LATEST NEWS CONNECTED WITH WORLD FLYING BOATS

Chichester Crashes In Japan; Badly Injured and Plane Wrecked

Pangborn and Herndon Are Fined \$1000 in Tokyo—Lindberghs Safe in Siberia After Flight From Nome

TOKYO, Aug. 15:—C. C. Chichester, New Zealand aviator, who was endeavoring to make a flight from Australia to England via Japan, the Aleutian Islands and Canada, crashed at Katsura today when taking off from Kasumigara near here.

Clyde Pangborn and Hugh Herndon, American flyers, were fined \$1000 in the district court here today for flying over Japanese fortified areas and taking pictures during their recent flight from Siberia.

Seattle, Aug. 15:—Col. and Mrs. Charles A. Lindbergh landed at Karagin Island, Siberia, at 10:40 last night from Nome, according to a message from St. Paul Island naval radio station which kept in constant touch with the plane during its flight.

Japanese Consul Visitor to City

T. Hachiya Arrived From Vancouver This Morning, Accompanied by His Wife

T. Hachiya, Japanese Consul in Vancouver, arrived in the city from the south on the ss. Prince Henry this morning, accompanied by Mrs. Hachiya. It had not been decided early this afternoon whether Mr. Hachiya would make the round trip to Skagway or stop over here to visit the Skeena River tomorrow.

B.C. WANTS TO KNOW

VICTORIA, Aug. 15:—During the visit here this week-end of Hon. H. H. Stevens, federal minister of trade and commerce, to discuss the unemployment situation, the provincial government will endeavor to obtain from him definite information as to the federal government's railway plans for Northern British Columbia.

The province has been somewhat mystified at the recent announcement from Ottawa that the matter of the Peace River outlet had been referred to a committee of three engineers for investigation. It is felt that from exhaustive surveys and investigations made by the provincial government and the two railway companies there should be sufficient data on hand to permit of a decision as to the outlet being reached.

The old agreement between British Columbia and the Grand Trunk Pacific Railway providing for the routing of G. T. P. freight to Vancouver from Prince George via the Pacific Great Eastern Railway was also discussed. Whether this agreement is still in force has long been a matter of dispute.

The Alaska highway project will also be taken up by Premier Tolmie with Mr. Stevens.

Noah Timmins

Prominent Toronto mining man here today en route to Taku River country.

CHILDREN ARE DEAD

Mother In Serious Condition and Infant Recovering From Gas Effects in Vancouver

VANCOUVER, Aug. 15:—George Purden, aged 6, and Gwen, 4, are dead, their mother, Mrs. Margaret Purden, 34, is in hospital in a critical condition and a 14-month old baby girl is recovering from gas asphyxiation late yesterday.

Mrs. Purden, separated from her husband, was residing at the home of her father, Geo. Whyte. The latter, returning from work, found all four in the kitchen with the gas jet turned on and all windows and doors closed tightly.

IS KILLED ON ISLANDS

Body of Logger, Victim of Accident Near Queen Charlotte, Is Brought to City

The gasboat Beatrice H. arrived in port this morning from Queen Charlotte City, having on board the body of Frank Pagura, a logger, who was accidentally killed a few days ago in the Allison Logging Co.'s logging camp near Queen Charlotte City.

The body is being shipped this evening on the Prince Rupert for Vancouver where interment will be made.

SCHOONER IS LOST

Well Known Halibut Boat Burned in North

KETCHIKAN, Aug. 15:—Advices yesterday from Kodiak Island said that one life was lost near there on Wednesday when the halibut schooner Marmot of Ketchikan with 20,000 pounds of fish on board burned. The schooner was a total loss.

The crew took to the dories and a man named Venema died while the boat was making for an island.

WORK ON PENSIONS

Local Returned Men Have Profited Through Visit This Week of Advocate Keeling

During his stay in the city of the past three days, E. S. Keeling, Vancouver, pensions advocate, has interviewed and given advice to no less than 59 cases. Speaking this morning of his work, Mr. Keeling said that there had been a noticeable lack of information among local veterans even as to how to apply for a pension and also for the veterans allowance.

Mr. Keeling was loud in his praises for the co-operation that had been extended by the local Canadian Legion. He had been provided with an office by the Legion and the secretary, A. J. Matheson, had proved an invaluable aid. "The war veterans of Prince Rupert have a real live wire and enthusiastic worker in their cause," remarked Mr. Keeling in reference to Mr. Matheson.

Speaking of the Canadian Legion generally, Mr. Keeling, while not a member himself, acknowledged that the organization had been almost solely responsible for much legislation that had been enacted on behalf of the returned man. The pensions tribunal service was not one of the least of its accomplishments.

