DELEGATES APPROVE NAVAL TREATY

Five Powers Agree On Draft Which Will Be Duly Signed Tuesday

Nothing Appears to Prevent Successful Culmination Tomorrow of Long and Arduous Conference

LONDON, April 21.—The heads of the five delegations to the naval disarmament conference met today and formally approved the draft of a treaty which was then sent to the printers. All difficulties in the way of the signing of the treaty appeared to have been straightened out and there was every indication that nothing would prevent a ceremony at 10:30 tomorrow morning culminating the long and arduous work of the conference which opened three months ago today.

RUSH INTO TAKU COUNTRY IS EXPECTED

Department of Mines States Only a Limited Number of Men Needed

Nipissing Mining Co. of Cobalt to Enter Field and Also More American Interests

VICTORIA, April 21.—Advices received by the Department of Mines intimate that the Taku River, artery of travel into the province's recently discovered lode mining camp on the Tulsequah River, will be the scene of an important mineral rush on the opening of navigation about May 1. Hon. W. A. McKenzie, minister of mines, has been informed that prospectors from Juneau, Prince Rupert, Stewart and other places are waiting for the opening of navigation to go in. The Department points out that the operating companies will be able to absorb only a limited number of workers, however.

It is also announced that the Nipissing Mining Co. of Cobalt, Ont., intends to put an exploration party in the field. American capital is also interested.

TROUBLES IN INDIA

Chittagong Is Scene of Latest Disorders Saturday

CALCUTTA, April 21.—A group of 100 Indian Nationalists Saturday attacked the police armory at Chittagong, across the Meghna estuary east of here, and killed six defenders including one sergeant-major. Before assaulting the armory, the insurgents cut telephone and telegraph lines out of the city which has a population of about 30,000 and derailed a train about 40 miles away, blocking the railroad line.

A detachment of Eastern Frontier Rifles under command of Lieut. Col. Dallas Smith, ordered from here to Chittagong to handle the situation is expected to reach there today.

SPECIAL SERVICES

Easter Sunday Is Observed With Special Sermons and Music in Local Churches

Easter Sunday was observed yesterday with special services in most of the city churches. Sermons of the various pastors were appropriate to the occasion and special music was also of seasonal nature. All the churches were beautifully decorated and, the weather being ideal, congregations were large in all cases.

At St. Paul's Lutheran Church in the morning, eight new members were received into the congregation and a gift of \$500 to the church was announced. The choir sang two numbers in Scandinavian.

In the evening there was a special service for children and the subject of the pastor, Rev. J. H. Hanson, was "The Call to Witness." The children assisted the minister by taking different parts. There was a piano solo by Miss Olive Dybhavn.

Rev. Alfred Wilson, the pastor, delivered special Easter messages at both morning and evening services in First United Church. In the morning the Junior Choir sang "Easter Cheer" and "Sing With All the Sons of Glory." In the evening, the Senior Choir rendered special music including a quartette and chorus "Jesus Lives," and a solo by Miss E. Vickers, "Teach Me to Pray."

The subject of Rev. Dr. F. W. Dafeo in First Baptist Church in the morning was "The Easter Message." There were two anthems by the junior choir, "Welcome Today" and "Lilies Fair." The ordinance of baptism by immersion was administered. In the evening, Dr. Dafeo took the subject "The Resurrection Fact Witnessed by Prophecy and Testimony." There was an anthem by the Senior Choir, "I Will Lift Up Mine Eyes," and a solo "Open the Gates of the Temple," by M. R. Dafeo.

At St. Andrew's Cathedral there was special choral music in the morning and also in the evening. The Dean of the Cathedral, Very Rev. James B. Gibson, spoke suitably.

In First Presbyterian Church in the morning, the Sunday School joined with the congregation and was appropriately addressed by Rev. Thomas McConnell. There was also a special service in the evening.

The usual Easter services were conducted in the Roman Catholic Church of the Annunciation.

