HOOVER ISSUES CONGRESS MESSAGE

BLOODSHED ATTENDS PERU REPUBLIC POLITICAL CHANGE

United States President Admits Necessary Increase In Taxes; Unqualifiedly Opposed To Dole

Has a Reason to be Happy

Gus Berglund's daughter looks happy and wouldn't you if a cable arrived informing you that your father's Irish sweepstakes ticket stood to win \$175,000.

Recommends Establishment of Emergency Reconstruction Corporation to Aid Industries in Manner Similar to That Carried Out During Great War

WASHINGTON, D.C., Dec. 8:—President Herbert Hoover, in his message to the first session of the Seventy-Second Congress today, recognized the need for an increase in taxes and expressed unqualified opposition to a dole for the unemployed. He recommended the establishment of an emergency reconstruction corporation of nature similar to the former war finance corporation which organization during the war with government funds provided credits where they were needed by the industries.

President Hoover opposed any general revision of the tariff, recommended that immigration restrictions now in force be more definitely backed by law and noted that "negotiations are now in progress with Canada for the construction of the St. Lawrence Waterway."

Huge Deficit

The president said that there was an indicated deficit for the fiscal year of \$2,123,000,000. Unless taxes went up and expenditures came down, the government will have run behind some \$4,400,000,000 by the end of next fiscal year.

QUESTIONS ANSWERED

Mayor Orme Gives Municipal Financial Information Asked By Ratepayers' Assoc.

The following inquiries were recently made of Mayor Orme by the Prince Rupert Ratepayers' Association:

"What was the total legal borrowing capacity of the city as of December 31, 1930?"

"To what extent was this capacity utilized as of the same date?"

"How much more could the city have borrowed and still be within its legal limit as of the same date?"

"In a general way, without going too minutely into the matter, has there been any material change in these since December 31, 1931? If so, what?"

Mayor's Reply

Mayor Orme replied as follows: "Replying to your letter of November 26, I wish to inform you that the city's borrowing power limit at December 31, 1930, was \$2,552,303 against which debentures amounting to \$1,803,286.94 had been sold."

"On January 1, 1931, we sold \$119,700 debentures and during the year redeemed \$114,436.63 so that there is no material change in our borrowing powers since the end of last year."

The correspondence was filed at last night's council meeting.

Widow of Former Deputy Minister Of Finance Dead

VANCOUVER, Dec. 8:—Mrs. Eliza Smith, widow of J. McB. Smith, former deputy minister of finance at Victoria, died here yesterday.

EXCHANGE DISCUSSED

City Wonders Whether to Make Debentures Payable in Canada or U. S.—To Get Report

In connection with the passage of a bylaw providing for the consolidation of a number of local improvement bylaws totalling \$103,476.98 with a view to issuing debentures and selling same, the city council last night discussed the problem as to whether it would be more advantageous to make the debentures payable in Canadian or United States funds. It was finally decided to refer the matter to the finance committee which will seek to get expert advice on the problem before next meeting.

Mayor Orme stated that this year alone adverse exchange had cost the city \$10,000 in connection with taking up of bonds coming due during the year in New York. The mayor stated further that the manager of the city's bank had suggested that the time had come when the city might well consider making its bonds payable in Canadian funds.

Ald. Pillsbury suggested that information might be compiled to show whether or not what the city might get additional by having its bonds made payable in the United States offset the adverse exchange. After some further discussion, the matter was referred to the finance committee for report.

Later in the meeting, Ald. McCutcheon offered the suggestion that the city might with advantage call for figures from the various banks of the city when bonds were being repaid. Mayor Orme replied that this had been the general practice in the past.

The various local improvement issues which have been consolidated have been approved by the municipal inspector.

Japanese Licence Attachment Comes Before Council

The city council, at last night's meeting, referred to the fisheries committee for report a request from Charles Lord, secretary of the Northern B. C. Fishermen's Association, asking endorsement for the movement to have the government abolish the system of attachment of Japanese fishing licences to certain canneries. Lengthy correspondence from Mr. Lord on the matter was read.

British and Japanese Admirals Meet

Here is Admiral Kaly, commander of the English China squadron shaking hands with Admiral Yamiguchi, chief of the Japanese naval general staff, on occasion of former's visit.

