PRIVATE MEMBERS LAUNCH ATTACK

Vancouver Central Conservative Executive Demands Resignation of Members; Non-Confidence Vote

City Executive Causes Sensation by Passing Resolution Repudiating Tolmie Administration at Meeting Wednesday Night

Came as Climax to Criticism of Victoria Financial Policy

Whole Slate of Six Conservatives Are Asked to Relinquish Their Seats in Legislature, Province Says

VANCOUVER, March 6.—The Vancouver Province yesterday afternoon published the following: "A resolution demanding the resignations of six Vancouver members of the provincial legislature was passed at a meeting of the Central Conservative executive of Vancouver Wednesday night, according to reports in party circles. The motion came as a climax to severe criticism of the Conservative government and followed one expressing non-confidence in the government."

The announcement of the Province caused a political sensation in this city. Statements from the six Vancouver members are being keenly anticipated. These members are Hon. W. C. Shelly, Hon. R. L. Maitland, T. H. Kirk, Col. Nelson Spencer, G. A. Walkem and William Dick. The last mentioned has criticized the financial policy of the Tolmie administration on more than one occasion.

JAIL BREAK AT OKALLA

Two Prisoners Charged With Hold-Up Made Sensational Getaway Yesterday

VANCOUVER, March 6.—Fraser McDougall, aged 25, and Ellis Wilcox, 21, facing trial in the Assize Court at Vancouver on hold-up charges, escaped last night from Okalla Prison Farm in a sensational jailbreak. They returned to Okalla shortly after 7 p.m. after having appeared in court in Vancouver. Suddenly they whipped revolvers from their pockets while being escorted to their cells and cowed two guards in the prison office, compelling them to lie on the floor while they held up a Victoria police officer who was escorting an incoming prisoner from that city. They compelled a taxi driver, under threat of their revolvers, to drive them back to Vancouver where they disappeared.

Prison officials voiced the opinion that the guns flashed by the two prisoners had been smuggled to them by friends in the Court House at Vancouver.

FOUND DEAD IN TROLLER

JUNEAU, March 6.—Peter Johnson, aged 60, salmon troller, was found dead in his drifting fishing boat near Douglas Island yesterday. At an inquest it was decided that death was due to heart failure.

SPAN GOES IN SUNDAY

Important Job in Connection With Galloway Rapids Bridge Nears Conclusion

The middle span, which has been in course of construction across the water during the past several weeks, will be floated into place in the Galloway Rapids road bridge on Sunday afternoon about 4 o'clock, it is announced by W. K. Gwyer, district engineer for the provincial public works department. The completion and placing of this span will mark possibly the most difficult and important part of the bridge job. There are eight bents to go in on the other side of the span and it is understood that the end of April will see the bridge completed and ready for use.

Owing to funds running out, there is a possibility of work on the road beyond the bridge closing down about the middle of this month. Fifty men have been employed on this work and they will be out of work if the job is temporarily discontinued.

The Weather

Triple Island—Fresh north east wind, moderate sea, clear.
Langara—Clear, light north west wind, sea calm.
Dead Tree Point—Clear, calm; barometer 30.48; temperature 46; sea smooth.

Co-operative Mining in North Is Suggestion Made Yesterday at Mining Convention in East

OTTAWA, March 6.—Co-operative mining in Canada's far north was suggested yesterday before the convention of the Canadian Institute of Mining and Metallurgy as one means of developing the resources of the country more fully and quickly.

J. Lorne MacDougall of Ottawa suggested that changes be made in the mining regulations in the northwest territories whereby one thousand prospectors would work one hundred square miles in a season and all share in the discoveries.

It was claimed that present prospecting in the north was not sufficiently intensive.

Premier Tolmie

This government subjected to stinging denunciations by members of the Conservative party

Halibut Catch to Ketchikan

The Seattle halibut boat Gloria was in port this morning from the banks with 4,000 pounds of fish. After waiting around for a while, the vessel went to Ketchikan to dispose of her catch. There has not been any halibut sold so far this season over the local fish exchange.

William Dick Condemns Tolmie Government for Vast Expenditures During Its Brief Span of Power

Jones Budget Reveals Financial State of Affairs and Unprecedented Taxation Which is Shock to Everyone, He Says

Present Government Has Spent Wildly During Past Two Years

Vancouver Tory Member Predicts Administration Will Run Province Into Deficit of \$30,000,000

VICTORIA, March 6.—The Victoria Times publishes the following: "Premier Tolmie's administration was openly attacked by private Conservative members of the Legislature at headquarters of the McBride Conservative Club here Wednesday night. William Dick, member from Vancouver, said that the Jones budget, revealing the financial state of affairs in British Columbia and imposing unprecedented taxation would prove a shock to everybody in the province.

"This government has spent more money during the last couple of years than the old Liberal government did during its entire regime," Mr. Dick was reported as stating. He said that he wished to reiterate his prediction of some time ago in Vancouver that the Tolmie administration would run this province into a deficiency of \$30,000,000."

UNITED STATES WILL BE COMPENSATED FOR DAMAGE BY SMELTER

OTTAWA, March 6.—An award of \$350,000 to the United States against Canada for damage in the state of

Washington caused by fumes from the smelter at Trail of the Consolidated Mining & Smelting Co. has been recommended by an international joint commission in an unanimous report which was made public today.

F. J. MacKenzie

Former M.L.A. for Delta who has been appointed Conservative organizer for British Columbia

AVIATORS ARE SAFE

ASHCROFT, March 6.—Pilots R. I. Van Der Byl and W. A. Joerss and Air Engineer Emil Kading arrived at Fort St. James at noon today, having munched in from Bulkley House at the north end of Takla Lake where they left the salvaged plane of the late Capt. E. J. A. Burke with a broken cylinder of the engine.