Changes in Local Buoys Announced

Occulting Light Established on Tugwell Reef—Alexander Point Spar Discontinued

The Tugwell Reef black buoy has been discontinued and a black steel cylindrical gas buoy, showing an occulting white light, has been established in 10 fathoms on the southeast edge of the reef, it is announced by the marine department.

The black wooden spar buoy off Alexander Point, Port Simpson, has been discontinued.

Wedded Quietly Saturday Night

Miss Katie Klusch, Newcomer From Roumania, Becomes Bride of Carl Steinert

The wedding took place quietly at 7 o'clock Saturday evening at the home of the groom, 221 Sixth Avenue West, of Miss Katie Klusch, recently arrived from Roumania, and Carl William Steinert, son of Mrs. Louis Trommer. The ceremony was performed by Rev. John H. Hanson and the witnesses were Alfred Julius Steinert, brother of the groom, and Miss Ida Morrison. After the ceremony, the occasion was suitably celebrated.

Mr. and Mrs. Steinert will reside in the city. The groom is a baker in the employ of Lacasse Bakery.

FIRST BOY VANCOUVER

Late Magistrate Alexander Was Well Qualified Pioneer of B.C. Lawyer and Yachtsman

Magistrate Henry Osborne Alexander of Vancouver, who dropped dead last Friday at his summer home at Gambier Island in Howe Sound, was the first white boy born in Vancouver. His birth took place on December 15, 1873.

The late Mr. Alexander was sent to St. Paul's College, Esquimalt, for his education and in 1896 was called to the British Columbia bar. He had practised in Vancouver from that time up to his death, being appointed a stipendiary magistrate in the meantime.

The favorite pastime of the late Mr. Alexander was yachting and he was a member of the Royal Vancouver Yacht Club. He was also identified with the Native Sons of British Columbia organization.

Deceased is survived by a widow whose maiden name was Miss Anne E. Rouleau.

Mrs. Hogan of Stewart Buried

Rev. J. B. Gibson Officiated at Obsequies in B. C. Chapel This Afternoon

The funeral of the late Mrs. Emily Hogan, whose death occurred at the end of the week in the Prince Rupert General Hospital, took place this afternoon from the chapel of the B. C. Undertakers to Fairview Cemetery. Very Rev. James B. Gibson, dean of St. Andrew's Anglican Cathedral, officiated and Mrs. J. Mastin presided at the organ. Friends of the deceased acted as pallbearers.

THREE BOYS MOST LIVES

Vancouver Youths Believed to Have Been Drowned From Canoe

VANCOUVER, April 21.—A Japanese fisherman has confirmed the police theory that three youths, missing since a week ago Sunday when they set out in a canoe from the Spanish Banks for Howe Sound, were drowned. The fisherman, B. Araki, notified the police that he had found the boys' overturned canoe midway between Point Grey and Passage Island five hours after the boys left the city. The boys were Oederic Morrison, Charles Westman and George Smith, all under 22 years of age.

QUIET AT OTTAWA

But Conjecture Is Rife As to When Election Will Be Held

OTTAWA, April 21.—While quiet prevails still in the halls of Parliament it is a period of anticipation and conjecture. Thursday Premier King and his ministers will resume their meetings when they will have before them the budget. Particular interest and importance attaches to it. It is expected by many that it will give a real inkling as to whether or not the government is going to the country during the coming summer. It seems likely that tariff changes this time will be more extensive and far reaching than for some sessions past.

COAL POWER FOR DUTHIE

Central Interior Hears That Generating Plant May Be Moved to Telkwa Coal Co. Mine

A rumor is current in the central interior that there is a deal on between the Duthie mine and the Telkwa Coal Co. whereby the power plant at the former would be moved to the latter and coal used for fuel. The greatest expense in connection with the mine in the past has been in fuel for the power plant. By the use of coal at the mine, it is estimated that a cut of \$15 could be made in the horsepower cost which would be a great saving in Duthie mining operations.