Rome, New York, Chamber of Commerce, Would Trade Pan Handle For St. Lawrence Land

ROME, New York, Dec. 8:—The Rome Chamber of Commerce today empowered its secretary to suggest to the State Department the trading of the Panhandle of Alaska to Canada for land south of the St. Lawrence River before consummation of the water-power and waterways treaty between Canada and United States.

SITES ARE SELECTED

City Council Grants Land Temporarily to Northwest Telephone Co. For Radiophone Service

The city council at last night's meeting granted the Northwest Telephone Co. use of ground on the pipe line road near the Shawatians Passage crossing for the temporary placing of the receiver to be installed in connection with the new commercial radiophone service here. The use of block 35, section 8, for the location of the transmitter was also granted by the council.

In making application for the use of these sites, C. H. McLean, transmission engineer for the Northwest Telephone Co., intimated that they would probably be used for a year in an experimental way. By the expiry of that time, the most suitable sites for permanent use would probably be determined.

On motion of Ald. Collart and Ald. Rudderham use of the sites requested was granted.

VANCOUVER WHEAT

VANCOUVER, Dec. 8:—Wheat was quoted at 60½¢ on the local exchange today.

Wallace Funeral is Held in Vancouver

Pioneer Businessman of This City Laid to Rest in South Last Saturday

The funeral of H. S. Wallace, well known pioneer businessman of this city, whose death occurred last week in Vancouver, took place on Saturday afternoon in the southern city. Son and daughter of the deceased came north from California, where they reside, to attend the funeral.

Chelohsin Struck Rocks Last Week On Lower Coast

VANCOUVER, Dec. 8:—The Union Steamship Co.'s steamer Chelohsin is on the Burrard dry dock for inspection and repairs of damage sustained when she struck a rock off Edmond Island while south-bound from northern points. The vessel backed off without difficulty and proceeded to Vancouver. Repairs are expected to take about a week's time.

MUST MAKE CUT SOON

City is Rapidly Exhausting Its Funds For Relief Work

Declaring that, at the present rate of spending, the city's fund for unemployment relief would be depleted by the end of February, City Engineer F. M. Good, in a report to the city council last night, suggested that, in order to conserve the financial resources for a longer period, the number of men or time of work might be reduced. Mr. Good urged the advisability of something being decided upon by the end of this month.

Mr. Good reported that in October 184 men had been employed and the payroll had amounted to \$10,500; in November there were 198 men and a payroll of \$15,260. At present there were 319 men on the list and Mr. Good estimated a December payroll of \$19,000. Thus \$45,000 would have been spent, leaving a balance of \$39,000 which, at the present rate, Mr. Good estimated would not last beyond the end of February.

After brief discussion, the matter was referred to the board of works for report.

Ald. G. W. Rudderham mentioned a number of single property owners in the city who were up against it and suggested that, if possible at all, something might be done for their relief.

It was suggested that efforts be made to ascertain the number of such men.

Government Camps

In connection with the matter of the single unemployed, Ald. Macdonald thought that the absolute necessity of the work camps, which had been closed down several weeks ago, reopening should be impressed upon the government. He moved that the mayor take the matter up again with Victoria by telegram. This was seconded by Ald. Rudderham and carried.

During the discussion on unemployment, Ald. Black, mentioning the case of burnaby where the government had closed municipal work on the grounds that men were receiving work who did not need it, inquired if the investigation committee of the council was functioning. Should a federal inspector come here, Ald. Black wondered if he would find all in order locally along this line.

Ald. Macdonald and Ald. Collart, members of the investigating committee, referred to difficulties in obtaining detailed information regarding the men on relief. As far as could be humanly learned, however, all receiving work were really entitled to it.

MISS AUDREY BUSHBY TO WED ENGLISHMAN

Engagement of Local Girl to George Rolleston of Bristol is Made Known

Southern papers publish the announcement of the engagement of Miss Audrey Violet Anne Bernice Bushby, daughter of Mr. and Mrs. G. G. Bushby of Prince Rupert, granddaughter of the late Hon. Arthur Bushby and great-granddaughter of the late Sir James Douglas, first Governor of British Columbia, to George Vilett Rolleston, son of Mr. and Mrs. G. Rolleston and grandson of the late Col. Rolleston of Saltford near Bristol, England. Miss Bushby is at present visiting in England.

