BOND SALE DISCUSSED

Security Dealers Urge City Not to Put Debentures on Market For While

Letter read at last night's meeting of the city council from McDermid, Miller and McDermid of Vancouver and Pemberton & Son of Victoria advised the city against endeavoring to market debentures at this time in view of the unfavorable state of the security market.

McDermid, Miller & McDermid had been written to by the city inquiring if it was advisable to have city bonds made payable in United States as well as Canada. In reply, the company stated that it was virtually impossible to sell any Canadian securities in New York now and in view of this, it seemed doubtful as to whether it was advisable to make securities payable in New York now. The company suggested that if at all possible, the city would probably do well not to put its securities on the market for at least six months.

Pemberton & Son regretted at being unable to bid at this time on an issue of \$97,000 of city debentures but was willing to endeavor to market the bonds on a straight commission basis. It was doubtful, however, if it could be done at better than 6% or 6 1/4%. The company suggested that it might be better to keep the bonds off the market for a while.

McPhee Estate Is Discussed

Relatives in East Ask That Mineral Claims Be Turned Over to Them

Another communication in regard to the estate of the late Joseph N. McPhee, which has been willied to the city for use in connection with children's playgrounds, was read at last night's council meeting from Williams, Manson, Brown & Harvey, solicitors for relatives of deceased in the east.

The communication suggested that, if the city was unwilling to turn over anything else of the estate to these relatives, it might consider allowing them certain mineral claims which were of no present value.

The matter was referred to the finance committee for report. Ald. Macdonald and Ald. Pullen expressing the view that the city should stand by its original decision not to give up anything under the will.

The mineral claim involved is situated at Alice Arm and is known as the Red Bluff.

INDEPENDENT ASSESSMENT

City Solicitor Advises Council That Advisory Committee Would Not Be Legal

In a report to the city council at last night's meeting, City Solicitor E. F. Jones advised that the city assessor, in making his assessments, must do so independently and without being influenced by the city council or any other body. Otherwise, the legality of the assessments might be questioned. For persons not satisfied with the assessment, there was always recourse by appeal to the court of revision.

The opinion of the city solicitor was sought following a proposal made to the council by the Prince Rupert Ratepayers' Association that an advisory committee might be formed in connection with the matter of assessment. According to the solicitor's opinion the council has no legal authority to constitute such a committee.

A copy of the city solicitor's report will be forwarded to the Ratepayers' Association.

PULP TIMBER EXPORT

These are days when the natural resources of the country are not being developed, when the inhabitants are craving employment and when the governments are extremely worried how to keep men working and eating without reducing the country to a state of bankruptcy.

In view of this, the proposal that British Columbia be allowed to export pulp wood from this district is one that should receive most favorable consideration. Especially should it be considered with favor by the B. C. Government, which, it is well known, is in such bad financial straits that it is even considering the possibility of taxing rentals, something hitherto unknown in the province.

The proposal is to allow the export of pulp wood which would be shipped largely from Prince Rupert after being peeled and cut into cordwood lengths. This would be mostly timber not suited for any other purpose and would come from the interior of the province to tidewater from whence it would be loaded on to ships and sent through the Panama Canal to the Eastern United States.

The export at this time would be one means of helping to bring the Canadian dollar back to its true value on the American side.

We are inclined to the belief that the government will look with favor on a proposal of this kind. While few people would recommend it as a settled policy, it might be arranged for a term of years until conditions have improved to such an extent that we can once more say we do not need this extra business.

Those who would benefit from this log export would be the railways, the shipping companies, the exporters, the forestry department of the government and the business people of the province. Employment would be found for men in the woods, for men hauling to the cars, for railwaymen hauling the timber to tidewater, to longshoremen and others at Prince Rupert.

We all agree with the policy of manufacturing our own raw products in this country. As a general policy that is good. But at present we have few manufacturing these raw products or wanting to and in the meantime we all must live.

BASKETBALL LAST NIGHT

High School Boys Defeated Tuxis to Win Intermediate First Half

Senior League—C. N. R., 31; Panthers, 32.
Intermediate—High School, 19; Tuxis, 14.
Ladies—Amazons, 18; Cardinals, 10.
Junior—League of Nations, 14; Rovers, 11.