Mr. Keeling explained how that, if a claim of a veteran for pension was turned down by the board of pensions commissioners, he could now appear before this tribunal with the assistance of the pensions advocate and it could be decided over and above the board of pensions commissioners, whether or not his disability had been owing to the causation of war.

Mr. Keeling further stated that all information as to pensions, etc. could now be obtained from Mr. Matheson and one did not need to be a member of the Canadian Legion to obtain such advice.

FISHERMEN INDIGNANT

Q. C. I. Boundaries so Placed as to Prevent Legal Seining, It Is Declared

SKIDEGATE, Aug. 13:—Considerable feeling has been aroused over the action of the fisheries department in moving the fishing boundaries out to a point such as to make it impossible for the fishermen to get near the seining areas. In view of the fact that it has already been a hard enough year upon them, the fishermen are indignant at action being taken so as to prevent them from making a few dollars out of fall fishing.

Fatalities In United States

Charles (Speed) Holman, stunt and racing pilot, flying upside down 200 miles an hour at Omaha, Neb., air races crashed few yards away from stands packed with 20,000 spectators. The photo shows Holman's ship as it crashed.

What happened when tornado struck Great Northern empire builders coast train near Fargo, N.D., recently. One section worker was killed and several injured. Coaches were all turned on their sides in terrific wind.

Local Unemployed Association Dissatisfied With Manner In Which Situation Is Handled

After waiting patiently for the governments to take some action to relieve conditions here, the Unemployed Association of Prince Rupert yesterday dispatched a communication to the provincial public works department at Victoria, P. Philip, chief engineer, expressing disappointment at the way in which the situation is being handled and making a final appeal for some-

thing in the nature of a definite reply to a resolution passed by the association last month.

Following is the text of a letter which has just been dispatched to the public works department:

Are Not Satisfied

"Your letter of fourth instant received.

"The committee of this association wish me to convey to you their disappointment at no satisfactory steps having been taken in the matter of the resolution enclosed with my letter of July 22, and they

feel that they are not receiving justice either in the matter of their correspondence or relief, all communication to date avoiding the issue.

"The resolution in question called for a payment of \$5.50 per week, as the lowest at which a man could possibly subsist on in this district—being \$2.00 per week for rent, and 50c per day for food. We insist that the sum of 40c per day now received from the City of Prince Rupert.

Forty Thousand Salmon At Ketchikan Thrown In Bay; Could Not Be Sold Anywhere

KETCHIKAN, Aug. 15:—Forty thousand fish that could not be sold to the canners or fresh fish buyers were thrown into Ketchikan Bay yesterday. Exceptionally large pink salmon has flooded the canneries which are working day and night. Even the reduction plant here was unable to take the fish because of contracts to keep the canneries clear.

AROUND VANDERHOOF REAL FARMING IS DONE; MINING IS ALSO VERY ACTIVE BUSINESS

Centre of Fertile Plain, Resembling Peace River, Is Busy and Progressive Town—Fort St. James Is Popular Resort

(By H. F. Pullen)

Vanderhoof is the supply town for a wonderfully fertile plain where the grain fields resemble those of the Peace River in their fertility and size. As one drives for miles between the quarter sections, wholly or almost wholly in crop, with their splendid farm homes, the idea comes that here is real farming, the kind that in normal times makes money for the farmer and provides sustenance to the city dweller.

But Vanderhoof is much more than a farm town. It is the outfitting centre for the Manson Creek, Fort St. James and Takla Lake mines, rich with gold and attracting much attention in these days when gold is king. Rainbow Creek is the latest of these gold finds to be prospected and it is too early yet to say what the outcome will be. All that is known is that gold is there and that the men engaged in the work are getting some of it. Prominent among those working north of Vanderhoof is R. C. McCorkell, of Vanderhoof, with about thirty men at Germansen Creek. The Consolidated also has a party there.

Vanderhoof is regularly laid out, being in this respect very different. (Continued On Page 3)

Halibut Landings

Summary American—6,500 pounds, 5c and 2.5c. Canadian—9,000 pounds, 5c and 2.5c. American Chum, 6,500, Cold Storage, 5c and 2.5c. Canadian Gony, 9,000, Atlin, 5c and 3c. Livingstone, 18,000, refused 5c and 2.5c, holding over.

Vancouver Wheat

VANCOUVER, Aug. 15:—Wheat was quoted at 53 3/4c on the local exchange today.

EN ROUTE TO TAKU

Noah A. Timmins, of Toronto, Leader of Northbound Party

Noah A. Timmins, prominent Toronto capitalist and mining man is the head of a party going north on the steamer Prince Henry this morning to visit mineral properties in the Taku River country. They will leave the steamer at Juneau and proceed to the Taku by smaller boat. The party will spend about a week in that district.

In addition to Mr. Timmins, the party includes Mrs. Timmins; Rudolph Timmins, their son; Mr. and Mrs. Adolph A. Pare and J. B. Woodworth of Vancouver, British Columbia representative of the Timmins interests.