SHIPMENT OF GRAIN

Ald. Black Brings Matter Up at Meeting of City Council Last Night

Ald. James Black urged at last night's council meeting that something might be done with a view to having some grain shipments made from the local elevator which was now nearly filled with wheat. Vancouver had shipped ten million bushels in November and he did not see why there should not be some shipments made through Prince Rupert. Influences seemed to be working against the port in the matter.

Ald. J. H. Pillsbury stated that the Chamber of Commerce had taken the matter up time after time and never seemed able to get anywhere.

No action was taken on Ald. Black's suggestion.

WITHDRAW PROPOSAL

Prince George Does Not Insist on P. G. E. Extension on Account of Negotiations

In view of Premier Tolmie's statement that the provincial government was negotiating with three private companies for disposal of the line, Dr. R. W. Alward, M. L. A. for Port George, at the British Columbia Conservative Association convention in Nanaimo last week, withdrew a proposal of the Prince George Conservative Association that the Pacific Great Eastern Railway be immediately extended to Prince George.

Dr. Alward declared that the success of the government at the next election would largely depend upon a solution of the railway problem.

Nomination and Election Day Are Set By Council

By resolution of the city council last night, January 11 between the hours of 12 and 2 in the afternoon was set as the date for the receiving of nominations for mayor, aldermen and school trustees to be elected in 1932. The poll, if necessary, will be held on January 14 from 8 a.m. to 8 p.m.

Ald. McCutcheon suggested that from 8 a.m. to 6 p.m. might suffice as polling hours but City Solicitor Jones replied that the hours were set by the Municipal Act and could not be changed by the council.

THREE DAY VACATION

City Workmen Will Not Labor Between Christmas Day and Sunday Following

The city council last night adopted a recommendation from the board of works that Saturday, December 26, be made a holiday for all city workmen. A number of city workmen had suggested to the board of works that operations be also suspended on the Saturday as well as on the Christmas Day before and the Sunday following.

PEACE RIVER BLOCK GAINS

DAILY EDITION

Tuesday, Dec. 8, 1931

MAKE IT CLEAR

For some time past the Daily News has been telling the people of Prince Rupert and district that they can do just as well by buying from Prince Rupert merchants as from the outside. That is all very well but the merchants themselves must back that up with their advertising, if it is to become effective. One lone voice will not have much effect.

The grocers of Prince Rupert have been proving abundantly that they have the goods and can sell them at the lowest possible prices. The result is that anyone would be crazy to think of sending out of town when they want to fill their grocery needs.

In other lines there has not been such a marked demonstration. Women's goods have been pretty well placed before the people and there has been a good response.

It may be taken as axiomatic that the average person would rather buy at home than in the east or south. Sentiment guides them into the store of the local merchant but the finely illustrated catalogues point the way outside. To offset this newspaper advertising helps a good deal, especially if definite prices are mentioned and illustrated, just as they are in the catalogues.

So many people have become imbued with the idea that out of town houses are cheaper than local merchants, that only a continued campaign of education can bring them back.

CASE FOR PRINCE RUPERT

The sitting of the commission dealing with railways gives Prince Rupert a good opportunity to lay her case before the railway heads and others with a view to having recognition made of the strategic position of the port.

The Chamber of Commerce will prepare a well considered statement which will be placed in writing and if possible personal representations will be made to members of the commission when they visit the west.

As Prince Rupert is vitally interested in railway affairs and many of her citizens have made a close study of the situation, it is to be hoped that the commission will include the city in their western tour and gather first hand information. It might be a good time for Mr. Beattie to look over the railway and terminals and make plans for his line to enter the port and take an active part in future developments.

TO HELP CHAMBER

City Council Will Have Representative on Committee For Railway Commission

At the suggestion of Ald. J. H. Pillsbury, the city council last night authorized the mayor to appoint a representative from the council to collaborate with a committee from the Prince Rupert Chamber of Commerce which will place matters of local import before the Royal Commission which has started an investigation of the railway system of Canada. Ald. Pillsbury declared that the commission would probably be dealing with matters of vital interest to Prince Rupert and it was advisable that the local case should be placed properly before it.

Ald. Colhart also spoke of the importance of the matter.