The trio had been missing since last Saturday on the Telegraph Creek-Burns Lake leg of a flight from Atlin to Vancouver. All are well.

"Extremely Equitable" Declares Minister of Finance Jones in Introducing New Universal Tax

VICTORIA, March 6.—In presenting his budget yesterday, Hon. J. W. Jones, minister of finance, said that provincial expenditures during the past twenty years had increased by \$1,000 as against only \$650 in revenue with the result that there had occurred only two surpluses as against sixteen deficits aggregating nearly \$37,000,000 in that period.

Trade Officials Visiting City

Eight Junior Commissioners of Federal Department Here in Course of Western Tour

Making a tour of Canada to observe conditions in the various centres of importance all of which they are visiting, eight junior commissioners of the federal department of Trade and Commerce from various parts of the Dominion are visiting the city. They arrived by train yesterday afternoon from the east and will sail tonight on the steamer Camosun for Vancouver. The visitors were informally entertained at the Prince Rupert Club last night and today were taken by members of the local Chamber of Commerce to inspect the cold storage plant of the Canadian Fish & Cold Storage Co., the Alberta Wheat Pool's elevator and the Prince Rupert dry dock.

Members of the visiting party are R. P. Bower, Winnipeg; M. T. Stewart and R. W. McBurney, Toronto; S. G. MacDonald, Edmonton; T. L. Monty, Montreal; R. G. C. Smith, Quebec; A. K. Doull, Vernon, and H. L. Brown, Vancouver.

CANADA UNDERSELLS SOVIET GOVERNMENT IN GREAT BRITAIN

In spite of the fact that the Soviet Government confiscated the mills and timber in that country, that they pay only peonage wages and have a short haul to the British market, yet for the past two years British Columbia has been able to undersell the Soviet Government in the lumber market of Great Britain from ten to fifteen per cent, declared H. R. McMillan, of the H. R. McMillan Export Co. Ltd., speaking at the Rotary Club luncheon yesterday.

STABILIZATION OF CANNING INDUSTRY THIS YEAR WITH LIGHT 1931 PACK FORECAST

VANCOUVER, March 6.—Stabilization can be looked for in the canning industry in British Columbia this year with a small pack in sight for the 1931 season, Richard Gosse, managing director of the British Columbia Packers Ltd., said yesterday in addressing the Kiwanis Club. While admitting that the canners still held stocks of last year's pack in their warehouses, Mr. Gosse declared that, with the prospect of a light pack this season, the law of "supply and demand" would come into play and the carryover would assist in maintaining and filling orders instead of withdrawing from the market due to limited supply as had been the case in other years.

Announcing the new income tax of one per cent flat on all incomes, Mr. Jones said that the new impost "will represent contribution to the exchequer by that section of our population which, so far, has contributed in but a small measure towards the cost of many government services but which enjoys almost the full benefit. I anticipate this measure will enable the government to meet its financial requirements and it is, furthermore, my well considered opinion that it is extremely equitable."

PRESBYTERY DOES WELL

Believed To Have Excelled All Province in Allocation

Reports Received

Yesterday the United Presbytery continued to deal with the affairs of the Mission charges within its bounds. The following centres of Indian work came under review: Bella Bella, Colli, Hartley Bay, Kispiox, Kitimaat, Kizeguelia, Klenmu, Port Essington, Port Simpson, and Skidegate. Encouraging reports were received from each place.

At Bella Coola, where Rev. Peter Kelly is in charge, the church was built by the natives entirely out of funds raised by themselves. Last week a congregational meeting was held to consider contributing to the salary of the minister.

At Hartley Bay a new organ has been installed in the church and there is a well trained choir which is capable of rendering the highest class of church music.

At Kispiox, which is under the pastoral charge of Rev. T. H. Wright at Hazelton, there are two lady workers. One a missionary teacher and the other a nurse deaconess. Recently Rev. T. H. Wright organized and inaugurated among the natives the United Church Army, which promises to

Pulp Sites in Northern B. C. Will Soon Be in Demand Says Prominent Lumber Operator

H. R. McMillan Talks Interestingly of Lumber Conditions in British Columbia and Throughout the World

Asserting that practically all the good stands of timber on the coast were taken up and that all the waterpowers in the southern part of Canada were taken although not used to capacity and some not used profitably yet, H. R. McMillan, prominent lumber exporter and joint owner of the Big Bay Lumber Co.'s local lumber mill, in an address yesterday to the Rotary Club, intimated that the next move would be for sites in Northern British Columbia especially for pulp production for export to the Orient.

Mr. McMillan spoke most interestingly of timber and timber export and made his figures speak volumes. He showed that of the 225,000,000 acres of land in B.C., 150,000,000 acres were timbered and about 20% of this was commercial timber. British Columbia was part of a unit extending through Washington and Oregon on the coast. In this area British Columbia had about 18,000,000 acres of commercial timber, Washington, 14,000,000, and Oregon, 19,000,000 acres. B.C. had suffered much more than the states to the south from fire but she still had 340 billion feet available while she had already cut 60 billion feet. Much more had been burned than cut.

Today British Columbia was cutting two and a half billion feet a year; Washington, seven and a half billion feet, and Oregon, four and a half billion. At the present rate of production the timber would last one hundred years. In this province 25,000 acres a year was cut.

In B.C. there were about 4,000 logging and milling outfits and one in every four persons in the province was connected with the industry.