The C. N. R. without Lambie looked like pretty easy "pickings" for the Panthers in the Senior League basketball game last night when the first half ended 16-8 for Panthers. Then the Trainmen got together and started some flashy playing that brought them within one point of the Panthers, when the festivities ended at 32-31. The whole Panther team was good and they worked some fine combination plays plus deadly shooting, which featured Mitchell, Kelsey and Cross. Styles, who is usually a high point getter for C. N. R., took a long while to warm up but Walter Johnson stepped in and scored 18 points with the able assistance of the rest of the team. It's too bad the Trainmen don't use this really fine player more often. Panthers are now leading the Senior division.

Panthers—Mitchell (5), Kelsey (10), Irvine (3), Cross (7), Macdonald (7); total 32.
C. N. R.—Morrison (4), Johnson (18), Styles (6), Smith (2), Stalker (1); total 31.

Intermediate Game

The Intermediate game, Tuxis and High School, was marred by close checking which prevented either team exhibiting really good basketball. Vance, Walters and Unger were the pick of the Students, while Thurber, J. Morrison and Nakamoto were best for Tuxis. After much strenuous tussling the High School came out with a 19-14 win and, incidentally, are the winners of the first half of the schedule.

High School—Walters (10), Vance (3), Wingham, Unger (6), Toby, Forbes, Ross, Hickey; total, 19.
Tuxis—J. Morrison, Nakamoto (3), Thurber (5), R. Morrison (6), Smith, Allen, Moxley, Hanson; total, 14.

Ladies' Game

The ladies played a much better game than usual. The Amazons were far superior to the Cardinals in their shooting. Every member of the Amazon team managed to score and the whole team functioned well together. For the Cardinals, Cathie Irvine and Lillian Lowe gave the strongest support. The Amazons held the lead during the whole game.

Amazons—S. Boddie (4), D. Pritchard (2), E. Morris (4), J. Ritchie (4), C. Morgan (4); total, 18.
Cardinals—L. Lowe (4), P. Stone, C. Irvine (4), V. Krikevsky (2), A. Gilchrist; total, 10.

Junior Game

The League of Nations and the Rovers staged a fast and thrilling game in the Junior feature of the evening. The Rovers led 7-2 at the end of the first half. Then in the second half the League retaliated and Gillis and Antonello organized many plays which resulted in baskets. At full time the score stood at 14-11 for the League of Nations. Gillis was the most notable player on the floor.

League of Nations—Antonello, Gillis (9), Arney (2), Allen, Hill, Marshall, Dominato (3); total, 14.
Rovers—Davis, McKinley (6), McRae (2), McMeekin, Willisroft (3), Palmer; total, 11.

Patrick Gibbons Is Laid to Rest

Solemn requiem mass for the repose of the soul of the late Patrick James Gibbons, well known pioneer resident of the city, whose death occurred last week, was celebrated at the Church of the Annunciation this morning by Father Charles Webb, O.M.I. Interment in Fairway Cemetery followed.

Pallbearers were Joe McDonald, John Loughran, Patrick McIlwee and Joe Colussi.

The city council last night reconsidered and adopted a bylaw providing for the temporary borrowing of a sum of \$40,000 from the bank pending collection of taxes.

Exchange Jump Prevents Deal

City Unable to Purchase Province of Saskatchewan Bonds As Ordered

McDermid, Miller & McDermid of Vancouver, bond dealers, advised the city council in a letter read at last night's meeting that owing to a sudden jump in exchange within a single day, they had been unable to purchase \$7,000 of Province of Saskatchewan bonds which had been ordered by the council recently for sinking fund purposes. It was suggested that the city leave its acceptance of the original terms of purchase open in the event of exchange and price becoming again favorable.

EXCITING PICTURE

"East of Borneo" is Terrifying and Sensational Film Story

"East of Borneo," current attraction at the Capitol Theatre, is a really sensational picture which is filled with suspense and exciting if not terrifying action. The drama is accompanied by numerous blood-curdling scenes of jungle life.