FUNERAL NOTICE

The funeral of the late George Taylor will take place tomorrow, Sunday at 2:30 p. m. from the Chapel of the B. C. Undertakers.

LONDON IS ALL QUIET

Budget Deficit Was Discussed—New Finance Bill is Expected

LONDON, Aug. 15:—After a week of conferences concerning budget deficit and public uneasiness, all was quiet today.

Next week will bring concrete developments and it is generally expected that a new finance bill supplementary to the budget will be drawn up and Parliament summoned early in September.

BUSH FIRE ON ISLANDS

SKIDEGATE, Aug. 14:—Last week a large fire broke out along the highway between Skidegate and Tlell and a number of cars were held up owing to the flames sweeping across the road.

Thanks to the quick action of Forest Ranger Benson of Queen Charlotte City and the capable way in which he handled the fire, not much damage was done.

Some of the cars had quite an exciting time running the gauntlet through the thick smoke.

PATTULLO ON OUTLET

Government Should Make Decision and Put It Up to Railways, Says Liberal Leader

"In the absence of action by the railway companies, it is my opinion that the government should take immediate decision as to the Peace River outlet and put it up to the railways to carry such a decision through," declared T. D. Pattullo, Liberal leader for British Columbia, in an interview in Vancouver this week following his return from a tour of the Peace River country.

Mr. Pattullo declared that the crops were looking excellent in the Peace River and hundreds of settlers were continuing to pour in.

SCHOONER DEMOCRAT IS WRECKED; CREW SAVED

CORDOVA, Aug. 15:—A radio message from the steamship Lakina yesterday said that five shipwrecked men from the halibut schooner Democrat had been rescued at sea near Cook Inlet.

FLYERS COMING HERE

Since it was expected that both would visit here, Prince Rupert has taken especial interest in the aerial undertakings of C. C. Chichester, famous New Zealand flyer, who was attempting to blaze an air trail from Australia to England via the Aleutian Islands and Canada, and of Capt. Wolfgang von Gronau, the German ace, who is essaying a round the world flight with Prince Rupert as one of his scheduled resting places. Chichester is wrecked in Japan while von Gronau is on the Atlantic. Should either or both flyers reach here, they would be assured of a real welcome from Prince Rupert citizens.

Regular round the world flying service may be a development of the comparatively near future. It is quite possible that Prince Rupert may be an important stopping place in the schedule for any such service. This would result in valuable and constant publicity for the city and port.

THE DOLE IN AUSTRALIA

The number of unemployed in Australia is calculated at 300,000. The dole system is reducing our national powers of recovery, and making utter collapse and chaos quite possible things. For those 300,000 people, whether they are actually on the dole or not, have to be fed—and clothed and housed in a fashion. Staggering taxation is therefore being collected; thousands of taxpayers are being called upon to pay this year from 50 to 100 per cent of all they can possibly earn in the twelvemonth. Money which in the ordinary course would be available for investment—for starting or extending enterprises—has been and is being used up in the maintenance of this vast army of non-producers. We are consuming our reserve of financial strength and energy; and everybody knows how slow recovery is when that happens.—Sydney Bulletin.

Skidegate Sunday School Picnic Is Much Enjoyed

SKIDEGATE, Aug. 12.—A very pleasant Sunday School picnic was held recently under the auspices of the United Church of Canada at which about one hundred people attended.
 Rev. (Capt.) R. C. Scott and family of the mission boat "Thomas Crosby" were present and were made heartily welcome by the members of Mr. Scott's former congregation.
 Rev. McKenzie was in charge of the sports which lasted far into the afternoon after which all sat down to a very delightful supper prepared by the ladies.

Were Married At Prince George On Sunday Morn Last

PRINCE GEORGE, Aug. 15.—A pretty wedding was solemnized in Knox United Church here on Sunday morning last when Miss Margaret Lillian Baxter was united in marriage to Gustinc Albert Kund. Rev. Adam Crisp conducted the ceremony and Mrs. W. J. Pitman presided at the organ.
 Given in marriage by her brother, Robert A. Baxter, the bride was attended by her sister, Miss Harriet Beatrice Baxter. Herbert A. Lund was groomsmen.
 Mr. and Mrs. Lund are spending a honeymoon in Vancouver.

NORTHERN B. C. NEWS

PRINCE GEORGE NEW HAZELTON

During the past 12 months, the farming districts around the city of Prince George have invited a great deal of attention and have received a considerable number of experienced settlers from the Canadian prairies and the United States. There is still plenty of cheap land available, however.

"The farmers of Central British Columbia have been doing a little better than the average of farmers in the province as a whole," according to a statement by Prof. H. R. Hare of the University of British Columbia.