Mr. McMillan showed how today the province was dependent upon its export market to keep the industry going. This market was found in California, eastern states, Europe, Australia and the Orient. The export market, which started since the war, reached its maximum in 1929 with 801,000,000 board feet and in spite of the world depression last year the falling off was not very great. Last year's business was the test of British Columbia's ability to compete in the world market at a

time when competition was intensely keen.

Some interesting examples of freight rates were shown by Mr. McMillan. The rate for lumber at present to the Orient was less than the rate from Prince Rupert to Vancouver. The rate to Europe was as low as the rate to Calgary or about twice the rate from Prince Rupert to Vancouver.

Exports Keep Up

Lumber export to China had kept up well because the troubles in the interior of that country had driven their wealthy men to the coast and they had put some of their money into buildings in coast cities such as Shanghai and had used B.C. lumber. In that city lumber sold at about the same price as in Prince Rupert.

During last year and this the lumber industry would receive no return on its capital investment.

Mr. McMillan said, but they would keep labor employed and would spend a large amount of money in supplies. In United States the cut had dropped almost 40% and the local consumption in that country had been about the same, so that the export had remained about stationary. During the past few years the lumber supply had shifted from the central and southern states to the Pacific Coast. In fact, most of the lumber in the states was exhausted except in Washington and Oregon. The increased consumption of pulp and paper resulted in all available sites for mills being taken in the southern part of Canada. It would soon be necessary to come to the north coast of British Columbia for sites resulting in an increase before long in pulp production on the north coast.

At the conclusion of his address Mr. McMillan was thanked by President S. D. Johnston.

ALL-BRAN BROUGHT WELCOME RELIEF

THOUSANDS of letters attest to the efficiency of Kellogg's ALL-BRAN in overcoming constipation. For instance, Mr. James D. McEnery (address on request) relates his experience:

"For fifteen years I was constantly bothered with constipation. . . . Some eighteen months ago, I began using Kellogg's ALL-BRAN. From the first week to this good day, I have never had to take a dose of laxative medicine of any description."

Kellogg's ALL-BRAN is the largest-selling all-bran cereal in the world. Two tablespoonfuls daily are guaranteed to give relief. How much safer than using habit-forming laxatives.

ALL-BRAN also adds needed iron to build the blood. In the red-and-green package at your grocer's. Made by Kellogg in London, Ontario.

Kellogg's ALL-BRAN

The Letter Box

OBJECTION TO TAX

Editor, Daily News:

The proposed tax of one percent on all incomes over \$12 per week will work a great hardship on the laboring classes in B. C.

It does not seem fair that the farmers should be exempted, as they earn a better healthier living and have their own homes and steady work the whole year.

The average city or town people have only seasonal jobs and for various reasons cannot have a home of their own.

Also living costs more in cities than on a farm, and a man with a family earning, say on an average \$4 per day and doing his best to clothe, feed and educate his children has very little left of his wages to pay for this new tax or to provide a living when old age arrives.

This new tax is really a license, giving the people who pay it the privilege of working. No license, no work.

I propose, that if this tax is enforced that a large part of it be set aside and used to give the residents of the province much larger pensions than now are given to the aged, when they become incapable of earning a fair living, or when they reach the age of 65 and need it.

Also large estates should be more heavily taxed and I advocate that the people be encouraged to take up small farms and pay the usual taxes.

All incomes over \$2,000 should be more heavily taxed.

All automobiles used for pleasure should be extra taxed.

All civil servants now receiving pensions to have their pensions cancelled and that they should all receive the same amount of pensions of about \$2,000 each, and the government will save a large amount of money each year.

Yours truly,

A CITIZEN OF PRINCE RUPERT.

BADMINTON TOURNAMENT

Royal Canadian Naval Volunteer Reserve Host to Rupert East

Royal Canadian Naval Volunteer Reserve was host to Rupert East United Church Young People's Society with a badminton tournament in Rupert East gymnasium. There were some close and exciting matches and Rupert East emerged the winner with four out of six events.

The scores were as follows:

C. P. O. Young and J. Macfie (N) beat I. Motte and J. Murray (RE), 15-9, 8-15, 15-12.

Mrs. Duncan and W. Moorehouse (RE) beat Miss Macfie and S. White (N), 11-15, 15-2, 15-12.

Mrs. McLean and Mrs. Duncan (RE) beat Miss McKay and Miss White (N), 15-9, 15-12.

L. Murdoch and H. Bunn (RE) beat W. Fidler and S. White (N), 14-17, 15-9, 15-7.

Miss Brewerton and Miss Rogers (RE) beat Miss Macfie and Miss White (N), 15-10, 15-17, 15-2.

C. P. O. Young and Miss McKay (N) beat Mrs. Lamb and J. Woods (RE), 15-10, 15-10.

J. Westman and R. Pritchard (N) beat J. McKay and A. Dobbs (N), 18-15, 16-17, 15-7.

Mrs. Watt and E. Popeck (RE) beat R. Pitcher and J. Westman (N), 15-1, 15-8.

Mrs. Duncan and L. Murdoch (RE) beat Miss B. Allen and W. Fidler (N), 15-1, 15-6.

Miss White and J. Macfie (N) beat Mrs. Squire and J. McGlashan (RE), 13-15, 15-11, 15-10.

Following the games refreshments were served.

Merchants Golf Play Last Night

Northern B.C. Airways and Hunt's Furniture Now Tied for Leadership of League

In the Merchants' Miniature Golf League last night, results were as follows:

Northern B.C. Airways, 321; Bulger's, 324.

Hunt's Furniture, 340; Old Empress, 354.

