removed—
then sealed and sterilized in air-tight containers. Add water
again and you have absolutely pure, safe milk—but more
readily digestible than ordinary milk because the large fat
globules of the milk have been broken up into small ones
of the same size as in Mother's milk. Also, the curds which
form in the stomach when Nestlé's Evaporated Milk is used
are soft and flaky and therefore easily digestible.

Use Nestlé's Evaporated Milk for Your Baby. Use it in
coffee—in cocoa—in tea. Use it in all cooking and as a
beverage by diluting with one to two parts water.
