Why Advertise?
Some people do not want more business. That is why they neglect the generally accepted method of placing their wares before the people in the form of advertisements.

Vol. XXII, No. 44. PRINCE RUPERT, B.C., SATURDAY, FEBRUARY 21, 1931 PRICE FIVE CENTS

NEW FISHING REGULATIONS ARE OUT

KITWANCOOL INDIAN UP FOR TRIAL ON MURDER CHARGE

Salmon Purse Seine Mesh is Higher; Crab Close Season Dropped

Otherwise Changes Are of Little Importance to This District—Chief Supervisor of Fisheries is Given More Powers

OTTAWA, Feb. 21.—Various changes in the fisheries regulations applicable to British Columbia have been approved by the Governor General-in-Council. Under the amended regulations, sockeye fishing season on the west coast of Vancouver Island and in the Nimpkish and Hayden areas on the east coast opens on May 15 instead of on June 1. Other changes include one giving the chief supervisor of fisheries for British Columbia authority to prohibit at any time the use of salmon gill nets of such sized mesh as he may find undesirable from the standpoint of conservation needs.

Wives, Children Are Protected in British Measure

LONDON, Feb. 21.—A bill was passed by the British House of Commons yesterday whereby protection will be given wives and children who may be disinherited in the wills of their husbands or fathers.

ADVANCES ON WHEAT

Manitoba Government Lost \$3,000,000 in Financing 129 Crop for Wheat Pool

WINNIPEG, Feb. 21.—Premier Bracken announced in the provincial legislature yesterday that the government had lost the sum of \$3,000,000 in guarantees to the banks for advances to the Manitoba Wheat Pool on the 1929 crop. Saskatchewan and Alberta, the other two prairie provinces, have suffered corresponding losses.

Two Killed Last Night When Western Canada Mail Plane Crashed West of Winnipeg

WINNIPEG, Feb. 21.—The second fatal crash in the history of Western Canada air mail service last night claimed two lives. Caught in a sudden fog seventy-five miles west of here, the Moose Jaw bound mail carrier broke up in landing and burst into flames. The dead are Dr. Richard Alleyn, aged 33, and G. Lewis, aged 28, of Regina. Pilot N. G. Forrester of the Western Canada Airways, who was at the controls, was injured but will recover. Alleyn and Lewis were killed instantly.

VANCOUVER WHEAT QUOTED AT SIXTY-TWO AND FIVE-EIGHTHS CENTS

VANCOUVER, Feb. 21.—Wheat was quoted at 62 5/8c on the local exchange here today.

TO ALL CLASSES OF FISHERMEN

A mass meeting of all fishermen will be held in the City Hall, Saturday first, February 21 at 7:30 p.m. under the auspices of the Prince Rupert Fishermen's Co-operative Association. Business: To explain the aims, objects and constitution of the association, and enroll members. (44)

Deportation Bill Favored

Sending Out of Undesirables Will be Facilitated by Measure at Washington

WASHINGTON, D.C., Feb. 21.—Legislation designed to accelerate the deportation of undesirable foreigners from the United States was approved by a committee of Congress yesterday.

MARKET IS UP AGAIN

Still Further Gains are Shown by Stocks in New York—Auburn Motors Most Active

NEW YORK, Feb. 21.—Bullishness rose to new heights today on the brief session of the stock market, sending share prices from \$1 to \$12 higher in the most active Saturday trading since May last. Two million four hundred thousand shares were traded in.

Auburn Motors was again the high flier, gaining \$12 to \$210 and almost \$110 above the January low. Experts believe that there will be considerable fluctuation upwards and downwards in stocks until later in the spring when earnings are expected to show improvement. Then there should be steady gains that will hold.

LEAVING IT TO OTTAWA

British Columbia Government is Not Desirous of Interfering With Control of Radio

VICTORIA, Feb. 21.—British Columbia is unlikely to follow the course taken by Quebec in seeking a share of control over radio broadcasting, it is learned here. The attitude of the local government is inclined toward the belief that radio control should rest with Ottawa, it is said.

FIVE BOATS LEAVE HERE

This Number of Halibutters Have Cleared So Far For Banks

Up to noon today, five halibut boats had cleared from here for the fishing banks, having signed up their crews under Union terms.

As reported before, the American Tahoma cleared Wednesday night, yesterday the A. J. and M. A. B., both small Canadians, got away, and last night the Alice May, also a small boat, left. This morning the Cape Swain was the fifth and largest Canadian boat so far to clear.

The American boat Leviathan was in port this morning for bait, being en route to the fishing banks.

Silver Shows Sharp Increase Both on New York and London Markets Today; Is Over 27c

NEW YORK, Feb. 21.—Bar silver today scored one of the sharpest advances in recent months by advancing one cent to 27 1/4c per ounce. Although there were other bullish factors, the trade accredited the advance principally to the adoption by the United States Senate of the resolution suggesting that President Hoover enter into negotiations with other governments with a view to restoration of the price of the metal.

Silver was also strong in London where it advanced a quarter pence to 127-16 pence.

Revolution in Peru Followed Princes' Visit

LIMA, PERU, Feb. 21.—A little revolution in Peru followed the visit of the Prince of Wales and Prince George. It may just have been military exuberance on the part of the warriors of the country after an enthusiastic reception. Anyway, the authorities soon had the disorders under control, but forty loyalists, twenty rebels and one American were killed.

TRIED TO KILL KING

Monarch of Albania Has Narrow Escape in Vienna—Attendant Killed

VIENNA, Feb. 21.—A near successful attempt to assassinate the King of Albania took place here last night. Two shots were fired at His Majesty at the entrance of a theatre and one of his staff, accompanying the party, was killed.

The King has been here to receive treatment at the hands of medical specialists for throat trouble.

SOLLOWAY RELEASED

But Taken Into Custody Immediately at Calgary by British Columbia Police

LETHBRIDGE, Alta., Feb. 21.—Isaac W. C. Solloway, millionaire stock broker, who had been a prisoner in the jail here since November 12, was released at 9 o'clock this morning and immediately taken into custody by Constable Ledoux of the British Columbia Police and taken by automobile to Calgary where he will board a train for Vancouver to face further charges there of conspiring to defraud the public.