The Letter Box

SUPPORTS POLICE OFFICER

Editor, Daily News:—

I was surprised indeed to read the diatribe against the provincial police and game department from E. C. Stevens of Skidegate which appeared in your paper of yesterday. I think that Mr. Stevens is bold indeed to come out as he does in defence of an admitted violation of the law—even if it be only of the Game Laws which, in my opinion, are too generally made light of.

To condemn a police officer for endeavoring to see that the laws are enforced seems to me like condemning an employee for carrying out the lawful tasks assigned to him by his employer. If, however, the police officer was knowingly, not carrying out his sworn undertaking to see that the laws are enforced and bring to justice those whom he believes are not observing the laws, then he would be fully deserving of condemnation—although, even then, the public press would hardly seem to be the place for such condemnation to be voiced.

One would have thought that Mr. Stevens would have been satisfied with the reprimand accorded the alleged offender by being acquitted of the charge in a properly constituted court of the land without going to the length of rushing into print to broadcast such a grievance to the whole world. For one, I believe the police officer concerned is to be commended for his zeal under circumstances which, to say the least, must be rather trying.

LAW AND ORDER.

MISPLACED RELIEF MONEY

Editor, Daily News:—

The taxpayer in general, with the exception of the favorites who are receiving the benefit of patronage, are wondering what the outcome of the present provincial government's extravagance will be. This government has provided camps for temporary employment, equipped like hotel hotels; they have provided meals for those men such as cannot be afforded by the average household; equipment for the workmen has been more than twice the quantity required; deserted logging camp has been rented at \$625 per month from party friend to house men; party friends of easy circumstances have been receiving relief pay.

Provisions and equipment purchased have been paying commissions to party friends who never see the merchandise.

In fact the extravagance and orgy of patronage has been so coarse that the friendly government at Ottawa has refused to be a party to it.

Were times normal this misplacing of the people's trust fund might possibly go unpunished; but in extraordinary times like the present, when revenues are rapidly decreasing, deficits mounting, while at the same time every conceivable avenue of taxation has been exploited, the recklessness of the government has assumed the proportions of a real crime.

Especially is this the case when thousands of our fellow citizens without funds are still in no way provided for in any sense.

Those facts cannot be successfully contradicted.

Under those circumstances who now can question the wisdom of Hon. Mackenzie King's Five Cent Speech.

TAXPAYER.

NEWS OF THE MINES

AROUND PRINCE RUPERT

Lakeview Property at Stewart Reported Leased—
Tunnel Contract at Georgia River—Grant Mahood Does Well In East

Rumor has been current in Stewart during the past few days to the effect that certain parties are negotiating for a lease on the Lakeview mining property at Stewart which is situated just above the Dunwell mine on Glacier Creek. Details as to who the parties are and what is the nature of the deal are not available at this time. It is understood that the negotiations have not yet been finally completed. The Lakeview is well known as containing considerable very high-grade silver-lead ore in small narrow lenses. It seems, as indicated by development work carried out some years ago by the owners, to lend itself very readily to operation by leasers.

Pending the letting of a tunnel driving contract, development work has been suspended on the Georgia River Gold Mines Ltd. property on Portland Canal below Stewart. B. F. Shearme, manager of the property, who left Stewart for Vancouver last week, was very non-committal on the situation other than to state that conditions in the tunnel are, so far, very favorable. Details for the tunnel contract have not yet been completed. It is expected that the contract will be let by the time Mr. Shearme returns to Stewart.

Grant Mahood, former well known Portland Canal and central interior mining man, has become interested in an exceptionally promising prospect in the Red Lake district of Northern Ontario. Judging from press reports, the property should

become one of first importance. Mr. Mahood was formerly connected with the Premier, B. C. Silver and Bay View properties at Stewart and more recently with the Babine Bonanza in the central interior. Eastern papers herald Mr. Mahood's new property as a sensational gold discovery.

Church Has Anniversary

Founding of MacKenzie United at Bella Coola Celebrated at Recent Dinner

BELLA COOLA, Dec. 8:—MacKenzie United Church held its third annual anniversary supper recently with about 125 persons in attendance. The principal speaker was Rev. Peter Kelly who referred to the building and progress of the church.