The Daily News won by default from the Northern B. C. Power Co. Low individual score was 73 which was made by Bill Wrathall of the Old Empress team.

Next week's fixtures will bring the first half to a close. Hunt's Furniture and Northern B. C. Airways being tied for the leadership.

Contracted Bad Cold Believed Getting Pneumonia

Miss Marguerite Croft, R.N., Chester Basin, N.S., writes: "Last winter I contracted a very bad cold. Nothing I tried gave me any relief from the severe pains in my chest, and I believed I was getting pneumonia. My father told me one night he had a new cough medicine for me to try. Before I had taken a half bottle of Dr. Wood's Norway Pine Syrup the pain was greatly relieved. I took two bottles and my cold had disappeared."

Song Recital at Salvation Army is Much Enjoyed

There was a large gathering in the Salvation Army Citadel last night when a delightful song recital was held, many of the popular army numbers of an earlier day being recalled in the course of the program. Commandant William Kerr presided and described each song and its writer as the numbers came on.

The program was as follows: Congregational — "O Boundless Salvation" (William Booth), "I Bring My All to Thee" (Bramwell Booth).

Prayer led by Mrs. William Kerr Mouth Organ Solo, "When the Trumpet of The Lord," Jack Mowatt.

Duet—Sergeant Major Aexce and Henry White.

Vocal solo—Norwegian—"Rock of Ages," Mrs. Emil Carlson.

Bible Reading—Capt. E. Warren.

Voca solo—"One Sweetly Solemn Thought," Mrs. Kerr.

Vocal solo—"All Around the World," Frank Pierce, accompanied by mouth organ and guitar.

Vocal solo—"O Love That Will Not Let Me Go," Capt. Warren.

Congregational—"As I Am Before Thy Face," (Herbert Booth).

"Jesus Loves Me," (Anna B. Warner and W. B. Bradbury).

E. Herman read the story of some hymns.

For Sale

PRESBYTERY DOES WELL

(continued from page 1)

be a vital factor in the moral and spiritual wellbeing of the Indians. The members have gone in for a strong temperance campaign, and have discarded the making of "home brew." Where there have been supplies these have been destroyed.

Rev. V. H. Sansum, secretary of the Missionary and Maintenance Fund, reported that the Prince Rupert Presbytery not only reached their allocation for the past year but had exceeded it by \$100.

Rev. Dr. Wilson congratulated the Presbytery on their splendid effort and said that, when all the reports come to hand, it would be found that Prince Rupert Presbytery was likely to be the only Presbytery in B.C. which had reached such a high mark.

BADMINTON LAST NIGHT

Ron Allen and W. Tobey Are Finalists in Men's Singles

Games in the city championship badminton were played in Moose Hall last night including the semi-finals, the finals to be played Monday.

The outstanding game was that between Frank Russell and Ronald Allen in which the latter won. The results follow:

Second Round

D. H. Hartness beat J. Gibson, 15-7, 15-9.

W. Bryant beat R. Moxley, 15-3, 15-8.

Third Round

W. Tobey beat R. Tobey, 15-8, 15-1.

F. Russell beat D. H. Hartness, 15-6, 15-9.

R. Allen beat W. Bryant, 15-6, 15-1.

Semi-Finals

W. Tobey beat J. Norrington, 15-1, 18-17.

R. Allen beat F. Russell, 18-16, 18-13.

Other finalists are: R. Allen and Mrs. Herman (in mixed doubles) and Walter and Francis Cross.

Ladies' doubles, Mrs. Herman and Mrs. Parlow; Mrs. Shadwell and Mrs. Darton.

Men's doubles, Bill Lambie and Frank Russell and J. Norrington and R. Moxley.

Mrs. Alex McNeill accompanied her husband, Staff Sergeant Alex McNeill, who went south last night on the Prince George on escort duty.

He will grow up strong and healthy

EVERY mother dreams of her baby's future. She pictures the years ahead—sees him growing up through sturdy, healthy childhood to strong, vigorous manhood.

What baby will become depends very largely upon that service of love even more important than the tiny garments so carefully chosen. During the weeks before baby arrives the expectant mother will make quite sure that she will be able to feed baby herself.

So much depends upon this! In babyhood are laid the foundations of future health and happiness. No substitute is equal to maternal milk for giving baby a sound start in life. And no substitute so surely safeguards a child against nutritional diseases, such as rickets.

Doctors, nurses and mothers daily testify to the remarkable value of "Ovaltine" in promoting adequate lactation.

When this delicious beverage is taken before the birth the milk is sufficient in quantity and rich in quality. Even when only taken after the birth the use of "Ovaltine" has quickly effected a radical change in the quality and quantity of the milk. "Ovaltine", moreover, maintains the mother's strength while nursing and ensures a quick return to normal health.

"Ovaltine" is prepared from Nature's foods which are richest in nutriment—ripe barley malt, creamy milk and eggs. It is quickly prepared and easily digested.

There is no food beverage comparable with "Ovaltine". It is the richest in food value, the most economical in use.

Ovaltine is sold at all good stores, in 50¢, 75¢, \$1.25 and special \$4.50 family size tins, also served at soda fountains.

Carnera Wins in Amazing Fight

Giant Italian Outpointed Jim Maloney in Ten Furious Rounds; Decision Was Not Wholly Liked

MIAMI, Fla., March 6:—In a most unusual sort of boxing match at the great open air arena here last night, Primo Carnera, the mountainous Italian heavyweight, with a physician standing in his corner so that he might administer his skill immediately in case of emergency, scored a ten round decision over Jim Maloney, the Boston heavy. It was one of the fastest heavyweight bouts that has been seen for many a day and was featured by not a single knockdown. At no stage of the game was either fighter in any danger of knock-out. To many of the spectators the decision in favor of Carnera was not acceptable and the call was roundly booed.