BILLION DOLLARS OF NARCOTICS USED LAST YEAR ON OTHER SIDE

WASHINGTON, Feb. 21.—The value of narcotics used last year in the United States totalled no less than \$1,000,000,000, according to a government statistical announcement here yesterday.

GANDHI AND LORD IRWIN

Nationalist Leader in India Invited to Further Conferences With Viceroy

BOMBAY, Feb. 21.—Lord Irwin, Viceroy of India, has invited Mahatma Gandhi, All India Congress leader, to another conference to discuss the future system of government of India.

The previous negotiations between the viceroy and the native leader had reached a point where it was necessary for the former to consult the home government and the latter the other Nationalist leaders.

Now Lord Irwin has been authorized to continue negotiations and it is confidently expected that an agreement will be reached and the present campaign of civil disobedience in India ordered discontinued.

DRIFTED IN GALE

Six Boats Break Away from Moorings at Cow Bay But Are Soon Rescued from Middle of Harbor

There was some little excitement along the waterfront for a little while during the gale this morning shortly after 9 o'clock when six halibut boats and salmon trollers broke away in a group and drifted out into the middle of the harbor. The halibutter Cape Beale the power cruiser Laura F. II., and tug Jedway put out to the rescue and, in a little while, the Cape Beale took the drifting boats in tow and delivered them safely back to their mooring place. The Takla was one of the boats which drifted out.

FIRE IN CONVENT

Flames Visit Alberta Institution and 250 Children Have Narrow Escape

EDMONTON, Feb. 21.—Caught in swirling, choking smoke when flames, kindled by thieves, destroyed the interior of a vault room, 250 children walked or were carried to safety from Youville Convent at St. Albert, six miles west of Edmonton. The fire occurred at 3 o'clock this morning.

CLIP WINGS OF KING ALPHONSO OF SPAIN

MADRID, Spain, Feb. 21.—The new cabinet of Spain has held its first meeting. While a dictatorship as well as a republic have been avoided by the country and constitutional government re-established, a revision in the constitution is expected which will materially curtail the power of King Alfonso, one of the last absolute monarchs in Europe. The date of the general election was not fixed at the cabinet meeting.

Samuel Douse to Come Before Assize Here On Allegation of Killing

Stipendiary Magistrate Holds There is Prima Facie Case; Coroner's Jury, However, Names No One

Samuel Douse, accused of having caused the death of Silas Brown by shooting him at Kitwancool on January 10 last, was committed for trial on a charge of murder by Stipendiary Magistrate S. H. Hoskins at the preliminary trial which was held yesterday at Hazelton, according to work received here last night. Douse will be brought here tomorrow afternoon from Hazelton.

by Inspector John Macdonald and Corp. J. H. Smith, who have been attending the preliminary trial, and will be taken from here to Okalla where he will await trial at the Spring Assizes opening here on May 4.

The coroner's jury, which investigated the death of Silas Brown which took place in the Hazelton Hospital on Sunday last, did not name the deceased's assailant in its verdict which was as follows: "We, the jury, have conferred and have adduced from the evidence produced that the deceased, Silas Brown, died in the Hazelton Hospital on February 15, 1931, from acute heart failure due to loss of blood and acute infection, the result of a gunshot wound received at Kitwancool on January 10, 1931. We are not satisfied conclusively as to by whose hand the shot was fired."

After the inquest, the holding of the preliminary trial commenced.

BIRTH NOTICE

A daughter was born to Mr. and Mrs. M. McArthur, 1022 Second Avenue, Friday, February 20, at the Prince Rupert General Hospital.

Tolmie Government is Again Criticized For Bus Monopoly; Non-Confidence Amendment

VICTORIA, Feb. 21.—The British Columbia Legislature adjourned yesterday afternoon for the week-end without concluding the debate in reply to the speech from the Throne as it was hoped by the government would have been done. The debate, which will be resumed Monday afternoon, was adjourned by Hon. W. A. McKenzie, minister

of mines and labor, who will make his first speech of the session on the resumption of the sitting.

The sitting yesterday afternoon was marked by an energetic attack by the opposition upon the government, the alleged exclusive franchise of bus services on Vancouver Island granted by the government to the Vancouver Island Coach Lines, called a subsidiary of the Canadian Pacific Railway, being again the chief subject of criticism.

Dr. J. J. Gillis, Liberal, Yale, took this for the basis of another want of confidence motion, the third that has been offered so far this session. A. M. Manson, Liberal, Omineca, in one of his usual fiery speeches, took the government severely to task on the matter of the bus franchise. He declared that the government had promised, through Hon. N. S. Lougheed, then minister of public works, that this exclusive franchise would not be granted. Yet the government had given the franchise. Mr. Manson read from the order-in-council granting the franchise.

BOOM ON EXCHANGE

Decided Upward Movement in Stocks on New York Market Industrials Showing

SEATTLE, Feb. 21.—There was a notable upward movement on the New York Stock Exchange Friday, industrials showing an average gain of 3.56 points. Some of the leaders moved up as high as ten points. A total of 2,800,000 shares changed hands.

BUDGET IS CUT DOWN

Washington State to Spend Two Million Dollars Less Than Last Year

OLYMPIA, Wash., Feb. 21.—A drastic cut of \$2,000,000 provided for in Governor Roland H. Hartley's budget, was approved by the Senate appropriation committee here yesterday.

Too Much Unemployment

Dr. Gillis said: "There is too much unemployment in the country for such a prosperous nation. One hundred more unemployed are now reported than at the beginning of the federal unemployment relief plan which was initiated by Premier Bennett." He urged serious attention to the menace of great economic unrest if effective action were not taken to restore living conditions for the people.

An exclusive franchise, it was said by the opposition, had been granted to the Vancouver Island Coach Lines Ltd. by special licence for operation of passenger vehicles over the wide chain of roads on Vancouver Island. The want of confidence vote based on issuance of this licence characterized the action as "an unwise exercise of statutory discretion granted to the Crown under the Highway Act."

DAILY EDITORIAL Saturday, February 21, 1931

RELIEF CHANGE

Prince George has decided to make a change in the plan of granting relief. Every man, before being given relief, will be required to do work on one of the parks equal to the amount of relief given him. This will help improve the park and it is claimed will be better for the men than hanging around doing nothing all day.