A minute's silence was observed out of respect to the memory of the late Rev. Mr. Rendle who was to a large extent instrumental in the building up of the church.

METLAKATLA MEMORIAL

Memory of Late Ambrose Wilson Honored Yesterday

METLAKATLA, Dec. 7:—A memorial service was held in St. Paul's Church on Sunday, in which the Young Men's Benevolent Association took prominent part, in memory of one of their valued members, the late Ambrose Wilson, who was their secretary; a competent musician of their orchestra in the reed section and one who took active part in everything for the welfare of the village. He was at his post of duty as engineer of the village power plant when his demise came so suddenly.

A special program was prepared for the occasion and, during the singing of the special memorial hymn by the club members the first verses were sung by the club members and the following two verses as a solo by Jas. Prevost, musical director of the club and the most intimate friend of the deceased.

There were short memorial addresses by P. Haldane and W. M. Leighton, lay-readers, and before the recessional hymn, the village band played the "Dead March in Saul."

PROMINENT ARTIST PAINTS SCENES OF CENTRAL INTERIOR

Scenes between Smithers and Hazelton and at Kitwanga on the Canadian National painted by Lowrie Warrenner, Toronto painter and sculptor, are on exhibit. Mr. Warrenner spent about six weeks in the interior during the past summer.

BUY SILVER NOW

Silver is lower in price and makes very acceptable Christmas gifts.

We have just received our Christmas stock and many of the pieces are surprisingly low priced.

A 3-piece set of Teapot, Sugar and Cream at \$10.00 looks good, and a fancy Cake Dish at \$4.50 seems excellent value.

Many other nice pieces.

NEW TRIAL GIVEN HIM
 Conviction and Sentence to Hang Against Karl Fredericks Set Aside by Court of Appeal

Karl Fredericks, 32-year old German, who was under sentence to hang on Decmbr 3 for the murder on June 12 of last year at Trembleur Lake in the northern interior of his countrymen, Max Westphal and Herman Peters, was granted a new trial by the British Columbia Court of Appeal in Vancouver recently.

The Court of Appeal, by majority judgment of Chief Justice J. A. Macdonald and Justices Martin, McPhillips, and M. A. Macdonald, with Mr. Justice Gallier, dissenting, set aside the verdict of guilty and ordered a new trial on the ground that an erroneous translation of a statement made by Fredericks after arrest was submitted to the jury.

The new trial, it is expected, will take place at the spring session of the Supreme Court Assizes in Prince George.

The city council last night was in receipt of a telegraphed suggestion from A. E. Ames & Co., financial brokers, through Col. J. W. Nicholls, that, with a view to saving money on exchange when \$20,000 of city debentures mature in New York on January 1, 1934, the city dispose of this amount of November 1934 5 1/2% Victory Bonds in sinking funds and purchase Province of Alberta 4 1/4% bonds maturing in April 1934 and payable in New York.

After some discussion, the matter was referred to the finance committee with power to act.

REPLY TO COMPLAINT

Sports Editor, Daily News:—

In reply to the complaint lodged by "One Interested" against last Saturday's basketball write-up in which one of the 32 Taxi team was criticized for none too commendable playing tactics, I wish to point out several important considerations.

After writing up senior games for the past month your reporter considered his criticism of the player in question very carefully. It was only after hearing the remarks of spectators for some time and, after careful thought himself, that he committed himself to this pronouncement.

Your reporter is fully competent after years of playing experience, coaching and refereeing to judge, even without the help of spectators remarks play that is dirty and not in the best interests of the game. It was for this alone that the player was criticized.

The player was lauded in the same write-up for his fine play in the second half of the game in these terms: "Ratchford started to play, and with Wrathall and D. Gurvich, was throwing them in with monotonous regularity and deadly precision." Is this not, indeed, an attempt to give credit where credit is due?

It was also mentioned by "One

Interested" that the player had but two personal fouls called on him. That is quite true, and very significant. Two more personal fouls would have removed the player permanently from the game; and it was only after such reminders that the play improved. These little admonitions from the referee are necessary to restrict the play of those teams and players who mistake basketball for wrestling, or Canadian rugby.

YOUR REPORTER.