Between each round, Carnera's doctor made a cursory inspection of the big Italian. The doctor was allowed to remain in the ring by permission of the Miami Boxing Commission.

The New York medical man had instructions to stop the fight at any time he considered Carnera might be in danger of serious injury. This was in view of the fact that Carnera was supposed to have cracked a rib in training three weeks ago, the Italian entering the ring only over the protest of his managers. If Carnera was actually suffering from a cracked rib, he put up an amazing performance, again proving that he is one of the greatest heavyweights in the game today.

Carnera was wearing a big plaster on his right side over the alleged cracked rib. Maloney did not neglect to work on this whenever the occasion arose but only once or twice did the Italian wince. Although Carnera was in the lime-light, Maloney, too, put up a good performance.

It was the second fight for these two heavyweights, Maloney having outpointed Carnera a few months ago at Boston in their first engagement.

A crowd of 25,000 persons is estimated to have attended the fight. The gate was about \$75,000 and the promoter is believed to have dropped about \$25,000 for his pains. At least that is what he said. Interest in the bout was hampered by the uncertainty as to whether or not Carnera would be really able to go on.

VANCOUVER WINS GAME

Lions Again at Top of Hockey League by Defeating Portland

PORTLAND, March 6:—Vancouver Lions went back to the top of the Pacific Coast Hockey League with a one point margin over Seattle Eskimos by defeating Portland Buckaroos in the Coliseum here last night by a score of three to one. Incidentally, the Buckaroos themselves are just about eliminated from any chance of figuring in the post-season play-off.

Last night's was a brilliant exhibition of the puck game and marvellous goal keeping by Percy Jackson for Vancouver was again a feature. If the Lions can thank any one player for their victory, that player would be Jackson who time after time made superb saves.

The teams entered the third period with Portland ahead, one to nil. The Lions scored in two minutes of the third period. Seven minutes before the close of the game, Redpath broke the tie with a fine solo play, putting the puck through while Andy Aitkenhead was not looking. Five minutes later, Brennan scored the third for the Lions. There were no Buckaroos playing defence and Brennan was able to beat Aitkenhead easily.

The league standing is now as follows:

	W.	D.	L.	For	Ag't	P.
Vancouver	13	8	9	54	49	34
Seattle	12	9	8	52	44	33
Portland	10	8	13	52	53	28
Tacoma	2	1	7	12	24	18

Wanderers 6, Dry Dock 3.
Six Musketeers 3, Grotto Ramblers 6.
Canadian Legion 4, Lief Erikson 5.
Grotto 7, Moose 2.

League Table

	W.	L.	Pts.
Moose	11	5	11
Grotto	11	5	11
Six Musketeers	9	7	9
Wanderers	9	7	9
Dry Dock	8	8	8
I. O. O. F.	8	8	8
Seal Cove	7	9	7
Grotto Ramblers	7	9	7
Canadian Legion	5	11	5
Lief Erikson	5	11	5

CANADIENS LOSE GAME

Flying Frenchmen Defeat Rangers—Maroons Improve Their Position

TORONTO, March 6:—The real Maroons advanced to place in the Canadian Hockey League last night by defeating the Maple Leafs with a score of 6 to 3 in a free scoring game. The Leafs had a lead of 4 to nil at one time but the Leafs rallied.

The Maroon victory, with Chicago's one to nothing over the New York Americans, shunted the New York Rangers to fourth place in the division standing. In the only other game of the evening, New York Rangers defeated the Montreal Canadiens 5 to 1. It was the first defeat for the Flying Frenchmen in five starts.

More than 73,000 miles in a New Ford

THE substantial worth of the new Ford is reflected in its good performance, economy and reliability. Its stamina and endurance are particularly apparent in sections where bad roads and severe weather put a heavy extra burden on the automobile.

In less than a year a new Ford Tudor Sedan was driven more than 73,000 miles over a difficult route. The operating cost per mile was very low and practically the only expense for repairs was for new piston rings and a new bearing for the generator.

The car carried an average load of 1200 pounds of mail and was driven 250 miles daily. "The Ford has never failed to go when I was ready," writes one of the three mail carriers operating the car. "The starter did the trick last winter even at 34 degrees below zero. The gas runs about 24 miles per gallon. At times I pull a trailer whenever I have a bulky load."

Many other Ford owners report the same satisfactory performance. Every part has been made to endure—to serve you faithfully and well for many thousands of miles.

\$585

THE NEW FORD TUDOR SEDAN

F. O. B. East Windsor, Ontario. Bumpers, spare tire and taxes extra. Easy time payments can be arranged through your Ford dealer.

Many features combine to make the new Ford a value far above the price. They are attractive lines and colors, rich, long-wearing upholstery, sturdy steel body construction, shatterless glass windshield, fully enclosed four-wheel brakes, four Houdaille double-acting hydraulic shock absorbers, aluminum pistons, chrome silicon alloy valves, torque-tube drive, three-quarter floating rear axle, more than twenty ball and roller bearings, and bright, enduring Rustless Steel for many exterior metal parts. You save many dollars because of the low first cost of the new Ford, low cost of operation and up-keep and low yearly depreciation.

Country Readers of "The Daily News"

To the readers of the Daily News who live out of town, we suggest that the classified columns of the paper provide an excellent medium for the disposal of articles they may have for sale or exchange.

Last season a lady at Smithers did a large business in selling fresh eggs direct from the farm by advertising in this paper.