COSTLY EXPERIMENT

The Manitoba government lost three million dollars from backing the wheat pool in its effort to keep up the price of wheat. Other prairie provinces will also show considerable loss, the whole possibly amounting to as much as ten million dollars. How much the pool lost and the farmers who shipped through them instead of selling direct at the price offering earlier in the season, cannot be very well estimated.

FLOWER SOCIETY

The Daily News sees possibilities of much benefit accruing to the city from the formation of the Prince Rupert Flower Society. There are great opportunities for such an organization in the city and judging from the enthusiasm of some of the members it should do good work.

The Daily News has for several years been urging on the citizens the desirability of improving their gardens and lawns and making the city not only attractive but beautiful. The contour of the land and the wonderful display of young evergreen trees already covering the vacant lots make for beauty everywhere. If to this is added a large array of lawns and flower gardens along the line of the work already being done and added to this some improvement of the public parks and playgrounds and the city will be one of the greatest attractions on the coast to tourists and other visitors as well as being desirable from a residential point of view.

The jump in the price of silver and the move in stocks are both important to Prince Rupert and Northern B. C. generally. Silver affects most of the mines of the district and most people have some stock certificates that they are hoping may some day be of value.

When a Child is FEVERISH, CROSS, UPSET

Colic, gas, sour belching, frequent vomiting, feverishness, in babies and children, generally show food is souring in the little digestive tract. When these symptoms appear, give Baby a teaspoonful of Phillips' Milk of Magnesia. Add it to the first bottle of food in the morning. Older children should be given a table-spoonful in a glass of water. This will comfort the child—make his stomach and bowels easy. In five minutes he is comfortable, happy.

RECEPTION DISCUSSED

Radio Association Hopes Soon to Clear Up Trouble With Power Lines

The Prince Rupert Radio Association held a most enthusiastic meeting last evening in the council chamber. The secretary, having been instructed to write the Power Corporation of Canada Ltd., at Montreal at the last meeting, letters were read from H. E. Pawson, G. H. Kohl and J. J. Little.

Mr. Pawson explained to the association that the Power Corporation was absolutely behind the association in efforts to clean up the interference now apparently caused by the entry of the power lines into the city. He pointed out that in Quebec and Ontario, in which provinces high power lines crossed and recrossed the country, radio reception was good and that there should not be any trouble in the city of Prince Rupert. The local manager, J. J. Little, would co-operate in every way possible to clear up any trouble there might be caused by their company. Mr. Kohl wrote along the same lines and said that by co-operating with J. J. Little that at the very earliest moment any trouble caused by the company would be looked into and remedied as soon as ever possible.

A trouble committee was appointed to receive from any radio owner any trouble that the owner thought fit to report and it was hoped that in this manner numerous interferences caused by any local electrical equipment would be reported immediately. The committee appointed consisted of E. Tulloch, C. G. Ham and Bert West. It is hoped that any owner who knows of any trouble in his or her vicinity will at once report to any one of these gentlemen or to the president, Mr. Wesch.

Considerable discussion took place as to the noise occasioned by the street lights. Several members present stated that reception was good until the time that the street lights were turned on, and then for a period considerable roar was heard.

J. J. Little, who was present, stated that next Monday evening the street lights will be turned on at 5:30, and the owners can then have the opportunity to test this trouble.

Mr. Batt, the local radio inspector, reported that he had found considerable trouble at several sources, and that those found had been cleaned up. It was very difficult to trace a lot of the trouble that owners claimed. In a number of cases, reports were made to him telling him of certain trouble and on investigation these troubles were found to be groundless.

Educational Talk

The president, Mr. Wesch, called upon T. Rose to give an educational talk on aerials and ground wires. This was most interesting. He emphasized very strongly that one of the most important connections to any radio was the ground wire and that, if a proper ground were secured, it made all the difference to reception. He gave several ideas for aerial wires and advised strongly that aerials in this town should not be more than 25 feet high, and that said aerial should always be strung over open ground. The lead in to the machine should be as short as possible. It would be found that by following these suggestions the reception would be very greatly improved.

Mr. Little informed the meeting that the Northern B. C. Power Co. Ltd. was behind the association to help clean up trouble now being experienced by all radio owners. On Saturday, Inspector Batt and a member of the staff of the Power Corporation, by permission of Mr. Little, will make a journey around the town with the trouble finding machine, to test up the balance of transformers that have not so far been investigated, and it is hoped that in the very near future the trouble as far as the Power Company is concerned will be cleared up. Also it is hoped that all electrical appliance owners will see to it that their equipment is in good shape and so let radio owners get full value for their investments in machines.

It is the intention of the radio association to have educational talks each meeting, which will be instructive and of great value to the members. It is expected that the next meeting will be addressed by a gentleman fully conversant with the machine itself, and one who has been servicing machines for some considerable time.

T. J. Shenton, inspector of mines left on this morning's train for a trip to Telkwa on official business.

DELEGATE IS NAMED

W. M. Brown to go to Victoria as Representative of Local Trades & Labor Council

W. M. Brown was selected by the Prince Rupert Trades & Labor Council last night to go to Victoria to attend the annual meeting of the British Columbia executive of the Trades and Labor Congress of Canada. Mr. Brown, who will go south in place of Ald. S. D. Macdonald, who finds it impossible to leave at this time, will also attend the annual conference of the B. C. executive with the provincial government.

A long list of resolutions to be presented to the government was approved.

GHOST IS CONVICTED

SANTA ANA, Feb. 21.—One of the most unique trials in the history of jurisprudence in the country took place here Thursday when the ghost of Mrs. Guy Bates Post was convicted on a charge of murdering Mrs. Doris Murray Palmer, her close friend.

While both women have been dead for ten months, it was necessary in order to settle estate matters, to try Mrs. Post and determine whether or not she had killed Mrs. Palmer. The jury found that she did.

Bridge and Whist Party by Ladies of Royal Purple

A very enjoyable bridge and whist was held last night in the Elks' Home by the Ladies of the Royal Purple. There were seventeen tables of cards and prize winners were:

Whist—Ladies' first, Mrs. G. E. Phillipson; consolation, Mrs. E. J. Clapp; men's first, C. R. Biggart; consolation, Eldor Anderson.

Bridge—Ladies' first, Mrs. A. J. Curzon; consolation, Mrs. A. J. Ross; men's first, H. Armstrong; consolation, A. J. Curzon.