There has been a good deal of mechanical trouble in the local power house recently. Changes of adjustment have caused piston cracking with resultant interruption in the service.

The Prince George Agricultural and Industrial Association has set August 27 and 28 as the dates for the local fair this year.

Coroner H. S. Trefry has been unable to complete his inquest into the death of Mrs. P. J. Strand who was killed on being struck by a C. N. R. train on the line between Dome Creek and Bend recently. At the time Mrs. Strand was engaged with her husband in searching for stray horses and, as far as can be learned, there was no actual eye witnesses of the fatality.

The poolroom of G. C. Hartley at Giscome was entered by thieves on Sunday last, \$20 in cash as well as goods being stolen.

H. John Butler of the Canadian Forestry Association, Vancouver, is paying this section of the province a visit in the interests of the Legion of Junior Fire Wardens.

Stipendiary Magistrate G. H. Milburn has adjudged Howard Henry Pushie of Willow River insane on the advice of doctors and the man is being taken to Essondale this week.

The marriage took place here on Tuesday afternoon of this week in Sacred Heart Church. Rev. Father John Lapouroux O. M. I. officiating, of Miss Ruth Marie Hornsby, eldest daughter of W. L. Hornsby of Prince George, to James Teetzel Harvey. The bride, given in marriage by her father, was attended by Miss Gladys Jack of Vancouver and her sister, Miss Helen Hornsby. The groomsmen were Dr. Carl S. Downes of Los Angeles. After the ceremony, a reception was held at the home of the bride's father. Mr. and Mrs. Harvey then left for a honeymoon trip to Banff and will take up residence at Prince Rupert where the groom is a member of the law firm of Williams, Manson, Gonzales and Taylor.

J. W. Southin of the Electric Power Equipment Co. of Vancouver arrived in Prince George this week to pay a visit of inspection to the local power plant.

E. Winch of Vancouver, provincial organizer of the Independent Labor Party, has written to C. P. Deykin requesting him to organize a Prince George branch of the party.

Harry Bowman, C. N. R. colonization agent, was at Vanderhoof on Monday. He discussed with farmers there the proposal for the community feeding of live stock.

The Dawson & Whitehead garage on Third Avenue was gutted by a spectacular fire last Saturday morning. The building was owned by H. B. Guest and S. J. Watson and was partially insured.

The premises of the Prince George Drug Co. were entered late Saturday night or early Sunday morning and a quantity of goods as well as silver in the cash register were taken.

George Bowls, with Misses Linnea Hanson and Kathleen Durham, made a trip to the Silver Lakes on Hudson Bay Mountain Sunday.

Kathleen Evans, daughter of Mr. and Mrs. R. Evans, underwent an operation for appendicitis in the Smithers Hospital this week.

H. G. Olsen of the Hanson Timber & Lumber Co. is spending a two months' holiday at the camp of Fred Griffin on Duthie Mine road.

READY FOR LABOR DAY

Good Deal of Routine Business Dispensed of by Trades and Labor Council

The Trades and Labor Council meeting Thursday night was well attended. A good deal of routine and other business was disposed of. President S. D. Macdonald was in the chair.

A resolution from the Unemployed Association was passed and a copy of same will be forwarded to Premier Tolmie.

A letter from the Geneva Conference was filed for future reference.

A communication from the Blue Bird orchestra was also filed.

A convention call from the Trades and Labor Congress of Canada to be held in Vancouver on the week of September 24, was laid over till after Labor Day. An effort will be made to have representation at this important convention.

A request was sent on to the Building Trades committee to endeavor to have a union clause inserted on all new building contracts in the city.

Alien Labor

Correspondence was read from the Commissioner of Immigration, Vancouver, re alien labor employed in Telegraph Creek district. The commissioner co-operated in every way in having the situation adjusted.

Preliminary arrangements were made for Labor Day celebration.

Letters of condolence will be sent to the brothers of the late Harvey Fraser, and the charter is draped for 30 days.

Minimum Wage

Complaints are received, claiming that several merchants are not recognizing the Minimum Wage Act. This matter will be investigated and, it was said, prosecutions will be made, where such are justified. It is provided, under the Act, that copies of same must be posted in all stores, and kept posted under penalty.

The following committees have been appointed by the Trades and Labor Council to handle the sports on Labor Day:

Finance—S. D. Macdonald, T. B. Black, F. Derry.
 Sports Committee—Jack Campbell (chairman), Jack Ratchford, Alex McRae, Ald. Jas. Black, F. Rogers, H. Dyer, R. Yates, H. G. Kennedy.

Program Committee—T. B. Black, (chairman), J. J. Gillis, J. M. Morrison, F. W. Stamp-Vincent, D. McPhee.