Little Daughter of Peter Bruno Dies in South

The death occurred last Tuesday in the Vancouver General Hospital, Vancouver, of Helen, little daughter of Mr. and Mrs. Peter Bruno of this city. The child had spent the past winter in Vancouver with her parents and while there contracted pneumonia from the effects of which she died. Besides her parents, a young brother survives. SENATOR OF GREAT AGE

Late G. C. Dessaulles Was Appointed to Red Chamber at 79

FINE OLD GENTLEMAN

Appointed a Senator at the age of 79, when most men are considering retirement to "husband out life's taper at the close," Georges Casimir Dessaulles, who died Saturday at St. Hyacinthe, Que., had given 21 years devoted service to that body when, on Thursday, September 29, 1927, 43 of his descendants gathered at his home at St. Hyacinthe, to celebrate his one-hundredth birthday. It was not until he had reached 69 years of age that federal public life called him and he was elected to the House of Commons for St. Hyacinthe division. For 10 years he represented his constituency when on the death of Sir William Hingston, Sir Wilfrid Laurier appointed the veteran Mr. Dessaulles to represent Rougemont division in the Senate. Criticized at his having appointed a successor who was one year older than the late member (Sir William Hingston) Sir Wilfrid replied: "I have known Mr. Dessaulles for many years and he will bury many Senators younger than he is." How true Sir Wilfrid's prediction turned out to be is readily seen by glancing over the list of Upper Chamber members who have furnished vacancies since 1907.

The veteran of the Upper House was a regular attendant of its sessions. He was quoted as saying that he had never had a headache and in fact didn't know what they were except from hearsay.

Senator Dessaulles' services to St. Hyacinthe, where he was born on September 29, 1827, were not confined to his federal activities. For 10 years he served as alderman, then was elected and re-elected mayor for a term of 25 years. He was the son of Jean Dessaulles, of Swiss origin, and Rosalie Papineau, daughter of Joseph Papineau, of Montreal, and a sister of Louis Joseph Papineau, last Speaker of the Legislative Assembly of Lower Canada and leader of the "Papineau Rebellion" in 1837-38.

Senator Dessaulles' long term in civic politics in his native city was one credited to recognition by his fellow citizens of his public spirit, his devotion to duty, his personal dignity and his unflinching courtesy and kindness.

Married Twice

He was married twice. His first wife was Emille, daughter of Judge D. Mondelet, of Three Rivers. Three children of this union survive, J. A. Dessaulles, Henriette and Alice. In 1869 he married Fanny, daughter of Dr. D. Shepherd Leman, of Buckingham, Que. Four children, all of whom survive, Emma, Fanny, (a River, Mass.) L. J. C. Dessaulles, K. nun in the Dominican Order, Fall C., Montreal and Henri, civil engineer.

Senator Dessaulles received his early education at the classical college of St. Hyacinthe and later spent a year in college at Quebec City. He then went to Georgetown College, Washington, D.C., of which college he was the oldest living graduate. Receiving degree of B.A. from the Washington college, he returned to Quebec and entered public and business life in his native town.

With a few associates he acquired part of the water power of the

Yamaska River and there built up a woollen mill of considerable size. This mill was later amalgamated with the Penman Woollen and Knitting Mills, and is still operating at St. Hyacinthe.

His surviving family, at the time of his centenary celebration, consisted of seven children, 17 grandchildren and 19 great grand children.

Senator Dessaulles was a life-long Liberal and a member of the Roman Catholic Church.

A great hobby of the Senator was gardening. Surrounding his residence at St. Hyacinthe there were many flower beds to which he gave much personal attention. In its grounds are elms he planted 70 years ago.