After the playing of cards, refreshments were served. The committee in charge consisted of Mrs. Bert Morgan, Mrs. F. M. Crosby, Mrs. H. A. Ross, Mrs. J. D. Lawrence and Mrs. G. E. Gulick.

Tea and Sale by Rebekah Lodge

Successful Affair Held Yesterday Afternoon at Home of Mrs. J. McLean

A very successful tea and sale of home cooking was held yesterday afternoon by the Rebekah's Lodge at the home of Mrs. J. McLean, Fifth Avenue West. Many ladies called during the afternoon and the proceeds were satisfactory. Mrs. James Simpson was general convener with Mrs. C. O. Campbell, Mrs. S. L. Peachey and Mrs. J. McLean assisting. Mrs. J. E. Boddie and Mrs. J. Sinclair poured and Mrs. J. Murray acted as cashier. The guests were welcomed by Mrs. J. L. McIntosh.

SIDEWALKS ARE ASKED

Traffic Accidents Cause Women of Burnaby Municipality to Take Action

VANCOUVER, Feb. 21.—Women of Burnaby municipality, one of the suburbs of Vancouver, at a mass meeting yesterday, decided to petition the municipal council and the provincial government to provide sidewalks on many streets of the municipality which lack them, to put barriers where necessary on the streets and to widen many of the roads.

E. N. Walker of the Northern Electric Co., after having made an inspection of talking picture equipment in the Capitol Theatre here, sailed by the Camosun last night on his return to Vancouver.

WARNING So-called imitations of Ovaltine are everywhere. Refuse them. Ovaltine, the supreme tonic food beverage, is superior from every point of view.

Offset Cold Weather Ills—

Cold and raw winter days are a challenge to your vitality. Epidemics of colds and serious ills are unlikely to affect you if you make Ovaltine your daily beverage, because Ovaltine is super-nourishment in perfectly balanced form. It is the scientific concentration of nature's three best tonic foods, fresh eggs, creamy milk and ripe barley malt. Served regularly in place of ordinary beverages, Ovaltine will build up in you and your family a priceless reserve of energy and vitality to resist winter ailments. A cup of hot Ovaltine at bedtime ensures sound, refreshing sleep.

OVALTINE

TONIC FOOD BEVERAGE Builds-up Brain, Nerve and Body

Sold at all good stores in 50c, 75c, \$1.25 and special \$4.50 family size tins, also served at soda fountains.

NORTHERN B. C. NEWS

SMITHERS

Plot owners of the Smithers' Cemetery Co. have unanimously decided to turn the cemetery over to the village municipality. In order to effect the transfer, the company has elected a new set of officers as follows: president, A. C. Fowler; secretary treasurer, R. L. Gale; directors, Mrs. J. H. Beaton, S. H. Hoskins, S. J. Mayer and W. J. O'Neill.

The Smithers branch of the Canadian Legion of the British Empire Service League has elected officers for the coming year as follows: president, Charles A. Bowland; first vice-president, R. L. Gale; second vice-president, Alex Gray; executive, Dr. R. C. Bamford, T. Jenkinson, A. R. Sinclair, W. H. Cotton, H. M. Mathews and C. A. Warner.

H. M. Mathews, formerly manager of R. S. Sargent's store here opened a cash and carry grocery in Smithers this week.

The Smithers Hall Co. has reduced the rentals of the hall for public functions from \$15 and \$25 down to \$10 and \$15.

Stipendiary Magistrate S. H. Hoskins has dismissed witchcraft charges against two Hagwilget Indians, Donald Gray and Tye David, both well known residents of that reservation.

A hockey game last Saturday afternoon between Burns Lake and Smithers proved to be a scoreless fiasco. There was two inches of water on the ice but the boys played just the same and they were "all wet."

Mrs. I. A. Bahler, well known Smithers woman, died suddenly on Monday night, the only warning of her impending passing having been a headache during the day. After a service in Smithers' Uni-

ted Church, the remains were forwarded on Wednesday to Dodgeville, Wisconsin, for burial.

Under conditions attended by considerable hazard owing to mild weather and soft surface, Charles Wilton this week was able to complete his ice harvest at Lake Kathleen for the Booth Fisheries.

PRINCE GEORGE

Angus McDonald, the big lumberjack from Longworth in this district, is making good in the pugilistic world. He is cutting quite a dash in the eastern cities and is commencing to break into the big money.

The report of the auditor of the city of Prince George shows that there was a surplus in 1930 of \$9,737.07 of revenue over expenditure.

L. D. Bottineau has been appointed official dog catcher of the city of Prince George for the coming year.

If the weather remains fine, the city council proposes to make all able-bodied men in receipt of relief perform some labor in return for the municipal assistance given them. This was unanimously decided at a meeting of the council on Monday. Under this arrangement an effort will be made to clean up the brush on Connaught Park and have it burned at a time when damage will not be done to other trees.

Burglars entered McCullagh's jewelry store on Tuesday night and looted two show-cases in addition to helping themselves to a considerable quantity of jewelry and novelties from the shelves. No burglary insurance was carried by Mr. McCullagh.

G. C. Sinclair, superintendent of the Employment Service of Canada labor bureau here, reports that

over 1600 men have been provided with direct relief by the provincial government through his office between November 1 and February 14. There were 1673 registered as being unemployed.

The Prince George Rural Women's Institute has been organized at Pineview with officers as follows: honorary president, Mrs. J. Blackburn; president, Mrs. Larson; vice-president, Mrs. Grundall; secretary treasurer, J. W. Barrett; auditor, Mrs. H. H. H.; director, Mrs. Bert Blackburn.

TO RESTORE CATHEDRAL

Sum of \$500,000 Has Been Presented For This Work in British Isles

LONDON, Feb. 21.—Edward Hartness, wealthy American, has already given much to English charities, has now presented a sum of \$500,000 to be used in restoration of cathedrals in the British Isles.

Chicago, Milwaukee Railway Plans Big Construction Work

CHICAGO, Feb. 21.—The Chicago Milwaukee & St. Paul Railway about to embark upon a \$15,000,000 program of new construction work it is announced at head office of the line here.