Grounds—W. M. Brown, (chairman), B. Dalgarno, Geo. Geddes, G. Dugate, Geo. McCarless, A. McLean, A. Caravan.
 Dance—J. M. Morrison, J. Simpson, F. W. Stamp-Vincent.

WORK ON PENSIONS

(Continued from page 1)

Mr. Keeling, whose territory includes all the western portion of British Columbia, is at present on a tour of Northern British Columbia and will proceed from here on Monday to Terrace, Smithers, Prince George and down the Cariboo highway.

Mr. Keeling states that he hopes to have the pensions tribunal sit in Prince Rupert in early fall.

WEATHER REPORT

Langara Island—Overcast, light southerly wind; sea smooth.
 Triple Island—Overcast, westerly wind, sea smooth.
 Dead Tree Point—Cloudy, light southeast wind; barometer, 30.22; temperature, 66; sea smooth.

George Hibbard and son, Howard, returned to the city on this afternoon's train after a week's angling trip to Khtada Lake.

BONUS IS REQUIRED

B. C. Settlement Chief Declares That Peace River Block Needs Assistance

VICTORIA, Aug. 15.—W. S. West, superintendent of land settlement to the province has arrived in the city after spending five months in the Peace River district, where he assisted in the selective settlement of 1073 families arriving since April 1. These settlers have taken up from a quarter-section to a half-section of land per family, and for the most part are making good beginnings in getting their farms in shape.

In Mr West's opinion extension of the five-cent Dominion bonus on export wheat to the Peace River district would have an encouraging effect on the new settlers, as well as on those already there and who have made considerable sacrifices in the early years of their occupation of the new lands.

Even with a bonus, he asserts, the farmers in the Peace would receive approximately 13 cents a bushel for their wheat, which though little, would be greater than the 8 cents a bushel now obtained after paying the necessary charges. Production of wheat in the British Columbia part of the area is not so large as has been variously stated from time to time he states.

PEACE RIVER NEEDS BONUS

Farmers of British Columbia Block Handicapped More Than All Others on Prairies

EDMONTON, August 15.—Hope is expressed in Edmonton grain circles that the federal government will take steps to include the Peace River block of British Columbia in the Federal Wheat Bonus Act.

With an estimated wheat crop of 500,000 bushels now ripening, it would mean \$25,000 to the farmers of the Poouce Coupe and Dawson Creek district to be brought under the Act.

In view of the much heavier rate the Dawson Creek farmer has to pay to export his grain, he is handicapped even more than other prairie farmers.

Consul General For Belgium On District Tour

J. Van Ricksdal, consul general for Belgium in Vancouver, arrived in the city on the Prince Henry this morning from the south and will be here until next Tuesday morning when he will proceed by train to Prince George in the course of a tour of this district. Mr. Ricksdal will address the Prince Rupert Chamber of Commerce at a meeting next Monday evening.

Miss Marie Mussallem, who has been spending a holiday at Mr. and Mrs. George Little's summer home at Lakelse Lake, returned to the city from the interior on this afternoon's train.

Capt. Gillatt to Leave Sandspit

Popular Pioneer Citizen of Queen Charlotte Islands Contemplates Going South

SKIDEGATE, Aug. 15.—It is rumored that Capt. J. G. Gillatt of Sandspit may be leaving the Islands for good soon.

People of the Queen Charlotte Islands feel that they can ill afford to lose a pioneer like Capt. Gillatt, who has lived on the Islands for 20 years or more.

Should he leave, the Conservative party will lose in Capt. Gillatt their most popular and influential supporter on the Queen Charlotte Islands.

Miss E. M. Earle, who has been on a trip to Vancouver and elsewhere in the south, returned to the city on the Prince Henry this morning.

C.P.R. steamer Princess Louise, Capt. Slater, is due in port at 3:45 this afternoon from Skagway and other Alaska points and will sail at 5:30 p.m. for Vancouver and Victoria.

Had Stolen Lump of Coal in Possession

George McAuley was fined \$25, with option of 14 days' imprisonment, by Magistrate McClymont who found him guilty on a charge of having stolen goods in his possession.

The article in question was a large sample lump of coal belonging to Casey's Cartage and weighing 300 pounds which was found in the coal bin of McAuley's residence behind the Pioneer Laundry.

MERCHANTS TAKE LEAD

Defeated Canadian Legion Six to Nil in League Football

By winning over the Legion last evening by six goals to nil, the Merchants have a clear lead of two points in the Moby Cup League football competition. There was a good attendance and there was not the difference between the teams that the score would indicate.