TO IMPROVE PARK WALKS

Committee Makes Inspection and Decides to Go Ahead With Work

At the week-end several members of the beautification committee along with Fred Riffou, park keeper, inspected the possibilities of improving the walks along the stream in McClymont Park on both sides of McBride Street and decided that great improvement could be made there with a comparatively small amount of effort. Several members of the committee and also members of Toc H. have agreed to do a share of this work. The paths will have to be brushed out, planks be laid over bad spots and some filling and stump removing done to enable the paths to be used. Any wishing to help in this work should get in touch with Mr. Riffou or one of the members of the committee.

ICE BREAKUP IS AWAITED

Millions of Feet of Poles Will Then Be Shipped by Hanson Co.

The Hanson Timber & Lumber Co. has been anxiously awaiting the break-up of the ice on the Skeena River so that a million or so lineal feet of cedar poles on the river banks may be put in the water and driven to the Nash and Cedarvale booming grounds whence they are shipped from the district to all parts of Eastern Canada and the United States.

April 21, 1910.

Engineers have succeeded in getting a good bottom for the railway bridge off Kaen Island across Zanardi Rapids. Casing for the piers and abutments is now in and cement work has been started. Steel for the bridge is arriving.

Only two appeals against the provincial assessment were allowed by the court of revision. One was from the Bishop of Caledonia and the other from Skidegate.

A Gillilan, well known local dealer, has left on the steamer Camousin for a business trip to Vancouver.

How well you look!

"I am writing you again to express my sincere gratitude for the continued success I have maintained through my daily dose of Kruschen. Only last week a man met me (who saw me a few months ago when I was crippled with rheumatism). His first remark was how well I looked. I replied, 'Yes, I have only Kruschen Salts to thank.' He said he was feeling 'off colour' and would start the Kruschen habit next day. I always recommend Kruschen Salts."
JAS. F. WOOLPER.
Original letter written for inspection.

Kruschen Salts is obtainable at drug and department stores in Canada at 75c a bottle. A bottle contains enough to last for 4 or 5 months—good health for half-a-cent a day.

Ten Times Your Income!

DOES your estate amount to ten times your income?

If so you have made unusually good provision for the future. You have assured yourself and family of an income equal to one-half your present earnings.

Suppose, for example, that you earn \$3,000 a year . . . and your estate is ten times that, or \$30,000. This total at five per cent. interest will yield \$1,500 a year. Sufficient, perhaps, to make it possible for you to live independently in your old age. Sufficient, too, to enable your wife and

family to "carry on" if they are left alone.

If your estate does not measure up to this standard, the simplest and quickest way of bringing it up to requirements is through Life Insurance. Millions of people have built estates "on the installment plan" with the aid of Life Insurance. And in so doing they have safeguarded the future for themselves and those whom they hold most dear.

Ask your Life Insurance Representative to explain to you the many advantages of an estate founded on Life Insurance.

YOUNG WIFE STRENGTHENED

After Taking Lydia E. Pinkham's Vegetable Compound

Bancroft, Ontario—"When I first took Lydia E. Pinkham's Vegetable Compound I had been married about a year and my strength was leaving me on account of my condition. I was only 19 and it was my first child. My mother told me I needed something to steady my nerves and a girl chum told me to take the Vegetable Compound. I am so thankful I did because it strengthened my whole system and now I feel perfectly well and have a sweet little baby boy."—Mrs. J. B. STALACK, Bancroft, Ontario.

MASONIC FUNERAL

Charles J. Taylor Laid to Rest Yesterday With Full Rites of Craft

Full Masonic honors were accorded the late Charles Irons Taylor, foreman carpenter at the Prince Rupert dry dock, whose funeral took place yesterday afternoon.

The service commenced in the Masonic Temple and members of the craft then paraded in regalia from the hall to the chapel of the B. C. Undertakers. There again the service was in charge of Tyee Lodge, A. F. & A. M., the rites being conducted in the chapel and at the graveside by A. R. Nichols, worshipful master, assisted by members of the lodge. John E. Davey presided at the organ and sang a vocal solo, there being no hymns. The chapel was filled with friends of the deceased and his family, members of the Masonic craft and of the Carpenters' Union, St. Andrew's Society and other organizations. Many floral tributes testified to the esteem in which deceased was held.