Smothering and Fainting Spells
Everything Would Turn Black

Mrs. Andrew Black, Harcourt, N.B., writes:—
“I had been troubled with smothering and fainting spells, and everything in front of me would turn black, and I would fall down in a faint and be unconscious for several minutes. I did not know what to do, until one day I was reading where Milburn's Heart and Nerve Pills had helped so many people and decided I would give them a trial. I used four boxes and found they help me wonderfully.”

Hemorrhoids

Or piles are quickly relieved by Dr. Chase's Ointment

It is a serious matter to have piles and one person in four has them at one time or another. The annoyance and distress is great. It is difficult to obtain lasting relief. So much so that a surgical operation may be considered necessary. That is unless your physician is familiar with Dr. Chase's Ointment for many doctors recommend this treatment to their patients.
For nearly half a century Dr. Chase's Ointment has been the never failing relief for itching, bleeding and protruding piles. It is now very generally known by the medical profession, and the public generally, as the standard treatment for this torturing ailment.
Ask your friends about Dr. Chase's Ointment for "users are boosters" in this case. Relief comes quickly and you can obtain the ointment at any drug store.

WORLD DAY OF PRAYER

Large Congregation at Service Yesterday in Which All Protestant Churches Participated

There was a large congregation of women in St. Paul's Lutheran Church yesterday afternoon for the observance here of the World Day of Prayer. Women of various churches in the city took their part in the program. The church was beautifully decorated for the occasion with cut flowers and potted plants. Mrs. John H. Hanson of the Lutheran Church was in charge and Mrs. Alfred Wilson of First United Church presided at the organ to accompany the hymns.

The proceedings opened with a silent meditation followed by the Call to Worship. The Hymn of Worship was followed by the invocation and there was then "The Consecration of the Witness."

A prayer hymn by the congregation was followed with the Scripture response of "A Witnessing Church." Prayer for Thanksgiving was taken by the Baptist Church and the Prayer for a Witnessing Church by the Pentecostal Mission. The hymn, "The Church's One Foundation," was then sung and there was responsive reading of "Witnessing through the Ages." Prayer for the Crusade of Righteousness was taken by the Presbyterian Church.

Prayers for "Our King, Our Empire and Our Country for Peace," were in charge of the Anglican women. The singing of "O God, Our Help in Ages Past" followed after which there was a solo by Mrs. Carl Dybbahn "O Lord, I Come" and a responsive reading of "Witnessing in a New Age."

The hymn "Where Cross the Crowded Ways" preceded several prayers which were taken by Rupert East United Church, Miss E. G. Lenox for the Anglican Church, the Lutheran Church and the Salvation Army. "Hail to Brightness" was the next hymn, followed by a prayer by Miss Isabel Haddock of the United Church.

The proceedings came to a close with the singing of the hymn "Lead On, O King Eternal" and the benediction.

An offering of \$11.50 was taken, this to go to the interdenominational board of missions.

Boy Scouts Honor Baden-Powell's Seventy-Fourth Anniversary

The Third Prince Rupert troop of Boy Scouts held a social last evening in the hall of the First United Church to honor the seventy-fourth birthday of the founder of the Scout movement, Lord Robert Baden-Powell. The boys had as their guests members of First company Girl Guides under Capt. N. Rogers, also Second Troop, Boy Scouts, under Scout Master Alex Rix. About forty were present.

During the evening, games were played—musical chairs, Yo-Yo contest, relay races in which the Scouts were winners also a basketball match between the Guides and Scouts when great excitement prevailed.

F. A. MacCallum presented badges to those Scouts who had recently won them, giving a word of encouragement to each boy. After partaking of ample refreshments which were served by Capt. Rogers and Lieut. Brewerton, G. A. Edgcombe proposed a toast to the King, Scout Master P. C. Miller proposed a toast to the Chief Scout and Chief Guide which was responded to by F. A. MacCallum. Patrol Leader Victor Miller proposed a toast to the Girl Guides which was responded to by Lillian Jones. Singing of "God Save the King" brought to a close another happy evening spent together.

The Scouts' winning badges were: Leslie Wilson, first class badge; Andrew Dybbahn, second class badge; Leslie Wilson, George Vierick, Louis Astoria, carpenter's badge; Victor Miller and Walter Smith, cook's badge; Joe Naylor, Bobby Houston, Jack Unwin, musician's badge; Louis Astoria and Martin Erickson, laundryman's badge.

Service stars were awarded to Scout Master P. C. Miller 11 years; Patrol Leaders Victor Miller and Walter Smith, four years; Louis Astoria, two years; Leslie Wilson, Andrew Dybbahn, Pat Phillipson, Bob Houston and Jack Unwin, one year.

REGULAR PAINS?

SOME women suffer more than others. Often, when there isn't any need! The pains peculiar to women may be relieved as readily as other pains for which Aspirin is intended. These pains are always a big help at such times, and never the least bit harmful. (Aspirin does not depress the heart.) Of course, you are familiar with the use of Aspirin for headache. It brings such prompt relief that sudden headaches needn't upset your plans. It will check a cold, or ease the sorest throat; and comfort the worst sufferer from neuritis and neuralgia. When your head aches from any cause—when a cold has settled in your joints or you feel those deep-down pains of rheumatism, sciatica, lumbago, take Aspirin and you can count on real relief.

SPORTS

HURT RIB, NOT BAD

Primo Carnera and Jim Moloney to Meet on Schedule on March 5

MIAMI, Florida, Feb. 21—Primo Carnera, the giant Italian heavy-weight injured a rib while training yesterday and it was feared for a time that the injury might interfere with his bout for March 5 with Jim Moloney.

Grotto Leads In Billiards

Have Eleven Point Margin Over Elks in Three Games of Last Night's Fixture

Only three of the five games in last night's Billiard League fixture between Elks and Grotto were played, the Grotto having a lead to date of 733 to 722.

KID FRANCIS BOUT WINNER

Outpointed Eddie Shere by Wide Margin in New York Last Night

NEW YORK, Feb. 21—Eddie Shere, after an absence of six years from the ring here, returned last night, only to lose a decision to Kid Francis, the fast little Italian featherweight, by a wide margin.

Wins Florida Golf Honors

Miss Helen Hicks, Who Eliminated Diana Fishwick, Captures State Championship

WEST PALM BEACH, Fla., Feb. 21—Miss Helen Hicks of Long Island, who eliminated Diana Fishwick, British open champion in the semi-final, won the Florida State open golf championship here yesterday.