Juneau Boxer Has Easy Victory Over Ketchikan Rival

JUNEAU, Alaska, Dec. 8.—Miles Murphy of Juneau spotted Young "Ripper" Richmond of Ketchikan ten pounds and won the decision easily, winning all six rounds. The Gastineau Channel fighter punished the Ketchikan boxer badly, knocking him down in the third round and battering him badly in the last three rounds.

The Ketchikan boy managed to avoid the heaviest punches and Murphy was unable to land the knockout blow. Richmond did not connect solidly once during the entire six rounds. Murphy was left without a mark at the final gong.

BADMINTON IS PLAYED

Prince Rupert Club Entertains Members of Skeena Club

On Saturday evening the Prince Rupert Badminton Club entertained the members of the Skeena Club at the McIntyre Hall. Sixteen couples took part in an American tournament, the arrangements for which were in the hands of Eric Gee and James Farquhar. There was good fast play throughout the evening. The winners of Court One were Molly Cross and Ronald Allen while the winners of Court Two were Frances Cross and Bill Tobey.

These four played off the finals in a well contested match, the scores being 11-15, 15-10, 15-5 in favor of Miss Cross and A. Allen.

After refreshments, Mr. Gee presented the prizes, and H. L. Shadwell moved a vote of thanks to the Prince Rupert Badminton Club for the pleasant evening they had enjoyed.

HAWKS WIN BILLIARDS

Junior League Got Under Way With Playing of Fixture Last Night

In the opening fixture of the newly organized Junior Billiard League, Hawks won from Jewelers by an aggregate score of 952 to 786 last night. Individual scores were as follows:

J. May (Hawks), 200; J. Bulge (Jewelers), 132.
W. E. Hayhurst, 152; W. Stewart 200.
W. Hutson, 200; L. Raabe, 131.
P. Chenoski, 200; A. Strachan 127.
R. Wicks, 200; W. Funnell, 192.

NEW MILL GRINDING

British Columbia Peace River Block started milling flour last month from No. 1 hard wheat in the newly established mill at Fort St. John. The new mill, representing an investment of \$25,000, was organized by C. B. Phillips who was aided by a \$7500 loan from the provincial government.

New Billiard Loop Formed

Junior League is Organized With Four Teams Entered—Play Started Last Night

A Junior Billiard League has been organized with four teams—Hawks, Jewelers, League of Nations and Empress—entered. Play started last night when the Hawks defeated the Jewelers by a score of 952 to 786. The schedule for the remainder of the first half of the season is announced as follows:

December 10—League of Nations vs. Empress.
December 14—Hawks vs. League of Nations.
December 17—Jewelers vs. Empress.

December 28—Hawks vs. Empress.
December 31—Jewelers vs. League of Nations.

Africa contains two-fifths of the potential water power of the world.

LOCAL BOYS IN ELEVEN

Bill Gwyer and Jimmy Stewart Members of University of B.C. Football Team

Jimmy Stewart and Bill Gwyer of this city were members of the University of British Columbia football team which won the inter-collegiate championship of Western Canada in Vancouver a few days ago by defeating University of Manitoba 4 to 3. Both local boys can be seen in a group picture of the team which appears on the front page of a recent Vancouver Province.

GROTTO WINNER

Captured Honors in First Half of Cribbage League Season Last Night

Grotto won the first half of the Cribbage League season last night although beaten 14 to 13 by the Musketeers. Seal Cove, which had been in the lead by a single point, lost 16 to 11 to the Moose and thus fell behind the tobaccoists. The second half of the season will start after the Christmas and New Year holiday season. In the spring winners of the first and second halves will play off to decide the city championship.

Scores last night were as follows:
Moose 16, Seal Cove 11.
I. O. O. F. 15, K. C. 12.
Musketeers 14, Grotto 13.
Elks 14, Eagles 13.
P. R. Hotel 14, Swifts 13.

League Standing		
	W	L
Grotto	129	114
Seal Cove	128	115
Musketeers	127	116
Elks	126	117
Moose	124	119
I. O. O. F.	123	120
P. R. Hotel	123	120
Eagles	120	123
K. C.	109	134
Swifts	106	137

The Soviet war machine has often been described as an unknown factor in the military power of Europe. It has been estimated that Russia has a standing army of 624,000 men, with more than 4,500,000 in reserve.