Pallbearers were: James McGlashan, C. G. R. Anderson, Ald. S. D. Macdonald, Ben Dalgarno, Joseph Brown and J. Armstrong. A large concourse followed the cortege to its last resting place.

Smithers and Terrace Divide Honors in Hoop Games Played By Boys and Girls Last Week

TERRACE, April 21.—Smithers and Terrace girls and boys divided basketball honors in games played here last Thursday and Friday. On Thursday evening, the Smithers girls won 29 to 22 while the visiting boys were likewise victorious with a score of 41 to 31. On Friday evening, however, Terrace turned the tables, the local girls winning 18 to 16 and the boys, 31 to 28. As indicated by the scores, the fight for honors in each case was keen. There were large crowds of fans in attendance at all the games.

The Smithers teams, consisting of a total of 10 players, were met at the train on arrival on Thursday noon by the Terrace teams and taken to the Terrace Hotel, where they made their home while here.

Mrs. W. Burnett was tea hostess to all the teams Thursday afternoon.

Following the games Thursday evening a dance was held in the Legion Hall, with a good crowd attending.

Friday afternoon, following a truck ride given by Roland Beacher, Mrs. Wm. Smith entertained the girls at tea in her home.

Mrs. Greig entertained all teams Friday evening following the games at a delightful party, after which Tom Marsh took them for another truck ride to Copper City.

The members of the Smithers teams were: Mrs. Bowling, acting as girls' chaperon, Misses Bertha Chapman, Vivian Graham, Lavinia Eby and Beatrice Monks; Reuber Nesby, James Graham, Frank Smith, Harley Lewis and Kenneth Warner.

The teams returned to Smithers Saturday after spending an enjoyable visit here, in hope of returning next year.

They Pay You

ADVERTISEMENTS pay you to read them. They pay you in time. From the advertisements in this newspaper you can learn where to get what you want, instead of searching around. You can know the merits of each article offered for sale.

They pay you in money. Advertisements help you to get full value for your dollars. Goods which are consistently advertised are of consistently high quality for their prices.

They pay you in satisfaction. Manufacturers and merchants will not undertake an advertising campaign until they are sure their product is right. It would be ruinous to advertise an unworthy product, for that would simply call added attention to its deficiencies.

They pay you in information. Advertisements tell of new products, of new designs, new materials, better workmanship. Well-informed people always read the advertisements to keep posted.

Reading the advertisements is an investment that pays big returns.

WORK ON BONANZA

Grant Mahood Due at Telkwa to Take Charge of Development of Babine Property

Grant Mahood of the Babine Bonanza mine is expected in Telkwa any day to take charge of the development of that property, says the Omineca Herald. In the meantime the machinery recently taken in to the property is being got ready for work. The first development will be to complete the raise from No. 2 vein through to the No. 3 vein, for ventilation. The raise will be about 300 feet. The No. 2 tunnel will also be continued ahead for a considerable distance yet. The biggest body of ore in the interior will be blocked out when the raise gets through. The question of a big mill and sufficient ore to keep it fed to capacity will be settled this summer.

SKIDEGATE

Forest Ranger J. B. Scott arrived last week from Prince Rupert with the forestry boat Lillian D. which is to be stationed at Queen Charlotte City for some time. Mr. Scott proceeded to Cumshewa Inlet where he has some timber stands to check up for the department.

The removal of District Forester R. E. Allen from Prince Rupert is very much regretted on the Queen Charlotte Islands. "Bob" Allen was very popular with every one on the islands and was considered to be a credit to the Forest Branch. All those who had any business with him or with the department speak highly of the efficient manner in which it was handled by him.

PRINCE GEORGE

Trade-in autos, some of them of ancient vintage, are presenting a problem for the city council. Property owners are complaining at the way in which the streets are being monopolized by them.