Capt. Roy W. Ammel, Chicago broker, in his plane, Blue Flash, upon arrival at Panama canal zone, after record flight from New York of 24 hours, 35 minutes.

FIGHT FOR HIS LIFE

ST. LOUIS, Feb. 21—Ban Johnson, 60-year old former president of the American League, is making a desperate fight for his life against the ravages of diabetes from which he has been in hospital here for the better part of four months.

Old Country Soccer

English League—First Division Arsenal 4, Manchester United 1, Birmingham 0, Aston Villa 4, Blackburn Rovers 1, Westham United 0.

Sensational Freak Goal Mere Second Before Final Whistle Gives Seattle Eskimos Win

SEATTLE, Feb. 21—A sensational chance shot by Ernie Anderson, Eskimos right winger, after a mix-up in front of the goal one second before the final whistle of the overtime period gave Seattle a two to one victory over Vancouver Lions in the Pacific Coast Hockey League here last night, Seattle having scored one in the first period

Table with 5 columns: W, L, D, F, A. Pts. Rows for Vancouver, Seattle, Portland.

one second before the final whistle. The standing of clubs to date is as follows:

Seventeen minutes on in the second period, Jimmy Arnot scored for the Lions with a fast one that went between Dave Kemp's legs, and tied it up.

The third period was fast as might have been expected. Both goalies had narrow escapes but both saved. The game got rough and there were a few penalties.

The overtime period was marked pretty well by strong defensive play with an occasional dash to one end or the other, both goalkeepers being tried. The Eskimos possibly had the best of the play. Pete Belfoy made several long but unsuccessful shots on behalf of Seattle.

Miss Louise A. Boyd, San Francisco, heiress and society woman, with two thrilling Polar expeditions to her credit.

VANCOUVER TEAM WINS

Ex-King George's to Play Off For Canadian Hockey Championship

VANCOUVER, Feb. 21—Ex-King George's of Vancouver retained the junior provincial hockey championship last night by defeating Trail three to nothing. It was the final game.

The Vancouver team will now meet the Alberta champions in the first of the Canadian championship playdowns.

Took Two Falls In Seventeen Minute Wrestle

PORTLAND, ORE., Feb. 21—Joe Malcewicz defeated John Freberg two falls out of three within seventeen minutes of the start of a fast wrestling bout here Thursday night.

Bob Kruze and Joe Malcewicz Will Wrestle

SEATTLE, Feb. 21—Bob Kruze and Joe Malcewicz will meet here on Monday night in the main event of the regular weekly wrestling card. It is expected to be one of the most interesting bouts of the season here.

SPORT CHAT

The Grand National steeplechase, greatest event of its kind in the world, remains as puzzling as ever. This year's race will be run on March 27. Restrictions were imposed when it was feared that the popularity of the new Irish Hospitals' sweepstake might affect the entry list, but entries number, 35, one more than last year.

ASHES ARE SCATTERED

Country Readers of "The Daily News"

To the readers of the Daily News who live out of town, we suggest that the classified columns of the paper provide an excellent medium for the disposal of articles they may have for sale or exchange.

Last season a lady at Smithers did a large business in selling fresh eggs direct from the farm by advertising in this paper.

Chickens, implements, household goods, boats, fishing gear, guns, cordwood, furs and dozens of other articles may be disposed of. The charge is two cents a word but six times goes for the price of four.

Many people get good results.
Why not you?