SPORT CHAT

An interesting handicap badminton tournament was recently held at Anxox with many players taking part. On one court Mrs. T. Stretton and Sid Peters were the winners and on the other Miss Nettie Thomson and W. Adams had a perfect score. Single ladder games are now being started at the smelter town and, if there are sufficient interested, there will be a series of double ladders. Badminton is proving very popular in Anxox this season and players there have indicated that they are very proficient in the sport.

There is an active basketball season at Anxox this winter. There are three leagues in operation—Intermediate, Ladies and Senior—and competition is keen in each division. There are some strong hoop players at the smelter town and it

Went Through Ice On Morse Creek

Several young folks, trusting to the ice before it had made sufficient thickness, are reported to have had icy plunges in Morse Creek yesterday. Fortunately, there were no serious accidents.

With the weather continuing cold, prospects are that skating will again be a popular pastime for local people.

It is to be hoped that later in the season Prince Rupert fans will have the opportunity of seeing them in action here. There have been usually some kind of inter-town games of basketball between Prince Rupert and Anxox in the past and there would seem to be no reason for a lapse this winter.

G.E. POPULAR CONSOLE \$149.50

It Prevents Distortion TONE EQUALIZER An Exclusive Feature of the GENERAL ELECTRIC Full Range RADIO

In addition to Tone Control, General Electric Radio now offers the "Tone Equalizer"—a new development of General Electric research—a feature which eliminates cabinet resonance and its resulting distortion of tone.

Hear the G.E. Popular Console and you will notice what a surprising difference the Tone Equalizer makes. Note how it brings out all the tones—low, middle and high—with equal volume. Booming, unnatural bass notes are properly balanced—you enjoy superb Full Range Tone.

Remember that General Electric is the radio that has won competitive tone tests by decisive majorities over other well-known makes. Investigate the Tone Equalizer and other advanced features of these General Electric Super-Heterodynes. Prices are remarkably low and you can buy on easy terms.

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

SCORING RECORDS

Individual Points in Cribbage League Are Announced

Miss Vi Cameron Wedded Recently

Former Local Girl Became Bride of
 Dennis Cooper in Vancouver
 Recently

A wedding took place quietly in Vancouver on November 21 when Miss Violet Cameron, youngest daughter of W. F. Cameron of Prince Rupert, became the bride of Dennis Argyll Telford Cooper, eldest son of Mr. and Mrs. H. T. Cooper of Vancouver. Rev. Dr. W. H. Smith of Union College officiated and, in the absence of her father, the bride was given in marriage by C. P. Riel. Miss Virginia Riel played the wedding music and Miss Margaret Patterson sang "I Love Thee."

A reception in Hotel Georgia followed the ceremony and Mr. and Mrs. Cooper left later for a honeymoon trip to Los Angeles after which they will return to Vancouver to reside at Tatlow Park Court, 1820 Bayswater Street. For travelling the bride chose a smart suit of green and beige tweed with green accessories and a red fox fur, wearing a corsage bouquet of Talisman roses.

The bride resided in Prince Rupert for many years and was very popular. While here she was a member of the staff of the city ticket office of the Canadian National Railways.

Capt. Steele Is Speaker Before S. A. Young Folk

The Salvation Army Young People's Legion met last evening. The meeting was opened with the singing of the Legion song led by the chaplain. President George Almon was in the chair.

An interesting lecture was given by Capt. Ruby Steele on the action of chemicals illustrating how sin works in the life of humans. Games were played and refreshments were enjoyed by all present.

K. C. McCannell of the Forest Branch service, who has been on a trip to the interior on official duties, returned to the city on this morning's train.

Giscome Man Weds In Southern City

Miss Doris Riley Became Bride of
 Carl August Johnson at
 Recent Ceremony

In the presence of a few friends the wedding was solemnized recently at the home of Mr. and Mrs. Gustav Olsen in Vancouver. Miss Doris Riley, daughter of William Riley and the late Mrs. Riley, to Carl August Johnson of Giscome, Rev. Adam Crisp officiating. Following the ceremony, a buffet supper was served.

Mr. and Mrs. Johnson will make their home at Giscome.

Hospital services were assigned as follows at the meeting of the Prince Rupert Ministerial Association yesterday: December 13, Rev. W. D. Grant Hollingworth; December 20, Rev. Canon W. F. Rushbrook; December 27, Capt. Steele, Salvation Army; January 3, Mr. Joyce, Pentecostal Mission.