Chickens, implements, household goods, boats, fishing gear, guns, cordwood, furs and dozens of other articles may be disposed of. The charge is two cents a word but six times goes for the price of four.

Many people get good results.

Why not you?

DR. DARBY MADE TRIP

Bella Bella Physician Able to Extend Work by Using Boat

A most interesting trip was recently made by Dr. George E. Darby, of the R. W. Large Memorial Hospital, Bella Bella, on board the mission boat "Thomas Crosby" of the United Church Marine Mission fleet. The entire coast, from Smith's Inlet in the south to Kitimat and Hartley Bay in the north, was included in the itinerary. Side trips were made including a trip to the Dominion Government hatchery on Owekano Lake at the head of Rivers Inlet. Lighthouses, canneries, logging camps, and Indian villages were visited and advice and help of a very high order were offered to those in need of medical attention.

In evidence of the appreciation of the visit to their town, the Kitimat Silver Band put on a concert under the leadership of T. H. Nye. The program included the overture, "Poet and Peasant" and selections from "The Mikado." Other numbers comprised a group of marches and fox trots of a more popular character. Timothy Starr contributed a song with guitar accompaniment. The band is a great credit to the people of Kitimat, and, upon occasion, gave a very fine concert. Real pleasure was afforded the visitors from the mission boat, and to the large audience which gathered to listen.

The extension of Dr. Darby's work by means of the mission boat is meeting a real need and it is hoped that increased facilities for this wider service will be afforded in the not too distant future.

George Keep of the Canadian National Railways investigation department arrived in the city from Prince George on yesterday afternoon's train. He is here on official duties and will return to the interior tomorrow morning.

ROWNTREE'S

Miss Lenox Speaks to Lutheran Ladies

Her Missionary Work Here and Abroad Proved Subject of Great Interest at Meeting

The feature of a meeting last night of the Ladies' Aid of St. Paul's Lutheran Church at the home of Mrs. C. A. Johnson, Lotbiniere Street, was a talk by Miss E. G. Lenox of the Anglican Japanese Mission on her work here and in Japan. This talk proved most interesting and was greatly appreciated. A vote of thanks was tendered Miss Lenox and the hope expressed that she would be able to address them again on some future occasion.

The program opened with a hymn after which the pastor, Rev. John H. Hanson, offered prayer and gave a Scripture reading. The business session followed after which little Mamie Johnson, Odlaug and Sigurd gave a snow song. Miss Lenox's address was then enjoyed after which there was a hymn and prayer in closing. Delicious refreshments were served by the hostess who was assisted by Mrs. Hans Underdahl with Misses Johnson and Julia Essen acting as servitors. Mrs. J. Murvold sang a solo and a social hour was enjoyed before the meeting concluded.

SERGEANT McNEILL OFF TO VANCOUVER

Staff Sergeant Alex McNeill, provincial police, sailed last night on the Prince George for Vancouver having in his custody a juvenile who will be placed in industrial school.

URGE LOCAL PEOPLE BUY LOCAL GOODS

Prominent Lumber Man Criticizes Use of Douglas Fir in Liquor Store When Good Spruce Here

Although it was said that those employed in the production of logs and lumber were among the best customers at a liquor store, yet when the government erected a liquor store in Prince Rupert the use of Douglas fir was specified instead of lumber produced in Prince Rupert, stated H. R. McMillan, in the course of an address given at the Rotary Club luncheon yesterday. He thought this was not as it should be. The local lumber mill, when operating, paid out about \$10,000 a month in labor and purchased supplies and logs valued at from ten to fifteen thousand dollars. Most of this money circulated here, whereas, the money for lumber produced in Vancouver did not circulate here, so far as he knew.

The curious thing was, Mr. McMillan said, that down in New Brunswick the architects always specified spruce for public works and his firm, operating in Vancouver, could not sell Douglas fir there. Here, where spruce of the best kind grew and was manufactured, fir was specified.

St. Peter's Tea and Sale Success

Sum of \$40 Realized at Affair Yesterday Afternoon at Home of Mrs. J. E. Boddie

A tea and sale of home cooking held yesterday afternoon at the home of Mrs. J. E. Boddie, Seal Cove, in aid of the building fund of St. Peter's Church proved a most successful affair, both socially and financially. The highly satisfactory sum of \$40 was realized despite the showers of the afternoon.

Mrs. Boddie received the guests and Mrs. George Kelsey and Mrs. Robert Blance poured while Mrs. J. M. Simpson, Mrs. W. B. Skinner, Miss Thelma Skinner and Misses Annie and Ida Boddie acted as servitors. The home cooking table was in charge of Mrs. J. W. Durrant and Mrs. K. McPhail and Mrs. C. J. Norrington was cashier.

NO WORD OF PLANE

Six Days Have Elapsed Since Machine of Late Cape. E. J. A. Burke is Still Missing

With six days now elapsed since the machine disappeared on a flight from Telegraph Creek to Hazelton and fears gradually increasing that some mishap may have befallen the party of three on board, there was still no word available this morning as to what had happened to the plane of the late Capt. E. J. A. Burke which was being flown to Vancouver from Atlin by Pilots R. I. Van Der By and W. A. Joerss and Air Engineer, Emil Kading.

There has been no word whatever from the plane since it left Telegraph Creek last Saturday, 1 p.m. except for the vague report that it might have been seen passing over Nine Mile Mountain near Hazelton the same afternoon.