IN PROBATE

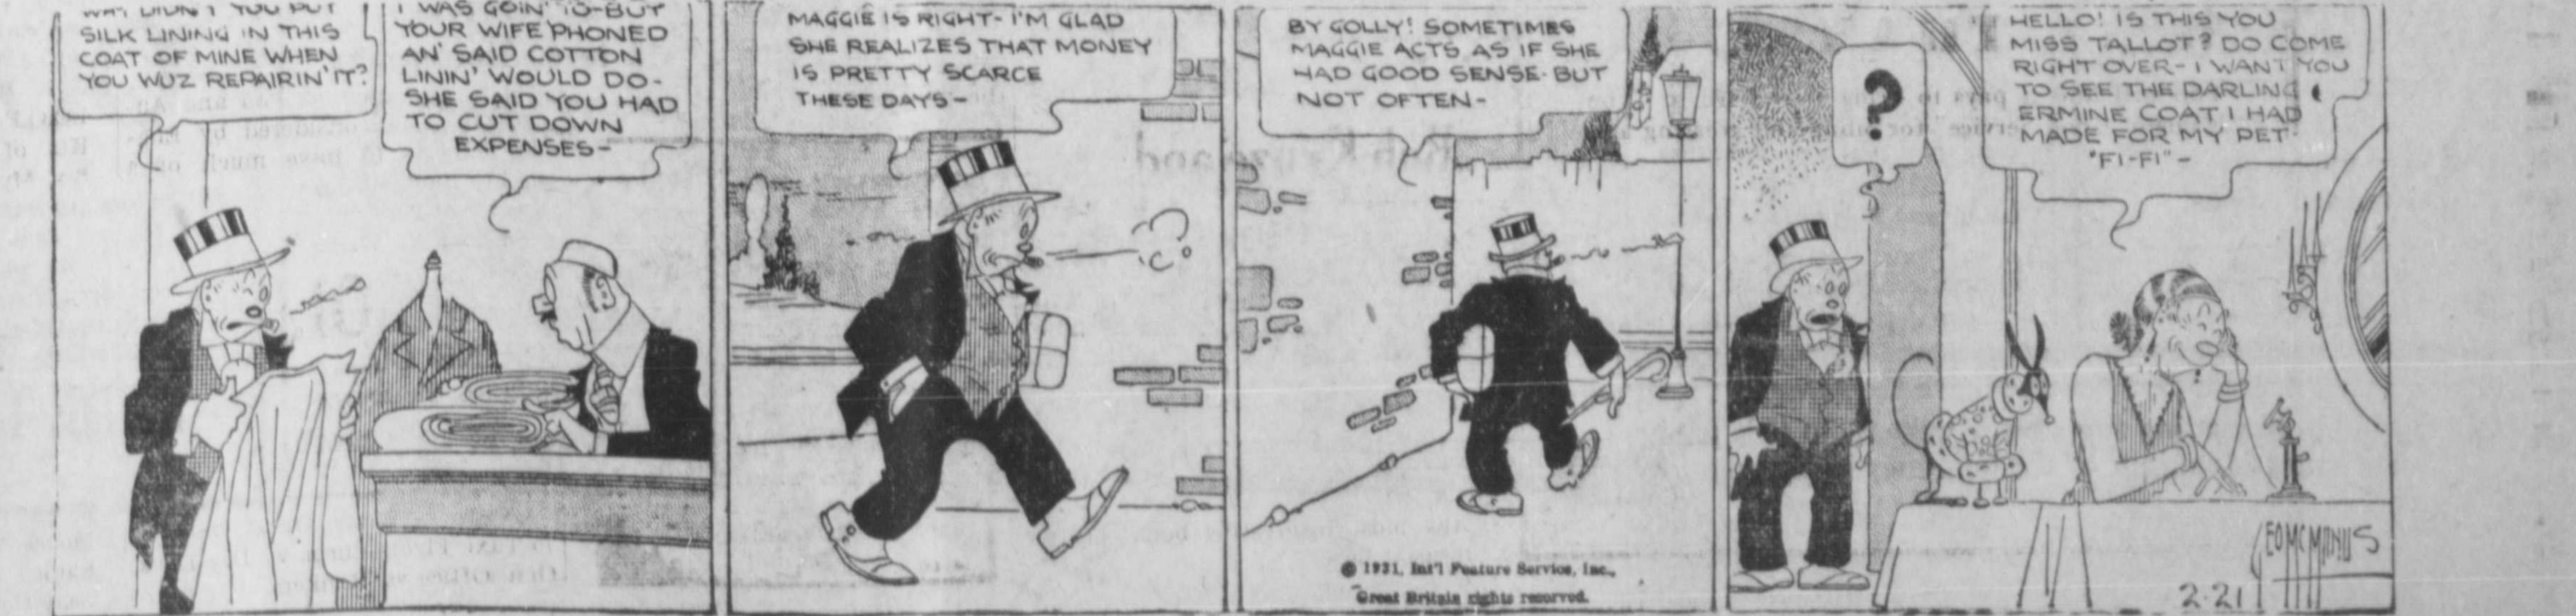

IN THE SUPREME COURT OF BRITISH COLUMBIA IN THE MATTER OF THE ADMINISTRATION ACT, AND IN THE MATTER OF THE ESTATE OF DONALD MATHESON, DECEASED, INTESTATE.

TAKE NOTICE that by order of the Honourable Mr Justice W. A. MacDonnell, dated the 22nd day of December A.D. 1930, I was appointed Administrator of the Estate of Donald Matheson, deceased, and all parties having claims against the said Estate are required to furnish same properly verified to me, on or before the 12th day of March A. D. 1931, and all parties indebted to the estate are required to pay the amount of their indebtedness to me forthwith.

CHARLES L. MONROE,
Official Administrator,
Prince Rupert, B.C.

Dated the 12th day of February, A.D. 1931.

BRINGING UP FATHER

By George McManus

ISLAND COAL IS GOOD COAL

OH! WHAT'S IT ALL ABOUT-ANYWAY

ONCE you have determined which coal will give you the greatest heat for the fewest dollars, you can dispense with puzzling chemical formulae like these.

H₂O, as you know, means "Water". Too much moisture in coal means loss of heat. CO₂ is the gas (one part carbon, two of oxygen) given off by coal in the act of burning, and which, mixed with oxygen, produces heat.

In simple language, when you burn coal, you must also burn the right proportion of air in order to get the maximum heat.

A "B.T.U." (British Thermal Unit) is an accepted unit of measurement of the inherent heat value of any fuel.

Therefore, the coal having the lowest moisture content and which by test has the greatest number of B.T.U.'s is the coal from which your furnace will extract the greatest heat.

And right here, at your door-step, is one of the driest and "hottest" bituminous coals in the world! The Vancouver Island Coals . . . Nanaimo-Wellington and Comox . . . are rated more than 30% higher in B.T.U.'s than their nearest competitor.

Solution of Halibut Fishery Disputes Seems Near—
Power Cruiser Surveyor Sold—Fine
Herring Run Continues

Disputes between the various interests concerned with the halibut fishing industry at Prince Rupert bid fair to have the effect of preventing the season's fishing operations from getting under way generally before the first of March which was the time last year, by mutual agreement, that fishing commenced. By that time it is confidently anticipated that the various matters of dispute will have been ironed out to the satisfaction of all concerned. Meantime, no one is suffering very seriously if at all. From the standpoint of the boat owners and fishermen, it is just a question if anything would be gained by fishing during these two weeks. Weather is bad and, from all indications, good prices could not be expected. As for the fish dealers, it will give them just that much longer to dispose of frozen stocks before the fresh fish starts coming in in any appreciable volume. In other words, it is hoped that, by March 1, conditions will be more favorable all around for everyone. In the meantime, it is gratifying to note that, in Prince Rupert at least, no enmity has developed between the contending factions and that a spirit of conciliation is manifestly evident.

As for the dispute between the fishermen and the boat owners, the former agreed during the week to make four instead of three weeks the period after a boat casualty during which they are willing to continue their liability for share in "hole" trips. The fishermen had previously held out for a period of no more than three weeks. To reconsider the matter, it is probable that there will be another meeting of the boat owners by the end of this week.

In the matter of grading, where the buyers are involved on one side and the boat owners and fishermen on the other, there is said to be a real possibility that the companies may amend their stand of making first class fish only from 10 to 60 pounds to the former arrangement whereby halibut weighing from 10 to 80 pounds is graded as first class.

As pointed out on previous occasions there is no dispute here, as in Seattle, on the matter of boat's share of proceeds, the owners here being willing to stand by the present twenty per cent whereas Seattle boat owners are demanding twenty-five per cent.

So far only one Prince Rupert boat, the American Tahoma, Capt. Winnie Pierce, has left here for the banks. This vessel, having conceded Union demands, cleared Wednesday night. Some of the Canadian boats, principally smaller ones, were reported to be signing up with the Union but none have yet left for the banks. Next week, however, may see quite a number of boats out from here.