Vink did well to stop Gilker's high drive and then Smith miskicked to give A. Dickens a chance and he opened the score for the Merchants. Shortly after he narrowly missed with a good drive. Currie was playing well and then Skinner stopped Chenoski. Henry Dickens was just too high with a fine drive and Chenoski was nearly through when the Legion defence was slow. Vink gave a corner in clearing from Hadden's header from Woodside's centre. Dickens slipped Skinner but Chenoski shot past. Currie took a free kick well and, when Skinner played Dickens, a penalty was given from which Albert scored. Smith saved well from S. Dickens' curling centre and Jack did well to stop A. Dickens and Hill. D. Smith was clever but got no support. J. Smith cleared weakly but Hill headed just over.

Albert Dickens made a clever run but Jack cleared. Webster was playing good football and opening out the game well but the Legion forwards were weak. Vink cleared and then dropped the ball but was lucky enough to get it away. Legion then pressed for a time with Webster and Hadden backing up their forwards. Webster and Currie staged a battle of football brains with honors about even. Chenoski got away and his hard drive struck Skinner and swerved inside the post to give the Merchants a third goal. Then a fourth came fast when a twisting shot from McKay struck a rock and bounced well out of Smith's reach. Webster gave Murray a long pass but the latter's centre was cleared. A twisting shot from Murray nearly beat Vink but he cleared and then following a miskick by J. Smith the latter held A. Dickens but the ball was cleared. The Legion goal had a narrow escape when Smith punched away Hill's centre and the ball was later returned to hit the face of the bar

before being cleared. Jack saved and then from Hill's corner S. Dickens made the total five. A misunderstanding between Smith and Jack let A. Dickens head a sixth goal for the Merchants. Following a corner taken by Woodside the ball burst and a new one was requisitioned. D. Smith shot but Vink got the ball clear. Gilker's drive was saved by Menzie at the upright. Murray and D. Smith made headway but Douglas and Menzie cleared. Woodside was ordered off. D. Smith was again prominent and then Chenoski missed a good opening. No further scoring took place.

Merchants—Vink; Menzie, Douglas; Mitchell, Currie, McKay; Hill, H. Dickens, A. Dickens, S. Dickens, Chenoski.

Canadian Legion—J. Smith; Skinner, Jack; W. Murray, Webster, Bussanich, Woodside, Hadden, D. Smith, Gilker, W. Murray.

Referee, J. Johnston; linesmen, J. Kelly, M. Colussi.

Comments on Play

The Merchants' defence was severely tested. Vink fielded a couple of shots weakly but got the ball away. Menzie was the better back but Douglas missed little. Currie again turned in a clever game and McKay made a good half back tackling well and feeding his forwards. Mitchell was hard to pass. The forwards all played good football some of their combined movements being fast and dangerous. A. Dickens and Hill were the pick. Chenoski did well turning out when his team was short.

J. Smith was unlucky in losing a couple of goals but his kicking was uncertain. Jack again turned in a fine game at back and Skinner played his usual bustling game. He was not to blame for the goal Chenoski got. Webster showed class in his heading and positional play but was inclined to go too hard towards the end. Hadden was good and Bussanich did some clever things. Of the forwards D. Smith and W. Murray at outside left were the pick. W. Murray at right half was a hard spoiler but lacks control. Woodside again incurred the referee's displeasure and was ordered off, this being but the first time he has suffered this penalty. It is high time the association took action when players have been ordered off. We have not heard of any penalty being inflicted on a player for having been ordered off this season and unless the association backs up the referees, football will suffer. It is up to the association to require refer-

LEADERSHIP IS TIED UP

Round House and Station in Dead-lock For Softball Honors

In the C. N. R. A. Softball League game last night, the Round House defeated the R. C. N. V. R. by a score of five to two.

The Navy Boys did not seem to be quite strong enough to hold out their opponents, and were only successful in collecting two runs while the Round House brought in five. This win ties the Round House and the Station for first place in the league with the R. C. N. V. R. second and the Biological Station in the cellar.

Batteries were Boulter and Skatkebol for the Round House, Pitcher and Peterson for the R. C. N. V. R. League standing to date is as follows:

	W.	L.	P.
Station	5	1	5
Round House	5	1	5
R. C. N. V. R.	3	3	3
Biological Station	1	5	1

SPORT CHAT

Within sound of Piccadilly circus's hubub is one of London's queerest schools, set in a quaint backyard in whose pool embryo casters are taught the rudiments of fly fishing. Captain J. Cornwall, in charge of the school, drills the neophytes in the science of wet and dry fly-fishing or casting. The "professor" teaches his pupils to cast with either hand and has found, he says, the pupil learns the proper cast with the hand he has not previously used. Summer months in England find the fishermen "still" fishing, but with the coming of winter in the Thames the pike strike vigorously. In the northlands trout fishing at present is excellent, but for salmon the wealthier sportsman leases the right to fish one rod, in some of the better Scotch and Irish streams.

Roly Rogell, sterling shortstop of the Toronto Maple Leafs of the International Baseball League, will have a chance in the major leagues. He will go immediately to Detroit in change for Shortstop Brower and some cash. Rogell has been well up with the International batting leaders most of the season.