The film tells the story of an American doctor who has virtually buried himself in a wild region where he, the only white man in the whole countryside, is the personal physician to an Oriental Rajah who lives in much splendor and rules with great power. Into this desolate spot comes the deserted wife of the doctor, her love causing her to follow him half way around the world. It is when the beautiful white woman that the drama reaches its climax. The thunderous eruption of a nearby volcano adds terror to the scene. The cast of "East of Borneo" is headed by Rose Hobart and Charles Bickford and includes hundreds of native Malays.

HOOP GAME WAS SPEEDY

Details of Play in Last Friday Night's Matches

The Senior basketball game last Friday was fast and close all the way, with the Panthers holding a 17-13 lead at half-time. Kelsey scored heavily for Panthers, while the Trainmen nearly all took a hand in the shooting. Menzies and Stalker were the backbone of the latter team. In the second half play became fast and the checking was heavy. Kelsey missed six penalty shots, which might easily have given his team the victory. In the last eight minutes play was even, with 32 Taxi showing more team-play than usual. There was little scoring, due to close checking and over-eagerness which often resulted in "steps."

32 Taxi—Stalker 7; Ratchford 3; Frizwell 4; Menzies 2; Wrathall 8; Gurvich, Total 24.
Panthers—Mitchell 4; Cross, Kelsey 10; Irvine 3; Macdonald 2; Lyons, Total 19.

Other Games

The Intermediate game was very thrilling with both teams well matched. It would be waste of time to point out bits of individual brilliance but the work of Walters and Vance, was worthy of praise; while for Merchants, Comadina and Eric Dingwell were best.

High School—Walters 10; Wingham 5; Unger 7; Tobey 2; Vance, Ross, Forbes, Hickey, Total 24.

Merchants—E. Dingwell 5; Comadina 5; F. Dingwell 4; McNulty 2; Currie 1; Pierce 6; Bacon, Total 23.

The ladies' games are steadily improving in interest and last night's tussle between Comets and Cardinals was fast, featuring some heavy scoring on the part of Irvine and Krievsky for the Cardinals. Lowe was doing some powerful playing too. For Comets, Roberts was nearly half the team, with Harvey trying hard all the time. However, they all failed to get very close to the Cardinal basket and the chief reason was Lillian Lowe.

Cardinals—Lowe 3; Irvine 8; Stone 2; Krievsky 8; Gilchrist, Rivett, Total 21.

Comets—Roberts 3; Steen, Jack, Conner 2; Harvey 3, Total 8.

The reason the Scouts won the Junior game was Leslie Wilson plus a lot of fumbling and weak

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.
Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.
Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

XMAS TREE IS STAGED

Happy Affair Held Last Night By Fraternal Order of Eagles

The Fraternal Order of Eagles last evening held their annual Christmas tree. The hall was appropriately decorated for the occasion and everyone present had a thoroughly enjoyable time. Santa Claus distributed presents to over one hundred and fifty children and every child present left the hall with the remembrance of a wonderful evening's entertainment. The program in connection with the event was as follows:

"O Canada."
Address of welcome, Worthy President G. A. Hebb.
Address to children, Angelo Astori.
Song, Mrs. C. P. Perry.
Recitation, Miss Geraldine Feero.

HOUSE WAS DESTROYED

Summer Home Across Harbor, Belonging to Wm. Brass, Consumed By Flames

In a conflagration which attracted considerable attention even on this side of the harbor, the summer home of William Brass at the mouth of McNicholl Creek was destroyed by fire about 6 o'clock Friday evening. For a while it was quite a spectacular blaze.

Mr. Brass had allowed two unemployed men to batch for the winter in the cottage which consisted of three rooms and a large verandah. These men had gone out to visit with neighbors nearby and, as they were returning, they saw the house in flames.

The house as well as all the contents were destroyed. The loss is estimated at about \$250.

The cottage was built originally by George Elkins, who has since left the city, from whom it was bought about for years ago by Mr. Brass.

Rose, Cowan & Latta Ltd., whose tender of \$263.10 was the lowest, was given the job by the city council last night of printing 100 copies of the 1932 voters' list. Alex McRae Co. Ltd. tendered \$271.24 on the job.