With several of the halibut craft

"Where Dollars Have More Cents"

for the most of the past week with a very severe cold. He was to have sung in the augmented choir concert last Monday night but was unable to make it. The concert was good but would have been much better, no doubt, had Doc been able to take part. We wish him a speedy and complete recovery.

No word has yet been received as to which yard was successful in getting the contract for the new federal government hydrographic survey boat for which job there was much rivalry. It is understood, however, that the local yard is out of the running for the job.

Walkem's Shipyard Ltd. of Vancouver have been awarded the contract for construction of four new fishery patrol boats. The boats will be 52 feet long and equipped with 72 h.p. engines. The contract price is approximately \$59,000. One of the boats will be used in the Vancouver district, one in Alert Bay district, one in the Queen Charlotte district, and one in the Prince Rupert district.

The Consolidated Whaling Corporation, which has operated whaling ships out of Victoria to the Queen Charlotte Islands for a number of years, will not send its ships out this summer, according to an announcement made by Capt. LeMarquand, managing director of the corporation. "Because of the low prices offered for whale oil and the over-production at the present time, we cannot see our way clear to operate the Victoria ships this year," Capt. LeMarquand said. The captain said that the Norwegian fleets are coming from the Antarctic with large cargoes of whale oil for United States market, which is also the principal market for the produce of the Victoria company. Capt. LeMarquand said the Victoria boats will remain at their moorings in the upper inner harbor there until the spring of 1932, when conditions may warrant their operations. There are six Victoria boats in the fleet, the W. Grant, Blue, Black, Green, White and Brown, with the tender Gray. Usually the whalers leave early in May for the Queen Charlotte Islands and do not return until early in September, the Gray making several trips to Victoria and Seattle during the season with whale oil and supplies.

Installation was completed by the Imperial Machine Works this week of the new 75 h.p. Fairbanks-Morse full diesel engine in Capt. Tony Martinussen's halibut boat Livingstone II. The motor proved satisfactory under trials and Capt. Martinussen expects, as usual, to be one of the worst of the season at actual work.

Surveyor Sold

Sale is reported this week of the well known power cruiser Surveyor by the Pacific Salvage Co. to the Billmor Spruce Mills Ltd. The vessel, originally owned by John Dybbavn, was purchased last fall by the Pacific Salvage Co. from the Biological Board of Canada, the boat having formerly been attached to the Prince Rupert Fisheries Experimental Station. The Surveyor, 36 feet long and powered with a 10 h.p. Rallaco engine, is now undergoing a thorough overhaul at the Pacific Salvage Co. floats before being turned over to her new owners. She will be used as a service boat between town and the company's sawmill at Porpoise Harbor, seven miles south of the city.

A great run of herring still continues, in its fourth week now, at Pearl Harbor and a full harvest is being taken for the Rupert Marine Products reduction plant on Tucks Inlet as well as for the Canadian Fish & Cold Storage Co. by whom it will be used for halibut bait purposes. The Cold Storage, for whom Capt. Ole Skog has been fishing with the Fredella, has about put up its requirements, it is announced. The Rupert Marine Products, for whom the Gammon & Watt seiner Zenardi is fishing with company boats packing, will continue to take the fish as long as it offers.

Small catches of spring salmon continue to be landed here to be placed on a ready local market. The price is not quite as high as usual, 12c and 14c per pound being paid the fishermen. Price for spring salmon on other markets is also low.

Capt. Hendrik Hendricksen, well known American halibut boat skipper, who had to go to California a couple of years ago on account of ill health, is on his way north again with the 45-foot boat Saga, which he built during his stay in the sunny southern state. He is due in Ketchikan any time and will then proceed to the fishing grounds. His companions on the long voyage north are his wife and Ed. Marks. She called at Seattle a few days ago. Capt. Hendricksen's health is completely restored as a result of the change.

The halibut boat Lysekil, which spent the winter in Vancouver, is coming north for the season and should arrive here any day now. She will outfit here before proceeding to the banks. The skipper of the Lysekil is Capt. Al Woie, formerly well known here as skipper of Bradbury & Yelf seineboats and halibut vessels.

Doc Clapperton, we are sorry to report, has been laid up in his quarters at the government wharf

Belgian Order Is Triumph For British Craft

Orders For Planes by Belgian Government Total \$1,500,000

LONDON, Feb. 20.—Facts which came to light within the last few days emphasize the achievement of a British company in obtaining from the Belgian government the largest order for service airplanes placed in Great Britain by a foreign power since the war. The struggle among the aircraft constructors of several nations for contracts worth more than \$1,500,000 belongs to the high romance of business.

When the British representatives, "Firefly" single-seater fighter and "Fox" two-seater, reached the Belgian testing ground the decision to buy from France and Czechoslovakia was already taken, and the contracts awaited signature by the responsible government officials. These documents were torn up after the British machines had flown in demonstration before Belgian air officers and technical experts.

The "Firefly" gained the day by exhibiting a range of speed and rocket-like rate of climb which far surpassed any other competing airplane. In the hands of Belgian air officers, the machine was put through every conceivable manoeuvre, including flight upside down over the entire length of the air-drome, showing ease and swiftness of control that surprised and delighted the pilots.

The "Fox," powered like the "Firefly" with the Rolls-Royce "F" type motor of about 500 horse-

power, was equally outstanding in fierce competition.

Belgium is now assured of flying equipment which will place her air regiments above all other nations, Great Britain alone excepted, in the quality and performance of one and two seater fighting aircraft.

Castoria... for CHILDREN'S ailments

ARE you prepared to render first aid and quick comfort the moment your youngster has an upset of any sort? Could you do the right thing—immediately—though the emergency came without warning—perhaps tonight? Castoria is a mother's standby at such times. There is nothing like it in emergencies, and nothing better for everyday use. For a sudden attack of colic, or for the gentle relief of constipation; to allay a feverish spell, or to soothe a fretful baby that can't sleep. This pure vegetable preparation is always ready to ease an ailing youngster. It is just as harmless as the recipe on the wrapper reads. If you see Chas. H. Fletcher's signature, it is genuine.

Castoria. It is harmless to the smallest infant; doctors will tell you so.

You can tell from the formula on the wrapper how mild it is, and how good for little systems. But continue with Castoria until a child is grown.