Eagles Dance Is Enjoyable

One Hundred Couples in Attendance at Delightful Affair Last Night in Aerie Hall

There were 100 couples present last night when the Eagles' Lodge held another of its delightful dances in the Aerie Hall. Geo. Brooks was master of ceremonies and Dick Ford presided at the door.

Considerable amusement was caused by clickers and other novelties.

SMITHERS SOFTBALL

The first half of Smithers softball season has now been completed. C. N. R. won first half honors and is entitled to a place in the play-offs.

GIRLS WANTED

To enter Contest for America's Most Beautiful Girl

The winner will be chosen during fair week in Prince Rupert and will get a free trip to Los Angeles and back and be entertained lavishly while there.

Entrants must sell 50 tickets to the Big Coronation Ball, the last day of the fair. Nothing else to do but look pretty. It's the chance of a lifetime.

The fair board at its recent meeting decided to enter a candidate in the International Beautequest at Los Angeles in connection with the celebration of the one hundred and fiftieth anniversary of the founding of the city, when the most beautiful girl in America will be chosen.

The local candidate will be chosen at the time of the fall fair and immediately after her selection she will have to leave for the south to get there in time for the big California event. Her expenses going and coming will be paid by the Fair Board but while there she will be the guest of the Ocean Park Businessmen's Association, who are sponsoring the event. The attraction for the candidate is set forth in the following letter from the south.

"Your candidate will be met at the railway station, dock or airport by a committee representing the Ocean Park Businessmen's Association.

"She will be the guest of screen stars at various functions.

"She will be entertained by a reigning star of the screen at her home.

"She will be included in all parties listed as part of the program of the International Beautequest and La Fiesta de Los Angeles.

"She will occupy a position of honor in all gatherings including pageants, parades, spectacles, receptions and, in fact, all events planned for the International Beautequest and Los Angeles' great reception."

Candidates must be between the ages of 16 and 30, unmarried and of good character and the one going from Prince Rupert will be chosen in the following manner:

She or her sponsors must sell 50 tickets at \$1 each for the big coronation ball to be staged on the last day of the fair in the exhibition building. For the one selling the most tickets a prize of \$50 will be awarded.

She may enter without sponsors if she wishes but she must sell the tickets.

The candidates must attend the Exhibition every evening while it is in progress here. On the first night one selection will be made by competent judges. On the second night a second candidate will be chosen by another set of judges and on the third night a third candidate will be chosen by a third set of judges.

These three candidates will attend the coronation ball accompanied by the other candidates and at 9 o'clock, the final selection will be made. Two hours later the coronation will take place here and the following day the winner will be required to leave and travel as rapidly as possible by steamship, airplane and rail to Los Angeles.

Candidates from points around Prince Rupert may enter, such as Anyox, Ocean Falls, Smithers, Terrace, Stewart, Hazelton or other points and they will be required to sell 25 tickets to the coronation ball in order to qualify.

Candidates either in the city or out may be sponsored by organizations who may help them in disposing of tickets or otherwise in connection with the event.

Candidates or their sponsors should notify Secretary Vance of the Fair Association at as early a date as possible and as soon as the tickets are ready may commence disposing of them.

PIPE TESTED by a BANKER

15c. and 20c. packages
—also in 1/2-pound screw-top tins

"I smoked every grade of tobacco, waiting for a high grade one, at a fair price, which would give a good, cool smoke, a mild distinctive flavour and 'a good long burn' so that one would feel satisfied when laying the pipe aside. Turret pipe tobacco fills the bill! . . . and I always buy mine in the half-pound tin. Turret pipe tobacco is in a class by itself. 'The pipe smoker's pal!'"

ARTIST IS VISITOR

Francois Richepin of Paris Here in Course of Tour of Canada

Francois Richepin of Paris, grandson of the poet Jean Richepin, and son of the dramatist, Jacques Richepin, is in Prince Rupert today. He is accompanied by his wife. They arrived by train today from the east and will sail on the Prince Rupert this evening for Vancouver.

Grandson of a celebrated poet and son of a well known dramatic writer, Mr. Richepin is, in his turn, following their steps in an artistic career. Although not over 27 years old, his talent as a painter has already caused him to be advantageously known in artistic circles in Paris, and the paintings he has signed, so far, according to the connoisseurs foreshadow for him a great future as an artist.

As all true artists, Mr. Richepin exemplifies that modesty which causes him to be silent as to himself. This young painter had been attracted to Canada by the beauty of its vast landscapes, its lakes and its forests with the thought in mind that he would, with the aid of his brush, set down some of the most picturesque of the places he visited.