Mooseheart Women Hold Card Party

At the home of Mr. and Mrs. Sam Haudenschild, Eleventh Avenue, last night the Women of Mooseheart Legion held a very enjoyable whist drive. There were twelve tables of cards and prize-winners were: ladies' first, Mrs. R. Giske; second, Mrs. O. Stegavig; consolation, Mrs. W. B. McCallum; men's first, P. E. Peterson; second, E. Alvey, on cut with Mrs. N. Mus-salem; consolation, R. Giske. The winner of a cake, presented

'How did you get breakfast so quickly?'

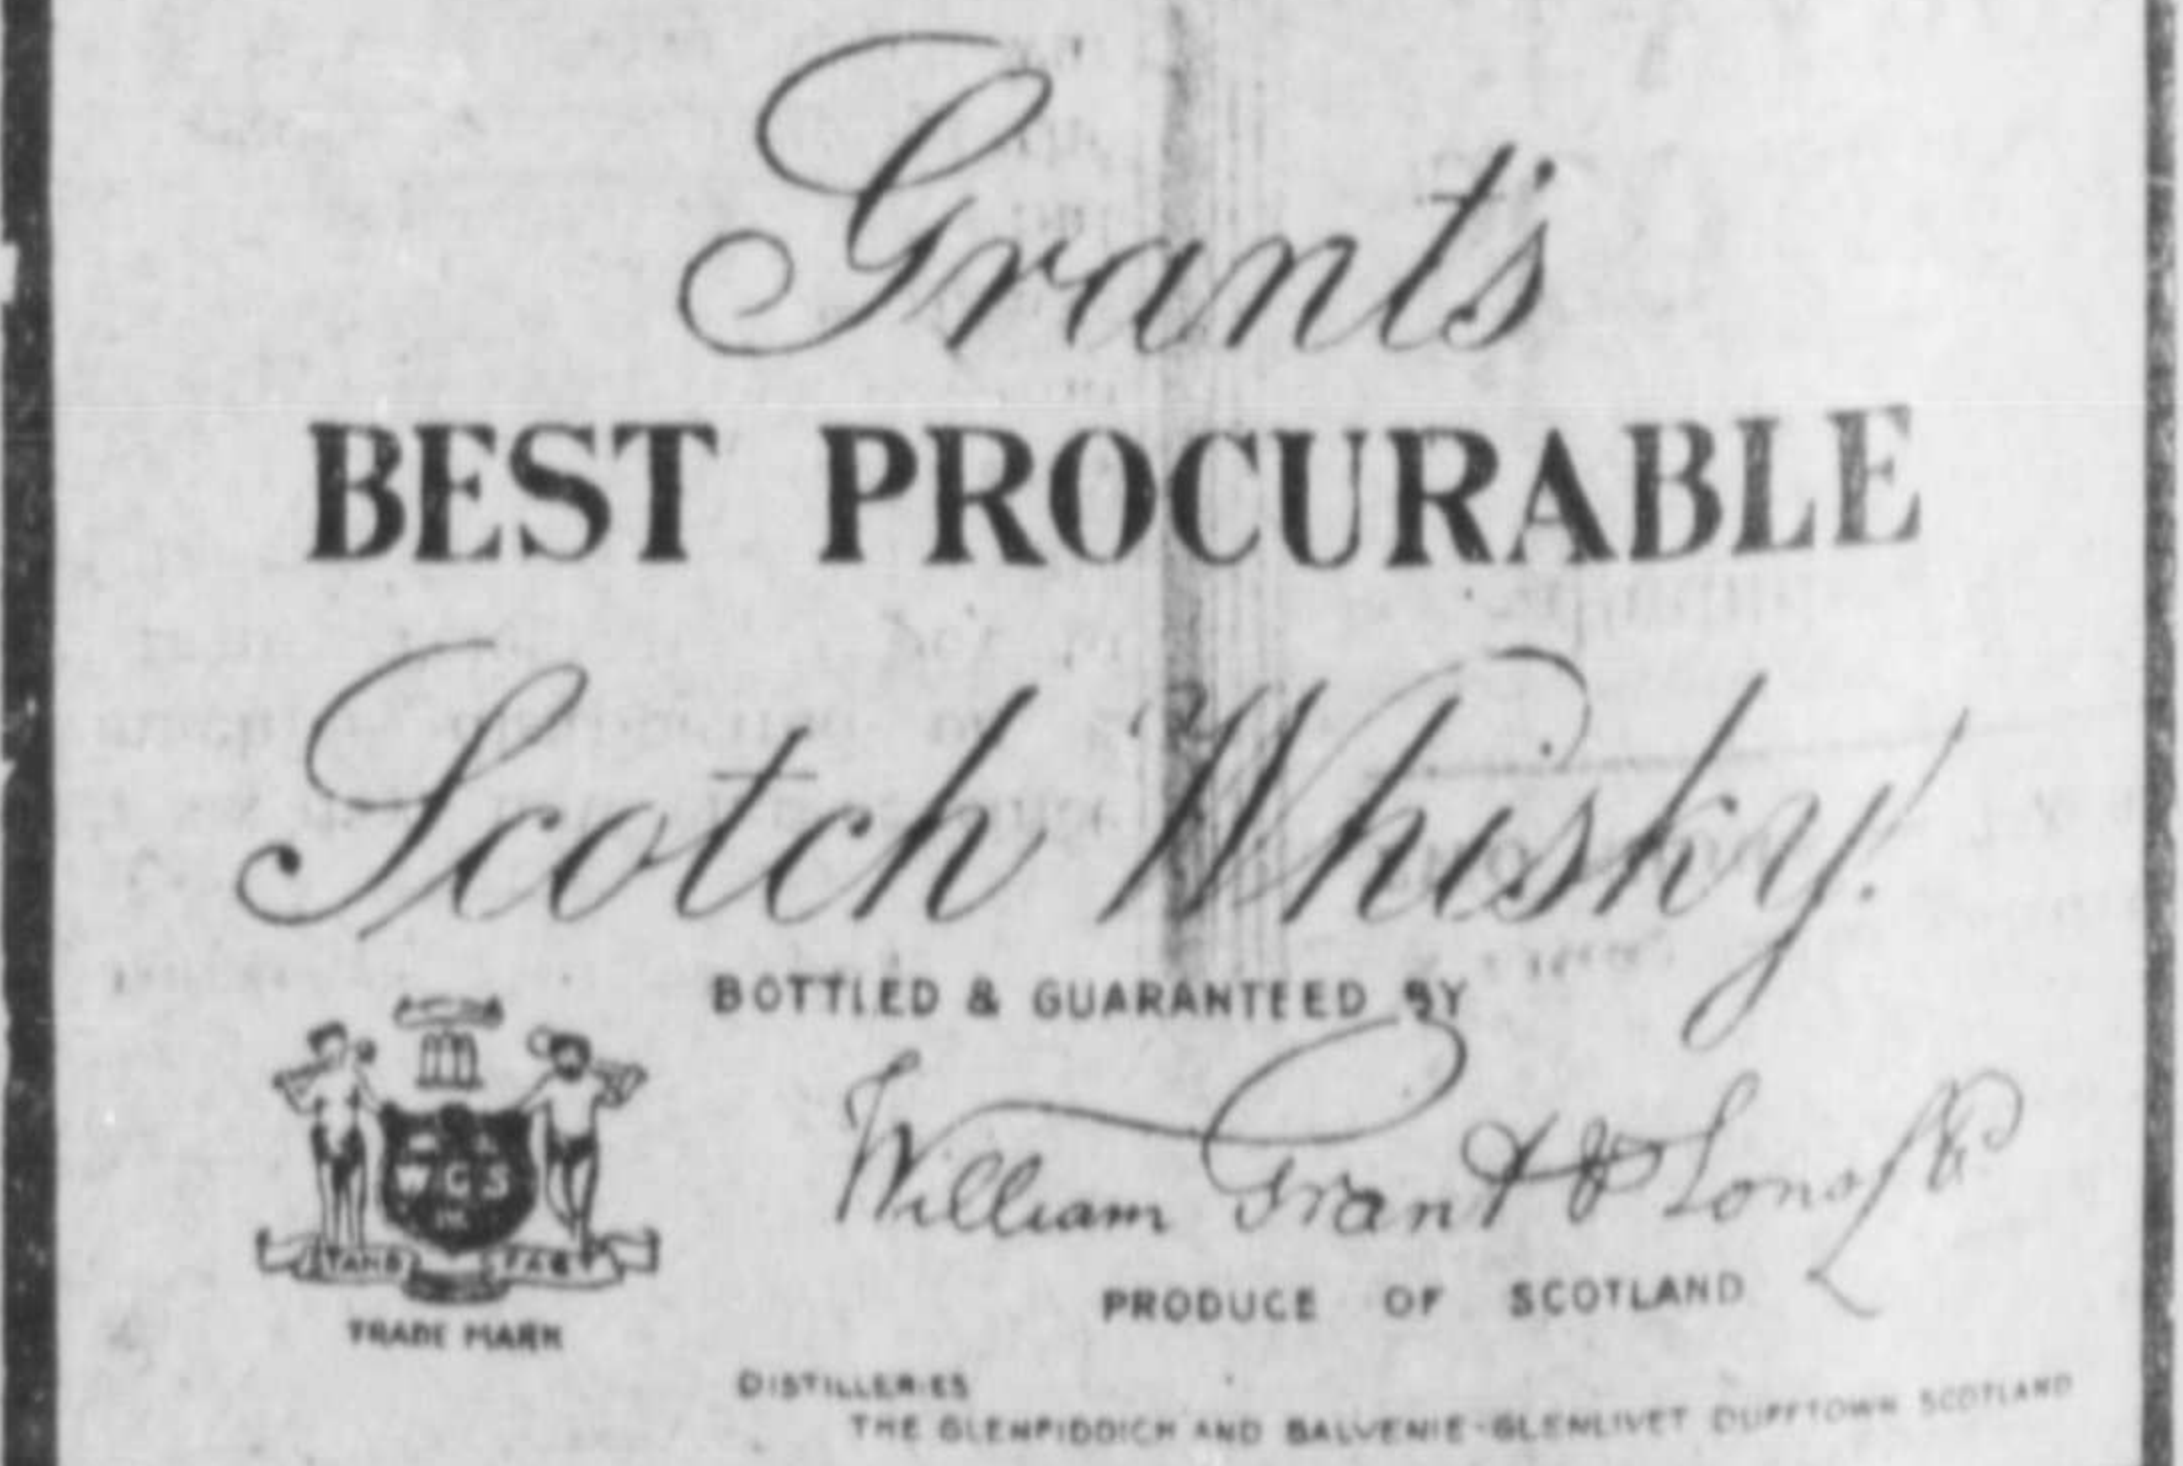

"Why, I'm serving Shredded Wheat, of course. I just take the biscuits from the package and serve them with cream or milk; sometimes I add fresh or stewed fruits. If you'd like a hot breakfast I can prepare it in a jiffy: Shredded Wheat crisped in the oven while I heat some milk to pour over it. Oh, I'm a friend of Shredded Wheat! It's ready cooked, ready to serve; and it's just as delicious and nourishing for lunch as for breakfast."