WAS HERE FOR YEARS

Sister Berchmans, For Nine Years
 In Local Convent, Dies in
 Toronto

Word has reached the city of the recent death in St. Michael's Hospital, Toronto, of Sister M. Berchmans, who was one of the first teachers of St. Joseph's Academy in Prince Rupert and who remained in this city for over nine years. She became very well known while here and was highly esteemed by all with whom she came in contact. Sister Berchmans' death came after she had suffered intensely but patiently for some months.

Sister Berchmans was born and educated in the city of Quebec and entered the Community of the Sisters of St. Joseph 28 years ago. Her religious life was devoted to teaching in the parochial schools of Toronto with nine years spent in the Prince Rupert mission.

Sister Berchmans was here in 1918 during the epidemic of influenza and was one of the sisters who went at that time to the Queen Charlotte Islands to minister to the flu-stricken men of the lumber camps there.

In 1929 Sister Berchmans was appointed Superior for St. Anne's Convent in Winnipeg and in 1930 of the House of the Novitiate of St. Joseph's-on-the-Lake at Scarborough, Ont.

During her teaching career, Sister Berchmans exhibited a gentle and retiring disposition. The influence she exerted over the children she instructed was deep and lasting. Her last days were in harmony with the singular simplicity and beauty of her whole life.

The solemn mass of requiem was celebrated in Toronto by Rev. Dr. Markle, who was assisted by other priests.

Sister Berchmans is survived by brother, W. Teaffe of Ottawa, and sister, Mrs. Hull also of Ottawa.

During the month of October the fire department responded to four alarms, damage amounting to \$7,144 covered by insurance, according to report of fire Chief D. H. McDonald presented to the city council at its meeting last night. Expenses of the department for the month, including salaries, amounted to \$1085.25. Usual inspections had been made of equipment which was found to be in good order.

Twenty Years Ago In Prince Rupert

December 8, 1911

At the recent auction, 580 lots in Section Two, were sold at auction by the Grand Trunk Pacific Railway and \$373,335 was realized. The highest price for any lot in the section was \$6,575 and was paid by Wilfrid Gratton, who had just arrived from Vancouver, for one of the corners at the intersection of Second and Atlin Avenues. V. D. Casley paid \$5,200 for the corner lot immediately opposite.

With the pelt of a beautiful fox valued at \$600 undressed, Joe Bellway, well known pioneer Skeena River trapper, came into his camp at Mile 65 on the railway line. The fox was trapped not far from the railway line.

Alex Yule has opened the vault of the land registry office on Second Avenue which was recently burned down. The majority of important books, papers and records were found to be undamaged.

Former Resident Of City Is Dead

Robert Walker, Who Worked at Dry
 Dock For Some Time, Passed
 Away in Vancouver

Word has been received in the city of the death in Vancouver recently of Robert Walker, for many years a respected resident of the city, having been employed for a considerable time at the local dry dock.

Mr. and Mrs. Walker left the city three years ago for Vancouver and Mr. Walker had been receiving medical treatment there up to the time of his death which occurred on November 25.

Many friends in the city will regret to learn of Mr. Walker's death and will extend sympathy to the widow and daughter.

Deceased was Scottish by birth and was about fifty-nine years of age.

WAR STORY EFFECTIVE

"Waterloo Bridge" as Good on
 Screen as it Was on Stage—
 Sentimental Drama

The screen version of Robert E. Sherwood's war story "Waterloo Bridge," which was very successful as a stage play, makes an effective talking picture which is being shown as the first of the week feature at the Capitol Theatre. The play is a sentimental one, telling of a young fellow on leave in London during the Great War who meets and falls in love with a pitiful waif of a girl who is forced by circumstances to earn her living in the streets. The story demands particularly fine acting and Mae Clarke and Kent Douglass give conscientious performances in the leading roles. Enid Bennett plays a mature feminine part.

The film is well directed and the scenic backgrounds and scenes of an air raid are very good.

Monday and Tuesday
 TWO SHOWS — 7 and 9 p.m.
 Feature Starts at 7:40 & 9:40
 Admission — 20c & 50c