The grandson of the author of "La Chanson des Gueux" only arrived from France a few weeks ago. He has had time, nevertheless, to admire the landscapes he has seen, and he "will be happier throughout his life, for having contemplated them," he remarked.

"As to the language of the Province of Quebec," added Mr. Richepin, "I was struck by its purity and its solidity. Really, in listening to the speech of the people of Quebec, if we did not know we had just crossed the Atlantic, we could believe that we were in one of the provinces of France, so fully have the traditions of the language been respected."

Mr. and Mrs. Richepin during the course of their stay, contemplate crossing Canada from the Atlantic to the Pacific in order to know it in all its aspects.

Twenty Years Ago

In Prince Rupert

August 15, 1911

A report presented to the city council at a special meeting yesterday afternoon cleared members of last year's aldermanic board from charges of Ald. S. M. Newton that they had used their offices for the purpose of obtaining an excessive amount of insurance on the telephone plant for themselves and their friends. After the report had been read, Ald. Newton stated that he was willing to "partially" withdraw the charges.

After a three-day trip up the Naas River with a survey party on board, H. D. Robinson of the Rupert Marine Ironworks has returned to port. Mr. Robinson successfully navigated through the Naas River canyon, his boat, the Wolverine, being the first deep draught vessel to safely reach the upper Naas country. Mr. Robinson brought back with him William McLean and James Flynn, who have been on a prospecting trip into the upper Naas River country.

The city council has decided to engage a "commodore" for the "sniff yacht" at a salary of \$63 per month.

WATERFRONT WHIFFS

Halibut Fishing Not Succeeding Financially—Capt. Kohrt Brought to Hospital—Shef Thomson Back

With low prices prevailing so consistently, halibut fishing operations out of Prince Rupert so far this season are proving very disappointing financially. With the season now more than five months elapsed, the high boat of the fleet is reported to have shared slightly in excess of \$700 net earnings per man. The average is believed to be around \$300 while several boats, of course, have not done that well. Fish have been quite plentiful so far this year and the landings have averaged quite high. Were it not for this, the financial returns would have been even less favorable.

Capt. H. K. Kohrt, pioneer district salmon troller, was brought into Prince Rupert aboard his boat Bonita on Wednesday of this week and was placed in hospital for treatment for his rheumatics. Capt. Kohrt had been laid up for several weeks on the North Island troling grounds before Peter Leland of the crew of the halibut boat Johanna brought boat and skipper over to Prince Rupert.

Capt. Andrew C. Christiansen is taking his big halibut boat Prosperity A. to New Westminster where it will be tied up for the balance of the season. Capt. Christiansen intends to fish while on the way down the coast from Prince Rupert to New Westminster. The skipper is also taking his family south to take up residence.

Bon Hanna Back

Bon Hanna has returned to port after spending a time with Capt. Dave Ritchie while the latter has been engaged in fishery patrol service with his halibut boat Unome in the Central Division. Capt. Ritchie's charter will continue for at least a few weeks yet, it is understood.

Pole driving started this week at the foot of McBride Street where the Northern B. C. Airways is to place its hangar and local air base. Hangar and other equipment will be brought north from Vancouver.

Capt. Brandy Newell with his packer Bruce I and Capt. Don Yelf with the B. and Y. are still engaged in packing salmon from Massett Inlet to Butedale cannery for the Canadian Fishing Co.

Back From South

After a month's vacation in the south as a result of which he is looking and feeling greatly refreshed, Shef Thompson, popular caretaker of the Prince Rupert Rowing & Yacht Club floats, returned to the city on Wednesday of this week and resumed his duties yesterday morning. Shef visited Vancouver, Victoria, Seattle and Tacoma while away. Incidentally, he flew from Vancouver to Victoria. It was his first experience in the air and it proved both novel and enjoyable. Shef reports unemployment condi-

INDUCTION OF PASTOR

Rev. W. McKenzie Initiated in New Field at Queen Charlottes

QUEEN CHARLOTTE CITY, Aug. 15.—An induction service was held recently at Queen Charlotte City for Rev. W. McKenzie, formerly of Smithers and now stationed on the islands.

Four ministers of the church conducting the service were Rev. Alfred Wilson of Prince Rupert, who performed the induction; Rev. Burnett of Skidegate Mission, who read the text; Capt. (Rev.) Scott, who spoke a few words of counsel and good cheer, and Capt. W. Oliver, who led in prayer.

The church was filled to capacity with members from all points of the new minister's mission. After the service, refreshments were served and singing and story telling by Rev. McKenzie enjoyed.

The gathering parted at 10 p.m., feeling that they would be well satisfied with their new pastor.

Union steamer Cardena, Cap. Andrew Johnstone, arrived in port at 10:30 last night from the south and sailed at 12 midnight on her return to Vancouver and way-points.

A WONDER OF NATURE

Hillegom Cultivation "LA REINE" Holland
